*Section 6.02. Insurance in Connection with Construction.* City shall, until the date upon which the completion of the improvements to be constructed by City as provided in Section 1.02 hereof and as certified by the Consulting Engineer, keep in force insurance issued by a responsible insurance company or companies, insuring City and Lessees, as their interests may appear, against all liabilities for public liability or property damage arising out of or of the demised premises in amounts of comprehensive insurance not less than those provided in Section 6.01 hereof, and insuring such improvements during the construction under completed builder's risk insurance, against fire, extended coverage and vandalism in an amount equal to the full insurable value of such construction as the same progresses in order to assure continuity of construction and ultimate completion despite damage or destruction suffered during the course thereof. City may cause such insurance to be effected in whole or in part by the contractors performing the construction work, but, in any event, the cost of such insurance shall be deemed a part of the cost of construction of such improvements.

*Section 6.03. Casualty Insurance and Proceeds.* The Motor Vehicle Parking Facility to be constructed by City hereunder on the demised premises, shall be insured at all times, on and after the date upon which completion thereof is certified by the Consulting Engineer and during the term hereof, under a so-called "fire and extended coverage policy or policies", issued by a responsible insurance company or companies, which policy or policies shall specifically insure against loss or damage by fire, lightning, collision, explosion, strikes, riots, civil commotions, malicious damage, tornado and windstorm in an amount equal to 100% of the replacement value thereof without deduction for depreciation and shall include coverage against loss of rental or other income as a result of any interruption in the operations of such improvements due to any such causes. Such insurance policies shall be taken out and maintained by City, but payable only out of revenues of the Airport as an operation and maintenance cost. Prior to the taking out of such policy or policies, City shall advise the Airline's Representative of the insurance policies proposed to be taken out by City and the cost and coverage thereof and may receive objections of such Representative with respect to the proposed insurance. All such insurance policies shall name as insureds thereunder City, Lessees, and any operator selected by City to operate any part of the demised premises, and shall provide that proceeds of such insurance shall be payable to City and such policies shall be delivered to the City Comptroller of City.

Immediately after any substantial damage to or destruction of any part of the Motor Vehicle Parking Facility the City will cause the Consulting Engineer to prepare or approve plans, specifications and estimate of cost for repairing or replacing the damaged or destroyed property (either in accordance with the original or of a different design if approved by the Airline's Representative), and to file copies of such estimate with the Treasurer, City Comptroller and Depositary provided for under the Revenue Bond Ordinance. The proceeds of all insurance referred to hereinabove shall be available for and to the extent necessary be applied to the repair, replacement or reconstruction of such damaged or destroyed property, and shall be disbursed in accordance with the provisions of Section 3.01 of the Revenue Bond Ordinance.

In the case of any damage to or destruction of any part of the Motor Vehicle Parking Facility, if the cost of renewing, replacing or reconstruction of the damaged or destroyed property, as estimated by the Consulting Engineer, shall not exceed the proceeds of insurance and other moneys available for such purpose, the City will forthwith commence and diligently proceed with the immediate repair, replacement or reconstruction of the damaged or destroyed property according to plans and specifications prepared or approved by the Consulting Engineer.

If such proceeds are more than sufficient for such purpose, the balance remaining upon completion of the renewing, repairing or restoration of the damaged or destroyed property shall be by order of the City Comptroller deposited by the Treasurer to the credit of the Sinking Fund Account. If such proceeds shall be insufficient for such purpose, the deficiency shall be supplied by the City from any moneys in the Reserve Maintenance Account created by Section 5.02 of the Revenue Bond Ordinance to the extent there are funds available for that purpose in said Account.

The proceeds of any such insurance received on account of damage to or destruction of any part of the Motor Vehicle Parking Facility which are not applied or committed within eighteen (18) months after their receipt by the City to renewal, replacement or reconstruction of such damaged or destroyed property (unless it has been prevented from so doing because of conditions beyond its control) after deducting demolition expenses, shall be credited by the Treasurer on order of the Comptroller to the Sinking Fund Account created by Section 5.03 of the Revenue Bond Ordinance, but if at the time no Approved Revenue Bonds are outstanding said proceeds shall be deposited in the Improvement Account, as defined in Section 16.04 of the Airport Use Agreement.

### ARTICLE VII.

### *Abatement.*

In the event that during the term hereof the Airport shall be closed for any period of time for the landing or taking off of all turbo jet powered aircraft operated by Lessees, which at the time are landing or taking off, in the course of normal operations, at one or more airports having facilities similar to those at the Airport, by any order or direction of the City or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction, then to the extent but only to the extent that sufficient moneys are then held to the credit of the Emergency Reserve Account under the Revenue Bond Ordinance, the rentals provided herein as payable by each Lessee shall abate for the period of such closing as hereinafter provided.

In the event there are not sufficient moneys at the time to the Credit of the Emergency Reserve Account available for use under the Revenue Bond Ordinance in an amount equivalent to the amount of rentals to be abated pursuant to the foregoing provisions of this Article and pursuant to similar provisions for the abatement of rentals under any other leases of premises at the Airport between City and any scheduled air transportation company, then the abatement of rentals pursuant to this Article and pursuant to the provisions of such other leases shall be proportionately decreased so that the aggregate amount of all such abatements shall not exceed the moneys at the time to the credit of the Emergency Reserve Account which are available for use under the Revenue Bond Ordinance.

### ARTICLE VIII.

### *Termination by City.*

In the event that any Lessee shall fail to pay, when due, any rental payable by it hereunder and such failure shall continue for a period of sixty (60) days after receipt by such Lessee of written notice from City advising it to cure the same, City may terminate all rights and privileges of such Lessee under this Lease, except for such rental credit to which it may be entitled under the provisions of Section 3.02 hereof, by giving such Lessee sixty (60) days advance notice of such termination; provided, however, that such termination shall in no way relieve such Lessee of, or diminish, any of its obligations hereunder.

### ARTICLE IX.

### *Issue of Bonds.*

*Section 9.01. Authorization of Bonds.* In order to provide the funds to pay the cost of the Motor Vehicle Parking Facility and said 4R-22L Runway, the City Council shall with reasonable promptness upon the execution of this Lease and pursuant to Section 2.16 of the Revenue Bond Ordinance adopt a Supplemental Bond Ordinance authorizing the issue of Chicago-O'Hare International Airport Revenue Bonds and approve the sale thereof to a purchaser, in substantially the form attached hereto and marked Exhibit D.

*Section 9.02. Failure to Sell Bonds.* In the event the City Council does not adopt an Ordinance in substantially the form attached hereto and marked Exhibit D within seventy (70) days after the execution of this Lease, or in the event the purchaser of the Bonds fails or refuses for any reason to take up and pay for the Bonds authorized by said Supplemental Bond Ordinance within seventy (70) days from the date of the adoption of said Supplemental Bond Ordinance by the City Council, this Lease shall be of no force and effect upon either party hereto.

### ARTICLE X.

### *Definitions.*

The following terms when used in this Lease shall have the following meanings:

(a) "Airline's Representative" shall mean such person (and such alternates, in such order) then designated by a Majority in Interest of Airline Parties to this Lease by notice to the Commissioner of Aviation. Any such designation of such Representative shall remain in full force and effect until revoked or modified by a Majority in Interest of Airline Parties to this Lease by notice to the Commissioner of Aviation.

(b) "Airport Use Agreement" shall mean that Agreement entered into by and between the Airlines and the City of Chicago dated the 1st day of January, 1959.

(c) "Approved Revenue Bonds" shall mean:

(i) the principal amount of bonds heretofore issued pursuant to the provisions of Sections 2.02, 2.15 and 2.16 of the Revenue Bond Ordinance;

(ii) principal amount of bonds which may be issued pursuant to the provisions of Section 2.16 of the Revenue Bond Ordinance and pursuant to the Supplemental Revenue Bond Ordinance hereto attached for the purpose of constructing additional improvements and extensions referred to therein;

(iii) any additional bonds which may be issued pursuant to the provisions of Section 2.16 of the Revenue Bond Ordinance for the purpose of constructing additional improvements and extensions to the Airport. Approved Revenue Bonds shall be deemed outstanding until either paid at maturity or called for redemption and funds deposited in trust in payment thereof.

(d) "Consulting Engineer" shall mean the Consulting Engineer at the time acting as such under the Revenue Bond Ordinance.

(e) "Fiscal Year", "Year", "period" and "annual period" shall mean the fiscal year of the City of Chicago commencing January 1 and ending December 31 of each year.

(f) "Majority in Interest of Lessees" shall mean at any time the then Lessees hereunder who (1) constitute at least one-half of all then Lessees hereunder, and (2) operated aircraft landed in fee landings (as defined in the Airport Use Agreement) at the Airport having an aggregate approved maximum landing weight representing over fifty per cent (50%) of the aggregate approved maximum landing weight of all aircraft, landed by all Lessees in such fee landings at the Airport during the then preceding fiscal year as determined in the City's audited financial statement for such year.

(g) "Revenue" shall mean all revenues paid to City under an agreement with any concessionaire through which the City may be operating the demised premises or, in the event the City shall operate the demised premises itself, all revenues received by the City from such operations after deducting therefrom those sums required by Section 1.05 hereof and those sums required for the operation and maintenance of the demised premises.

(h) "Revenue Bond Ordinance" shall mean the Ordinance entitled "Ordinance authorizing the issuance of Chicago-O'Hare International Airport Revenue Bonds, Series of 1959, for the purpose of improving and extending said Airport, and providing for payment of principal and interest on said bonds", adopted the 29th day of December, 1958.

(i) "Sinking Fund Account", "Emergency Reserve Account" and "Debt Service Account" shall be the Accounts as provided by Section 5.03 of the Revenue Bond Ordinance.

(j) It is intended, unless the context otherwise indicates, the definitions provided for herein shall have the same meaning and intent as the definitions provided for in Article I of the Revenue Bond Ordinance.

### ARTICLE XI.

### *Miscellaneous.*

*Section 11.01. Consents and Approvals.* Consents and approvals by the City Council, the City or the Lessees, as the case may be, shall be in writing and shall not be unreasonably withheld and as to the City and the Lessees it shall be deemed to have been given unless within thirty (30) days after receipt of written request for such consent or approval, the party to whom the request is addressed shall have given the other party a written reply refusing or withholding action on such consent or approval and stating his reasons for such refusal or such withholding of action.

Whenever approval by the City Council is required, if the City Council fails to act within ninety (90) days after the request for approval has been presented to it, such approval shall be deemed to have been made.

*Section 11.02. Notices.* All notices to City provided for herein shall be in writing and may be sent by registered mail, postage prepaid, addressed to the Commissioner of Aviation of the City of Chicago, City Hall, Chicago, Illinois 60602, or to such other address as City may designate from time to time by notice to Lessees, and shall be deemed given when so mailed. Any notice by Lessees hereunder may be given by the Airline's Representative on behalf of Lessees. All notices to a Lessee provided for herein shall be in writing and may be sent by registered mail, postage prepaid, addressed to such Lessee at its address shown below: or to such other address as such Lessee may designate from time to time by notice to City, and shall be deemed given when so mailed.

*Section 11.03. Separability.* In the event any covenant, phrase, clause, paragraph, section, condition or provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of such covenant, phrase, clause, paragraph, section, condition or provision shall in no way affect any other covenant, phrase, clause, paragraph, section, condition or provision herein contained unless such invalid portion shall materially affect the rights of the parties hereto.

*Section 11.04. Assignability.* No Lessee shall assign its rights hereunder, in whole or in part, except with the prior consent of the City Council which shall not be unreasonably withheld; provided, however, the foregoing shall not prevent the assignment of a Lessee's rights hereunder to any corporation into or with which it may merge or consolidate, or which may succeed to its business and assets. No Lessee shall sublease, in whole or in part, its interest in the demised premises.

*Section 11.05. Successors and Assigns.* All of the covenants, stipulations and agreements herein contained shall, subject to the provisions of Section 11.04 hereof, inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

*Section 11.06. Construction.* This Lease shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois.

*Section 11.07. Counterparts.* This Lease is one of thirteen (13) leases executed by the individual Lessees set forth in Section 3.01 hereof, each of which counterparts has been executed by the City, and all of which counterparts shall be an original and collectively considered as one Lease.

*In Witness Whereof,* the City of Chicago has caused this Lease to be executed on its behalf by its Mayor, pursuant to due authorization of the City Council of the City of Chicago, and its seal to be hereunto affixed and attested by the City Clerk of the City of Chicago, and each Lessee has caused this Lease to be executed on its behalf and its corporate seal to be hereunto affixed and attested by its proper corporate officers, pursuant to due authorization of its Board of Directors, all as of the day and year first above written.

[Signature forms omitted]

[Exhibits, etc. attached to this ordinance printed on pages 8008-8014 of this Journal]

SECTION 2. This ordinance shall be in force and effect from and after its publication.

---

## Filing of Certificates and Affidavits of Consultants Read by City Clerk.

Honorable John C. Marcin, City Clerk, announced that the following Consulting Engineer's Certificate has been filed in his office in accordance with provisions of Subparagraph (b) of Section 2.16 of the Ordinance of December 29, 1958, which Certificate is printed on page 8015.

Honorable John C. Marcin, City Clerk, announced that the Airport Consultant's Certificate has been filed in his office in accordance with the provisions of Subparagraph (c) of Section 2.16 of the Ordinance of December 29, 1958, which Certificate is printed on pages 8016, 8016A and 8016B.

Honorable John C. Marcin, City Clerk, announced that he had executed an affidavit to the effect that the Consulting Engineer's Certificate and the Airport Consultants Certificate were filed in his office; and that said affidavit of John C. Marcin reads as follows:

State of Illinois } ss
County of Cook }

I, the undersigned, do hereby certify that I am the duly qualified and acting City Clerk of the City of Chicago, and as such official I further certify that on the 25th day of March, 1970, there was filed with me the Airport Consultant's Certificate with respect to the issuance of the additional $52,000,000 Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, as required by subparagraph (c) of Section 2.16 of the Ordinance of the City of Chicago adopted December 29, 1958.

I also further certify that the Certificate of the Consulting Engineer to show the estimated cost of the project to be constructed with the proceeds of said Bonds, and the date on which in his opinion the proposed work would be completed, as required by subparagraph (b) of Section 2.16 of the Ordi-

That part of Sections 5, 6, 7 and 8, Township 40 North, Range 12 East of the Third Principal Meridian described as follows:

Commencing at the Northwest corner of Section 9, Township 40 North, Range 12 East of the Third Principal Meridian; thence South 88 degrees 07 minutes 05 seconds West 3734.117 feet along the Westerly extension of the North line of the Northwest 1/4 of said Section 9; thence South 0 degrees 05 minutes 07 seconds East 140.92 feet to the point of beginning of the herein described property; thence continuing South 0 degrees 05 minutes 07 seconds East 223.45 feet to a point of curve; thence Southwesterly 140.275 feet along the arc of a circle of 145.50 feet radius convex to the Southeast whose chord bears South 27 degrees 32 minutes 03 seconds West to a point of tangency; thence South 55 degrees 09 minutes 11 seconds West 460.407 feet; thence South 34 degrees 50 minutes 49 seconds East 21.50 feet; thence South 55 degrees 09 minutes 11 seconds West 491.100 feet; thence Northwesterly 202.917 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 33 degrees 55 minutes 08 seconds West; thence South 50 degrees 44 minutes 04 seconds West 16.417 feet; thence North 39 degrees 15 minutes 56 seconds West 29.00 feet; thence North 50 degrees 44 minutes 04 seconds East 16.417 feet; thence Northwesterly 200.561 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 44 degrees 33 minutes 45 seconds West; thence South 40 degrees 08 minutes 36 seconds West 16.417 feet; thence North 49 degrees 51 minutes 24 seconds West 29.00 feet; thence North 40 degrees 08 minutes 36 seconds East 16.417 feet; thence Northwesterly 200.561 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 55 degrees 09 minutes 06 seconds West; thence South 29 degrees 33 minutes 12 seconds West 16.417 feet; thence North 60 degrees 26 minutes 48 seconds West 29.00 feet; thence North 29 degrees 33 minutes 12 seconds East 16.417 feet; thence Northwesterly 200.561 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 65 degrees 44 minutes 27 seconds West; thence South 18 degrees 57 minutes 44 seconds West 16.417 feet; thence North 71 degrees 02 minutes 16 seconds West 29.00 feet; thence North 18 degrees 57 minutes 44 seconds East 16.417 feet; thence Northwesterly 234.192 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 77 degrees 06 minutes 20 seconds West; thence North 9 degrees 42 minutes 05 seconds East 488.391 feet; thence South 80 degrees 17 minutes 55 seconds East 21.50 feet; thence North 9 degrees 42 minutes 05 seconds East 423.374 feet to a point of curve; thence Northeasterly 155.418 feet along the arc of a circle of 145.50 feet radius convex to the Northwest whose chord bears North 40 degrees 18 minutes 07 seconds East to a point of tangency; thence North 70 degrees 54 minutes 10 seconds East 304.754 feet; thence Southeasterly 155.705 feet along the arc of a circle of 207.62 feet radius convex to the Northeast whose chord bears South 89 degrees 33 minutes 40 seconds East; thence South 67 degrees 12 minutes 45 seconds East 75.425 feet; thence Southeasterly 461.023 feet along the arc of a circle of 3311.196 feet radius convex to the Northeast whose chord bears South 60 degrees 36 minutes 00 seconds East; thence North 34 degrees 50 minutes 54 seconds East 206.982 feet; thence South 55 degrees 09 minutes 06 seconds East 175.00 feet; thence South 34 degrees 50 minutes 54 seconds West 207.150 feet; thence Southeasterly 491.584 feet along the arc of a circle of 3311.196 feet radius convex to the Northeast whose chord bears South 49 degrees 19 minutes 47 seconds East; thence Southeasterly 164.368 feet along the arc of a circle of 237.352 feet radius convex to the Northeast whose chord bears South 19 degrees 55 minutes 27 seconds East to the herein designated point of beginning; all in Chicago O'Hare International Airport, in Cook County, Illinois.

**EXHIBIT "B"**

PARCEL A

That part of Sections 5, 6, 7 and 8, Township 40 North, Range 12 East of the Third Principal Meridian described as follows:

Commencing at the Northwest corner of Section 9, Township 40 North, Range 12 East of the Third Principal Meridian; thence South 88 degrees 07 minutes 05 seconds West 4181.117 feet along the Westerly extension of the North line of the Northwest 1/4 of said Section 9; thence South 0 degrees 05 minutes 07 seconds East 745.00 feet to the point of beginning of the herein described property; thence continuing South 34 degrees 50 minutes 49 seconds East 21.50 feet; thence South 55 degrees 09 minutes 11 seconds West 491.100 feet; thence Northwesterly 202.917 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 33 degrees 55 minutes 08 seconds West; thence South 50 degrees 44 minutes 04 seconds West 16.417 feet; thence North 39 degrees 15 minutes 56 seconds West 29.00 feet; thence North 50 degrees 44 minutes 04 seconds East 16.417 feet; thence Northwesterly 200.561 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 44 degrees 33 minutes 45 seconds West; thence South 40 degrees 08 minutes 36 seconds West 16.417 feet; thence North 49 degrees 51 minutes 24 seconds West 29.00 feet; thence North 40 degrees 08 minutes 36 seconds East 16.417 feet; thence Northwesterly 200.561 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 55 degrees 09 minutes 06 seconds West; thence South 29 degrees 33 minutes 12 seconds West 16.417 feet; thence North 60 degrees 26 minutes 48 seconds West 29.00 feet; thence North 29 degrees 33 minutes 12 seconds East 16.417 feet; thence Northwesterly 200.561 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 65 degrees 44 minutes 27 seconds West; thence South 18 degrees 57 minutes 44 seconds West 16.417 feet; thence North 71 degrees 02 minutes 16 seconds West 29.00 feet; thence North 18 degrees 57 minutes 44 seconds East 16.417 feet; thence Northwesterly 234.192 feet along the arc of a circle of 1242.122 feet radius convex to the Northeast whose chord bears North 77 degrees 06 minutes 20 seconds West; thence North 9 degrees 42 minutes 05 seconds East 488.391 feet; thence South 80 degrees 17 minutes 55 seconds East 21.50 feet to a point of curve; thence Southeasterly 672.00 feet along the arc of a circle of 1476.17 feet radius convex to the Northeast whose chord bears South 69 degrees 00 minutes 00 seconds East to a point of tangency; thence South 55 degrees 09 minutes 06 seconds East 210.83 feet to a point of curve; thence Southeasterly 598.00 feet along the arc of a circle of 1476.17 feet radius convex to the Northeast whose chord bears South 43 degrees 15 minutes 00 seconds East to the herein designated point of beginning; all in Chicago O'Hare International Airport, in Cook County, Illinois.

## PARCEL B

That part of Sections 5 and 8, Township 40 North, Range 12 East of the Third Principal Meridian described as follows:

Commencing at the Southwest corner of Section 5, Township 40 North, Range 12 East of the Third Principal Meridian; thence North 88 degrees 07 minutes 05.3 seconds East 487.000 feet; thence South 1 degree 52 minutes 54.7 seconds West 161.500 feet to the point of beginning of the herein described property; thence North 34 degrees 50 minutes 54 seconds East 38.50 feet; thence South 55 degrees 09 minutes 06 seconds East 20.00 feet; thence North 34 degrees 50 minutes 54 seconds East 377.00 feet; thence South 55 degrees 09 minutes 06 seconds East 40.00 feet; thence North 34 degrees 50 minutes 54 seconds East 556.15 feet; thence South 55 degrees 09 minutes 06 seconds East 189.16 feet; thence South 34 degrees 50 minutes 54 seconds West 556.15 feet; thence South 55 degrees 09 minutes 06 seconds East 40 feet; thence South 34 degrees 50 minutes 54 seconds West 377.00 feet; thence South 55 degrees 09 minutes 06 seconds East 52.00 feet; thence South 34 degrees 50 minutes 54 seconds West 45.00 feet; thence Northwesterly 85.50 feet along the arc of a circle of 1476.17 feet radius convex to the Northeast whose chord bears North 53 degrees 00 minutes 00 seconds West to a point of tangency; thence North 55 degrees 09 minutes 06 seconds West 210.83 feet to a point of curve; thence Northwesterly 48.00 feet along the arc of a circle of 1476.17 feet radius convex to the Northeast whose chord bears North 57 degrees 00 minutes 15 seconds West to the point of beginning; all in Chicago O'Hare International Airport, in Cook County, Illinois.

## PARCEL C

That part of Sections 5, 6 and 8, Township 40 North, Range 12 East of the Third Principal Meridian described as follows:

Commencing at the Southeast corner of Section 6, Township 40 North, Range 12 East of the Third Principal Meridian; thence South 88 degrees 07 minutes 05.3 seconds West 95.2 feet along the South line of said Section 6; thence North 1 degree 52 minutes 54.7 seconds West 64.5 feet to the point of beginning of the herein described property; thence North 9 degrees 42 minutes 05 seconds East 423.374 feet to a point of curve; thence Northeasterly 155.418 feet along the arc of a circle of 145.50 feet radius convex to the Northwest whose chord bears North 40 degrees 18 minutes 07 seconds East to a point of tangency; thence North 70 degrees 54 minutes 10 seconds East 304.754 feet; thence Southeasterly 155.705 feet along the arc of a circle of 207.62 feet radius convex to the Northeast whose chord bears South 89 degrees 33 minutes 40 seconds East; thence South 67 degrees 12 minutes 45 seconds East 75.425 feet; thence Southeasterly 453.943 feet along the arc of a circle of 3311.196 feet radius convex to the Northeast whose chord bears South 60 degrees 36 minutes 00 seconds East; thence South 34 degrees 50 minutes 54 seconds West 349.000 feet; thence North 55 degrees 09 minutes 06 seconds West 40.000 feet; thence South 34 degrees 50 minutes 54 seconds West 377.00 feet; thence North 55 degrees 09 minutes 06 seconds West 20.00 feet; thence South 34 degrees 50 minutes 54 seconds West 38.50 feet; thence Northwesterly 629.000 feet along the arc of a circle of 1476.17 feet radius convex to the Northeast whose chord bears North 69 degrees 50 minutes 00 seconds to the point of beginning; all in Chicago O'Hare International Airport, in Cook County, Illinois

PARCEL D

That part of Sections 5 and 8, Township 40 North, Range 12 East of the Third Principal Meridian described as follows:

Commencing at the Northwest corner of Section 9, Township 40 North, Range 12 East of the Third Principal Meridian; thence South 88 degrees 07 minutes 05 seconds West 3734.117 feet along the Westerly extension of North line of the Northwest 1/4 of said Section 9; thence South 0 degrees 05 minutes 07 seconds East 140.92 feet to the point of beginning of the herein described property; thence continuing South 0 degrees 05 minutes 07 seconds East 223.45 feet to a point of curve; thence Southwesterly 140.275 feet along the arc of a circle of 145.50 feet radius convex to the Southeast whose chord bears South 27 degrees 32 minutes 03 seconds West to a point of tangency; thence South 55 degrees 09 minutes 11 seconds West 460.407 feet to a point of curve; thence Northwesterly 515.20 feet along the arc of a circle of 1476.17 feet radius convex to the Northeast whose chord bears North 41 degrees 45 minutes 15 seconds West; thence North 34 degrees 50 minutes 54 seconds East 45 feet; thence North 55 degrees 09 minutes 06 seconds West 52 feet; thence North 34 degrees 50 minutes 54 seconds East 377 feet; thence North 55 degrees 09 minutes 06 seconds West 40 feet, thence North 34 degrees 50 minutes 54 seconds East 349 feet to a point of curve; thence Southeasterly 484 feet along the arc of a circle of 3311.196 feet radius convex to the Northeast whose chord bears South 49 degrees 19 minutes 47 seconds East; thence Southeasterly 164.368 feet along the arc of a circle of 237.352 feet radius convex to the Northeast whose chord bears South 19 degrees 55 minutes 27 seconds East to the herein designated point of beginning; all in Chicago O'Hare International Airport, in Cook County, Illinois.

The Lease to the airlines includes that part of ground surface of Parcels C and D necessary and convenient for parking of motor vehicles in connection with operation of motor vehicle parking facility and that part of Parcel B necessary and convenient for ingress and egress to and from the parking facility constructed on Parcel A and for ingress and egress to Parcels C and D. It being further understood that lessor reserves all right, title and interest and ingress and egress necessary therefore to the sub-surface under Parcels B, C and D and to the air space over Parcels B, C and D, and to that part of the ground surface necessary for structural columns on Parcels C and D which may be used by Lessor for construction of other facilities by Lessor or by others under lease from Lessor which may be deemed desirable by Lessor for the operation and improvement of said airport, provided only that such use shall not unreasonably interfere with the use of the surface for purposes of parking motor vehicles: Further, the Lessor reserves the right for himself and any owner of sub-surface utilities located in Parcels A, B, C and D to enter upon said parcels for the purpose of maintaining, altering, or reconstructing any of the said utilities.

**CHARLES F. MURPHY** · CONSULTING ARCHITECT · ENGINEER

STATE OF ILLINOIS)
) SS.
COUNTY OF COOK )

I, the undersigned, do hereby certify that I am the Consulting Engineer employed by the City of Chicago, in accordance with the provisions of an "ORDINANCE authorizing the issuance of Chicago-O'Hare International Airport Revenue Bonds Series of 1959 for the purpose of improving and extending said Airport and providing for payment of principal of and interest on said Bonds", adopted by the City Council of the City of Chicago on December 28, 1958, (hereinafter referred to as the "Ordinance"), and as such Consulting Engineering I hereby certify as follows:

(a) That I have read the pertinent provision of the Ordinance, to which this Certificate relates, specifically Section 2.16 of the Ordinance.

(b) That the estimated cost of additional improvements is as set forth below:

| | | |
|---|---|---|
| 1. | Elevated Parking Facility | $38,947,000 |
| 2. | New Runway 4R-22L, including land acquisition | 13,053,000 |
| | Total Cost of Improvement | $52,000,000 |

(c) That the proceeds from the sale of $52,000,000 of additional Bonds will be sufficient to pay such estimated cost.

(d) That in the opinion of the undersigned, the completion of the work programmed to utilize the proposed $52,000,000 of new revenue bond funds will be completed on or before December 31, 1972.

This Certificate is presented in compliance with Section 2.16 of the Ordinance.

Dated this 9th day of October 1969.

Mayor Richard J. Daley and
Members of the City Council
City of Chicago
Council Chamber
City Hall
Chicago, Illinois 60602

Gentlemen:

This letter will serve as the Airport Consultant's certificate as required by Section 2.16 of the Chicago-O'Hare International Airport Revenue Bond Ordinance of December 29, 1958. We hereby certify that in our opinion the net revenues available for Principal and Interest Requirements plus the amounts required for deposit in the Reserve Maintenance Account and the Emergency Reserve Account, the amounts of which have been set forth by the Comptroller of the City of Chicago, will be adequate to meet the requirements of Section 2.16 of the Bond Ordinance dated December 29, 1958. The estimated net revenues are set forth on an attached table.

It is also hereby certified that the leases in effect on the date of the adoption of the Supplemental Ordinance dated March 25, 1970 will provide fixed rental aggregates of $16,270,335 which is greater than one and ten hundredths times the sum of the annual Principal and Interest Requirements of $16,163,370 for each fiscal year for all bonds presently outstanding and all such additional bonds proposed to be issued, relative to this certificate. The fixed rentals provided for in agreements with the Airline Parties are set forth on an attached table.

Sincerely,

LANDRUM AND BROWN

## Resolution for Approval and Execution of Official Statement for Proposed Sale of $52,000,000 Chicago-O'Hare International Airport Bonds, Series of March, 1970.

Alderman Keane moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the proposed resolution concerning the Sale of Airport Bonds. The motion *Prevailed.*

Alderman Keane then moved to Adopt the proposed resolution. The motion *Prevailed* and said proposed resolution was *Adopted,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Bohling, Cousins, Lupo, Buchanan, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Zydlo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—37.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said resolution as adopted:

Whereas, In connection with the proposed sale of $52,000,000 Chicago-O'Hare International Airport Bonds, Series of March, 1970, it is necessary that the City of Chicago, through its officers, sign and execute an Official Statement, in substantially the form attached hereto and made a part hereof; now, therefore,

*Be It Resolved by the City Council of the City of Chicago:*

Section 1. That the Official Statement, in substantially the form attached hereto and made a part hereof, pertaining to the proposed sale of $52,000,000 Chicago-O'Hare International Airport Bonds, Series of March, 1970, be, and the same hereby is approved and the Mayor, the Corporation Counsel, the City Comptroller, the Commissioner of Public Works, and Commissioner of Aviation, individually and collectively, are hereby authorized and directed to take any and all action which may be necessary and proper for the execution of said Official Statement.

Section 2. This resolution shall be effective from and after its adoption.

Official statement attached to the foregoing resolution reads as follows:

# $52,000,000
# City of Chicago
# Chicago-O'Hare International Airport
# 6.80% Revenue Bonds, Series of March, 1970

**Dated March 1, 1970** **Due January 1, 1999**

Principal and semi-annual interest (January 1 and July 1, first coupon July 1, 1970) payable at the office of the City Treasurer or at The First National Bank of Chicago, in Chicago, Illinois or at the principal office of the Fiscal Agent of the City of Chicago in New York, New York. Coupon bonds in the denomination of $5,000 registrable as to principal only; fully registered bonds in the denomination of $25,000 or more; coupon bonds and registered bonds interchangeable at the office of the Registration Agent in the City of Chicago, Illinois, as provided in the Ordinance.

Redeemable prior to maturity, at the option of the City, on 30 days' published notice, in whole, on any date not earlier than January 1, 1982 from any funds other than revenues, or in whole or in part by lot on any interest payment date not earlier than January 1, 1973, through the use of revenues, at the following prices plus accrued interest to the date of redemption.

| | Redemption Price<br>(Percentage of Principal Amount) | |
|---|---|---|
| **Period of Redemption** | **From Revenues** | **Otherwise** |
| January 1, 1973 to and including December 31, 1975 | 105% | Not Redeemable |
| January 1, 1976 to and including December 31, 1979 | 104½ | Not Redeemable |
| January 1, 1980 to and including December 31, 1981 | 104 | Not Redeemable |
| January 1, 1982 to and including December 31, 1983 | 103 | 105 |
| January 1, 1984 to and including December 31, 1985 | 102 | 103½ |
| January 1, 1986 to and including December 31, 1987 | 101 | 102 |
| January 1, 1988 to and including December 31, 1989 | 100½ | 101 |
| January 1, 1990 and thereafter .................. | 100 | 100 |

**Interest exempt, in the opinion of Counsel, from all present Federal Income Taxes, except interest on any Bond for any period during which such Bond is held by a substantial user of the facilities financed by these Bonds or by a related person as defined in Section 103(c) of the Internal Revenue Code of 1954.**

The City of Chicago is authorized by the provisions of Sections 102-1 to 102-10, inclusive, of Article 11 of Chapter 24, of the Illinois Revised Statutes, 1969, together with all other laws amendatory thereof and supplemental thereto, to establish, maintain, operate, purchase, construct, reconstruct, expand and improve public airports and issue revenue bonds to finance the cost thereof. These bonds, Series of March, 1970, authorized to pay the costs of Improvements (as hereinafter described) to Chicago-O'Hare International Airport, are issued in accordance with said Statutes and under and secured by the provisions of an Ordinance adopted by the City Council of the City of Chicago on December 29, 1958 and naming The First National Bank of Chicago, Chicago, Illinois, Depositary, Paying Agent and Registration Agent and pursuant to the authority of a Supplemental Ordinance adopted by said City Council on March 25, 1970.

These Bonds rank on a parity with the outstanding $147,910,000 4¾% Revenue Bonds, Series of 1959 and Series A of 1961, 4¼% Series B of 1961, 4½% Series of 1967 and 5% Series of 1968 and are to be payable solely from and secured by a pledge of the bond proceeds and the net revenues derived from the operation of Chicago-O'Hare International Airport, as provided in the Ordinance, such net revenues and funds being exclusively and irrevocably pledged to and constituting a trust fund for the security and payment of the Bonds and the interest thereon. The Ordinance provides for the issuance of additional bonds under conditions and limitations as referred to therein.

These Bonds are not a general obligation of the City of Chicago or of the State of Illinois and neither the faith and credit nor the taxing power of the City of Chicago or the State of Illinois are pledged to the payment of the principal of or interest on the Bonds.

Under the provisions of the authorizing Statutes, the Bonds have all the qualities of negotiable instruments under the laws of the State of Illinois but may be registered as to principal or as to principal and interest as described above.

## PRICE 99¾% AND INTEREST

**These Bonds are offered at the above initial offering price, when, as and if issued and received by us, subject to the unqualified approving legal opinions of Chapman and Cutler of Chicago, Bond Counsel to the City, and Wood King Dawson Love & Sabatine of New York City, Bond Counsel to the Underwriters. It is expected that Bonds will be delivered in definitive form.**

This Official Statement does not constitute an offer to sell Bonds in any State to any person to whom it is unlawful to make such offer in such State. No dealer, salesman or any other person has been authorized to give any information or make any representation, other than those contained herein, in connection with the offering of these Bonds, and if given or made, such information or representation must not be relied upon.

March 25, 1970.

**Office of the Mayor**

March 25, 1970

Walston & Co., Inc.
Glore Forgan Staats Incorporated
Halsey, Stuart & Co. Inc.
Stifel, Nicolaus & Company, Incorporated

Dear Sirs:

With reference to the $52,000,000 City of Chicago, Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, dated March 1, 1970, and due January 1, 1999 (herein called the "Bonds, Series of March, 1970") authorized to pay the costs of the Improvements (as hereinafter described), this Official Statement, including its cover page, has been prepared by the City of Chicago, Illinois (herein called the "City") to set forth the general powers of the City under the authorizing statutes, a description of the Improvements being made to Chicago-O'Hare International Airport (herein called the "Airport"), the plan for financing and constructing said Improvements, a summary of provisions of the Airport Use Agreement and the various Leases entered into by and between the City and certain Airlines, a description of the Bonds, Series of March, 1970, and the provisions of the Ordinance and Supplemental Ordinance under which the Bonds, Series of March, 1970, will be issued and secured. All bonds issued under the Ordinance are herein called the "Bonds."

## SALIENT FEATURES REGARDING SECURITY OF THE BONDS

The following are the salient features regarding the security of the Bonds, the details of which are set forth in full in the Ordinance and in the Airport Use Agreement and the various Leases between the City and the Airlines:

The City has executed an Airport Use Agreement and Leases for various facilities included in the development of O'Hare Airport with the respective Airlines shown in the schedule on page 11 which became effective as of January 1, 1959 for a term of 40 years.

The Airlines executing the Airport Use Agreement covenant to use O'Hare Airport and to pay in each fiscal year flight fees for the fee landings of their aircraft at such Airport, which flight fees, together with revenues derived from all other sources will produce gross revenues for such fiscal year equal to the sum of operation and maintenance expenses, the amounts to be allocated to certain reserves and an amount equal to 1.25 times the Principal and Interest Requirements, as defined in the Ordinance, on the Approved Revenue Bonds outstanding at the beginning of such fiscal year, and the amount of any premiums paid on such Bonds retired by January 1 of the succeeding fiscal year.

If the flight fee rate in effect during any fiscal year does not produce gross revenues, together with those from other sources, equal to the sum stated in the preceding paragraph, each Airline executing the Airport Use Agreement agrees to pay its pro rata share of such deficiency.

The City covenants in the Ordinance that it will fix and place in effect rents, fees, rates and other charges for the use of the Airport and its services that will produce revenues in each fiscal year sufficient to pay operation and maintenance expenses, make the required deposits to certain reserve accounts and cover Principal and Interest Requirements on the Approved Revenue Bonds outstanding at the beginning of such fiscal year 1.25 times and pay any premiums on such Bonds retired by January 1 of the succeeding fiscal year.

The City further covenants, that so long as any Bonds are outstanding, it will not amend any Lease or Airport Use Agreement in effect upon the issuance of the Bonds, Series of 1959, so as to reduce the amount of fixed rentals, or the revenues which would otherwise be received from the application of the Flight Fee formula or Flight Fee deficiency formula, below those provided under such Lease or Agreement.

## THE CITY AND ITS POWERS

The City of Chicago is authorized by the provisions of Sections 102-1 to 102-10, inclusive, of Article 11 of Chapter 24, of the Illinois Revised Statutes, 1969, together with all other laws amendatory thereof and supplemental thereto (hereinafter referred to as the "Act"), to establish, purchase, construct, reconstruct, expand, improve, maintain and operate public airports.

The Act provides for financing the cost of constructing, improving or expanding a public airport by ordinance authorizing the issuance of revenue bonds of a municipality payable solely from and secured by a pledge of the bond proceeds and the net revenues derived from the operation of the airport. The Act states that any bonds so issued by a municipality shall not constitute a general obligation of such municipality.

The Act further authorizes a municipality to contract to fix and collect rents, rates and other charges sufficient to produce revenues adequate to pay the costs of maintenance and operation of such airport, the principal of and interest on the bonds issued in connection with such airport as the same shall become due and payable, and to create reserves for such purposes.

A municipality is further authorized under the Act to contract for removal or relocation of all buildings, railways, mains, wires, poles and all other structures, facilities and equipment which may interfere with the location, expansion or improvement of any public airport, or with the safe approach thereto or take off therefrom and to acquire by gift, grant, lease, purchase, condemnation or otherwise any private or public property for any purpose authorized therein.

## ECONOMY OF CHICAGO AREA

Chicago and its metropolitan area with a 1960 population of 6,220,913 and a 1968 estimate of 6,845,000 has the third largest concentration of people in the United States. The area has shown rapid growth in population, having increased about 11.4% in the ten-year period from 1950 to 1960, and about 22.5% in the eighteen year period from 1950 to 1968. Chicago, by virtue of its geographic location, is one of the world's leading centers of air, water and land transportation and is the industrial, commercial, financial and service center for the Midwest area. Development of long-range commercial aviation and direct shipments by water via the Great Lakes and the St. Lawrence Seaway to other world ports have opened new horizons for Chicago in the world's markets. The City is served by twenty-five scheduled airlines and seven air taxi operators affording complete interchange of traffic with the eighteen trunk line railways and the vast network of highways, tollways and waterways linking the City and its metropolitan area with the surrounding country. The City is unsurpassed in the diversity of its products, and the stability of its economy keeps unemployment low and makes the general level of income among the highest in the nation.

## PURPOSE OF ISSUE

As set forth in more detail on page 8, the proceeds from the sale of the Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, will be utilized for the construction of a six level reinforced concrete parking structure and a new runway and taxiway system, including the acquisition of essential land.

## EXISTING CHICAGO AIRPORTS

The City of Chicago operates three Airports, namely: Meigs Field, Midway Airport and O'Hare Airport. The Commissioner of Public Works is responsible for major construction at the Airports and the Commissioner of Aviation is responsible for their maintenance and operation.

### *Meigs Field*

This airport, located on a seventy acre island off the shore of Lake Michigan southeast of Chicago's downtown area, has only one runway which is approximately 3,945 feet in length and is used by privately owned aircraft and feeder lines. Helicopter service is available at Meigs Field for connection with Midway or O'Hare Airports.

### *Midway Airport*

This airport, located southwest of Chicago's downtown area, consists of approximately 630 acres, and has seven runways, the longest of which is 5,730 feet between threshold lights. Recently completed improvements include new terminal and concourse buildings, which now provide twenty-eight gate positions, together with new ticketing and baggage facilities. Runway 13R-31L and Runway 4R-22L were completely rebuilt to accommodate the heaviest jet aircraft. This airport is now capable of handling the three engine jets and can accommodate an annual volume of 182,000 domestic scheduled aircraft operations and 146,000 general aviation operations. Midway is now a major airport serving downtown, the south and southwest sides of Chicago.

### *O'Hare Airport*

This airport is located northwest of the City's downtown area at the terminus of the Northwest Expressway and the junction of the Tri-State and Northwest Tollways. The Northwest Expressway, completed in the fall of 1960, provides O'Hare Airport passengers with a high-speed, limited access highway into the heart of the City, while the Tollways and highways radiating from the Airport provide the surrounding metropolitan area with access to the Airport via a vast network of excellent highways.

The Airport was acquired from the War Assets Administration of the United States Government on March 21, 1946, at which time it covered a tract of 1,080 acres. In 1958, the City obtained clear title to the land when the Government released the right to use the Airport that it had reserved under the deed of March 21, 1946, and entered into a lease with the City, under the terms of which the City granted the Government the limited use, in common with others, of the Airport's public facilities, as for example, the runways and taxiways, for a period of twenty-five years, without cost. The Government also has the option of extending the lease for an additional twenty-five years or terminating the lease at any time upon proper notice. Under the lease, the Government agrees to pay the City for all military operations, in excess of the limited number of free operations specified in the lease, at the rates then prevailing for scheduled Airlines.

Since the City acquired the Airport from the Government in 1946, additional City, State and Federal funds have been invested in land acquisition and improvements which amount to a net investment of $50,011,052 as of September 30, 1968. $172,000,000 in Revenue Bonds have been issued to date for airport improvements. The City Council has recently amended the Airport Boundary line to increase the area by approximately 520 acres. This will provide approximately 7,000 acres within the new airport boundary.

In May, 1955, the City negotiated agreements with seventeen airlines covering their use of the airport and the fees to be paid by them. The City Council approved these agreements of October of that year and the Airport was opened for commercial use. These agreements were superseded by the various Leases and the Agreement referred to on page 11 of this Official Statement.

The present facilities at O'Hare Airport include two terminal buildings and four concourses for domestic airlines and one terminal building and concourse for international airlines, with restaurant and other passenger facilities, control tower, heating plant, automobile parking lot, taxiways, aircraft parking aprons, water system and reservoir, and six runways of the following length: 11,600 feet, 10,000 feet, 10,000 feet, 7,500 feet, 7,415 feet and 5,350 feet. Five new runways are to be constructed in the future, one each year starting in 1970.

### *Proposed Third Major Airport*

Broad discussions have taken place considering the possibility of a third major commercial airport augmenting O'Hare and Midway airports. Preliminary survey and site location studies have been undertaken, but no decision has been reached as to whether the airport will be built or where it would be located.

## GROWTH OF TRAFFIC AT O'HARE AIRPORT

The City's records show that the number of enplaned passengers at O'Hare Airport increased from 865,380 in 1959 to 15,064,403 in 1968. It is estimated that the number of enplaned passengers will approximate 30,000,000 in 1975, which are to be accommodated as a result of the proposed expansion of present facilities which is now in the planning stage.

With the main trunk Airlines operating the jet aircraft of greatly increased passenger capacity at O'Hare Airport, the feeder lines have inaugurated substantial supporting schedules at O'Hare Airport to interconnect with these main trunk line flights.

## DESCRIPTION OF FACILITIES EXISTING AND PROPOSED FOR DEVELOPMENT BY 1975

The expansion program for O'Hare Airport is designed to provide Chicago with greatly expanded airport facilities which will accommodate the new family of jet airliners and the increased volume of passengers which they are expected to carry. The facilities included in the expansion program are considered adequate to handle the expected volume of traffic in the year 1975. The facilities are as follows:

## TERMINAL AREA

### *Terminal Buildings*

Present terminal facilities consist of two terminal buildings with attendant concourses and concrete aprons for parking aircraft. They are rectangular buildings approximately 140 feet in width and 750 feet in length, consisting of two full floors, a mezzanine floor, and a partial basement. General separation of inbound and outbound passengers is obtained by concentrating items relating to each on separate floors. The second floor has the airline ticket counters, offices, waiting areas and general concessions such as a general merchandise store, newsstand, lunch counters and insurance counters. The outbound passengers arrive at the terminal building on the second floor via an elevated roadway. They may proceed past the ticket counters and board the aircraft by means of loading bridges without leaving this level. The first floor is devoted to baggage handling areas, concessions such as taxi offices, hotel reservations, rent-a-car agencies, telegraph counters and other services. The inbound passengers come from the aircraft at the second floor level, but descend to the first floor via escalators to claim their baggage and obtain ground transportation from the terminal.

The Mezzanine floor accommodates airline offices, and airport administrative offices. The partial basement will provide storage space, meter rooms and areas for mechanical equipment. All areas except baggage handling and mechanical equipment areas are air conditioned. A public address system has also been provided.

The old terminal building is being used by International air carriers and government inspection agencies.

Terminal facilities are to be expanded in the future to meet any additional Airlines and public space requirements as traffic reaches the volume projected for 1975.

### *Concourses*

There are four two-story concourses projected from the two terminal buildings with adjacent concrete aprons providing space for parking sixty aircraft. Two of these concourses are straight and are so-called split "Y" units. They consist of an elevated passenger corridor 20 feet wide with small passenger waiting lobbies on either side of the corridor at each airplane "gate" position. This level corresponds to the second floor of the terminal building. The first floor level contains airline operation and departure room for those carriers which prefer not to load passengers from the second floor level with loading bridges. In the center of the split "Y" concourses, there are two floors of additional airline operation spaces with an additional enclosed observation area on the roof which overlooks an open observation deck. Utility tunnels 20 feet wide extend the full length of all concourses at basement level.

Concourses are to be extended in the future from approximately 11,000 lineal feet of existing ramp frontage to approximately 21,000 lineal feet of frontage.

*Restaurant*

The main restaurant is a large circular building located between and connecting with the two new terminal buildings. The basement houses utilities and employees' locker rooms. The first floor accommodates the main central kitchen, storage and an employees' cafeteria. The second floor is devoted to a large coffee shop. A public cafeteria, a small cocktail lounge and a small specialty restaurant are located on the second floor. This level corresponds to the ticketing and waiting room level of the terminal buildings. On a mezzanine floor above, there is a large dining room, a cocktail lounge, small private dining rooms and a large service kitchen. Total seating capacity of the building is approximately 1,600. Additional restaurant facilities will be added to meet the future needs.

## HANGAR AREA

A large tract of land in the northwest section of the Airport has been reserved for hangar facilities. Nine hangars are existing, with additional space available for other hangars in the future. Water, sewers, and power facilities into this area, plus a taxiway and a service roadway exist. Individual hangars are provided with their own water reservoirs to afford adequate fire protection in the area without drawing on the main airport supply for emergencies. (A list of Hangar and Hangar Site Leases is shown on page 11.)

## CARGO AREA

The cargo area located east of the terminal area provides joint cargo facilities for most of the domestic airlines and the Railway Express Agency. There are two joint cargo buildings. One is 70 feet wide and 768 feet long and the other is 48 feet wide and 768 feet long. Concrete aprons adjacent to the joint cargo buildings are sufficient for parking ten aircraft.

Additional cargo buildings that have been constructed include Flying Tiger (36,000 square feet), United Air Lines (142,000 square feet), Trans World Airlines (35,000 square feet), Continental Airlines (142,500 square feet). All buildings have adjacent concrete aprons sufficient for the parking of aircraft, Flying Tiger—six aircraft, United Air Lines—15 aircraft, Trans World Airlines—3 aircraft, Continental Airlines—5 aircraft.

A new cargo area is now being planned to occupy approximately 350 acres to accommodate the future cargo requirements which are urgently needed.

## FUELING SYSTEM

A tank farm area has been established in the northwest corner of the airport beyond the hangar area. Facilities have been provided at this location for unloading and storing fuel. These include facilities for receiving fuel by pipe line, railroad tank car and truck. The tank farm is connected to satellite storage facilities located around the terminal apron and to the hydrants at the aircraft parking positions by a system of underground pipe lines. Fuel is transferred from the tank farm to satellite storage by means of underground pipe lines. Above-ground tanks are available for storing 5,000,000 gallons of fuel. Underground tanks in the satellite areas store 2,000,000 gallons of fuel.

The fueling system now delivers 2,240,000 gallons of fuel per day to the aircraft. The system will be expanded in the future to deliver the estimated requirement of 5,000,000 gallons per day in 1975.

## UTILITIES

The Bureau of Water of the City of Chicago has constructed a 48-inch water main from an existing main to a connection inside the airport. The water main extends to the terminal area reservoir and around the terminal area for fire protection. A water supply from the terminal area is through a 16-inch main around the hangar area, and a branch connection exists to the tank farm area.

The water main extends to the terminal area and is in service through a temporary connection to the existing reservoir. Sanitary sewers and water mains serve the hangar area.

## STORM DRAINAGE IMPROVEMENTS

The drainage system has been constructed to control the rapid run-off from the large paved areas so that it will leave the airport at a predetermined rate which will not inundate the populated areas beyond the Airport.

## AIRPORT MAINTENANCE BUILDING

The Airport Maintenance Building is a one-story structure containing about 38,000 square feet of floor space. It is in the service area and contains a large garage area providing forty parking spaces for large pieces of airport maintenance equipment.

## OTHER IMPROVEMENTS

Other existing facilities include sanitary sewers, a heating and air conditioning plant, a fire station, freight forwarding facilities, rent-a-car areas, in-flight food catering buildings and a telephone exchange building.

Two new fire stations are in the planning stage, expansion of the heating and air conditioning plant will proceed shortly, a site for a hotel has been provided and all facilities of the above nature in general will be expanded to meet the future five year requirements.

## USE OF PROCEEDS

The $52,000,000 principal amount of Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, to be issued at the present time will be used for the following purposes:

| | |
|---|---|
| New Parking Facility | $38,947,000 |
| *New Runway including land acquisitions | 13,053,000 |
| Financing costs including legal fees, printing and Depositary's fees | 1,200,000 |
| Contingency Reserve | 2,582,000 |
| | $55,782,000 |
| Less: Estimated earnings from investment of Construction Fund | 3,782,000 |
| Principal amount of Bonds | $52,000,000 |

* Estimate.

## DESCRIPTION OF FACILITIES TO BE CONSTRUCTED FROM THE PROCEEDS OF $52,000,000 REVENUE BONDS, SERIES OF MARCH, 1970

As O'Hare Airport continued to be the world's largest and busiest airport, more development was needed. Increased passenger traffic placed an additional burden upon the already heavily utilized parking facilities. The City was confronted with an eventual decision to further increase the number of parking spaces then available to keep abreast of increased passenger traffic. In accordance with the request of the City, financial feasibility studies were done by Landrum and Brown, Airport Consultants of Cincinnati, Ohio, in 1967 and 1968.

Charles F. Murphy, Consulting Engineer employed by the City of Chicago, together with their consultants, Landrum and Brown, carried forward the work in close cooperation with the City of Chicago.

Charles F. Murphy, Consulting Engineer, on October 9, 1969 certified the estimated costs for the elevated parking facility and the new runway 4R-22L including land acquisition, at $52,000,000.

## PROPOSED ELEVATED PARKING STRUCTURE

With the continued growth of passenger traffic at O'Hare Airport, present parking facilities are overburdened. Parking for approximately 9,250 automobiles will be provided by the proposed six level reinforced concrete structure located in the southern half of the existing center of the terminal complex parking area.

The total area of the parking structure is 3,725,400 square feet. The floor area for the grade level and each of the five supported levels is 574,000 square feet. A 245,000 square foot basement will provide space for future passenger and baggage processing with access, by tunnel, to existing terminal buildings. An elevated roadway of 36,400 square feet will serve as access to the facility at the first supported level.

Vertical vehicular circulation will be provided by two entrance and two exit ramps. Each floor is divided into two sections, east and west and all traffic will be automatically controlled by electronic detectors, counters and signs. A managers office, located on the first level, will house a surveillance panel for traffic controls, a carbon monoxide monitoring panel, standpipe alarm communicator, snow melting and ventilation controls and breaker alarm buttons. Pedestrian circulation will be handled in six centers on each floor, two for each terminal building. Each center will contain a stairway and six electric elevators.

Partial occupancy is scheduled for the spring of 1971 with final completion and total occupancy expected sometime in 1972.

## PROPOSED RUNWAY AND TAXIWAY SYSTEM

A revised airport layout plan has been recently approved by the City Planning Commission which provides for three parallel runways and taxiways in the 4-22 direction and two parallel runways and taxiways in the 9-27 direction. Five major runways exist now. One of the existing runways will be rebuilt to accommodate the heavier load requirements of the aircraft which will be used in the near future. Two of the existing runways will be rebuilt and slightly relocated to accommodate the requirements of terminal expansion within the next four years. Three new runways will be constructed. This, therefore, requires the construction of five new runways and the reconstruction of an existing runway within the next five years. The first of these will be constructed in 1970 from the proceeds of the present bond issue with one new runway to be added in each succeeding year. This will then provide a balance between runway and terminal facilities by 1975. Runway lengths will range from 10,000 feet to 11,600 feet with the ultimate capability to expand at least one runway to 14,000 feet, if required.

Provision is being made to construct a new runway 4R-22L and taxiway system to provide needed additional runway capacity in the southeastern portion of the Airport. The proposed runway 4R-22L to be built in 1970 will accommodate both jet passenger and cargo airliners. The additional runway capacity will help alleviate the burden on the single runway 27L, which is inadequate when cross wind conditions require scheduled traffic to be diverted in this direction.

The new runway surface will be grooved in order to improve friction at critical times when positive control is imperative. The Runway and Taxiway System will consist of a concrete runway 8,070 feet ong by 150 feet wide and a preliminary taxiway connection to the existing hold apron of the 27L unway. Three high speed turnouts strategically located have been provided. The northeasterly end of he runway can be expanded approximately another 1,300 feet. This will require the relocation of Mannheim Road, which is under the State of Illinois' jurisdiction.

The new runway will necessitate the relocation of Illinois Route 19 to a new alignment along the outhern periphery of the airport boundary.

## AUTHORIZATION OF BONDS

The City of Chicago is authorized by the provisions of Sections 102-1 to 102-10, inclusive, of Article 11 of Chapter 24, of the Illinois Revised Statutes, 1969, together with all other laws amendtory thereof and supplemental thereto, to establish, maintain, operate, purchase, construct, reconstruct, xpand and improve public airports and issue revenue bonds to finance the cost thereof. These bonds, eries of March, 1970, authorized to pay the costs of Improvements to Chicago-O'Hare International Airport, are issued in accordance with said Statutes and under and secured by the provisions of an Ordinance adopted by the City Council of the City of Chicago on December 29, 1958 and pursuant to he authority of a Supplemental Ordinance adopted by said City Council on March 25, 1970.

| | | |
|---|---|---|
| his Issue—Series of March, 1970 | | $ 52,000,000 |
| eries of 1959 4¾% | $101,536,000 | |
| eries A of 1961 4¾% | 21,145,000 | |
| eries B of 1961 4¼% | 3,342,000 | |
| eries of 1967 4½% | 4,606,000 | |
| eries of 1968 5% | 17,281,000 | 147,910,000* |
| | | $199,910,000 |

* Balance of original authorizations totalling $172,000,000 outstanding at January 1, 1970.

## SUMMARY OF COVENANTS OF AIRPORT USE AGREEMENT AND LEASES

The City and the respective Airlines listed below have executed the Airport Use Agreement and the Leases listed below as indicated, in each case, opposite the individual Airline's name. Upon delivery of the Bonds, Series of 1959 by the City, the Airport Use Agreement and such Leases became effective, as of January 1, 1959, for a term of 40 years.

| Name of Airline | Airport Use Agreement | Hangar and Hangar Site Lease | Lease of Terminal Facilities | Cargo Building and Site Lease | Joint Cargo Building and Site Lease | Fuel System Lease |
|---|---|---|---|---|---|---|
| Air Canada (1) .............. | * | | * | | * | * |
| Allegheny Airlines, Inc. (2) .... | * | | * | | | * |
| American Airlines, Inc. ......... | * | * | * | | * | * |
| Braniff Airways, Incorporated ... | * | # | * | | * | * |
| Chicago Helicopter Airways, Inc.. | | | * | | | |
| Continental Air Lines, Inc. ..... | * | | * | | * | * |
| Delta Air Lines, Inc. ........... | * | * | * | | * | * |
| Eastern Air Lines, Inc. ......... | * | * | * | | * | * |
| The Flying Tiger Line, Inc. ..... | * | | | * | | * |
| North Central Airlines, Inc. ..... | * | * | * | | | * |
| Northwest Airlines, Inc. ......... | * | # | * | | * | * |
| Ozark Air Lines, Inc. ........... | * | * | * | | * | * |
| Pan American World Airways, Inc. | * | | | | * | * |
| Trans World Airlines, Inc. ....... | * | * | * | | * | * |
| United Air Lines, Inc. (3) ..... | * | * | * | | * | * |

(1) Formerly Trans-Canada Air Lines.

(2) Formerly Lake Central Airlines, Inc.

(3) Capital Airlines, Inc. merged with United Air Lines, Inc.

# Braniff Airways, Incorporated and Northwest Airlines, Inc. are jointly and severally committed under one Hangar and Hangar Site Lease.

Wherever the term "Airline" or "Lessee" is used in the description of the Airport Use Agreement or any Lease mentioned above, it means the Airline which has entered into such Agreement or Lease with the City. Wherever the term "Airline Parties" is used it means those Airlines indicated above as having entered into such Airport Use Agreement together with other Airlines which may enter into such Agreement with the City.

## AIRPORT USE AGREEMENT

The City has executed Airport Use Agreements with the Airlines indicated in the schedule shown above covering the use of the Airport by said Airlines.

### *Covenants to Use Airport*

Each Airline covenants and agrees with the City that subject to such orders, rules and regulations as may be promulgated from time to time by the Federal Government or any agency thereof, it will during each fiscal year any Approved Revenue Bonds are outstanding, use the Airport and provide for fee landings of its aircraft at the Airport; provided, however, that if an Airline does not have terminal building space, this covenant shall be applicable to Airline from and after such time as adequate terminal building space (or adequate cargo building space for The Flying Tiger Line, Inc.) is made available.

*Approved Revenue Bonds*

Approved Revenue Bonds means Bonds, Series of 1959 and any additional Bonds pursuant to the provisions of Section 2.15 of the Ordinance, and Bonds as issued under the provisions of Section 2.16 of the Ordinance and approved on behalf of the Airlines, including Bonds of the Series of March, 1970.

*Grant of Rights*

Each Airline shall have the right and privilege to operate an air transportation system at the Airport, including the use, in common with others, of certain areas and facilities available for common use, subject to rules and regulations promulgated by the City and further subject to the payment of fees and charges.

*Flight Fees for Landing of Aircraft*

Each Airline shall pay the City a Flight Fee for each separate landing (with certain minor exceptions, such as touch-and-go operations) at the Airport of an aircraft operated by such Airline.

*Flight Fee Revenue Requirements*

The Flight Fee Revenue Requirements for any fiscal year during which any Approved Revenue Bonds are outstanding shall mean the excess of Airport Expense for such year over the Revenues (exclusive of all Flight Fees payable for such fiscal year by Airline Parties by reason of fee landings or by application of rentals for passenger ramp areas leased to any Airline as payment on account thereof) for such year under the Ordinance. Airport Expense for any fiscal year, as defined in the Airport Use Agreement, includes:

(a) operation and maintenance expenses, including full provision for all accounts receivable uncollected 30 days after due date,

(b) interest and depreciation on the City's investment in the Airport (other than Government Grants in Aid or proceeds from the sale of Approved Revenue Bonds),

(c) the sum to be deposited in the Reserve Maintenance Account, and

(d) an amount equal to 1.25 times the Principal and Interest Requirements (as such term is defined in the Ordinance) on Approved Revenue Bonds outstanding at the beginning of such fiscal year, and any premium paid on the redemption of such Bonds on July 1 of such fiscal year and January 1 of the succeeding fiscal year or the premiums paid on such Bonds purchased during such fiscal year in the open market or by tender.

*Flight Fee While Any Approved Revenue Bonds are Outstanding*

During each fiscal year the Flight Fee payable to the City for each fee landing of an aircraft shall be such amount per each 1,000 lbs. of the approved maximum landing weight of such aircraft as equals the quotient obtained by dividing (a) the Flight Fee Revenue Requirements for the fiscal year by (b) the number of thousands of pounds of the aggregate approved maximum landing weight of all aircraft operated by all Airline Parties and landed in fee landings, both as estimated by the Airport Consultant prior to January 1 and July 1 of each year.

*Deficiency in Flight Fees While Any Approved Revenue Bonds are Outstanding*

In the event that in any fiscal year the Revenues for such fiscal year (excluding any Flight Fee deficiency for such fiscal year) shall be less than the amount of Airport Expense, the City Comptroller shall, promptly, but not later than January 15, after such fiscal year, furnish to Airlines an estimate of the Revenues and Airport Expense for such year, including an estimate as to whether or not any Flight Fee deficiency exists for such year, and each Airline shall pay its pro rata share of any Flight Fee deficiency for such year shown by such estimate. In the event the Flight Fee deficiency for any fiscal year shown in the audited statement exceeds the Flight Fee deficiency shown in the estimate of the City Comptroller, then each Airline shall pay its pro rata share of such excess.

*Minimum Flight Fee*

Notwithstanding the foregoing provisions, the minimum Flight Fee payable shall at no time be less than $0.06 per each 1,000 lbs. of the approved maximum landing weight of each aircraft.

*Aircraft Parking Fee*

City may charge Airline fees for parking its aircraft in public parking areas in excess of the free period allowed therein and Airline shall pay City a stipulated fee for overtime parking of its cargo aircraft in a public cargo ramp area or its passenger aircraft in a public passenger ramp area.

*Payment of Fees*

City shall, within 15 days following the end of each month, furnish Airline a statement of any Flight Fee and Aircraft Parking Fees payable by it for such month. The amount payable by Airline for any month shall be due and payable on the last day of the next succeeding month.

City shall, as promptly as practicable, furnish to Airline a statement of the amount payable as Airline's pro rata share of any Flight Fee deficiency, which shall be due and payable within 20 days after such statement is mailed or delivered by City.

Under the Leases of Terminal Facilities contemporaneously entered into between City and certain Airlines, City leases to each of such Airlines designated ramp areas and each such Airline agrees to pay certain rentals therefor. The ramp rental payable by each such Airline is the equivalent of a commitment of payment by such Airline of a minimum amount of Flight Fees. Therefore, any amount payable by such Airline as rental for any month for passenger ramp areas shall be applied, as provided in the Airport Use Agreement, against amounts payable by such Airline under such Agreement for Flight Fees.

## PARKING FACILITY LEASE

City has entered into a lease with the 14 Airlines, noted on page 11 as having executed the Airport Use Agreement (with the exception of the Flying Tiger Line, Inc.) for certain premises at the Airport and agreed to cause a facility for the parking of motor vehicles to be constructed thereon. It has also agreed to cause a 4R-22L Runway to be constructed at the Airport. Airlines have appointed the City as their agent to operate the facility which City may do through a concessionaire.

In summary this lease provides for:

1. A term extending until January 1, 1999, or the date on which no Revenue Bonds of this or any previous series issued pursuant to the Ordinance, as supplemented, or any subsequent series issued pursuant to section 2.16 of the Ordinance for construction of additional improvements and extension of the Airport, shall be outstanding.
2. Annual rental payments by the Airlines of $4,836,891 beginning in 1973. The annual revenue derived by the City from operation of the premises, after deduction of operation and maintenance expense or concessionaires' approved expenses and compensation and leasehold or other property or use taxes, if any, levied or assessed against concessionaires' or other occupants' interests in the premises, is to be credited against the rental payments.
3. Charge of reasonable Parking Fees intended to provide a credit to the Airlines not less than the total annual rental payments.
4. The City to cause the following amounts and forms of insurance to be kept in force for the leased premises:

   Comprehensive Public Liability Insurance:
   - $500,000 per person
   - $5,000,000 per accident

   Comprehensive Property Damage Insurance:
   - $500,000 per accident

Builders' Risk Insurance: (until completion of the improvements)

A. Comprehensive Public Liability and Property Damage in the minimum amounts above.

B. Fire and extended coverage and vandalism for the full insurable value of the construction as it progresses.

Casualty Insurance: (after completion of the improvements)

A. Fire and extended coverage equal to 100% of the replacement value of the Motor Vehicle Parking Facility without deduction for depreciation.

B. Coverage against loss of rental or other income as a result of any interruption in the operation of the improvements due to the insured causes.

5. In the event the Airport shall be closed for the landing or taking off of all turbo jet powered aircraft operated by the Airlines which are landing or taking off in normal operations at a comparable airport or airports at the time the rentals shall abate during the period of such closing but only to the extent sufficient moneys are in the Emergency Reserve Account available for use under the Ordinance.

The foregoing summary is subject to the detailed provisions of the Lease, copies of which are available for inspection at the office of the City Comptroller.

## SUMMARY OF GENERAL COVENANTS APPLICABLE TO AIRPORT USE AGREEMENT AND LEASES

### *Rentals*

The rentals stipulated in the various Leases are payable for the respective periods therein provided.

The City and the Lessees, under the various Leases agree that so long as any Approved Revenue Bonds are outstanding, the rentals stipulated therein shall not be reduced. All amounts payable to the City under the terms of the Use Agreement and the Leases shall be paid at the office of the City Comptroller, and if not paid when due, shall bear interest at the rate of 7% per annum until paid.

### *Ingress and Egress*

Subject to rules and regulations promulgated by the City, the Lessees shall have the rights and privileges over the Airport of ingress to and egress from the demised premises, as set forth in detail in the respective Leases, including the right to install, maintain, use and operate facilities and equipment on the Airport and the right to connect the leased premises with any taxiways, roadways, water lines, sewer lines, drainage ditches and utility lines being furnished by the City.

### *Construction, Maintenance and Repair by Lessee*

Lessee may construct or install, at its own expense, any improvements, facilities and equipment, in any premises leased to it for its sole exclusive use. Lessee, together with other Lessees of such premises, may construct or install at its or their own expense, any buildings, improvements, facilities and equipment in any premises leased to it and such Lessees for their common use. All such construction or installation shall be made only after obtaining the approval of the Commissioner of Public Works of the plans and specifications and obtaining requisite building or construction licenses or permits. All buildings and permanent improvements constructed or installed by Lessee shall become the property of the City upon completion of construction. Lessee shall keep and maintain all buildings, improvements and facilities and additions thereto, constructed or installed by Lessee on the leased premises in good condition and repair.

Lessee shall keep buildings and improvements constructed by the City on leased premises in the Hangar or Cargo Areas or a part of the Fueling System in good condition and repair, subject to the provisions herein summarized under the subheading "Insurance After Completion of Construction."

Lessee shall keep the leased premises, all construction completed and installations made by City, and all construction and installations made by Lessee in a sanitary and sightly condition, and shall comply with all applicable health and safety requirements.

### *Use of Premises on Behalf of or by Others*

Any of the premises leased to a Lessee may also be used, in whole or in part, by Lessee on behalf of or in conjunction with any other Airline Party or Parties in connection with the conduct of air transportation to the same extent as Lessee is entitled to use such premises in its own behalf. Lessee shall also be entitled to sublease any of such premises, in whole (subject to the prior approval of City) or in part, to any other Airline Party or Parties.

In case of any use of any of such premises by Lessee on behalf of or in conjunction with any other Airline Party or Parties, or in the case of any sublease of any of such premises, Lessee shall remain liable for its obligations under said Lease.

Notwithstanding the foregoing, no use of any of the premises leased may be made by Lessee on behalf of or in conjunction with any other Airline Party or Parties, and no sublease of any part of such premises may be made by Lessee, except in each case with the consent of the Commissioner of Aviation, if such use or sublease involves payment to Lessee by such other Airline Party or sublessee of an amount greater than Lessee's expenses.

### *Maintenance and Operation by City*

City shall maintain and keep in good condition and repair all buildings, roadways, taxiways, water lines, sewer lines, drainage ditches, additions, improvements, facilities and equipment now or hereafter provided by City for common use, serving any leased premises but located outside the leased premises.

City shall operate the Airport in accordance with the rules and regulations and with standards and ratings for airports of similar size and character issued by the Federal Aviation Administration. City shall also operate the Airport in a manner so as to produce revenues of a nature and amount which would be produced by a reasonably prudent operator.

City shall use its best efforts in the selection of an operator for the purpose of providing transportation service to and from the Airport of passengers and their baggage in a satisfactory and efficient manner.

City shall use its best efforts to keep the Airport open and in operation for landings and take-offs of aircraft of any type using facilities similar to those at the Airport. City shall maintain order at the Airport.

*Covenant Against Liens*

Lessees shall keep the leased premises and the buildings, improvements and facilities free and clear of any and all liens in any way arising out of the action, or use thereof by Lessee; provided, however, that Lessee may in good faith contest the validity of any lien.

*Rules and Regulations*

Each Lessee or Airline Party shall observe and obey all rules and regulations governing the conduct and operation of the Airport, promulgated from time to time by the City, which are reasonably required for the prudent and efficient operation of the Airport and are not inconsistent with the reasonable exercise by Lessee or Airline Party of any right or privilege granted to it under any agreement between said Lessee or Airline Party and City relating to the Airport, nor inconsistent with safety nor with the rules and regulations of any Federal or State agency having jurisdiction with respect thereto, nor inconsistent with the procedures prescribed or approved from time to time by the Federal Aviation Administration or any other governmental authority having jurisdiction over operations at the Airport.

City, however, shall have no control over the rates, fares or charges that any Lessee or Airline Party may prescribe in connection with its conduct of an air transportation business.

*Liability Arising from Act of Lessees and Airline Parties*

Each Lessee or Airline Party shall, at its own expense, keep in force insurance of the following types and in not less than the following amounts, insuring Lessee or Airline Party and City against all liabilities for accidents arising out of or in connection with Lessee's or Airline Party's use and occupancy of and operations at the Airport, except when caused by City's negligence alone or jointly with any person other than such Lessee or Airline Party, its agents, contractors and sub-contractors, and shall furnish to City certificates evidencing such insurance, naming City as an additional assured thereunder, subject to certain limitations in respect of City's negligence, to-wit:

| | |
|---|---|
| Aircraft Public Liability Insurance ............ | $ 100,000 per person |
| | $1,000,000 per accident |
| Aircraft Property Damage Insurance ............ | $ 200,000 per accident |
| Comprehensive Public Liability Insurance ........ | $ 100,000 per person |
| | $ 250,000 per accident |
| Comprehensive Property Damage Insurance ..... | $ 100,000 per accident |

The foregoing requirements for insurance apply to the Use Agreement and all Leases except the Fueling System Lease in which the type and limits are as follows:

| | |
|---|---|
| Comprehensive Public Liability Insurance ........... | $ 200,000 per person |
| | $5,000,000 per accident |
| Comprehensive Property Damage Insurance ......... | $5,000,000 per accident |

*Insurance During Construction*

The City shall, until the date of completion of Improvements, as certified by the Consulting Engineer, keep in force public liability and property damage insurance, insuring City, in the amounts specified in the Use Agreement and the Leases and also builder's risk insurance. City may cause such insurance to be effected in whole or in part by the contractors performing the construction work, but, in any event, the cost of such insurance shall be deemed a part of the cost of construction.

*Insurance After Completion of Construction*

A Lessee is required to bear the cost of insurance maintained by the City on Improvements (excluding the Terminal facilities) following construction thereof, consisting of a so-called "fire and extended coverage policy or policies," not exceeding, without consent of such Lessee, 80% of the full insurable value thereof. All such insurance policies shall name City and such Lessee as insureds, and shall provide that proceeds of such insurance shall be payable to City and such policies shall be deposited with the City Comptroller.

Should any building or improvement constructed by the City on the premises leased to a Lessee be damaged or destroyed on or after the date upon which the completion of the buildings and improvements is certified by the Consulting Engineer, and if any insurance proceeds are payable by reason thereof, City shall immediately after such damage or destruction cause plans and specifications and an estimate of cost for repairing, replacing or reconstructing the damaged or destroyed property to be prepared. Lessee shall be consulted for its suggestions before any such plans and specifications are approved. Such insurance proceeds shall be applied, as promptly as practicable, to the repair, replacement or reconstruction of the damaged property. If such proceeds are more than sufficient for such purpose, the balance remaining shall be transferred to the credit of the Sinking Fund Account. If such insurance proceeds are insufficient for such purpose, the deficiency shall be supplied by City from any moneys in the Reserve Maintenance Account.

*Abatement of Rentals in Event of Closing*

In the event that the Airport shall be closed for any period of time by any order or direction of City or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction, while any Approved Revenue Bonds are outstanding, then to the extent, but only to the extent, that sufficient moneys are then held to the credit of the Emergency Reserve Account under the Ordinance, the rentals provided in the Leases as payable by Lessees shall abate for the period of such closing.

In the event the Airport shall be so closed for the landing or taking off of all turbo jet powered aircraft, which at the time are landing or taking off, in the course of normal operations, at one or more airports having facilities similar to those at the Airport, but shall not be closed to the landing or taking off of other aircraft operated by any Airline Parties, while any Approved Revenue Bonds are outstanding, then 50% of the rentals payable by Lessees under the Leases shall abate for the period of such closing, but in no event for more than 6 months for any single closing, in any fiscal year, to the extent but only to the extent that sufficient moneys are then held to the credit of the Emergency Reserve Account.

*Termination by City*

City may terminate the Leases or the Airport Use Agreement by giving sixty (60) days advance notice upon or after the happening and during the continuance of any one of the following events:

(a) The filing by Airline of a voluntary petition in bankruptcy.

(b) The institution of proceedings in bankruptcy against Airline and the final adjudication of Airline as a bankrupt pursuant to such proceedings.

(c) The taking by a court of competent jurisdiction for a period of sixty (60) days of all or substantially all of Airline's assets pursuant to proceedings brought under the provisions of any Federal reorganization act.

(d) The appointment of a receiver of all or substantially all of Airline's assets and Airline's failure to vacate such appointment within sixty (60) days thereafter.

(e) The assignment by Airline of its assets for the benefit of its creditors.

(f) The abandonment by Airline of its conduct of air transportation at the Airport.

(g) The default by Airline in the performance of any covenant or agreement required to be performed by Airline and the failure of Airline to remedy such default, or to take prompt action to remedy such default, within a period of sixty (60) days after receipt from City of notice to remedy the same.

*Termination by Airline*

Airline may not terminate its Leases or the Airport Use Agreement so long as any Approved Revenue Bonds are outstanding.

## SOURCES OF ANNUAL GROSS REVENUE

The following table shows the various sources of the annual gross revenue for the years 1959 through 1968 and estimated for 1969.

| Fiscal Year Beginning January 1 | Fixed Rentals Under Leases Including Ramp Area Rentals | Concession Revenue | Miscellaneous Revenue | Flight Fees Excluding Ramp Area Rentals(1) | Total Gross Revenue |
|---|---|---|---|---|---|
| 1959 | $ 267,529 | $ 590,724 | $ 64,903 | $1,767,943 | $ 2,691,099 |
| 1960 | 261,372 | 1,258,474 | 71,088 | 1,395,396 | 2,986,330 |
| 1961 | 260,667 | 1,864,390 | 68,366 | 3,257,242 | 5,450,665 |
| 1962 | 9,775,647 | 3,122,953 | 150,500 | 5,867,394 | 18,916,494 |
| 1963 | 10,090,130 | 3,991,505 | 298,176 | 8,069,658 | 22,449,469 |
| 1964 | 10,531,918 | 4,761,555 | 550,395 | 6,172,147 | 22,016,015 |
| 1965 | 10,546,583 | 5,568,390 | 835,047 | 6,105,386 | 23,055,406 |
| 1966 | 10,564,909 | 6,472,627 | 881,107 | 5,166,752 | 23,085,395 |
| 1967 | 10,893,172 | 7,491,957 | 986,431 | 8,008,665 | 27,380,225 |
| 1968 (2) | 11,874,732 | 8,211,570 | 1,055,900 | 8,906,044 | 30,048,246 |
| 1969 est. | 12,582,000 | 9,185,000 | 1,613,000 | 9,454,000 | 32,834,000 |

(1) Includes fees carried forward from previous year.

(2) There are appended to this Official Statement abstracts from the Chicago-O'Hare International Airport Financial Statements for the year ended December 31, 1968 setting forth certain financial information and statistics.

## REVENUES AND OPERATION AND MAINTENANCE EXPENSES

The following schedule shows the yearly Total Gross Revenues, Operation and Maintenance Expense and resulting Net Revenues available, in accordance with the order of priority of accounts set forth in the Ordinance, for debt service on the Bonds. Also shown are the amounts allocated annually to the Reserve Maintenance Account and the Emergency Reserve Account after providing for Debt Service—the required deposits to the Interest Account, Minimum Sinking Fund Payment and Debt Service Reserve Account. These are actual figures for the years 1959 through 1968, and as estimated for 1969.

| Beginning Fiscal Year January 1 | Total Gross Revenue | Operation and Maintenance Expense(1) | Net Revenues* Available For Debt Service | Debt Service | Reserve Maintenance Account(2) | Emergency Reserve Account(2) |
|---|---|---|---|---|---|---|
| 1959 ...... | $ 2,691,099 | $ 1,507,711 | $ 1,183,388 | $ –0– | $ 20,000 | $ 726,555 |
| 1960 ...... | 2,986,330 | 2,160,126 | 826,204 | –0– | 20,000 | 897,360 |
| 1961 ...... | 5,450,665 | 3,620,433 | 1,830,232 | –0– | 20,000 | 882,029 |
| 1962 ...... | 18,916,494 | 5,337,332 | 13,579,162 | 10,970,754 | 745,000 | 915,007 |
| 1963 ...... | 22,449,469 | 6,906,980 | 15,542,489 | 11,130,923 | 745,000 | 967,517 |
| 1964 ...... | 22,016,015 | 7,448,759 | 14,567,256 | 11,130,923 | 745,000 | 881,564 |
| 1965 ...... | 23,055,406 | 8,767,024 | 14,288,382 | 10,661,378 | 745,000 | 880,649 |
| 1966 ...... | 23,085,395 | 9,938,812 | 13,146,583 | 8,815,138 | 745,000 | 888,108 |
| 1967 ...... | 27,380,224 | 13,271,087 | 14,109,138 | 8,681,280 | 506,304(3) | 857,668 |
| 1968 ...... | 30,048,246 | 12,458,539 | 17,589,707 | 9,237,774 | 860,000 | 887,451 |
| 1969 est. ... | 32,834,000 | 14,861,000 | 17,973,000 | 10,151,100 | 860,000 | 1,000,000 |

* As defined in the ordinance.

(1) Includes certain capital expenditures for improvements and engineering. While the Bond Ordinance does not permit the use of operating revenues for capital improvements or other expenditures not directly related to the operation of the Airport, the Airlines' Representative has agreed to this practice which has the effect of increasing flight fee requirements.

(2) Actual deposits made to the Reserve Maintenance and Emergency Reserve Accounts. This does not include interest earned on investments in the two accounts. By ordinance such interest remains in these accounts and does not affect the amount to be transferred to said accounts in any fiscal year from Revenues.

(3) The Reserve Maintenance Account became fully funded in 1967. Subsequent use of funds for major repairs has necessitated further contributions.

Under the terms of the Airport Use Agreement entered into between the city and the various Airlines, the Airlines covenant to use O'Hare Airport and agree to pay, in each fiscal year, sufficient Flight Fees for their fee landings, so that with revenues derived from fixed rentals payable under the Leases, from concessions and from any other source, the gross revenues at the Airport will equal the sum of Operation and Maintenance Expenses, the amounts to be allocated to the Reserve Maintenance and Emergency Reserve Accounts and an amount equal to 1.25 times the Principal and Interest Requirements, as defined in the Ordinance, on the Approved Revenue Bonds outstanding at the beginning of each fiscal year, and the amount of any premiums paid on such Bonds retired by January 1 of the succeeding fiscal year.

## ESTIMATED COVERAGE OF DEBT SERVICE

### Chicago-O'Hare International Airport, Revenue Bonds

### 6.80% Series of March, 1970

| | | $120,000,000 Series of 1959 | | $25,000,000 Series A of 1961 | | $4,000,000 Series B of 1961 | |

## SUMMARY OF CERTAIN PROVISIONS OF BOND ORDINANCE

The following information is summarized from the Ordinances adopted by the City Council on December 29, 1958 and on February 16, 1959, (both of which Ordinances are herein sometimes referred to as the "Ordinance") and from the Supplemental Ordinances adopted by the City Council on February 1, 1961, July 13, 1962, July 21, 1967, June 26, 1968, and March 25, 1970. Copies of the Ordinances and Supplemental Ordinances are on file with the City Comptroller and the Depositary.

In accordance with the provisions of the Act, the Ordinance authorized the issuance by the City of $120,000,000 Chicago-O'Hare International Airport 4¾% Revenue Bonds, Series of 1959. The Supplemental Ordinances, in accordance with the provisions of Section 2.15 and Section 2.16 of the Ordinance, authorized $25,000,000 Chicago-O'Hare International Airport 4¾% Revenue Bonds, Series A of 1961, $10,000,000 Revenue Bonds, Series B of 1961, of which $4,000,000 4¼% Bonds were sold, $5,000,000 4½% Revenue Bonds, Series of 1967, $18,000,000 5% Revenue Bonds, Series of 1968, and $52,000,000 6.80% Revenue Bonds Series of March, 1970; of which there will be in total $199,910,000 outstanding upon completion of this financing. Series A of 1961 and Series B of 1961 Bonds were issued under Section 2.15 of the Ordinance to finance the additional costs of the improvements for which the Series of 1959 Bonds were originally issued. The Series of 1967 Bonds and the Series of 1968 Bonds were issued under Section 2.16 of the Ordinance for additional improvements. The Series of March, 1970 Bonds are being issued under Section 2.16 of the Ordinance for other additional improvements. The Ordinance designated The First National Bank of Chicago, Chicago, Illinois as Depositary, Paying Agent and Registration Agent. The Bonds, subject to the provisions for registration and transfer contained in the Ordinance, shall have all the qualities of negotiable instruments under the laws of the State of Illinois and in the denomination of $5,000 may be registered as to principal only or as to principal and interest in the denomination of $25,000 or more.

## SECURITY FOR THE BONDS

In accordance with the provisions of the Ordinance and the Supplemental Ordinances the above Bonds authorized and issued thereunder rank on a parity and are secured by a charge and lien on, and are payable solely from the Bond proceeds and Net Revenues derived from the operation of the Airport and from any service thereof as set forth in the Ordinance. All such Net Revenues and funds are exclusively and irrevocably pledged to and constitute a trust fund for the security and payment of the principal of and the interest and any redemption premium on the Bonds and any additional Bonds issued under the Ordinance.

## SURETY BONDS

The City will take out and maintain or cause to be provided fidelity insurance or a fidelity bond or bonds covering all employees and officials of the City who receive or handle Revenues of the Airport; in the case of employees in an amount sufficient to cover the maximum amount of Revenues so received or handled by each such employee during any calendar week.

## RECEIPT, DEPOSIT AND ALLOCATION OF REVENUES

The Airport shall be operated on a fiscal year basis beginning January 1. All Revenues derived from the operation of the Airport and for any service rendered by the City in the operation thereof shall be held by the City and the Depositary in trust for the benefit of the holder or holders of the Bonds issued under the Ordinance and the coupons appertaining thereto and shall be allocated and applied solely to the uses and purposes set forth in the Ordinance and shall be accounted for separate and apart from all other moneys, funds or other resources of the City.

### *Chicago-O'Hare International Airport Revenue Fund*

The City covenants and agrees that all Revenues, including all rents, fees, rates or other charges shall be received, deposited and accounted for through a special fund created for such purpose and designated Chicago-O'Hare International Airport Revenue Fund (hereinafter referred to as the "Revenue Fund"). All moneys paid into the Revenue Fund shall be deposited by the City Treasurer with the Depositary. All Revenues so deposited shall be disbursed by warrants on the City Treasurer, signed by the Mayor and countersigned by the City Comptroller and all such moneys accounted for through the

Revenue Fund during each fiscal year, shall be allocated first to Operation and Maintenance Expenses and then in the following order of priority to the following respective special accounts:

Interest Account
Debt Service Reserve Account
Sinking Fund Account
Reserve Maintenance Account
Emergency Reserve Account

*Operation and Maintenance Expenses*

The City Comptroller shall draw warrants on the City Treasurer on the Revenue Fund to pay for operation and maintenance of the Airport, but such warrants drawn with respect to any fiscal year shall not exceed the amount budgeted by the City for Operation and Maintenance Expenses for the then current fiscal year, unless such warrants cover expenditures authorized by a two-thirds vote of all members of the City Council. In addition thereto, a reasonable reserve for the next ensuing year (not in excess of one quarter of the amount budgeted for the current year) may be retained in the Revenue Fund.

*Allocation of Remaining Revenues*

The City Comptroller shall from time to time direct the Depositary to allocate the remaining available Revenues in the following manner and order of priority:

*First: Interest Account.* There shall be allocated to such Account an amount equal to any unpaid interest then due on all outstanding Bonds, plus the interest to become due thereon on the next ensuing interest payment date.

*Second: Debt Service Reserve Account.* Beginning with the fiscal year commencing January 1, 1962, to the Debt Service Reserve Account an amount (subject to the limitations hereinafter referred to) in each fiscal year until there shall be in this Account an amount equal to two years' interest requirements on all Bonds outstanding, all moneys in this Account to be retained by the Depositary and invested as in this Ordinance provided. All moneys in this Account shall be used and withdrawn to the extent necessary for the purpose of paying the Interest, Sinking Fund payments and the principal of the Bonds including premium for prior redemption thereof in the event no other funds are available for such purposes. Whenever the deposits in the Debt Service Reserve Account exceed two years' interest on all Bonds outstanding, such excess shall be transferred to the Sinking Fund Account. Any moneys withdrawn to meet Interest and Sinking Fund requirements shall be replaced out of the first money available therefor.

The balance in the Debt Service Reserve Account on December 31, 1969 was $12,384,515. This represents two years interest requirements on the outstanding principal amount of Series of 1959 and Series A & B of 1961 Bonds, and requirements to December 31, 1969 on the Series of 1967 and 1968 Bonds. The additional amount to be allocated to the Debt Service Reserve Account in any fiscal year with respect to Bonds issued under Section 2.15 or Section 2.16 shall not exceed the amount provided for in the Supplemental Ordinance authorizing the issue of such Bonds. Upon the issuance of Bonds of the Series of March, 1970, the maximum amount to be allocated to the Debt Service Reserve Account for said issue in any fiscal year shall not exceed $1,859,462.

*Third: Sinking Fund Account.* There shall next be allocated to the Sinking Fund Account, in each fiscal year, an amount sufficient to retire the principal amount of Bonds, as provided in the Ordinance and Supplemental Ordinances, by January 1 of the succeeding fiscal year, which amount is referred to therein as the Minimum Sinking Fund Payment. The minimum annual payments to be made to the Sinking Fund Account, as provided in the Ordinance and Supplemental Ordinances are calculated, for each series of Bonds outstanding thereunder, as sufficient to retire all Bonds of such series by its maturity date.

*Fourth: Reserve Maintenance Account.* In each fiscal year to the Reserve Maintenance Account, out of the balance remaining after making any required deposits in such year to the Interest Account, the Debt Service Reserve Account and the Sinking Fund Account the sum of

$1,120,000, until there shall have been accumulated in the Reserve Maintenance Account the sum of $4,666,666; provided, however, that if less than the amount required to be deposited in this Account in any fiscal year shall be so deposited, the requirement therefor shall nevertheless be cumulative and the amount of such deficiency shall be added to the amount required to be deposited in this Account in each fiscal year thereafter, until such time as such deficiency shall have been made up or until there shall have been accumulated in this Account the sum of $4,666,666.

If additional Bonds are issued under the respective provisions of the Ordinance, the applicable limits as to the maximum amount which shall be deposited in any fiscal year and the maximum amount which shall be accumulated in said Account shall be increased in accordance with the provisions contained in the Ordinance.

Moneys held for the credit of the Reserve Maintenance Account shall be held as a reserve for the purpose of paying the cost of major repairs, renewals and replacements of terminal buildings, landing areas, aprons, and related facilities, equipment or otherwise, at the Airport, provided the making of such repairs, renewals or replacements is approved by the Consulting Engineer, as evidenced by his certificate, and in the case of an insufficiency of moneys to pay the Operation and Maintenance Expenses, all expenses chargeable as Operation and Maintenance Expenses under the terms of the Ordinance; and shall be disbursed only for such purposes, except as otherwise provided in the Ordinance.

If at any time the amount in the Interest Account and the Debt Service Reserve Account shall be insufficient for the purposes of paying the interest on the Bonds as such interest becomes due, or for the purpose of making any of the required payments to the Sinking Fund Account, then the City shall transfer from the Reserve Maintenance Account to the Interest Account, Debt Service Reserve Account or Sinking Fund Account, as the case may be, an amount sufficient to make up any such deficiency.

Any moneys in the Reserve Maintenance Account which shall be used or transferred as aforesaid, shall be restored by the City from the first available moneys in the Revenue Fund, subject to the same conditions as are hereinabove provided for deposits to the credit of this Account.

*Fifth: Emergency Reserve Account.* There shall be allocated to the Emergency Reserve Account out of the balance remaining, after making the deposits to the respective accounts hereinabove referred to, an amount in each fiscal year equal to the sum of the amounts included in Airport Expense as defined in the Airport Use Agreement for such year on account of the depreciation and interest on City investment in the Airport, other than from Government Grants in Aid or Approved Revenue Bond proceeds.

Moneys held to the credit of the Emergency Reserve Account shall be used to the extent provided in the Ordinance in lieu of abated rentals, and to the extent so used shall be treated as Revenues, for any period of time during which the Airport may be closed, by any order or direction of City or any other governmental authority or agency, or by any order or direction of any court of competent jurisdiction, for the landing or taking off of all turbo jet powered aircraft operated by Airline Parties, as defined in the Airport Use Agreement, which at the time are landing or taking off, in the course of normal operations, at one or more airports having facilities similar to those at the Airport. Moneys to the credit of the Emergency Reserve Account shall be applied monthly and be so used to the aggregate extent, and only to such extent, that agreements between the City and such Airline Parties provide for the abatement of rentals in the event of such closing.

Moneys held to the credit of the Emergency Reserve Account shall also be used at any time for the purpose of making required deposits to the Interest Account and Sinking Fund Account when there are no other funds available for such deposits.

*Sixth:* To the extent that Revenues accrued during each fiscal year, as shown in the audited statement of the Independent Certified Public Accountants, exceed Airport Expense for such fiscal year, as defined in the Airport Use Agreement, such excess shall be considered deferred income and as Revenues of the next succeeding year for all purposes of the Ordinance.

All Revenues accrued during the fiscal year for which such audited statement is rendered, which Revenues have not been allocated for Operation and Maintenance Expenses, nor deposited or allocated for deposit in the several Accounts referred to in First through Fifth inclusive above, nor considered Revenues of the next succeeding fiscal year, shall be allocated to the Sinking Fund and deposited therein as soon as practicable.

Notwithstanding the foregoing, in any fiscal year in which the minimum Flight Fee is in effect as provided in the Airport Use Agreement, all Revenues accrued during such fiscal year in excess of the required allocations to Operation and Maintenance Expenses and the Accounts provided for in First through Fifth inclusive, above shall be allocated to the Sinking Fund.

If and when there are sufficient funds in the Interest Account, Debt Service Reserve Account and Sinking Fund Account at any time to call and redeem all of the outstanding Bonds at the next succeeding redemption date, said funds shall be used for that purpose.

If the City shall comply with all other provisions of the Ordinance relating to the allocation of Revenues, the fact that the total deposits to be credited to the Sinking Fund Account, the Reserve Maintenance Account or the Emergency Reserve Account in any fiscal year shall be less than the amount required will not constitute an event of default under the provisions of the Ordinance.

## SECURITY FOR DEPOSITS

The City Comptroller is authorized and empowered to take all necessary steps to require and secure from each Depositary, Paying Agent and Fiscal Agent, security, if any, required by law for all Revenues and other funds deposited with or held by such agents under the Ordinance.

## INVESTMENT OF REVENUES

All moneys held by the Depositary in the Revenue Fund may be invested in direct obligations of the United States of America which shall mature or which shall be subject to redemption by the holder thereof at the option of such holder prior to the date such funds shall be required for the payment of Operation and Maintenance Expenses or for allocation to any Accounts. All moneys held by the Depositary to the credit of the Interest Account and Sinking Fund Account shall be invested, insofar as may be practicable, in direct obligations of the United States of America which shall mature or which shall be subject to redemption by the holder thereof at the option of such holder not later than fifteen days prior to the date such funds shall be required for the purposes of the respective Accounts. Moneys held by the Depositary for the credit of the Debt Service Reserve Account, Reserve Maintenance Account and Emergency Reserve Account shall be invested in direct obligations of the United States of America which shall mature or which shall be subject to redemption by the holder thereof at the option of such holder not later than five years from the date of purchase thereof.

Obligations purchased as an investment of moneys in the Revenue Fund or any Account named in the preceding paragraph shall be deemed at all times to be a part of such Fund or Account. The interest accruing thereon and any profit realized or loss resulting from the investment of moneys in the Reserve Maintenance Account or Emergency Reserve Account shall be, respectively, credited or charged to such Fund or Account, notwithstanding the fact that the amounts credited to the Reserve Maintenance Account exceed the maximum provided by the Ordinance. Interest accruing on and any profit realized from any investment of moneys in the Interest Account, Debt Service Reserve Account, Sinking Fund Account and the unallocated portion of the Revenue Fund shall be credited to the unallocated portion of the Revenue Fund and allocated as Revenues in the order of priority provided in the Ordinance and any loss resulting from any such investment shall be deemed an Operation and Maintenance Expense and be restored to such Accounts or Fund from the first available Revenues.

## CUSTODY AND APPLICATION OF PROCEEDS OF BONDS

*Disposition of Bond Proceeds*

The Supplemental Ordinance authorizing the issuance of the Series of March, 1970 Bonds provides that the proceeds received by the City from the sale of such bonds shall be deposited with the Depositary in trust and there are created two special accounts to be designated respectively "Motor Vehicle Parking Facility Construction Account, 1970" and "4R-22L Runway and Land Acquisition Account, 1970", and there shall be deposited in said Motor Vehicle Parking Facility Construction Account, 1970 an amount equal to 72.5888% of the proceeds derived from the sale of the bonds, and there shall be deposited in the 4R-22L Runway and Land Acquisition Account, 1970, an amount equal to 27.4112% of the proceeds derived from the sale of the bonds. Disbursements from said Accounts shall be made in the same manner as disbursements are required to be made by Section 3.01 of the Ordinance.

Proceeds received by the City from the sale of Bonds issued for additional improvements and extensions to the Airport pursuant to the provisions of Section 2.16 of the Ordinance shall be applied by the City in the manner and for the purposes provided in the Supplemental Ordinance authorizing such Bonds.

In accordance with Section 3.01 of the Ordinance, all transfers or disbursements from the Construction Fund shall be made by warrants on the City Treasurer signed by the Mayor and countersigned by the City Comptroller and shall be accompanied by a statement by the Commissioner of Public Works which shall include with respect to each payment:

(a) Item number thereof.

(b) Name of person, firm or corporation to whom payment is due.

(c) Amount to be paid and the Account to which the item is to be charged.

(d) A statement that the obligations in the specified amounts have been incurred by the City; that each item thereof is a proper charge against the Construction Fund and that it has not been paid.

(e) That there has not been filed with or served upon the City any notice of any lien, right to lien, or attachment upon or claim affecting the right to receive payment of any of the moneys payable to any of the persons, firms or corporations named in such order which have not been released or will not be released simultaneously with the payment of such obligations, and in the event that any assignment of right to receive payment has been made and notice thereof has been given to the City and the City has accepted such assignment, the order directing payment shall recite that fact and direct the payment to be made to assignee thereof as shown by the records of the City.

In addition, for any payment from the Construction Fund for work done in connection with the construction of any improvements there shall be an accompanying certificate executed by the Consulting Engineer of the character required by the Ordinance.

*Investment of Bond Proceeds*

The funds to the credit of the Construction Fund shall, as nearly as may be practicable, be continually invested and re-invested in direct obligations of the United States of America which shall mature or which shall be subject to redemption by the holder thereof at the option of such holder not later than the respective dates as estimated by the City Comptroller and approved by the Consulting Engineer when such moneys will be required for the purposes intended. It shall be the duty of the City Comptroller to file with the Depositary from time to time the estimated dates when such funds will be required as approved by the Consulting Engineer and to direct the Depositary to invest the moneys to the credit of the Construction Fund.

Obligations so purchased as investments shall be deemed at all times a part of the Construction Fund and interest accruing thereon and any profit realized or any loss resulting from such investments shall be respectively credited or charged to the General Construction Account.

## PURCHASE AND REDEMPTION OF BONDS

Moneys in the Sinking Fund Account shall be applied as rapidly as possible to the retirement of Bonds by purchase in the open market or by tender at prices not to exceed the redemption price of such Bonds on the next redemption date. The retirement of Bonds in any fiscal year shall be prorated between the various series of bonds issued pursuant to the provisions of Section 2.02, Section 2.15 or Section 2.16 of the Ordinance in proportion to the respective Minimum Sinking Fund payment for each series for such fiscal year.

If there is $50,000 or more in said Account seventy days prior to any interest payment date on which Bonds are redeemable, such funds shall be used to redeem Bonds on such redemption date.

## COVENANTS AS TO RENTS, FEES, RATES AND OTHER CHARGES

The City covenants that it will fix and keep in effect rents, fees, rates and other charges for the use of the Airport including any services rendered by the City in the operation thereof, that from time to time will be adjusted, in order that the Revenues of the Airport will be sufficient at all times to provide funds for the payment of the cost of operation and maintenance and thereafter to make the required deposits to each of the following accounts: (a) the Interest Account; (b) the Debt Service Reserve Account; (c) the Sinking Fund Account; (d) the Reserve Maintenance Account; and (e) the Emergency Reserve Account. Provided, however, that so long as any Bonds issued pursuant to Section 2.02 or Section 2.15 of the Ordinance shall be outstanding, such schedule shall in each fiscal year be sufficient to produce together with rents and other available Revenues, Net Revenues of not less than (i) one and twenty-five hundredths times the sum of the Principal and Interest Requirements for each such fiscal year of then outstanding Bonds issued pursuant to Sections 2.02, 2.15 or 2.16, plus (ii) amounts which may be required to be deposited in such year in the Reserve Maintenance Account and the Emergency Reserve Account and premiums paid on July 1 of such fiscal year and January 1 of the succeeding fiscal year on the redemption of such Bonds and premiums paid on such Bonds purchased during such fiscal year in the open market or by tender.

A deposit to the credit of the Sinking Fund Account in any fiscal year of an amount in excess of the Minimum Sinking Fund Payment for such fiscal year shall not reduce the required Minimum Sinking Fund Payment for any subsequent fiscal year or years; but any deficiency in the amounts deposited to the credit of the Sinking Fund Account and the Reserve Maintenance Account in any fiscal year shall, as promptly as practicable, be added to the amounts required for the remaining fiscal years.

The City covenants, that, so long as any Bonds issued under the provisions of the Ordinance are outstanding, it will not amend any Lease or Airport Use Agreement relating to the Airport, entered into by it which became effective immediately upon the issuance of Bonds, Series of 1959, so as to reduce the fixed rentals, or the amount of Revenues which otherwise would be received from the application of the Flight Fee formula or the Flight Fee deficiency formula, below those provided under any such Lease or Agreement.

## ADDITIONAL BONDS

The Ordinance as supplemented provides that additional Bonds, ranking on a parity with the outstanding Airport Revenue Bonds may be issued for the following purposes and subject to the following conditions:

(i) Additional Bonds may be issued under the provisions of Section 2.16 of the Ordinance as supplemented for the purpose of constructing additional improvements and extensions to the Airport whenever the following conditions are met:

(a) The amounts required to be credited to the Interest, Debt Service Reserve, Sinking Fund, Reserve Maintenance, and Emergency Reserve Accounts up to the date of adoption of the Supplemental Ordinance authorizing such additional Bonds must have been credited to said Accounts.

(b) The Net Revenues of the Airport from all existing facilities and those proposed to be financed by such additional Bonds, as estimated by the Airport Consultant, in accordance with the provisions of the Ordinance, for each fiscal year, commencing with the first full fiscal year following the date of completion, as estimated by the Consulting Engineer, of the additional facilities then being financed, and ending not earlier than the last full fiscal year next preceding the maturity date of any outstanding Series of March, 1970 Bonds or Bonds issued pursuant to Sections 2.02 and 2.15, shall be not less than, (i) one and twenty-five hundredths times the sum of the Principal and Interest Requirements for each such fiscal year of all Bonds then outstanding and the proposed additional Bonds, plus (ii) amounts which may be required to be deposited in each such year in the Reserve Maintenance Account and the Emergency Reserve Account.

(c) If at the time any Bonds issued pursuant to Section 2.02 or Section 2.15 are outstanding the rentals, from Leases in effect between the City and air transportation companies on the date of adoption of the Supplemental Ordinance authorizing such additional Bonds, shall, as determined in accordance with the provisions of the Ordinance, commencing with the first full fiscal year following the date of completion referred to in (b) above and ending not earlier than the last full fiscal year next preceding the maturity date of any Bonds issued under the provisions of Sections 2.02 and 2.15, be not less than one and ten-hundredths times the sum of the Principal and Interest Requirements for each fiscal year of all Bonds then outstanding and the proposed additional Bonds.

Such additional Bonds shall be designated "Chicago-O'Hare International Airport Revenue Bonds," with such further appropriate designation, shall be dated, bear such interest rate or rates payable January 1 and July 1 of each year, shall mature on January 1, and may or may not be subject to redemption prior to maturity, all as may be provided by the supplemental ordinance authorizing their issuance. Such additional Bonds must be due and payable not earlier than the maturity date of any then outstanding Bonds.

For the purpose of making the computations and estimates hereinabove provided for, the term "Principal and Interest Requirements for each such fiscal year" shall mean the following amounts, computed as nearly as practicable in accordance with standard amortization tables of equal annual payments to discharge a debt with interest, without regard to redemption premium:

(i) In the case of Bonds issued pursuant to Section 2.02, the amount which is required in each fiscal year to provide over a period of thirty-four fiscal years for the payment, when due, of the interest on such Bonds and for the retirement of all such Bonds by the end of such period;

(ii) In the case of any Bonds issued pursuant to Section 2.15, the amount which is required in each fiscal year to provide over a period of the lesser of thirty-four fiscal years or the number of full fiscal years between the date of delivery of such additional Bonds and the maturity thereof, for the payment, when due, of the interest on such Bonds and for the retirement of all such Bonds by the end of such period; and

(iii) In the case of any Bonds issued or to be issued pursuant to Section 2.16 for the purpose of constructing additional improvements and extensions, the amount which is required in each fiscal year to provide over a period commencing with the first full fiscal year beginning after the date, as estimated by the Consulting Engineer, of the completion of such additional improvements and extensions and ending with the last full fiscal year next preceding the maturity date of such Bonds, for the payment of the interest, when due, on such Bonds and for the retirement of all such Bonds by their maturity.

## OTHER COVENANTS

The following are summaries of covenants of the City in regard to the subjects listed. Reference is made to the Ordinance for a complete list of covenants and their full details. The City agrees or covenants regarding each subject as follows:

### *Management*

That in order to assure efficient management and operation of the Airport, and to assure the Bondholders that the same will be economically and efficiently operated on the basis of sound business principles, it will, while any of the Bonds are outstanding, operate and maintain the Airport under the direction of the Commissioner of Aviation or such other City department as the City Council may from time to time ordain.

### *Maintenance and Operation*

That it will, at all times, use its best efforts to see that the Airport is operated and maintained in such manner that the operating efficiency thereof shall be of the highest character and so that all lawful orders of any governmental agency or authority having jurisdiction in the premises shall be complied with (provided the City shall not be required to comply with any such orders so long as the validity or application thereof shall be contested in good faith). The City also will, out of Revenues, from time to time, duly pay and discharge, or cause to be paid and discharged, all taxes, assessments or other governmental charges lawfully imposed upon the Airport or any part thereof, or upon the Revenues, when the same shall become due, as well as any lawful claim for labor, materials or supplies, which, if unpaid, might by law become a lien or charge upon the Airport, or which might impair the security of the Bonds.

### *Concessions*

That it shall operate the Airport in a manner so as to produce revenues from concessionaires of a nature and amount which would be produced by a reasonably prudent operator of an airport.

### *Against Encumbrances or Sale of Airport Property*

That it will not create or permit the creation of any mortgage, lien or pledge on any City-owned personal or real property or equipment, constructed, purchased or used in connection with the Airport and the operation thereof or upon any Revenues or other funds pledged or held under the Ordinance, except as security for all Bonds issued thereunder, and that it will not permit the sale, or other disposition of the Airport, or any part thereof, but the City may sell or dispose of property no longer required for the use of, profitable to, or for the best interest of the City's operation of the Airport.

The net proceeds from the sale of any such property acquired by funds derived from the sale of any Bonds issued pursuant to the Ordinance or from Revenues, as defined therein, shall be used for the purpose of replacing properties or equipment at the Airport, if necessary, or shall be deposited in the Sinking Fund Account during the period that such Bonds are outstanding.

### *Consulting Engineer and Airport Consultant*

The City covenants that while any of the Bonds are outstanding, it will continuously employ a Consulting Engineer experienced in the field of construction and physical maintenance and operation of airports and facilities and an Airport Consultant experienced in the field of administration, maintenance and operation of airports and facilities thereof, each of whom shall have no financial or other interest in the ownership or operation of the Airport or any activity relating thereto, aside from their duties in their respective employed capacities. The Consulting Engineer and the Airport Consultant shall each be appointed by the Mayor, subject to approval of the City Council.

The Consulting Engineer shall inspect the Airport and make reports on the physical condition thereof and advise and make recommendations to the City with respect to the proper physical maintenance of the Airport. Copies of each such report and recommendation shall be sent not later than one hundred twenty days prior to the commencement of each fiscal year to the Commissioner of Aviation, and the Commissioner of Public Works.

The Airport Consultant shall inspect the Airport and make reports to the City including advice and recommendations regarding the proper administration, maintenance and operation of the Airport, revisions necessary in fees, rates and other charges and a recommended budget for operation and maintenance expenses of the Airport. Copies of each report and recommendation shall be sent not later than one hundred twenty days prior to the commencement of each fiscal year, to the Commissioner of Aviation, the Comptroller, the Commissioner of Public Works and the Budget Director. It shall be the duty of the

Airport Consultant in the preparation of the recommended budget to advise and recommend with respect to the foregoing matters for the fiscal year preceding the year budgeted and the ensuing fiscal year. The Airport Consultant shall attend all public hearings on the budget and shall also make recommendations at least sixty days prior to January 1 and July 1 of each fiscal year as to fees for the landing of aircraft at the Airport during the six-month period commencing on each January 1 and July 1 so that the Revenues will meet the requirements of the Ordinance.

*Budgets*

The Budget Director, according to law, shall, prior to the beginning of each fiscal year, prepare and file with the City Clerk a preliminary budget of operation and maintenance expenses of the Airport and proposed capital expenditures for the ensuing fiscal year.

The City shall, after the receipt of the Budget Director's preliminary budget, prepare the budget ordinance in tentative form, which ordinance shall be made available to public inspection. At least one public hearing shall be held thereon before final adoption as the annual budget.

The City shall not incur expenses for operation and maintenance of the Airport in any fiscal year in excess of the reasonable and necessary amount thereof nor expend or obligate itself to expend any amount for such fiscal year in excess of the amount provided therefor in the budget for such fiscal year as finally adopted unless such expenditure is authorized by a two-thirds vote of the City Council; provided, however, the foregoing shall not be applicable to any provision for uncollectible accounts receivable.

*Audits and Reports*

That it will keep and provide accurate books and records of the total cost of Improvements, of all Revenues received and collected from the Airport and of all expenditures relating to the operation, maintenance and repair thereof. All such books and records shall be open at all times during business hours to the Depositary, to the Principal Underwriters and to the holder or holders of not less than ten per centum of the principal amount of Bonds then outstanding, or his or their representatives duly authorized in writing.

Within one hundred and twenty days after the close of each fiscal year, so long as any Bonds are outstanding, the City will prepare and file with the Depositary, Airport Consultant and the Principal Underwriters, a statement of the Revenues and expenditures of the Airport for such fiscal year and a balance sheet thereof, taken at the close of such fiscal year, accompanied by a certificate or opinion in writing of an Independent Certified Public Accountant of recognized standing selected by the City and satisfactory to the Depositary. A consolidated summary of such Revenues and of all expenditures and the balance sheet for the Airport shall be published by the City not later than one hundred and fifty days after the close of such fiscal year as provided in the Ordinance and copies of such summarized data, as so published, shall be delivered to the Depositary and Principal Underwriters and mailed to the Holders of Bonds requesting copies. All reports and other documents required under the Ordinance shall be available for inspection by Bondholders at the office of the City Comptroller.

*Insurance*

In addition to the fidelity insurance or fidelity bonds previously referred to under the heading Surety Bonds on page 27, the City will take out and maintain or cause to be taken out and maintained public liability insurance, builders risk insurance and so long as any of the Bonds are outstanding a so-called "fire and extended coverage policy or policies" on City-owned property at the Airport, to the fullest extent obtainable, which coverage, however, need not exceed 80% of the full insurable value thereof.

All such policies shall be issued by a responsible insurance company or companies and shall name the City as an insured thereunder and such policies or certificates of such insurance shall be deposited with the City Comptroller.

The public liability insurance shall be in an amount of not less than $200,000 for injuries, including death, to any one person, and, subject to the same limitation for each person, in an amount of not less than $3,000,000 for injuries or death to two or more persons on account of any one accident in connection with the operation of the Airport.

Other details regarding the receipt and deposit of proceeds paid to the City for damage or destruction of City-owned property at the Airport or under other claims covered by insurance and the City's covenants regarding the application of any such insurance proceeds paid to the City are set forth in Section 6.07 of the Ordinance.

The City, in March of each year, shall deliver to the Depositary and mail to the Principal Underwriters a schedule signed by the City Comptroller of all insurance policies then in force relating to the Airport, including the names of the insurers, the amounts thereof and the property and risks covered thereby.

Whenever the City shall fail to take out or otherwise provide for any insurance required under the Ordinance (either as to class of risks or amount thereof) which in the discretion of the Depositary is obtainable at reasonable cost and upon reasonable terms, or is deemed by the Depositary, upon advice of an independent insurance counselor, to be necessary or desirable in the interests of the holders of the Bonds, the Depositary, in its discretion, may effect such insurance in the name of the City and bill the City therefor.

## RIGHTS OF BONDHOLDERS

The Ordinance defines the events of default, which include the failure to pay interest or principal when due, with a 30-day grace period for default in the payment of interest, as well as the failure to observe any other of the City's covenants and agreements in the Ordinance.

The Ordinance also provides that the Depositary appointed thereunder shall act as Trustee to represent the Bondholders in the matter of exercising and prosecuting on their behalf such rights and remedies as may be available to such holders under the provisions of the Bonds and the Ordinance as well as under the Act or other provisions of applicable law. The Depositary as Trustee may on its own initiative take such action as may seem appropriate to it, and upon the request in writing of the holders or registered owners of twenty per cent in principal amount of the Bonds then outstanding, and upon being furnished with satisfactory indemnity, shall take such action on behalf of the Bondholders as they may request.

Such action by the Trustee or by the holder or registered owners of any Bond may be by suit at law or proceeding in equity to compel the observance by the City or City Council of any contract, agreement or covenant made by the City, to compel the City to perform any duties required to be performed for the benefit of the Bondholders as provided in the Ordinance and the Act and, to enjoin the City from taking any action in conflict with any contract or covenant with the Bondholders; or by action or suit in equity to require the City Council and the City to account as if they were the trustee of an express trust, or enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders. However, no holder or registered owner of any Bond may institute suit for the appointment of any trustee in bankruptcy or receiver unless such holder or owner shall have given written notice of an existing default to the Trustee and furnished indemnity to the Trustee, and the Trustee shall have declined to take such action requested by the holders or registered owners of twenty per cent of the principal amount of the Bonds then outstanding. No remedy conferred thereby upon any holder of Bonds is intended however, to be exclusive of any other remedy but each such remedy is cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred thereby. The Ordinance also appoints the Depositary as attorney-in-fact for the Bondholders.

## MODIFICATION AND AMENDMENT OF THE ORDINANCE

The Ordinance and the rights and obligations of the City and of the holders and registered owners of the Bonds and coupons may be modified or amended at any time by ordinance supplemental thereto adopted by the City Council pursuant to the affirmative vote at a meeting of Bondholders, or with the written consent without a meeting, of the holders of 66⅔% in principal amount of all of the Bonds then outstanding. No such modification or amendment shall extend the maturity of or reduce the interest rate on, or otherwise alter or impair the obligation of the City to pay the principal or interest or redemption premiums at the time and place and at the rate and in the currency provided therein of any Bond without the express consent of the holder or registered owner of such Bond, nor permit the creation by the City of any mortgage or pledge, or lien on the Airport, or upon any Revenues or other funds pledged or held thereunder, nor reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification, nor, without the written assent thereto, modify any of the rights or obligations of the Depositary, the Fiscal Agent or any Paying Agent at the time acting thereunder.

## EXEMPTION FROM TAXATION

In the opinion of counsel named below, interest on these Bonds is exempt from all Federal income taxes under existing statutes, regulations and court decisions, except interest on any Bond for any period during which such Bond is held by a substantial user of the facilities financed by these Bonds or by a related person as defined in Section 103(c) of the Internal Revenue Code of 1954.

## APPROVAL OF LEGAL PROCEEDINGS

All legal proceedings in connection with the authorization and issuance of the Bonds by the City are subject to approval of Messrs. Chapman and Cutler, Bond Counsel to the City, and Messrs. Wood King Dawson Love & Sabatine, Bond Counsel to the Underwriters. Copies of the approving opinions of Counsel will be available at the time of delivery of the Bonds.

A suit is pending in the Circuit Court of Cook County brought by the City of Park Ridge and certain individuals seeking to enjoin the City of Chicago from constructing runway 4R22L and the parking facility on the grounds that the notice of public hearing required to be held thereon was not properly advertised. In the opinion of the Corporation Counsel of the City of Chicago and of Bond Counsel to the City and Bond Counsel to the Underwriters, this suit and its ultimate determination will not affect the validity of the bonds or the obligations of the Airlines under the various Leases and Airport Use Agreement.

## MISCELLANEOUS

All of the foregoing is intended as a summary of various provisions of the Act, the authorizing Ordinance, the Airport Use Agreement and the various Leases and the Engineering Reports, including the concurring engineering data or opinions referred to therein. All such summaries are subject to the detailed provisions of those respective documents to which reference is hereby made. Copies of the Ordinances, the Supplemental Ordinances, the Act, the Airport Use Agreement, the various Leases and the reports of Charles F. Murphy, Consulting Engineer, and Landrum and Brown, Airport Consultants, are available for inspection at the office of the City Comptroller.

There are appended to this Official Statement, a certificate by Charles F. Murphy, Consulting Engineer and a certificate of Landrum and Brown, Airport Consultants.

Very truly yours,

CITY OF CHICAGO, ILLINOIS

By: RICHARD J. DALEY
Mayor

Mayor Richard J. Daley and
Members of the City Council
City of Chicago
Council Chamber
City Hall
Chicago, Illinois 60602

Gentlemen:

This letter will serve as the Airport Consultant's certificate as required by Section 2.16 of the Chicago-O'Hare International Airport Revenue Bond Ordinance of December 29, 1958. We hereby certify that in our opinion the net revenues available for Principal and Interest Requirements plus the amounts required for deposit in the Reserve Maintenance Account and the Emergency Reserve Account, the amounts of which have been set forth by the Comptroller of the City of Chicago, will be adequate to meet the requirements of Section 2.16 of the Bond Ordinance dated December 29, 1958. The estimated net revenues are set forth on an attached table.

It is also hereby certified that the leases in effect on the date of the adoption of the Supplemental Ordinance dated March 25, 1970, will provide fixed rental aggregates of $16,270,335 which is greater than one and ten hundredths times the sum of the annual Principal and Interest Requirements $16,163,370 for each fiscal year for all bonds presently outstanding and all such additional bonds proposed to be issued, relative to this certificate. The fixed rentals provided for in agreements with the Airline Parties are set forth on an attached table.

Sincerely,

LANDRUM AND BROWN

JOHN F. BROWN

**CHARLES F. MURPHY • CONSULTING ARCHITECT • ENGINEER**

STATE OF ILLINOIS }
COUNTY OF COOK } ss.

I, the undersigned, do hereby certify that I am the Consulting Engineer employed by the City of Chicago, in accordance with the provisions of an "ORDINANCE authorizing the issuance of Chicago-O'Hare International Airport Revenue Bonds Series of 1959 for the purpose of improving and extending said Airport and providing for payment of principal of and interest on said Bonds", adopted by the City Council of the City of Chicago on December 28, 1958, (hereinafter referred to as the "Ordinance"), and as such Consulting Engineering I hereby certify as follows:

(a) That I have read the pertinent provision of the Ordinance, to which this Certificate relates, specifically Section 2.16 of the Ordinance.

(b) That the estimated cost of additional improvements is as set forth below:

| | | |
|---|---|---|
| 1. | Elevated Parking Facility | $38,947,000 |
| 2. | New Runway 4R-22L, including land acquisition | 13,053,000 |
| | Total Cost of Improvement | $52,000,000 |

(c) That the proceeds from the sale of $52,000,000 of additional Bonds will be sufficient to pay such estimated cost.

(d) That in the opinion of the undersigned, the completion of the work programmed to utilize the proposed $52,000,000 of new revenue bond funds will be completed on or before December 31, 1972.

This Certificate is presented in compliance with Section 2.16 of the Ordinance.

Dated this 9th day of October 1969.

# FINANCIAL STATEMENTS

## For The Year Ended December 31, 1968

**Prepared by the Accounting Division**
**Office of the City Comptroller**
**City of Chicago, Illinois**
**May 7, 1969**

Excerpts from the financial statements covering the Chicago-O'Hare International Airport for the year ended December 31, 1968:

| | | Pages |
|---|---|---|
| Exhibit A | — Balance Sheet—December 31, 1968 | 46-47 |
| Exhibit B | — Summary of Changes in Fund Balances—All Funds Other than Revenue Fund, for the year ended December 31, 1968 | 48 |
| Exhibit C | — Summary of Changes in Account Balances—Revenue Fund for the year ended December 31, 1968 | 49 |
| Exhibit D | — Comparative Statement of Revenues and Expenses for the years ended December 31, 1968 and 1967 | 50-51 |
| Exhibit E | — Reconciliation to "Net Revenues" as Defined in Bond Ordinance for the years ended December 31, 1968 and 1967 | 52 |
| Exhibit F | — Details of Application of Proceeds of Revenue Bonds for the year ended December 31, 1968 | 53 |
| —— | — Notes to Financial Statements | 54-56 |
| Schedule B-1 | — Comparative Statement of Revenues for the years ended December 31, 1968 and 1967 | 57 |
| Schedule B-2 | — Comparative Summary of Flight Fees, for the years ended December 31, 1968 and 1967 | 58 |

*Result of Operations*

Under the terms of the airport agreement with the airline parties, net income for the calendar year as defined in the Revenue Bond Ordinance must be deferred and applied to reduce flight fees charged to the airlines during the next succeeding year. Any loss on operations must be charged to the airlines after the close of the calendar year and paid by them promptly.

The amount of the deferred income at December 31, 1968 to be carried forward to reduce flight fees of the succeeding year resulted from the following:

| | | |
|---|---|---|
| Revenues were less than amounts estimated by the airport consultants .... | | ($1,007,845) |
| Expenses were less than estimated ................................ | | 4,763,704 |
| Deferred flight fees carried forward from 1967: | | |
| Total fees ................................................ | $1,614,541 | |
| Less—Applied to decrease flight fees for the year 1968............ | 1,401,541 | 213,000 |
| Balance, representing deferred flight fees carried forward to reduce flight fees in 1969 .............................................. | | $3,968,859 |

In arriving at the amount available for reduction of flight fees in 1969, provision must be made for expenditures budgeted in 1968 and prior for which contracts or purchase orders were issued prior to December 31, 1968, $891,300, but delivery of equipment and materials was not received to that date. Invoices covering these items will be expensed in the year 1969 when delivery of the equipment and materials is received. When major expenditures are budgeted in a particular year, but are not delivered by the year end, the items are not again included in the budget for the following year; hence the estimated amounts are carried in the balance sheet at December 31 as a deferred charge to future operations, offset by a reserve of like amount for expenditures budgeted but not incurred at the year end.

The amount available as a deferred credit against operations in determining flight fees for the last six months of 1969 is determined as follows:

| | | |
|---|---|---|
| Total deferred credit, December 31, 1968 ....................... | | $3,968,859 |
| Less—Deferred charges carried forward .......................... | $ 891,300 | |
| Deferred credit applied to reduce flight fees first six months of 1969 ............................... | 1,721,425 | 2,612,725 |
| Difference applicable to decrease in flight fees for the last six months of 1969 ............................ | | $1,356,134 |

A summary of operations for the year ended December 31, 1968, compared with operations for the similar period ended December 31, 1967, is set forth below:

| | Years Ended December 31, | | Increase or (Decrease) |
|---|---|---|---|
| | 1968 | 1967 | |
| Revenues | $29,084,180.23 | $27,635,967.78 | $1,448,212.45 |
| Operating expenses, excluding fixed charges | 11,279,976.38 | 10,130,816.59 | 1,149,159.79 |
| Net income before provision for fixed charges and application of revenues | $17,804,203.85 | $17,505,151.19 | $ 299,052.66 |
| Fixed charges: | | | |
| Interest on bonds | $ 6,965,523.51 | $ 6,656,279.60 | $ 309,243.91 |
| Premium on bonds retired | | 114,752.50 | (114,752.50) |
| Depreciation on fixed assets and amortization of engineering costs | 6,789,803.28 | 6,708,354.00 | 81,449.28 |
| Total fixed charges | $13,755,326.79 | $13,479,386.10 | $ 275,940.69 |
| Operating revenues used for: | | | |
| Capital improvements | $ 1,084,826.61 | $ 2,908,070.58 | ($1,823,243.97) |
| Preliminary survey expenses for proposed third major commercial airport | 93,736.41 | 117,446.43 | (23,710.02) |
| | $ 1,178,563.02 | $ 3,025,517.01 | ($1,846,953.99) |
| Income in excess of expenses | $ 2,870,314.04 | $ 1,000,248.08 | $1,870,065.96 |
| Add (deduct) adjustments to reflect Revenue Bond Ordinance Basis of Accounting: | | | |
| Depreciation and amortization | 6,789,803.28 | 6,708,354.00 | 81,449.28 |
| Interest on revenue bonds | 6,965,523.51 | 6,656,279.60 | 309,243.91 |
| Interest earned on investments of reserve maintenance and emergency reserve accounts | (650,475.10) | (638,593.13) | (11,881.97) |
| Carryover from revenue of preceding year as reduction of flight fees | 1,614,541.12 | 382,849.60 | 1,231,691.52 |
| "Net Revenues" as defined in ordinance | $17,589,706.85 | $14,109,138.15 | $3,480,568.70 |
| Allocation of Net Revenues: | | | |
| Interest Account | $ 6,965,523.51 | $ 6,656,279.60 | $ 309,243.91 |
| Debt Service Reserve Account | 76,250.00 | | 76,250.00 |
| Sinking Fund Account—Minimum sinking fund payment | 2,196,000.00 | 2,025,000.00 | 171,000.00 |
| Reserve Maintenance Account | 860,000.00 | 506,304.17 | 353,695.83 |
| Emergency Reserve Account | 887,451.19 | 857,667.86 | 29,783.33 |
| To reduce flight fee requirements—future periods | 3,968,858.66 | 1,614,541.12 | 2,354,317.54 |
| Remainder (Allocated to Sinking Fund Account) | 2,635,623.49 | 2,449,345.40 | 186,278.09 |
| Total | $17,589,706.85 | $14,109,138.15 | $3,480,568.70 |

### Statistics

The following statistics on airplane flights, passengers, freight, express and mail reflect the growth of airport operations:

| | Years Ended December 31, | |
|---|---|---|
| | 1968 | 1967 |
| *Passengers:* | | |
| Arrivals—Domestic | 14,605,739 | 13,330,852 |
| International | 454,388 | 472,032 |
| Departures—Domestic | 14,629,937 | 13,296,583 |
| International | 434,459 | 453,320 |
| Enplaned | 13,351,880 | 12,514,320 |
| *Number of Jet Aircraft:* | | |
| Arrivals—Domestic | 218,120 | 175,477 |
| International | 6,820 | 6,362 |
| Departures—Domestic | 218,117 | 175,477 |
| International | 6,807 | 6,362 |
| *Number of Other Aircraft, excluding helicopter:* | | |
| Arrivals—Domestic | 103,730 | 122,022 |
| International | 2,791 | 2,176 |
| Departures—Domestic | 104,605 | 123,248 |
| International | 2,363 | 1,648 |
| *Freight* (pounds) | | |
| Unloaded | 428,697,737 | 361,020,590 |
| Loaded | 501,049,681 | 431,758,722 |
| *Express* (pounds) | | |
| Unloaded | 49,002,508 | 48,888,623 |
| Loaded | 63,881,116 | 65,368,709 |
| *Mail* (pounds) | | |
| Unloaded | 173,284,872 | 126,993,759 |
| Loaded | 195,864,374 | 156,810,523 |
| *Helicopters:* | | |
| Passengers | 65 | 71 |
| Departures | 70 | 48 |

## BALANCE SHEET

### December 31, 1968

### ASSETS

| | | |
|---|---|---|
| **AIRPORT PROPERTY AND EQUIPMENT:** | | |
| Acquired with City, State, Federal, Revenue Bond, Utility, Concessionaire and Airline money: | | |
| Land, other facilities and construction-in-progress at cost (Schedule A-1 and A-2) | $229,453,031.68 | |
| Less—Allowances for depreciation (Schedule A-2) | 48,261,478.62 | |
| | $181,191,553.06 | |
| Engineering cost deferred to future years (being amortized over a 25 year period) less amortization of $638,967.74 | 587,734.05 | $181,779,287.11 |
| **CHICAGO-O'HARE INTERNATIONAL AIRPORT CONSTRUCTION FUND:** | | |
| (Revenue Bond Proceeds Fund—Exhibit F): | | |
| Cash | $ 438,671.96 | |
| U. S. Government securities at cost (Schedule A-4) | 16,725,568.32 | |
| Due to Revenue Fund | ( 10,433.96) | 17,153,806.32 |
| **CHICAGO-O'HARE INTERNATIONAL AIRPORT REVENUE FUND:** | | |
| (Exhibit C) | | |
| Cash | $ 1,927,476.57 | |
| U. S. Government securities at cost, including accrued interest of $86,227.39 (Schedule A-4) | 28,683,741.51 | |
| Accounts Receivable—airlines and tenants, less allowances for losses, $74,944.49 (Schedule A-5) | 1,852,377.22 | |
| Expenditures budgeted in 1968—not yet incurred at December 31, 1968 | 891,300.00 | |
| Prepaid insurance | 44,377.48 | |
| Due from Construction fund | 10,433.96 | 33,409,706.74 |
| | | $232,342,800.17 |

Note 1—Revenue Fund balance includes $3,968,858.66 representing deferred income to reduce flight fee requirements in 1969.

See notes to financial statements.

( ) Indicates negative amount.

### December 31, 1968

### LIABILITIES

| | | |
|---|---|---|
| CHICAGO-O’HARE INTERNATIONAL AIRPORT REVENUE BONDS, due January 1, 1999 (See notes as to sinking fund requirements): Authorized $178,000,000.00—Issued $172,000,000.00 | | |
| Outstanding: | | |
| Series of 1959—4¾% | $106,205,000.00 | |
| Series A of 1961—4¾% | 22,127,000.00 | |
| Series B of 1961—4¼% | 3,497,000.00 | |
| Series of 1967—4½% | 4,815,000.00 | |
| Series of 1968—5% | 18,000,000.00 | $154,644,000.00 |
| PAYABLES: | | |
| Chicago-O’Hare International Airport Construction Fund (Exhibit F): | | |
| Accounts and contracts payable | | 1,611,646.07 |
| Contingent liabilities—uncompleted contracts (See Note E) | | |
| City Funds: | | |
| Accounts and contracts payable | | 177,658.63 |
| Chicago-O’Hare International Airport Revenue Fund: | | |
| Accounts payable and accrued expenses | $ 3,644,527.50 | |
| Reserve for expenditures budgeted in 1968—not yet incurred at December 31, 1968 | 891,300.00 | 4,535,827.50 |
| FUND BALANCES | | |
| Equities in property and equipment (Exhibit B) | | |
| City funds invested | $ 19,925,532.85 | |
| City equity arising from retirement of bonds before allocation of depreciation | 17,356,000.00 | |
| State and Federal funds invested | 30,540,050.07 | |
| Utility company, concessionaire and airline funds invested | 10,967,631.75 | |
| Depreciation on assets acquired with Revenue Bond proceeds (Schedule A-2—page 3) | ( 36,918,385.98) | |
| Chicago-O’Hare International Airport Revenue Fund (Note 1) (Exhibit C) | 28,873,879.24 | |
| Chicago-O’Hare International Airport Construction Fund (Income from investments) | 628,960.04 | 71,373,667.97 |
| | | $232,342,800.17 |

Note 1—Revenue Fund balance includes $3,968,858.66 representing deferred income to reduce flight fee requirements in 1969.

See notes to financial statements.

( ) Indicates negative amount.

## CHICAGO-O'HARE INTERNATIONAL AIRPORT

## NOTES TO FINANCIAL STATEMENTS

### December 31, 1968

*Note A—General:*

The issuance of Chicago-O'Hare International Airport Revenue Bonds was authorized by an ordinance adopted December 29, 1958, and supplemental ordinances adopted subsequently. The purpose of the issues was to provide funds for the extension and improvement of the Airport and its facilities.

At December 31, 1968, the total principal amount of Revenue Bonds authorized amounted to $178,000,000, of which $172,000,000 had been offered for sale and sold. Of the amount sold, $17,356,000 had been called or purchased and retired as of December 31, 1968 ($5,387,000 during 1968), leaving $154,644,000 outstanding as of December 31, 1968. The unexpended proceeds from Revenue Bond issues amounted to $15,542,160 at December 31, 1968.

Operating revenues from flight fees, rentals, concessions, and other sources (accounted for collectively through the Revenue Fund) are restricted by the Bond Ordinance as to the use for the purposes enumerated in Note B4. For each specified purpose, a separate account is provided within the Revenue Fund.

The financial statements include amounts in respect of Airport facilities paid for by the City, State and Federal Governments, and private parties (totaling approximately $72,400,000 at cost-carried in the accounts net of accumulated provisions for depreciation at approximately $61,000,000 at December 31, 1968) as well as those acquired with proceeds of the Revenue Bonds.

*Note B—Accounting Policies:*

1. United States Government Securities:

The aggregate market value of the securities at December 31, 1968, is approximately $134,000 in excess of cost. Accrued interest is included only on those securities having stated interest rates. Discounts and premiums are recognized at time of maturity or disposition.

2. Property and Equipment:

All land acquisitions have been made with money provided by the City, and State and Federal Governments. Earthwork and landscaping paid for with Revenue Bond proceeds has been charged to the land account. Interest is capitalized from the commencement of work through the year of completion on land improvements provided through the use of City money.

Capitalized expenditures from Revenue Bond proceeds include the cost of: construction; engineering fees; legal expenses; financing and other incidental expenses; discount, less premium, on Revenue Bonds issued; and interest on Revenue Bonds, Series of 1959 and Series A of 1961, through December 31, 1961, and interest on Revenue Bonds, Series of 1967, through December 31, 1967.

All replacements of vehicles, furnishings, signs, and other equipment are expensed during the year of acquisition in accordance with the terms of the Ordinance.

Grants from the State and Federal Governments are recognized only as received. As of December 31, 1968, a maximum of $4,700,000 was available from such grants.

Depreciation is provided in respect of facilities other than land on a straight-line basis using annual rates calculated to amortize the cost of the individual assets over their estimated useful lives commencing in the year following the year of acquisition or completion of construction.

Under the terms of the Ordinance, only depreciation and amortization applicable to facilities acquired with City money are taken into account in establishing flight fee revenue requirements.

3. Interest on City's Investment in Airport Property:

The Ordinance provides that "Airport expense", for the purpose of computing flight fees collectible from the airlines, shall take into account interest on money of the City invested in property and equipment and deferred engineering costs. (See Note B4f)

4. Allocation of Operating Revenues:

The Ordinance requires the allocation of revenues for specified purposes in the following order of priority.

a. Ordinary costs of operation and maintenance, but not in excess of the amount budgeted by the City for such purposes.

b. Amounts equal to interest on bonds outstanding. During 1968, interest of $7,050,524 was paid, of which $6,965,524 was allocated from the Revenue Fund and $85,000 from 1968 receipts of the Bond Proceeds Fund.

c. The debt service reserve must be maintained at an amount equal to two years' interest requirements. The debt service reserve for Revenue Bonds issued prior to the Series of 1967 issue was fully funded at December 31, 1965, through allocations made in prior years. In respect of the bonds for which the debt service reserve was fully funded, bonds in the principal amount of $5,202,000 were purchased and retired during 1968; accordingly, the interest requirement applicable to the bonds retired during 1968 ($492,670) was transferred to the sinking fund. In respect of the Revenue Bonds, Series of 1967, $76,250 was allocated to the debt service reserve during the year; and in respect of the Revenue Bonds, Series of 1968, commencing January 1, 1969, $293,250 is to be allocated to the debt service reserve annually until an amount equal to two years' interest requirements is accumulated.

d. For the sinking fund, a minimum payment ranging from $2,196,000 for 1968 to $9,905,000 in 1998. Additional amounts are allocable to the sinking fund as explained in Note B4c ($492,670 for 1968) and Note B4h ($2,635,623 for 1968). The total amount added to the sinking fund from all sources during 1968 totaled $5,324,293.

e. For reserve maintenance, $860,000 annually until $3,583,332 is accumulated. Major repairs, renewals, and replacements may be paid for with these funds. During 1968, expenditures for these purposes totaling $2,775,086 were made from the account.

f. For the emergency reserve, amounts (total for 1968—$887,451) equal to the annual provisions for (a) depreciation and amortization on assets acquired with City money (for 1968—$286,764) and (b) interest on City money invested in Airport assets (for 1968—$600,687). These funds may be used to abate landing fees in the event the Airport is closed.

g. To the extent that revenues for the year as defined in the Ordinance, including deferred income from the preceding year, exceed "Airport expense" as defined, the excess shall be considered deferred income and as revenues of the next succeeding year. In accordance with this provision, revenues of $3,968,859 for the year ended December 31, 1968, have been so deferred in the Revenue Fund, to be carried over to reduce flight fee requirements for 1969.

h. Any remaining revenues after making the aforementioned allocations, are to be allocated to the sinking fund. For the year ended December 31, 1968, $2,635,623 of the remaining revenues were so allocated.

*Note C—Revenue Bond Retirement:*

Money in the sinking fund account is to be applied as rapidly as practicable to the retirement of bonds, by call, purchase in the open market, or by tender.

Bonds may be redeemed, by call, from funds provided by Airport revenues, at prices ranging downward from 104¼% of principal amount to par value, plus accrued interest, to December 31, 1989; and, thereafter, at par value, plus accrued interest. Bonds also may be redeemed by purchase in the open market or by tender at prices not in excess of call prices.

From January 1, 1974 to December 31, 1989, with respect to Revenue Bonds issued prior to the Series of 1968, and from January 1, 1978 to December 31, 1989, with respect to the Series of 1968, the total bonds outstanding of any issue may also be redeemed from resources other than Airport revenues at prices approximately 1% of principal amount in excess of the aforementioned call prices; and, thereafter, at par value, plus accrued interest.

During the year, bonds in the principal amount of $5,387,000 were purchased at a cost of $5,312,221, and retired, with funds provided by the sinking fund.

*Note D—Use of Operating Revenues:*

The Bond Ordinance does not permit the use of operating revenues for capital improvements or other expenditures not directly related to the operation of the Airport; however, the Airline Representative has agreed to this practice which has the effect of increasing flight fee requirements.

*Note E—Contingent Liabilities:*

Work to be performed under uncompleted contracts in force for Airport facilities to be financed by Revenue Bond money aggregated approximately $3,500,000 at December 31, 1968.

Certain contractors who were engaged in Airport construction under the Revenue Bond program have presented claims or filed suit for approximately $1,600,000 in excess of contract amounts. The City of Chicago refused payment of these claims. No amounts have been recorded in the financial statements for any additional payments which may arise from these claims or suits.

SCHEDULE B-1

### Ordinance Amended for Execution of Contract for Sale of $52,000,000 Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970 and Purchase Contract Attached Thereto.

Alderman Keane moved to amend the Ordinance Authorizing the Execution of a Contract for the Sale of $52,000,000 Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, and the Purchase Contract attached thereto deferred and ordered published on February 25, 1970 and appearing at pages 7939-7945, inclusive, of the Council Proceedings of February 25, 1970, in the following respects:

*Be It Ordained by the City Council of the City of Chicago:*

(1) Under the words "Chicago, Illinois" on page 7940, insert the date "March 25, 1970".

(2) In line 3 of Paragraph 2 entitled "The Bonds" appearing on page 7940, insert the figures "6.80".

(3) In line 4 in Paragraph 4 entitled "Purchase and Sale of Bonds" appearing on page 7941, insert "97.54%" and in line 6 of the same Paragraph insert "6.80%".

In the second line of the second paragraph of Paragraph 4, insert "99¾%".

In line 5 of subparagraph (b) in paragraph 3 thereof insert "October 9, 1969" and in line 6 of said paragraph, insert "March 25, 1970".

(4) In line 2 of paragraph 5 entitled "Time and Place of Closing", on page 7941, insert "March 15, 1970"; in line 3 thereof insert "10"; and in line 6 thereof insert "11".

(5) In Paragraph 6 entitled "Deposit", appearing on page 7942, in line 3 thereof insert the sum of "$1,040,000" in lieu of "$520,000".

(6) In Paragraph 7 entitled "Conditions of the Underwriters' Obligations", page 7942, in lines 3 and 4 of subparagraph (d) appearing on page 7943, insert "March 25, 1970".

(7) In Paragraph 10 entitled "Defaults of Underwriters" page 7944, in the last line thereof, appearing on page 7945, insert "May 15, 1970".

(8) The 5th line of the Acceptance Clause of said contract appearing on page 7945 shall read as follows:

"on the 25th day of March, 1970".

Alderman Keane moved to Adopt the foregoing amendments. The motion *Prevailed.*

Said Contract for the Sale of $52,000,000 Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, as hereinbefore amended, *Passed* in the following form, by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Bohling, Cousins, Lupo, Buchanan, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Zydlo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, O'Rourke, Wigoda, Sperling—39.

*Nays*—Alderman Hoellen—1.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

**The following is said ordinance as passed:**

AN ORDINANCE

Authorizing Execution of a Contract for the Sale of $52,000,000 Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970.

WHEREAS, It is deemed advisable, necessary and in the best interests of the City and the public that improvements and extensions be provided for the Chicago-O'Hare International Airport; and

WHEREAS, It has been established by the consulting engineer of said Airport, and it is hereby determined that such improvements and extensions will cost not less than $52,000,000 for which purpose it will be necessary for the City to issue Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970 in the principal amount of $52,000,000; and

WHEREAS, There has been presented to this City Council a contract for the purchase of revenue bonds in the principal amount of $52,000,000, which contract is in words and figures as set forth in the contract for purchase attached hereto and made a part hereof; and

WHEREAS, It is deemed advisable and is in the interests of the City that the offer to purchase in accordance with the Contract attached hereto be approved and accepted by the City; now, therefore,

***Be It Ordained by the City Council of the City of Chicago:***

SECTION 1. That the contract for the purchase of $52,000,000 principal amount of Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, set forth in the contract for purchase attached to this ordinance, be and is hereby approved and accepted, and the Mayor is authorized to execute the contract for the sale of said Bonds for and on behalf of the City, and the City Clerk is hereby authorized to attest thereto his signature and the seal of the City.

SECTION 2. That this ordinance shall be in full force and effect immediately upon its passage.

[Purchase Contract printed on pages 8077A to 8081, inclusive]

### Supplemental Ordinance Amended Authorizing Issue of $52,000,000 Principal Amount of Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970.

Alderman Keane moved to amend the Supplemental Ordinance authorizing the issue of $52,000,000 principal amount of Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, deferred and ordered published on February 25, 1970, appearing at pages 7946-7948, inclusive, of the Council Proceedings of February 25, 1970, in the following respects:

*Be It Ordained by the City Council of the City of Chicago:*

(1) In the last line of the second whereas appearing on page 7946, insert the figures "147,910,000".

(2) In lieu of the second line of Section 5 appearing on page 7947, insert the following:

"rate of six and eighty-hundredths per cent (6.80%) per annum,"

In the fifth line of the third paragraph of Section 5, insert the figures "73".

After the ninth line in paragraph three of Section 5 appearing on page 7947, under the columns "Period (Both Dates Inclusive)" and "Redemption Price (Percentage of Principal Amount)" insert the following:

| | |
|---|---|
| January 1, 1973 to December 31, 1975 | 105 |
| January 1, 1976 to December 31, 1979 | 104½ |
| January 1, 1980 to December 31, 1981 | 104 |

# $52,000,000
# CITY OF CHICAGO
# CHICAGO-O'HARE INTERNATIONAL AIRPORT REVENUE BONDS, SERIES OF MARCH, 1970

**Due January 1, 1999**

## PURCHASE CONTRACT

**Chicago, Illinois**
**March 25, 1970**

City Council of the City of Chicago
121 North La Salle Street
Chicago, Illinois

Dear Sirs:

The undersigned, Walston & Co., Inc., Manager, and Glore Forgan Staats Incorporated, Halsey, Stuart & Co. Inc., and Stifel, Nicolaus & Company, Incorporated, Co-Managers (hereinafter called the "Managing Underwriters"), hereby agree with the City of Chicago, a Municipal Corporation of the State of Illinois (hereinafter called the "City"), as follows:

1. *Underwriters and Managing Underwriters.* The term "Underwriters" as used herein shall mean the several persons, firms or corporations named in "Schedule I" hereto attached including the Managing Underwriters. The Managing Underwriters represent that they have been authorized by the Underwriters to execute this Purchase Contract on their behalf and to act for them in the manner herein provided. The list of Underwriters may be changed by the Managing Underwriters prior to the time of closing, as hereinafter defined, without advice to the City, except as provided in paragraph 10 and except that the Managing Underwriters shall in any event remain on such list as Underwriters. A final list of Underwriters shall be filed with the City at or before the time of closing.

2. *The Bonds.* The City proposes to issue $52,000,000 principal amount of its Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, dated March 1, 1970, due January 1, 1999, with interest at the coupon rate of 6.80% payable July 1, 1970 and semi-annually thereafter (hereinafter called the "Bonds"), pursuant to its Ordinance adopted December 29, 1958 and an Ordinance to be adopted by the City Council in the form attached hereto and marked "Exhibit A" approving the sale of the Bonds, fixing the interest rate therefor, specifying the maximum amount to be allocated each fiscal year to the Debt Service Reserve Account and Reserve Maintenance Account and setting forth the amounts to be allocated in each fiscal year to the Sinking Fund Account (hereinafter referred to as the "Ordinances"). The Bonds are more fully described in the form of the Official Statement of the City defined in paragraph 4 hereof.

3. *Representations and Warranties of the City.* The City represents and warrants to the Underwriters that, both at the time of the execution of this Purchase Contract and at the time of the closing, the statements and information contained in that portion, executed by the City, of the Official Statement, as hereinafter defined, relating to the Bonds and delivered herewith are and will be true and correct in all material respects and such statements of the City in the Official Statement do not and will not omit any material statement or information which should be included therein for the purpose for which the Official Statement is to be used, or which is necessary to make the statements and information contained therein not misleading.

The City further represents and warrants to the Underwriters that it has advised the Managing Underwriters as to any litigation which is pending against the City in any Court at the time of the execution of this Purchase Contract, relating in any way to the Bonds, the Ordinances or any ordinance supplemental thereto, this Purchase Contract, the leases and agreements referred to in paragraph 7 (d) or the power and authority of the City to enter into and perform the agreements and undertakings contained in any thereof. The City agrees to advise the Managing Underwriters promptly of any such litigation instituted after the signing of this Purchase Contract.

4. *Purchase and Sale of Bonds.* On the basis of the representations and warranties herein contained, but subject to the terms and conditions set forth in this Purchase Contract, the City agrees to sell to the Underwriters, and the Underwriters agree jointly and severally to purchase from the City, all (but not less than all) of $52,000,000 aggregate principal amount of such Bonds at 97.54% of the principal amount thereof plus interest accrued on the principal amount thereof at the coupon rate of 6.80% from March 1, 1970 to the date of delivery.

The Underwriters agree to make a bona fide public offering of all of the Bonds at not in excess of the initial public offering price, which shall be 99¾% of the principal amount of the Bonds plus interest thereon from March 1, 1970 to the date of delivery.

At or prior to the time of the execution of this Purchase Contract by the City, the City shall have delivered to the Managing Underwriters:

(a) One copy of each of the Ordinances certified under seal to have been duly adopted by the City Council;

(b) One copy of the Official Statement of the City relating to the Bonds in the form attached hereto marked Schedule II, (which, together with all exhibits, maps and reports or statements attached thereto or included therein, is called herein the "Official Statement"), executed on behalf of the City by its Mayor as to the City's portion thereof and including a summary engineers' report, dated October 9, 1969, executed by Charles F. Murphy, Consulting Engineer, and an Airport Consultant's Certificate dated March 25, 1970, executed by Landrum & Brown, Airport Consultants.

Twelve additional certified or executed copies of the foregoing documents shall be delivered to the Managing Underwriters as soon as practicable but not later than the time of closing.

The City authorizes the Underwriters to use any and all of such material in connection with the public offering and sale of the Bonds.

5. *Time and Place of Closing.* Payment for and delivery of the Bonds shall be made when the Bonds and delivery papers are ready but in any event no later than May 15, 1970. Such payment shall be made at the office of The First National Bank of Chicago, Chicago, Illinois at 10 A.M. Central Daylight Time on such date, and delivery of the Bonds to the Managing Underwriters shall be made in part at such place and time in Chicago and in part at the principal office of Chemical Bank, New York, New York, at 11 A.M. Eastern Daylight Time on such date (the respective aggregate principal amounts of the Bonds so to be delivered in Chicago and in New York to be specified by the Managing Underwriters not less than ten days prior to the time of closing). The hour and date of such delivery and payment is herein called the "time of closing," and shall be determined by agreement between the City and the Managing Underwriters within the period hereinabove stated. Payment for the Bonds for the account of the Underwriters shall be made in Federal Reserve funds, to the order of the City Treasurer, City of Chicago, Illinois. The amount of the payment so made shall be the purchase price specified in paragraph 4 less the amount of the deposit referred to in paragraph 6 made on behalf of the Underwriters. Payment for the Bonds shall be made upon delivery of the Bonds to the Managing Underwriters for the account of the Underwriters against receipt therefor signed by the Managing Underwriters.

The Bonds shall be delivered as definitive coupon bonds of the denomination of $5,000 each, or as definitive registered bonds without coupons of the denomination of $25,000 or more, the form or forms of such Bonds and the proceedings authorizing their issuance in any case to be satisfactory as to legality to Messrs. Wood King Dawson Love & Sabatine, Bond Counsel to be retained by and at the expense of the Underwriters and to Messrs. Chapman and Cutler, Bond Counsel to the City. Registered bonds without coupons will be delivered initially only upon request by the Managing Underwriters delivered to the City not later than 4:00 o'clock P.M. on the tenth day preceding the time of the closing, such request to specify the denominations of such Bonds and the respective names in which such Bonds are to be registered.

The City agrees to make the Bonds available to the Managing Underwriters for inspection and packaging, at such places in Chicago, Illinois, and in New York, New York, as the City shall designate as rapidly as the Bonds are executed.

6. *Deposit.* The City acknowledges the deposit with it on behalf of the Underwriters of certified or bank cashier's check or checks to the order of the City Treasurer, City of Chicago, Illinois, aggregating $1,040,000 as evidence of their good faith. If the Bonds shall be purchased by the Underwriters as provided in paragraph 4, such check or checks shall be held uncashed by the City until the time of closing and shall be applied in partial payment of the purchase price of the Bonds, as indicated in paragraph 5.

If this Purchase Contract be terminated pursuant to the provisions of paragraphs 7 or 10, the City shall forthwith return such check or checks to the Managing Underwriters for the account of the Underwriters subject to the provisions of paragraph 10. In the event the Underwriters fail (other than for a reason permitted hereunder) to accept and pay for the Bonds at the time of closing as herein provided, such check or checks shall be cashed by the City and the amounts thereof retained by the City as full and liquidated damages for such failure and for any default hereunder on the part of the Underwriters.

7. *Conditions of the Underwriters' Obligations.* The obligations of the Underwriters to purchase and pay for the Bonds shall be subject to the performance by the City of its obligations to be performed hereunder at and prior to the time of closing, to the continued accuracy in all material respects of the representations and warranties of the City contained herein and to the following conditions:

(a). At the time of closing, the Ordinances shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Managing Underwriters and, in addition, the City shall have duly adopted and there shall be in full force and effect such additional ordinances as shall in the opinion of Bond Counsel for the Underwriters or for the City be legally necessary in connection with the transactions contemplated hereby.

(b) At the time of closing, no litigation shall be pending in any court (i) restraining or enjoining the issuance or delivery of any of the Bonds or the collection of revenues pledged or to be pledged to pay the principal of and interest on the Bonds or restraining or enjoining the Depositary in the performance of the duties and obligations imposed upon it, as Depositary, Paying Agent and Registration Agent, by its acceptance of the provisions of the Ordinances, or (ii) in any way contesting or affecting the validity of the Bonds, of the Ordinances or any additional ordinance deemed necessary by Bond Counsel for the Underwriters or the City, of this Purchase Contract, of the leases and agreements referred to in sub-paragraph (d) of this paragraph 7, or of the collection of such revenues or the pledge thereof, or (iii) contesting the corporate existence or powers of the City or the authorization for the issuance of the Bonds, the adoption of the Ordinances or any ordinance supplemental thereto, or the appointment of the Depositary. The provisions of this sub-paragraph (b) shall not be waived by payment for and delivery of the Bonds and in the event that the conditions set forth in this sub-paragraph shall not have been fulfilled, the Managing Underwriters shall have the right to rescind this Purchase Contract upon notice to the City.

(c) At the time of closing no legislation shall have been passed by the Legislature of the State of Illinois at its 1969 Session which, in the opinion of Bond Counsel for the Underwriters or for the City, might adversely affect the City's ownership, maintenance or operation of the O'Hare Airport or the security of the Bonds.

(d) At the time of closing each of the leases and agreements between the City and certain air transportation companies, authorized by the City Council at its meeting held December 29, 1958, and the Parking Facilities lease authorized by the City Council at its meeting held March 25, 1970, shall be in full force and effect.

(e) At or prior to the time of closing, the City shall have delivered to Bond Counsel for the Underwriters and Bond Counsel for the City all such documents and certificates and proofs or instruments as may be required in order that such Bond Counsel may form an opinion with respect to the validity and legal effect of the Bonds, the Ordinances and any ordinance supplemental thereto, the leases and agreements referred to in sub-paragraph (d) of this paragraph 7, and with respect to the compliance by the City with the terms of this Purchase Contract.

(f) At the time of closing, the Managing Underwriters shall have received the following documents:

(1) The unqualified approving opinion of Messrs. Chapman and Cutler, Bond Counsel for the City, dated the day of the closing, in substantially the form attached hereto and marked "Exhibit B."

(2) The unqualified approving opinion of Messrs. Wood King Dawson Love & Sabatine, Bond Counsel for the Underwriters, dated the day of the closing, in substantially the form attached hereto and marked "Exhibit C."

(3) The signed, separate opinions of the Corporation Counsel of the City, of Messrs. Chapman and Cutler, Bond Counsel for the City, and of Messrs. Wood King Dawson Love & Sabatine, Bond Counsel for the Underwriters that the Parking Facility lease referred to in this paragraph 7, sub-paragraph (d), has been duly authorized, executed and delivered by the City.

(4) The signed separate opinions of Counsel for each of the air transportation companies that is a party to said Parking Facility lease that said Parking Facility lease has been duly authorized, executed and delivered by such air transportation company and that the execution and delivery thereof does not conflict with the provisions of any indenture, mortgage, contract or other agreement to which such air transportation company is a party, or by which it may be bound.

(5) A Certificate by the Corporation Counsel of the City, dated the day of the closing, to the effect that after due and diligent inquiry it appears no litigation is pending and to the best of his knowledge and belief, none is seriously threatened in any court (a) restraining or enjoining the issuance or delivery of any of the Bonds or the collection of revenues pledged or to be pledged to pay the principal of and interest on the Bonds or restraining or enjoining the Depositary in the performance of the duties and obligations imposed upon it, as Depositary, Paying Agent and Registration Agent, by its acceptance of the provisions of the Ordinances, or (b) in any way contesting or affecting the validity of the Bonds, of the Ordinances or any ordinance supplemental thereto, of this Purchase Contract, of the leases and agreements referred to in sub-paragraph (d) of this paragraph 7, or of the collection of such revenues or the pledge thereof, or (c) contesting the corporate existence or powers of the City or the authorization for the issuance of the Bonds, the adoption of the Ordinances or any ordinance supplemental thereto, or the appointment of the Depositary, which Certificate shall be in the form and substance acceptable to the Managing Underwriters.

In case any of the conditions specified in this paragraph 7 shall not have been fulfilled, as herein provided, the Managing Underwriters may terminate this Purchase Contract upon notice to the City.

The Managing Underwriters may also terminate this Purchase Contract upon notice to the City if at any time at or prior to the time of closing legislation by the Congress of the United States shall have been enacted, a decision by a Court of the United States or the Tax Court of the United States shall have been rendered, or a ruling, regulation or official statement by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall have been made with respect to federal taxation upon revenues or other income of the general character expected to be derived by the City from the operation of Chicago-O'Hare International Airport or upon interest received on bonds of the general character of the Bonds which in the opinion of the Managing Underwriters materially and adversely affects the market price of the Bonds.

The Managing Underwriters may also terminate this Purchase Contract upon notice to the City if at any time at or prior to the time of closing an event shall have occurred or shall exist which in the opinion of the Managing Underwriters makes the then national or international economic, financial or other conditions materially and adversely different from such conditions as exist at the date hereof.

8. *Expenses.* The Underwriters shall be under no obligation to pay any expenses incident to the performance of the City's obligations hereunder including, but not limited to, fees of the City payable to Charles F. Murphy, to Landrum & Brown, to Chapman and Cutler, or of any other consultant not retained directly by the Underwriters, or disbursements made by them on behalf of the City, or the cost of preparation, execution or delivery of the Bonds, copies of the proposed Official Statement, the Ordinance and any ordinance supplemental thereto, the Engineering Report, the Airport Consultant's Certificate, or any exhibits. The Underwriters will pay all expenses incurred by them in connection with their offering or distribution of the Bonds, including the fees and disbursements of Wood King Dawson Love & Sabatine and the cost of printing the final copies of the Official Statement and this Purchase Contract.

9. *Indemnity.* The City will hold the Underwriters harmless from and will indemnify the Underwriters against any and all liability or expense by reason of any stamp or other tax on or in connection with or in reference to the issuance of the Bonds which may be payable to the United States or any State or any official or agency thereof, or by reason of any claim therefor which may be asserted by or on behalf of the United States or any State or any official or agency thereof.

10. *Default of Underwriters.* If any Underwriter or Underwriters default in their obligations to purchase Bonds and the aggregate principal amount of Bonds with respect to which such default or defaults occur does not exceed 10% of the principal amount of Bonds to be purchased hereunder, the remaining Underwriters will purchase such Bonds. If any Underwriter or Underwriters so default and the aggregate principal amount of Bonds with respect to which such default or defaults occur exceeds 10% of the principal amount of Bonds to be purchased hereunder, the Managing Underwriters shall immediately notify the City to such effect and if the Managing Underwriters shall not within two full business days thereafter arrange for the purchase of such Bonds, as to which there shall be a default or defaults, by any of the Underwriters or by additional purchasers who shall agree to become Underwriters in accordance with the terms of this Purchase Contract or by any of the Underwriters and such additional purchasers who shall agree to become Underwriters, the Managing Underwriters shall notify the City to that effect and state in said notice the principal amount of Bonds with respect to which a default shall have occurred. Thereafter the City shall have the right within a period of five (5) days subsequent to the receipt of such notice to arrange for the purchase of Bonds in a principal amount not exceeding the principal amount with respect to which such default shall have occurred at a price not less than that herein provided to be paid by the Underwriters, and if by reason of such purchase or purchases so arranged for by the City the default in the purchase of Bonds shall be reduced to 10% or less of the principal amount of Bonds to be issued, the Underwriters shall be obligated to purchase the remaining Bonds. In the event the City fails under the foregoing provisions to supply a buyer or buyers of Bonds so that the default in the purchase of Bonds shall be reduced to 10% or less of the principal amount of Bonds to be issued, this Purchase Contract shall terminate without liability on the

part of any non-defaulting Underwriter or the City, except for the expenses to be paid by the City and the Underwriters, respectively, under paragraph 8 and the obligation of the City to return the deposits under paragraph 6. In the event Bonds shall not be purchased pursuant hereto by reason of a default or defaults with respect to Bonds exceeding 10% of the principal amount of Bonds to be purchased hereunder, the Managing Underwriters simultaneously with the repayment to them of the deposit as provided in paragraph 6 hereof, shall pay to the City an amount equal to 1% of the principal amount of Bonds with respect to which a default shall have occurred, but such payment shall not operate to limit the liability of any defaulting Underwriter or Underwriters. As used in this Purchase Contract, the term "Underwriter" includes any person substituted for an Underwriter under this paragraph. Nothing herein will relieve a defaulting Underwriter from liability for its default. In the event of any substitution of Underwriters as aforesaid, the Managing Underwriters shall have the right to postpone the time of closing for a period of not more than fourteen (14) days in order that necessary changes and arrangements may be effected by the City and the Managing Underwriters, provided that the time of closing shall not be extended beyond May 15, 1970.

11. *Persons Entitled to Benefit of Contract.* This Purchase Contract shall inure to the benefit of the City and the Underwriters (as named in Schedule I or as substituted therein by the Managing Underwriters as provided in paragraphs 1 and 10 hereof) and their respective successors and assigns, and no other person shall acquire or have any right hereunder or by virtue hereof.

12. *Communications.* Any notice or any communication to be given to the City under this Purchase Contract may be given by delivering the same in writing to the City Comptroller, Room 504, City Hall, Chicago, Illinois, and any notice or other communication to be given to the Underwriters under this Purchase Contract may be given by delivering the same in writing to Walston & Co., Inc., 111 West Jackson Boulevard, Chicago, Illinois 60604.

Alderman Keane moved to *Adopt* the foregoing proposed amendments. The motion *Prevailed.*

Said Supplemental Ordinance authorizing the issue of $52,000,000 principal amount of Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970, as hereinbefore amended and approving the sale thereof, *Passed* in the following form, by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Bohling, Cousins, Lupo, Buchanan, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Kuta, Collins, Marzullo, Zydlo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, O'Rourke, Sperling—37.

*Nays*—Alderman Hoellen—1.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago adopted an ordinance on December 29, 1958 (said ordinance herein called the "Ordinance"), entitled "Ordinance authorizing the issuance of Chicago-O'Hare International Airport Revenue Bonds, Series 1959, for the purpose of improving and extending said Airport, and providing for payment of principal of and interest on said bonds"; and

WHEREAS, Pursuant to the provisions of Section 2.02, 2.15 and 2.16 of the Ordinance, Supplemental Ordinances were adopted by the City Council on February 1, 1961, July 13, 1962, July 21, 1967 and June 26, 1968, respectively, under which there were issued and sold, pursuant to the authority of said Ordinance and Supplemental Ordinances, Chicago-O'Hare International Airport Revenue Bonds, of which there are presently outstanding bonds in the principal amount of $147,910,000; and

WHEREAS, It is necessary and essential and in the public interest that additional improvements and extensions to said Chicago-O'Hare International Airport be provided for, consisting of the construction of a motor vehicle parking facility at said Airport, and an additional 4R-22L Runway, including the land acquisition necessary therefor, and including all other necessary equipment and appurtenances for said motor vehicle parking facility and said additional Runway, all in accordance with the plans and specifications for each of said improvements heretofore approved by the City Council and now on file in the office of the City Clerk, together with the estimates of cost therefor; and

WHEREAS, Pursuant to the provisions of Section 2.16 of the Ordinance additional bonds for such improvements and extensions hereinabove described can be issued under and secured by the Ordinance at any time and from time to time ranking on a parity with the bonds now outstanding issued pursuant to the Ordinance and the Supplemental Ordinances referred to above adopted on February 1, 1961, July 13, 1962, July 21, 1967 and June 26, 1968, respectively, upon compliance with the terms and conditions set forth under said Section 2.16 of the Ordinance; and

WHEREAS, As required by the provisions of Section 2.16 of the Ordinance:

(i) The Consulting Engineer has estimated the cost of the additional improvements and extensions described above, including all legal, financial and necessary and incidental expenses, to be the sum of $52,000,000, and the estimated date of completion to be on or before December 31, 1972, as shown by his certificate on file in the office of the Clerk of the City; and

(ii) The Airport Consultant, on the assumption that the outstanding bonds issued pursuant to Sections 2.02, 2.15 and 2.16 will remain outstanding in whole or in part until maturity date thereof, has estimated the net revenues from the Airport from all existing facilities and those proposed to be financed by such additional bonds for each fiscal year (commencing with the first full fiscal year next following the date of completion), as estimated by the Consulting Engineer and shown in his certificate of cost of such additional improvements and extensions, referred to above, and for which additional bonds are to be issued under the terms of this Supplemental Ordinance, and ending not earlier than the last fiscal year next preceding the maturity date of such outstanding bonds issued pursuant to Sections 2.02, 2.15 and 2.16, will not be less than (a) one and twenty-five hundredths times the sum of principal and interest requirements for each such year on all bonds then outstanding and all such additional bonds proposed to be issued, plus (b) amounts which may be required to be deposited in such year in the Reserve Maintenance Account and the Emergency Reserve Account; and

(iii) Leases are in effect as of the date of the adoption of this Supplemental Ordinance between the City and Air Transportation Companies to provide for the payment by such Air Transportation Companies to the City for the leasing of space and facilities (including without limitation passenger ramp areas) at the Airport of fixed rentals aggregating for each fiscal year commencing with the first full fiscal year next following the date of completion of the proposed improvements and extensions to be provided for by this Supplemental Ordinance, and ending not earlier than the last full fiscal year next preceding the maturity date of all bonds issued pursuant to Sections 2.02, 2.15 and 2.16 of the Ordinance, not less than one and ten-hundredths times the sum of principal and interest requirements for each such fiscal year on all bonds then outstanding and all such additional bonds proposed to be issued; and

WHEREAS, It is necessary and essential and for the best interests of the City and the public that additional funds be provided for the construction of such improvements and extensions hereinabove referred to, and that additional Chicago-O'Hare International Airport Revenue Bonds be issued for those purposes in accordance with the limitations and restrictions provided for by the Ordinance; and

WHEREAS, Airlines Representative has approved the issuance of additional Chicago-O'Hare International Airport Revenue Bonds for that purpose in the principal amount of $52,000,000; and

WHEREAS, A proposal for the purchase of $52,000,000 additional bonds has been submitted to the City Council and it is now before the City Council, and which proposal is in the form of a Purchase Contract; and

WHEREAS, It is deemed advisable and for the best interests of the City of Chicago that such proposal and contract be accepted by the City Council; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. This Supplemental Ordinance is supplemental to and is adopted in accordance with the provisions of Section 2.16 of the Ordinance.

SECTION 2. The definitions in the Ordinance shall apply to this Supplemental Ordinance, and all of the terms, covenants, provisions and restrictions of the ordinances shall be applicable to the additional bonds authorized by this Supplemental Ordinance.

SECTION 3. All of the terms and provisions of this Supplemental Ordinance shall be deemed to be a part of the terms and conditions of the Ordinance for all purposes, and the Ordinance and this Supplemental Ordinance shall be read, taken and be construed as one and the same instrument.

SECTION 4. There is hereby authorized and directed to be executed, issued, sold and delivered to the purchasers thereof, as hereinafter referred to, and in the manner and subject to the limitations hereinafter set forth $52,000,000 additional principal amount of Chicago-O'Hare International Airport Revenue Bonds for the purpose of constructing the improvements and extensions to the Chicago-O'Hare International Airport, consisting of the construction of a motor vehicle parking facility, including all necessary equipment therefor and the construction of an additional 4R-22L Runway including land acquisition therefor, all in accordance with plans and specifications and estimates of cost for said parking facility and runway heretofore approved by the City Council and now on file with the City Clerk.

Said bonds shall be designated "Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970" (hereinafter referred to as the "bonds"), all of which shall rank on a parity with the outstanding bonds issued under the Ordinance and Supplemental Ordinances, and shall be executed, issued and delivered and secured by the Ordinance. The bonds shall be issued pursuant to the provisions of Section 2.16 of the Ordinance for the purpose of providing funds for the payment of the cost of constructing the said improvements and extensions to the Chicago-O'Hare International Airport, according to the plans and specifications on file in the office of the City Clerk on the date of the adoption of this Supplemental Ordinance, and for the objects and purposes set forth in the abovementioned certificate of the Consulting Engineer.

SECTION 5. The bonds shall bear interest at the rate of six and eighty-hundredths per cent (6.80%) per annum, payable July 1, 1970, and semiannually thereafter on the first days of January and July in each year, mature and become payable on January 1, 1999.

The bonds in coupon form shall be in the denomination of $5,000 each, be numbered consecutively from M-172001 upwards, and be dated as of March 1, 1970. The bonds in registered form shall be numbered RE-1 upwards. The bonds shall be issued in the form provided in the Ordinance with appropriate changes in title, date of issue, interest payment rate and redemption privilege, with appropriate references to this Supplemental Ordinance, to comply with the provisions hereof, and the interest coupons attached to coupon bonds shall be in the form provided for in the Ordinance with appropriate changes to comply with the provisions hereof.

The bonds shall be redeemable, prior to their maturity, at the option of the City, in whole or in part, from time to time, through the use of revenues, on any interest payment date on or after January 1, 1973, on thirty days notice only as in the Ordinance provided, at the applicable redemption price set forth in the following schedule, together with the interest accrued to the date fixed for redemption:

| *Period (Both Dates Inclusive)* | *Redemption Price (Percentage of Principal Amount)* |
|---|---|
| January 1, 1973 to December 31, 1975 | 105 |
| January 1, 1976 to December 31, 1979 | 104½ |
| January 1, 1980 to December 31, 1981 | 104 |
| January 1, 1982 to December 31, 1983 | 103 |
| January 1, 1984 to December 31, 1985 | 102 |
| January 1, 1986 to December 31, 1987 | 101 |
| January 1, 1988 to December 31, 1989 | 100½ |
| January 1, 1990 and thereafter | 100 |

The bonds shall also be redeemable, at the option of the City, as a whole, from any funds other than revenues at any time on or after January 1, 1982, on thirty days notice, only as in the Ordinance provided, at the applicable redemption price set forth in the following schedule, together with interest accrued to the date fixed for redemption:

| *Period (Both Dates Inclusive)* | *Redemption Price (Percentage of Principal Amount)* |
|---|---|
| January 1, 1982 to December 31, 1983 | 105 |
| January 1, 1984 to December 31, 1985 | 103½ |
| January 1, 1986 to December 31, 1987 | 102 |
| January 1, 1988 to December 31, 1989 | 101 |
| January 1, 1990 and thereafter | 100 |

SECTION 6. Subject to and in compliance with Section 2.16 of the Ordinance, commencing January 1, 1970, the City Comptroller shall from time to time direct the Depositary to allocate to the Debt Service Reserve Account all available revenues after having allocated the required amounts to the Operation and Maintenance expenses and to the Interest Account for each fiscal year, until there shall have been allocated to the Debt Service Reserve Account, in addition to the allocations provided to be made for bonds heretofore issued under Sections 2.02, 2.15 and 2.16 of the Ordinance, an amount equal to two years interest requirements on the bonds; provided that the maximum allocated to the Debt Service Reserve Account with respect to the bonds in any fiscal year shall not exceed the sum of $1,859,462.

SECTION 7. Subject to and in compliance with the provisions of Section 2.16 and Section 5.03 of the Ordinance, the City Comptroller shall from time to time direct the Depositary to allocate revenue to the Sinking Fund Account in each fiscal year beginning with the fiscal year 1973 in such amounts (in addition to the amounts heretofore required to be so allocated to said account for the retirement of bonds heretofore issued under Sections 2.02, 2.15 and 2.16 of the Ordinance), until there shall have been allocated to the Sinking Fund Account in such fiscal year an amount sufficient to retire the principal amount of the bonds by January 1 of the succeeding fiscal year in accordance with the following schedule:

| *Fiscal Year* | *Principal Amount of Bonds to be Retired* |
|---|---|
| 1973 | $ 780,000 |
| 1974 | 835,000 |
| 1975 | 890,000 |
| 1976 | 950,000 |
| 1977 | 1,015,000 |
| 1978 | 1,085,000 |
| 1979 | 1,155,000 |
| 1980 | 1,235,000 |
| 1981 | 1,320,000 |
| 1982 | 1,410,000 |
| 1983 | 1,505,000 |
| 1984 | 1,610,000 |
| 1985 | 1,720,000 |
| 1986 | 1,835,000 |
| 1987 | 1,960,000 |
| 1988 | 2,095,000 |
| 1989 | 2,235,000 |
| 1990 | $ 2,390,000 |
| 1991 | 2,550,000 |
| 1992 | 2,725,000 |
| 1993 | 2,910,000 |
| 1994 | 3,105,000 |
| 1995 | 3,320,000 |
| 1996 | 3,540,000 |
| 1997 | 3,785,000 |
| 1998 | 4,040,000 |
| | $52,000,000 |

SECTION 8. Subject to and in compliance with the provisions of Section 2.16 and Section 5.03 of the Ordinance, the allocations to the Reserve Maintenance Account in each fiscal year, including the fiscal year 1970, shall be increased from $860,000 to $1,120,000. The City Comptroller shall from time to time direct the Depositary to make the allocation. The limit which may be accumulated in said Account is hereby increased from $3,583,332 to $4,666,666.

SECTION 9. The proceeds received by the City from the sale of the bonds shall be deposited with the Depositary in trust and there are hereby created two special accounts to be designated respectively "Motor Vehicle Parking Facility Construction Account, 1970" and "4R-22L Runway and Land Acquisition Account, 1970", and there shall be deposited in said Motor Vehicle Parking Facility Construction Account, 1970 an amount equal to 72.5888% of the proceeds derived from the sale of the bonds, and there shall be deposited in the 4R-22L Runway and Land Acquisition Account, 1970, an amount equal to 27.4112% of the proceeds derived from the sale of the bonds. Disbursements from said Account shall be made in the same manner as disbursements are required to be made by Section 3.01 of the Ordinance.

In the event there is a surplus of funds in either the Motor Vehicle Parking Facility Construction Account or the 4R-22L Runway Construction Account, after completion of the construction of the Motor Vehicle Parking Facility or the 4R-22L Runway, said surplus may be transferred to the other Construction Account upon the written order of the Airline's Representative and the Consulting Engineer.

SECTION 10. That as soon as may be after this Ordinance becomes effective said bonds shall be executed as provided by the Ordinance and this Supplemental Ordinance and be delivered to the City Comptroller and Treasurer and be by said officials delivered to Walston & Co., Inc. and Associates, upon payment of the purchase price, same being $50,720,800 plus accrued interest, contract for the sale of which heretofore entered into be and the same is in all respects ratified and approved.

SECTION 11. The Mayor, City Comptroller, Corporation Counsel, City Treasurer, Commissioner of Public Works, Commissioner of Aviation and City Clerk, be and they are hereby authorized and empowered for and on behalf of the City to execute and deliver any and all other documents, papers or instruments, and to do or cause to be done all such acts and things that they may deem necessary or desirable in connection with said Purchase Contract, the Ordinance, or this Supplemental Ordinance.

SECTION 12. In determining whether additional bonds may be issued under Section 2.16 of the

Ordinance, the Series of March, 1970 bonds shall be considered the same as bonds issued pursuant to Section 2.02 or Section 2.15 of the Ordinance for the purposes of subparagraph (c) of such section.

SECTION 13. This Supplemental Ordinance shall be in full force and effect immediately upon its passage and publication as provided by law.

### *Placed on File*—NOTIFICATIONS AS TO SELECTIONS OF PROXIES TO AFFIX SIGNATURES OF MAYOR AND CITY COMPTROLLER TO CHICAGO-O'HARE INTERNATIONAL AIRPORT REVENUE BONDS FOR YEAR 1970

The City Clerk submitted the following communications, which were *Placed on File:*

OFFICE OF THE MAYOR
CITY OF CHICAGO

March 25, 1970.

*To the Honorable, The Members of the City Council of the City of Chicago:*

GENTLEMEN—Please take notice that I have selected and do hereby designate J. W. Parker as my proxy for me in my name, place and stead to affix my signature as Mayor of the City of Chicago to the $52,000,000 Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970.

Appended hereto is a written signature as my name is to appear on said bonds, executed by the said J. W. Parker with the proxy's own signature underneath as required by statute.

Very truly yours,
(Signed) RICHARD J. DALEY,
*Mayor.*

**CITY OF CHICAGO**
**OFFICE OF THE CITY COMPTROLLER**

March 25, 1970.

*To the Honorable, The Members of the City Council of the City of Chicago:*

GENTLEMEN—Please take notice that I have selected and do hereby designate T. F. Murphy as my proxy for me in my name, place and stead to affix my signature as Comptroller of the City of Chicago to the $52,000,000 Chicago-O'Hare International Airport Revenue Bonds, Series of March, 1970.

Appended hereto is a written signature as my name is to appear on said bonds, executed by the said T. F. Murphy with the proxy's own signature underneath as required by statute.

Very truly yours,
(Signed) OTTO H. LOSER,
*City Comptroller.*

[Signature forms appended on each proxy as stated]

At this point in the proceedings Alderman Keane moved that the City Council resume the regular order of business under Reports of the Committee on Finance. The motion *Prevailed.*

### Consent Given to Board of Junior College District No. 508 for Issuance and Sale of $15,000,000 Building Bonds, Series 1970 and for Payment of Principal of and Interest Thereon.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to grant consent to Board of Junior College District No. 508 for issuance and sale of $15,000,000 Building Bonds, Series 1970 and for the payment of principal of and interest thereon.

On motion of Alderman Keane the said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Koellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

AN ORDINANCE

Consenting to the issuance of $15,000,000 Building Bonds, Series 1970, of the Board of Junior College District No. 508, County of Cook and State of Illinois, and providing for the payment of the principal of and interest upon said bonds.

WHEREAS, There has been filed with and there is before the City Council of the City of Chicago for consideration a certified copy of a Resolution adopted on February 17, 1970, by the Board of Junior College District No. 508, County of Cook and State of Illinois, pursuant to authority of Section 7-26 of the Public Junior College Act, as amended, of the State of Illinois.

WHEREAS, Under said Section 7-26 of the Public Junior College Act, as amended, of the State of Illinois, said indebtedness may be incurred and said bonds may be issued and sold as more fully described in said Resolution with the consent of the City Council of the City of Chicago expressed by Ordinance, and this City Council desires to consent thereto and as required by said Section 7-26 of the Public Junior College Act, as amended, of the State of Illinois, and pursuant to the demand and under the direction of said Board of Junior College District No. 508, County of Cook and State of Illinois, further desires to provide for the levy of taxes for the payment of the principal of and interest upon said bonds; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That, pursuant to authority of Section 7-26 of the Public Junior College Act, as amended, of the State of Illinois, consent is hereby given to the Board of Junior College District No. 508, County of Cook and State of Illinois, to incur an indebtedness in the principal amount of $15,000,000 and to the issuance and sale of $15,000,000 Building Bonds, Series 1970, of Junior College District No. 508, County of Cook and State of Illinois, in evidence thereof for the purpose of erecting, purchasing, or otherwise acquiring buildings suitable for junior college use, transferring funds to the Illinois Building Authority for junior college building purposes, erecting temporary junior college structures, erecting additions to, repairing, rehabilitating, and replacing existing junior college buildings and temporary junior college structures, furnishing and equipping junior college buildings and temporary junior college structures, and purchasing or otherwise acquiring and improving sites for such purposes of said Board of Junior College District No. 508, County of Cook and State of Illinois, without the submission thereof to the electors of said Junior College District No. 508, County of Cook and State of Illinois, or said City of Chicago for approval. Said bonds are dated March 1, 1970, bear interest evidenced by coupons as follows:

| *Amount* | *Year of Maturity* | *Interest Rate* |
|---|---|---|
| $2,500,000 | 1972 | 6.00% |
| 2,500,000 | 1973 | 5.80% |
| 2,500,000 | 1974 | 5.75% |
| 2,500,000 | 1975 | 5.70% |
| 2,000,000 | 1976 | 5.70% |
| 2,000,000 | 1977 | 5.75% |
| 1,000,000 | 1978 | 5.80% |

payable semiannually on September 1 and March 1, mature serially $2,500,000 on March 1 of each of the years 1972 through 1975, $2,000,000 on March 1 of each of the years 1976 and 1977, and $1,000,000 on March 1, 1978, and shall be in such form and shall be executed and delivered, all as further described in said Resolution adopted by the Board of Junior College District No. 508, County of Cook and State of Illinois on February 17, 1970, as aforesaid.

SECTION 2. In compliance with the demand contained in said Resolution that this City Council levy and provide for the collection of a direct annual tax upon all taxable property within Junior College District No. 508, County of Cook and State of Illinois, sufficient to pay the principal of said bonds at their maturity and to pay interest thereon as the same becomes due, there shall be and there is hereby levied and there shall be collected a direct annual tax upon all the taxable property within Junior College District No. 508, County of Cook and State of Illinois, for the purpose of providing for the payment of the principal of and interest upon said $15,000,000 Building Bonds, Series 1970, of the Board of Junior College District No. 508, County of Cook and State of Illinois, consent to the issuance of which is hereby granted, as said payments severally become due, and in particular but not in limitation of the foregoing, sufficient to produce the following sums for the following years:

| *Year of Levy* | *Principal* | *Interest* | *Total* |
|---|---|---|---|
| 1970 | $2,500,000 | $1,736,500 | $4,236,500 |
| 1971 | 2,500,000 | 718,250 | 3,218,250 |
| 1972 | 2,500,000 | 573,250 | 3,073,250 |
| 1973 | 2,500,000 | 429,500 | 2,929,500 |
| 1974 | 2,000,000 | 287,000 | 2,287,000 |
| 1975 | 2,000,000 | 173,000 | 2,173,000 |
| 1976 | 1,000,000 | 58,000 | 1,058,000 |

the foregoing levy of taxes being identical with the taxes provided to be levied in said Resolution hereinabove set out adopted by the Board of Junior College District No. 508, County of Cook and State of Illinois, on February 17, 1970.

SECTION 3. After the passage of this ordinance, a copy thereof duly certified by the City Clerk which includes a copy of said Resolution adopted by the Board of Junior College District No. 508, County of Cook and State of Illinois, on February 17, 1970, hereinabove referred to, shall be filed by the City Clerk of the City of Chicago in the office of the County Clerk of Cook County, Illinois, and in the office of the County Clerk of DuPage County, Illinois, whereupon it shall be the duty of each such County Clerk to extend the taxes to be levied as required by the constitution and laws of the State of Illinois hereunto enabling.

SECTION 4. This ordinance shall take effect and be in force upon its passage as by law provided.

---

### Execution of Grant Application Authorized with HUD for Urban Beautification and Improvement of Open-Space Land (Project No. Ill. B-29).

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

WHEREAS, Title IX of the Housing and Urban Development Act of 1965 amends Title VII of the Housing Act of 1961 and provides for the making of grants by the Department of Housing and Urban Development to States and local public bodies to assist them in the beautification and improvement of open-space and other public urban land where such assistance is needed for carrying out a local program which is important to the comprehensively planned development of the locality; and

WHEREAS, The City of Chicago desires to beautify and improve open-space and other public urban land to facilitate their increased use and enjoyment; and

WHEREAS, Title VI of the Civil Rights Act of 1964 and the regulations of the Department of Housing and Urban Development effectuating that Title prohibit discrimination on the basis of race, creed, color, or national origin in the use of all facilities and improvements provided by Federal Assistance; and

WHEREAS, The City of Chicago is cognizant of the conditions that are imposed in the undertaking and carrying out of programs assisted under Title VII of the Housing Act of 1961, as amended, including those relating to labor standards and equal employment opportunity; and

WHEREAS, It is estimated that the cost of the activities proposed to be carried out in 1970 in the beautification and improvement of open-space and other public lands exceeds the usual expenditures by the City of Chicago for such activities by approximately one million forty-eight thousand nine hundred thirty-three dollars, ($1,048,933.00); now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That an application be made to the Department of Housing and Urban Development for a grant in an amount authorized by Title VII of the Housing Act of 1961, as amended for urban beautification and improvement of open-space and other public urban land, which amount is presently estimated to be approximately five hundred twenty-seven thousand two hundred fourteen dollars ($527,214.00), and that the City of Chicago will provide the balance of the cost.

SECTION 2. That the Mayor of the City of Chicago is hereby authorized and directed to execute and to file such application with the Department of Housing and Urban Development, and that the Commissioner of the Department of Public Works is authorized to act as the correspondent of the City of Chicago and to provide additional information and to furnish such documents as may be required by said Department.

SECTION 3. That the proposed urban beautification activities are in accordance with the beautification program prepared by the City of Chicago, of importance to the comprehensively planned development of the locality, and that, should said grant application be approved, the City of Chicago will undertake, carry out, and complete said Urban beautification activities designated in said application and approved by the Department of Housing and Urban Development.

SECTION 4. That the United States of America and the Secretary of Housing and Urban Development be, and they hereby are, assured of full compliance by the City of Chicago with regulations of the Department of Housing and Urban Development effectuating Title VI of the Civil Rights Act of 1964.

SECTION 5. That the United States of America and the Secretary of Housing and Urban Development be, and they hereby are assured of full compliance by the City of Chicago with the Federal labor standards imposed under Title VII of the Housing Act of 1961, as amended.

SECTION 6. This ordinance shall be in full force and effect from and after its passage.

**On motion of Alderman Keane the foregoing proposed ordinance was *Passed*, by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost*.

### Action of City Comptroller Ratified and Confirmed Awarding Project Notes in Seventh Series 1970 for Urban Renewal Project No. R-9 (L-G).

**The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:**

WHEREAS, The City of Chicago received bids on March 10, 1970, for the Seventh Series 1970 Project Notes in the amount of $1,322,000.00 pursuant to advertisement of February 25, 1970.

WHEREAS, The bid of Bank of America, First National City Bank, Continental Illinois National Bank and Trust Company of Chicago, First Boston Corporation, and Mellon National Bank and Trust Company at an interest rate of 4.48% was the lowest bid received for $1,322,000.00 Project Notes Seventh Series 1970; and

WHEREAS, Contract Illinois R-9 (L-G) between the City of Chicago and the United States of America provides that the interest rate on Project Note shall not exceed 4⅜%, and

WHEREAS, The United States of America has agreed to waive the said provision and submit a grant in the amount of the interest in excess of 4⅜%, and

WHEREAS, The City Comptroller of the City of Chicago pursuant thereto advised said Banks on March 10, 1970, that they were the successful low bidders, now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

1. The action of the City Comptroller in awarding the Project Notes in the Seventh Series 1970, as aforesaid, is hereby in all respects approved, ratified, and confirmed.
2. The City Comptroller is authorized to accept a waiver of the interest provision in contract Illinois R-9 (L-G) and accept a grant from the United States of America in the amount of the excess interest over 4⅜%.
3. Any and all prior ordinances of the City of Chicago are hereby amended to the extent necessary to enable the carrying out of the actions authorized herein.
4. This ordinance shall take effect immediately.

**On motion of Alderman Keane the foregoing proposed ordinance was *Passed*, by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost*.

### Approval Given to Assignment and Assumption of Leasehold between Dobbs Houses, Inc. and Beech-Nut Life Savers, Inc. Covering Flight Kitchen at Chicago-O'Hare International Airport.

**The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:**

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel, are authorized to approve on behalf of the City of Chicago an assignment and assumption of a certain leasehold at Chicago-O'Hare International Airport between the City of Chicago and Beech-Nut, Inc., from Beech-Nut, Inc., to Dobbs Houses, Inc., said agreement to be in the following form:

ASSIGNMENT OF LEASE

Know That, Beech-Nut, Inc., a Delaware corporation having an office in Memphis, Tennessee (the Assignor), in consideration of the sum of One Dollar ($1.00) and other good and valuable consideration paid by Dobbs Houses, Inc., a Delaware corporation, having an office at 474 South Perkins Extended, Memphis, Tennessee (the Assignee), hereby assigns unto the Assignee a certain lease (the Lease), dated July 1, 1963, made by the City of Chicago, landlord, to Beech-Nut, Inc., tenant, covering premises located at Chicago-O'Hare International Airport, City of Chicago, Counties of Cook and Du Page, State of Illinois, as more particularly described in the Lease.

To Have and To Hold the same unto the Assignee, its successors and assigns, effective as of December 31, 1969, for all the rest of the term of the Lease, subject to the covenants, conditions and limitations therein contained.

The Assignor represents to the Assignee and to the said landlord that there are no claims or liens against the Lease hereby being assigned and that the Assignor has full right and authority to assign and transfer the Lease.

In Witness Whereof, the Assignor has executed this Assignment as of December 31, 1969.

[Signature forms omitted]

ASSUMPTION OF LEASE

Know That, Dobbs Houses, Inc., a Delaware corporation, having an office at 474 South Perkins Extended, Memphis, Tennessee, the assignee named in a certain assignment of lease dated as of December 31, 1969, made by Beech-Nut, Inc., the assignor, hereby accepts assignment of that certain lease dated July 1, 1963, by and between the City of Chicago, as landlord, and Beech-Nut, Inc., as tenant, covering premises located at Chicago-O'Hare International Airport, City of Chicago, Counties of Cook and Du Page, State of Illinois, as more particularly described in said lease, and in consideration of said assignment and of the consent of the said landlord to said assignment, hereby assumes and agrees to perform and comply with all of the covenants and conditions of said lease to be performed or complied with by the tenant on and after December 31, 1969, the effective date of said assignment.

In Witness Whereof, Dobbs Houses, Inc., has executed this Assumption as of December 31, 1969.

[Signature forms omitted]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

On motion of Alderman Keane the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

## Execution of Lease Agreement Authorized with Armour and Co. for Lease of Hangar Space at Chicago Midway Airport.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to authorize execution of lease agreement with Armour and Company for a lease of hangar space at Chicago Midway Airport.

On motion of Alderman Keane the said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel, are authorized to execute in behalf of the City of Chicago an agreement with Armour and Company at Chicago Midway Airport, said agreement to be in the following form:

This Agreement made this ........................ day of ..............................., A.D. .........., between the City of Chicago, a municipal corporation of the State of Illinois, (hereinafter referred to as "Landlord") and Armour and Company, a corporation organized and existing by virtue of the laws of the State of Delaware, (hereinafter referred to as "Tenant").

WITNESSETH:

That Landlord, for and in consideration of the terms and conditions, both general and special, hereinafter contained and made on the part of Tenant, does hereby grant to Tenant for use only by Tenant, the privileges hereinafter described on premises at Chicago Midway Airport hereinafter called "Airport" in the City of Chicago, Counties of Cook and DuPage, State of Illinois.

This agreement shall consist of three parts:

Part I—General Conditions
Part II—Special Conditions number 1 to 6
Part III—Exhibits and Attachments lettered A

all constituting the entire agreement between the parties and no warrant inducements, considerations, promises or other inferences, shall be implied or impressed upon such agreement that are not set forth herein.

### PART I—GENERAL CONDITIONS

*Article I*

This agreement shall be subject and subordinate to:

(a) Any existing or future Federal or State statute or any existing or future lease or agreement between Landlord and the United States or the State of Illinois relative to the development, construction, operation, or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal or State funds for the development, construction, operation or maintenance of said Airport.

(b) The provisions of a lease authorized December 30, 1930, as amended, by and between the City of Chicago and the Board of Education of the City of Chicago, under which lease the City of Chicago holds and operates Chicago Midway Airport.

(c) Other existing agreements and leases between Landlord and the United States and any and all future releases, deeds, leases and agreements hereafter granted or entered into by and between the United States and the City of Chicago with reference to the conveyance by the United States to the City of Chicago of any real or personal property under any existing or future Federal statutes authorizing the conveyance of such property by the Federal Government to the City for airport purposes.

*Article II*

The Tenant shall not assign or transfer this agreement nor any of the rights or privileges granted hereby, nor enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor unless otherwise expressly provided herein, without the consent in writing of the Commissioner of Aviation and the City Council first had and obtained. Tenant further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities at Merrill C. Meigs Field, Chicago Midway Airport and Chicago-O'Hare International Airport, with any individual, partnership or corporation without prior approval as provided above, be it understood that the only activity that Tenant may conduct directly or indirectly, alone or through others, on, upon or from said Airports and properties located thereon, be they demised to others or under the control of Landlord, is as authorized under the terms of this agreement.

In the event of the issuance of this right or privilege to more than one individual or other legal entity (or to any combination thereof), then and in that event, each and every obligation or undertaking hereinstated to be fulfilled or performed by the Tenant shall be the joint and several obligation of each such individual or other legal entity.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then Landlord may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of copartners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

### *Article III*

Tenant shall not attach, affix, or permit to be attached or affixed, upon the premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Commissioner of Aviation (hereinafter referred to as "Commissioner") first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae, improvements or fixtures. In connection therewith Commissioner may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor and if then approved may incorporate all or part thereof within this agreement as attachments thereto.

### *Article IV*

Tenant, at its own expense, shall keep the premises in a safe sanitary and sightly condition and in good repair and shall yield the same back to Landlord upon the termination of this agreement in such condition and repair, ordinary wear and tear excepted, and if said premises shall not be so kept by Tenant, Landlord may enter the premises (without such entering causing or constituting a termination of the privilege or an interference with the possession of said premises by Tenant) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Tenant and Tenant agrees to pay landlord, in addition to the rent and charges hereby reserved, all such costs and expenses.

### *Article V*

Tenant covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Tenant.

In addition to the rent and charges hereinafter outlined, Tenant shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago, except the cost of public sidewalk repairs.

The Tenant shall assume all risks incident to or in connection with its business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Airport and shall indemnify, defend and save harmless the Landlord, its authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Landlord, Tenant, or any of their agents or employees if same relates in any way to the operation of such business.

Landlord shall not be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from Landlord's acts, omission or neglect in the maintenance and operation of the Airport facilities.

### *Article VI*

Tenant, at the expense of Tenant, shall keep in force, during the term of this agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by the Comptroller of the City of Chicago (hereinafter referred to as "Comptroller") for the protection of Landlord and/or Tenant. Insurance requirements hereunder shall be subject to the sole determination of the Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products Liability, Property Damage, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of the Comptroller. All policies or endorsements thereto shall in all cases where possible name Landlord as co-insured thereunder.

Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller. In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Landlord shall keep in force during the term of this agreement, and bill Tenant annually therefor, a policy of insurance covering Fire & Extended Coverage, Malicious Mischief and Vandalism for the building only. Tenant shall obtain its own insurance coverage for its property contained within the said building.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article V of this agreement.

### *Article VII*

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same shall be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair or rebuild any fixtures, equipment and other property installed by Tenant pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

In the event of any damage or destruction by fire or other casualty to the premises Tenant shall immediately, at its expense, replace and repair any and all fixtures, equipment and other property, installed by it pursuant to this agreement.

### *Article VIII*

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement.

Tenant does further covenant, promise and agree that said Tenant will not employ any person or persons in or about the premises or on the Airport who shall be objectionable to the Commissioner and if such persons shall be employed by Tenant, he, she, or they, shall be removed upon request of said Commissioner.

### *Article IX*

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook or DuPage Counties, Illinois or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

### *Article X*

If Tenant shall vacate or abandon the premises or permit the same to remain vacant or unoccupied for a period of ten (10) days, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not contitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extension or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipt thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreement of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

### *Article XI*

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

### *Article XII*

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

### *Article XIII*

This agreement shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois.

### *Article XIV*

Notices to the Landlord provided for herein may be sent by registered mail, postage prepaid, addressed to the Commissioner of Aviation of the City of Chicago, City Hall, Chicago, Illinois, 60602, and notices to Tenant provided for herein may be sent by registered mail, postage prepaid, addressed to Tenant at Box 9222, Chicago, Illinois, 60690, Attention: Real Estate Department, or in either case to such other respective parties and addresses as the parties hereto may designate in writing from time to time and such notices shall be deemed to have been given when so sent.

### *Article XV*

Tenant agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this non-discrimination clause. Tenant further agrees that this article will be incorporated by Tenant in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement.

Attention is called to Executive Order 11246 issued September 24, 1965, 3 CFR p. 567, 1966; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1967, CH. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1967, CH. 29, Secs. 17 to 24 inclusive; July 21, 1961, Ill. Rev. Stat. 1967, CH. 48, Secs. 851 to 866 inclusive, and July 26, 1967, Ill. Rev. Stat. 1967, CH 48, Secs. 881 to 887 inclusive; to an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings, and to the provisions of 41 CFR Chapter 60.

To demonstrate compliance the Tenant and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

### *Article XVI*

Landlord expressly reserves the right to further develop or improve the landing area, the Terminal Buildings and other buildings and appurtenances on the Airports as it so sees fit, regardless of the desires or views of the Tenant and without interference or hindrance.

## PART II — SPECIAL CONDITIONS

1. *Premises*

Landlord, for and in consideration of the covenants and agreements herein mentioned, to be kept and performed by both parties hereto, does hereby demise to Tenant, the premises, designated as follows:

> Hangar site, together with all buildings and improvements thereon, located on Chicago Midway Airport, as outlined in red on Exhibit A attached hereto and by this reference made a part hereof.

2. *Purpose*

The demised premises may be utilized by Tenant for storing, repairing, maintaining and servicing aircraft leased to Tenant and for no other purpose whatsoever. Tenant may service aircraft leased by Tenant with fuel, provided that all laws and airport regulations dealing with use and operation of servicing tanks and trucks are complied with, and further provided that additional payment therefor is made in accordance with Section 4 of these Special Conditions.

3. *Term*

The term of this agreement shall commence on January 1, 1970, and terminate on December 31, 1974. It is understood and agreed that notwithstanding the above term either party may cancel and terminate this agreement by serving ninety (90) days written notice of its election so to do.

4. *Rental*

Tenant shall pay to Landlord, at the office of the Comptroller, as rental for the demised premises, the sum of Thirteen Thousand Six Hundred Fifty Dollars ($13,650.00) per annum, payable in advance in monthly installments of One Thousand One Hundred and Thirty Seven and 50/100 Dollars ($1,137.50) on the first day of each month during the term of the lease.

For servicing aircraft leased by Tenant with fuel, Tenant shall pay to Landlord as additional rental, three cents ($.03) per gallon for every gallon of aviation fuel serviced. Payment to be made, at the office of the Comptroller, on or before the Fifteenth (15th) day of the following month, accompanied by a statement of the number of gallons of aviation fuel serviced daily, the total gallons serviced during the preceding month, and the identity of the supplier from whom obtained. The original of each such statement submitted to Landlord shall be delivered to the Comptroller and a copy to the Commissioner.

5. *Floodlights*

Tenant shall illuminate the apron in front of the hangar building with floodlights; and shall place and maintain at all times red obstruction lights on the highest point and each corner of the building, and on the highest point of each smokestack, pole, aerial and antenna upon said premises. The obstruction light fixtures shall be of a dual type and the lights shall be kept burning at Tenant's expense, from dusk until dawn.

6. *Temporary Parking*

Tenant is authorized, subject to airport rules and regulations and approval of the Airport Manager, to make temporary use of the public aircraft area near the demised premises for parking of aircraft which would ordinarily be housed in the hangar on the demised premises, as necessary, on an interim basis from time to time in connection with authorized use of the hangar, without payment of fees and charges other than the rent provided for in this agreement. It is understood that authorization from the Airport Manager is to be obtained in each separate instance this privilege is requested.

Execution of this Agreement authorized by ordinance of the City Council of the City of Chicago passed .......................... (C. J. P. ..........................).

In Witness Whereof, the parties hereto have caused this instrument to be executed under their respective seals on the day and year first above written.

[Signature forms omitted]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

---

### Execution of Lease Agreement Authorized with Bohling Aircraft Corp. for Lease of Space at Chicago Midway Airport.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to authorize execution of lease agreement with Bohling Aircraft Corporation for lease of space at Chicago Midway Airport.

**On motion of Alderman Keane the said proposed ordinance was *Passed,* by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel, are authorized to execute in behalf of the City of Chicago an agreement with Bohling Aircraft Corporation at Chicago Midway Airport, said agreement to be in the following form:

This Agreement made this ...................... day of ................................ A.D. ........................, between the City of Chicago, a municipal corporation of the State of Illinois, hereinafter called "Landlord" and Bohling Aircraft Corporation, a corporation organized and existing by virtue of the laws of the State of Delaware, hereinafter called "Tenant".

WITNESSETH:

That Landlord, for and in consideration of the terms and conditions, both general and special, hereinafter contained and made on the part of Tenant, does hereby grant to Tenant for use only by Tenant, the privileges hereinafter described on premises at Chicago Midway Airport hereinafter called "Airport" in the City of Chicago, Counties of Cook and DuPage, State of Illinois.

This agreement shall consist of three parts:

Part I—General Conditions

Part II—Special Conditions
numbered 1 to 6

Part III—Exhibits and Attachments
lettered A

All constituting the entire agreement between the parties and no warranties, inducements, considerations, promises or other inferences, shall be implied or impressed upon such agreement that are not set forth herein at length.

PART I—GENERAL CONDITIONS

*Article I*

This agreement shall be subject and subordinate to:

(a) Any existing or future Federal or State statute or any existing or future lease or agreement between Landlord and the United States or the State of Illinois relative to the development, construction, operation, or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal or State funds for the development, construction, operation or maintenance of said Airport.

(b) (1) If premises situated at Chicago-O'Hare International Airport the provisions of a deed from the United States to the City of Chicago appearing as Document No. 13747964, recorded on March 22, 1946, a release executed by the United States in favor of the City of Chicago as Document No. 17260008, recorded on July 15, 1958, a deed from the United States to the City of Chicago appearing as Document No. 17966152, recorded on September 16, 1960, and a release executed by the United States in favor of the City of Chicago, as Document No. 18246321, recorded on August 14, 1961, all in the office of the Recorder of Deeds, Cook County, Illinois.

(2) If premises situated at Chicago Midway Airport the provisions of a lease authorized December 30, 1930, as amended, by and between the City of Chicago and the Board of Education of the City of Chicago, under which lease the City of Chicago holds and operates said Airport.

(3) If premises situated at Merrill C. Meigs Field the provisions of a lease authorized October 1, 1946, as amended, by and between the City of Chicago and the Chicago Park District, under which lease the City of Chicago holds and operates said Airport.

(c) Other existing agreements and leases between Landlord and the United States and any and all future releases, deeds, leases and agreements hereafter granted or entered into by and between the United States and the City of Chicago with reference to the conveyance by the United States to the City of Chicago of any real or personal property under any existing or future Federal statutes authorizing the conveyance of such property by the Federal Government to the City for airport purposes.

(d) The right of Landlord to further develop, improve, maintain, modify and repair the landing area, the Terminal Buildings and other buildings and appurtenances on the Airports, as it so sees fit, regardless of the desires or views of the Tenant and without interference or hindrance by the Tenant.

### *Article II*

The Tenant shall not, without prior approval of Landlord, assign or transfer this agreement, nor any share, part or interest therein, nor any of the rights or privileges granted hereby, nor enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor unless otherwise expressly provided herein. Tenant further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities at Merrill C. Meigs Field, Chicago Midway Airport, Chicago-O'Hare International Airport, with any individual, partnership or corporation without prior approval of Landlord, it being understood that the only activity that Tenant may conduct directly or indirectly, alone or through others, on, upon or from said Airports and facilities located thereon, be they demised to others or under the control of Landlord, is as authorized under the terms of this agreement.

In the event of the issuance of this right or privilege to more than one individual or other legal entity (or to any combination thereof), then and in that event, each and every obligation or undertaking hereinstated to be fulfilled or performed by the Tenant shall be the joint and several obligation of each such individual or other legal entity.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then Landlord may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of copartners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

### *Article III*

Tenant has examined the premises prior to, and as a condition precedent to, the execution hereof and is satisfied with the physical condition of said premises, and its taking possession thereof will be conclusive evidence of its receipt of said premises in a safe, sanitary and sightly condition and in good repair.

### *Article IV*

Tenant shall not attach, affix, or permit to be attached or affixed, upon the premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Commissioner of Aviation (hereinafter called "Commissioner") first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae, improvements or fixtures. In connection therewith Commissioner may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor and if then approved may incorporate all or part thereof within this agreement as attachments thereto.

### *Article V*

Tenant, at the expense of Tenant, shall keep the premises in a safe, sanitary and sightly condition and good repair and shall yield the same back to Landlord upon the termination of this agreement in such condition and repair, ordinary wear and tear excepted, and if said premises shall not be so kept by Tenant, Landlord may enter the premises (without such entering causing or constituting a termination of the privilege or an interference with the possession of said premises by Tenant) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Tenant and Tenant agrees to pay Landlord, in addition to the rent and charges hereby reserved, all such costs and expenses.

### *Article VI*

Tenant covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Tenant.

In addition to the rent and charges hereinafter outlined, Tenant shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago.

Tenant shall assume all risks incident to or in connection with the business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Airport and shall indemnify, defend and save harmless the Landlord, its authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Landlord, Tenant, or any of their agents or employees.

Landlord shall not be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from Landlord's acts, omission or neglect in the maintenance and operation of the Airport facilities.

### *Article VII*

Tenant, at the expense of Tenant, shall keep in force, during the term of this agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by the Comptroller of the City of Chicago (hereinafter called "Comptroller") for the protection of Landlord and/or Tenant. Insurance requirements hereunder shall be subject to the sole determination of the Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products Liability, Property Damage, Loss of Rents, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of the Comptroller. All policies or endorsements thereto shall in all cases where possible name Landlord as co-insured thereunder.

Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller for incorporation within this agreement as attachment thereto. In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article VI of this agreement.

### *Article VIII*

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by Tenant pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

### *Article IX*

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with the further provisions of this agreement and any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and to such other provisions of related agreements as may be pertinent as entered into between Landlord and others governing the use of and operations at the Airport, and shall be further subject in the case of operations at Chicago-O'Hare International Airport, to the provisions of paragraph 4, Article XI of that certain agreement entitled "Airport Use Agreement' and the further provisions, including the right of cancellation of Section 6.04, Article VI of that certain agreement entitled "Lease of Terminal Facilities" and to such other provisions of said related agreements as may be pertinent as entered into between the City and the Scheduled Airlines governing use and operation of Chicago-O'Hare International Airport.

Tenant does further covenant, promise and agree that said Tenant will not employ any person or persons in or about the premises or on the Airport who shall be objectionable to the Commissioner and if such persons shall be employed by Tenant, he, she, or they, shall be removed upon request of said Commissioner.

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from Airport.

### *Article X*

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook or DuPage Counties, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agrement.

### *Article XI*

If Tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default to be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgement for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

### *Article XII*

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operation or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

### *Article XIII*

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

### *Article XIV*

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefor whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.

### *Article XV*

To insure faithful performance of the covenants, conditions and agreements herein contained, Tenant, at the expense of Tenant shall, before exercising any rights or privileges accorded hereunder, furnish a bond in form, kind and amount as determined and directed solely by the Comptroller for incorporation within this agreement as attached thereto.

### *Article XVI*

Tenant agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause. Tenant further agrees that this article will be incorporated by Tenant in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement.

Attention is called to Executive Order 11246 issued September 24, 1965, 3 CFR p. 567, 1966; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat, 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1967, CH. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1967, CH 29, Secs. 17 to 24 inclusive; July 21, 1961, Ill. Rev. Stat. 1967, CH. 48, Secs. 851 to 866 inclusive, and July 26, 1967, Ill. Rev. Stat. 1967, CH. 48, Secs. 881 to 887 inclusive; to an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings, and to the provisions of 41 CFR Chapter 60.

To demonstrate compliance the Tenant and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

### *Article XVII*

Tenant shall pay, or cause to be paid, wages not less than those determined to be prevailing in this locality pursuant to the provisions of 29 CFR, Parts 4 and 5, as amended, or as may otherwise have been determined to be prevailing in this locality pursuant to the provisions of Ch. 48, Secs. 39s-1 to 39s-12 inclusive, Ill. Rev. Stat. 1967, whichever is pertinent.

### *Article XVIII*

This agreement shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois.

### *Article XIX*

Notices to the Landlord provided for herein may be sent by registered mail, postage prepaid, addressed to the Commissioner of Aviation of the City of Chicago, City Hall, Chicago, Illinois, 60602, and notices to Tenant provided for herein may be sent by registered mail, postage prepaid, addressed to Tenant at .................................. or in either case to such other respective parties and addresses as the parties hereto may designate in writing from time to time and such notices shall be deemed to have been given when so sent.

Execution of this Agreement authorized by ordinance of the City Council of the City of Chicago passed ........................... (C. J. P. ...........................).

### PART II — SPECIAL CONDITIONS

1. *Premises*

Landlord, for and in consideration of the covenants and agreements herein mentioned, to be kept and performed by both parties hereto, does hereby demise to Tenant, the premises designated as follows:

> Hangar site, together with all buildings and improvements thereon, located on Chicago Midway Airport, as outlined in red on Exhibit A attached hereto and by this reference made a part hereof.

2. *Purpose*

Tenant agrees that the premises herein demised are permitted to be used to conduct a repair and maintenance operation for aircraft, aircraft engines, and related accessories, and to store aircraft in the hangar. Tenant may service aircraft owned by Tenant with fuel, provided that all laws and airport regulations dealing with use and operation of servicing tanks and trucks are complied with, and further provided that additional payment therefor is made in accordance with Section 4 of these Special Conditions.

3. *Term*

The term of this agreement shall be for a period of two (2) years commencing on ..........................., the date of approval of ordinance by the City Council of the City of Chicago. It is understood and agreed that notwithstanding the above term, either party may cancel and terminate this agreement by ninety (90) days notice to the other party in writing of its election so to do.

4. *Rental*

Tenant shall pay to Landlord as rent for the demised premises the sum of Fourteen Thousand One Hundred Seventy-Five and No/100 Dollars ($14,175.00) per annum to be paid as follows:

> Tenant shall pay on or before the 1st day of each month in advance to the Comptroller, the sum of Eleven Hundred Eighty One and 25/100 Dollars ($1,181.25). If any rental hereunder commences after the first day or terminates prior to the last day of any month, such rental for such month shall be determined on a prorata basis according to the number of days of such month involved.

For servicing aircraft owned by Tenant with fuel, Tenant shall pay to Landlord as additional rental, three cents ($.03) per gallon for every gallon of aviation fuel serviced. Payment to be made, at the office of the Comptroller, on or before the Fifteenth (15th) day of the following month, accompanied by a statement of the number of gallons of aviation fuel serviced daily, the total gallons serviced during the preceding month, and the identity of the supplier from whom obtained. The original of each such statement submitted to Landlord shall be delivered to the Comptroller and a copy to the Commissioner.

5. *Fire Insurance*

Landlord shall keep in force during the term of this agreement, and bill Tenant annually therefor, a policy of insurance covering Fire and Extended Coverage, Malicious Mischief and Vandalism for the building only. Tenant shall obtain its own insurance coverage for its property contained within the said building.

6. *Performance Bond*

At the time of the execution hereof, Tenant shall execute and deliver to the Comptroller a Performance Bond in form, type and amount as to be determined solely by the Comptroller, which bond shall guarantee faithful performance of the provisions of the contract.

7. *Training*

Tenant shall not use or otherwise permit the use of the demised premises for the purpose of hangaring, storing, or servicing aircraft used for the purpose of flight instruction at Chicago Midway Airport.

In Witness Whereof, the parties hereto have caused this instrument to be executed under their respective seals on the day and year first above written.

[Signature forms omitted]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

---

## Ordinance Amended for Hangar Site Lease with Sears, Roebuck and Co. for Extension of Lease and Parking Facilities for Employees, Etc.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to authorize an amendment to ordinance for hangar site lease with Sears, Roebuck and Company for extension of lease of parking facilities for employees, etc.

**On motion of Alderman Keane the said proposed ordinance was *Passed,* by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel, are authorized to execute in behalf of the City of Chicago an Amendment to Hangar Site Lease with Sears, Roebuck & Company at Chicago Midway Airport, said Amendment to be in the following form:

### SECOND
### AMENDMENT TO AGREEMENT
### BETWEEN THE CITY OF CHICAGO AND
### SEARS, ROEBUCK AND COMPANY

This Agreement made and entered into this ..................... day of ........................., A.D., 19.... by and between the City of Chicago, a municipal corporation of the State of Illinois, hereinafter referred to as "City" and Sears, Roebuck and Company, hereinafter referred to as "Sears".

WITNESSETH:

Whereas, City and Sears have heretofore entered into an agreement under date of January 22, 1962, authorized by City Council January 17, 1962 (C.J.P. pp. 6601-6605) as amended under dates of November 28, 1966 (C.J.P. pp. 7555-7556), hereinafter referred to as "said agreement", in and by which City among other provisions granted to Sears, certain privileges or premises to be occupied and used for the purposes therein stated, located at Chicago

Midway Airport, in the City of Chicago, Counties of Cook and DuPage, and State of Illinois;

Now, Therefore, City, in consideration of the provisions and conditions set forth in said agreement, does hereby amend said agreement, and Sears hereby accepts said privileges or premises therein set forth and upon the terms, conditions and provisions set forth and stated therein (to which reference is hereby made, and which the parties agree will be incorporated, and shall be considered to be incorporated herein, by this reference thereto) except in so far and only in so far as said privileges, premises, terms, conditions and provisions are modified, changed or amended by the further provisions of this agreement.

It is hereby further agreed that the sole modifications of, changes in, and amendments to, said agreement, which are hereby made therein, and which shall be applicable to all renewals and extensions as may be made and provided for therein, are as follows:

1. That paragraph appearing on Page 1 of said agreement, as amended, reading as follows:

> "Hangar site, together with all buildings and improvements thereon, located on Chicago Midway Airport, as outlined in red on Exhibit A attached hereto and by this reference made a part hereof."

shall be and the same is hereby further modified, changed, and amended to read as follows:

> Hangar site, together with all buildings and improvements thereon, located on Chicago Midway Airport, as outlined in red on Exhibit A attached hereto and by this reference made a part hereof, subject only to a reservation of easement rights for the installation, maintenance, repairs, and replacement, if necessary, of any public utilities as may traverse the demised premises and any future public utilities as may be necessary to be installed.

2. That paragraph appearing on Page 2 of said agreement, as amended, reading as follows:

> "To Have and To Hold the same for and during the term commencing January 1, 1965, subject to the prior approval of the City Council of the City of Chicago and expiring on the 31st day of December, A.D. 1969, unless said term shall be sooner terminated or hereafter renewed or extended as provided herein. It is understood and agreed that notwithstanding the above term either party may cancel and terminate this agreement by serving ninety (90) days written notice of its election so to do."

shall be and the same is hereby further modified, changed, and amended to read as follows:

> To Have and To Hold the same for a period of six (6) years commencing on ........................, the date of approval of authorizing ordinance by the City Council, and terminating on ........................, unless said term shall be sooner terminated or hereafter renewed or extended as provided herein. It is understood and agreed that notwithstanding the above term either party may cancel and terminate this agreement by serving one (1) year written notice of its election so to do.

3. The first paragraph in Article I, appearing on Page 2 of said agreement, as amended, reading as follows:

> "Sears shall pay to City, at the office of the City Comptroller, as rental for the demised premises the sum of Thirty Two Thousand and No/100 Dollars ($32,000.00) per annum, payable in advance in monthly installments of Two Thousand Six Hundred Sixty Six and 67/100 Dollars ($2,666.67) on the first day of each month during the term of this lease."

shall be and the same is hereby further modified, changed and amended to read as follows:

> Sears shall pay to City, at the office of the City Comptroller, as rental for the demised premises the sum of Thirty Three Thousand Six Hundred and No/100 Dollars ($33,600.00) per annum, payable in advance in monthly installments of Two Thousand Eight Hundred and No/100 Dollars ($2,800.00) on the first day of each month during the first two years of the term hereof, and Thirty Five Thousand Two Hundred Eighty and No/100 Dollars ($35,280.00) per annum, payable in advance in monthly installments of Two Thousand Nine Hundred Forty and No/100 Dollars ($2,940.00) the first day of each month during the last four years of the term hereof.

4. The first paragraph in Article III appearing on page 3 of said agreement, as amended, reading as follows:

> *"Article III"*
>
> "The demised premises may be utilized by Sears for storing, repairing, maintaining and servicing aircraft belonging to Sears, its sublessees, if any, and its business invitees, provided that the foregoing shall not be construed as authorizing Sears to conduct a business as a fixed base operator and that such of the foregoing uses as related to Sears business invitees shall be performed only as an accommodation and may be subject to such reasonable recommendations as may from time to time be made by the Commissioner of Aviation of the City, hereinafter called 'Commissioner' ".

shall be and the same is hereby further modified; changed, and amended to read as follows:

> *Article III*
>
> The demised premises may be utilized by Sears for storing, repairing, maintaining and servicing aircraft belonging to Sears, its sublessees, if any, and its business invitees, provided that the foregoing shall not be construed as authorizing Sears to conduct a business as a fixed base operator and that such of the foregoing uses as related to Sears business invitees shall be performed only as an accommodation and may be subject to such reasonable recommendations as may from time to time be made by the Commissioner of Aviation of the City, hereinafter called "Commissioner". It is understood and agreed that the area extending approximately 30 feet east from the Hangar Building to the east line of the demised premises may be used for the private parking of automobiles of Sears employees, guests, patrons, invitees, and business associates. It is understood and agreed that all cost of construction, improvement, security and maintenance shall be borne by Sears.
>
> It is further understood and agreed that Sears intends and will, at its own expense, make various improvements to the demised premises in an amount not less than One Hundred Thousand Dollars ($100,000.00), during the term of this lease.

5. Article XVI of said agreement, as amended, reading as follows:

> *"Article XVI"*
>
> "Sears agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color or

national origin, nor otherwise commit an unfair labor practice. Sears further agrees that this article will be incorporated by Sears in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor or who may perform any such labor or services in connection with this agreement. Attention is called to Executive Order 10925 issued March 6, 1961, 3 CFR 1959-1963 Comp. p. 448, as amended; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1963, Ch. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1963, Ch. 29, Secs. 17 to 24 inclusive; and July 21, 1961, Ill. Rev. Stat. 1963, Ch. 48, Secs. 851 to 866 inclusive, and an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings.

To demonstrate compliance Sears and its contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations."

shall be and the same is hereby further modified, changed, and amended to read as follows:

*Article XVI*

Sears agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Sears will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Sears agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this non-discrimination clause. Sears further agrees that this article will be incorporated by Sears in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement.

Attention is called to Executive Order 11246 issued September 24, 1965, 3 CFR p. 567, 1966; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1967, CH. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1967, CH. 29, Secs. 17 to 24 inclusive; July 21, 1961, Ill. Rev. Stat. 1967, CH. 48, Secs. 851 to 866 inclusive, and July 26, 1967, Ill. Rev. Stat. 1967, CH. 48, Secs. 881 to 887 inclusive; to an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings, and to the provisions of 41 CFR Chapter 60.

To demonstrate compliance Sears and its contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

It is, therefore, agreed that except solely as hereinabove modified, changed and amended, the privileges, premises, terms, conditions and provisions of said agreement shall apply to, and shall govern, this amendment of said agreement and any and all further renewals or extensions thereof for any subsequent period which may be affected or made under and in accordance therewith.

Execution of this amendment authorized by ordinance of the City Council of the City of Chicago passed on the .......................... day of ......................., 1969 (C.J.P. pp. ..........................).

In Witness Whereof, the parties hereto have caused this instrument to be executed under their respective seals on the day and year first above written.

[Signature forms omitted]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

---

### Ordinance Amended with United Air Lines, Inc. Concerning Fuel Storage Facilities at Chicago Midway Airport.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to authorize an amendment to ordinance with United Air Lines, Incorporated, concerning fuel storage facilities at Chicago Midway Airport.

On motion of Alderman Keane the said proposed ordinance was *Passed*, by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to approval as to form and legality by the Corporation Counsel, are authorized to execute in behalf of the City of Chicago an amendment to agreement between the City of Chicago and United Air Lines, Inc., passed by the City Council December 30, 1957 (C.J.P. pp. 7068-7069), as amended September 19, 1966 (C.J.P. pp. 7247-7249), and March 6, 1967 (C.J.P. pp. 8485-8486), said amendment to be in the following form:

AMENDMENT TO AGREEMENT
BETWEEN THE CITY OF CHICAGO AND
UNITED AIR LINES, INC.

This Agreement, made and entered into, this ..... day of ..............., A.D. 19..., by and between the City of Chicago, a municipal corporation of the State of Illinois, hereinafter referred to as "Licensor" and United Air Lines, Inc., hereinafter referred to as "Licensee".

WITNESSETH:

Whereas, Licensor and Licensee have heretofore entered into an agreement under date of January 1, 1958, authorized by City Council December 30, 1957

(C.J.P. pp. 7068-7069) as amended under dates of September 19, 1966 (C.J.P. pp. 7247-7249), March 6, 1967 (C.J.P. pp. 8485-8486), hereinafter referred to as "said agreement", in and by which Licensor, among other provisions granted to Licensee, certain privileges or premises to be occupied and used for the purposes therein stated, located at Chicago Midway Airport in the City of Chicago, Counties of Cook and DuPage, and State of Illinois;

Now, Therefore, Licensor, in consideration of the provisions and conditions set forth in said agreement, does hereby amend said agreement, and Licensee hereby accepts said privileges or premises therein set forth and upon the terms, conditions and provisions set forth and stated therein (to which reference is hereby made, and which the parties agree will be incorporated, and shall be considered to be incorporated herein, by this reference thereto) except insofar and only in so far as said privileges, premises, terms, conditions and provisions are modified, changed, or amended by the further provisions of this agreement.

It is hereby further agreed that the sole modifications of, changes in, and amendments to, said agreement, which are hereby made therein, and which shall be applicable to all renewals and extensions as may be made and provided for therein, are as follows:

1. Paragraph four (4) appearing on page two (2) of said agreement, as amended, reading as follows:

> "4. This agreement with the rights and privileges herein granted shall be subject to termination and cancellation by either party upon ninety (90) days' written notice to the other party, or in the event the terms and conditions hereof are not fulfilled, or in the further event the Licensee abandons the use of the premises for the purposes herein stated. In no event shall this license continue beyond December 31, 1969."

shall be and the same is hereby modified, changed and further amended to read as follows:

> 4. This agreement with the rights and privileges herein granted shall be subject to termination and cancellation by either party upon ninety (90) days' written notice to the other party, or in the event the terms and conditions hereof are not fulfilled, or in the further event the Licensee abandons the use of the premises for the purposes herein stated. This license shall terminate December 31, 1974.

2. Paragraph thirteen (13) of said agreement, as amended, reading as follows:

> "13. Licensee agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color or national origin, nor otherwise commit an unfair employment practice. Licensee further agrees that this article will be incorporated by Licensee in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement. Attention is called to Executive Order 10925 issued March 6, 1961, 3 CFR 1959-1963 Comp. p. 448, as amended; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1963, Ch. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1963, Ch. 29, Secs. 17 to 24 inclusive; and July 21, 1961, Ill. Rev. Stat. 1963, Ch. 48, Secs. 851 to 866 inclusive, and an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings. To demonstrate compliance the Licensee and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations."

shall be and the same is hereby modified, changed and amended to read as follows:

> 13. Licensee agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Licensee will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation and selection for training, including apprenticeship. Licensee agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause. Licensee further agrees that this article will be incorporated by Licensee in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled, and craft union skilled labor, or who may perform any such labor or services in connection with this agreement.

Attention is called to Executive Order 11246 issued September 24, 1965, 3 CFR p. 567, 1966; The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1967, CH. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1967, CH 29, Secs. 17 to 24 inclusive; July 21, 1961, Ill. Rev. Stat. 1967, CH 48, Secs. 851 to 866 inclusive, and July 26, 1967, Ill. Rev. Stat. 1967, CH. 48, Secs. 881 to 887 inclusive; to an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings, and to the provisions of 41 CFR Chapter 60.

To demonstrate compliance the Licensee and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

It is, therefore, agreed that except solely as hereinabove modified, changed and amended, the privileges, premises, terms, conditions and provisions of said agreement shall apply to, and shall govern, this amendment of said agreement and any and all further renewals or extensions thereof for any subsequent period which may be affected or made under and in accordance therewith.

Execution of this amendment authorized by ordinance of the City Council of the City of Chicago passed on the ............ day of .............., 19...., (C. J. P. pp. .................).

In Witness Whereof, the parties hereto have caused this instrument to be executed under their respective seals on the day and year first above written.

[Signature forms omitted]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

## City Comptroller Authorized to Execute Leases of Certain Properties for Municipal Purposes.

The Committee on Finance submitted a report recommending that the City Council pass sundry proposed ordinances transmitted therewith, to authorize the City Comptroller to lease specified parcels of property for use of City Departments and Agencies.

On separate motions made by Alderman Keane *each* of the said proposed ordinances was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Said ordinances as passed read respectively as follows (the Italic heading in each case not being a part of the ordinance):

*Dept. of Environmental Control.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the City Comptroller is authorized to execute on behalf of the City of Chicago, a lease from Arthur Rubloff and Company, Agents for the south one-half of the seventh floor consisting of approximately 5,400 square feet gross area in building located at and commonly known as 325 N. Wells Street, for the Engineering Services Division of the Department of Environmental Control, such lease to be approved by the Commissioner of the Department of Environmental Control and to be approved as to form and legality by the Corporation Counsel in the following form:

[Lease attached to this ordinance printed on page 8097 of this Journal]

1. The Lessee agrees not to introduce any hazards in the conduct of its business which are objectionable to the Illinois Inspection and Rating Bureau or its successor or to the group of mutual insurance companies carrying fire insurance on the property in which the demised premises are situated and to comply with such requirements of the insurance authorities controlling the rates of said building and contents as will tend to reduce such rates of insurance for both the Lessor and the tenants in the building.

2. Lessor shall charge Lessee for electricity consumed by Lessee on the premises at rates not to exceed the rates charged by the Commonwealth Edison Company or its successor.

3. Lessor shall furnish air conditioning to provide a temperature and humidity condition required, in Lessor's judgment, for comfortable occupancy of the leased premises under normal business operations, daily from 8:00 a.m. to 6:00 p.m. (Saturdays to 1:00 p.m.), Sundays and holidays excepted, except for interruptions due to repairs, alterations, strikes, lockouts, accidents, the inability of Lessor to obtain fuel or supplies, or any other cause beyond the reasonable control of Lessor.

4. It is further understood and agreed that the Lessor shall furnish the lamps for the fluorescent light fixtures; at Lessee's expense.

[Signature forms omitted]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

*Dept. of Human Resources*
*(1123 N. Ashland Av.)*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the City Comptroller is authorized to execute on behalf of the City of Chicago, a lease from Charles C. Breyer for approximately 1,000 square feet, at No. 1123 N. Ashland Avenue, second floor, for office of Westtown Unit, Community Services, Division of Human Resources, such lease to be approved by the Commissioner of the Department of Human Resources, and to be approved as to form and legality by the Corporation Counsel in the following form:

[Lease attached to this ordinance printed on page 8098 of this Journal]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

*Dept. of Human Resources*
*(133 E. 47th St.)*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the City Comptroller is authorized to execute on behalf of the City of Chicago, a lease from Draper and Kramer, as Agents for Chicago Title and Trust Co., as Trustee, under Trust No. 32308, for office space for twelve (12) offices or rooms consisting of approximately 1,900 square feet on the second floor of a two-story commercial building, such lease to be approved by the Commissioner of the Department of Human Resources, and to be approved as to form and legality by the Corporation Counsel in the following form:

[Lease attached to this ordinance printed on page 8099 of this Journal]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

*Model Cities Community Program*
*(2815 W. Harrison St.)*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the City Comptroller is authorized to execute on behalf of the City of Chicago, a lease from Westside Variety Store, Inc. for approximately 2,890 square feet on second floor at No. 2815 W. Harrison Street, Chicago, Illinois, as office space for West Area Model Cities Program, such lease to be approved by the Director of Model Cities, and to be approved as to form and legality by the Corporation Counsel in the following form:

[Lease attached to this ordinance printed on page 8100 of this Journal]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

*Model Cities Community Program*
*(871 E. 63rd St.)*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the City Comptroller is authorized to execute on behalf of the City of Chicago, a lease from Drexel 63rd Corporation, for approximately 4,500 square feet in first floor as office space at No. 871 E. 63rd Street, for (3rd Police District) Model Cities Community Service Aides offices, such lease to be approved by the Superintendent of the

(Continued on page 8101)

**This Agreement,** Made this .............................. day of ..............................

A. D. 1970, between Arthur Rubloff and Company, Agents

.............................................................................., as Lessor
and the CITY OF CHICAGO, a Municipal Corporation, as Lessee:

**Witnesseth:** That the Lessor does hereby lease to the Lessee the following described premises situated in the City of Chicago, County of Cook and State of Illinois, to-wit:

The south one-half of the seventh floor consisting of approximately 5,400 square feet gross area in building located at and commonly known as 325 N. Wells Street, for the Engineering Services Division of the Department of Environmental Control.

To have and to hold said premises unto the Lessee for a term beginning on the 1st day of March A. D. 19 70, and ending on the 28th day of February A. D. 1971. Lessee has the right to terminate this lease upon thirty (30) days prior written notice ~~and the right to terminate this lease for~~

~~by giving to the Lessor in either case days' written notice of its election so to do~~

Any notice from Lessee to Lessor under or in regard to this lease may be served by mailing a copy thereof to the Lessor at 69 West Washington Street - 60602 or at such other place as the Lessor from time to time in writing may appoint.

Lessee shall pay rent for said premises during the continuance of this lease at the rate of One Thousand Six Hundred Eight-Seven and 50/100------($1,687.50) Dollars per month, payable in advance on the first day of each calendar month at the office of the City Comptroller. Assessments for water tax levied against said premises for all or part of the term of this lease shall be paid by the Lessor

Lessor during the entire term of this lease shall keep in a condition of thorough repair and good order at its own expense, said demised premises and appurtenances, including catch basins, vaults and sidewalks. If the Lessor shall refuse or neglect to make needed repairs within ten days after written notice thereof sent by the Lessee, the Lessee is authorized to make such repairs and to deduct the cost thereof from rentals accruing under this lease.

It is agreed however, that Lessee shall repair all damages caused by Lessee.

It is mutually agreed and understood by and between parties hereto that the remuneration mentioned in this lease is payable solely from funds when made available by the Federal Government.

Lessee shall not assign this lease or sublet said premises or any part thereof without the written consent of the Lessor, and upon the termination of this lease shall surrender said premises to the Lessor in as good condition as at the beginning of the term of this lease, loss by fire or other casualty, ordinary wear and repairs chargeable to the Lessor, excepted.

Lessor shall have the right of access at reasonable times for examining or exhibiting said premises and for making repairs, and shall be allowed to place thereon notices of "To Rent" for sixty days prior to the termination of this lease, and of "For Sale" at all times, but all such notices shall be placed in positions acceptable to the Lessee.

Lessee shall have the right to make such alterations, additions and improvements on said premises as it shall deem necessary, provided that such additions and improvements whether made during the term of this lease or prior thereto, shall be regarded as removable fixtures, all ~~or any part~~ of which the Lessee ~~at its election may at its expense~~ shall/ remove prior to the termination of this lease. subject to Lessor's reasonable approval.

In case said premises shall be rendered untenantable by fire or other casualty during said term, Lessor may rebuild said premises within thirty days, but failing so to do, or if said premises shall be destroyed by fire or other casualty, this lease thereby shall be terminated; in the event of such a termination of this lease, Lessee shall be chargeable with rent only to the date of such fire or other casualty, and if Lessor shall rebuild within thirty days, Lessee shall be excused from payment of rent for the period of such rebuilding. Additional provisions are incorporated on reverse side.

**In Witness Whereof,** this lease is signed by or on behalf of the parties hereto the day and year first above written.

**This Agreement,** Made this.................... day of....................

A. D. 1970, between Charles C. Breyer (owner)

...................., as Lessor

and the CITY OF CHICAGO, a Municipal Corporation, as Lessee:

**Witnesseth:** That the Lessor does hereby lease to the Lessee the following described premises situated in the City of Chicago, County of Cook and State of Illinois, to-wit: Second floor of building at 1123 N. Ashland Avenue, approximately 1,000 square feet, for office of Westtown Unit, Community Services, Division of Human Resources.

To have and to hold said premises unto the Lessee for a term beginning on the 1st day of April A. D. 1970, and ending on the 31st day of March A. D. 1972. Lessee has the right to terminate this lease on 30 day prior notice ~~and the right to renew this lease for a further period of~~ ~~on the same terms and conditions, by giving to the Lessor days written notice of its election so to do.~~

Any notice from Lessee to Lessor under or in regard to this lease may be served by mailing a copy thereof to the Lessor at 1123 N. Ashland Avenue, Chicago, Illinois 60622 or at such other place as the Lessor from time to time in writing may appoint.

Lessee shall pay rent for said premises during the continuance of this lease at the rate of One Hundred and n0/100 ---------------------------------------------------- ($ 100.00) Dollars per month, payable in advance on the first day of each calendar month at the office of the City Comptroller. Assessments for water tax levied against said premises for all or part of the term of this lease shall be paid by the Lessor

Lessor during the entire term of this lease shall keep in a condition of thorough repair and good order at his own expense, said demised premises and appurtenances, including catch basins, vaults and sidewalks. If the Lessor shall refuse or neglect to make needed repairs within ten days after written notice thereof sent by the Lessee, the Lessee is authorized to make such repairs and to deduct the cost thereof from rentals accruing under this lease.

Lessor agrees to furnish heat and hot water at his expense, and will clean when necessary.

Lessee pays own electricity as metered.

Lessee shall not assign this lease or sublet said premises or any part thereof without the written consent of the Lessor, and upon the termination of this lease shall surrender said premises to the Lessor in as good condition as at the beginning of the term of this lease, loss by fire or other casualty, ordinary wear and repairs chargeable to the Lessor, excepted.

Lessor shall have the right of access at reasonable times for examining or exhibiting said premises and for making repairs, and shall be allowed to place thereon notices of "To Rent" for sixty days prior to the termination of this lease, and of "For Sale" at all times, but all such notices shall be placed in positions acceptable to the Lessee.

Lessee shall have the right to make such alterations, additions and improvements on said premises as it shall deem necessary, provided that such additions and improvements whether made during the term of this lease or prior thereto, shall be regarded as removable fixtures, all or any part of which the Lessee at its election may leave on said premises, or remove prior to the termination of this lease.

In case said premises shall be rendered untenantable by fire or other casualty during said term, Lessor may rebuild said premises within thirty days, but failing so to do, or if said premises shall be destroyed by fire or other casualty, this lease thereby shall be terminated; in the event of such a termination of this lease, Lessee shall be chargeable with rent only to the date of such fire or other casualty, and if Lessor shall rebuild within thirty days, Lessee shall be excused from payment of rent for the period of such rebuilding.

### Execution of Lease Authorized with Grand Trunk Western RR. Co. for Use of Vacant Land by Chicago Park District.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the City Comptroller is authorized to execute on behalf of the City of Chicago a renewal of lease from Grand Trunk Western Railroad Company, a Michigan Corporation, for approximately 145,500 square feet of vacant land at W. 57th Street and S. St. Louis Avenue, described as follows:

A triangular shaped parcel situated in the City of Chicago, Cook County, and State of Illinois, more particularly described as follows: Beginning at a point on the west line of St. Louis Av. and its intersection with the north line of W. 57th St., in said city, thence northerly along the west line of St. Louis Av. a distance of six hundred (600) feet, thence South westerly a distance of seven hundred sixty nine (769) feet to a point on the north line of W. 57th. Street, thence easterly along said northerly street line a distance of four hundred eighty five (485) feet, more or less, to the point of beginning.

Such lease to be approved by the Director of Real Estate, and to be approved as to form and legality by the Corporation Counsel in substantially the following form (above lease originally passed by the City Council on June 19, 1968, C. J. pages 3020 to 3024 and containing similar provisions).

SECTION 2. This ordinance shall be in force and effect from and after its passage.

On motion of Alderman Keane the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

---

### Execution of Lease Agreement Authorized with Illinois Bell Telephone Co. for Relay Tower, Etc., at Navy Pier.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to authorize a lease agreement with Illinois Bell Telephone Company for a relay tower etc., at Navy Pier.

On motion of Alderman Keane the said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

**The following is said ordinance as passed:**

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Port Director and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel are authorized to execute in behalf of the City of Chicago an agreement with Illinois Bell Telephone Company, said agreement to be in the following form:

This Agreement made this .................. day of .................A.D. 1969,, between the City of Chicago, a municipal corporation of the State of Illinois, hereinafter called "Landlord" and Illinois Bell Telephone Company, a corporation organized and existing by virtue of the laws of the State of Illinois, hereinafter called "Tenant".

WITNESSETH:

That Landlord, for and in consideration of the terms and conditions, hereinafter contained and

**This Agreement,** Made this........ day of........

A. D. 19 70, between Drexel 63rd Corporation

........, as Lessor and the CITY OF CHICAGO, a Municipal Corporation, as Lessee:

**Witnesseth:** That the Lessor does hereby lease to the Lessee the following described premises situated in the City of Chicago, County of Cook and State of Illinois, to-wit: approximately 4,500 square feet in first floor as office space at 871 E. 63rd Street, for (3rd Police District) Model Cities Community Service Aides offices.

To have and to hold said premises unto the Lessee for a term beginning on the 1st day of April A. D. 19 70/ or date of occupation and ending on the 31st day of March A. D. 19 72. Lessee has the right to terminate this lease on 30 day prior notice ~~and the right to renew this lease for a further period of~~

~~at the same rental, by giving to the Lessor, in writing days written notice of its election~~

Any notice from Lessee to Lessor under or in regard to this lease may be served by mailing a copy thereof to the Lessor at Erwin May, 3160 N. Lincoln Ave., Chicago, 60657 or at such other place as the Lessor from time to time in writing may appoint.

Lessee shall pay rent for said premises during the continuance of this lease at the rate of One Thousand and no/100--------------------------------------------($1,000.00) Dollars per month, payable in advance on the first day of each calendar month ~~at~~ by the office of the City Comptroller. Assessments for water tax levied against said premises for all or part of the term of this lease shall be paid by the Lessor

Lessor during the entire term of this lease shall keep in a condition of thorough repair and good order at Lessor's own expense, said demised premises and appurtenances, including catch basins, vaults and sidewalks. If the Lessor shall refuse or neglect to make needed repairs within ten days after written notice thereof sent by the Lessee, the Lessee is authorized to make such repairs and to deduct the cost thereof from rentals accruing under this lease.

Lessor to furnish air-conditioning and heat, hot water, engineer to operate and maintain heating plant, remove partitions as needed.

Lessee to furnish plate glass insurance, electricity (separate meter). Janitor to maintain air conditioners. It is mutually agreed and understood by and between the parties hereto that the remuneration mentioned in this lease is payable solely from funds when made available by the Federal Government, from Model Cities Funds.

Lessee shall not assign this lease or sublet said premises or any part thereof without the written consent of the Lessor, and upon the termination of this lease shall surrender said premises to the Lessor in as good condition as at the beginning of the term of this lease, loss by fire or other casualty, ordinary wear and repairs chargeable to the Lessor, excepted.

Lessor shall have the right of access at reasonable times for examining or exhibiting said premises and for making repairs, and shall be allowed to place thereon notices of "To Rent" for sixty days prior to the termination of this lease, and of "For Sale" at all times, but all such notices shall be placed in positions acceptable to the Lessee.

Lessee shall have the right to make such alterations, additions and improvements on said premises as it shall deem necessary, provided that such additions and improvements whether made during the term of this lease or prior thereto, shall be regarded as removable fixtures, all or any part of which the Lessee at its election may leave on said premises, or remove prior to the termination of this lease.

In case said premises shall be rendered untenantable by fire or other casualty during said term, Lessor may rebuild said premises within thirty days, but failing so to do, or if said premises shall be destroyed by fire or other casualty, this lease thereby shall be terminated; in the event of such a termination of this lease, Lessee shall be chargeable with rent only to the date of such fire or other casualty, and if Lessor shall rebuild within thirty days, Lessee shall be excused from payment of rent for the period of such rebuilding.

In Witness Whereof, this lease is signed by or on behalf of the parties hereto the day and year first above written.

[Signature forms omitted]

**This Agreement,** Made this ................ day of ................

A. D. 1970, between Reverend Domenic Carmon (Pastor of St. Elizabeth Parish)

................, as Lessor ,
and the CITY OF CHICAGO, a Municipal Corporation, as Lessee:

**Witnesseth:** That the Lessor do hereby lease to the Lessee the following described premises situated in the City of Chicago, County of Cook and State of Illinois, to-wit: approximately 5,473 square feet (4,713 square feet exclusive for Lessee and approximately 760 square feet used jointly Lessor and Lessee) at Old St. Elizabeth High School Center, by Chicago Committee on Urban Opportunity (Neighborhood Improvement and Beautification Program. (4046 S. Michigan Avenue)

To have and to hold said premises unto the Lessee for a term beginning on the 1st day of February A. D. 1970/ or date of occupation, and ending on the 31st day of January A. D. 1972. Lessee has the right to terminate this lease on 30 day prior notice ~~and the right to renew this lease for a further period of~~

~~years at the same rental and upon the same terms by giving to the Lessor days written notice of its election so to do.~~

Any notice from Lessee to Lessor under or in regard to this lease may be served by mailing a copy thereof to the Lessor at 4046 S. Michigan Avenue, Chicago, Illinois 60653 or at such other place as the Lessor from time to time in writing may appoint.

Lessee shall pay rent for said premises during the continuance of this lease at the rate of Three Hundred and no/100------------------------------------------------ ($300.00) Dollars per month, payable in advance on the first day of each calendar month at the office of the City Comptroller. Assessments for water tax levied against said premises for all or part of the term of this lease shall be paid by the Lessor

Lessor during the entire term of this lease shall keep in a condition of thorough repair and good order at his own expense, said demised premises and appurtenances, including catch basins, vaults and sidewalks. If the Lessor shall refuse or neglect to make needed repairs within ten days after written notice thereof sent by the Lessee, the Lessee is authorized to make such repairs and to deduct the cost thereof from rentals accruing under this lease.

Lessor will furnish heat, electricity, hot water and wash room facilities, locker rooms and office area space, also furnish joint use of Women's Washroom, Locker Room in the 760 square feet space.

Lessee may install partitions as needed and janitor for space used.

It is mutually agreed and understood by and between the parties hereto that the remuneration mentioned in this lease is payable solely from funds when made available by the Federal Government.

Lessee shall not assign this lease or sublet said premises or any part thereof without the written consent of the Lessor , and upon the termination of this lease shall surrender said premises to the Lessor in as good condition as at the beginning of the term of this lease, loss by fire or other casualty, ordinary wear and repairs chargeable to the Lessor , excepted.

Lessor shall have the right of access at reasonable times for examining or exhibiting said premises and for making repairs, and shall be allowed to place thereon notices of "To Rent" for sixty days prior to the termination of this lease, and of "For Sale" at all times, but all such notices shall be placed in positions acceptable to the Lessee.

Lessee shall have the right to make such alterations, additions and improvements on said premises as it shall deem necessary, provided that such additions and improvements whether made during the term of this lease or prior thereto, shall be regarded as removable fixtures, all or any part of which the Lessee at its election may leave on said premises, or remove prior to the termination of this lease.

In case said premises shall be rendered untenantable by fire or other casualty during said term, Lessor may rebuild said premises within thirty days, but failing so to do, or if said premises shall be destroyed by fire or other casualty, this lease thereby shall be terminated; in the event of such a termination of this lease, Lessee shall be chargeable with rent only to the date of such fire or other casualty, and if Lessor shall rebuild within thirty days, Lessee shall be excused from payment of rent for the period of such rebuilding.

**In Witness Whereof,** this lease is signed by or on behalf of the parties hereto the day and year first above written.

[Signature forms omitted]

*This License and Agreement,* made as of the 1st day of January 1969, between

THE BALTIMORE AND OHIO CHICAGO TERMINAL RAILROAD COMPANY hereinafter called Railroad as First Party, and CITY OF CHICAGO, ILLINOIS, located at Chicago, Illinois hereinafter called Second Party,

***Witnesseth:***

I. That RAILROAD does hereby license Second Party, subject to the terms and conditions appended hereto, to use certain land and track held by Railroad at Chicago, Illinois and hereinafter called "the premises" and to use the same solely for the purpose of driveway, parking automobiles of Second Party's employees and storing railroad cars. The premises, as indicated on print attached hereto and hereby made a part hereof, are described as follows:

Being three (3) parcels of land on east side of Western Avenue, as indicated in red, green and yellow on said print, V. S. 137.1(SL-3g), together with Railroad's track on the latter parcel.

II. That SECOND PARTY, as consideration for the grant of this license, agrees to keep and perform the terms and conditions hereinabove referred to, and to reimburse Railroad for all taxes/ applicable to the parcel colored green, and assessments and charges for water, sewer rent, heating and electric current levied against the premises, within thirty (30) days after presentation of bills therefor, and also to pay to Railroad the sum of ONE THOUSAND TWO HUNDRED ---------------------------------------- DOLLARS ($ 1,200.00) per annum payable annually in advance from the date hereof.

Unless sooner terminated as provided herein, this agreement shall expire on December 31, 1971.

[Signature forms omitted]

(Continued from page 8101)

made on the part of Tenant, does hereby grant to Tenant for use only by Tenant, the privileges hereinafter described on premises at Navy Pier, Foot of Grand Avenue, Chicago, Illinois 60611, hereinafter called "Pier". A plat of said pier occupied is attached hereto and made a part thereof and is shown as Exhibit "A".

[Exhibit "A" attached to this ordinance printed on page 8109]

### ARTICLE I

This agreement shall be subject and subordinate to:

(a) Any existing or future Federal or State Statute or any existing or future lease or agreement between Landlord and the United States or the State of Illinois, or political subdivisions thereof, relative to the development, construction, operation or maintenance of the Pier, the execution of which has been or may be required as a condition precedent to the expenditure of Federal, State or other public funds for the development, construction, operation or maintenance of said Pier.

(b) The right of Landlord to further develop, improve, maintain, modify and repair Pier, the facilities therein and the roadways and approaches thereto, as it so sees fit, regardless of the desires or views of the Tenant and without interference or hindrance by the Tenant.

### ARTICLE II

The Tenant shall not, without prior approval of the Port Director, the City Comptroller and the City Council, assign or transfer this agreement nor any share, part or interest therein, nor sublet any part thereof, nor any of the rights or privileges granted hereby, nor enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor unless otherwise expressly provided herein. Tenant further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities at Pier, with any individual, partnership or corporation without prior approval of the Port Director, the City Comptroller and the City Council, it being understood that the only activity that Tenant may conduct directly or indirectly, alone or through others, on, upon or from said Pier and facilities located thereon, be they demised to others or under the control of Landlord, is as authorized under the terms of this agreement.

In the event of the issuance of this right or privilege to more than one individual or other legal entity (or to any combination thereof), then and in that event, each and every obligation or undertaking hereinstated to be fulfilled or performed by the Tenant shall be the joint and several obligation of each such individual or other legal entity.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then the Port Director, the City Comptroller or the City Council may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of copartners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

### ARTICLE III

Tenant has examined the premises prior to, and as a condition precedent to, the execution hereof and is satisfied with the physical condition of said premises, and its taking possession thereof will be conclusive evidence of its receipt of said premises in a safe, sanitary and slightly condition and in good repair.

### ARTICLE IV

Tenant shall not attach, affix, or permit to be attached or affixed, upon the premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Port Director (hereinafter called "Director") first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae, improvements or fixtures. In connection therewith Director may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor and if then approved may incorporate all or part thereof within this agreement as attachments thereto.

### ARTICLE V

Tenant, at the expense of Tenant, shall keep the premises in a safe, sanitary and sightly condition and good repair and shall restore and yield the same back to Landlord upon the termination of this agreement in such condition and repair, ordinary wear and tear excepted, and if said premises shall not be so kept by Tenant, Landlord may enter the premises (without such entering causing or constituting a termination of the privilege or an interference with the possession of said premises by Tenant) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Tenant and Tenant agrees to pay Landlord, in addition to the rent and charges hereby reserved, all such costs and expenses.

### ARTICLE VI

Tenant covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Tenant.

In addition to the rent and charges hereinafter outlined, Tenant shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago.

Tenant shall assume all risks incident to or in connection with the business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Pier and shall indemnify, defend and save harmless the Landlord, its authorized agents and representatives, from any penalties for violation of any law, ordinances or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Landlord, Tenant, or any of their agents or employees.

Landlord shall not be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from Landlord's acts, omission or neglect in the maintenance and operation of the Pier facilities.

### ARTICLE VII

Tenant, at the expense of Tenant, shall keep in force, during the term of this agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by the Comptroller of the City of Chicago (hereinafter called "Comptroller") for the protection of Landlord and/or Tenant. Insurance requirements hereunder shall be subject to the sole determination of the Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products, Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of the Comptroller. All policies or endorsements thereto shall in all cases where possible name Landlord as co-insured thereunder.

Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller for incorporation within this agreement as attachment thereto. In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article VI of this agreement.

### ARTICLE VIII

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by Tenant or others pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

### ARTICLE IX

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, if authorized, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with the further provisions of this agreement and any and all regulations promulgated by Landlord or the Director, or other lawful authority, for the care, operation, maintenance and protection of the Pier and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and to such other provisions of related agreements as may be pertinent as entered into between Landlord and others governing the use of and operations at the Pier.

Tenant does further covenant, promise and agree that said Tenant will not employ any person or persons in or about the premises or on the Pier who shall be objectionable to the Director and if such persons shall be employed by Tenant, he, she, or they, shall be removed upon request of said Director.

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from Pier.

### ARTICLE X

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook County, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

### ARTICLE XI

If Tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in case of nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant, shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promises in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

### ARTICLE XII

Tenant shall observe and comply with all laws, ordinance, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance of administration of the Pier, now in effect or hereafter promulgated.

### ARTICLE XIII

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

### ARTICLE XIV

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefor whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.

### ARTICLE XV

To insure faithful performance of the covenants, conditions and agreements herein contained, Tenant, at the expense of Tenant shall, before exercising any rights or privileges accorded hereunder, furnish a bond in form, kind and amount as determined and directed solely by the Comptroller for incorporation within this agreement as attachment thereto.

### ARTICLE XVI

Tenant agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age, or national origin, nor otherwise commit an unfair employment practice. Tenant further agrees that this article will be incorporated by Tenant in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement. Attention is called to Executive Order 11246 issued September 24, 1965, 3 CER p. 567, 1966: The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.: to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1967, CH. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1967, CH. 29, Secs. 17 to 24 inclusive; July 21, 1961, Ill. Rev. Stat. 1967, CH. 48, Secs. 851 to 866 inclusive, and July 26, 1967, Ill. Rev. Stat. 1967, CH. 48, Secs. 881 to 887 inclusive, and an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings.

To demonstrate compliance the Tenant and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

### ARTICLE XVII

If Tenant should perform on the premises any work to which the provisions of Federal Law 29CFR, Parts 4 and 5, as amended, or of 1967 Ill. Revised Statutes, Ch. 48, Secs. 39s-1 to 39s-12 inclusive, are applicable, the Tenant shall comply with such applicable law.

### ARTICLE XVIII

This agreement shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois.

### ARTICLE XIX

1. *Premises*

A. Landlord leases to Tenant a room, approximately 6 feet by 8 feet located on the Fourth level of the North Tower at the East end of the Pier.

B. Landlord leases to Tenant an irregularly shaped space on the Second floor at the West end of the Pier appearing in red on the attached Exhibit "A".

C. Landlord grants to Tenant the privilege to install public pay telephones at the Pier at various locations as mutually agreed upon by Director and Tenant.

2. *Purpose*

Tenant shall use the demised premises for a relay tower and for the storage of equipment and supplies and for any other purposes necessary for the conduct of a telephone and coastal harbor radio business and for no other purpose.

3. *Term*

The term of this Agreement shall begin on the .............. day of .................., 1969, the date of approval of the authorizing ordinance by the City Council, and terminate two years thereafter subject to cancellation by either party on Ninety (90) Days notice in writing.

4. *Operations*

A. Tenant shall install, relocate and remove public pay telephones at the Pier at its own cost and expense upon the written request of the Director.

B. Tenant may install, maintain and remove, at its own cost and expense, such antennae and related equipment as it may require from time to time in furtherance of its operations at the Pier.

5. *Rental*

A. Tenant shall pay Landlord an annual rental in advance for the demised premises the sum of Two Hundred Twenty-five and no/100 Dollars ($225.00).

B. In addition, Tenant shall pay to Landlord a percentage of the Gross Monthly Revenue obtained from the public pay telephones whether obtained in cash, reversed charges or use of credit cards as follows:

1. Seventeen and one-half Percent (17½%) on local calls, subject to Illinois Commerce Commission rulings, and
2. Twenty-one Percent (21%) on toll calls.

C. Tenant shall furnish to the City Comptroller, with a copy to the Director, on or before the 20th day following the last day of each calendar month during the term of this Agreement, a statement, certified in such manner as said Comptroller may prescribe, of the Gross Monthly Revenue during the preceding month, or portion thereof, accompanied by payment for the agreed upon percentages.

Notwithstanding the foregoing, if any rental and/or percentage rental commences otherwise than as of the first day of any month or terminates prior to the last day of any month, rental and/or percentage rental for such month shall be determined on a pro-rata basis according to the number of days of such month involved.

D. All payments as hereinabove provided shall be made at the offices of the City Comptroller, Room 501 City Hall, Chicago, Illinois 60602.

6. *Records*

Tenant shall:

A. Maintain, in accordance with accepted accounting practices, during the term of this Agreement and for one year after the termination and expiration thereof, and for a further period extending until the City Comptroller shall give written consent to the disposal thereof, records and books of account recording all transactions at, through, or in any way connected with the operation of its concession at the Pier. Upon request from the City Comptroller, such books of account and records shall be made available to the City Comptroller at a convenient location within the City of Chicago, Illinois.

B. Permit in ordinary business hours during the term of this Agreement, and for any period thereafter during which such records shall be maintained in accordance with subparagraph 6A hereof, the examination and audit by the officers, employees, and representatives of Landlord of such records and books of account.

ARTICLE XX

Notices to the Landlord provided for herein may be sent by registered mail, postage prepaid, addressed to the Port Director of the City of Chicago, Navy Pier, Chicago, Illinois, 60611, and notices to Tenant provided for herein may be sent by registered mail, postage prepaid, addressed to Tenant at Illinois Bell Telephone Co., 225 W. Randolph Street, Chicago, Illinois 60606.

Execution of this Agreement authorized by ordinance of the City Council of the City of Chicago passed .................. (C.J.P..............).

In Witness Whereof, the parties hereto have caused this instrument to be signed in triplicate under their respective seals on the day and year first above written.

[Signature forms omitted]

SECTION 2. This ordinance shall be in force and effect from and after the date of its passage.

---

### Authority Granted for Execution of Lease Agreement with Illinois Men's and Boy's Apparel Club, Inc. for Trade Show at Navy Pier.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to authorize the execution of a lease agreement with Illinois Men's and Boy's Apparel Club, Inc. for Trade Show at Navy Pier.

On motion of Alderman Keane the said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Port Director and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel are authorized to execute in behalf of the City of Chicago an agreement with Illinois Men's and Boy's Apparel Club, Inc., 36 South State Street, Chicago, Illinois 60603, said agreement to be in the following form:

This Agreement made this 20th day of January, A.D., 1970, between the City of Chicago, a municipal corporation of the State of Illinois, hereinafter called "Landlord" and Illinois Men's and Boy's Apparel Club, Inc., a corporation organized and existing by virtue of the laws of the State of Illinois, hereinafter called "Tenant".

WITNESSETH:

That Landlord, for and in consideration of the terms and conditions, both general and special, hereinafter contained and made on the part of Tenant, does hereby grant to Tenant for use only by Tenant, the privileges hereinafter described on pre-

mises at Navy Pier, foot of Grand Avenue, Chicago, Illinois 60611, hereinafter called "Pier", a plat of said Pier being attached hereto.

This Agreement shall consist of three parts:

Part I — General Conditions
Part II — Special Conditions numbered 1 to 5
Part III — Exhibits and Attachments lettered A

All constituting the entire agreement between the parties and no warranties, inducements, considerations, promises or other inferences, shall be implied or impressed upon such agreement that are not set forth herein at length.

[Part I—General Conditions attached to this ordinance is common to "Part I—General Conditions" printed on pages 5491-5494 of the Journal of the Proceedings of May 14, 1969]

### PART II—SPECIAL CONDITIONS

1. *Premises*

Landlord leases to Tenant the following areas of Navy Pier, Chicago, Illinois 60611, and areas known as "lean-to-areas" that may be available for storage purposes (without additional cost) that are immediately adjacent and adjoining the leased area, all as appears on the attached Exhibit:

| | |
|---|---|
| 40,000 sq. ft. | North Hall |
| None sq. ft. | South Hall |
| None sq. ft. | West Hall |
| 40,000 sq. ft. | Total Gross |

2. *Purpose*

Tenant shall use the demised premises for the purpose of Staging Trade Show Featuring Men's and Boy's Clothing, and for no other purpose whatsoever.

3. *Term*

The term of this Agreement shall begin on the 9th day of October, 1970, at 12:01 A.M. and shall terminate on the 15th day of October, 1970, at 12:00 midnight.

4. *Rental*

Tenant shall pay Landlord as rent for the demised premises at the rate of .10 per square foot for the entire period of occupancy the total sum of Four Thousand No/100 Dollars ($4,000.00) payable as follows:

A. $1,000.00 upon the execution of this Agreement by Tenant, and

B. the balance on or before the 30th day prior to the first day of the term hereof.

said rental payments to be made by certified check at the office of the Port Director, Navy Pier, Chicago, Illinois 60611.

5. *Operations*

A. Tenant shall deposit with the Director on or before the 30th day prior to the first day of the term hereof a certified check in the sum of $1,000.00 as a deposit on account of utilities and services furnished by Landlord and to be paid by Tenant.

B. No alcoholic beverages of any kind shall be sold, given away or used in the demised premises.

C. Unless consent in writing from the Director is first received, Tenant shall not operate or put up any engine, motor or machinery on the demised premises or use oils, burning fluids, camphene, kerosene, naptha or gasoline for either mechanical or other purposes, or any other agent other than electricity for illuminating the demised premises.

D. No portion of the sidewalks, entries, passageways, vestibules, halls or stairways, or access to public utilities of said building shall be obstructed by Tenant or used for any other purpose other than for ingress and egress from the demised premises. The doors, skylights, stairways or openings that reflect or admit light into any place in the buildings, including hallways, corridors and passageways, radiators and house lighting appurtenances shall not be covered or obstructed by Tenant. The water closets or other water apparatus shall not be used for any purpose other than that for which they are constructed, and no sweepings, rubbish, rags, papers or other substances shall be thrown therein. Tenant will permit no chair or movable seat to be or remain in the passageways and will keep said passageways clear at all times.

E. If said premises or any portion of said building thereof including any and all utilities shall be damaged by the act, default or negligence of the Tenant, or of Tenant's agents, employees, patrons, guests, or any person admitted to said premises by tenant, Tenant shall pay to Landlord upon demand such sum as shall be necessary to restore said premises to their present condition. Tenant hereby assumes full responsibility for the acts and conduct of all persons admitted to said premises or any portion of said building by the consent of the Tenant or by or with the consent of any person acting for or in behalf of said Tenant, and said Tenant agrees to have on hand at all times, at its own expense, such security force as is deemed necessary by the Director to maintain order and to protect persons and property.

F. It shall be the sole responsibility and authority of the Fire Commissioner of the City of Chicago in determining the total number of persons to be admitted at any and all times to Navy Pier, or any part or section thereof, and his decision, or that of his authorized representative shall be final.

G. Landlord shall have the exclusive right to collect and have custody of articles left in the building by persons attending any performance, exhibition or entertainment given or held in the demised premises, and Tenant, or any persons in Tenant's employ, shall not collect nor interfere with the collection or custody of such articles.

H. Landlord reserves the right to eject any objectionable person or persons from said building, and upon the exercise of this right by the Director, his representatives, agents or policemen, the Tenant hereby waives any right and all claims for damages against the City of Chicago and its employees and agents.

I. Designated staff members of the City of Chicago may enter the building and all of the demised premises at any time and on any occasion.

J. Tenant shall not transmit a description of any portion of its operation by means of radio broadcasting or television without first having received written permission from the Director.

K. Landlord reserves the exclusive right to enter into contracts with concessionaires for the operation of any and all concessions in or about the building known as Navy Pier, and further reserves the right to place and locate these concessionaires wherever Landlord deems necessary, be they in the premises herein demised or elsewhere in and about the said buildings. Tenant is expressly forbidden from entering into its own concession agreements for any product or service, and herewith agrees that it shall make available to the Landlord's concessionaires whatever space is deemed necessary by the Director for purposes of ingress, egress and servicing said concessions.

L. No performance, exhibition or entertainment shall be given or held on the demised premises which shall be objected to by Landlord.

M. Tenant shall provide at its own expense all porters and matrons for toilet areas to keep same in an exceptionally clean and sanitary condition and shall also provide at its own expense all ticket sellers, ticket takers, ushers, crowd directors and any security service required on the direction of the Director.

N. Any and all matters not herein expressly provided for shall be at the discretion of the Director.

In Witness Whereof, the parties hereto have caused this instrument to be signed in triplicate under their respective seals on the day and year first above written.

[Signature forms and attachments omitted]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### Acceptance of Bid Authorized from Bethany Home and Hospital of Methodist Church for City-Owned Vacant Property at Nos. 1618-1620 W. Winnemac Av.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The City of Chicago hereby accepts the bid of Bethany Home and Hospital of the Methodist Church, No. 5025 N. Paulina Street, Chicago, Illinois to purchase for the sum of $12,650.00, the City-owned vacant property described as follows:

Lot 13 and the West 10 feet of Lot 12 in John Reiter's Subdivision of Lots 4, 5 and 6 (except the East 33 feet of said Lot 4) all in Block 3 in Andersonville, being a Subdivision of Andrew J. Brown in the Northeast Quarter of the Southeast Quarter of Section 7 with so much of the Northwest Quarter of the Southwest Quarter as lies West of Green Bay Road in Section 8, Township 40 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois. Commonly known as Nos. 1618-1620 West Winnemac Avenue, Chicago, Illinois.

SECTION 2. The Mayor and the City Clerk are authorized to sign and attest Quitclaim Deed conveying all interest of the City of Chicago in and to said property to said purchaser.

SECTION 3. The City Clerk is authorized to deliver the deposit check of $1,265.00 submitted by said bidder to the City Comptroller, who is authorized to deliver said Deed to the purchaser upon receipt of the balance of the purchase price of said property.

SECTION 4. The City Clerk is further authorized and directed to refund the deposit checks to unsuccessful bidders for the purchase of said property.

SECTION 5. This ordinance shall be in effect from and after its passage.

On motion of Alderman Keane the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### Acquisition of Parcel C Authorized for Fire Station Site at Nos. 3924-3928 N. Harlem Av.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed order transmitted therewith:

*Ordered,* That the Corporation Counsel, in accordance with his recommendation of February 4, 1970, is hereby authorized to acquire the following described property needed for a Fire Station site, to wit:

Lots 33 and 34 in Block 1 of W. F. Kaiser & Co.'s Irving Park Boulevard Subdivision being a Subdivision of the North 20 acres (except the South 47.3 feet thereof) of that part lying South of the Indian Boundary Line of Fractional East One-half of the Fractional Northeast Quarter of Section 24, Township 20, Range 12 East of the Third Principal Meridian, all in Cook County, Illinois,

in the amount of thirty four thousand dollars and no cents ($34,000.00) plus court costs, and the City Comptroller and the City Treasurer are authorized and directed to issue vouchers and pay the amount when approved by the Corporation Counsel from appropriations under Fund No. 447-6480-610.

On motion of Alderman Keane the foregoing proposed order was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### City Comptroller Authorized to Accept Compromise Offers in Settlement of Certain Warrants for Collection.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed order transmitted therewith:

*Ordered,* That the City Comptroller is authorized, in accordance with his requests dated February 20, March 10 and 17, 1970, and the attached recommendations of the Corporation Counsel to accept compromise offers in settlement of various warrants for collection as follows:

### City Comptroller Authorized to Cancel Certain Uncollectible Warrants for Collection.

**The Committee on Finance submitted a report recommending that the City Council pass the following proposed order transmitted therewith:**

> *Ordered,* That the City Comptroller is authorized in accordance with his request dated February 27, 1970, to cancel the uncollectible warrants for collection in the amount of $1,769.85, as listed in his communication.

**On motion of Alderman Keane the foregoing proposed order was *Passed,* by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### City Comptroller Authorized and Directed to Cancel Warrants for Collection Issued against Certain Charitable, Educational and Religious Institutions.

The Committee on Finance to which had been referred (February 25, 1970) sundry proposed orders for cancellations of certain warrants for collection issued against specified charitable, educational and religious institutions, submitted reports recommending that the City Council pass the following substitute proposed order:

> *Ordered,* That the City Comptroller is hereby authorized and directed to cancel specified warrants for collection issued against certain charitable, educational and religious institutions, as follows:

| *Name and Address* | *Warrant No. and Type of Inspection* | *Amount* |
|---|---|---|
| Austin Congregational Church, No. 5460 W. Ohio St. | A1-11716 (Elev.) | $ 9.00 |
| Cook County School of Nursing, No. 1900 W. Polk St. | D-40087 (Elect.) | 9.00 |
| Lutheran Welfare Service of Illinois Thrift Shop, No. 3031 N. Central Av. | D1-3148 (Elect.) | 40.00 |
| Reverend Harvey, No. 5735 S. Indiana Av. | D1-18822 (Sign) | 7.50 |
| St. Mary Byzantine Church, No. 4949 S. Seeley Av. | A1-15316 (Steel Curtain) | 11.50 |
| New Testament Church, No. 3980 S. Drexel Av. | (Sign) | 12.00. |

On motion of Alderman Keane the foregoing substitute proposed order was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl,

McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### Authority Granted for Issuance of Free Permits, License Fee Exemptions, Cancellation of Fees and Water Rates for Certain Charitable, Educational and Religious Institutions.

The Committee on Finance to which had been referred (January 19, and February 25, 1970) sundry proposed ordinances and a proposed order transmitted therewith to authorize issuance of free permits, license and inspection fee exemptions and cancellation of water rates for certain charitable, educational and religious institutions, submitted reports recommending that the City Council pass said proposed ordinances and proposed order.

On separate motions made by Alderman Keane *each* of the said proposed ordinances and the proposed order was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Said ordinances and order as passed read respectively as follows (the Italic heading in each case not being a part of the ordinance):

#### FREE PERMITS

*American Society of Clinical Pathologists*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Buildings, the Commissioner of Public Works, the Commissioner of Streets and Sanitation, the Commissioner of Water and Sewers and the Commissioner of Health, are hereby directed to issue all necessary permits, free of charge, notwithstanding other ordinances of the City to the contrary, to American Society of Clinical Pathologists, for construction of an educational center, for all electrical work, and for the use of water in conjunction with such project on the premises known as No. 2100 W. Harrison Street.

Said building shall be used exclusively for medical and related purposes and shall not be leased or otherwise used with a view to profit, and the work thereon shall be done in accordance with plans submitted.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

*The Catholic Bishop of Chicago (Our Lady of Grace Church)*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Buildings, the Commissioner of Public Works, the Commissioner of Streets and Sanitation, the Commissioner of Water and Sewers and the Commissioner of Health, are hereby directed to issue all necessary permits, free of charge, notwithstanding other ordinances of the City to the contrary, to The Catholic Bishop of Chicago (Our Lady of Grace Church), for alterations to and remodeling of existing church buildings, for all electrical work, and for the use of water in conjunction with such project on the premises known as No. 2466 N. Ridgeway Avenue.

Said building shall be used exclusively for religious and related purposes and shall not be leased or otherwise used with a view to profit, and the work thereon shall be done in accordance with plans submitted.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

*The Catholic Bishop of Chicago (St. Benedict Church)*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Buildings, the Commissioner of Public Works, the Commissioner of Streets and Sanitation, the Commissioner of Water and Sewers and the Commissioner of Health, are hereby directed to issue all necessary permits, free of charge, notwithstanding other ordinances of the City to the contrary, to The Catholic Bishop of Chicago (St. Benedict Church), for reinforcement of foundation and skeletal structure of existing church buildings, for necessary new construction or remodeling, for all electrical work, and for the use of water in conjunction with such project on the premises known as No. 3951 N. Bell Avenue.

Said building shall be used exclusively for religious and related purposes and shall not be leased or otherwise used with a view to profit, and the work thereon shall be done in accordance with plans submitted.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

*Columbus Hospital*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Buildings, the Commissioner of Public Works, the Commissioner of Streets and Sanitation, the Commissioner of Water and Sewers and the Commissioner of Health, are hereby directed to issue all necessary permits, free of charge, notwithstanding other ordinances of the City to the contrary, to Columbus Hospital, for construction of additions to existing hospital buildings, for all electrical work, and for the use of water in conjunction with such project on the premises known as No. 2520 N. Lakeview Avenue.

Said building shall be used exclusively for medical and related purposes and shall not be leased or otherwise used with a view to profit, and the work thereon shall be done in accordance with plans submitted.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

*County of Cook*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Buildings, the Commissioner of Public Works, the Commissioner of Streets and Sanitation, the Commissioner of Water and Sewers and the Commissioner of Health, are hereby directed to issue all necessary permits free of charge, notwithstanding other ordinances to the City to the contrary, to County of Cook, for necessary electrical installation, and for rehabilitation of existing electrical system, on Floors, 3, 3½, 4, 6 and basement of County Building on the premises known as No. 118 N. Clark Street.

Said building shall be used exclusively for governmental purposes and shall not be leased or otherwise used with a view to profit, and the work thereon shall be done in accordance with plans submitted.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

### *The Lithuanian Jesuit Fathers (Jesuit Fathers of Delostrada)*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Buildings, the Commissioner of Public Works, the Commissioner of Streets and Sanitation, the Commissioner of Water and Sewers and the Commissioner of Health, are hereby directed to issue all necessary permits, free of charge, notwithstanding other ordinances of the City to the contrary, to the Lithuanian Jesuit Fathers (Jesuit Fathers of Delostrada), for the construction of an addition to existing Youth Center building and for the use of water in conjunction therewith on the premises known as No. 2345 W. 56th Street.

Said building shall be used exclusively for religious and educational purposes and shall not be leased or otherwise used with a view to profit, and the work thereon shall be done in accordance with plans submitted.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

### *Monastery of The Poor Clares*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Buildings, the Commissioner of Public Works, the Commissioner of Streets and Sanitation, the Commissioner of Water and Sewers and the Commissioner of Health, are hereby directed to issue all necessary permits, free of charge, notwithstanding other ordinances of the City to the contrary, to Monastery of the Poor Clares, for demolition of existing monastery and chapel and for the use of water in conjunction with such project on the premises known as No. 5245 S. Laflin Street.

Said building shall be used exclusively for religious purposes and shall not be leased or otherwise used with a view to profit, and the work thereon shall be done in accordance with plans submitted.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

### *Roseland Community Hospital*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Buildings, the Commissioner of Public Works, the Commissioner of Streets and Sanitation, the Commissioner of Water and Sewers and the Commissioner of Health, are hereby directed to issue all necessary permits, free of charge, notwithstanding other ordinances of the City to the contrary, to the Roseland Community Hospital, for complete remodeling of existing building on the premises known as Nos. 45-69 W. 111th Street.

Said building shall be used exclusively for medical and related purposes and shall not be leased or otherwise used with a view to profit, and the work thereon shall be done in accordance with plans submitted.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

### *The School of Management Finance of Illinois Institute of Technology*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Buildings, the Commissioner of Public Works, the Commissioner of Streets and Sanitation, the Commissioner of Water and Sewers and the Commissioner of Health, are hereby directed to issue all necessary permits, free of charge, notwithstanding other ordinances of the City to the contrary, to the School of Management Finance of Illinois Institute of Technology, for necessary electrical installation and remodeling of electrical system in existing school buildings on the premises known as the northeast corner of E. 31st and S. State Streets.

Said building shall be used exclusively for educational and related purposes and shall not be leased or otherwise used with a view to profit, and the work thereon shall be done in accordance with plans submitted.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

## LICENSE FEE EXEMPTIONS

### *Dyslexia Memorial Institute, Inc.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Pursuant to Section 118-5 of the Municipal Code of Chicago, the following dispensary that is not operated for profit but where a charge is made for the care of patients, is hereby exempted from the payment of the annual dispensary license fee for the year 1970: Dyslexia Memorial Institute, Inc., No. 1936 S. Michigan Avenue.

SECTION 2. This ordinance shall be in full force and effect from and after its passage.

### *Homes*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Water and Sewers is hereby authorized and directed to cancel existing water rates assessed against the Franciscan House of Studies, No. 6107 N. Kenmore Avenue.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

---

## Authority Granted for Issuance of Certificates of Cancellation in Settlement of City's Special-Assessment Claims against Specified Parcels of Property.

The Committee on Finance submitted a report recommending that the City Council pass sundry proposed ordinances transmitted therewith, to authorize settlement of City's special-assessment claims against specified parcels of property.

On separate motions made by Alderman Keane *each* of the said proposed ordinances was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Said ordinances as passed read respectively as follows (the Italic heading in each case not being a part of the ordinance):

*Compromise Settlement with Bonnie Investment Co.*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $146.20, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from Bonnie Investment Co., An Illinois Corporation, to compromise the City's claim for the sum of $150.00, which has been recommended by the Committee on Finance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Comptroller on delivery to him of $150.00, and upon payment of County Clerk's cancellation fees, it hereby authorized and directed to deliver to said Bonnie Investment Co., an Illinois Corporation, certificates of cancellation of special assessment liens against:

West Forty-one (41) feet of Lot Nine (9) in DeKpker's Subdivision of South Eight (8) Rods of West Eighty (W.80) Rods of Southwest quarter (SW¼) of Section 10, Township 37 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the First Installment of Special Assessment Warrant No. 54593.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

*Compromise Settlement with Chicago Title and Trust Co., Trustee.*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $1,483.00, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from Chicago Title and Trust Co., Tr. No. 35046, to compromise the City's claim for the sum of $1,490.00, which has been recommended by the Committee on Finance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Comptroller on delivery to him of $1,490.00, and upon payment of County Clerk's cancellation fees, it hereby authorized and directed to deliver to said Chicago Title and Trust Co., Tr. No. 35046, certificates of cancellation of special assessment liens against:

(Except the West Seventeen (17) feet of Lot Twelve (12) Sub-Lots of One (1) and Two (2) Block Eleven (11) Rockwells Addition to Chicago, Northwest quarter (NW¼) Section 18, Township 39 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the Flat Installment of Special Assessment Warrant No. 53238.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with Exchange National Bank, Trustee.*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $92.42, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from Exchange National Bank of Chicago, Trustee under Trust No. 17991, to compromise the City's claim for the sum of $115.00, which has been recommended by the Committee on Finance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Comptroller on delivery to him of $115.00, and upon payment of County Clerk's cancellation fees is hereby authorized and directed to deliver to said Exchange National Bank of Chicago, Trustee under Trust No. 17991, certificates of cancellation of special assessment liens against.

> Lot Seven (7) Block Fifteen (15) Walsh and McMullen's Subdivision of South Three-fourths (S.¾) Southeast quarter (SE.¼) Section 20, Township 39 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the Fifth Installment of Special Assessment Warrant No. 51777.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with George R. Fitzmaurice (Nos. 940-942 N. LaSalle St.)*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $226.86, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from George R. Fitzmaurice, to compromise the City's claim for the sum of $280.00, which has been recommended by the Committee of Finance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Comptroller on delivery to him of $280.00, and upon payment of County Clerk's cancellation fees is hereby authorized and directed to deliver to said George R. Fitzmaurice, certificates of cancellation of special assessment liens against:

> Lots Three (3) and Four (4) in Block Twelve (12), Sub. of part N. of S. 124.7 feet, Bushnell's Addition to Chicago, Section 4, Township 39 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the Third, Fourth and Fifth Installments of Special Assessment Warrant No. 54484.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with George R. Fitzmaurice (No. 227 W. Menomonee St.)*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $137.80, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from George R. Fitzmaurice, to compromise the City's claim for the sum of $170.00, which has been recommended by the Committee on Finance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Comptroller on delivery to him of $170.00, and upon payment of County Clerk's cancellation fees, is hereby authorized and directed to deliver to said George R. Fitzmaurice, certificates of cancellation of special assessment liens against:

> Lots Eleven (11) and Twelve (12)—Subdivision of the North half (N½) of Lot Twelve (12) in North Addition to Chicago, Section 33, Township 39 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the Flat Installment of Warrant No. 53520.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with John A. Hennessey (No. 11365 S. Bishop St.)*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $155.34, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from John A. Hennessey, to compromise the City's claim for the sum of $225.00, which has been recommended by the Committee on Finance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Comptroller on delivery to him of $225.00, and upon payment of County Clerk's cancellation fees, is hereby authorized and directed to deliver to said John A. Hennessey, certificates of cancellation of special assessment liens against:

> Lot Thirty-two (32) Block Eighty-two (82) in Rogers ReSub. of Blocks Eighty (80), Eighty-one (81), Eighty-two (82), Eighty-three (83), Eighty-four (84) and Eighty-five (85), with other property in Washington Heights, in the West half (W½) of the Northwest quarter (NW¼) of Section 20, Township 37 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the Third, Fourth and Fifth Installments of Special Assessment Warrant No. 48916; the First, Second and Third Installments of Special Assessment Warrant No. 49961 and the

Flat Installment of Special Assessment Warrant No. 51189.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with John A. Hennessey (No. 38 E. 102nd Pl.)*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $48.96, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from John A. Hennessey, to compromise the City's claim for the sum of $70.00, which has been recommended by the Committee on Finance; therefore,

***Be It Ordained by the City Council of the City of Chicago:***

SECTION 1. That the Comptroller on delivery to him of $70.00, and upon payment of County Clerk's cancellation fees, is hereby authorized and directed to deliver to said John A. Hennessey, certificates of cancellation of special assessment liens against:

> Lot One Hundred Thirty-seven (137) in Roseland Heights a Subdivision in the Southwest quarter (SW¼) of Section 10, Township 37 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the Third, Fourth and Fifth Installments of Special Assessment Warrant No. 38061.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with John A. Hennessey (No. 8929 S. Elizabeth St.)*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $573.34, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from John A. Hennessey, to compromise the City's claim for the sum of $700.00, which has been recommended by the Committee on Finance; therefore,

***Be It Ordained by the City Council of the City of Chicago:***

SECTION 1. That the Comptroller on delivery to him of $700.00, and upon payment of County Clerk's cancellation fees, is hereby authorized and directed to deliver to said John A. Hennessey, certificates of cancellation of special assessment liens against:

> Lot Twenty-seven (27) in Block One (1) Matson Hills South Englewood Addition, South half (S½) Southeast quarter (SE¼) Southwest quarter (SW¼) Section 32, Township 38 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the Ninth and Tenth Installments of Special Assessment Warrant No. 32866; the Flat Installment of Special Assessment Warrant No. 43038; the Flat Installment of Special Assessment Warrant No. 48318; the First and Second Installments of Special Assessment Warrant No. 48561; the First, Second, Third, Fourth and Fifth Installments of Special Assessment Warrant No. 48610 and the First, Second, Third, Fourth and Fifth Installments of Special Assessment Warrant No. 39562.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with John A. Hennessey (No. 11439 S. Hermosa Av.)*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $23.10, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from John A. Hennessey, to compromise the City's claim for the sum of $30.00 which has been recommended by the Committee on Finance; therefore,

***Be It Ordained by the City Council of the City of Chicago:***

SECTION 1. That the Comptroller on delivery to him of $30.00, and upon payment of County Clerk's cancellation fees, is hereby authorized and directed to deliver to said John A. Hennessey, certificates of cancellation of special assessment liens against:

> Lot Forty-five (45) Block Ninety-one (91) Washington Heights, a ReSub. of Certain Lots in Blocks Thirteen (13), Twenty (20) and Twenty-one (21) all in Blocks Fourteen (14), Twenty-four (24), Twenty-five (25), Twenty-eight (28) and Twenty-nine (29) in Sections 18 and 19; also a Sub. of the West half (W½) Northwest quarter (NW¼) Section 20, and part of the East half (E½) Southwest quarter (SW¼) E. of Prospect Avenue Section 19, Sections 18, 19 and 20 in Township 37 North, Range 14 East of the Third Principal Meridian in Cook County, Illinois;

for the nonpayment of the Flat Installment of Special Assessment Warrant No. 52517.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with John A. Hennessey (No. 11441 S. Hermosa Av.)*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $23.10, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from John A. Hennessey, to compromise the City's claim for the sum of $30.00, which has been recommended by the Committee on Finance; therefore,

***Be It Ordained by the City Council of the City of Chicago:***

SECTION 1. That the Comptroller on delivery to him of $30.00, and upon payment of County Clerk's cancellation fees, is hereby authorized and directed to deliver to said John A. Hennessey, certificates of cancellation of special assessment liens against:

Lot Forty-four (44) Block Ninety-one (91) Washington Heights, a ReSub. of certain Lots in Blocks Thirteen (13), Twenty (20) and Twenty-one (21) all of Blocks Fourteen (14), Twenty-four (24), Twenty-five (25), Twenty-eight (28) and Twenty-nine (29) Sections 18 and 19, also a Sub. of West half (W½) Northwest quarter (NW¼) Section 20, and part of East half (E½) Southwest quarter (SW¼) Section E. of Prospect Avenue, Section 19, Sections 18, 19 and 20, Township 37 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the Flat Installment of Special Assessment Warrant No. 52517.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with John A. Hennessey (No. 10619 S. May St.)*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $41.55, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from John A. Hennessey, to compromise the City's claim for the sum of $45.00, which has been recommended by the Committee on Finance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Comptroller on delivery to him of $45.00, and upon payment of County Clerk's cancellation fees, is hereby authorized and directed to deliver to said John A. Hennessey, certificates of cancellation of special assessment liens against:

South twenty-five (S.25 ft.) feet North Two Hundred and Nine feet (209 ft.) Block Four (4) Baker McCowns Addition to Washington Heights, Section 17, Township 37 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois;

for the nonpayment of the Flat Installment of Special Assessment Warrant No. 53843.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

### *Compromise Settlement with John A. Hennessey (No. 1407 W. 110th Pl.)*

WHEREAS, The City of Chicago has tax claims against the premises hereinafter described, the original amounts of which assessments total $116.55, and an application has been filed with the City of Chicago to foreclose the lien of special assessments hereinafter mentioned; and

WHEREAS, There are no special assessment bonds or vouchers outstanding in the special assessment warrants involved, and in lieu of foreclosure, an offer has been received from John A. Hennessey, to compromise the City's claim for the sum of $175.00, which has been recommended by the Committee on Finance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Comptroller on delivery to him of $175.00, and upon payment of County Clerk's cancellation fees, is hereby authorized and directed to deliver to said John A. Hennessey, certificates of cancellation of special assessment liens against:

Lot Three (3) Block Fourteen (14) Weages Subdivision, Southwest quarter (SW¼) Southwest quarter (SW¼) Section 17, Township 37 North, Range 14 East of the Third Principal Meridian, in Cook County. Illinois;

## Corporation Counsel Authorized and Directed to Institute Foreclosure Proceedings for Delinquent Special Assessments.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed order transmitted therewith:

*Ordered*, That the Corporation Counsel is authorized and directed to file foreclosure proceedings on account of delinquent special assessments against the parcels of property shown on the following tabulation, and the Committee on Finance is directed to transmit all documents in connection with said requests to the Corporation Counsel for action:

| *Location* | *Owner* |
|---|---|
| 4452 S. Ashland Av. | The Firestone Tire & Rubber Co. |
| North side of E. 103rd St. | Bonnie Investment Co. |
| 11439-11441 S. Hermosa Av. | Chicago Title & Trust Co., Trust No. 53129 |
| 1119 E. 82nd St. | Chicago Title & Trust Co., Trust No. 53129 |
| 38 E. 102nd Pl. | Chicago Title & Trust Co., Trust No. 53129 |
| 1405-1407 W. 110th Pl. | Chicago Title & Trust Co., Trust No. 53129 |
| 8629 S. Elizabeth St. | Chicago Title & Trust Co., Trust No. 53129 |
| 339 W. 97th St. | Chicago Title & Trust Co., Trust No. 53129 |
| 10619 S. May St. | Chicago Title & Trust Co., Trust No. 53129 |
| 222 W. 103rd Pl. | Chicago Title & Trust Co., Trust No. 53129 |
| 6035 S. Ashland Av. | Julia Larson |
| 11365 S. Bishop St. | John A. Hennessey. |

On motion of Alderman Keane the foregoing proposed order was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### Acquisition of Property Authorized from Parking Facility Uptown Project Parcel No. 36-22 at Nos. 4840-4852 N. Kenmore Av.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed order transmitted therewith:

*Ordered,* That the Corporation Counsel, in accordance with his recommendation of January 14, 1970, is hereby authorized to acquire the following described property from the parking facility in connection with the Urban Renewal Redevelopment Project Uptown, to wit:

> Lots 26, 27, 28 and the North 10 feet of Lot 29, in George Lill's Sheridan Road Addition to Chicago, a subdivision of part of Lot 4 of Fussey & Fennimore's subdivision of the West ½ of the Southeast ¼ of Section 8, Township 40 North, Range 14 East of the Third Principal Meridian in Cook County, Illinois,

for the amount of one hundred thirty-two thousand, five hundred and no/100 ($132,500.00) dollars, and the City Comptroller and the City Treasurer are authorized and directed to issue vouchers and pay the amount when approved by the Corporation Counsel for appropriations made under Fund No. 429-1320-801 and transfer said money to the Fund 736 Parking Revenue Sinking Fund.

On motion of Alderman Keane the foregoing proposed order was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### Agreement Authorized with State of Illinois for Maintenance by City of Eisenhower Expressway Bridge over South Branch of Chicago River.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Public Works be and he is hereby authorized and directed to execute, the City Clerk to attest, and the City Comptroller to accept upon the approval as to form and legality by the Corporation Counsel, a certain Agreement between the State of Illinois and the City of Chicago, concerning the maintenance of the Eisenhower Expressway Bridge over the South Branch of the Chicago River, which Agreement is in form and substance as follows:

This Agreement made and entered into this 1st day of July, 1969, between the State of Illinois, acting by and through its Department of Public Works and Buildings (hereinafter referred to as the State), and the City of Chicago, a municipal corporation organized under the Laws of the State of Illinois, acting by and through its Department of Public Works (hereinafter referred to as the City):

Witnesseth:

Whereas, the four-leaf trunnion bascule bridge constructed over the South Branch of the Chicago River on the Eisenhower Expressway was financed jointly by the State, the County of Cook and the City; and

Whereas, under the Road and Bridge Law of the State, and the terms of a three-way agreement among the State, the County of Cook and the City, effective June 19, 1952, the State is responsible for the maintenance and operation of completed sections of the Cook County Expressway System, including the operation, maintenance and repair of the aforesaid four-leaf trunnion bascule bridge over the South Branch of the Chicago River; and

Whereas, the Bureau of Engineering of the City has a thoroughly experienced maintenance, repair and control organization and the Department of the Port of Chicago has a qualified bridge operating organization all within the corporate limits of the City; and

Whereas, the State desires to have said bridge maintained, repaired and operated by the said City organizations at the expense of the State; and

> "The Department is authorized, to enter into contracts with any municipal corporation, terminable in the discretion of the Department, for the municipal corporation to maintain any State Highway or any part thereof located within such municipal corporation, such maintenance to be under the supervision of the Department and at the expense of the State".

Now, Therefore, in consideration of the covenants and conditions herein contained, the parties hereto mutually agree as follows:

1. The State hereby grants the City authority to operate, maintain, repair and control, and the City hereby agrees to operate, maintain, repair and control the aforesaid four-leaf trunnion bascule bridge over the South Branch of the Chicago River on the Eisenhower Expressway lying within the following described limits:

(a) Commencing at the upper level on the East side of said river at the skewed construction joint East of Bent "A" as shown on the plans attached hereto and identified as Exhibit 1 and terminating on the West side of said river at the skewed expansion joint at the upper level immediately West of the fixed part of the bridge; and

(b) Also, the light poles, signals, barriers, traffic gates and hand rails, shown on the attached plan sheet of the bridge identified as Exhibit 1 and attached hereto, lying East of the East limit and West of the West limit designated in (a) above and including the electrically illuminated bridge warning signs located over the Eastbound roadway of the Expressway, near the West line of South Canal Street, together with ducts, conduits, and wiring connecting same to the bridge; and

(c) Also, feeder cables for electric power, both alternating and direct current, as shown on the drawing attached hereto and described as Exhibit 1 above; and

(d) Also, the traffic lights and signals, stop signs, bridge operator houses, machinery, piers, bridge protections, submarine cables, appliances, devices, engineering data and plans, patterns and all other appurtenances and fixtures belonging to said bridge, which are necessary for the operation, maintenance, repair and control of said bridge.

2. For budgetary purposes, and for the purpose of enabling the State to include the necessary funds in appropriations requested of the legislature, the City, upon the execution of this agreement, agrees to furnish to the State an estimate of cost of operation, maintenance and repair. The estimate is to include a list of the positions and the salaries and wages of each position of the regular operating personnel. A new itemized estimate covering the period from July 1, 1971 to June 30, 1973 is to be furnished prior to the regular 77th session of the General Assembly.

3. The City agrees to consult with and receive approval from the State, prior to performing any work or alterations, improvements, reconstruction or the repair when the estimated cost of individual jobs of such work is in excess of Five Thousand Dollars ($5,000.00) in order to permit the State to secure approval of requisitions or allotments of funds. In cases of structural failures, mechanical failures, or damages to the bridge amounting to an emergency and involving danger to public safety, the City is authorized to negotiate with public or private agencies for repair work to cost not in excess of One Hundred Thousand Dollars ($100,000.00) and to proceed with such work on verbal concurrence by the State, which concurrence shall be promptly confirmed in writing by the State.

4. The parties hereto mutually agree that the cost of operation, maintenance and repairs shall be construed to include all labor and material, foremen and engineering supervision, engineering and clerical costs, bridge operators wages, cost of cleaning all parts of the bridge and its operating and traffic control equipment, painting, fuel for heating, supplies required for operation and maintenance, electricity for power and lights, and all other costs and charges occasioned by or reasonably incidental to the operation, maintenance and repair of said bridge, exclusive of administration costs, also the cost of repairs made by agencies of the City, other than the Bridge Division of the Department of Public Works, or by private agencies under contract to the City, including nominal overhead costs, including engineering and supervision.

5. It is mutually agreed that a record of all operating costs of all maintenance, repair, reconstruction, repair of operating and traffic and navigation control equipment as described in Paragraph 4, and any other costs, performed by or under the supervision of the City shall be kept by the City, and a detailed statement of such costs shall be submitted to the State subsequent to the semi-annual periods ending June 30 and December 31 of each year, except that in the case of extraordinary costs incurred as a result of the repair of structural failures, mechanical failures, or damages to the bridge as referred to in the last sentence of Section 3 of this agreement, the City may submit detailed statements of costs to the State at such time as they may elect and the State shall promptly process the same. The rates and prices on the statements shall be actual prices and rates paid by the City for materials and services.

6. Commencing on July 1, 1969 and ending on June 30, 1971, the State agrees to semi-annually reimburse the City for the cost of operating, maintaining and repairing said four-leaf trunnion bascule bridge over the South Branch of the Chicago River on the Eisenhower Expressway in the manner hereinafter described.

7. It is agreed that reimbursement shall be made by the State subsequent to January 1 and July 1 of each succeeding year, and as soon thereafter as practical, after submission to the State of invoices in quintuplicate for the costs incurred by the City during the prior six months period or part thereof, in accordance with the terms of this agreement.

8. Statement of Intent. If the maintenance, operation, repair, alterations and control of the bridge and its traffic protections and traffic control devices are satisfactory to the State and to the City, under the terms of this agreement, it is the intent of both parties that a new agreement containing the same terms herein stated be executed to cover the ensuing biennial periods subsequent to June 30, 1971.

9. This contract shall not be taken or construed as modifying or otherwise affecting any existing contract relating to said Eisenhower Expressway Bridge and its appurtenances.

In Witness Whereof, the parties hereto have caused this agreement to be executed by their proper officials on the day and year first above written.

[Signature forms and certification omitted]

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

On motion of Alderman Keane the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### Authorization and Direction Given for Permit to Illinois Bell Telephone Co. to Place Plastic Ducts in Existing Water Pipe Tunnel under North Branch of Chicago River.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to authorize and direct issuance of a permit to Illinois Bell Telephone Company to place Plastic Ducts in existing Chicago Avenue Water Pipe Tunnel under North Branch of Chicago River.

On motion of Alderman Keane the said proposed ordinance was *Passed*, by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Commissioner of Water and Sewers be and he is hereby authorized and directed to execute, the Commissioner of Streets and Sanitation to approve, and the City Comptroller to accept and file for record, upon the approval as to form and legality of the Corporation Counsel, a permit from the City of Chicago granting Illinois Bell Telephone Company permission and authority to place 22—4-inch plastic ducts in the City's existing Chicago Avenue water pipe tunnel under the North Branch of the Chicago River and in the east and west access shafts, which permit is in form and substance as follows:

CITY OF CHICAGO
DEPARTMENT OF WATER AND SEWERS
CHICAGO, ILLINOIS

Permit Granting Illinois Bell Telephone Company Permission and Authority to Place 22—4-inch Plastic Ducts in the City's Existing Chicago Avenue Water Pipe Tunnel under the North Branch of the Chicago River and in the East and West Access Shafts.

Whereas, Illinois Bell Telephone Company, 225 West Washington Street, Chicago, Illinois, hereinafter called the "Applicant", requests permission and authority from the City of Chicago, Department of Water and Sewers, hereinafter called the "Department", to place 22—4-inch plastic ducts in the City's existing Chicago Avenue Water Pipe Tunnel under the North Branch of the Chicago River and in the east and west access shafts; and

Whereas, for the privileges granted herein, the Illinois Bell Telephone Company shall pay to the City of Chicago an annual compensation of $0.20 per lineal foot of tunnel per duct times 303 feet of tunnel or a total of $1,333.20 annually;

Now, Therefore, in consideration of the sum of One Dollar ($1.00), and other good and valuable consideration and the sum of One Thousand, Three Hundred Thirty-three Dollars and Twenty Cents ($1,333.20) annual fee as hereinabove provided, the City of Chicago, by its Department of Water and Sewers, does hereby grant unto Illinois Bell Telephone Company permission to place 22—4-inch plastic ducts in the City's existing Chicago Avenue water pipe tunnel under the North Branch of the Chicago River and in the east and west access shafts.

This permit is issued by the City of Chicago under authority provided in Chapter 185, Sections 48 to 52 inclusive, of the Municipal Code of Chicago, and is therefore subject to the following undertaking and obligations of the Grantee, Illinois Bell Telephone Company:

1. To file with the Commissioner of Water and Sewers a bond in the penal sum of Ten Thousand ($10,000.00) Dollars, with sureties to be approved by the said Commissioner, conditioned upon the faithful observance and performance of each and every condition of this permit.

2. To indemnify, keep and save harmless the City against all liabilities, judgments, costs, damages and expenses which may in any way come against the said City in consequence of the issuance of said permit, or which may accrue against, be charged to, or recovered from said City from, or by reason, or on account of the issuance of such permit, including any damages which may result to said water pipe tunnel or any of the City property installed therein. The liability of the Grantee in said permit shall in no way be limited to the amount of the bond herein provided for, but shall extend to the entire amount of such liability, cost, damage, or expense of said City. Said bond and the liability of the sureties thereon shall be kept in force throughout the life of said permit, and if at any time during the life of said permit such bond shall not be in full force, then the privileges therein granted shall thereupon cease.

3. The proposed work and method of installation to be done hereunder shall be located and constructed in accordance with the description, special provisions and plans attached to and made a part of this permit, and to the satisfaction of the Commissioner of Water and Sewers or his duly authorized representative.

[Plans attached to this ordinance printed on pages 8122-8123 of this Journal]

4. The Applicant, its successors or assigns, shall assume all risk and liability for damages or injury to persons or property on account of the work of the above described installation and maintenance thereof.

This permit is hereby granted, accepted and its provisions agreed to on this ........ day of January, A.D. 1970.

[Signature forms omitted]

SECTION 2. This ordinance shall be in full force and effect from and after the date of its passage.

### City Collector Authorized and Directed Not to Return as Delinquent before July 1, 1971 Special Assessment Warrant No. 55030.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed order transmitted therewith:

*Ordered*, That the City Collector of the City of Chicago be and he is hereby authorized and directed not to return delinquent before July 1, 1971 any and all lots, blocks and parcels of real estate, on which special assessments have not been paid, under Warrant No. 55030, for the widening of S. Damen Avenue from W. Harrison Street to W. Roosevelt

Road, but such action shall not operate to cancel the assessment or impair the liens of the City of Chicago nor extend for a period beyond July 1, 1971, and said assessment shall be and remain payable at the office of the City Collector with all interest and charges that have accrued thereon.

On motion of Alderman Keane the foregoing proposed order was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### Authority Granted for Installation of Traffic-Control Signals at Intersection of N. Sayre and W. Belmont Aves.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed order transmitted therewith:

*Ordered,* That the Commissioner of Streets and Sanitation is hereby authorized and directed to install traffic control signals as follows:

| *Intersection* | *Estimated Cost* |
|---|---|
| N. Sayre Av. and W. Belmont Av. | $12,785.09 |

On motion of Alderman Keane the foregoing proposed order was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### Allocation of M.F.T. Funds Authorized for Street Lighting Maintenance on Improved Streets or Thoroughfares during Year 1970.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Authority is hereby given to the Commissioner of Streets and Sanitation to maintain street lighting on improved arterial streets or throughfares (including State Highways) for the period from January 1, 1970 to and including December 31, 1970, at an estimated cost of $400,000.00.

SECTION 2. The Commissioner of Streets and Sanitation is authorized to expend the sum of $400,000.00 for this work out of that part of the Motor Fuel Tax Fund which has been or may be allotted to the City of Chicago, said sum either to be charged to the Corporate Purposes Fund and reimbursed from this allotment, or to be charged directly against this allotment.

SECTION 3. The Purchasing Agent is hereby authorized to advertise and receive bids for the work described in this ordinance, or any part thereof, or for materials, supplies and equipment therefor, when approved by the Department of Public Works and Buildings of the State of Illinois, and to enter into all necessary contracts therefor, or to cause said work to be done by day labor.

SECTION 4. The City Clerk is hereby directed to transmit two certified copies of this ordinance to the Division of Highways of the Department of Public Works and Buildings of the State of Illinois, Springfield, Illinois, through the District Engineer of said Division of Highways.

SECTION 5. This ordinance shall take effect and be in force from and after its passage.

On motion of Alderman Keane the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

### Expenditure of M.F.T. Funds Authorized for Maintenance and Operation of Traffic-Control Signals on Improved Arterial Streets or Thoroughfares Including State Highways during Year 1970.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Authority is hereby given to the Commissioner of Streets and Sanitation to maintain and operate traffic control signals on improved arterial streets or thoroughfares (including State Highways) for the period from January 1, 1970 to and including December 31, 1970 at an estimated cost of $180,000.00.

SECTION 2. The Commissioner of Streets and Sanitation is authorized to expend the sum of $180,000.00 for this work out of that part of the Motor Fuel Tax Fund which has been or may be allotted to the City of Chicago, said sum to be charged either to the Corporate Purposes Fund and reimbursed from this allotment, or to be charged directly against this allotment.

SECTION 3. The Purchasing Agent is hereby authorized to advertise and receive bids for the work described in this ordinance or any part thereof, or for materials, supplies and equipment therefor, when approved by the Department of Public Works and Buildings of the State of Illinois, and to enter into all necessary contracts therefor, or to cause said work to be done by day labor.

SECTION 4. The City Clerk is hereby directed to transmit two certified copies of this ordinance to the Division of Highways of the Department of Public Works and Buildings of the State of Illinois, Springfield, Illinois, through the District Engineer of said Division of Highways.

SECTION 5. This ordinance shall take effect and be in force from and after its passage.

On motion of Alderman Keane the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

### Expenditure of M.F.T. Funds Authorized for Snow and Ice Control on Improved Streets, County and State Highways during Year 1970.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Authority is hereby given to the Commissioner of Streets and Sanitation to expend the sum of $750,000.00 from that portion of the Motor Fuel Tax Fund which has been or may be allotted to the City of Chicago for Snow and Ice Control Maintenance of Improved Streets, County Highways and State Highways by day labor during the period commencing January 1, 1970 and ending December 31, 1970.

SECTION 2. The City Clerk is hereby directed to transmit two certified copies of this ordinance to the Division of Highways of the Department of Public Works and Buildings of the State of Illinois, Springfield, Illinois, through the District Engineer for District No. 10 of the said Division of Highways.

SECTION 3. This ordinance shall be in force and effect from and after its passage and approval.

On motion of Alderman Keane the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

### Allocation of M.F.T. Funds Authorized for Pavement Repairs in Improved Streets, County or State Highways during Year 1970.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That authority is hereby given to make repairs to pavements in Improved Streets, County Highways or State Highways for the period beginning January 1, 1970 and ending December 31, 1970, by use of the asphaltic street repair materials, concrete street repair material or other standard street repair materials, as required to bring the pavements and their appurtenances to a good state of repair, at a cost not to exceed $1,500,000.00 to be paid from that part of the Motor Fuel Tax Fund which has been or may be allotted to the City of Chicago.

SECTION 2. That there is hereby allocated the sum of $1,500,000.00 for repairs to pavements in improved streets, County Highways or State Highways which shall be for work for which estimates are to be filed with the Division of Highways of the Department of Public Works and Buildings of the State of Illinois for the period beginning January 1, 1970 and ending December 31, 1970.

SECTION 3. That the Commissioner of Streets and Sanitation shall prepare the necessary specifications and estimates for these repairs and shall do same, either by day labor or Contract.

SECTION 4. That the City Clerk is hereby directed to transmit two certified copies of this ordinance to the Division of Highways of the Department of Public Works and Buildings of the State of Illinois, Springfield, Illinois through the District Engineer for District No. 10 of the said Division of Highways.

SECTION 5. That this ordinance shall be in force and effect from and after its passage and approval.

On motion of Alderman Keane the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

---

### Expenditure of M.F.T. Funds Authorized for Street-Cleaning Maintenance of Improved Streets, County Highways and State Highways during Year 1970.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Authority is hereby given to the

Commissioner of Streets and Sanitation to expend the sum of $750,000.00 from that part of the Motor Fuel Tax Fund which has been or may be allocated to the City of Chicago for Street Cleaning Maintenance of Improved Streets, County Highways and State Highways by day labor during the period commencing January 1, 1970 and ending December 31, 1970.

SECTION 2. The City Clerk is hereby directed to transmit two certified copies of this ordinance to the Division of Highways of the Department of Public Works and Buildings of the State of Illinois, Springfield, Illinois, through the District Engineer for District No. 10 of the said Division of Highways.

SECTION 3. This ordinance shall be in force and effect from and after its passage and approval.

On motion of Alderman Keane the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

**On motion of Alderman Keane the foregoing proposed order was *Passed,* by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### Authority Granted for Payments of Hospital, Medical and Nursing Services Rendered Certain Injured Members of Fire and Police Depts.

The Committee on Finance submitted a report recommending that the City Council pass a proposed order transmitted therewith, to authorize payments of hospital, medical and nursing services rendered certain injured members of the Fire and Police Departments.

On motion of Alderman Keane the said proposed order was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl,

McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said order as passed:

*Ordered,* That the City Comptroller is authorized and directed to issue vouchers, in conformity with the schedule herein set forth, to physicians, hospitals, nurses or other individuals, in settlement for hospital, medical and nursing services rendered to the injured members of the Police Department herein named, provided such members of the Police Department shall enter into an agreement in writing with the City of Chicago to the effect that, should it appear that any of said members of the Police Department have received any sum of money from the party whose negligence caused such injury, or have instituted proceedings against such party for the recovery of damage on account of such injury or medical expense, then in that event the City shall be reimbursed by such member of the Police Department out of any sum that such member of the Police Department has received or may hereafter receive from such third party on account of such injury or medical expense, not to exceed the amount that the City may, or shall, have paid on account of such medical expense, in accordance with Opinion No. 1422 of the Corporation Counsel of said City, dated March 19, 1926. The payment of any of these bills shall not be construed as an approval of any previous claims pending or future claims for expenses or benefits on account of any alleged injury to the individuals named. The total amount of such claims, as allowed, is set opposite the names of the injured members of the Police Department, and vouchers are to be drawn in favor of the proper claimants and charged to Account No. 100.9112.937:

and

*Be It Further Ordered,* That the City Comptroller is authorized and directed to issue vouchers, in conformity with the schedule herein set forth, to physicians, hospitals, nurses or other individuals, in settlement for hospital, medical and nursing services rendered to the injured members of the Fire and the Police Departments herein named. The payment of any of these bills shall not be construed as an approval of any previous claims pending or future claims for expenses or benefits on account of any alleged injury to the individuals named. The total amount of said claims is set opposite the names of the injured members of the Fire and the Police Departments, and vouchers are to be drawn in favor of the proper claimants and charged to Account No. 100.9112.937:

### *Action Deferred*—ON PROPOSED RESOLUTION DECLARING HUNGER, MALNUTRITION, ETC. IN CHICAGO AS BEING CONTRARY TO PUBLIC POLICY AND THAT LOCAL, STATE AND NATIONAL AGENCIES BE ENLISTED FOR AID FOR IMMEDIATE RELIEF THEREOF.

The Committee on Finance submitted the following report, which was, at the request of two aldermen present (Alderman Despres and Alderman Cousins) *Deferred* and ordered published:

CHICAGO, March 25, 1970.

*To the President and Members of the City Council:*

Your Committee on Finance to which was referred a resolution from Alderman Frost and others identifying the existence of hunger, malnutrition and dietary deficiency as contrary to the public policy of the City of Chicago, having had the same under advisement, begs leave to report and recommend that Your Honorable Body adopt the proposed resolution transmitted herewith.

This recommendation was concurred in by 37 members of the committee, with 2 dissenting vote.

Respectfully submitted.

(Signed) THOMAS E. KEANE,
*Chairman.*

The proposed resolution transmitted with the foregoing committee report reads as follows:

*Whereas,* The existence of hunger, malnutrition and dietary deficiency is contrary to the public policy of this city by reason of its incompatibility with the health, dignity, decency and public welfare of our citizens; and

*Whereas,* The terms welfare, relief, public aid and general assistance have historically been utilized to identify programs which assist those in our society who are unable, for whatever reason, to provide for themselves a livelihood compatible with health and well-being; and

*Whereas,* Programs of the City of Chicago and the County of Cook are currently providing free food at a rate of one million meals a day at a cost of more than $100,000,000 a year; an emergency food center is open day and night to provide free food in cases of urgent need; the County Department of Public Aid provides 875,000 free meals daily for 318,000 persons needing food on a long term basis; the Board of Education free lunch program provides for 116,000 elementary school children in 235 inner-city schools, as well as breakfasts for 5,000 children daily; food stamps available to all low income groups are being used by over 113,000 persons a day to augment their food budgets and additional programs to provide food to pregnant mothers, infants and senior citizens are in being. These programs which are available to all must be expanded by increased State and Federal funding; and

*Whereas,* The concept of "basic maintenance of support" as set out in the Illinois Public Aid Code reflects the community's abhorrence to the fact that any of its members be found suffering from hunger and malnutrition. Toward this end the Public Aid Code establishes standards for food allowance and provides programs intended to satisfy the nutritional and dietary needs of all citizens in the State; and

*Whereas,* State funds made available directly to individuals and families through food allotments or indirectly through programs for emergency food, school lunches and the like have been set at a minimum level and found to be rigid in the face of inflation, unrelated to the realities of the marketplace and generally inadequate to meet a daily dietary level necessary for health and well-being; and

*Whereas,* The cost of hunger and malnutrition to society can be measured not only in terms of human misery, impaired learning potential, increased mortality rate and a declining level of public health but is also directly attributable to increased cost of medical and dental care, special educational needs and increased institutional costs; and

*Whereas,* The State in pre-empting the field of public aid and general assistance eliminated Chicago's Department of Welfare in 1957 and has prescribed comprehensive rules, regulations and standards for the administration of public aid, aid to the aged, blind or disabled, aid to families with dependent children and general assistance on a uniform basis throughout the State. The dietary needs and nutritional well-being of citizens dependent upon these programs requires adequate standards not minimum standards, calls for expanded funding and demands realistic regulations aimed at encouraging participation rather than discouraging it. Legislative ceilings set on assistance as well as the criteria set by the Illinois Department of Public Aid on school breakfast and lunch programs, emergency food allotments, food stamp programs and sustenance allotments generally need be reevaluated and set at levels compatible with the declared policy of the State—"standards of financial aid and services as will encourage and assist recipients to maintain a livelihood compatible with health and well-being . . ."; and

*Whereas,* The Federal government has from time to time initiated food supplement and surplus food programs which serve to increase the resources available to meet the problem of hunger. The successful utilization of these additional benefits is directly related to the ability of the Illinois Department of Public Aid to qualify the State and its needy for the program—success can be measured only by satisfied nutritional needs. The Public Aid Code specifically directs that this be done. When it is not done, the Federal Program is rendered ineffectual by State indifference. Increased Federal activity in the surplus food outlays and reduced administrative delay in delivering these commodities to those whose needs cannot abide further delay are of the utmost urgency; and

*Whereas,* Agencies of government, the media of communication, business, labor and citizens in every walk of life should take steps to assure that the broadest possible level of knowledge and understanding be achieved in the community relative to the existing programs against hunger and malnutrition. Widespread and repeated notification of these programs, their location, eligibility and benefits will do much to set a community tone which encourages the undernourished to make their needs known; now, therefore,

Be It Resolved by the Mayor and Members of the City Council:

1. That the existence of hunger, malnutrition and dietary deficiency be and the same is hereby declared to be contrary to the public policy of the City of Chicago and that all steps necessary to eradicate this public blight and personal tragedy be taken to eliminate the same.

2. That information regarding existing programs for emergency food, food supplements, surplus food, food stamps and school breakfast and lunch be given the broadest possible dissemination throughout the city with particular emphasis in the areas of the greatest concentration of the poor and that CCUO report monthly to the Mayor and City Council on the number of persons found suffering from hunger and malnutrition as ascertained by the door to door survey conducted by its community representatives.

3. That Urban Progress Centers, Neighborhood Service Centers, police and fire stations, war offices and all other governmental offices or facilities be supplied with detailed and particular information as to the availability of and steps necessary to secure nutritional and dietary assistance.

4. That the Governor and the General Assembly be memorialized to adopt and sign amendments to the Illinois Public Aid Code eliminating the cruel and unrealistic ceilings on the basic allotments for food and lodging, and increase significantly school breakfast and lunch appropriations.

5. That the State Department of Public Aid revise eligibility standards and adopt procedures to assure a basic nutritional and dietary standard "compatible with health and well-being;".

6. That state and county welfare offices established for the purpose of distributing emergency assistance be relieved of administrative burdens which delay assistance, be guided by a "presumption of need" when confronted with an applicant for emergency aid and be geographically located on the north, west and south sides of the city to better serve the needy.

7. That the rules and regulations of the State Department of Public Aid be amended so that emergency assistance when granted, absent a showing of fraud, not be deducted from successive regular monthly allotments of public aid and general assistance. This additional latitude is justified in the name of decency, justice and humanity and shall be accompanied by a dramatic increase in available Family-Budget Planning Courses to assist individuals in the determination and elimination of the causes of such emergencies.

8. That the Senators and Representatives in the Illinois Congressional delegation be urged to press for broader Federal legislation and expanded food surplus programs and allotments for both welfare recipients and non-recipients to alleviate the intolerable and unconscionable condition of hunger and malnutrition during a time of plenty.

9. That business, labor, commerce, industry, religious and fraternal organizations and Chicagoans in every walk of life be encouraged to assist the needy in an awareness of the programs available to meet their nutritional needs and that each person make it his purpose to identify those among us who through fear, uncertainty, incapacity, lack of information, pride or embarrassment are and have been reluctant or unwilling to come forward and receive the help which this city, state and nation is most anxious to provide.

### *Action Deferred*—ON PROPOSED ORDINANCE AUTHORIZING AGREEMENT WITH WESTERN CONCESSIONS, INC. FOR CONSTRUCTION AND OPERATION OF HOTEL FACILITIES AT CHICAGO-O'HARE INTERNATIONAL AIRPORT.

The Committee on Finance submitted the following report, which was, at the request of two aldermen present (Alderman Scholl and Alderman Hoellen) *Deferred* and ordered published:

CHICAGO, March 25, 1970.

*To the President and Members of the City Council:*

Your Committee on Finance, to which was referred a communication dated May 28, 1969 from the Office of the Mayor transmitting an ordinance authorizing an agreement with Western Concessions, Inc., a division of the Gulf & Western Industries, Inc., which provides for the construction and operation of hotel facilities at Chicago-O'Hare International Airport, having had the same under advisement, begs leave to report and recommend that Your Honorable body pass the proposed ordinance transmitted herewith.

This recommendation was concurred in by 23 members of the committee, with 4 dissenting vote.

Respectfully submitted,
(Signed) THOMAS E. KEANE,
*Chairman.*

The proposed ordinance transmitted with the foregoing committee report reads as follows:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Mayor is authorized to execute, on behalf of the City of Chicago, subject to the approval of the City Comptroller and as to form and legality of the Corporation Counsel, an agreement with Western Concessions, Inc., providing for the construction and operation of hotel facilities at Chicago-O'Hare International Airport, said agreement to be in substantially the following form:

This Agreement, dated as of the ........... day of ..........................................., 1970, by and between the City of Chicago, a municipal corporation of the State of Illinois (herein called the "Lessor"), and Western Concessions, Inc., an Illinois corporation (herein called the "Lessee");

WITNESSETH:

Whereas, the Lessor owns and operates the Airport known as Chicago-O'Hare International Airport (a plat of said Airport being attached hereto as Exhibit A and made a part hereof), situated in the City of Chicago, County of Cook and County of DuPage, State of Illinois, referred to as "O'Hare Airport"), with the power to lease premises and facilities and to grant rights and privileges with respect thereto, all as hereinafter provided; and

Whereas, the City of Chicago has determined that it is convenient and necessary that there be constructed and operated upon said Airport hotel facilities for the accommodation of the traveling public; and

Whereas, the Lessor desires to lease to the Lessee, and the Lessee desires to lease from the Lessor, the premises hereinafter described, for the construction and operation of hotel facilities at O'Hare Airport on the terms and conditions hereinafter provided;

Now, Therefore, in consideration of the mutual promises herein contained, it is agreed as follows:

### ARTICLE I

### *Definitions.*

The following terms shall have the meanings hereinafter set forth, unless the context otherwise requires, namely:

1. "Lease Premises" shall mean an area of land and space as set forth and marked on Exhibit B attached hereto and made a part hereof.

[Exhibit A attached to this ordinance printed on page 8141 of this Journal]

2. "Hotel" shall mean the hotel to be constructed by Lessee on the Leased Premises and operated by the Lessee in accordance with the provisions of this Lease.

3. (a) "Lease Year" shall, with respect to the first Lease Year, be a period beginning with the date of Substantial Completion of Construction (as defined in Paragraph 3(b) of this Article) and commencement of operations of the Hotel and ending on the 31st day of December, in such year, and each succeeding Lease Year thereafter shall begin on the first day of January and end on the 31st day of December in each calendar year, except that the last Lease Year shall be a period beginning on the first day of January in the calendar year in which the Term of this Lease expires or is terminated, and ending on the expiration or termination date of the Term of this Lease.

(b) "Substantial Completion of Construction" shall mean the date on which the Hotel has been completed in accordance with the plans and specifications therefor and fully furnished and equipped, except for such work as does not interfere with the Lessee's beneficial use and occupancy thereof, as evidenced by a certificate of the Consulting Engineer certifying thereto, and issuance of a Certificate of Occupancy by the appropriate municipal authorities.

4. "Unavoidable Delays" shall mean delays caused by Acts of God, fire or other casualty, action of the elements, riot, civil commotion, war, or any other cause beyond Lessee's reasonable control.

5. (a) "Furniture and Furnishings" shall mean all furniture, furnishings, specialized hotel equipment (as hereinafter defined), office furniture and equipment, cash registers, safes, carpets, rugs and other floor coverings, venetian blinds, drapes, curtains and tapestries, operating equipment (which term shall mean and include chinaware, glassware, linens, silverware and uniforms) and such other supplies as may be required in order to operate the Hotel, and such other furnishings, equipment and fixtures, which are not "permanent improvements", as may be necessary and proper for the complete and comfortable use, enjoyment, occupancy and operation of the Hotel, and any and all renewals and replacements thereof, alterations, changes or improvements therein, additions thereto and substitutions therefor. The term "specialized hotel equipment" shall mean and include all equipment required in the judgment of the Lessee for the operation of kitchens, dining room, bars, laundry and drycleaning facilities, special lighting and other equipment, except such items as are "permanent improvements".

(b) "Permanent Improvements" shall mean and include:

(i) Any and all improvements shown on the final detailed plans and specifications for the Hotel approved by the Commissioner of Public Works.

(ii) All other property and equipment installed in the Leased Premises by Lessee, its sub-lessees or other persons occupying portions of the Leased Premises as permitted under this Lease, except the following:

(1) Furniture and Furnishings as defined in sub-paragraph (a) above; and

(2) All equipment attached to the realty merely by reason of connection to the realty for

the purpose of obtaining the utilities required to operate the equipment.

6. "Leasehold Mortgage" shall mean a mortgage, or a deed of trust to secure an issue or issues of notes, bonds or other evidences of indebtedness, as approved by Lessor on this Lease and the Lessee's interest in the leasehold estate created by this Lease, which may also include the Lessee's interest as sub-lessor in any present or future sub-leases authorized by or permitted under the provisions of this Lease.

7. "Consulting Engineer" shall mean the Consulting Engineer acting as such under Section 7.03 of the Revenue Bond Ordinance as passed by the City Council of the City of Chicago under date of December 29, 1958.

8. "Airport Consultant" shall mean the Airport Consultant acting as such under Section 7.03 of the Revenue Bond Ordinance as passed by the City Council of the City of Chicago under date of December 29, 1958.

9. The "Commissioner of Public Works" shall mean, for the purpose of this Lease, the Commissioner of Public Works of the City of Chicago, Illinois (or any successor thereto, in whole or in part, as to his duties hereunder) and his duly authorized assistants.

10. The "Commissioner of Aviation" shall mean, for the purpose of this Lease, the Commissioner of Aviation of the City of Chicago, Illinois (or any successor thereto, in whole or in part, as to his duties hereunder) and his duly authorized assistants.

11. The "Comptroller" shall mean, for the purpose of this Lease, the Comptroller of the City of Chicago, Illinois (or any successor thereto, in whole or in part, as to his duties hereunder) and his duly authorized assistants.

12. "Person" shall mean any person, firm, partnership, joint venture, corporation, or other legal entity, their respective heirs, personal representatives, successors and assigns.

13. "Gross Revenues" shall mean and include all revenues of any kind derived from the operations of the Hotel including net receipts from sub-leases, and concessions whether on a cash basis or on credit (provided same are paid or collected) determined in accordance with sound accounting practices, and in form and manner reasonably satisfactory to the City Comptroller, excluding, however, (a) Federal, state and municipal excise, sales and use taxes collected directly from patrons or guests or as a part of the sales price of any goods, services or displays, such as gross receipts, admission, cabaret or similar or equivalent taxes, (b) proceeds of any insurance policies, (c) gains arising from the sale or other disposition of capital assets, (d) any reversal of any contingency or tax reserve, and (e) credits, discounts, refunds and allowances from suppliers and creditors.

## ARTICLE II

### *Demise: Term of Lease, Rent.*

1. Demise. For and in consideration of the rents herein reserved and the covenants, conditions and agreements to be performed on the part of the Lessee, the Lessor hereby leases to the Lessee, and the Lessee hereby leases and accepts from the Lessor, the Leased Premises, for the Term of this Lease (unless this Lease shall sooner terminate as hereinafter provided).

2. Term. The term of this Lease shall be twenty (20) years commencing on the date of Substantial Completion of Construction (as evidenced by receipt by the parties hereto of the Certificate referred to in paragraph 3(b) of Article I) and commencement of operations of the Hotel and expiring twenty (20) years following the commencement of said Term; it being agreed that within thirty (30) days after the date of Substantial Completion of Construction and commencement of operations of the Hotel the parties hereto shall enter into an agreement stipulating the dates of commencement and expiration of the Term of this Lease.

3. Rental. Lessee agrees to pay to the Lessor, with respect to each Lease Year during the Term of this Lease, at the time and place and in the manner hereinafter specified, as rental for the Leased Premises and for the rights and privileges granted the Lessee under this Lease, the following sums:

A. Minimum Rent: A fixed minimum rental for each Lease Year of $1,000,000 per year or

B. Percentage Rent: An annual Percentage Rent (herein called "Percentage Rent") for each Lease Year equal to 10% of Gross Revenues, whichever is greater.

4. Payment of Rent. The Minimum Rent due to the Lessor shall be paid in equal monthly installments in advance on the first day of each and every month of each Lease Year; provided, however, that if the first Lease Year shall commence on a date which is not the first day of a month or if the term of this Lease shall expire, whether by lapse of time or otherwise, on a date which is not the last day of a month, the minimum Rent, for such fractional month shall be paid on the actual date of commencement of the first Lease Year and in either case shall be prorated. The Percentage Rent, if any, due to the Lessor for each Lease Year shall be paid within ninety (90) days after the end of each such Lease Year. Any such payment of Percentage Rent shall be accompanied by a statement, certified by the Treasurer or an Assistant Treasurer of Lessee or Lessee's auditor at the Hotel, setting forth the computation of the Percentage Rent of such Lease Year. The Minimum Rent shall be prorated for any Lease Year of less than twelve (12) months and applied against the Percentage Rent due for such short period.

The Minimum Rent and the Percentage Rent shall be payable at the Office of the Comptroller of the City of Chicago, Illinois.

5. Books and Records. Lessee shall keep full and adequate books of account and other records reflecting the results of the operation of the Hotel, all in form and manner reasonably satisfactory to the City Comptroller.

All books and records maintained by Lessee with respect to the Hotel, and all such books and records relating to Gross Revenues, shall be available to Lessor during reasonable business hours for the purpose of examining or making extracts therefrom. If any of such books and records are not available at the Leased Premises, Lessee shall, upon request of the Lessor, make such records available to Lessor at the Leased Premises. Lessee agrees that it will require all sub-lessees or other persons operating on the Leased Premises with the permission of the Lessee as authorized or permitted under this Lease, whose rental or other consideration for the use of such space is computed on a percentage basis, to keep complete and accurate books and records with respect to such operations and to make them available to Lessor for examination at any time requested by Lessor during reasonable business hours.

### ARTICLE III

### *Construction of Hotel on Leased Premises.*

1. Lessee, hereby agrees, without cost to Lessor and except for Unavoidable Delays in each case, to commence construction of the Hotel within six (6) months after execution of this agreement and to complete same on or before twenty (20) months thereafter. Said Hotel shall be a structure of not more than the height permissible under existing applicable Federal airport regulations and shall contain not less than six hundred eighty-eight (688) guest rooms within said height limitations with such food and beverage facilities (subject to the limitations hereinafter set forth), public rooms and other facilities as may be reasonably approved by Lessor as appropriate to a first-class commercial type hotel with standards comparable to those prevailing in first-class commercial type hotels in the City of Chicago, Illinois.

Lessee, at its expense, shall also, as soon as possible, upon completion of the Hotel, fully furnish and equip the same and at all times thereafter keep and maintain the same with appropriate Furniture and Furnishings.

It is expressly understood and agreed that the operation of the restaurants, bars and cocktail lounges in, on or about the Leased Premises shall be on a non-exclusive basis insofar as O'Hare is concerned, but nothing contained herein shall be construed as preventing Lessee from operating or granting rights to others to operate such facilities on a basis which is exclusive insofar as the Leased Premises are concerned, subject to the terms and conditions of this Lease and the written approval of Lessor, which approval shall not be unreasonably withheld. It is further understood and agreed that Lessee shall have the right to sell on the Leased Premises primarily for consumption on the Leased Premises, all kinds of food and beverages, including alcoholic beverages, provided, however, that such sales shall be subject to the following:

(i) Lessee shall have the right to make unlimited and unrestricted sales of goods and beverages, including alcoholic beverages, at the Hotel to guest rooms occupied by guests and their invitees of such Hotel; and in addition thereto,

(ii) To sell food and beverages, including alcoholic beverages, from restaurant, bar and cocktail, lounge facilities located at the Hotel which are open to the public, provided, that the combined seating capacity of all of said facilities at the Hotel shall not exceed one seat for each sleeping room in said Hotel; and in addition thereto,

(iii) To sell food and beverages, including alcoholic beverages, in meeting and banquet rooms at the Hotel, for banquets and meetings not open to the public, to the extent set forth in that certain Agreement dated July 28, 1961 (C.J.P. 5379-5394), as amended, between the Lessor and International Airports Restaurants Carson, Pirie Scott & Co.

Lessee shall expend no less than Fourteen Million Dollars ($14,000,000.00) for the cost of planning, designing, construction, furnishing and equipping of the Hotel to be erected on the Leased Premises; provided, however, that in any event, Lessee shall complete the Hotel as herein provided even though the final cost thereof based on the plans and specifications approved by the parties hereto as hereinafter provided exceeds such figure.

Architectural Design. The Hotel shall be of outstanding design and shall be in conformity with the general architectural requirements of the Lessor for construction of buildings and structures at O'Hare Airport as approved by the Commissioner of Public Works. Such approval shall be given within Sixty (60) days of the date of submission of said plans and specifications and if same is not given within such time, the additional time required shall be deemed "unavoidable delay". All construction shall meet the applicable requirements of building codes and ordinances of the City of Chicago and State and Federal Laws.

2. Approval of Plans by Other Governmental Authorities. Lessee agrees, at its sole cost and expense, to erect, build and equip the Hotel in a good and workmanlike manner in accordance with the plans and specifications referred to above. Lessee shall, prior to commencement of construction, procure all necessary and requisite approval of the plans and specifications for the Hotel by any and all federal, state and municipal and other governmental authorities, officers and departments having jurisdiction thereof and obtain any and all requisite building, construction or other licenses, permits or approval regarding such construction.

3. Temporary Use of Adjacent Land During Construction of Hotel. During the period of construction of the Hotel to be constructed on the Leased Premises, Lessor shall make available to Lessee, its agents, contractors, and subcontractors, without charge, such vacant adjacent land as the Commissioner of Aviation considers useful and necessary to provide ingress and egress to the Leased Premises during the construction of said Hotel, temporary parking facilities and temporary storage space for building materials and equipment. During said period of construction, Lessee, its agents, contractors or subcontractors, at their sole cost and expense, may erect and maintain on said temporary area such temporary construction sheds and other temporary facilities as may be required in the course of such construction work and as shall be reasonably approved by the Commissioner of Aviation. Upon completion of construction of the Hotel, Lessee shall remove said temporary construction facilities and debris, leveling off and leaving the area in a clean and useful condition. In connection with the use of said temporary area, Lessee shall not interfere with normal operations of the Airport or the structures thereon and shall be subject at all times to the orders or regulations of the Commissioner of Aviation regarding such ingress and egress and the regulation thereof. Lessee shall be liable to Lessor for any damage arising out of the use of said temporary area by it or its contractors, subcontractors and agents, and Lessee covenants and agrees to indemnify and save the Lessor harmless against all claims of third persons and any judgments and costs obtained against Lessor by reason thereof; provided, however, that if the Lessee shall adequately secure and protect the Lessor therefrom by bond or other means satisfactory to Lessor, Lessee shall have the right to contest by appropriate legal proceedings any such claims of third persons.

4. Construction Contracts. Lessee agrees that the construction contemplated herein shall cause inconvenience to the public and to the City of Chicago in the operation of the Airport and other tangible and intangible losses to the public and the City of Chicago. Consequently, Lessee further agrees that it shall, prior to letting, submit to the Commissioner of Public Works for his approval (which shall not be unreasonably withheld) the proposed construction contract documents and the work schedule attendant therewith.

5. Mechanics' Liens. At all times during and after construction, the Leased Premises shall (except as expressly permitted in this Lease) be kept

free by the Lessee from any and all mechanics' and other liens, charges and claims for the payment of money or otherwise, real estate and chattel mortgages, conditional bills of sale, security agreements, or of violations of governmental requirements and of any other encumbrances of any and all kind, nature and description growing out of or connected with construction of the Hotel; provided, however, that if the Lessee shall adequately secure and protect the Lessor and the Leased Premises therefrom by bond or other means satisfactory to Lessor, Lessee shall have the right to contest by appropriate legal proceedings in connection therewith. Nothing contained in this Paragraph 5 shall be applicable to Furniture and Furnishings (as defined in this Lease), and Lessee shall have the right in connection with any purchase of Furniture and Furnishings to execute chattel mortgages, conditional contracts or bills of sale or security agreements of any nature pertaining to said Furniture and Furnishings, provided the same shall impose no liability on the Lessor and shall not constitute a lien or encumbrance of any kind upon the Leased Premises.

6. Lessee's Financing and Rights of Leasehold Mortgagee. The Lessee shall have the right to mortgage this Lease to a bank, trust or insurance company, college or university, organized and existing under the laws of the United States or, subject to prior approval of Lessor, to mortgage this Lease to any other lender. No Leasehold Mortgage shall be binding upon Lessor in the enforcement of its rights and remedies herein and by law provided, unless and until an executed counterpart or photostatic copy thereof shall have been delivered to the Lessor, notwithstanding any other form of notice, actual or constructive.

If a Leasehold Mortgagee shall have given to Lessor, before any default shall have occurred under this Lease, a written notice, specifying the name and address of such mortgagee, Lessor shall give to such Leasehold Mortgagee a copy of each notice of default by Lessee at the same time as and whenever such notice of default shall thereafter be given by Lessor to Lessee addressed to such Leasehold Mortgagee at the address last furnished to Lessor. Lessor will accept performance by any such Leasehold Mortgagee of any covenant, condition or agreement on Lessee's part to be performed hereunder with the same force and effect as though performed by Lessee, if, at the time of such performance, Lessor shall be furnished with evidence reasonably satisfactory to Lessor of the interest in the Lease claimed by the institution tendering such performance.

In case of the termination of this Lease by reason of the happening of any event of default, Lessor shall give notice thereof to any Leasehold Mortgagee who shall have notified Lessor of its name and address, which notice shall be addressed to such Leasehold Mortgagee at the address last furnished to Lessor. If, within twenty (20) days after the mailing of such notice, such Leasehold Mortgagee shall pay, or arrange to the reasonable satisfaction of Lessor for the payment of all rents and any and all other moneys due and payable by Lessee hereunder, as of the date of such termination, together with an amount of money equal to the amount which but for such termination would have become due and payable under this Lease, from such termination date up to and including the date of mailing of such notice, Lessor shall, upon the written request of such Leasehold Mortgagee made any time within sixty (60) days thereafter and accompanied by an assumption agreement executed in recordable form, permit the substitution of such Leasehold Mortgagee as Lessee hereunder for the remainder of the term of this Lease, at the same minimum rent and percentage rent and upon the covenants, conditions, limitations and agreements herein contained, provided that such Leasehold Mortgage shall have paid to Lessor all rent, additional rent and other charges due under this Lease up to and including the date of the commencement of the term of such new lease, together with all expenses, including attorney's fees, incident to the execution and delivery of such new lease, but nothing herein contained shall be deemed to impose any obligation on the part of the Lessor to deliver physical possession of the Leased Premises to such Leasehold Mortgagee, nor to release the Lessee hereunder from any liability or obligation to Lessor.

7. Title to Property. Upon Substantial Completion of Construction, title to any buildings, structures and other permanent improvements, constructed or placed on the Leased Premises shall vest in and become the property of the Lessor, as part of the real estate and the Leased Premises, without any compensation therefor.

It is expressly understood and agreed, however, that the foregoing shall not be applicable to Furniture and Furnishings and the Furniture or Furnishings shall be and at all times remain the property of Lessee.

8. Utilities:

(a) Water, Drainage and Sewage for Hotel. Lessor, at its sole cost and expense, shall extend utility lines to the basement of the Hotel, and Lessee, at its expense, shall make all connections with said utility facilities and shall make extensions of said utility facilities within the Leased Premises and shall cause to be installed meters for the purpose of measuring the quantities of all such water, energy in the form of high temperature water and chilled water used by the Lessee at the Hotel.

(b) Other Utility Services. Lessee, at no expense to Lessor, shall also have the right to request and receive, at its own expense, telephone and communications services, industrial gas service, electric power service and any other utility services from utility companies servicing O'Hare Airport, whether the companies furnish such services through their own conduits or pipes or through conduits and pipes owned by the Lessor. The telephone, communications, industrial gas, electric power and any other utility connections shall be at points and over routes approved by the Commissioner of Public Works, as being the most practical place and route available.

(c) Utility Charges. Lessee shall pay for all water and energy in the form of high temperature water and energy in the form of chilled water used at the Hotel on a metered basis at rates no higher than those charged to other comparable users at O'Hare Airport.

Lessee shall have the right, at no expense to Lessor, to make connections at points and over routes approved by the Commissioner of Public Works as being the most practical place and route available to sanitary and storm sewer lines serving the Airport proper.

The use of Lessor's storm drainage system shall be furnished to the Lessee without charge. The use of the Lessor's sanitary sewer system for the Hotel shall also be furnished to the Lessee without charge; provided, however, that if during the Term of this Lease the Lessor shall establish fees or charges for the use of said sanitary sewer system, Lessee shall pay for such utility service at rates or charges no higher than those charged to other users at O'Hare Airport.

All bills for utility services furnished to Lessee by Lessor shall be paid promptly by Lessee.

The obligation of Lessor to furnish any of the aforesaid utility services shall be excused during any period when Lessor shall be prevented from furnishing such service by strikes, fires, labor troubles, accidents, inability to procure fuel or other cause beyond the reasonable control of Lessor and while Lessor shall in good faith be in the process of making necessary repairs to apparatus or equipment necessary for the furnishing of such service. Lessor shall not be liable to Lessee in damages or for abatement of rental (except as expressly provided in Article VIII hereof) on account of the failure to supply any such service so long as Lessor shall promptly and in good faith commence and proceed with the restoration of such service.

9. Ingress and Egress.

(a) Lessor hereby grants to Lessee the right of access and ingress to and egress from the Leased Premises by Lessee and its employees, contractors, suppliers, servicemen, sub-lessees, guests, patrons and invitees, provided that such rights of access, ingress and egress are at all times exercised in conformance with any and all regulations promulgated by the Commissioner of Aviation, or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public and applicable to all users of said Airport. Lessor, at its sole cost and expense, shall construct and maintain completed roadways, sidewalks and other common use areas in the vicinity of the Leased Premises so as to provide said ingress to and egress from the Leased Premises.

(b) Lessor, at its sole cost and expense, shall construct one or more pedestrian tunnels between the existing terminal buildings and the proposed parking facility, which is to abut the Leased Premises; and Lessor hereby grants to Lessee the right of access and the right to connect corridors and/or entrances to said tunnel(s). Connections (at least one (1)) are to be provided at Lessor's expense, to the Property Line of the Leased Premises. Lessor reserves unto itself the right to run not more than two (2) such tunnel(s) below or through the substructure of the Leased Premises, provided notice thereof is given prior to completion of construction plans and specifications.

(c) Courtesy Cars. Lessee shall have the right, at all times during the Term of this Lease, to operate a courtesy car service between the Hotel and all of the terminal facilities at O'Hare Airport; and Lessor shall provide as Lessor and Lessee may agree, without charge, reserved space at each of said terminal facilities for the parking of courtesy cars for the purpose of loading and unloading baggage and picking up and delivering passengers to and from the Hotel.

10. Advertising Signs. Lessee shall not, without prior written approval of the Commissioner of Aviation (which approval shall not be unreasonably withheld), construct, maintain, operate and use, advertising signs with respect to the Hotel or directional signs within the perimeter of the Airport. Lessee agrees, however, if such signs are so approved, to assume all risk of damage and to indemnify and save the Lessor harmless from any and all loss, cost, damage, liability or expense arising or resulting from the existence, construction, maintenance, operation or removal of any such sign or signs.

## ARTICLE IV

### *Use and Operation of Leased Premises.*

1. Exclusivity.

(a) Subject to the provisions of paragraph 1(d) of this Article IV, the parties acknowledge and agree that this Lease grants to Lessee, upon the terms and conditions herein set forth, the sole and exclusive right to conduct hotel, inn and motel operations and to operate private sleeping or lounging room accommodations of every kind and description whatsoever at O'Hare Airport during the time this Lease is in full force and effect. Accordingly, subject to the provisions of paragraph 1(d) of this Article IV, Lessor covenants and agrees that during such time it will not directly or indirectly lease or grant to any person (other than the Lessee or any successor assignee of Lessee which may result from any merger, consolidation or reorganization or sale of all or substantially all of its assets, or any of their respective wholly-owned subsidiaries) the right to conduct hotel, inn or motel operations or to operate private sleeping or lounging room accommodations of any kind or description whatsoever at O'Hare Airport.

(b) Subject to the provisions of paragraph 1(d) of this Article IV hereof, Lessor further agrees that during the time this Lease is in full force and effect it will not directly or indirectly lease or grant to any person (other than the Lessee or any successor or assignee of Lessee which may result from any merger, consolidation or reorganization or sale of all or substantially all of its assets, or any of their respective wholly-owned subsidiaries) the right to advertise or solicit business at O'Hare Airport for any other hotel, inn or motel operation or any private sleeping or lounging room operation, except that Lessor may permit any hotel or motel wherever located to maintain direct phones and advertisements within the lower concourse area of each terminal building at O'Hare Airport.

(c) Lessee shall have the right to maintain direct phones and advertisements in the area or areas of O'Hare Airport set aside for direct phones to hotel and motels on the same basis as said services are furnished other hotels and motels using said services.

(d) Notwithstanding anything herein in this Lease to the contrary, the parties hereto realize that at some future time during the term of this Lease, Lessor may, but is not obligated to, enlarge the facilities now constituting O'Hare Airport. It is understood and agreed that in the event such facilities are so expanded and that during the one (1) year following the completion of such expansion, the Hotel shall have an average occupancy rate in excess of ninety (90%) per cent and in the judgment of the Lessor such expansion reasonably requires one or more additional hotel, private sleeping or lounging room accommodations, then and only in such event the exclusivity provisions of this Article IV shall not apply to said additional hotel, private sleeping or lounging room accommodations, it being understood and agreed and Lessor hereby covenants and agrees that it will not enter into any lease, sale or other arrangement with any other person, firm, corporation or other business entity with respect to the construction, erection or maintenance thereof without first offering the same to Lessee for sixty (60) days on terms and conditions no less favorable than those which Lessor certifies that it is willing to accept from another as evidenced by a bona fide offer received by Lessor from such other party. Such offer shall be in writing and shall contain a certificate subscribed by the Controller of the Lessor setting forth the terms and conditions offered by such other party which the Lessor is willing to accept. Within sixty (60) days after the date of receipt by Lessee of such written offer from the Lessor, Lessee may accept such offer in writing and in such event, Lessee and Lessor shall promptly thereafter enter into an agreement of the terms and conditions aforesaid .

It is further understood and agreed that nothing herein contained shall preclude the Lessor and Lessee from negotiating independently for a lease or other arrangement with regard to the construction of such additional hotel, private sleeping or lounging room accommodations.

2. Information Booths. Lessor hereby grants to Lessee the exclusive right to conduct hotel, inn and motel information and reservation service booths at O'Hare Airport at locations and rental rates to be mutually agreed upon. Lessee agrees, however, that if at any particular time the Hotel located at O'Hare Airport is fully occupied and unable to provide hotel accommodations adequate to serve the needs of the public, Lessee than and thereafter in conducting such information and reservation services shall advise the public as to available hotel and motel accommodations outside of and in the vicinity of said Airport and in the City of Chicago and other surrounding cities.

3. Use and Operation. Lessee covenants to use the Hotel to be constructed on the Leased Premises solely for the operations of a first-class commercial type hotel and for all activities in connection therewith as may be reasonably approved by the Commissioner of Aviation in writing which are customary and usual to such operations, and to operate and provide in the Hotel facilities and services comparable to those provided in first-class commercial type hotels in the City of Chicago, Illinois. It is recognized, however, that the facilities and services offered at the Hotel will be limited by the nature of the facilities and the limitations on food and beverage facilities and services at the Hotel provided in paragraph 1 of Article III, but in any event such services shall be rendered in a first-class manner.

Lessee agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this Lease and to increase same and not to divert or cause, or allow to be diverted any business from O'Hare Airport.

It is understood that Lessee shall have within the terms and provisions of this Lease absolute control and discretion in the operation of the Hotel. Without limiting the generality of the foregoing, such control of and discretion by Lessee shall include and extend to, among others, the use of the Hotel for all customary purposes (subject to the limitations on food and beverage facilities and services at the Hotel provided in paragraph 1 of Article III), the charges to be made for and the terms of admittance to the Hotel for rooms, commercial space, privileges, entertainment and amusement, and food and beverages, the labor policies of the Hotel (including wage rates, and the hire and discharge of employees), and all phases of promotions and publicity; provided, however, that such charges and the quality of service at the Hotel shall be commensurate with the charges and the quality of service at other first-class commercial type hotels in the City of Chicago, Illinois.

Lessee, with the consent of the Lessor (which consent shall not be unreasonably withheld) shall have the right to sublease or make contracts or other arrangements for specialty restaurants (subject to the limitations on food and beverage facilities and services at the Hotel provided in paragraph 1 of Article III) and in respect of commercial space and services customarily subject to sublease or concession in comparable first-class hotels.

4. Airport Rules and Regulations. Lessee shall observe and obey all rules and regulations governing the conduct and operation of O'Hare Airport, promulgated from time to time by the Lessor, which are reasonably required for the prudent, efficient and safe operation of O'Hare Airport or by the rules and regulations prescribed from time to time by any Federal or State Agency having jurisdiction with respect thereto or by the procedures prescribed from time to time by the Federal Aviation Administration or any other governmental authority having jurisdiction over operations at O'Hare Airport.

### ARTICLE V

### *Repairs, Additions and Alterations Compliance with Ordinances.*

1. Maintenance; alterations and additions.

(a) Maintenance by Lessor. During the term of this Lease, Lessor, at it sole cost and expense shall keep and maintain or cause to be kept and maintained in good repair and condition that portion of the domestic water, chilled water, and high temperature water equipment, pipes and conduits, the utility lines, the storm sewers and sanitary sewers, the water mains and the roadways, sidewalks and other use areas outside the Leased Premises. The obligation of Lessor, however, to keep said facilities in good repair and condition shall be excused during any period when Lessor shall be prevented from repairing and maintaining the same by strikes, labor troubles, inability to procure materials, apparatus or equipment or other causes beyond the reasonable control of the Lessor and while Lessor shall in good faith be in the process of repairing and maintaining the same.

(b) Maintenance by Lessee. During the term of this Lease, Lessee, at its sole cost and expense, shall keep and maintain (i) the Leased Premises, including that portion of the facilities described in subparagraph 1(a) of this Article servicing the Hotel which are located on the Leased Premises and the meters therefor, and (ii) the Furniture and Furnishings, in good repair and condition, damage by fire, collision by aircraft, Act of God or other cause beyond the reasonable control of the Lessee excepted.

(c) Alterations. Lessee shall have the right to make such alterations to the demised premises as Lessee shall elect, provided that Lessee shall not make structural alterations without the prior written consent of the Commissioner of Public Works, which consent shall not be unreasonably withheld, and provided further, that all alterations to the demised premises as Lessee shall elect to make shall be in conformity with the general architectural criteria by the Lessor for the said Airport and shall be in keeping with the design criteria of the buildings in which such alterations may be made.

2. Compliance with Ordinances. Lessee covenants throughout the Term of this Lease to promptly comply with all laws and ordinances, and the orders, rules, regulations and requirements of all Federal, state and municipal governments and appropriate departments, commissions, boards and officers thereof having jurisdiction in the premises, respecting the use or manner of use of the Leased Premises and the construction, maintenance and operation of any and all buildings, structures and other improvements on the Leased Premises per-

mitted by this Lease; provided, however, that if the Lessee shall adequately secure and protect the Lessor from loss, cost, damage or expense by bond or other means satisfactory to Lessor, the Lessee shall have the right to contest by appropriate legal proceedings the validity of any such law, ordinance, order, rule, regulation or requirement provided such contest shall be conducted without cost to the Lessor or result in the suspension of Lessee's operation of the Hotel and provided further that such contest shall not adversely affect the general operations, maintenance, construction or financing of O'Hare Airport or the obtaining of Federal, state, municipal or other funds therefor. Subject to the foregoing, the Lessee may postpone compliance with any such law, ordinance, order, rule, regulation or requirement, to the extent and in the manner provided by law, until final determination of any such proceedings and to the extent that such final determination shall be adverse to the contentions of the Lessee, it will promptly comply therewith. Lessee shall prosecute all such proceedings with all due diligence and dispatch.

### ARTICLE VI

### *Insurance and Indemnification.*

1. Insurance.

(a) During Period of Construction. During the period of construction and until the date of Substantial Completion of Construction of the Hotel, Lessee agrees to keep and maintain or cause to be kept and maintained the following insurance:

(1) Comprehensive public liability and property damage insurance, naming the Lessor and the Lessee, its contractors and subcontractors, as assureds, against claims for personal injury or death or property damages suffered by other occurring during the period of construction or arising out of or in connection therewith or in connection with the use and occupancy of the Leased Premises, with minimum liability limits as specified in subparagraph 1(b)(4) of this Article.

(2) Insurance on the buildings, structures and other permanent improvements in the course of construction, including all materials and equipment therefor, incorporated in or on the Leased Premises (exclusive of excavations, foundations and footings) against loss or damage by fire and lighting and the hazards included in a standard extended coverage endorsment to a fire insurance policy and vandalism and malicious mischief, such insurance to be written under a Builder's Risk Completed Value Form, naming the Lessor and the Lessee and its contractors as assureds.

(3) Insurance, by endorsement to the comprehensive public liability policy or policies provided for in subparagraph 1(a)(1) above, against liability under the provisions of the so-called "Scaffolding Act of Illinois", with the same minimum liability limits as specified in said subparagraphs 1(a)(1).

To the extent not included in the insurance coverages provided for in subparagraphs 1(b)(1) and 1(b)(4) of this Article, the foregoing provisions of this subparagraph 1(a) shall apply to all alterations and other construction work undertaken by or on behalf of the Lessee subsequent to the original construction of the Hotel provided for in Article III of this Lease.

(b) From and After Substantial Completion of Construction. From and after the date of Substantial Completion of Construction of the Hotel, Lessee agrees to keep and maintain the following insurance:

(1) Insurance on the buildings, structures and other permanent improvements on the Leased Premises (exclusive of excavations, foundations and footings), together with the Furniture and Furnishings, against loss or damage by fire and lightning, with coverage extended so as to include, by means of an extended coverage endorsement to a fire insurance policy loss or damage arising out of windstorm, hail, explosion (except boiler, riot, riot attending a strike, civil commotion, damage from aircraft and vehicles and smoke damage, all in amounts sufficient to prevent the insured from being a co-insurer within the terms of the applicable policies, but in any event in amounts not less than 80% of the then actual cash value thereof. The term "actual cash value" means the actual replacement value — excluding, for the purposes of this subparagraph and subparagraph (2) below, architects' fees when the original plans and specifications (or copies thereof) from which the buildings, structures and other permanent improvements were built are available for reconstruction, excepting the portion thereof to cover cost of supervision during construction, and excluding for the purposes of this subparagraph (i) the value of excavations, grading and filling, (ii) underground piping (excepting underground electrical conduit and wiring therein which shall not be excluded), underground tanks, drains and wells, (iii) those portions of concrete or masonry foundations, settings and footings below the lowest basement floor, or where the basement floor is a part of such foundations, settings and footings, (iv) concrete masonry and earthen retaining walls when outside of and not forming a part of the building or buildings, (v) swimming pool and related equipment, and (vi) roadway and parking area paving—less physical depreciation; and, if the Comptroller of the City of Chicago and the Lessee shall at any time be unable to agree thereon, said "actual cash value" shall be determined by one or more of the insurers or by an architect, contractor, appraiser or appraisal company selected by the Lessee and acceptable to the Comptroller of the City of Chicago.

(2) Insurance on the buildings, structures and other permanent inmprovements on the Leased Premises (exclusive of excavations, foundations and footings), together with the Furniture and Furnishings, against loss or damage from explosion of boilers, heating apparatus, pressure vessels and pressure pipes installed in the Hotel, without co-insurance clauses so long as available, in an amount not less than $500,000.00 with respect to any one accident;

(3) Insurance against loss or damage from leakage from any sprinkler systems installed in the Hotel, without co-insurance clauses so long as available, in an amount not less than $200,000.00 with respect to any one accident;

(4) Comprehensive public liability, property damage and innkeepers liability insurance, naming both the Lessor and Lessee as assureds, against claims for personal injury or death or property damages suffered by others occurring upon, in or about the Leased Premises, or any elevator, escalator or hoist therein, or upon, in or about the adjoining streets and passageways thereof, such public liability insurance to afford protection to the limit of not less than $300,-

000.00 in respect of bodily injury or death to any one person, and not less than $1,000,000.00 in respect of bodily injury or death to any number of persons in any one accident or occurrence, and such property damage insurance to afford protection to the limit of not less than $300,000.00 in respect of any one accident or occurrence;

(5) Standards products liability insurance with minimum liability limits as specified in subparagraph 1(b)(4) above;

(6) Insurance under standard form policies, naming both the Lessor and Lessee as assureds, against claims, damages and liabilities arising under the Illinois Liquor Control Law and the so-called Illinois Dramshop Act or under any future law, statute or ordinance of the State of Illinois or other governmental authority having jurisdiction in the premises, by reason of the storage, sale, use or giving away of alcoholic beverages on or from the Leased Premises, with limits or liability of not less than the following:

(i) bodily injury (fatal or non-fatal)—to any one person, not less than $200,000.00, and to more than one person arising out of any one accident, not less than $500,000.00;

(ii) injury to means of support of any one person—not less than $200,000.00; and

(iii) injury to property of any person—not less than $100,000.00.

(7) Workmen's compensation and other similar insurance, with statutory limits as required under the laws of the State of Illinois;

(8) Employers liability insurance with a minimum limit of $100,000.00;

(9) Fidelity and honesty insurance in such reasonable amount as Lessee shall deem advisable;

(10) Use and occupancy insurance against loss or damage by fire and lightning and all or any of the hazards included in an extended coverage endorsed to a fire insurance policy, in an amount not less than 80% of 12 months' net insurable business interruption values;

(11) Insurance against such other operating risks against which it now or hereafter may be customary to insure in the operation of similar properties.

(c) General Insurance Requirements. All insurance provided for in subparagraph 1(a) and 1 (b) of this Article shall be effected under valid and enforceable policies issued by insurance companies of sound and adequate financial responsibility qualified to do business in the State of Illinois and approved by the Comptroller of the City of Chicago.

All policies of insurance of the character described in subparagraphs 1(b)(1), 1(b)(2) and 1(b)(3) of this Article shall be carried in the name of the Lessor and Lessee, if any, but shall expressly provide that any losses thereunder shall be adjusted with the insurance company or companies by the Lessee. All insurance proceeds recovered under such policies or insurance (excluding any insurance proceeds recovered on account of damage or destruction of Furniture and Furnishings) shall be applied and disbursed in accordance with the provisions of Article VIII.

Insurance of the character described in paragraphs 1(a) and 1(b) of this Article may be effected by policies of blanket insurance which may cover other properties or locations of the Lessee and its affiliated companies, which policies shall be without co-insurance so long as available, and may be without allocation of the amount of the total insurance provided thereby to any particular property or location. It is further understood and agreed that the policies of insurance provided for in paragraph 1(a) and 1(b) of this Article may contain franchise payment or deductible provisions as follows:

$250.00 deductible for innkeepers' claims under comprehensive public liability insurance.

$10,000.00 franchise or deductible under insurance of the character described in subparagraphs 1(a)(2) and 1(b)(1) of this Article.

$25,000.00 deductible under insurance of the character described in subparagraph 1(b)(2) of this Article.

$5,000.00 deductible under the fidelity and honesty insurance provided in subparagraph 1(b)(9) of this Article.

$10,000.00 franchise or deductible under the use and occupancy insurance provided for in subparagraph 1(b)(10) of this Article.

$250.00 deductible on goods in transit and $2,500.00 deductible on goods stored off the premises under inland marine floater insurance.

At least ten (10) days prior to the time any of the insurance specified in this Article is required to be in effect, and thereafter not less than ten (10) days prior to the expiration or cancellation dates of the insurance policies about to expire or to be cancelled, certificates of insurance therefor, bearing a notation that the insurance policy evidenced thereby shall not be cancelled without at least thirty (30) days prior written notice to the Comptroller of the City of Chicago, shall be delivered by the Lessee to the Comptroller of the City of Chicago.

Notwithstanding the minimum limits specified in this Article VI, if insurance of the character described in subparagraph 1(b)(4), 1(b)(5) or 1(b)(6) of this Article actually maintained by the Lessee shall have higher limits, Lessor shall be named as an assured under such insurance.

2. Indemnification.

Lessee agrees, at its own expense, to defend, indemnify, save and hold harmless Lessor, its officers and agents, from and against all liability or loss for injuries to or deaths of persons or damages to property caused by any act or omission to act of, or use or occupancy of the Leased Premises by the Lessee, its sublessees, licensees, invitees, or any other person authorized by Lessee to use the Leased Premises or any portion thereof or as a result of any of their or the Lessee's operations or other activities at O'Hare Airport, regardless of whether the same are on or off the Leased Premises. Each party hereto shall give to the other prompt and timely notice of any claim made or suit instituted coming to the knowledge of their respective officers, management personnel or department heads which in any way reasonably appears to affect or which might affect either party hereto, and both shall have the right to participate in the defense of the same to the extent of its own interest. In the event the Lessor shall decide to so defend, such defense shall not be deemed a waiver by the Lessor of any of its rights against Lessee under the foregoing indemnification provisions.

## ARTICLE VII

### *Taxes and Assessments.*

Lessee shall pay any and all taxes or special assessment, including all real estate and personal property taxes and assessments, if any, which may be assessed and payable upon Lessee's interest in the Leased Premises during the term of this Lease. In the event the annual real estate and personal property taxes exceed Two Hundred Thousand ($200,000.00) Dollars and additional taxes paid shall be deducted from the percentage rent (in excess of the One Million ($1,000,000.00) Dollars fixed minimum rent) due for the period in which taxes become a lien.

### ARTICLE VIII

### *Damage or Destruction.*

1. Restoration. If at any time during the term of this Lease the Hotel or any other buildings, structures or other permanent improvements on the Leased Premises shall be damaged or destroyed in whole or in any part by fire or by any other peril or perils against which insurance may be afforded under the terms of the form of extended coverage endorsed then generally issued by insurance companies qualified to do business in the State of Illinois and if any insurance proceeds are payable by reason thereof, Lessee shall, with all reasonable dispatch after such damage or destruction, cause plans, specifications and estimates of cost for repairing, replacing or reconstructing the damaged or destroyed property (in accordance with the original design, subject to such modifications thereof as may be approved by the Commissioner of Public Works, whose approval shall not be unreasonably withheld) to be prepared by a firm of architects selected by the Lessee and approved by the Commissioner of Public Works (which approval shall not be unreasonably withheld). The plans and specifications for such work (except for emergency repairs) shall be submitted to and receive the approval of the Commissioner of Public Works prior to the commencement of such work. Upon approval of the plans and specifications for such work as aforesaid and receipt by Lessee of the proceeds of insurance recovered on account of such damage or destruction, Lessee shall, with reasonable diligence, proceed, except for unavoidable delays, to repair, restore, replace or rebuild, in accordance with the approved plans and specifications, the buildings, structures or other improvements so damaged or destroyed as nearly as possible to their condition immediately prior to such damage or destruction, subject to such modifications as may be approved by the Commissioner of Public Works, which approval shall not be unreasonably withheld.

2. Use of Insurance Proceeds. All insurance proceeds recovered under such policies of insurance (excluding any insurance proceeds recovered on account of damage or destruction of Furniture and Furnishings) shall be applied and disbursed as follows:

First: To pay or reimburse the Lessee for all expenses incurred in connection with the adjustment or collection of such loss.

Second: To pay or reimburse the Lessee for all costs and expenses incurred in connection with the preparation of the aforesaid plans, specifications and estimates of cost for repairing, replacing or restoring the damaged or destroyed property.

Third: To pay or reimburse the Lessee for the costs and expenses of such work as the same progresses so that the Leased Premises shall at all times be free from liens for any labor, services or materials performed, furnished or delivered in connection with such work.

Fourth: Of the balance, if any, of the insurance proceeds remaining after payment in full of all of the above-described prior charges, Lessee shall pay to the Lessor such proportion thereof as the number of full Lease Years immediately preceding the Lease Year in which such damage or destruction shall occur bears to twenty (20) years, and the balance of any such remaining proceeds shall be retained by the Lessee.

3. Abatement of Rent. If at any time during the Term of this Lease the Leased Premises are damaged or destroyed in whole or in part by fire, collision by aircraft, Act of God or any other cause beyond the reasonable control of the Lessee, the Lessee shall be entitled to a reasonable abatement of rental payments provided herein for such period of time from and after the date of such damage or destruction as may be reasonably required for the repairing, restoring or rebuilding of the buildings, structures and other improvements on the Leased Premises or, in the event of termination of this Lease under paragraph 4 of this Article or under paragraph 2 of Article XI for a period from and after the date of such damage or destruction, to and including the effective date of termination of this Lease.

4. Right to Terminate Lease. If at any time during the last five (5) years of the Term of this Lease the Leased Premises shall be substantially damaged or destroyed in whole or in part (which shall mean damage or destruction in an amount equivalent to fifty per cent (50%) or more of the then actual replacement value thereof, excluding the same items which are expressly excluded under subparagraph 1(b)(1) of Article VI in determining the "actual cash value" of the Leased Premises, but without deducting physical depreciation, or to a lesser extent if such a portion thereof shall be damaged or destroyed so as to make it imprudent or unreasonable, in Lessee's reasonable opinion, to use the remaining portion for hotel operations of the type and class immediately preceding such damage or destruction), by fire, collision by aircraft, Act of God or other cause beyond the reasonable control of the Lessee, and whether or not insured in whole or in part against any such cause, the Lessee may, at its option, terminate this Lease within sixty (60) days after the extent of such damage or destruction has been determined by serving upon the Lessor at any time within said sixty-day period a ten (10) day written notice of the Lessee's election to so terminate, without any liability of the Lessee to the Lessor, except for the payment of rent, if any, accrued to the date of such termination (subject to abatement thereof as provided in paragraph 3 of this Article) and full performance, at Lessee's sole cost and expense, of the work of demolition or removal of the remaining portions of the buildings, structures or other improvements so damaged or destroyed and removal of all debris from the Leased Premises. In the event this Lease shall be terminated pursuant to the provisions of this paragraph or under Article XI hereof, the insurance proceeds, if any, recovered on account of such damage or destruction under insurance policies of the character described in subparagraphs 1(b)(1), 1(b)(2), and 1(b)(3) of Article VI (excluding any insurance proceeds recovered on account of damage or destruction of Furniture and Furnishings and after deducting all expenses incurred by Lessee in connection with the adjustment or collection of such loss) shall be paid to the Lessor and retained by the Lessee, as the case may be, in the proportions provided in subparagraph Fourth of paragraph 2 of this Article.

### ARTICLE IX

### *Condemnation.*

In the event the Leased Premises or any part thereof shall be taken or condemned in any eminent domain, condemnation, compulsory acquisition or like proceedings by any competent authority for any public or quasi-public use or purpose (hereinafter referred to as "condemnation proceedings"), Lessor and Lessee shall each have the right, as against my condemnor, to recover to the extent of their respective interests hereunder, damages or compensation for the taking of or damage injury to the Leased Premises, or any part thereof; and Lessee in cooperation with Lessor, shall have the right to participate in any condemnation proceedings and be represented by counsel for the purpose of protecting their respective interests hereunder. Anything to the contrary notwithstanding, in the event the condemning authority is the City of Chicago or any agency thereof, the entire condemnation award, if any, shall be payable in full to the Lessee.

### ARTICLE X

### *Defaults and Remedies.*

1. Events of Default. If at any time or from time to time during the term of this Lease, any of the following events (herein called "Events of Default") shall occur and not be remedied within the periods of time hereinafter specified, namely:

(a) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee or liquidator of the Lessee or of all or a substantial part of its assets, or (ii) file a voluntary petition in bankruptcy, or admit in writing its inability to pay its debts as they come due, or (iii) make a general assignment for the benefit of creditors, or (iv) file a petition or an answer seeking reorganization or arrangement with creditors or to take advantage of any insolvency law, or (v) file an answer admitting the material allegations of a petition filed against the Lessee in any bankruptcy, reorganization or insolvency proceedings, or (vi) an order, judgment or decree shall be entered by any court of competent jurisdiction, on the application of a creditor, adjudicating the Lessee a bankrupt or insolvent or approving a petition seeking reorganization of the Lessee or appointing a receiver, trustee, or liquidator of the Lessee or of all or a substantial part of its assets, and such order, judgment or decree shall continue unstayed and in effect for any period of ninety (90) consecutive days; or

(b) Lessee shall default in the payment of any installment of Rent and such default shall continue for a period of thirty (30) days after the same is due and payable; or

(c) Lessee shall, for any reason other than Unavoidable Delays, cease to conduct business operations at the Leased Premises or shall abandon or vacate the Leased Premises, and any of the said defaults shall continue for a period of thirty (30) days or more; or

(d) Lessee shall fail to perform keep or fulfill any of the other covenants, obligations or conditions of this Lease to be performed, kept or fulfilled by the Lessee and any such default shall continue for a period of sixty (60) days after notice thereof by Lessor to Lessee specifying the general nature of such default; then, in the case of any such Event of Default and upon expiration of the applicable periods of grace above mentioned, the Lessor may give to the Lessee a notice of intention to terminate this Lease after the expiration of five (5) days from the date of giving of such notice (herein called the "5-day notice"), and on the date set forth in said notice the Term of this Lease, and all right, title and interest of the Lessee hereunder, shall expire as fully and completely as if that day were the date herein specifically fixed for the expiration of the Term of this Lease, and Lessee will thereupon quit and surrender the Leased Premises to the Lessor, but Lessee shall remain liable as hereinafter provided. If, upon receipt of such 5-day notice, Lessee shall proceed promptly and with all due diligence to cure the same and thereafter to prosecute the curing of such default with all due diligence within such 5-day period, the time for Lessee to cure the same shall be extended for such period as may be necessary to cure the same with all due diligence, then such notice shall be of no force and effect and the rights of the parties shall be the same as existed prior to the giving of said 5-day notice.

2. Lessor's Right of Entry Upon Default. In the case of the happening of an Event of Default which is not cured within the time specified in paragraph 1 of this Article, and upon expiration of the 5-day notice, the Lessor or the Lessor's agents and servants may immediately or at any time thereafter re-enter the Leased Premises and remove all persons and all or any property therefrom, either by summary dispossess proceedings or by any suitable action or proceeding at law or by force or otherwise, without being liable to indictment, prosecution or damages therefor, and repossess and enjoy the Leased Premises together with all additions, alterations and improvements.

Upon the expiration of the term of this Lease by reason of the happening of any Event of Default which is not cured within the time specified in paragraph 1 of this Article or in the event of the termination of this Lease by summary dispossess proceedings or under any similar provision of law now or at any time hereafter in force by reason of or based upon or arising out of a default under this Lease on the part of the Lessee, the Lessor may, at its option, at any time and from time to time, relet the Leased Premises, or any part or parts thereof, for the account of the Lessee or otherwise, and receive and collect the rents therefor, applying the same first to the payment of such expenses as the Lessor may have incurred in recovering possession of the Leased Premises, including legal expenses and attorneys' fees, and for putting the same in good or condition for re-rental and all other expenses, commissions and charges paid, assumed or incurred by the Lessor in or about reletting the Leased Premises and then to the fulfillment of the covenants of the Lessee hereunder. Any such reletting herein provided for may be for the then remaining Term of this Lease, or for a longer or shorter period.

In any such case and whether or not the Leased Premises, or any part thereof, be relet, except in a case in which the Lessor has terminated this Lease in accordance with the provisions of paragraph 1 of this Article X, the Lessee covenants and agrees, if required by the Lessor, to pay to the Lessor until the end of the Term of this Lease, the excess, if any, of the annual Rent over the net avails of reletting or annual rental value of the Leased Premises, whichever is greater, and the same shall be due and payable by the Lessee to the Lessor within sixty (60) days after the end of each Lease Year, that is to say, within sixty (60) days after the end of each Lease Year the Lessee shall pay to the Lessor the amount of the deficiency then existing, but in lieu thereof, the Lessor shall have the election in the place and instead of holding the Lessee so liable, forthwith to recover against the Lessee as damages for loss of the bargain and not as a penalty, an aggregate sum which at the time of such termination of this Lease or of such recovery of possession of the Leased Premises by the Lessor, as the case may be, represents the then present worth, discounted at the rate of 6% per annum, of the excess, if any, of the aggregate of the Basic Rent that would have accrued for the balance of the Term of this Lease over the aggregate rental value of the Leased Premises for the balance of the Term of the Lease.

3. No waiver of Subsequent Breaches or Defaults. No waiver of default by either party hereto of any of the terms, covenants or conditions herein to be performed, kept and observed by the other party shall be construed to be or act as a waiver of any subsequent default of any of the terms, covenants or conditions herein contained to be performed, kept and observed by either party hereto.

### ARTICLE XI

### *Rights and Remedies of Lessee.*

Termination by Lessee. Lessee may cancel this Lease and terminate its obligations hereunder, without any liability to the Lessor except for rent, if any, accrued to such date of termination (subject to abatement as provided in Article VIII to the extent applicable) at any time subsequent to the date hereof, upon or after the happening of any one of the following events:

(a) Inability of Lessee to conduct upon the Leased Premises normal hotel operations because of any order, rule or regulation of any appropriate governmental agency having jurisdiction over the operation of O'Hare Airport on account of any condition in or inadequacy of maintenance of the facilities of O'Hare Airport required to be maintained or provided by the Lessor, or upon abandonment or substantial curtailment for any reason in airline passenger operations conducted at O'Hare Airport, and such inability or such abandonment or substantial curtailment shall have continued for a longer period than ninety (90) days.

(b) The breach by the Lessor of, or its failure to perform, any other covenants herein contained for a period longer than ninety (90) days after receipt of written notice from the Lessee of the existence of such breach, failure or default.

Lessee shall exercise such right of termination by written notice delivered to the Lessor at any time after elapse of the applicable periods of time above specified.

The exercise of any of the remedies herein provided shall be cumulative and shall in no way affect any other remedy available to Lessee.

### ARTICLE XII

### *Right of First Refusal to Re-Lease.*

If, at the end of the Lease term, Lessor wishes to re-lease the Leased Premises to a private party for the purposes set out in this Lease, Lessee shall have the right of first refusal to re-lease the Leased Premises, upon the condition that Lessee shall have performed, in every way and in good faith, each and all of the terms, covenants and conditions of this Lease throughout the Lease term.

Lessor shall notify Lessee of its intent to re-lease the Leased premises at some time during the six (6) months prior to expiration of the Lease term and shall, at that time, propose the terms and conditions upon which the Leased Premises are to be re-leased.

Lessee shall have thirty (30) days after such notice in which to accept or reject the offer to re-lease the Leased Premises upon the terms and conditions proposed by Lessor. If the offer is not accepted within said thirty (30) day period, Lessor may lease the property to others upon the same terms and conditions as those offered to Lessee. Lessor agrees, however, that for one hundred eighty (180) days after the end of the Lease term, it will not offer different terms and conditions to other private parties without first offering Lessee the opportunity to lease the Leased Premises upon such other terms and conditions.

In any event, Lessee's right of first refusal shall terminate, absolutely, one hundred eighty (180) days after the end of the term of this Lease.

### ARTICLE XIII

### *Covenant of Quiet Enjoyment.*

Lessor agrees that Lessee, upon payment of the rent, and all other payments and charges to be paid by Lessee under the terms of this Lease, and observing and keeping the agreements and covenants of this Lease on the part of the Lessee to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Leased Premises during the term of this Lease, without hindrance or molestation from the Lessor or anyone claiming by, through or under the Lessor, but Lessor's agreement is subject, however, to Lessee holding and enjoying the Leased Premises under the conditions which may be reasonably anticipated in connection with the operation of aircraft or an airport.

### ARTICLE XIV

### *Miscellaneous Provisions.*

1. Inspection by Lessor. Lessor may enter upon the Leased Premises at any reasonable time for any purpose necessary, incidental to or connected with verification of the performance of Lessee's obligations hereunder, but subject to the provisions with respect thereto otherwise contained herein.

2. Sale of Furniture and Furnishings at End of Term. Upon the expiration or sooner termination of the Term of this Lease, Lessee shall have the right to remove all Furniture and Furnishings then owned by it. In the event Lessee elects not to remove any such Furniture and Furnishings, Lessor shall have the right and option to purchase the Furniture and Furnishings then owned by the Lessee at a price in cash equal to Lessee's then book value (i.e., original cost less accumulated depreciation) of said Furniture and Furnishings, and such option shall be exercised, if at all, at least thirty (30) days prior to the expiration or earlier termination of the Term of this Lease by payment to the Lessee of the aforesaid price in cash. If such option shall be exercised, Lessee shall deliver to the purchaser of such Furniture and Furnishings at the time of such exercise a bill of sale in the usual and customary form, with full title warranties, covering all of said Furniture and Furnishings, and said Furniture and Furnishings shall be surrendered and delivered to the purchaser thereof upon the expiration or earlier termination of the Term of this Lease.

If the Lessee shall not elect to remove such Furniture and Furnishings, and if the Lessor shall not elect to purchase same as aforesaid, or if the Lessor shall notify the Lessee of its intention not to purchase same, the Lessee, at its option, upon written notice to the Lessor given no later than sixty (60) days after the expiration or earlier termination of this Lease, shall have the right to require any successor lessee of the Leased Premises to purchase the Furniture and Furnishings then owned by the Lessee at a price in cash equal to Lessee's then book value (i.e., original cost less accumulated depreciation) of said Furniture and Furnishings; and in the event Lessee shall so elect to sell same to such successor lessee at said price, Lessor covenants and agrees that as a condition for entering into a new lease with any successor lessee it shall require such successor lessee to pay to Lessee such purchase price based upon the book value as aforesaid, in cash at the time of execution of such new lease. Upon receipt of such amount, Lessee shall deliver to such successor lessee a bill of sale, in the usual and customary form, with full title warranties, covering said Furniture and Furnishings, and same shall thereupon be surrendered and delivered to such successor lessee.

3. Surrender of Possession. Upon the expiration or earlier termination of this Lease pursuant and subject to the provisions of this Lease, Lessee shall yield and deliver to the Lessor possession of the Leased Premises in good repair and condition, reasonable wear and tear and loss or damage by fire, collision by aircraft, Act of God or other cause beyond the reasonable control of the Lessee excepted. Anything contained in this Lease to the contrary notwithstanding, if the Lessor or successor Lessee of the Leased Premises shall not elect or shall default in the purchase of the Furniture and Furnishings as provided in the first or second sub-paragraph of Paragraph 2 of this Article XIV, or if Lessee shall elect not to sell the Furniture and Furnishings to the successor lessee of the Leased Premises as provided in the second sub-paragraph of Paragraph 2 of this Article XIV and provided the Lessee is not then in default hereunder, then without relieving the Lessor or such successor Lessee of its liability, if any, therefor, Lessee shall have the right to remove, upon the expiration or earlier termination of this Lease, and for a period of thirty (30) days thereafter, any and all of its Furniture and Furnishings and fixtures and personal property of every kind and nature whatsoever which Lessee may have placed or installed in, on or about the Leased Premises. Lessee shall, however, repair, at its own cost and expense, any damage resulting to the Leased Premises from its removal of such property.

4. Assignment or Sublease. No Assignment of this Lease and no sublease of all or substantially all of the Leased Premises as an entirety shall be valid or of any force and effect, without the written consent of the Lessor first had and obtained. Nothing herein contained shall be construed to prevent Lessee from assigning this Lease and all of its rights and obligations hereunder to any successor assignee of Lessee which may result from any merger, consolidation or reorganization or sale of all or substantially all of its assets or to any of their respective wholly-owned subsidiaries, provided that such successor or assignee shall assume in writing all of the obligations of the Lessee under this Lease, and provided further that the Lessee shall not be released from any of its obligations hereunder.

5. No Partnership or Joint Venture. Nothing contained in this Lease shall constitute or be construed to be or create a partnership or joint venture between the Lessor, its successor or assigns, on the one part, and the Lessee, its successors or assigns, on the other part.

6. Headings. The Article and paragraph headings contained herein are for convenience of reference only and are not intended to define, limit or describe the scope or intent of any provision of this Lease.

7. Successors and assigns. This Lease shall, subject to the provisions of paragraph 4 of this Article, inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

8. Governing Law. This Lease shall be deemed to have been made in and shall be construed in accordance with the laws of the State of Illinois.

9. Notices. All notices, requests, demands or approvals required to be given to Lessee under the terms of this Lease shall be given by registered mail, postage prepaid, addressed to Lessee or to such other address as may be from time to time designated in writing by the Lessee.

Copies of all such notices shall be sent to Newton W. Mandel, Esq., Counsel for Lessee, at 320 Park Avenue, New York, New York, or to such other attorney as may be from time to time designated in writing by Lessee and to the Leasehold Mortgagee in accordance with Paragraph 6 of Article II, on Page 10.

All notices required to be given to the Lessor under this Lease shall be given by registered mail, postage prepaid, addressed to the Comptroller of the City of Chicago, City Hall, Chicago, Illinois, 60602, or to such other address as Lessor may from time to time designate in writing.

10. Equal Opportunity. Lessee, in performing under this lease, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, age or national origin, nor otherwise commit an unfair employment practice. Lessee further agrees that this article will be incorporated by Lessee in all contracts entered into with concessionaires, sublessees, suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this lease. Attention is called to Executive Order 11246 issued September 24, 1965, 3 CFR p. 567, 1966: The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1967, CH 38, Secs 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1967, CH 29, Secs. 17 to 24 inclusive; July 21, 1961 Ill. Rev. Stat. 1967, Ill. Rev. Stat. 1967, CH 48, Secs. 881 to 887 inclusive, and an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings. To demonstrate compliance Lessee and its contractors, concessionaires and sublessees will furnish such reports and information as requested by the Chicago Commission on Human Relations.

11. Counterparts. This Lease has been executed in several counterparts, each of which shal be deemed an original and all collectively but not instrument.

In Witness Whereof, the City of Chicago has caused this Lease to be executed on its behalf by its Mayor, pursuant to due authorization of the City Council of the City of Chicago, and its seal to be hereunto affixed and attested by the City Clerk of the City of Chicago, and has caused this Lease to be executed in its corporate name by its ........... President thereunto duly authorized and its corporate seal to be hereunto affixed, attested by its Secretary, all as of the day and year first above written.

SECTION 2. This ordinance shall be in force and effect from and after its publication.

*Failed to Pass*—MISCELLANEOUS PROPOSED ORDERS.

The Committee on Finance submitted reports recommending that the City Council *Do Not Pass* five proposed orders transmitted therewith, which had been referred to the committee on the dates noted below, as follows:

(January 19, 1970) Proposed order for refund of fees paid by the Catholic Bishop of Chicago (St. Henry Church) for building and other permits issued in conjunction with the construction of an apartment building, etc., on the premises at No. 1956 W. Devon Avenue and No. 6327 N. Hoyne Avenue, and for all electrical work and use of water in conjunction with each of said projects. (Free permit ordinances passed on April 25, 1969, page 5408);

(January 19, 1970) Proposed order for refund of fees paid in the total amount of $589.70 for Building Permit No. B-401610 for construction of service facility for the Jewish Vocational Service, No. 2008 W. Devon Avenue;

(February 25, 1970) Proposed order for refund of fees paid in the total amount of $731.50 for Building Permit No. B-413700 issued to B. W. Handler Construction Company in conjunction with remodeling project at South Center Building of Presbyterian-St. Luke's Hospital, No. 1720 W. Harrison Street;

(February 25, 1970) Proposed order for refund of fees paid in the total amount of $794.50 for Building Permit No. B-403945 issued to Presbyterian-St. Luke's Hospital in conjunction with construction of Mile Square Annex No. 2040 W. Washington Boulevard (B. W. Handler Construction Company);

(February 25, 1970) Proposed order for refund of fees paid in the total amount of $500.35 for Building Permit No. B-420721 for construction by The Salvation Army of a new Citadel and Youth Center on premises at No. 4056 N. Pulaski Road.

Alderman Keane moved to *Concur* in the committee's recommendations. The several questions thereupon became: *Shall the proposed orders Pass, the recommendation of the committee to the contrary notwithstanding?;* and the several questions being put, each of the proposed orders *Failed to Pass,* by yeas and nays as follows: *Yeas*—None; *Nays*—36.

*Placed on File*—MISCELLANEOUS MATTERS.

The Committee on Finance submitted reports recommending that the City Council *Place on File* miscellaneous documents transmitted therewith. On motion of Alderman Keane the committee's recommendations were *Concurred In.*

The following is a summary of said documents:

A communication from the Department of Law dated January 30, 1970, transmitting a report of settlements of suits with entries of judgments against the City (referred to the committee on February 25, 1970);

A communication from the Department of Public Works dated March 13, 1970, transmitting Monthly Progress Report No. 272 for the month ended December 31, 1969, showing progress of construction on Sewer Bond Issue Projects.

*Disallowed*—SUNDRY CLAIMS FOR PAYMENT OF DAMAGE, REFUNDS, ETC. *(Adverse Committee Recommendations).*

The Committee on Finance submitted a report recommending that the City Council *Disallow* certain miscellaneous claims. On motion of Alderman Keane the committee's recommendations were *Concurred In.*

The following is a summary of said claims, which were referred to the committee on the respective dates noted in parentheses:

*Compensation for Damage to Vehicles:*

(November 1, 1967) Donald North;
(December 4, 1967) Helen G. Kennedy;
(March 20, 1968) Nicholas Gulli;
(March 20, 1968) Sam Rizzo;
(May 20, 1968) Mrs. Edward Copeland;
(June 19, 1968) Fred Cabrera;
(November 15, 1968) Sam Milsap Jr.;
(November 15, 1968) Jerome S. Tomaszewski;
(January 31, 1969) State Farm Ins. and S. Koszyk;
(May 28, 1969) Patricia Ryan;
(July 29, 1969) William Adamski;

(December 16, 1969) Mrs. Lela Metcalf;
(February 25, 1970) Pearl E. Cesarone;
(February 25, 1970) Lucille Jantis;
(February 25, 1970) Betty Eliscu.

*Compensation for Various Refunds:*

(January 17, 1969) Robert A. Voigt;
(February 25, 1970) Gelco Ivm Leasing Co.;
(February 25, 1970) Henry W. Kelley.

---

## COMMITTEE ON BUILDINGS AND ZONING.

### Comprehensive Amendment to Electrical Code of City of Chicago.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on September 5, 1969, page 5963 of the Journal) concerning a Comprehensive Amendment to the Electrical Code of the City of Chicago, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

**The following is said ordinance as passed:**

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That Section 86-3 of the Municipal Code of Chicago is amended by inserting:

"selling, offering for sale"
between
"operating" and "or"

in the first sentence thereof.

SECTION 2. That Section 86-4 of the Municipal Code of Chicago is amended by deleting therefrom the words:

"of the Department of Buildings"

in the first sentence thereof.

SECTION 3. That Section 86-5 of the Municipal Code of Chicago is amended so as to read as follows:

"86-5. The electrical regulations of this code may be modified or waived by special permission in particular cases where such modification or waiver is specifically permitted or in particular cases where an advancement in the technology of electricity makes such modification or waiver advisable in the best interest of the people of Chicago. Such "Special Permission" shall in all cases be obtained from the Chief Electrical Inspector in writing prior to the commencement of the work."

SECTION 4. That Section 86-10 of the Municipal Code of the City of Chicago is amended to read as follows:

"86-10. It shall be unlawful for any individual, company or corporation to sell, offer for sale, give away gratis, install, alter, repair or use any electrical equipment or appliance intended for use in the City of Chicago, which does not conform to the standards set forth in this code.

(a). The term "Electrical Equipment" as used in the electrical regulations of this code is hereby defined as meaning conductors and apparatus installed for the utilization of electricity for light, heat, power, aural or visual communication or signal transmission or convenience.

(b). The term "Appliance" as used in the electrical regulations of this code is hereby defined as meaning any device, machine, piece of apparatus or tool which utilizes or transmits electrical current or energy.

(c). Examples of electrical equipment are as follows:

Conduit, wireways, trough, duct, switchboards, panelboards, distribution centers, motor control centers, conductors, cables, cords, junction boxes, cabinets, connectors, couplings, tape, fittings, switches, circuit breakers, fuses, meter fittings, combinations of any of the foregoing and in general, anything that would be utilized in making an electrical installation.

(d). Examples of appliances are as follows:

All electrical tools, toasters, irons, hair dryers, washers, dryers, dish washers, stoves, ranges, ovens, rotisseries, fry pans, radios and television sets not specifically excluded by this section of the code, amplifiers, speakers, photographs, recorders, office machines, electrical toys, cords and cord sets, signs, points of display, fixtures, decorations, and in general any and all electrical appliances or devices or machines intended by their nature and construction to utilize or transform electrical current in their normal usage.

(e). Exemptions. The provisions of this ordinance are not intended to include apparatus, conductors or equipment installed for or by public utilities, common carriers or commercial radio or television stations which are under the jurisdiction of the Illinois Commerce Commission or other State or Federal regulatory body for their use in their specific operation as a public utility or carrier or radio or television station.

(f). Approval. The standards for equipment and appliances shall be found in the various sections of this code and in the Construction Specifications found in Section 88-9."

SECTION 5. That Section 86-14 of the Municipal Code of Chicago is amended by adding thereto the following:

"It shall be unlawful for any person to sell or offer for sale any tool or device especially made or intended for the purpose of defeating the non-interchangeability feature of overcurrent protective devices. Nor shall any individual, company or corporation sell, offer for sale or give away gratis any tool or device which by its very nature defeats the intent of those sections of the code relating to the non-interchangeability of overcurrent devices.

This section is not intended to prohibit the use of devices which are made available by manufacturers in order to accomplish the permitted interchange of overcurrent protective devices, which such devices are made available only by the manufacturer of the overcurrent protective devices to be changed. Each such device sold, offered for sale or given away gratis shall constitute a separate violation of this ordinance and shall be so prosecuted."

SECTION 6. That Section 86-22 of the Municipal Code of Chicago is amended so as to read as follows:

"86-22. Applicants shall be not less than twenty-one years of age, and shall have had at least two years experience in the installation, alteration, repair, and maintenance of electrical wires, equipment and apparatus, or an experience equivalent thereto. Applicants shall furnish the names and addresses of former employers, periods of time employed by each and in what capacity. Such information and all other required relevant information shall be provided upon forms available from the Bureau of Electrical Inspection.

The Electrical Commission of the City of Chicago shall prepare as many different examinations as are necessary to adequately provide for the number of applicants in different specialties. Each applicant shall be required to answer a reasonable number of questions in writing to indicate that he has sufficient knowledge and technical training to perform the work or to supervise the installation, alteration, repair, or maintenance of electrical wires and apparatus authorized by permits issued by the Bureau of Electrical Inspection. It shall be the responsibility of the Electrical Commission to exercise control and supervision of such examinations.

(a). Each applicant shall pay an Examination Fee of five dollars ($5.00) for each examination he takes. Such fee shall be paid to the City Collector through the Bureau of Electrical Inspection prior to the day the examination is taken.

(b). Where the results of the first examination are unfavorable the applicant may reapply for a second examination after thirty days have elapsed. If the results of the second examination are unfavorable, the applicant shall be required to wait a period of six (6) months before reapplication. A separate fee of five ($5.00) dollars shall be paid for each examination."

SECTION 7. That Section 86-26 of the Municipal Code of Chicago is amended by adding thereto the following:

"Where a supervising electrician has not obtained a permit from the Bureau of Electrical Inspection for a continuous period of three years he shall be required to take another examination as provided for in Section 86-22 before he shall receive another permit."

SECTION 8. That Section 86-27 of the Municipal Code of Chicago is amended by adding thereto the following sub-sections:

"(a). Where an electrical installation has been started prior to the issuance of a permit for such work, the normal permit fee as required by this code shall be increased by the amount of fifteen dollars ($15.00).

(b). Where a registered electrical contractor is found doing electrical work without a permit on three separate occasions in one calendar year, a hearing shall be held by the Chief Electrical Inspector at which time the permit privileges of said electrical contractor may be suspended for a period of time not to exceed one year. The members of the Electrical Commission shall be present at such hearings and shall act as advisors to the Chief Electrical Inspector in determining what course of action should be taken."

SECTION 9. That Section 86-41 of the Municipal Code of Chicago is amended so as to read as follows:

"86-41. Where due to the nature of their business it is necessary to make frequent alterations and changes to their electrical equipment, a monthly permit may be obtained each and every month of the year to cover all of the electrical work installed, altered or repaired during the previous month by persons who have a maintenance supervisor registered as per Section 86-43 of this Code."

SECTION 10. That Section 86-43 of the Municipal Code of Chicago is amended so as to read as follows:

"86-43. Before any monthly permit shall be issued to any person, he shall appoint or employ a supervising electrician in conformity with the provisions of Section 86-20 of this Code."

SECTION 11. That Section 86-44 of the Municipal Code of Chicago is amended by deleting the words:

"semi-annual or quarterly"

from the first sentence thereof, and is further amended by inserting in their place the word:

"monthly".

SECTION 12. That Section 86-45 of the Municipal Code of Chicago is amended so as to read as follows:

"86-45. A complete record of all installations, alterations and repairs made during each calendar month shall be maintained by the supervising electrician, and a permit application shall be submitted to the Bureau of Electrical Inspection each and every month."

SECTION 13. That Section 86-46 of the Municipal Code of Chicago is amended by deleting therefrom the words:

"semi-annual or quarterly"

in two places, and is further amended by inserting in lieu thereof the word:

"monthly".

SECTION 14. That Section 86-53 of the Municipal Code of Chicago is amended by changing the word:

"supervisor" to "inspector"

and is further amended by adding thereto the following:

"It shall be the responsibility of such supervising electricians to apply for an electrical permit each and every calendar month to cover all electrical installations, alterations and repair work done on the premises under his jurisdiction during that month. Where such permits are not obtained on a regular basis, the Bureau of Electrical Inspection shall consider that the registrant is inactive and his name shall be removed from the registration file."

SECTION 15. That Chapter 86 of the Municipal Code of Chicago is amended by adding thereto the following Sections:

"86-117. The fees of examination of plans shall be as follows:

| | |
|---|---|
| Standard Fire Alarm System | $ 9.00 |
| Emergency Lighting System | $ 6.00 |
| Switchboard | $ 9.00 |
| Motor Control Center | $ 9.00 |
| Hospital Complete | $12.00 |
| Theater Complete | $12.00 |

All Others @ $6.00 per hour, minimum one hour.

86-118. The fees for inspection of the electrical work in connection with displays and exhibitions, carnivals and other temporary installations of like nature are as follows:

| | |
|---|---|
| Connected loads of less than 10 KW | $ 9.00 |
| Connected loads of 10 KW to 50 KW | $27.00 |
| Connected loads of 51 KW to 100 KW | $36.00 |
| Connected loads of 101 KW to 200 KW | $40.50 |
| Connected loads of 201 KW to 300 KW | $45.00 |
| Additional Connected load over 300 KW | $ 4.50 |

for each 200 KW or fraction thereof.

86-119. The fees for the inspection of electrical interior communication systems shall be as follows:

| | |
|---|---|
| Aural Communication Systems | $12.00 |
| Visual Communication Systems | $12.00 |
| Master Antenna Systems | $12.00 |

86-120. Except as is provided in Section 86-111 for single family dwellings, the inspection fee for services shall be as follows:

| | |
|---|---|
| 40 ampere (2 wire) | $ 6.00 |
| 50 ampere (2 wire) | $ 6.00 |
| 60 ampere (2 or 3 wire) | $ 8.00 |
| 100 ampere (3 or 4 wire) | $10.00 |
| 101 - 200 ampere (3 or 4 wire) | $12.00 |
| 201 - 300 ampere (3 or 4 wire) | $14.00 |
| 301 - 400 ampere (3 or 4 wire) | $16.00 |
| 401 - 600 ampere (3 or 4 wire) | $18.00 |
| 601 - 800 ampere (3 or 4 wire) | $20.00 |
| 801 - 1000 ampere (3 or 4 wire) | $22.00 |
| 1001 - 2000 ampere (3 or 4 wire) | $24.00 |

Fees for services in excess of 1000 amperes shall be computed on the basis of the rating of the service disconnects installed prorated according to the schedule above and shall include feeders, risers and all wiring and equipment up to the branch circuit distribution panels or motor power panels or control centers.

Fees for the inspection of vaults shall be $6.00 for each vault."

SECTION 16. That Chapter 86.1 of the Municipal Code of Chicago is amended to read as follows:

## CHAPTER 86.1

### *Electric Signs and Signboards*

86.1-1. Responsibility. It shall be the duty of the Commissioner of Buildings or such persons as may be appointed, to approve applications, issue permits and exercise supervision over Electric Signs and Signboards, as defined below, which are constructed, erected, or being maintained under the provisions of this Code.

86.1-2. Definitions. For the purpose of this Chapter:

(a). Electrical Signs shall be deemed to be a name, identification, description, display, illustration or character which is affixed to, or represented directly or indirectly upon a building, structure, or piece of land and which directs attention to an object, product, place, activity, person, institution, organization or business, which are illuminated by or utilize electricity in any form.

(b). Projecting signs are signs which project obliquely or at right angles from the building or structure from which they are supported.

(c). Flat signs are signs which are placed flat against the building or structure from which they are supported and which run parallel thereto.

(d). Roof signs are signs which are erected on and supported by the roof of a building or structure or erected on and supported from a structure on or over a roof.

(e). Ground signs are signs supported by a structure which rests on the ground.

(f). Signs supported from a canopy shall be deemed to be flat signs, when they are single face signs.

(g). Signboards (billboards and paintboards and posted panelboards) are signs which fall into the general classification commonly known by these or other titles.

86.1-3. Inspection Required. It shall be the duty of the Commissioner of Buildings; or such persons as are appointed to exercise supervision over all electric signs, signboards and supporting structures erected or maintained under the provisions of this Code.

The Bureau of Electrical Inspection, under the supervision of the Commissioner of Buildings, shall issue permits, make original and subsequent annual inspections of all electric signs, illuminated signboards and such structures as are covered by this Chapter of the Code.

The original and annual inspections shall be made to determine the electrical and structural safety of the signs and structures. All signs manufactured outside of the City of Chicago shall be inspected by representatives of the Bureau of

Electrical Inspection before they are erected or installed.

86.1-4. Permit Required. It shall be unlawful to begin the erection, alteration or enlargment of any sign, signboard or structure covered by the provisions of this Chapter of the Code unless a permit therefor shall have first been obtained from the Bureau of Electrical Inspection.

(a). No attachment shall be made to any sign, signboard or structure covered by this Chapter unless all applicable provisions of this Code have been complied with.

(b). Rehang. A previously approved sign which has beeen removed for any reason may be rehung in the same location upon the issuance of a rehang permit. If the sign is moved to a new location a new permit shall be required.

86.15. Permit Application. Applications for permits to erect, install or alter signs; or illuminate signboards; or maintain the electrical components of electrical signs shall be made by registered electrical contractors. Where applicable such applications shall be countersigned by bonded sign erectors. Applications for permits to erect, install or alter signboards or structures shall be made by bonded sign erectors. All such applications shall be in such form as is prescribed by the Commissioner of Buildings.

86.1-6. Engineers' Drawings required. Drawings prepared by an architect or structural engineer, licensed to practice in the State of Illinois, and bearing his seal shall be presented with applications for permits for the erection or alteration of signs, signboards or structures which fall into the following categories:

(a). supported by a canopy.

(b). requiring a roof structure which extends more than 12′ from the roof to the top of the structure or if any face of a sign mounted on a roof structure exceeds 60 square feet in area.

(c). projecting signs which exceed 1000 pounds in weight or 99 square feet in area of one face.

(d). signs held by diverging guys or supports at angles less than 45 degrees with the sign.

(e). projecting signs having more than 50% of the vertical dimension of the sign above the roof line and having any face that exceeds 60 square feet in area.

(f). cranes supported by roof structures, provided the area of the sign exceeds 60 square feet.

(g). signs supported by other than chains which have any face which exceeds 40 square feet in area.

(h). signs erected entirely above the roof of a building unless constructed as is described in 86.1-14(f)

(i). supported from the ground by independent structures the top of which is more than 24 feet above the level of the adjoining street or the surrounding grade.

(j). installation of new sign boxes or letters on an existing structure, canopy or beams where the existing structure, canopy or beams had previously required such drawings.

(k). flat signs which exceed 1000 pounds in weight.

86.1-7. Time Limit. If after the permit has been issued, the work called for by such permit has not begun within 12 months subsequent to the date of issuance of the permit, said permit shall be null and void and no work shall be started until such time as a new permit has been issued.

86.1-8. Construction Contrary to Permit. It shall be unlawful for any person, company or corporation engaged in the erection, alteration or repair of illuminated signs or signboards to erect, alter or repair any sign or signboard contrary to the approved permit. It shall be unlawful for any person to erect, alter or repair any illuminated sign or signboard without first having obtained a permit as provided for in this Chapter of the Code. Where a sign or signboard has been erected, altered or repaired contrary to the approved permit, the permit shall be invalidated by this action.

Where a bonded sign erector, a registered sign contractor, or a registered electrical contractor installs, alters, erects, or repairs a sign, signboard or illuminates a signboard without a permit first being issued, the permit privileges of such bonded sign erector, registered sign contractor, or registered electrical contractor, shall be suspended forthwith and shall not be reinstated until such time as all the provisions of this Code have been complied with.

Where a bonded sign erector, a registered sign contractor or a registered electrical contractor performs defective work in the erection, alteration or repair of a sign, signboard or the illumination of a signboard, he shall be notified in writing of such defective work. If at the end of ten days the aforementioned defective work has not been corrected, the permit privileges of such contractor shall be suspended and shall not be reinstated until such defective work has been corrected.

The Chief Electrical Inspector is hereby empowered to shut off the electric current to any sign or signboard which is erected, altered or repaired contrary to any of the provisions of this Code.

In addition to the provisions of this section anyone who violates the provisions of this section shall be liable to the penalties as set forth in Section 86.1-25 of this Code.

86.1-9. Obstruction of Streets. Permits for the Obstruction of streets or sidewalks during construction of signs shall be issued by the Commissioner of Streets and Sanitation and shall be obtained by the sign contractor.

86.1-10. Posting of Bonds. Every person erecting, maintaining or removing electric signs, signboards or structures shall submit to the Commissioner of Buildings, a bond, with surety to be approved by the Commissioner of Buildings in the penal sum of twenty-five thousand dollars conditioned that such person shall faithfully comply with all provisions and requirements of this Code with respect to the alteration, location and safety and for the payment of the original permit fees required by this Chapter; and conditioned further to indemnify, save, and keep the City and its officials harmless from any claims, damages, liabilities, losses, actions, suits or judgments which may be presented, sustained, brought or obtained against the City or any of its officials because of the maintenance, alteration or removal of any electric sign, signboards or structure, or by reason of any accident, caused by or resulting therefrom.

Individual annual $15,000 bond for each sign will be required on Items (h) and (i) of 86.1-6, except as described in 86.1-14(e). In lieu of such individual annual bond, any person, firm or corporation owning, leasing, erecting, maintaining, or removing any sign or signs within the description of these Items may file with the Commissioner of Buildings a certificate of insurance issued by any casualty company authorized to do business in the State of Illinois evidencing coverage in favor of the City of Chicago, its officials, agents or servants, for any and all claims, demands, or suits for personal injury or property damage where the liability alleged against the City of Chicago for such injury or property damage arises out of the provisions of this Chapter. Such certificate of insurance shall provide applicable bodily injury limits of not less than $100,000.00 per person and $300,000.00 per accident and property damage limits of not less than $20,000.00 per accident; and shall further provide that the Commissioner of Buildings be given 30 days notice by the insurer prior to any cancellation of the coverage.

86.1-11. Council Approval. A City Council Order shall be required in addition to the normal permit for:

(a) any electric sign which projects over the public way and which exceeds 100 square feet in area of one face.

(b) roof or ground signs, structures or signboards over sixty feet in height.

Council approval is not required for any other projecting sign, however the Alderman of the ward in which any sign which projects over the public way is to be erected shall be given notification of such sign.

86.1-12. Restricted Locations. In general the provisions of the Comprehensive Zoning Ordinance regulate the type and size and the permissability of signs, signboards and structures. In addition thereto the following restrictions shall apply:

(a) No sign shall be erected upon or project more than 12 inches over Michigan Ave. between Roosevelt Rd. and Oak St., and Lake Shore Drive between Randolph St. and Hollywood Ave.

(b) No advertising shall be permitted within 400 feet of:

1. all public parks of 10 or more acres in area
2. all expressways and tollroads
3. Lake Shore Drive
4. Any portion of the comprehensive superhighway system of the City of Chicago approved by the City Council
5. Such other parks and streets or portions thereof as the City Council shall designate.

The designated 400 feet shall be measured from the center lines of such streets bounding public parks, or the boundary lines of such parks or roads, whichever applies.

86.1-13. Permit Fees. The original permit fee shall cover one year. Subsequent annual reinspection fees shall be the same as the original permit fee. Permit fees shall be computed as follows:

(a) Electric signs projecting over the public way. $0.50 per square foot of area of each face. The area of skeleton letters shall be computed as that area within the perimeter design of the letters. No fee shall be less than $7.50.

(b) Electric signs on private property, illuminated signs flat against a building (flat signs), illuminated painted wall signs and illuminated signboards.

25 nominal 50 watt or 50 volt-ampere lamps or less, $7.50, plus

$0.20 for each of the next 25 lamps, plus

$0.17 for each of the next 25 lamps, plus

$0.15 for each of the next 25 lamps, plus

$0.12 for each of the next 100 lamps, plus

$0.11 for each of the next 100 lamps, plus

$0.10 for each additional lamp over 300.

Fees, if lamps are other than 50 watts, 50-volt-ampere rating, shall be based on the total connected load reduced to 50-volt ampere units and the above schedule applied.

(c) Roof signs, same as (b) plus $50.00 for the first 500 square feet, plus $0.12 per square foot for each square foot over 500. Fee shall be computed on the actual area of the display surface. Roof signs which are less than 12 feet above the roof and have less than 60 square feeet area per face will not be required to pay this structure fee, but shall pay fees as computed in subsection (b).

(d) Ground signs, any part of which projects over the public way shall pay fees as computed for projecting signs.

Ground signs entirely over private property, less than 24 feet above surrounding street level or surrounding grade level whichever is higher shall pay fees as listed in sub-section (b).

Ground signs the top of which is more than 24 feet above surrounding street level or surrounding grade level, whichever is higher, as indicated in sub-section (b) plus the structure fees indicated in sub-section (c).

(e) Permits issued for the reerection or alteration of any electric sign, illumination of signboards or illumination of flat or wall signs shall be $7.50. The fees for permits issued for illuminated signs to be erected for a period not to exceed thirty days shall be ¼ of the annual sign fee. No fee shall be less than $7.50. The fee for cancellation of any permit shall be $7.50 and shall be deducted before the remaining amount is refunded.

86.1-14. Limitations. Height and Location. Sign size and location shall be limited as follows:

(a) The overall vertical dimension of an illuminated projecting sign shall not exceed 70 feet.

(b) Signs flat against the building may be erected at entrance door height provided the entire sign box is flat against the building wall.

(c) Signs which project over the public way more than 12 inches shall clear such public way (sidewalk) by nine feet.

(d) Flat signs shall not project above the parapet of the building except that such a sign may project above the parapet under the following conditions:

(1) The erection of the sign does not prohibit access to the roof from the exterior of the building without passing over the sign.

(2) The sign shall not project more than four feet above the parapet or where there is no parapet more than four feet above the roof line.

(3) In no case shall more than fifty percent of the sign project above the parapet or where there is no parapet above the roof line.

(4) A sign shall never be supported from the parapet.

(5) Special permission is obtained in writing from the Chief Electrical Inspector before permit application is made.

(e) Signs supported from structures from roof or ground shall have a maximum vertical height from roof or ground to the top of the display or structure not to exceed sixty feet, unless a Council Order is obtained.

(f) A sign may be erected at the edge of a roof on a building which has no parapet walls provided:

(1) the building is no more than one story in height, and

(2) no sign section is more than four feet in height, and

(3) no sign section has an area of more than forty square feet.

All such sign sections shall be erected independent of each other.

(g) Projecting signs shall be supported by a structure anchored wholly within the lot line.

(h) Projecting signs shall not extend into the public way a greater distance than within 18 inches of the curb line.

(i) Projecting signs shall have that portion of the sign nearest the supporting structure not more than two feet from the lot line.

(j) Flat signs shall not project over the public way more than 12 inches.

(k) No sign shall be attached to or supported by a chimney or water tank unless special permission has been obtained in writing from the Chief Electrical Inspector before the permit is issued.

If a street is widened after a sign has been installed and such sign thereby becomes in violation of one of the provisions of these ordinances, the owner or user of said sign shall immediately take such steps as are necessary to bring the sign into comformance with all applicable provisions of this Code.

86.1-15. Dimensions. Projecting electrical signs shall have a thickness of drum or box not exceeding 24 inches, except by special permission.

(a) Vertical type "V" shaped projecting signs shall not project more than 6 feet from the building and shall not exceed 6 feet in width along the face of the building. Said signs shall be enclosed at the top and the bottom and an open space of not more than three inches shall be allowed between the building and the sign.

(b) Signs supported by a structure from a roof shall have a minimum distance of three feet from the bottom of the structure or the display, whichever is lower, to the roof. The minimum disstance from the face of the display to the exterior wall of the building shall be three feet, except as provided for in 86.1-14(f).

(c) Signs supported by a structure from the ground shall have a minimum distance of five feet from the bottom of the structure or display, whichever is lower, to the ground. No exposed live parts (lamp sockets, neon tubes, or sockets, etc.) shall be within seven feet of the ground.

86.1-16. Construction Standards. All signs requiring structural engineers or architects drawings shall be constructed to the standards contained in the Building Code of the City of Chicago, except that for compressive stresses for columns and other compression members of structural grade steel, the ratio of l/r shall not exceed 120. Main structural members shall not be less than 5/16″ thick and secondary members and bracing shall be less than ¼″ thick. Signs erected entirely above a roof shall have the calculated center of wind pressure not higher above the roof than 75% of the vertical distance between the roof and the top of the display.

86.1-17. General Restrictions. No person, firm or corporation, shall place on, or suspend, from any building, sign, structure, canopy, lot or place any goods, wares or merchandise or any other thing so that same shall project over the public way except as heretofore provided.

86.1-18. Notice of Non-Compliance. Wherever it shall appear to the said Commissioner that any such sign or structure has been erected in violation of the provisions of this code or is in an unsafe condition or has become unstable or insecure, or is in such a condition as to be a menace to the safety or health of the public, he shall thereupon issue, or cause to be issued, a notice in writing to the owner of such sign or structure, or person in charge, possession or control thereof, if the whereabouts of such person is known, informing such person of the violation of the provisions of this code or of the dangerous overload of current, without injury to itself when properly applied within its rating, condition of such sign or structure, and directing him to make such alteration or repairs thereto, as shall be necessary to make the same comply with the requirements of this code within such reasonable time as may be stated in said notice.

86.1-19. Posting Non-Compliance Notice. If the owner of such sign or structure or the person in possession, charge or control thereof cannot be found, or his whereabouts cannot be ascertained, the Commissioner shall attach, or cause to be attached, to said sign or structure, a notice of the same import as that required to be sent to the owner or person in possession, charge or control thereof, when the owner is known; and if such sign or structure shall not have been made to conform to the provisions of this code and placed in a secure, safe and substantial condition, in accordance with the requirements of such notice, within thirty days after such notice shall have been attached to such sign or structure, the Commissioner of Buildings may thereupon cause such sign or structure, or such portion thereof as is constructed and maintained in violation of the provisions of this code, to be torn down; provided, however that nothing herein contained shall prevent the Commissioner of Buildings from adopting such precautionary measures as may be necessary or advisable in case of imminent danger in order to place such sign or structure in a safe condition, the expense of which shall be charged to and recovered from the owner of such sign or structure, or the person in charge, possession or control thereof, in any appropriate proceedings therefor.

86.1-20. Demolition. If the owner or person in charge, possession or control of any sign or structure when so notified, shall refuse, fail or neglect to comply with and conform to the requirements of such notice the said Commissioner may upon the expiration of time therein mentioned, tear down or cause to be torn down such part of such sign or structure as is constructed and maintained in violation of the provisions of this code, and shall charge the expense to the owner, or person in possession, charge or control of such sign or structure and the same shall be recovered from such owner or person by appropriate legal proceedings.

86.1-21. Abandoned Signs.

(a) Any illuminated sign, erected over public property, on which the annual inspection fee has not been paid in conformity with all the provisions of this code, shall be declared to be abandoned or a hazard over the public way and the Department of Buildings is hereby empowered to remove or cause to be removed, any such abandoned or hazardous illuminated signs.

(b) Abandoned Structure. Structures over publice or private property shall be removed at the time sign is removed, unless structure is maintained by a bonded sign hanger. A drawing prepared by a licensed architect or structural engineer and bearing his seal shall be presented with the application for the erection of a new sign on such structures.

86.1-22. Removal of Sign. It shall be the duty of the Department of Buildings to remove or cause the removal of any sign or structure not in compliance with any of the provisions of this chapter dealing with illuminated sign over public property, and any compensation or inspection fees paid to the City for such sign shall not be refunded.

86.1-23. Revoking of Permit. The Commissioner of Buildings shall revoke the permit for any sign being constructed or erected in violation of any of the provisions of this code.

86.1-24. Stopping of Current. Any person that shall violate any of the provisions of this chapter dealing with illuminated signs on buildings or structures and not over public property, shall be subject to the penalty provided in Section 86.1-25, and in addition to such penalty, the Department of Buildings shall, for the violation of any of those provisions, compel the cutting off or the stopping of electrical current supplied to any electrical equipment on such sign.

86.1-25. Any person erecting, owning, operating, maintaining, or in charge, possession or control of any illuminated sign, or illuminated signboard or roof sign or structure, within the City, that shall neglect or refuse to comply with the provisions of this code, in all cases where no specific penalty is fixed therein, shall be fined not less than five dollars and not more than Two Hundred Dollars ($200.00) for each offense; and each day on which any person shall permit or allow any illuminated sign or illuminated signboard or roof sign or structure owned, operated, and maintained or controlled by him to be erected, constructed or maintained in violation of any of the provisions of this code shall constitute a separate and distinct violation.

SECTION 16.(A) That Section 87-100 of the Municipal Code of Chicago is amended by deleting therefrom the definition of "Approved"; and is further amended by adding thereto the following definitions in alphabetical order:

"Approved. Acceptable to the Bureau of Electrical Inspection. Electrical equipment, appliances and devices shall conform with the minimum standards applicable thereto contained in the electrical regulations of this Code. In order to avoid the necessity of repetition of examinations by different examiners, frequently with inadequate facilities for such work, and to avoid the confusion which would result from conflicting reports, it shall be mandatory that all equipment, devices and appliances covered by the provisions of this Code shall be tested and approved by a standard testing laboratory, of nationally accepted stature, which performs services equal to or greater than those performed by the Underwriters' Laboratories, Inc. In those instances where it is impossible to receive such an approval the Bureau of Electrical Inspection shall make the determination of acceptability.

Ampacity. Current-carrying capacity expressed in amperes.

Appliance. An appliance is utilization equipment. It is generally other than industrial; normally built-in standardized sizes and types; installed or connected as a unit to perform one or more functions, such as clothes washing, air conditioning, food mixing, cooking, etc.

Appliance, Fixed. An appliance which is fastened or otherwise secured at a specific location.

Appliance, Portable. An appliance which is actually moved, or can easily be moved from one place to another in normal use.

Appliance, Stationary. An appliance which is not easily moved from one place to another in normal use.

Automatic. Automatic means self-acting, operating on its own mechanism, when actuated by some impersonal influence; as for example, a change in current strength, pressure, temperature or mechanical configuration.

Bonding Jumper. A reliable conductor to assure the required electrical continuity.

Branch Circuit, Appliance. A circuit supplying energy to one or more outlets to which appliances are to be connected. Such circuits have no permanently connected lighting fixtures, not a part of an appliance.

Circuit Breaker. A device designed to open and close a circuit by non-automatic means, and to open a circuit automatically on a predetermined overload of current without injury to itself when properly "Applied within its rating.

Dust-Ignition Proof. Enclosed in such a manner so as to exclude ignitable amounts of dust or amounts which might affect performance or rating and which when installed in conformance with this code will not permit arcs, sparks or heat otherwise generated or liberated inside of the enclosure to cause ignition of accumulations or atmospheric suspensions of a specified dust on or in the vicinity of the enclosure.

Explosion Proof. Enclosed in a case which is capable of withstanding an explosion of a specified gas or vapor which may occur within it, and of preventing the ignition of a specified gas or vapor surrounding the enclosure by sparks, flashes or explosions of the gas or vapor within, and it must operate at such external temperature that a surrounding flammable atmosphere will not be ignited thereby.

Ground. A conducting connection, whether intentional or accidental between an electrical circuit or equipment and earth or some conducting body which serves in place of the earth.

Grounded. Connected to earth or to some conducting body which serves in place of the earth.

Grounded Conductor. A conductor intentionally grounded in any manner.

Grounding Conductor. That conductor used to connect equipment, devices or wiring systems to the required ground.

Thermal Cutout. An overcurrent protective device which contains a heater element in addition to and affecting a renewable fusible member, which opens a circuit. It is not designed to interrupt short circuit currents.

Thermal Protection. Equipped with a 'Thermal Protector'.

Thermal Protector. (as applied to motors) An inherent overheating device which is responsive to motor current and temperature and which, when properly applied to a motor, will protect the motor against dangerous overheating due to motor overload or failure to start."

and is further amended by inserting the word, "Conductors" after the word, "Supply" in the heading of that definition."

SECTION 17. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following new section:

"87-110.13. Expansion and Contraction. Expansion joints shall be provided in runs of conduit, raceway, busway, etc., where required to compensate for thermal expansion and contraction."

SECTION 18. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following new section:

"87-110.14. Working Space. Adequate working space as defined and required in various sections of this code shall be provided and maintained around all electrical equipment.

SECTION 19. That Section 87-110.15 of the Municipal Code of Chicago is amended by adding thereto the following:

"Such devices when intended to interrupt fault current shall be capable of interrupting the maximum available fault current without abnormal damage to itself or related equipment."

SECTION 20. That Section 87-110.17 of the Municipal Code of Chicago is amended by adding thereto the following:

"Because of the different characteristics of copper and aluminum the devices and fittings such as pressure connectors, solder lugs, screw type connectors, etc. employed where making splices, terminations or connections shall be approved for the materials of the conductors and for the purpose for which they are being used."

SECTION 21. That Section 87-110.19 of the Municipal Code of Chicago is amended by deleting therefrom:

sub-section "3";

and is further amended by renumbering present subsection, "4", so that it becomes, "3".

SECTION 22. That Section 87-110.20 of the Municipal Code of Chicago is amended by adding thereto the following:

"All required markings, nameplates, trademarks and identification symbols shall be accessible after installation."

SECTION 23. That Section 87-200.6 of the Municipal Code of Chicago is amended by adding thereto the following new sub-section:

"(d). In a 4 wire, delta connected secondary system, the conductor having the highest voltage to ground shall be identified with a permanent red color in a suitable manner at all switchboards, panelboards, switches, cabinets, wiring gutters, junction boxes and similar enclosure where the grounded neutral conductor is present."

SECTION 24. That Section 87-210.3 of the Municipal Code of Chicago is amended to read as follows:

"87-210.13. Voltage. The voltage between branch circuit conductors and between conductors and ground shall be limited as follows:

(a). Branch circuits supplying lampholders, fixtures or receptacles of the standard 15 ampere or less rating, 150 volts to ground.

(b). Branch circuits supplying only the ballasts or electric discharge lamps mounted in permanently installed fixtures, which do not have manual switch control as an integral part of the fixture, installed in industrial, large commercial, large office or other large public buildings and where the electrical installation is under the supervision of a registered electrical supervisor the voltage may exceed 150 volts to ground, but may not exceed 300 volts to ground. The fixtures shall be mounted not less than 8′ from the floor and when the voltage exceeds 150 volts between conductors or between conductors and ground, remote control low voltage switching shall be used unless the circuit overcurrent protective device, enclosed in an approved panelboard if used as the switching means.

(c). Branch circuits in railway properties shall conform to Section 87-110.11.

(d). Branch circuits supplying infra-red and other heating appliances used in industrial applications shall conform to the provisions of Section 87-422.

(e). Branch circuits supplying the ballasts of permanently installed fixtures of the electric discharge type in industrial occupancies or on poles in parking lots or yards adjacent to industrial type occupancies may exceed 150 volts to ground but in no case may they exceed 500 volts between conductors. For yard and parking lot lighting the installation shall conform to the provisions of Section 88-730.9. In industrial type occupancies high bay type lighting may utilize 480 volt circuits if special permission is obtained.

(f). In dwelling type occupancies the voltage between conductors supplying lampholders of the screw-shell type, receptacles or appliances shall not exceed 150 volts, except that voltage supplying only permanently connected appliances or portable appliances of more than 1380 watts may exceed 150 volts but in no case shall it exceed 250 volts between conductors or 150 volts to ground. In every instance any such portable appliance shall be connected to a receptacle wired to carry the specific load of that appliance and properly grounded.

SECTION 25. That Section 87-210.16 (c-2) of the Municipal Code of Chicago is amended by adding thereto the following:

"At least one duplex receptacle outlet shall be installed directly above each show window for each 12 linear feet or fraction thereof of show window measured horizontally along its base. Such outlets shall be located no more than 18″ away from the window;"

and is further amended by changing "12" to "15" in the second sentence.

SECTION 26. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following new Section:

"87-210.17. Swimming Pool Circuits. Branch circuits which supply fixed, stationary, movable, or portable equipment, appliances or lighting in, on around or near swimming pools shall include a grounding conductor for the purpose of grounding the non-current carrying parts of such equipment or appliances. The metal of the raceway is not acceptable as the required grounding conductor in this application. (See Section 88-680)."

SECTION 27. That Section 87-210.23 of the Municipal Code is amended:

By deleting "and over" from sub-section (a), thereof; and is further amended:

by deleting "20 or" from sub-section (b), thereof: and is further amended:

by adding the following to sub-section (c) 2 thereof:

". . . supplied, and is a fuse as described in 87-410.27 is installed in each fluorescent fixture."

SECTION 28. That Section 87-210.24(b) of the Municipal Code of Chicago is amended so as to read as follows:

"(b). Dwelling Type Occupancies. In every kitchen, utility room, dining breakfast room, living room, parlor, den, library, sun room, recreation room, family room, game room and bedroom receptacles outlets shall be installed so that no point along the floor line in any wall space is more than six feet, measured horizontally, from an outlet in that space including any wall space two feet wide or larger, and the wall space occupied by sliding panels in exterior walls. Receptacle outlets in the floor shall not be counted as part of the required number of receptacles unless located close to the wall. There shall be at least one receptacle between doors three feet or more apart. Except as provided in 88-560.3 these receptacles shall be on 15 ampere general lighting circuits. At least one receptacle shall be installed in each bathroom, shower room or powder room. All receptacles shall be of the grounding type."

SECTION 29. That Section 87-210.24 of the Municipal Code is amended by adding thereto the following new sub-section:

"(c). Guest rooms in hotels, motels and similar occupancies shall have receptacle outlets installed in conformance with the provisions of sub-section (b) of this section."

SECTION 30. That Section 87-210.25(b) of the Municipal Code of Chicago is amended by adding thereto the following:

"The total load of any branch circuit shall be limited to 80% of the rating of that circuit when the load that it serves is considered to be continuous. For the purposes of this code, continuous is defined as a condition of use, where the full load will be present for a period of three hours or more."

SECTION 31. That Section 87-210.26 of the Municipal Code of Chicago is amended by adding thereto the following new sub-sections:

"(c). 40 Ampere Branch Circuits. Fixed lighting units with heavy duty lampholders in other than residential occupancies; fixed cooking appliances; or infra-red heating appliances.";

and is further amended by renumbering existing sub-section "(c)" so that it becomes "(d)" and reads as follows:

"(d). 50 Ampere Branch Circuits. Fixed lighting units with heavy duty lampholders in other than residential occupancies; fixed cooking appliances; or infra-red heating units.";

and is further amended by adding thereto the following:

"The term "fixed" as used in this Section recognizes cord connections where otherwise permitted by this code.

Fixed outdoor electric snow melting and de-icing installations may be supplied by any of the branch circuits described herein, provided the circuit supplies no other load."

SECTION 32. That Section 87-210.27 of the Municipal Code of Chicago is amended to read as follows:

"87-210.27. Table of Requirements. The requirements for circuits having two or more outlets (other than those circuits specifically provided for in 87-210.15(b)) are summarized in the following Table.

SECTION 33. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following new Section:

"87-210.28. Neutral Continuity. The continuity of an identified, grounded circuit conductor shall not depend upon device connections, such as ampholders, receptacles, etc., where the removal of such devices would interrupt the continuity."

SECTION 34. That Section 87-220.3 of the Municipal Code of Chicago is amended by changing:

"3" to "5", in Column A, after "Office Building";

and is further amended by placing a double asterisk (**) in front of:

"Hospitals" and "Hotels";

and is further amended by adding as the last sentence, this reference:

"** For feeders to areas in hospitals and hotels, where the lighting load is likely to be continuous as in operating rooms, ballrooms, dining rooms, etc., a demand factor of 100% shall be used.";

and is further amended by adding the following to sub-section "(f)" thereof:

"There shall be no reduction in the neutral capacity for that portion of the load which consists of electric discharge lighting."

SECTION 35. That Section 87-220.5 of the Municipal Code of Chicago is amended so as to read as follows:

"87-220.5. Diagram of Feeders. In new buildings or in buildings being remodeled, where a new service is being installed, or where the remodeling encompasses more than 50% of the building or the electrical system, unless prior approval, in the form of drawing or prints, stamped "Approved" by the Bureau of Electrical Inspection, has been obtained, and in other than (a) residential type occupancies

BRANCH CIRCUIT REQUIREMENTS
(Branch circuit conductors specifically approved for the purpose)

| Circuit Rating | 15 Amp. | 20 Amp. | 30 Amp. | 40 Amp. | 50 Amp. |
|---|---|---|---|---|---|
| Conductors (minimum size) | | | | | |
| Circuit Wires | 14 | 12 | 10 | 8 | 6 |
| Taps | 14 | 14 | 14 | 12 | 12 |
| Fixture Wire and Cords | | (Refer to Section 87-240.3(d) ) | | | |
| OVERCURRENT PROTECTION | | | | | |
| | 15 Amp. | 20 Amp. | 30 Amp. | 40 Amp. | 50 Amp. |
| Outlet Devices | | | | | |
| Lampholders | Any Type | Any Type | Heavy Duty | Heavy Duty | Heavy Duty |
| Recptacle Rating | 15 Amp. | 15 or 20 Amp. | 30 Amp. | 40 Amp. | 50 Amp. |
| Maximum Load | 15 Amp. | 20 Amp. | 30 Amp. | 40 Amp. | 50 Amp. |
| Permissable Loads | Refer to Section 87-210.26 | | | | |

"

The ampacities indicated in this Table are for copper conductors. Sizes must be increased for aluminum."

two stories or less in height, unless of the commercial or corridor type; (b) single story stores, less than 10,000 sq. ft. in area; (c) warehouses, less than 3 stories high; (d) residential garages; (e) industrial type occupancies less than two stories high, less than 10,000 sq. ft. in area and with a connected load less than 400 amperes, a complete and detailed set of plans shall be submitted with each permit application, showing the following: service conductors and raceway, feeder conductors and raceways, all switchboards, panelboards, transformers, distribution centers, motor control centers, dimensions of all electrical closets, vaults, square foot area, the load being served, the available fault current, the interrupting capacity of all overcurrent protective devices, and any other pertinent electrical or structural information which would have a bearing upon the acceptability or approval of the electrical system."

SECTION 36. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following new Section:

"87-220.6. Fixed Electric Space Heating. The computed load of a feeder supplying fixed electric space heating equipment shall be the total connected load of all the branch circuits, except: (a) where reduced loading of the conductors results from units operating on duty cycles, intermittently, or from all units being so connected that it is physically impossible for all to operate at one time, or (b) where it is physically impossible that both of two dissimilar loads both served by the same feeder can be on at the same time, conductors of an ampacity equal to the maximum possible load may be utilized."

SECTION 37. That Section 87-230.3(c) of the Municipal Code of Chicago is amended so as to read as follows:

"(c). Service Drops. Conductors in multiple conductor cables shall be rubber covered or thermoplastic covered except that a grounded conductor may be uninsulated where the maximum voltage to ground does not exceed 300. All individual conductors shall be covered with an insulation and covering approved for the purpose."

SECTION 38. That Section 87-230.4(a) of the Municipal Code of Chicago is amended so as to read as follows:

"(a). Service Entrance Conductors. Service entrance conductors including underground services shall have an ampacity sufficient to carry the load as determined by 87-220.3 and in conformance with the Tables in Section 88-10, except that: (1) residential occupancies of 850 square feet and over shall be served by conductors having a minimum ampacity of 100; (2) residential occupancies of less than 850 square feet shall be served by conductors having a minimum ampacity of 60; (3) Power service conductors shall have a minimum ampacity of 40; (4) Service conductors supplying only two 15 ampere lighting circuits shall have a minimum ampacity of 40."

SECTION 39. That Section 87-230.11 of the Municipal Code of Chicago is amended by adding thereto the following new Sub-sections:

"(a). Approved Cable. A cable specifically approved by the Bureau of Electrical Inspection for use as direct burial, underground service entrance conductors. A pre-requisite for such approval shall be an approval by a nationally recognized standard testing laboratory.

(b). Depth of Burial. All direct burial service entrance conductors shall be buried not less than 36″ below the surrounding grade. All such installations shall be inspected by the Bureau of Electrical Inspection after the cables have been installed and before the trench has been backfilled. Except on weekends or holidays 48 hours shall be given to the Bureau of these operations. Such notice shall be deemed to be compliance with the provisions of this sub-section.

(c). Entering the Building. Where an underground service consisting of one of the cables described in (a) of this section is installed such cables shall be protected as follows:

1. Where the cables are to enter an enclosure on the exterior of the building above grade a manufactured elbow of the proper size of galvanized or sheradized rigid heavy wall conduit and a conduit nipple shall terminate a minimum of 24″ away from the building at the bottom of the trench. An insulating bushing shall be installed at the end of the conduit. A 'slip-fitting' shall be utilized to allow for the ground movement during the season changes. The required amount of slack in the cables shall be provided in the enclosure for the same reason.

2. Where the conductors are to be brought into the building underground they shall enter a galvanized or sheradized rigid heavy wall conduit at least 24″ from the building wall at the bottom of the trench. An insulating bushing shall be installed at the end of the conduit. The conduit shall be sealed on the interior of the building as required in 87-230.14."

SECTION 40. That Section 87-230.12 of the Municipal Code of Chicago is amended by inserting:

"or sheradized", between

"galvanized" and "heavy", in the last sentence thereof.

SECTION 41. That Section 87-230.51(g) of the Municipal Code of Chicago is amended by inserting:

"except as provided in 88-700 and 88-725,"

between, "managment" and "the", in the first sentence thereof.

SECTION 42. That Section 87-230.51(d)3 of the Municipal Code of Chicago is amended so as to read as follows:

"3. The use of auxilliary gutters, wireways, troughs, junction boxes, (except Utility Company stub boxes, used in conjunction with underground services), raceways, etc. as enclosures for service entrance conductors or the tapping of service entrance conductors is strictly prohibited."

SECTION 43. That Section 87-230.54 of the Municipal Code of Chicago is amended by adding thereto the following:

"A push-button type of electrical remote control may be used in addition to the manual handle."

SECTION 44. That Section 87-230.57 of the Municipal Code of Chicago is amended by placing a period (.) after:

". . . . 60 amperes." in the first sentence,

and is further amended by deleting therefrom the following: "for a switch or 50 amperes for a breaker."

SECTION 45. That Section 87-230.60 of the Municipal Code of Chicago is amended by adding thereto a new sub-section to read as follows:

"(a). In high-rise buildings of the commercial or residential types, where vaults, transformers and/or distribution points are established throughout the various floors of the buildings, all such electrical equipment shall be grouped and installed in an approved electrical closet. Such closet shall be for the exclusive use of the electrical system and shall be so constructed as to provide the required working space around all of the electrical equipment installed thereto."

SECTION 46. That Section 87-230.61 of the Municipal Code of Chicago is amended to read as follows:

"87-230.61. Special Services. Where service equipment, which is not a stock item approved as indicated in Section 88-9 of this code, is to be installed in the City of Chicago, the following rules shall apply:

(a). The manufacturer who builds or assembles the service equipment shall submit three (3) sets of detailed drawings of his proposal to the Utility Supply Company, who upon approval will retain one copy, stamp with their approval the two remaining copies of the drawings, and forward them to the Bureau of Electrical Inspection of the City of Chicago, who in turn will, upon approval, attach the City approval stamp, and return one copy to the submitter bearing the approval stamp of both the City and the Utility Supply Company; and any changes, corrections, additions, or deletions required by either the City or the Utility Supply Company for approval.

(b). The location of the service equipment shall be considered as to its suitability for temperature, dust, or dampness, and ready accessibility to meet the best conditions of safe usage and conformance with Section 87-230.60(a).

(c). Such service equipment shall be so designed, constructed, or assembled that it is capable of withstanding and interrupting the available fault current without abnormal damage to itself or its related equipment.

(d). The disconnecting means may consist of a single switch or circuit breaker of an approved type or by authority of a special permit, the installation may be made as necessitated by special conditions encountered.

(e). All such assemblies and/or switches or circuit breakers shall be identified as service equipment, and each switch or circuit breaker in the assembly shall be identified with its respective load.

(f). All unprotected bus work shall be properly enclosed and isolated. Facilities shall be provided for the Utility Supply Company seal. The only exposed live or unprotected bus shall be that part necessary to connect the line side of each switch and shall be of minimum length. Bus bars shall be cut for current transformers and links provided when the current transformer is not used and shall be provided with testing facilities for the Utility Company. A link shall be provided on the line side of the service switch or circuit breaker in the grounded conductor. Such link shall be located in service switch or circuit breaker enclosure, unless permission is obtained for an alternate location. (See Section 87-230.51(f)).

(g). Service entrance conductors and bus work on the line side of the service entrance switch or switches or circuit breaker or breakers shall have an ampacity sufficient to carry the load supplied, but shall not be less than 80% of the total rating of the service switch or switches or the frame size of the circuit breaker or breakers.

(h). Each switch or circuit breaker of the assembly shall be supplied by bus having an ampacity equal to the full rating of the switch or circuit breaker being served. The feeder capacity from each switch or circuit breaker shall be sufficient to carry the load supplied and shall not be protected by overcurrent devices rated at more than the ampacity of the conductors, and in no case shall be less than the ampacity of the bus feeding such switch or circuit breaker, except as provided in other sections of this code. (See Sections 87-220 and 87-430).

(i). Switches or circuit breakers need not be the same size; however, no switch or circuit breaker may be smaller than 400 amperes except where a small emergency lighting load is required in addition to the normal service supplied by the assembly, in which case, special permission may be obtained to utilize a switch or circuit breaker rated at less than 400 amperes. All switches or circuit breakers shall be mounted at operable heights from the floor.

(j). Service bus may be used as service entrance conductors from a service head. It shall be enclosed in a metal housing to and including the service head and shall be fitted with lugs for the full load capacity.

(k). Before any alterations may be made to equipment of this type, all provisions of this section must be complied with."

SECTION 47. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto a new sub-section to read as follows:

"87-230.85. Services Exceeding 600 Volts. Secondary conductors, not primary conductors, are regarded as constituting the service entrance conductors to the building in the following cases:

(a). Where step-down transformers are located outdoors, either on a pad or on poles or in a separate vault, or (b). Where step-down transformers are located in a separate building from the one being served, or (c). Where step-down transformers are located in the building being served in transformer vaults conforming to the requirements of 87-450.41 through 87-450.48, and they are under the sole control of the Utility Company."

SECTION 48. That Section 87-230.86 of the Municipal Code of Chicago is amended so as to read as follows:

"87-230.86. General. Service conductors and equipment used on systems exceeding 600 volts between conductors shall comply with all applicable provisions of 87-230 and in addition thereto with the provisions of 88-710."

SECTION 49. That Section 87-230.92 of the Municipal Code of Chicago is amended by adding thereto the following:

" 'Manually Operable' calls for a mechanical, rather than only electrical linkage between the circuit breaker and the point of operation, and refers to both the opening and closing operation."

SECTION 50. That Section 87-240.3 of the Municipal Code of Chicago is amended so as to read as follows:

"87-240.3. Overcurrent Protection of Conductors. Standard ratings for fuses and non-adjustable circuit breakers shall be 15, 20, 25, 30, 35, 40, 45, 50, 60, 70, 80, 90, 100, 110, 125, 150, 175, 200, 225, 250, 300, 350, 400, 450, 500, 600, 700, 800, 1000, 1200, 1600, 2000, 2500, 3000, 4000, 5000 and 6000. Conductors shall be protected in accordance with their ampacities, except as follows:

(a) Fuses. If the allowable ampacity of a conductor does not correspond to the rating of a standard size fuse, the next larger size or rating of fuse may be used, only where the rating is 800 amperes or less. Plug fuses shall not be used in circuits exceeding 125 volts between conductors, except circuits of a system having a grounded neutral and no conductor at more than 150 volts to ground.

The screwshell of all fuseholders shall be connected to the load side of the circuit.

(b) Non-Adjustable Trip Circuit Breakers. Non-adjustable trip circuit breakers, except as permitted in other sections of this code shall be rated in accordance with the ampacity of the conductors.

(c) Adjustable Trip Circuit Breakers. Except as permitted for motor installations, adjustable trip circuit breakers shall be rated in accordance with the rating of the conductors.

Sub-sections (d), (e), (f), (g) and (h) remain as presently written".

Section 51. That Chapter 87 of the Municipal Code of Chicago is amended by deleting therefrom "Section 87-240.11".

Section 52. That Section 87-240.53(a) of the Municipal Code of Chicago is amended so that it reads as follows:

"(a). Classification. Plug fuses and fuseholders of Type "S" shall be classified at not over 125 volts: 0-15 amperes, 16-20 amperes, and 21-30 amperes."

Section 53. That Section 87-240.53(b) of the Municipal Code of Chicago is amended so as to read as follows:

"(b). Fuses Usable Only in Fuseholders of the Same Classification. Fuses of the 16-20 ampere and the 21-30 ampere classifications shall not be usable with fuseholders or adapters of a lower ampere classification."

Section 54. That Section 87-240.61 of the Municipal Code of Chicago is amended so as to read as follows:

"87-240.61. Cartridge Fuses and Fuseholders. Cartridge fuses and fuseholders shall conform to the following:

(a). Classification. Cartridge fuses and fuseholders shall be classified as regards current and voltage as follows:

| *Not over 250 volts Amperes* | *Not over 300 volts Amperes* | *Not over 600 volts Amperes* |
|---|---|---|
| 0 - 30 | 0 - 15 | 0 - 30 |
| 31 - 60 | 16 - 20 | 31 - 60 |
| 61 - 100 | 21 - 30 | 61 - 100 |
| 101 - 200 | 31 - 60 | 101 - 200 |
| 201 - 400 | | 201 - 400 |
| 401 - 600 | | 401 - 600 |

601 - 6000 ampere cartridge fuses and fuseholders shall be classified at 600 volts as follows:

601 - 800
801 - 1200
1201 - 1600
1601 - 2000
2001 - 2500
2501 - 3000
3001 - 4000*
4001 - 5000*
5001 - 6000*

There are no 250 volt ratings over 600 ampere, however 600 volt fuses may be used for lower voltages. *Fuses rated at more than 3000 amperes may be used on voltages in excess of 250 only by special permission in conjunction with an approved type of ground fault protection.

(b). Non-interchangeable. 0-6000 ampere fuses and fuseholders shall be so designed that it will be impossible to insert a fuse of any given class into a fuseholder which is designed for a current lower or a voltage higher than that of the class to which it belongs without major difficulty. Fuseholders intended for use with current limiting fuses shall not permit the insertion of fuses which are not current limiting.

(c). Limitation, Fuses classified, "Not Over 300 Volts", shall never be used in a branch circuit, feeder or service unless there is a grounded neutral in the system which is present in every switch enclosure, circuit breaker cabinet, distribution center and junction box in the system.

(d). Marking. Fuses shall be plainly marked with the ampere rating, voltage rating, current limitation, when it applies, and the name or trademark of the manufacturer. Fuses which have been tested and approved for interrupting ratings greater than 10,000 amperes shall be marked with the rating for which they have been approved. They shall be legible and durable.

(e). Renewable Cartridge Fuses. Renewable cartridge fuses shall not be used."

Section 55. That Section 87-240.81 of the Municipal Code of Chicago is amended so that Subsection "(e)" thereof reads as follows:

"(e). Marking. Circuit breakers shall be plainly marked with the voltage and ampere ratings and the manufacturers name or trademark. Circuit breakers which have been tested and approved for interrupting ratings higher than 10,000 amperes shall be marked with the rating for which they have been approved. The markings shall be durable and legible and shall be visible after installation.";
and is further amended by deleting therefrom, Sub-sections: "(f), (g) and (h)" and is further amended by inserting a new Sub-section, "(f)" as follows:

"(f). Circuit breakers and their enclosures shall be of such design that it will be impossible to substitute two or more breakers in a space previously occupied by a lesser number of breakers. Adjustable trip circuit breakers shall not be used on new installations, except as permitted for motor installations."

Section 56. That Section 87-250.12 of the Municipal Code of Chicago is amended by adding thereto the following:

"It is recommended that two wire direct current systems operating at more than 300 volts be grounded if a neutral point can be established such that the maximum difference of potential between that point and any other point in the system does not exceed 300 volts. It is recommended that two wire direct current systems be ungrounded if the voltage to ground would exceed 300 after grounding."

Section 57. That Section 87-250.13 of the Municipal Code of Chicago is amended by placing a period "(.)" after the word 'grounded' and by deleting the remainder of the sentence.

Section 58. That Section 87-250.14 of the Municipal Code of Chicago is amended to read as follows:

"87-250.14. Alternating Current Systems. Secondary alternating current systems supplying interior wiring and interior alternating current wiring systems, except as provided in 87-250.15, 87-250.16, and 87-250.17, shall be grounded if they can be so grounded that the maximum voltage to ground does not exceed 150 volts. It is recommended that alternating current systems be grounded as provided in this article when the voltage to ground does not exceed 300 volts. Higher voltage systems may be grounded. All such ungrounded systems shall be equipped with ground detectors on the line side of the service switch. The ground detectors and the conductors to them shall be protected by proper overcurrent devices. The ground detector shall give an audible and visual indication of any ground. There shall be no disconnecting means in the ground detector circuit."

SECTION 59. That Section 87-250.23 of the Municipal Code of Chicago is amended by adding thereto the following sub-section:

"(a). Where the secondary system is grounded at any point, the grounded conductor shall be run to each individual service. This conductor shall not be smaller than the required grounding conductor specified in 87-250.94 (a)."

SECTION 60. That Section 87-250.44 of the Municipal Code of Chicago is amended by adding thereto a new sub-section as follows:

"(e). Extensive metal in or on buildings, such as metal siding, which may become energized and is subject to personal contact."

SECTION 61. That Section 87-250.45 of the Municipal Code of Chicago is amended by deleting therefrom subsection "c".;

and is further amended by adding thereto the following subsections:

"(c). In residential occupancies; clothes-washers, clothes-dryers, sump pumps, dish-washers, electric water heaters, furnaces, stoves, ranges, portable hand held motor operated tools and appliances such as drills, hedge clippers, lawn mowers, wet scrubbers, sanders, saws, garden cooking equipment, except where such tools and appliances are protected by an approved system of double insulation and are so marked.

"(d). In other than residential occupancies; (1) portable appliances used in wet or damp locations, or by persons standing on the ground or on conductive floors or working inside of metal tanks or boilers, and (2) portable tools which are likely to be used in wet and conductive locations shall be grounded except where supplied through an insulating transformer with ungrounded secondary of not over 50 volts. This paragraph shall not be considered to prohibit the use of an insulating transformer with a secondary voltage higher than 50 volts where the exposed metal parts of the appliance connected to such transformer are grounded, and provided other provisions of this code are fulfilled."

SECTION 62. That Section 87-250.55 of the Municipal Code of Chicago is amended by deleting therefrom the words:

"need not"

and substituting in lieu thereof:

"shall"

and is further amended by inserting a period "(.)" after "building" and deleting the remainder of the sentence.

SECTION 63. That Section 250.94 of the Municipal Code of Chicago is amended so as to read as follows:

"87-250.94 Alternating Current Systems.

(a) Service and Common Grounding Conductor for Grounded Systems. Where the wiring system is grounded, the size of the grounding conductor for an alternating current system or for a common grounding conductor shall not be less than is shown in Table 87-250.94(a), except that where connected

TABLE 87-250.94(a)

*Service and Common Grounding Conductor for Grounded Systems*

| *Size of Largest Service Conductor or Equivalent for Multiple Conductors* | | *Size of Grounding Conductor and Conduit* | |
|---|---|---|---|
| *Copper* | *Aluminum* | *Copper-Conduit* | *Aluminum-Conduit* |
| Up to 2 AWG | Up to 1/0 AWG | 8 AWG ½″ | 6 AWG ½″ |

to made electrodes, as in 87-250.83, the conductor need not be larger than #6 AWG copper, or its equivalent in ampacity.

(b) Service Equipment Grounding Conductor for Ungrounded Systems. Where the wiring system is ungrounded, the size of the grounding conductor for the service raceway and the service equipment shall not be less than as is shown in Table 87-250.94(b), except that where connected to made electrodes, as in 87-250.83, the conductor need not be larger than #6 AWG copper or its equivalent in ampacity.

Either copper conductors, aluminum conductors, conduit or EMT may be used as the required grounding conductor. When a copper or aluminum wire or cable is used, it must be encased in either conduit or EMT.

(c) In high rise buildings where secondary transformers are located on various floors throughout the building and in buildings which cover a large area where secondary transformers are located throughout the building a common grounding conductor may be used as the required ground for all such secondary transformers. The common grounding conductor shall not be smaller than 4/0 AWG copper or its equivalent and shall be installed in not less than 1¼″ conduit. All splices or taps on this conductor shall be made in an approved enclosure. The common grounding conductor shall be effectively grounded as is provided in 87-250.81, 87-250.82 and 87-250.83."

SECTION 64. That Section 87-250.95 of the Municipal Code of Chicago is amended so as to read as follows:

"87-250.95. Interior Raceways and Equipment. The size of the grounding conductor for raceways, cable sheath or armor and enclosures for electrical equipment shall not be less than is given in Table 87-250.95.

TABLE 87-250.95

Interior Raceway and Equipment Grounding Conductor

| *Rating or Setting of Overcurrent Device Ahead of Raceway or Equipment.* | *Size of Grounding* | *Conductor* |

| 3000 | 400 MCM | 600 MCM |
| 4000 | 500 MCM | 800 MCM |
| 5000 | 700 MCM | 1000 MCM |
| 6000 | 800 MCM | 1200 MCM |

Note. Overcurrent protective devices rated in excess of 3000 amperes may be used only with special permission, when additional ground fault protection is provided."

SECTION 65. That Section 87-300.4 of the Municipal Code of Chicago is amended by changing the "5" in the fourth sentence thereof to "7".

SECTION 66. That Section 87-300.6 of the Municipal Code of Chicago is amended by adding thereto the following:

"The continuity of an identified grounded conductor shall not be dependent upon device connections, such as lampholders, receptacles, etc., where the removal of such devices would interrupt the continuity."

SECTION 67. That Section 87-300.11 of the Municipal Code of Chicago is amended by inserting the words: "Fixture", between "same" and "enclosure", in the second sentence thereof.

SECTION 68. That the Table in Section 87-300.14 of the Municipal Code of Chicago is amended so as to read as follows:

| | *Conductors* | |
|---|---|---|
| *Conductor Sizes* | *Aluminum* | *Copper* |
| #18 to #8 not greater than | 100′ | 100′ |
| #6 to #0 | 200′ | 100′ |
| 2/0 to 4/0 | 180′ | 80′ |
| 250 MCM to 350 MCM | 135′ | 60′ |
| 400 MCM to 500 MCM | 120′ | 50′ |
| 600 MCM to 750 MCM | 95′ | 40′ |
| Over 750 | 85′ | 35′ |

And is further amended by deleting sub-sections "(a)", "(b)" and "(c)"

And is further amended by inserting the following immediately after the Table:

"The required support shall be accomplished by the use of devices specifically designed, manufactured and approved for the purpose installed in enclosures spaced the required distances apart."

SECTION 69. That Section 87-300.18 of the Municipal Code of Chicago is amended by adding to the last sentence thereof the following:

". . . . phase and the neutral if one is used."

SECTION 70. That Chapter 87 of the Municipal Code of Chicago is amended by deleting therefrom Section 87-300.20.

SECTION 71. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following new Sections:

"87-300.20 Prevention of the Spread of Fire. Electrical installations shall be so made that the possible spread of fire through fire-stopped partitions, hollow spaces, fire walls, ceilings, floors, vertical shafts, ventilation shafts, air handling spaces, ducts or plenum chambers is reduced to a minimum. Openings made in any fire-rated wall, ceiling or floor shall be effectively closed and repaired so that the fire rating has not been reduced below an acceptable level."

87-300.21. Wiring in Air-Handling Ducts or Spaces.

(a) No wiring system nor electrical equipment of any type shall be installed in any duct, or shaft which contains such ducts, used to transport dust, loose stock, flammable vapors or ventilation of commercial type cooking equipment.

(b) Where it is necessary to run electrical wiring in ducts or plenum chambers to connect electrical equipment permitted to be in such ducts or plenum chambers, the following wiring methods shall be used:

1. MI cable, rigid conduit, or EMT, liquid tight flexible metal conduit in lengths not to exceed 4″ to connect adjustable equipment.

2. Connectors used with these wiring methods shall effectively close any openings in the connection or termination.

3. Where equipment is installed in plenums and illumination is necessary for proper maintenance, enclosed gasketed fixtures shall be used.

(c) Where a wiring system is installed in any air-handling space other than those described in subsections (b) and (d) of this section, the following wiring methods and equipment shall be used:

1. MI cable, rigid conduit, EMT, and liquid tight flexible metal conduit in lengths not to exceed 6″ for the connection of fixtures required by this code.

2. Connectors and couplings used in conjunction with these wiring methods shall effectively close any openings in the connection or termination.

3. Junction boxes shall contain no openings other than those used for mounting purposes and shall be gasketed.

4. That part of fixtures and devices which protrude into the air-handling space shall contain no openings.

(d) The provisions of this section are not intended to apply to integral fan systems, specifically approved for the purpose, nor to habitable rooms or areas of the building the prime purpose of which is not air-handling.

(e) The wiring systems used for data processing systems and located in air handling spaces created by raised floors and the like shall conform to the following:

1. All conductors, cords and cables shall be enclosed in an approved raceway.

2. No wiring other than that specifically required by the data processing system shall be installed.

3. All exposed metal parts shall be grounded in accordance with the provisions of 87-250.

4. Provisions for disconnecting the ventilating system serving the data processing room and the power to all the electrical equipment in that room, except the lighting if it is not in the air handling space, shall be located where readily accessible to the operator and at each door designated as an exit from that room.

SECTION 72. That Section 87-310.2 of the Municipal Code of Chicago is amended so that the Table therein reads as follows:

TABLE 87-310.2
*Conductor Application*

| *Trade Name* | *Type Letter* | *Max. Operating Temp.* | *Application Provisions* |
|---|---|---|---|
| Rubber-Covered Solid, or 7 Strand Fixture Wire | *RF-1 | 60C 140F | Fixture Wiring Only. 300V |
| | *RF-2 | 60C 140F | Fixture Wiring Only. |
| Rubber-Covered Fixture Wire Flexible Stranding | *FF-1 | 60C 140F | Fixture Wiring Only. 300V |

| *Trade Name* | *Type Letter* | *Max. Operating Temp.* | *Application Provisions* |
|---|---|---|---|
| Paper | | 85C | Underground Service Cond. |

*Fixture wires are not approved as branch circuit conductors nor for the connection of portable or stationary appliances. They may however be used as provided for in Section 88-725.

SECTION 73. That Section 87-310.2(b) of the Municipal Code of Chicago is amended so as to read as follows:

"b. Wet Locations. Conductors used in any location where they will be subjected to moisture shall be specifically approved for the purpose."

SECTION 74. That Section 87-310.5 of the Municipal Code of Chicago is amended so as to read as follows:

"87-310.5. Conductors in Parallel. (Multiple). Size 1/0 AWG conductor sand larger may be run in parallel provided:

a. all conductors are the same length.
b. all conductors are the same type. (insulation)
c. all conductors have the same circular mil area.
d. they all are of the same metallic content.
e. all of the conductors originate and terminate in such a manner as to insure equal division of the total current between all of the conductors."

SECTION 75. That Section 87-334.2 of the Municipal Code of Chicago is amended so as to read as follows:

"87-334.2. Use. Armored cable may be used only for concealed work in dry locations, except as permitted in section 87-334.4. Armored cable may be run or fished in the air voids of concrete masonry block or tile walls where such walls are not subject to moisture or dampness; it may be run or fished in existing walls or partitions where it is not possible to install conduit or EMT; it may run in existing floors or ceilings where it is not possible to install conduit or EMT.

a. It shall not be used: (1) where exposed to the weather or deleterious moisture; (2) for underground runs; (3) where exposed to oil, gasoline or any other liquid or vapor having a deleterious effect on insulation; (4) in theaters, except as provided in 88-520; (5) in motion picture studios; (6) in hazardous locations; (7) in storage battery rooms; (8) on cranes or hoists except as provided in 88-610.13; nor (9) in hoistways or on elevators or escalators, except as provided in 88-620. It shall never be used in new buildings nor buildings or parts of buildings being remodeled where it would be subject to mechanical injury.

b. It may be used in existing partitions where it is fished. It may never be used between outlets in new partitions or in existing partitions where the exterior finish of the partition has been removed for remodeling.

SECTION 76. That Section 87-334.4 of the Municipal Code of Chicago is amended so as to read as follows:

"87-334.4. Exposed Work. Armored cable may be used for exposed work; (1) in lengths not more than 24″ long at terminations where flexibility is necessary; (2) in accessible, but not habitable, attics and roof spaces, see 87-334.6; (3) in lengths not to exceed 5′ below the basement ceiling joists where it is necessary to connect to a cabinet or a junction box.

SECTION 77. That Section 87-336.6 of the Municipal Code of Chicago is amended so as to read as follows:

"87-336.6. Cable shall not be run exposed."

SECTION 78. That Chapter 87 of the Municipal Code of Chicago is amended by deleting therefrom Sections: "87-336.14" and "87-336.17".

SECTION 79. That Section 87-338 of the Municipal Code of Chicago is amended to read as follows:

"87-338. Service Entrance Cable. (Type SE)

87-338.1. Use. Service entrance cable may be used: (1) as service entrance conductors on existing residential occupancies only, where no more than three apartments are served from such services; (2) in interior wiring systems of existing residential occupancies as circuit conductors for electric ranges, electric water heaters and electric clothes dryers. Where it is used as the circuit conductors supplying such appliances, the frames of the appliances shall be bonded to the neutral conductor of the cable assembly.

87-338.2 Service entrance cable (Type SE) shall not be used as a wiring method in buildings under construction or in a portion of an existing building being remodeled.

87-338.3. Installation. Cable shall not be spliced, but shall run without interruption from outlet, and shall be provided with approved fittings. Where cable is run exposed, it shall closely follow the surface and be fastened at intervals not exceeding 18″; and when crossing exposed joists, it shall be fastened to a running board. Where run on the exterior of a building, the cable shall be run in a workmanlike manner in straight lines, except that a drip loop shall be provided immediately adjacent to any enclosure into which the cable enters unless the enclosures is provided with a threaded hub and waterproof cable fittings are used."

SECTION 80. That Section 87-339 of the Municipal Code of Chicago is amended by adding to the heading:

"TYPE USE AND TYPE UF."

SECTION 81. That Section 87-339.1 of the Municipal Code of Chicago is amended to read as follows:

"87-339.1. Scope. Direct burial conductors shall be either USE or UF, or as described in 87-230.11. When used as service entrance conductors, the installation shall conform to the provisions of 87-230. When used as feeders or as branch circuits, the installation shall conform to 87-210, 87-220, 87-240, and in addition shall comply with 87-339.2 to 87-339.7 inclusive."

SECTION 82. That Chapter 87 of the Municipal Code of Chicago is amended by deleting therefrom the following:

"Sections 87-342, 87-342.1, 87-342.2, 87-342.3, 87-342.4, 87-342.5, 87-342.6, 87-342.7, 87-342.8, and 87-342.9."

SECTION 83. That Chapter 87 of the Municipal Code of Chicago is amended by deleting therefrom the following:

"Section 87-345" and "Section 87-345.1."

SECTION 84. That Section 87-346.2 of the Municipal Code of Chicago is amended by adding thereto the following:

"Aluminum rigid metal conduit and fittings shall not be installed or imbedded in concrete slabs, walls, floors, piers, columns or other concrete construction or indirect contact with the earth if there are addmixtures in the concrete which could have a deleterious effect on the conduit or if the earth contains chemicals which could have a deleterious effect on the conduit."

SECTION 85. That Section 87-346.10 of the Municipal Code of Chicago is amended so that the Table therein reads as follows:

| *Size of Conduit* | *Conductors Without Lead Sheath* | *Conductors With Lead Sheath* |
|---|---|---|
| ½″ | 4″ | 6″ |
| ¾″ | 5″ | 8″ |
| 1″ | 6″ | 11″ |
| 1¼″ | 8″ | 14″ |
| 1½″ | 10″ | 16″ |
| 2″ | 12″ | 21″ |
| 2½″ | 15″ | 25″ |
| 3″ | 18″ | 31″ |
| 3½″ | 21″ | 36″ |
| 4″ | 24″ | 40″ |
| 4½″ | 27″ | 45″ |
| 5″ | 30″ | 50″ |
| 6″ | 36″ | 61″ |

SECTION 86. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following new Sections:

"87-347. Rigid Non-Metallic Conduit.

87-347.1. Description. The provisions of this Section shall apply to a type of conduit and fittings of suitable non-metallic material which is resistant to moisture and chemical atmospheres. For use above ground it shall also be flame-retardant, resistant to impact and crushing, shall resist distortion due to heat under conditions likely to occur in service and shall be resistant to low temperature and sunlight effects. For use underground, the material shall be acceptable resistant to moisture and corrosive agents and shall be of sufficient strength to withstand abuse, such as crushing and impact in handling and during installation. Where intended for direct burial, without encasement in concrete, the material shall also be capable of withstanding continued loading which is likely to be encountered after installation.

Materials which have been recognized as having acceptable physical characteristics when properly formed and treated include fiber, asbestos cement, soapstone, rigid polyvinyl chloride and high density polyethylene for underground use and rigid polyvinyl chloride for use above ground.

87-347.2. Use Permitted. Rigid non-metallic conduit and fittings approved for the purpose may be used only under the following conditions and only when the voltage is 600 volts or less except as noted for direct burial:

a. Direct Earth Burial. Rigid non-metallic conduit shall not be buried less than 24″ below grade and when the voltage exceeds 600 volts shall be encased in not less than 2″ of concrete.

b. Corrosive Atmospheres. In locations subject to severe corrosive influences as set forth in section 87-300.3 and where subject to the chemicals for which the materials are specifically approved.

87-347.3. Use Prohibited. Any use not specifically permitted in section 87-347.2.

87-347.4. Other Sections. The installation of rigid non-metallic conduit shall comply with and be regulated by the provisions of the applicable subsections of 87-300 and all other sections of this code pertinent thereto.

87-347.5. Trimming. All cut ends shall be trimmed inside and outside to remove all rough edges.

87-347.6. Joints. All joints between conduit and couplings, fittings and boxes shall be made by a method specifically approved for this purpose.

87-347.7. Supports. Rigid non-metallic conduit shall be supported as required in Table 87-347.7. In addition there shall be a support within 4′ of each box, cabinet or other conduit termination.

| *Conduit Size, Inches* | *Maximum Spacing Between Supports, feet* |
|---|---|
| ½ | 4 |
| ¾ | 4 |
| 1 | 5 |
| 1¼ | 5 |
| 1½ | 5 |
| 2 | 5 |
| 2½ & 3 | 6 |
| 3½, 4 & 5 | 7 |
| 6 | 8 |

87-347.8. Expansion Joints. Expansion joints for rigid non-metallic conduit shall be provided where required to compensate for the thermal expansion and contraction.

87-347.9. Minimum Size. No conduit smaller than ½″ electrical trade size shall be used. All conduit shall be supplied in 10′ lengths.

87-347.10. Number of Conductors. The maximum number of conductors permitted in a single conduit shall conform to the provisions of the applicable Table in Section 88-10.

87-347.11. Bushings, Where a conduit enters a box, cabinet or other fitting a bushing or other adapter shall be provided to protect the conductors from abrasion, unless the design of the enclosure is such as to provide equivalent protection. See Section 87-373.6.

87-347.12 Bends. Bends of rigid non-metallic conduit shall be so made that the conduit will not be injured and that the internal diameter will not be effectively reduced. Field bends shall be made only with bending equipment specifically approved for the purpose by the manufacturer of the conduit, and the inner radius of the curve shall not be less than is shown in Table 87-346.10.

87-347.13. Number of Bends. A run of conduit between outlets or fittings shall not contain more than four quarter bends (360 degrees)."

SECTION 87. That Section 87-348.2 of the Municipal Code of Chicago is amended by adding thereto the following:

"See Section 87-346.2 for the use of aluminum conduit in concrete or earth."

SECTION 87a. That Section 87-348.5 of the Municipal Code of Chicago is amended by deleting therefrom: "2-inch"; and by inserting in lieu thereof: "4-inch".

SECTION 88. That Section 87-350.2 of the Municipal Code of Chicago is amended so as to read as follows:

"87-350.2 Use. Flexible metal conduit may be used as follows: (1) for the connection of motors or recessed fixtures; (2) in existing walls, floors, ceilings or partitions, when it is fished; (3) for the necessary flexibility at the termination of conduit runs.

(a). Uses Prohibited. Flexible metal conduit shall not be used: (1) in lengths exceeding six feet, except where fished in existing construction; (2) in wet locations, unless the conductors are specifically approved for the conditions encountered; (3) in hoistways, except as permitted in Section 88-620.6; (4) in storage battery rooms; (5) in hazardous locations; (6) in atmospheres which would have a deleterious effect on the conductors unless they are specifically approved for the conditions encountered; (7) in buildings under construction or being remodeled, except as provided for in permitted uses; (8) where run exposed below the first floor, except that 6 feet of any run may extend below the basement ceiling to connect to a cabinet, outlet box or junction box.

(b). Flexible metal conduit shall be cut perpendicular to its axis so as to present a square end for insertion into a fitting."

SECTION 89. That Section 87-350.3 of the Municipal Code of Chicago is amended so as to read as follows:

"87-350.3. Minimum Size. Flexible metal conduit less than ½" electrical trade size shall not be used, except that 3/8" electrical trade size may be used in lengths not to exceed 6 feet, containing not more than two No. 14 AWG conductors and terminating in a single fixture or device."

SECTION 90. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto a new sub-section as follows:

"87-350.4 Liquid-tight Flexible Metal Conduit. Approved liquid-tight flexible metal conduit shall be used in conformance with all applicable provisions of 87-350 and shall be used in conjunction with fittings specifically approved for the purpose."

SECTION 91. That Section 87-354.4 of the Municipal Code of Chicago is amended by adding thereto the following:

. . . . AWG, "except by special permission."

SECTION 92. That Section 87-362.1 of the Municipal Code of Chicago is amended so as to read as follows:

"87-362.1 Definition and Scope. Wireways are sheet metal troughs with hinged or removable covers for housing and protecting electrical conductors and cables in which the conductors are laid in place after the wireway has been installed as a complete system. The installation of wireways shall comply with all of the applicable provisions of 87-300.1 through 87-300.20 and in addition shall comply with the provisions of 87-362.2 through 87-362.-10."

SECTION 93. That Section 87-362.4 of the Municipal Code of Chicago is amended by adding thereto the following:

"The correction factors specified in the Tables of 88-10 are not applicable to the foregoing."

SECTION 94. That Section 87-364.2 of the Municipal Code of Chicago is amended by adding thereto the following:

"Busways may be used as service entrance conductors. See 87-230.31."

SECTION 95. That Section 87-370.7 and subsections (a) and (b) thereof of the Municipal Code of Chicago are amended so as to read as follows:

87-370.7. Supports. Boxes shall be rigidly and securely fastened to the surface upon which they are mounted, or securely and rigidly embedded in concrete or masonry. Except as otherwise provided in this section, boxes shall be supported from a structural member of the building, either directly or by using a substantial and approved metallic or wooden brace. If of wood, the brace shall not be less than normal 1" thickness. If of metal, it shall be corrosion resistant and shall not be less than 0.239" (#24 MSG) thick.

Where mounted in new walls in which no structural members are provided or in existing walls in previously occupied buildings, boxes less than 100 cubic inches in size, specifically approved for the purpose, shall be affixed with approved anchors or clamps so as to provide a rigid and secure installation.

Threaded boxes or fittings less than 100 cubic inches in size, which do not contain devices or support fixtures may be considered adequately supported of two or more conduits are threaded into the box wrench tight and are supported within three feet of the box on two or more sides as is required by this section."

SECTION 96. That Section 87-370.8 of the Municipal Code of Chicago is amended by changing:

"1-¼", to "1" in sub-section "(a)" thereof; and is further amended by deleting therefrom: subsection "87-370.8(a) (3) Exceptions"

SECTION 97. That Section 87-370.9 of the Municipal Code of Chicago is amended so as to read as follows:

"87-370.9. Number of Conductors in a Box. Box shall be of sufficient size to provide free space for all conductors enclosed in the box.

(a) The maximum number of conductors, not counting fixture wires, permitted in outlet and junction boxes shall be as is specified in the following Tables with the exceptions noted:

DEEP BOXES

| *Box Dimensions, Inches Trade Size* | *Cubic Inch Cap.* | *Maximum Number of Conductors* #14 | #12 | #10 | #8 |
|---|---|---|---|---|---|
| 3¼ x 1¼ Octagonal | 10.9 | 5 | 4 | 4 | 3 |
| 3½ x 1½ " | 11.9 | 5 | 5 | 4 | 3 |
| 4 x 1½ " | 17.1 | 8 | 7 | 6 | 5 |
| 4 x 2⅛ " | 23.6 | 11 | 10 | 9 | 7 |
| 4 x 1½ Square | 22.6 | 11 | 10 | 9 | 7 |
| 4 x 2⅛ " | 31.9 | 15 | 14 | 12 | 10 |
| 4-11/16 x 1½ " | 32.2 | 16 | 14 | 12 | 10 |
| 4-11/16 x 2⅛ " | 46.4 | 23 | 20 | 18 | 15 |
| 3 x 2 x 1½ Device | 7.9 | 3 | 3 | 3 | 2 |
| 3 x 2 x 2 " | 10.7 | 5 | 4 | 4 | 3 |
| 3 x 2 x 2¼ " | 11.3 | 5 | 5 | 4 | 3 |
| 3 x 2 x 2½ " | 13 | 6 | 5 | 5 | 4 |
| 3 x 2 x 2¾ " | 14.6 | 7 | 6 | 5 | 4 |
| 3 x 2 x 3½ " | 18.3 | 9 | 8 | 7 | 6 |

| 4 x 2⅛ x 1⅞ " | 13.9 | 6 | 6 | 5 | 4 |
| 4 x 2⅛ x 2⅛ " | 15.6 | 7 | 6 | 6 | 5 |

See Section 87-370.8 where boxes are used as junction or pull boxes.

SHALLOW BOXES

| *Box Dimensions, Inches Trade Size* | | *Cubic Inch Cap.* | *Maximum Number of Conductors* #14 | #12 | #10 |
|---|---|---|---|---|---|
| 3¼ | Octagonal | | 4 | 4 | 3 |
| 4 | " | | 6 | 6 | 4 |
| 4 x 1¼ | Square | | 9 | 7 | 6 |
| 4-11/16 x 1¼ | " | | 8 | 6 | 6 |

All boxes less than 1½" deep are considered to be shallow.

These Tables apply where no fittings or devices, such as fixture studs, hickeys, switches, receptacles, etc. are contained in the box. Where one or more of these are installed in the box, the number of conductors shall be one less than is shown in the Table for each such device. A conductor running through the box is counted as one conductor, and each conductor terminating in the box is counted as one conductor.

(b) For combinations not shown in the above Tables, the following shall apply:

| *Size of Conductor* | *Free Space Within Box for each Conductor* |
|---|---|
| #14 | 2 cubic inches |
| #12 | 2.25 cubic inches |
| #10 | 2.5 cubic inches |
| #8 | 3 cubic inches |
| #6 | 5 cubic inches |

(c) Marking. Boxes other than those described in the Tables in this section shall be durably and legibly marked by the manufacturers with their cubic inch content. All boxes shall be marked with the manufacturer's name or trade mark.

(d) Motor Terminal Housings shall conform with the provisions of Section 87-430.34.

(e) Clearance. No device shall be installed in any outlet, switch or junction box such that there is less than ¼ inch of air space between any surface of the device and any surface of the box."

Section 98. That Section 87-370.10. (c) of the Municipal Code of Chicago is amended by adding thereto the following:

"Where non-metallic conduit is installed with non-metallic boxes or fittings, the conduit shall be secured to such boxes and fittings in an approved manner."

Section 99. That Section 87-373.6 of the Municipal Code of Chicago is amended so as to read as follows:

"87-373.6. Deflection of Conductors. Conductors entering or leaving any enclosure, cabinet or cutout box shall conform to the following:

(a) Width of Gutters. Conductors shall not be deflected in an enclosure unless a clear unobstructed gutter having a width in accordance with the following Table is provided.

| *AWG or Circular Mil Size of Wire* | *Minimum Unobstructed Bending Space in Inches* | | | | |
|---|---|---|---|---|---|
| | *Wires per Terminal* | | | | |
| | 1 | 2 | 3 | 4 | 5 |
| 14 - 8 | Not Specified | | | | |
| 6 | 1½ | — | — | — | — |
| 4 - 3 | 2 | — | — | — | — |
| 2 | 2½ | — | — | — | — |
| 1 | 3 | — | — | — | — |
| 1/0 - 2/0 | 3½ | — | — | — | — |
| 3/0 - 4/0 | 4 | 6 | 8 | — | — |
| 250M | 4½ | 6 | 8 | 10 | — |
| 300 - 350M | 5 | 8 | 10 | 12 | — |
| 400 - 500M | 6 | 8 | 10 | 12 | 14 |
| 600 - 700M | 8 | 10 | 12 | 14 | 16 |
| 750 - 900M | 8 | — | — | — | — |
| 1000 - 1250M | 10 | — | — | — | — |
| 1500 - 2000M | 12 | — | — | — | — |

The distance shall be measured in a straight line from the end of the lug or terminal in the direction in which the conductor leaves the terminal to the wall or barrier.

(b) Insulation at Bushings. Where conductors #4 or larger enter an enclosure, the conductors shall be protected by a substantial insulating bushing. Double locknuts shall be used with insulating bushings."

Section 100. That Section 87-373.7(b) of the Municipal Code of Chicago is amended so as to read as follows:

"(b). Used as junction Boxes. Cabinets, cutout boxes and switch enclosures shall not be used as junction boxes, troughs or raceways for conductors feeding through or tapping off of conductors in these enclosures unless the enclosure has been specifically approved for this purpose and sufficient gutter space and terminals have been provided."

Section 101. That Section 87-374.6 of the Municipal Code of Chicago is amended so as to read as follows:

"87-374.6. Ampacity of Conductors. The ampacities of copper and aluminum conductors are given in the Tables in Section 88-10. The correction factors specified shall not apply to conductors in auxiliary gutters. The current carried continuously in bare copper bars shall not exceed 1000 amperes per square inch of cross section area of the bar. The current carried continuously in bare aluminum bars shall not exceed 700 amperes per square inch of cross section area of the bar."

Section 102. That Chapter 87 of the Municipal Code of Chicago is amended by deleting therefrom:

"Section 87-374.9"

Section 103. That Section 87-384.11 of the Municipal Code of Chicago is amended by adding thereto the following:

"No new switchboard shall be installed if it contains any exposed live parts. No existing switchboard which contains exposed live parts shall be altered in any manner, unless specific permission to do so has been obtained in writing from the Chief Electrical Inspector."

Section 104. That Section 87-384.12 of the Municipal Code of Chicago is amended by adding thereto the following:

"Switchboard rooms which may be subject to occasional flooding shall be equipped with sump pumps."

Section 105. That Section 87-384.15 of the Municipal Code of Chicago is amended so as to read as follows:

"87-384.15. Clearance Around Switchboards. The following clearances shall be provided and maintained around all switchboards:

(a). Switchboards 42″ or less in width may be wall mounted provided adequate depth is provided for access to all connections and terminations from side panels or from the front of the board.

(b). Unless specifically approved otherwise, switchboards more than 42″ in width shall have the following unobstructed clearances provided and maintained:

1. Front. 36″ along the entire front of the board, unless there are doors in the front of the board which measure more than 36″ in which case adequate space shall be provided so that the doors may be opened completely.
2. Back. 36″ of clear unobstructed space along the entire back of the board, unless the doors are more than 36″ in which case adequate space shall be provided so that the doors may be opened completely.

3. Ends. 24″ of clear unobstructed space at each end.

4. Between Switchboards. Where two or more switchboards are mounted in the same room, the clearances specified in sub-sections 1, 2 and 3 of this section shall apply to each switchboard.

5. The required clearances shall be maintained at all times and no foreign material shall be stored in any switchboard room.

SECTION 106. That Section 87-384.16 of the Municipal Code of Chicago is amended so as to read as follows:

"87-384.16. Conductor Covering. Conductors installed in or on switchboards shall have a flame-retardant outer covering and shall be approved for the use."

SECTION 107. That Section 87-384.18 of the Municipal Code of Chicago is amended so as to read as follows:

"87-384.18. Grounding of Switchboards and Panelboards. Each switchboard, switchboard section or panelboard, if used as service equipment shall be provided with an equipment grounding means placed in the service section for connecting the neutral on its supply side to the switchboard or panelboard frame. The equipment grounding means shall not be smaller that is called for in Table 87-250.95 nor smaller than #8 AWG copper or its equivalent."

SECTION 108. That Chapter 87 of the Municipal Code of Chicago is amended by deleting therefrom the following Sections:

"87-384.41, 87-384.42, 87-384.43, 87-384.44 and 87-384.45.";

and is further amended by adding thereto the following new Sections:

"87-384.25. General. All panelboards shall have a rating not less than the minimum feeder ampacity required for the load being served as computed from 87-220 and except as provided for in 87-384.27 not less than the overcurrent protective device protecting the panel.

87-384.26. Number of Overcurrent Devices in One Panelboard. Not more than 42 overcurrent devices shall be installed in any one enclosure. For the purposes of this Section a two pole circuit breaker shall be considered two overcurrent devices; a three pole breaker shall be considered three overcurrent devices.

Panelboards shall be equipped with physical means to prevent the installation of more overcurrent devices than that number for which the panelboard was designed rated and approved. (See 87-240.81(f)).

87-384.27. Overcurrent Protection. Except where the panelboard is approved as service equipment and is being used as in (a-3) of 87-230.71 a panelboard supplied by conductors having overcurrent protection greater than 200 amperes shall be protected on the supply side by overcurrent protective devices having a rating not greater than that of the panelboard. Snap switches rated 30 amperes or less and installed in a panelboard shall be protected by over-current devices not in excess of 200 amperes.

87-384.28. Panelboards in Damp or Wet Locations. Panelboards in damp or wet locations shall be installed in conformance with the provisions of Section 87-373.2.

87-384.29. Enclosure. Panelboards shall be mounted in cabinets or cutout boxes.

87-384.30. Relative Arrangement of Switches and Fuses. Panelboards having switches on the load side of any type of fuses shall not be installed except for use as service equipment as provided for in Section 87-230.75.

87-384.31. Loading. Except where the assembly including the overcurrent protective device is approved for continuous duty at 100% of its rating, the total load on any overcurrent protective device located in a panelboard shall not exceed 80% of its rating when the load is expected to continue for 3 hours or more in normal operation."

SECTION 109. That Section 87-400.2 of the Municipal Code of Chicago is amended so as to read as follows:

"87-400.2. Types. Flexible cords of the various types shall conform to the descriptions and construction contained in Section 88-94006. Types of flexible cords other than those listed in 88-94006 and other uses for listed types shall be the subject of special investigation and shall not be used prior to approval."

SECTION 110. That Section 87-410.3 of the Municipal Code of Chicago is amended by deleting from the first sentence thereof the following:

"except in the case of cleat type lampholders, receptacles and rosettes which are located at least eight feet from the floor."

SECTION 111. That Section 87-410.27 of the Municipal Code of Chicago is amended so as to read as follows:

"87-410.27. Overcurrent Protection. Fluorescent fixtures shall be connected to 15 ampere branch circuits. The total connected load may not exceed 12 amperes per circuit. Fluorescent fixtures may be connected to 20 ampere branch circuits, which may be loaded to 16 amperes, provided a fuse and a fuseholder of approved types and having a rating adequate to protect the ballast and the fixture is installed in the fixture in such a way that it will be accessible only when the fixture is dismantled so that the ballast might be replaced."

SECTION 112. That Section 87-410.31 of the Municipal Code of Chicago is amended to read as follows:

"87-410.31. An approved fitting mounted on the outlet box cover and supporting the chains may contain a receptacle connected to the circuit conductors, and when so connected, the fixtures shall be supplied by a three wire cord, plug and groundable receptacle and shall be considered a fixed unit."

SECTION 113. That Section 87-410.38 of the Municipal Code of Chicago is amended to read as follows:

"87-410.38. Fluorescent fixtures shall be wired with conductors having insulation suitable for the current, voltage, and the temperatures to which the conductors will be subjected. In any end to end fixture installation the conductors which are carried through the fixtures shall have an outed covering which is approved for the temperature to which they will be subjected."

SECTION 114. That Section 87-410.44 of the Municipal Code of Chicago is amended to read as follows:

"87-410.44. Conductors for Special Conditions. Conductors, either fixture wires or flexible cords, shall not be used with fixtures except as permitted in Section 88-94006 and Section 88-94100."

SECTION 115. That Section 87-422.1 of the Municipal Code of Chicago is amended to read as follows:

"87-422.1. Scope. The provisions of this section shall apply to all electrical appliances as defined in

Chapter 86 or as specifically covered in this section."

SECTION 116. That Section 87-422.17 of the Municipal Code of Chicago is amended by adding thereto the following:

"Each section, panel or strip carrying a number of infrared lampholders (including the internal wiring of such section, panel or strip) is considered an appliance. The terminal connection block of each such assembly is deemed an individual outlet."

SECTION 117. That Section 87-422.22 of the Municipal Code of Chicago is amended by adding thereto the following:

"Open coil or exposed sheathed-coil types of surface heating elements in commercial type heating appliances shall be protected by overcurrent protective devices rated at not much more than 50 amperes."

SECTION 118. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following new sections:

"87-422.24. Water Heaters. Permanently installed electrically-heated water heaters shall be equipped with temperature limiting devices.

87-422.25. Wall-Mounted Ovens and Counter-Mounted Cooking Units. Wall-mounted ovens and counter-mounted cooking units shall be considered as permanently installed appliances, and shall be so wired and protected. In residential occupancies where built-in (either wall-mounted or surface-mounted) electrical cooking units are installed in or on the same wall not more than 2′ apart, they may be served from a single branch circuit. Where such units are mounted more than 2′ apart or on different walls, each unit shall be considered as a separate appliance and shall be served by an individual branch circuit. Each such unit shall be approved for the temperature of the space in which it is located."

SECTION 119. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following new section:

Fixed Electrical Space or Area Heating

"87-422.40. General. Equipment for use with electrical heating or snow-melting systems shall be specifically approved for such service. In addition to complying with the requirements for appliances, such equipment shall comply with the provisions of this section of the code. The special provisions of this section shall apply to electrical energized units, panels and cables for space or area heating. They shall also include central heating systems employing electrical heating units. Complete and detailed plans showing: a layout of the entire area to be electrically heated, the location of the equipment being used, the type (Manufacturer's name, model number, and rating) of equipment being used, the circuits provided, the disconnects, thermostats, and overcurrent protection shall be submitted to the Bureau of Electrical Inspection before any work is started on such an installation. Special permission will be given in writing for each such installation.

a) Use. Space heating systems shall not be used where exposed to severe physical damage unless adequately protected or in wet or damp locations unless specifically approved for the purpose. (See also rules on Corrosive Conditions, 87-310. 2(c).)

b) Temperature Limitations. The operating temperature of room surfaces where embedded elements, cables or panels are used shall not exceed 60 degrees C (150°F). (Based on room temperature of 30 degrees C (86°F).

c) Appliances to Be Complete Units. Panels and cables shall be installed in their complete sizes or lengths as supplied by the manufacturer.

Units which are shortened or from which the marking labels or nameplates are missing shall not be installed. Units shall be suitable for use with approved wiring systems.

d) Heating Cable Construction. Heating cables shall be furnished complete with factory-assembled non-heating leads at least 7′ in length, and the leads shall consist of conductors and wiring approved for general use or other wiring approved for the purpose.

e) Marking of Heating Cables. Each unit length of heating cable shall have a permanent marking located within 3″ of the terminal end of the non-heating leads, and shall be legibly marked with the Manufacturer's name or identification symbol, catalog number, and rating in volts and watts or amperes. The lead wires shall have the following color identifications:

240 volts nominal, red; 120 volts nominal, yellow; 208 volts nominal, blue; 277 volts nominal, brown.

f) Controllers and Disconnecting Means.

1) Thermostats and thermostatically controlled switching devices which indicate an "off" position and which interrupt line current shall open all ungrounded conductors in the "off" position.

2) Thermostats and thermostatically controlled switching devices which do not have "on" or "off" positions are not required to open all ungrounded conductors.

See Section 87-422.21 for disconnecting means for stationary appliances.

3) Switching devices consisting of combined thermostats and manually controlled switches which serve both as controllers and disconnecting means shall:

(a) Open regardless of temperature all ungrounded conductors when manually placed in the "off" position;

(b) Be so designed that the circuit cannot be energized automatically after the device has been manually placed in the "off" position.

g) Clearances of Wiring in Ceilings.

1) Wiring located above heated ceilings and within thermal insulation shall be spaced not less than 2 inches above the heated ceiling and shall be considered as operating at an ambient of 50°C. The ampacity of conductors shall be computed on the basis of the correction factors given in Tables 1 and 2 of 88-10.

2) Wiring located above heated ceilings and over thermal insulation having a minimum thickness of 2 inches requires no correction for temperature.

3) Wiring located above heated ceilings and within a joist space having no thermal insulation shall be spaced not less than two inches above the ceiling and shall be considered as operating at an ambient of 50°C. The ampacities of conductors shall be computed on the basis of the correction factors given in Tables 1 and 2 of 88-10.

h) Clearances of Wiring in Walls.

1) Where located in exterior walls, wiring shall be located outside the thermal insulation.

2) Where located in interior walls or partitions, wiring shall be located away from the heated surfaces, and the wiring shall be considered as operating at an ambient of 40°C. (104°F.); and the ampacities of conductors shall be computed on the basis of the correction factors given in Tables 1 and 2 of 88-10.

i) Area Restrictions.

1) Heating panels shall not extend beyond the room in which they originate.

2) Cables shall not be installed in closets, over cabinets which extend to the ceiling, under walls or partitions or over walls or partitions which extend to the ceiling.

3) This requirement shall not prohibit low-temperature heat sources in closets to control relative humidity.

j) Clearance from Other Objects and Openings. Panels and cables shall be separated at least 8 inches from lighting fixtures, outlet and junction boxes, and 2 inches from ventilating openings and other such openings in room surfaces, or sufficient area shall be provided to assure that no heating cables or panels will be covered by surface mounted lighting units.

k) Splices. Embedded cables may be spliced only where necessary, and only by approved means, and in no case shall the length of the heating cable be altered.

l) Installation of Heating Cables in Dry Board and Plaster.

1) Cables shall not be installed in walls.

2) Adjacent runs of cable not exceeding 2 ¾ watts per foot shall be installed not less than 1 ½ inches on centers.

3) Heating cables may be applied only to gypsum board, plaster lath and similar fire-resistant materials. With metal lath or other conducting surfaces, a coat of plaster (brown or scratch coat) shall be applied to completely cover the metal lath or conducting surface before the cable is attached.

4) The entire ceiling surface shall have a finish of thermally non-insulating sand plaster or other approved non-insulating material having a nominal thickness of ½-inch.

5) Cables shall be secured at intervals not exceeding 16 inches by means of approved stapling, tape, plaster or other approved means. Staples or metal fasteners which straddle the cable shall not be used with metal lath or other conducting surface.

6) In dry board installations, the entire ceiling shall be covered with gypsum board not exceeding ½ inch thickness. The void between the upper layer of gypsum board and the surface layer of gypsum board shall be filled with thermally conducting plaster or other approved material.

7) Cables shall be kept free from contact with metal or conducting surfaces.

8) Caution should be used in attaching a surface layer of gypsum so that the nails or other fastenings do not pierce the heating cable.

m) Installation of Non-Heating Leads.

1) Non-heating leads of cables shall be installed in accordance with approved wiring methods from the junction box to a location on the underside of the ceiling.

2) Excess leads shall not be cut but shall be secured to the underside of the ceiling and embedded in plaster or other approved material, leaving only a length sufficient to reach the junction box with not less than 6 inches of free lead within the box.

3) The marking of the leads shall be visible in the junction box.

n) Installation of Cables in Concrete or Poured Masonry Floors.

1) Adjacent runs of cable not exceeding 2 ¾ watts per foot shall be installed not less than 1 inch on centers.

2) Cables shall be secured in place by non-metallic frames or spreaders or other approved means while the concrete or other finish is applied.

3) A spacing of at least 1 inch shall be maintained between the heating cable and other metallic bodies embedded in the floor.

4) Leads shall be protected where they leave the floor by rigid metal conduit, electrical metallic tubing, or by other approved raceways extending to the junction box.

5) Bushings shall be used where the leads emerge in the floor slab.

o) Tests During and After Installation.

1) Imbedded cable installations shall be made with due care to prevent damage to the cable assembly and shall be inspected and approved before cables are covered or concealed.

2) Cable shall be tested for insulation resistance after plastering or the pouring of floors. See Section 87-110.19, Insulation Resistance.

p) Installation of Resistance Heaters in Air Ducts. A heater which is to be installed in an air duct or plenum shall be approved for the purpose and shall be installed in the manner approved for the equipment. Each such heater shall be provided with approved controls which disconnect the power supply to the heaters in the case of failure of a normal air flow across the heaters for any reason, such as blocked filters, motor failure, broken belts, shafts or other driving equipment, etc., and shall be provided with an approved temperature-limiting control.

q) Thermal Protection. Each panel, length, cable, section or coil of electrical heating equipment shall be so equipped that no exposed part of such equipment will exceed 60 degress C. (150°F)."

SECTION 120. That Section 87-430.4 of the Municipal Code of Chicago is amended by adding thereto the following:

"Torque Motors. Motors rated for operation at standstill shall be marked in accordance with the preceeding paragraph, except that locked rotor torque shall replace the horsepower rating.

Multi-motor and Combination Load Equipment. Multi-motor and combination load equipment shall be provided with a visible nameplate, marked with the maker's name, the rating in volts, and in amperes of horsepower, the frequency, number of phases, minimum circuit ampacity and a maximum on two or more circuits shall be marked with the above information for each circuit.

When the total equipment is not factory wired and the individual name-plates of the motors and other loads are visible after assembly of the equipment, these nameplates may serve as the required markings."

SECTION 121. That Section 87-430.9 of the Municipal Code of Chicago is amended so as to read as follows:

"87-430.9. Ampacities.

(a). General. Except as noted in sub-sections (b) and (c) of this Section, the values given in Tables 21-24 of Section 88-10 shall be used in determining the ampacities of conductors, switches and branch circuit overcurrent protective devices in lieu of the actual ratings market on the motor nameplates. Motor running overcurrent protection shall be based upon the name plate rating.

(b). Sealed (hermetic) Refrigeration Compressor Motors. For sealed (hermetic) refrigeration compressor motors the full load current marking on the name plate of the compressor shall be used to determine the ampacity of the branch circuit conductors, branch circuit overcurrent protection and separate running overcurrent protection.

(c). Torque Motors. For torque motors the rated current shall be the locked rotor current and this nameplate rating shall be used to determine the capacity of the branch circuit conductors and the motor running overcurrent protection."

SECTION 122. That Section 87-430.30 of the Municipal Code of Chicago is amended by deleting therefrom:

"not over four times":

and is further amended by inserting in lieu thereof:

"not more than 225% of".

SECTION 123. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto a new Section as follows:

"87-430.34. Motor Terminal Housings. Motor terminal housings shall be of substantial metal construction and shall be of adequate size and shape so as to enclose all conductors necessary for normal operation of the motor without unreasonable stress or pressure."

SECTION 124. That Section 87-430.42 of the Municipal Code of Chicago is amended by changing:

"400" so that it becomes, "225", in the last sentence thereof;

and is further amended by adding thereto the following:

"Exception: Torque motor branch circuits shall be protected at the ampacity of the conductors or at the motor nameplate rating, whichever is greater."

SECTION 125. That Chapter 87 of the Municipal Code of Chicago is amended by deleting therefrom:

"Sections 87-430.47 and 87-430.48".

SECTION 126. That Section 87-430.71 of the Municipal Code of Chicago is amended so that the last sentence thereof reads as follows:

"Remote control circuits that are connected to push buttons or toggle switches for motor starter operations shall be limited to a control voltage not to exceed 150 volts to ground, nor 250 volts between conductors."

SECTION 127. That Section 87-430.81 of the Municipal Code of Chicago is amended by adding thereto the following:

"For the purposes of this section the term, 'Controller' includes any switch, device or apparatus normally used to start or stop a motor."

SECTION 128. That Section 87-430.83 of the Municipal Code of Chicago is amended by adding thereto the following:

"(d). Sealed (hermetic) Refrigeration Compressor Motors. The motor controllers have both a continuous duty full-load current rating and a locked-rotor current rating, not less than the nameplate full-load current and locked-rotor current ratings of the compressor.

(e). Torque Motors. The motor controller shall have a continuous duty full-load current rating not less than the nameplate full-load current rating of the motor. Where the motor controller is rated in horsepower, but is not marked with a full-load current rating, the full-load current rating shall be determined by using Tables 2-24 of 88-10.

SECTION 129. That Chapter 87 of the Municipal Code of Chicago is amended by deleting therefrom the following Sections:

"87-430.102 through and including 87-430.111"; and is further amended by adding thereto the following new Sections:

"87-430.102. In-Sight From Controller Location. The disconnecting means shall be within sight from the controller location.

87-430.130. To Disconnect Both Motor and Controller. The disconnecting means shall discontinue both the motor and the controller from all ungrounded supply conductors. The disconnecting means may be in the same enclosure with the controller. This rule requires a manually operable disconnect on the line side of any motor starter.

87-430.104. To Be Indicating. The disconnecting means shall plainly indicate whether it is in the open or closed position.

87-430.105. Readily Accessible. The disconnecting means shall be installed and maintained in a readily accessible location.

87-430.106. Grounded Conductors. One pole of the disconnecting means may interrupt a permanently grounded conductor provided the disconnecting means is so designed that this pole cannot be opened without simultaneously disconnecting all conductors of the circuit.

87-430.107. Service Switch As a Disconnecting Means. If the total installation consists of a single motor, the service switch may serve as the disconnecting means, provided it conforms with all the provisions of this section, and is within sight from the controller location.

87-430.108. All Switches. All switches in the motor branch circuit shall comply with all of the provisions of Sections 87-430.101 through 87-430.-112.

87-430.109. Type. The disconnecting means shall be a motor-circuit switch, rated in horsepower, or a circuit breaker, except as provided for in subsections, (a), (b), (c), (d) or (e) of this section.

(a). 1/8 Horsepower or Less. For stationary motors of 1/8 horsepower or less the branch circuit overcurrent device may serve as the disconnection means, if it is approved as a switch.

(b). Two Horsepower or Less. For motors rated two horsepower or less and 300 volts or less, the disconnecting means may be a general use switch having an ampere rating not less than twice the full-load current rating of the motor. On AC circuits, general use snap switches, suitable only for use on AC (not general use AC-DC snap switches) may be used to disconnect a motor having a full-load current rating not in excess of 80% of the ampere rating of the switch.

(c). Over Two Horsepower, To and Including Fifty Horsepower. The separate disconnecting means required for a motor with an autotransformer type of controller may be a general use switch, where all of the following provisions are complied with:

(1) The motor drives a generator which is provided with overcurrent protection, and

(2) The controller is provided with a no-voltage release, is capable of interrupting the stalled rotor current of the motor, and is provided with running overcurrent protection not greater than 125% of the motor full-load current rating.

(3) Separate fuses or a circuit breaker, rated or set at not more than 150% of the motor full-load current, are provided in the motor branch circuit.

(d). Exceeding 50 Horsepower. For motors rated at more than 50 horsepower, the disconnecting means may be a motor circuit switch also rated in amperes, a general use switch or an isolating switch. Isolating switches, not capable of interrupting stalled-rotor currents, shall be plainly marked: "DO NOT OPEN UNDER LOAD".

(e). Portable Motors. For portable motors less than 2 horsepower an attachment plug and receptacle may serve as the disconnecting means.

87-430.110. Carrying Capacity. The disconnecting means shall have an ampacity rating of at least 115% of the nameplate rating of the motor and shall never be less than the horsepower rating of the motor.

87-430.111. Switch or Circuit Breaker as Both Disconnecting Means and Controller. A switch or circuit breaker which complies with the provisions of 87-430.83 may serve as both disconnecting means and controller if it opens all ungrounded conductors to the motor, is protected by overcurrent devices (may be branch circuit fuses) which open all the ungrounded conductors to the switch or circuit breaker and is one of the following types:

(a) An air-break switch, operable by hand. It may also be operated by use of a remote control (electrically operated) switch.

(b) A circuit breaker, operable by hand. It may also be operated by use of a remote control (electrically operated) switch.

(c) An oil switch used on a circuit whose rating does not exceed 600 volts or 100 amperes, or on a circuit exceeding this capacity if under registered supervision and by special permission. The oil switch or circuit breaker specified above may be both power and manually operable. If power operated, provisions shall be made to lock it in the open position. The overcurrent device protecting the controller may be part of the controller assembly or may be separate. An auto transformer type of controller is not included above and will require a separate disconnecting means.

87-430.112. Motors Served By a Single Disconnecting Means. Each motor shall be provided with individual disconnecting means, except that for motors of 600 volts or less a single disconnecting means may serve a group of motors under any one of the following conditions. The disconnecting means serving a group of motors shall have a rating not less than is required by 87-430.109 for a single motor whose rating equals the sum of the horsepowers or currents of all the motors in the group.

(a) If a number of motors drive several parts of a single machine or piece of apparatus, such as metal and woodworking machines, cranes, hoists, etc.

(b) If a group of motors is under the protection of one set of overcurrent protectives devices as is permitted in 87-430.43(a)."

SECTION 130. That Section 87-450.21 of the Municipal Code of Chicago is amended so that the second sentence thereof reads as follows:

"Transformers of more than 100 KVA rating shall be installed in a transformer room of fire-resistant construction, unless they are constructed with 80° C rise (Class B) or higher insulation and are separated from combustible material not less than six feet horizontally and 12 feet vertically or are separated therefrom by a fire-resistant heat-insulating barrier."

SECTION 131. That Section 87-450.42 of the Municipal Code of Chicago is amended so as to read as follows:

"87-450.42. Walls, Roof and Floor. The walls and roof of any vault shall consist of reinforced concrete not less than six inches in thickness or of brick not less than eight inches in thickness, or of load bearing solid concrete block not less than eight inches in thickness. No hollow core cement block shall be used. The inside surface of concrete block shall be coated with cement plaster. The vault shall have a concrete floor at least four inches thick. The floor or walls of the building may be used for one or more parts of the vault if they are approved as being the equivalent of the foregoing specifications."

SECTION 132. That sub-section 87-450.43(a) of the Municipal Code of Chicago is amended so as to read as follows:

"(a). Type of Door. Each doorway shall be provided with a snug-fitting door of a type approved for opening in Class A situations as defined in the NFPA standard for the Installation of Fire Doors and Windows No. 80. The Bureau of Electrical inspection may require such a door on each side of the wall where conditions warrant."

SECTION 133. That Section 87-450.44 of the Municipal Code of Chicago is amended so as to read as follows:

"87-450.44. Ventilation. Vault ventilation shall be adequate to prevent temperatures in excess of a value which would be harmful to all the equipment contained therein."

SECTION 134. That Section 87-460.6 of the Municipal Code of Chicago is amended by deleting therefrom the last two sentences.

SECTION 135. That Chapter 88 of the Municipal Code of Chicago is amended by deleting therefrom Table 30 of Section 88-10.

SECTION 136. That Section 87-460.7(b) of the Municipal Code of Chicago is amended by inserting a period "." after the word "practicable" in the second sentence thereof;

and is further amended by deleting therefrom the remainder of the subsection.

SECTION 137. That Section 87-460.8 of the Municipal Code of Chicago is amended by deleting therefrom the second sentence.

SECTION 138. That Section 88-500 of the Municipal Code of Chicago is amended to read as follows:

"Special Occupancies

88-500 *Hazardous Locations*

88-500.1. Scope. The provisions of this section apply to locations in which the Bureau of Electrical Inspection judges the apparatus and wiring to be subject to conditions indicated by the following classifications. It is intended that each room, section or area (including rooms for the enclosure of control equipment) shall be considered individually in determining its classification.

Except as modified by this section, all other applicable rules contained in this code shall apply to electrical apparatus and wiring installed in hazardous locations. For specific hazardous occupancies see the specific sub-sections of this section. For the definition of "approved", "explosion-proof" and "dust ignition proof", see 87-100.

Through the exercise of ingenuity in the layout of electrical installations for hazardous locations, it is frequently possible to locate much of the equipment in less hazardous or in non-hazardous areas and thus reduce the amount of special equipment required. In some cases, hazards may be reduced or hazardous areas limited or eliminated by adequate positive-pressure ventilation from a source of clean air in conjunction with effective safeguards against ventilation failure. It is recommended that the Bureau of Electrical Inspection be consulted before such layouts are prepared.

Where rigid conduit is used in hazardous locations, it is necessary to have all threaded joints made up wrench tight to minimize sparking when fault current flows through the conduit system. Where it is impossible to make a threaded joint tight, a bonding jumper shall be utilized. A standard conduit thread cutting dye providing ¾″ taper per foot shall be employed.

88-500.2. Special Precaution. The intent of this section is to require a form of construction of equipment, and of installation that will insure safe performance under conditions of proper use and maintenance. It, therefore, is assumed that inspection authorities and users will exercise more than ordinary care with regard to installation and maintenance.

The characteristics of various atmospheric mixtures of hazardous gases, vapors and dusts depend on the specific hazardous materials involved. It is necessary therefore that equipment be approved not only for the class of location, but, also, for the specific gas, vapor or dust that will be present.

For the purposes of testing and approval, various atmospheric mixtures have been grouped on the basis of their hazardous characteristics, and facilities have been made available for testing and approval of equipment for use in the following atmospheric groups:

Class I, Group A, Atmospheres containing acetylene;

Class I, Group B, Atmospheres containing hydrogen, or gases or vapors of equivalent hazard such as manufactured gas;

Class I, Group C, Atmospheres containing ethyl-ether vapors, ethylene, or cyclo-propane;

Class I, Group D, Atmospheres containing gasoline, hexane, naphtha, benzine, butane, propane, alcohol, acetone, benzol, lacquer solvent vapors or natural gas;

Class II, Group E, Atmospheres containing metal dust, including aluminum, magnesium, and their commercial alloys, and other metals of similarly hazardous characteristics;

Class II, Group F, Atmospheres containing carbon black, coal or coke dust;

Class II, Group G, Atmospheres containing flour, starch, or grain dusts.

88-500.3. Finishing Processes.

(a). Definitions. This Article shall apply to locations where paints, lacquers or other flammable finishes are regularly or frequently applied by spraying, dipping, brushing or by other means, and where volatile flammable solvents or thinners are used or where readily ignitable deposits or residues from such paints, lacquers or finishes may occur.

(b). Hazardous Areas. Classification with respect to flammable vapors.

For deposits and residues, see Section 88-500.3C.

(1) The Interiors of spray booths and their exhaust ducts, all space within 20 feet horizontally in any direction from spraying operations more extensive than touch-up spraying and not conducted within spray booths, all space within 20 feet horizontally in any direction from dip tanks and their drain boards, and all other spaces where hazardous concentrations of flammable vapors are likely to occur, shall be considered to be Class I, Division 1 locations.

(2) All space within 20 feet horizontally in any direction from the open face of a spray booth, and all space within the room but beyond the limits for Class I, Division 1 as defined in Section 88-500.3B1 for extensive open spraying, for dip tanks and drain boards and for other hazardous operations, shall be considered to be Class I, Division 2 locations unless the Bureau of Electrical Inspection judges otherwise.

(3) Adjacent areas which are cut off from the defined hazardous areas by tight partitions without communicating openings, and within which hazardous vapors are not likely to be released, shall be classed as non-hazardous unless the Bureau of Electrical Inspection judges otherwise.

(4) Drying and baking areas provided with positive mechanical ventilation adequate to prevent formation of flammable concentrations of vapors, and provided with effective interlocks to deenergize all electrical equipment (other than equipment approved for Class I locations) in case the ventilating equipment is inoperative, may be classed as non-hazardous when the Bureau of Electrical Inspection so judges.

(c). Wiring and Equipment in Hazardous Areas.

(1) All electrical wiring and equipment within the hazardous areas defined in 'B' of this section shall conform to applicable provisions of Article 500.

(2) Unless specifically approved for the location, no electrical equipment shall be installed or used where it may be subject to hazardous accumulations of readily ignitible deposits or residues, except that wiring in rigid conduit or in threaded boxes or fittings containing no taps, splices or terminal connections may be installed in such locations.

(3) Illumination of readily ignitible areas through panels of glass or other transparent or translucent material is permissible only where:

(a) fixed lighting units are used as the source of illumination, (b) the panel effectively isolates the hazardous area from the area in which the lighting unit is located, (c) the lighting unit is approved for its specific location, (d) the panel is of a material or is so protected that breakage will be unlikely and (e) the arrangement is such that noraml accumulations of hazardous residue on the surface of the panel will not be raised to a dangerous temperature by radiation or conduction from the source of illumination.

(4) Portable electric lamps or other utilization equipment shall not be used within a hazardous area during operation of the finishing process. When such lamps or utilization equipment are used during cleaning or repairing operations, they shall be of a type approved for Class I locations, and all exposed metal parts shall be effectively grounded.

(5) Electrostatic spraying or detearing equipment shall be installed and used only as provided in Section 88-500.3 and Chapter 60 of the Chicago Code.

(d) Electrostatic Equipment. Where electrostatic spraying and detearing equipment is installed, such equipment shall be of approved type, and shall conform to the following requirements:

(1) No transformers, power packs, control apparatus, or other electrical portion of the equipment (except high voltage grids and their connections) shall be installed in any of the hazardous areas defined in 'B' of this section unless of a type approved for the location.

(2) High voltage grids or electrodes shall be located in suitable noncombustible booths or enclosures provided with adequate mechanical ventilation, shall be rigidly supported and of substantial construction, and shall be effectively insulated

from ground by means of non-porous noncombustible insulators.

(3) High voltage leads shall be effectively and permanently supported on suitable insulators, shall be effectively guarded against accidental contact or grounding, and shall be provided with automatic means for discharging any residual charge to ground when the supply voltage is interrupted.

(4) Goods being processed shall be supported on conveyors in such a manner that minimum clearance between goods and high voltage grids or conductors cannot be less than twice the sparking distance. A conspicuous sign indicating the sparking distance shall be permanently posted near the equipment.

(5) Approved automatic controls which will operate without time delay to disconnect the power supply and to signal the operator in case of (a) stoppage of ventilating fans or failure of ventilating equipment from any cause, (b) stoppage of the conveyor carrying goods through the high voltage field, (c) occurrence of a ground or of an imminent ground at any point on the high voltage system, or (d) reduction of clearance below that specified in Section 87-500.3D(4).

(6) Adequate fencing, railings or guards which are electrically conducting and effectively grounded shall be provided for safe isolation of the process, and signs shall be permanently posted designating the process zone as dangerous because of high voltage.

(e) Wiring and Equipment Above Hazardous Areas.

(1) All fixed wiring above hazardous areas shall be in metallic raceways or Type MI cable. Cellular metal floor raceways may be used only for supplying ceiling outlets or extensions to the area below the floor of a hazardous area but such raceways shall have no connections leading into or through the hazardous area above the floor unless suitable seals are provided. No electrical conductor shall be installed in any cell, header or duct which contains a pipe for steam, water, air, gas drainage, or for other service except electrical.

(2) Equipment which may produce arcs, sparks or particles of hot metal, such as lamps and lampholders for fixed lighting, cutouts, switches, receptacles, motors or other equipment having make and break or sliding contacts, where installed above a hazardous area or above an area where freshly finished goods are handled, shall be of totally-enclosed type or shall be provided with suitable guards or screens to prevent escape of sparks or hot metal particles.

(f) Grounding. All metal raceways, and all non-current-carrying metallic portions of fixed or portable equipment, regardless of voltage, shall be grounded as provided in Article 250.

88-500.4. Class I, Locations. Class I locations are those in which flammable gases or vapors are or may be present in the air in quantities sufficient to produce explosive or ignitable mixtures.

Class I locations shall include the following:

(a). Class I, Division 1. Locations (1) in which hazardous concentrations of flammable gases or vapors exist continuously, intermittently, or periodically under normal operating conditions, (2) in which hazardous concentrations of such gases or vapors may exist frequently because of repair of maintenance operations or because of leakage, or (3) in which breakdown or faulty operation of equipment of processes which might release hazardous concentration of flammable gases or vapors, might also cause simultaneous failure of electrical equipment.

The classification would usually include locations where flammable volatile liquids or liquefied flammable gases are transferred from one container to another; interiors of spray booths and areas in the vicinity of spraying and painting operations where volatile flammable solvents are used; locations containing open tanks or vats of volatile flammable liquids; drying rooms or compartments for the evaporation of flammable solvents; locations containing fat and oil extraction apparatus using volatile flammable solvents; portions of cleaning and dyeing plants where hazardous liquids are used; gas generator rooms and other portions of gas manufacturing plants where flammable gas may escape; pump rooms for flammable gas or for volatile flammable liquids; and all other locations where hazardous concentrations of flammable vapors or gases are likely to occur in the course of normal operations.

(b). Class I, Division 2. Locations (1) in which flammable volatile liquids or flammable gases are handled, processed or used, but in which the hazardous liquids, vapors or gases will normally be confined within closed containers or closed systems from which they can escape only in case of accidental rupture or breakdown of such containers or systems, or in case of abnormal operation of equipment, (2) in which hazardous concentrations of gases or vapors are normally prevented by positive mechanical ventilation, but which might become hazardous through failure or abnormal operation of the ventilating equipment, or (3) which are adjacent to Class I, Division 1 locations, and to which hazardous concentrations of gases or vapors might occasionally be communicated unless such communication is prevented by adequate positive-pressure ventilation from a source of clean air, and effective safeguards against ventilation failure are provided.

This classification usually includes locations where flammable volatile liquids or flammable gases or vapors are used, but which, in the judgment of the Bureau of Electrical Inspection would become hazardous only in case of an accident or of some unusual operating condition. The quantity of hazardous material that might escape in case of accident, the adequacy of ventilating equipment, the total area involved, and the record of the industry or business with respect to explosions or fires are all factors that should receive consideration in determining the classification and extent of each hazardous area.

88-500.5. Class II Locations. Class II locations are those which are hazardous because of the presence of combustible dust. Class II locations shall include the following:

(a) Class II Division I. Locations (1) in which combustible dust is or may be in suspension in the air continuously, intermittently, or periodically under normal operating conditions, in quantities sufficient to produce explosive or ignitible mixtures, (2) where mechanical failure or abnormal operation of machinery or equipment might cause such mixtures to be produced, and might also provide a source of ignition through simultaneous failure of electrical equipment, operation of protection devices, or from other causes or (3) in which dusts of an electrically conducting nature may be present.

This classification usually includes the working areas of grain handling and storage plants; rooms containing grinders or pulverizers, cleaners, Graders, scalpers, open conveyors or spouts, open bins or hoppers, mixers or blenders, automatic or hopper scales, packing machinery, elevator heads and boots, stock distributors, dust and stock collectors (except all-metal collectors vented to the outside,) and all similar dust producing machinery and equipment in grain processing plants, starch plants, sugar pulverizing plants, malting plants, hay grinding plants, and other occupancies of similar nature; coal pulverizing plants (except where the pulverizing equipment is essentially dust-tight); all working areas where metal dusts and powders are produced, processed, handled, packed or stores (except in tight containers); and all other similar locations where combustible dust may, under normal operating conditions, be present in the air in quantities sufficient to produce explosive or ignitible mixtures.

Combustible dusts which are electrically nonconducting include dusts produced in the handling and processing of grain and grain products, pulverized sugar and cocoa, dried egg and milk powders, pulverized spices, starch and pastes potato and woodflour, oil meal from beans and seed, dried hay, and other organic materials which may produce combustible dusts when processed or handled. Electrically conducting non-metallic dusts include dusts from pulverized coal, coke and charcoal. Metallic dusts from magnesium, aluminum and aluminum bronze are particularly hazardous and every precaution must be taken to avoid ignition and explosion.

(b) Class II, Division 2. Locations in which combustible dust will not normally be in suspension in the air, or will not be likely to be thrown into suspension by the normal operation of equipment or apparatus, in quantities sufficient to produce explosive or ignitible mixtures, but (1) where deposits or accumulations of such dust may be sufficient to interfere with the safe dissipation of heat from electrical equipment or apparatus, of (2) where such deposits or accumulations of dust on, in, or in the vicinity of electrical equipment might be ignited by arcs, sparks or burning material from such equipment.

Locations where dangerous concentrations of suspended dust would not be likely, but where dust accumulations might form on, or in the vicinity of electrical equipment, would include rooms and areas containing only closed spouting and conveyors, closed bins or hoppers, or machines and equipment from which appreciable quantities of dust would escape only under abnormal operating conditions; rooms or areas adjacent to locations described in Section 88-500.5(a), and into which explosive or ignitible concentrations of suspended dust might be communicated only under abnormal operating conditions; rooms or areas where the formation of explosive or ignitible concentrations of suspended dust is prevented by the operation of effective dust control equipment; warehouses and shipping rooms where dust producing materials are stored or handled only in bags or containers; and other similar locations.

88-500.6. Class III Locations. Class III locations are those which are hazardous because of the presence of easily ignitible fibers or flyings, but in which such fibers or flyings are not likely to be in suspension in air in quantities sufficient to produce ignitible mixtures. Class III locations shall include the following:

(a) Class III, Division 1. Locations in which easily ignitible fibers or materials producing combustible flyings are handled, manufactured or used.

Such locations usually include some parts of rayon, cotton and other textile mills; combustible fiber manufacturing and processing plants; cotton gins and cotton-seed mills; flax processing plants; clothing manufacturing plants; woodworking plants; and establishments and industries involving similar hazardous processes or conditions.

Easily ignitible fibers and flyings include rayon, cotton (including cotton linters and cotton waste), sisal or henequen, istle jute, hemp, tow, cocoa fiber, oakum, baled waste kapok, Spanish moss, excelsior and other materials of similar nature.

(b) Class III, Division 2. Locations in which easily ignitible fibers are stored or handled (except in process of manufacture).

### Class I—*Installation*

88-500.11. General. The general rules of this code shall apply to the installation of electrical wiring and equipment in locations classified as Class I under 88-500.4 of this article except as modified by sections 88-500.12 to 88-500.26 inclusive.

Attention is called to the additional requirements set forth in 88-500.3 for locations where readily ignitable deposits or residues from paints, varnishes, lacquers, or other types of finish may be involved.

88-500.12. Transformers and Capacitors. The installation of transformers and capacitors shall conform to the following:

(a) Class I, Division I, Divisional locations, transformers and capacitors shall conform to the following:

(1) Containing a Liquid that Will Burn. Transformers and capacitors containing a liquid that will burn shall be installed only in approved vaults, which shall conform to sections 87-450.41 to 87-450.48 inclusive, and in addition, (1) there shall be no door or other communicating opening between the vault and the hazardous area, (2) ample ventilation shall be provided for the continuous removal of hazardous gases or vapor, (3) vent openings or ducts shall lead to a safe location outside of buildings, and (4) vent ducts and openings shall be of sufficient area to relieve explosion pressures within the vault, and all portions of vent ducts within the buildings shall be reinforced concrete construction.

(2) Not Containing a Liquid that Will Burn. Transformers and capacitators which do not contain a liquid that will burn shall (1) be installed in vaults conforming to the requirements of subparagraph a-1 of this section, or (2) be of explosion-proof type approved for Class I locations.

(b) Class I, Division 2. In Class I, Division 2 locations, transformers and capacitors shall conform to 87-450.21 to 87-450.24 inclusive.

88-500.13. Meters, Instruments and Relays. The installation of meters, instruments and relays shall conform to the following:

(a) Class I, Division 1. In Class I. Division 1 location, meters, instruments and relays, including kilowatt-hour meters, instrument transformers and resistors, rectifiers and thermionic tubes, shall be provided with enclosures approved for Class I locations.

(b) Class I, Division 2. In Class I, Division 2 locations, meters, instruments and relays shall conform to the following:

(1) With Make or Break Contacts. Meters, instruments, and relays in which are incorporated contacts for making or breaking current shall conform to Section 88-500.13(a) unless general purpose enclosures are provided and such contacts are (1) immersed in oil, or (2) enclosed within a chamber hermetically sealed against the entrance of gases or vapors.

(2) Resistors and Similar Equipment. Resistors, resistance devices, thermionic tubes, and rectifiers, which are used in or in connection with meters, instruments and relays, shall conform to Section 88-500.13(a), except that enclosures may be of general purpose type when such equipment is without make and break or sliding contacts (other than slide-wire contacts in potentiometers used in conjunction with thermocouples) and when the maximum operating temperature of any exposed surface will not exceed eighty per cent (80%) of the ignition temperature in degrees centigrade of the gas or vapor involved as determined by A.S.T.M. test procedure (Designation D286-30).

(3) Without make or Break Contacts. Transformer windings, impedance coils, solenoids, and other windings which do not incorporate sliding or make or break contacts shall be provided with enclosures which may be of general purpose type where vents adequate to permit prompt escape of any gases or vapors are provided.

(4) General Purpose Assemblies. Where an assembly is made up of complaints for which general purpose enclosures are acceptable under Sections 85-500.13(b)1,2,3, a single general purpose enclosure is acceptable for the assembly. Where such an assembly includes any of the equipment described in Section 88-500.13(b)2, the maximum obtainable surface temperature of any component of the assembly shall be clearly and permanently indicated on the outside of the enclosure.

88-500.14. Wiring Methods. Wiring methods shall conform to the following:

(a) Class I, Division 1. In Class I, Division 1 locations, threaded rigid metal conduit or type MI cable with termination fittings approved for the location shall be the wiring method employed. All boxes, fittings, and joints shall be threaded for connection to conduit or cable terminations and shall be explosion-proof. Threaded joints shall be made up with at least five threads fully engaged. Type MI cable shall be installed and supported in a manner to avoid tensile stress at the termination fittings. Where necessary to employ flexible connections, as at motor terminals, flexible fittings approved for Class I locations (Explosion-proof) shall be used.

(b) Class I, Division 2. In Class I, Division 2 locations, threaded rigid metal conduit or Type MI cable with termination fittings approved for Class I locations shall be the wiring method employed. Type MI cable shall be installed in a manner to avoid tensile stress at the termination fittings. Where provision must be made for limited flexibility, as at motor terminals, flexible metal fittings or flexible metal conduit with approved fittings shall be used.

88-500.15. Sealing. Seals are provided in conduit systems to prevent the passage of gases, vapors or flames from one portion of the electrical installation to another through the conduit. Such communication through Type MI cable is inherently prevented by construction of the cable, but sealing compound is used in cable termination fittings to exclude moisture and other fluids from the cable insulation, and shall be of a type approved for the conditions of use. Seals in conduit systems shall conform to the following:

(a) Class I, Division 1. In Class I, Division 1 locations, seals shall be located as follows:

(1) In each conduit run entering an enclosure for switches, circuit-breakers, fuses, relays, resistors or other apparatus which may produce arcs, sparks or high temperatures. Seals shall be placed as close as practicable and in no case more than 18 inches from such enclosures.

(2) In each conduit run of 2-inch size or larger entering the enclosure or fitting housing terminals, splices or taps, and within 18 inches of such enclosure or fitting.

Where two or more enclosures for which seals are required under Sections 88-500.15(a)1, 2 are connected by nipples or by runs of conduit not more than 36 inches long, a single seal in each such nipple connection or run of conduit would be sufficient if located not more than 18 inches from either enclosure. Ordinary conduit fittings of the "L", "T" or "Cross" type would not usually be classed as enclosures when not larger than the trade size of the conduit.

(3) In each conduit run leaving the Class I, Division 1 hazardous area. The sealing fittings may be located on either side of the boundary of such hazardous area, but shall be so designed and installed that any gases or vapors which may enter the conduit system, within the Division 1 hazardous area, will not enter or be communicated to the conduit beyond the seal. There shall be no union, coupling, box or fitting in the conduit between the sealing fitting and the point at which the conduit leaves the Division 1 hazardous area. Seals shall be located as close as physically possible to the point at which conduit leaves the hazardous area and shall be accessible for inspection after installation.

(b) Class I, Division 2. In Class I, Division 2 locations, seals shall be located as follows:

(1) For conduit connections to enclosures which are required to be approved for Class I locations, seals shall be provided in conformance to Sections 88-500.15(a)1,2. All portions of the conduit run or nipple between the seal and such enclosures shall conform to Section 88-500.14(a).

(2) In each conduit run passing from the Class I, Division 2 hazardous area into a non-hazardous area. The sealing fitting may be located on either side of the boundary of such hazardous area, but shall be so designed and installed that any gases or vapors which may enter the conduit system, within the Division 2 hazardous area, will not enter or be communicated to the conduit beyond the seal. Rigid conduit shall be used between the sealing fittings and the point at which the conduit leaves the hazardous area, and a threaded connection shall be used at the sealing fiting. There shall be no union, coupling, box or fitting in the conduit between the sealing fitting and the point at which the conduit leaves the hazardous area. Seals shall be located as close as physically possible to the point at which conduit leaves the hazardous area and shall be accessible for inspection after installation.

(c) Class I, Divisions 1 and 2. Where seals are required they shall conform to the following:

(1) Fittings. Enclosures for connections or for equipment shall be provided with approved integral means for sealing, or sealing fittings approved for class I locations shall be used.

(2) Compound. Sealing Compound shall be approved for the purpose, shall not be affected by the surrounding atmosphere or liquids, and shall not have a melting point of less than 93°C. (200°F.).

(3) Thickness of Compound. In the completed seal, the minimum thickness of the sealing compound shall be not less than the trade size of the conduit, and in no case less than ⅝ inch.

(4) Splices and Taps. Splices and taps shall not be made in fittings intended only for sealing

with compound, nor shall other fittings in which splices or taps are made be filled with compound.

(5) Drainage. Where there is probability that liquid or other condensed vapor may be trapped within enclosures for control equipment or at any point in the raceway system, approved means shall be provided to prevent accumulation or to permit periodic draining of such liquid or condensed vapor.

(6) Motors and Generators. Where the Bureau of Electrical Inspection judges that there is probability that liquid or condensed vapor may accumulate within motors or generators, joints and conduit systems shall be arranged to minimize entrance of liquid. If means to prevent accumulation or to permit periodic draining are judged necessary, such means shall be provided at the time of manufacture, and shall be deemed an integral part of the machine.

(7) Assemblies. In an assembly where equipment which may produce arcs, sparks or high temperatures is located in a compartment separate from the compartment containing splices or taps, and an integral seal is provided where conductors pass from one compartment to the other, the entire assembly shall be approved for Class I locations. Seals in conduit connections to the compartment containing splices or taps shall be provided in Class I, Division 1 locations where required by Section 88-500.15(a)2.

88-500.16. Switches, Circuit - Breakers, Motor Controllers and Fuses. Switches, circuit-breakers, motor controllers and fuses shall conform to the following:

(a) Class I, Division 1. In Class I Division 1 locations, switches, circuit-breakers, motor controllers and fuses, including push buttons, relays and similar devices, shall be provided with enclosures, and the enclosure in each case together with the enclosed apparatus shall be approved as a complete assembly for use in Class I locations.

(b) Class I, Division 2. Switches, circuit-breakers, motor controllers and fuses in Class I, Division 2 locations shall conform to the following:

(1) Type Required. Circuit-breakers, motor controllers and switches intended to interrupt current in the normal performance of the function for which they are installed shall be provided with enclosures approved for Class I locations, unless general purpose enclosures are provided and (1) the interruption of current occurs within a chamber hermetically sealed against the entrance of gases and vapors, or (2) the current interrupting contacts are oil-immersed and the device is approved for locations of this class and division.

This includes service and branch circuit switches and circuit-breakers; motor controllers, including push-buttons, pilot switches, relays and motor-overload protective devices; and switches and circuit-breakers for the control of lighting and appliance circuits. Oil-immersed circuit-breakers and controllers of ordinary general use type may not confine completely the arc produced in the interruption of heavy overloads, and specific approval for locations of this class and division is therefore necessary.

(2) Isolating Switches. Enclosures for disconnecting and isolating switches without fuses and which are not intended to interrupt current may be of general purpose type.

(3) Fuses. For the protection of motors, appliances and lamps, (1) standard plug or cartridge fuses may be used provided they are placed within enclosures approved for the purpose and for the location, or (2) fuses of a type in which the operating element is immersed in oil or other approved liquid, or is enclosed within a chamber hermetically sealed against the entrance of gases and vapors may be used provided they are approved for the purpose and are placed within general purpose enclosures.

88-500.17. Control Transformers and Resistors. Transformers, impedance coils and resistors used as or in conjunction with control equipment for motors, generators and appliances shall conform to the following:

(a) Class I, Division 1. In Class I, Division 1 locations transformers, impedance coils and resistors, together with any switching mechanism associated with them, shall be provided with explosion-proof enclosures approved for Class I locations.

(b) Class I, Division 2. In Class I, Division 2 locations control transformers and resistors shall conform to the following:

(1) Switching Mechanisms. Switching mechanisms used in conjunction with transformers, impedance coils and resistors shall conform to section 88-500.16, paragraph b.

(2) Coils and Windings. Enclosures for windings of transformers, solenoids or impedance coils may be of general purpose type, but shall be provided with vents adequate to permit prompt escape of gases or vapors that may enter the enclosure.

(3) Resistors. Resistors shall be provided with explosion-proof enclosures approved as complete assemblies with the resistors for Class I locations.

88-500.18. Motors and Generators. Motors and generators shall conform to the following:

(a). Class I, Division 1. In Class I, Division 1 locations, motors, generators and other rotating electrical machinery shall be of enclosed explosion-proof type approved for Class I locations.

(b). Class I, Division 2. In Class I, Division 2 locations, motors, generators and other rotating electrical machinery in which are employed sliding contacts, centrifugal or other types of switching mechanism (including motor overcurrent devices), or integral resistance devices, either while starting or while running, shall be of enclosed explosion-proof type approved for Class I locations, unless such sliding contacts, switching mechanism or resistance devices are provided with enclosures approved for Class I locations.

88-500.19. Lighting Fixtures. Lamps shall be installed in fixtures which shall conform to the following:

(a). Class I, Division 1. In Class I, Division 1 locations, lighting fixtures shall conform to the following:

(1). Approved Fixtures. Each fixture shall be approved as a complete assembly for locations of this class, and shall be clearly marked to indicate the maximum wattage of lamps for which it is approved. Fixtures intended for portable use shall be specifically approved as a complete assembly for that use.

(2). Physical Damage. Each fixture shall be protected against physical damage by a suitable guard or by location.

(3). Pendant Fixtures. Pendant fixtures shall be suspended by and supplied through threaded rigid conduit stems and threaded joints shall be provided with set-screws or other effective means to prevent loosening. For stems longer than 12 inches, flexibility in the form of a fitting or flexible connector approved for the purpose and for the location shall be provided not more than 12 inches from the point of attachment to the supporting box or fitting.

(4). Supports. Boxes, box assemblies or fittings used for the support of lighting fixtures shall be approved for the purpose and for Class I locations.

(b). Class I, Division 2. In Class I, Division 2 locations, lighting fixtures shall conform to the following:

(1). Portable Lamps. Portable lamps shall be of the explosion-proof type approved for use in Class I locations.

(2). Fixed Lighting. Lighting fixtures for fixed lighting shall be protected from physical damage by suitable guards or by location. Where there is danger that falling sparks or hot metal from lamps or fixtures might ignite localized concentrations of flammable vapors or gases, suitable enclosures or other effective protective means shall be provided.

Where lamps are of a size or type which may, under normal operating conditions, reach surface temperatures exceeding eighty per cent (80%) of the ignition temperature in degrees Centigrade of the gas or vapor involved, as determined by A.S.T.M. test procedure (Designation D 286-30), fixtures shall conform to Section 501-9(a-1).

(3) Pendant Fixtures. Pendant fixtures shall be suspended by threaded rigid conduit stems or by other approved means. For rigid stems longer than 12 inches, flexibility in the form of a fitting or flexible connector approved for the purpose shall be provided not more than 12 inches from the point of attachment to the supporting box or fitting.

(4) Supports. Boxes, box assemblies, or fittings used for the support of lighting fixtures shall be approved for the purpose.

(5) Switches. Switches which are a part of an assembled fixture or of an individual lampholder shall conform to the requirements of sub-paragraph 88-500.16(b1).

(6) Starting Equipment. Starting and control equipment for mercury-vapor and fluorescent lamps shall conform to the requirements of paragraph b, section 88-500.17.

88-500.20. Utilization Equipment, fixed and Portable. Utilization equipment, fixed and portable, shall conform to the following:

(a) Class I, Division 1. In Class I, Division 1 locations, utilization equipment, including electrically-heated and motor-driven equipment shall be approved for Class I locations.

(b) Class I, Division 2. In Class I, Division 2 locations, utilization equipment, fixed and portable, shall conform to the following:

(1) Heaters. Electrically-heated utilization equipment shall be approved for Class I locations.

(2) Motors. Motors of motor-driven utilization equipment shall conform to section 88-500.18(b).

(3) Switches, Circuit-Breakers, and Fuses. Switches, circuit-breakers and fuses shall conform to section 88-500.16(b).

88-500.21. Flexible Cords, Class I, Divisions 1 and 2. A flexible cord may be used only for connection between a portable lamp or other portable utilization equipment and the fixed portion of its supply circuit and where used shall (1) be of a type approved for extra hard usage, (2) contain, in addition to the conductors of the circuit, a grounding conductor, (3) be connected to terminals or to supply conductors in an approved manner, (4) be supported by clamps or by other suitable means in such a manner that there will be no tension on the terminal connections, and (5) suitable seals shall be provided where the flexible cord enters boxes, fittings or enclosures of explosion-proof type.

Refer to Section 88-500.23 when flexible cords are exposed to liquids having a deleterious effect on the conductor insulation.

88-500.22. Receptacles and Attachment Plugs, Class I, Divisions 1 and 2.

Receptacles and attachment plugs shall be of the type providing for connection to the grounding conductor of the flexible cord, and shall be approved for Class I locations.

88-500.23. Conductor Insulation Class I, Divisions 1 and 2.

Where condensed vapors or liquids may collect on or come in contact with the insulation on conductors, such insulation shall be of a type approved for use under such conditions or the insulation shall be protected by a sheath of lead or by other approved means.

88-500.24. Signal, Alarm, Remote-control and Communication Systems.

Signal, alarm, remote-control and communication systems shall conform to the following:

(a) Class I, Division 1. In Class I, Division 1 locations, all apparatus and equipment of signalling, alarm, remote-control and communication systems, irrespective of voltage, shall be approved for Class I locations, and all wiring shall conform to paragraph (a), 88-500.14 and paragraphs (a) and (c) of 88-500.15.

(b) Class I, Division 2. In Class I, Division 2 locations, signal, alarm, remote-control and communication systems shall conform to the following:

(1) Contacts. Switches and circuit-breakers, and make and break contacts of push buttons, relays, and alarm bells or horns, shall have enclosures approved for Class I locations, unless general purpose enclosures are provided and current interrupting contacts are (1) immersed in oil, or (2) enclosed within a chamber hermetically sealed against the entrance of gases or vapors.

(2) Resistors and Similar Equipment. Resistors, resistance devices, thermionic tubes and rectifiers shall conform to sub-paragraph (a) of this section.

(3) Protectors. Enclosures which may be of general purpose type shall be provided for lightning protective devices.

88-500.25. Live Parts, Class I, Divisions 1 and 2. There shall be no exposed live parts.

88-500.26. Grounding, Class I, Divisions 1 and 2. Wiring and equipment shall be grounded in conformity with the following:

(a) Exposed Parts. The exposed non-current-carrying metal parts of equipment such as the frames or metal exteriors of motors, fixed or portable lamps or other utilization equipment, lighting fixtures, cabinets, cases and conduit, shall be grounded as specified in Section 87-250 of this Code.

(b) Bonding. The locknut-bushing and double-locknut types of contacts shall not be depended upon for bonding purposes, but bonding jumpers with proper fittings or other approved means shall be used. Where flexible conduit is used as permitted in sub-paragraph (b) of 88-500.14, bonding jumpers with proper fittings shall be provided around such conduit.

(c) Lightning Protection. Each unground service conductor of a wiring system in a Class I location, when supplied from an ungrounded overhead electrical supply system in an area where lightning disturbances are prevalent, shall be protected by a lightning protective device of proper type. Lightning protective devices shall be connected to the service conductors on the supply side of the service disconnecting means, and shall be bonded to the raceway system at the service entrance.

(d) Grounded Service Conductor Bonded to Raceway. Wiring in a Class I location, when supplied from a grounding alternating current supply system in which a grounded conductor is a part of the service, shall have the grounded service conductor bonded to the raceway system and to the grounding conductor for the raceway system. The bonding connection to the grounded service conductor shall be made on the immediate supply side of the service disconnecting means.

(e) Transformer Ground Bonded to Raceway. Wiring in a Class I location, when supplied from a grounded alternating current supply system in which no grounded conductor is a part of the service shall be provided with a metallic connection between the supply system ground and the raceway system at the service entrance. The metallic connection shall have a current-carrying capacity not less than 1/5 that of the service conductors, and shall in no case be smaller than No. 10 when soft copper, or No. 12 when of medium or hard-drawn copper.

(f) Multiple Grounds. Where, in the application of Section 87-250.21, it is necessary to abandon one or more grounding connections to avoid objectionable passage of current over the grounding conductors, the connection required in paragraphs (d) and (e) of this section shall not be abandoned while any other grounding connection remains connected to the supply system.

### CLASS II INSTALLATIONS

### *Hazardous Locations*

88-500.51. General. The general rules of the Code shall apply to the installation of electrical wiring and apparatus in locations classified as Class II under Section 88-500.5 except as modified by this Article.

"Dust-ignition-proof," as used in this Article shall mean enclosed in a manner which will exclude ignitible amounts of dusts or amounts which might affect performance or rating and which, when installation and protection are in conformance with this Code will not permit arcs, sparks or heat otherwise generated or liberated inside of the enclosure, to cause ignition of exterior accumulations or atmospheric suspensions of a specified dust on or in the vicinity of the enclosure. Equipment installed in Class II locations shall be able to function at full rating without developing surface temperatures high enough to cause excessive dehydration or gradual carbonization of any organic dust deposits that may occur. Dust which is carbonized or is excessively dry is highly susceptible to spontaneous ignition. In general, maximum surface temperatures under actual operating conditions shall not exceed 165°C. (329°F.) for equipment which is not subject to overheating, and 120°C. (248°F.) for equipment such as motors, power transformers, etc., which may be overloaded.

Equipment and wiring of the type defined in 87-100 as explosion-proof is not required in Class II locations, and may not be acceptable unless approved for such locations.

88-500.52. Transformers and Capacitors. The installation of transformers and capacitors shall conform to the following:

(a) Class II, Division 1. In Class II, Division 1 locations transformers and capacitors shall conform to the following:

(1) Containing a Liquid that Will Burn. Transformers and capacitors containing a liquid that will burn shall be installed only in approved vaults conforming to Sections 87-450.41 to 87-450.48 inclusive, and in addition (1) door or other openings communicating with the hazardous area shall have self-closing fire doors on both sides of the wall, and the doors shall be carefully fitted and provided with suitable seals (such as weather stripping) to minimize the entrance of dust into the vault. (2) Vent openings and ducts shall communicate only with the outside air, and (3) suitable pressure-relief openings communicating with the outside air shall be provided.

(2) Not Containing a Liquid that Will Burn. Transformers and Capacitors which do not contain a liquid that will burn shall (1) be installed in vaults conforming to Sections 87-450.41 to 87-450.48 inclusive, or (2) be approved as a complete assembly including terminal connections for Class II locations.

(3) Metal Dusts. No transformer or capacitor shall be installed in a location where dust from magnesium, aluminum, aluminum bronze powders, or other metals of similarly hazardous characteristics may be present.

(b) Class II, Division 2. In Class II, Division 2 locations, transformers and capacitors shall conform to the following:

(1) Containing a Liquid that Will Burn. Transformers and capacitors containing a liquid that will burn shall be installed in vaults conforming to Sections 87-450.41 to 87-450.48 inclusive.

(2) Containing Askarel. Transformers containing askarel and rated in excess of 25 kva shall (1) be provided with pressure-relief vents, (2) be provided with means for absorbing any gases generated by arcing inside the case, or the pressure-relief vents shall be connected to a chimney or flue which will carry such gases outside the building and (3) have an air space of not less than 6 inches between the transformer cases and any adjacent combustible material.

(3) Dry-Type Transformers. Dry-type transformers shall be installed in vaults or shall (1) have their windings and terminal connection enclosed in tight metal housings without ventilating or other openings, and (2) operate at voltages not exceeding 600 volts.

88-500.53. Surge-Protection, Class II, Divisions 1 and 2. In geographical locations where lightning disturbances are prevalent, wiring systems in Class II locations shall, when supplied from overhead supply systems, be suitably protected against high-voltage surges. This protection shall include suitable lightning protective devices, interconnection of all grounds, and surge-protective capacitors.

88-500.54. Wiring Methods. Wiring methods shall conform to the following:

(a) Class II, Division 1. In Class II, Division 1 locations, threaded rigid metal conduit or Type MI cable with termination fittings approved for the location shall be the wiring method employed. Type MI cable shall be installed and supported in a manner to avoid tensile stress at the termination fittings.

(1) Fittings and Boxes. Fittings and boxes shall be provided with threaded bosses for connection to conduit or cable terminations, shall have close fitting covers, and shall have no openings (such as holes for attachment screws) through which dust

might enter, or through which sparks or burning material might escape. Fittings and boxes in which taps, joints or terminal connections are made, or which are used in locations where dusts are of an electrically-conducting nature shall be dust-ignition-proof and approved for Class II locations.

(2) Flexible Connections. Where necessary to employ flexible connections, dust-tight flexible connectors, flexible metal conduit with approved fittings, or flexible cord approved for extra-hard usage and provided with bushed fittings shall be used, except that where dusts are of an electrically-conducting nature, flexible metal conduit shall not be used. Where flexible connections are subject to oil or other corrosive conditions, the insulation of the conductors shall be of a type approved for the conditions or shall be protected by means of a suitable sheath.

(b) Class II, Division 2. In Class II, Division 2 locations, rigid metal conduit, electrical metallic tubing or Type MI cable with approved termination fittings shall be the wiring method employed.

(1) Fittings and Boxes. Fittings and boxes in which taps, joints or terminal connections are made shall be designed to minimize the entrance of dust, and (1) shall be provided with telescoping or close fitting covers, or other effective means to prevent the escape of sparks or burning material, and (2) shall have no openings (such as holes for attachment screws) through which, after installation, sparks or burning material might escape, or through adjacent combustible material might be ignited.

(2) Flexible Connections. Where flexible connections are necessary, the provisions of Section 88-500.54(a)2 shall apply.

88-500.55. Sealing, Class II, Divisions 1 and 2. Where a raceway provides communication between an enclosure which is required to be dust-ignition-proof and one which is not, suitable means shall be provided to prevent the entrance of dust into the dust-ignition-proof enclosure through the raceway. This means may be (1) a permanent and effective seal, (2) a horizontal section not less than 10 feet long in the raceway, or (3) a vertical section of raceway not less than 5 feet long and extending downward from the dust-ignition-proof enclosure.

88-500.56. Switches, Circuit-breakers, Motor Controllers, and Fuses. Switches, circuit-breakers, motor controllers, and fuses shall conform to the following:

(a) Class II, Division 1. In Class II, Division 1 locations, switches, circuit-breakers, motor controllers and fuses shall conform to the following:

(1) Type Required. Switches, circuit-breakers, motor controllers and fuses, including push-buttons, relays and similar devices, which are intended to interrupt current in the normal performance of the function for which they are installed, or which are installed where dusts of an electrically-conducing nature may be present, shall be provided with dust-ignition-proof enclosures which, together with the enclosed apparatus in each case, shall be approved as a complete assembly for Class II locations.

This includes service and branch circuit fuses, switches and circuit-breakers, motor controllers (including push-buttons, pilot switches, relays, and motor overload protective devices), and switches, fuses and circuit-breakers for the control and protection of lighting and appliance circuits.

(2) Isolating Switches. Disconnecting and isolating switches containing no fuses and not intended to interrupt current, and which are not installed where dusts may be of an electrically conducting nature, shall be provided with tight metal enclosures which shall be designed to minimize the entrance of dust, and which shall (1) be equipped with telescoping or close fitting covers, or with other effective means to prevent the escape of sparks or burning material, and (2) have no openings (such as holes for attachment screws) through which, after installation, sparks or burning material might escape, or through which exterior accumulations of dust or adjacent combustible material might be ignited.

(3) Metal Dusts. In locations where dust from magnesium, aluminum, aluminum bronze powders, or other metals of similarly hazardous characteristics may be present, fuses, switches, motor controllers and circuit-breakers shall have enclosures specifically approved for such locations.

(b) Class II, Division 2. In Class II, Division 2 locations, enclosures for fuses, switches, circuit-breakers and motor controllers including push buttons, relays and similar devices, shall conform to the requirements of sub-paragraph a-2 of this section.

88-500.57. Control Transformers and Resistors. Transformers, solenoids, impedance coils and resistors used as or in conjunction with control equipment for motors, generators and appliances shall conform to the following:

(a) Class II, Division 1. In Class II, Division 1 locations, control transformers, solenoids, impedance coils and resistors, and any overcurrent devices or switching mechanisms associated with them shall have dust-ignition-proof enclosures approved for Class II locations. No control transformer, impedance coil or resistor shall be installed in a location where dust from magnesium, aluminum, aluminum bronze powders, or other metals of similarly hazardous characteristics may be present unless provided with an enclosure specifically approved for such locations.

(b) Class II, Division 2. In Class II, Division 2 locations, transformers and resistors shall conform to the following:

(1) Switching Mechanisms. Switching mechanisms (including overcurrent devices) associated with control transformers, solenoids, impedance coils and resistors, shall be provided with enclosures conforming to Section 88-500.56(a)2.

(2) Coils and Winding. Where not located in the same enclosure with switching mechanisms, control transformers, solenoids and impedance coils shall be provided with tight metal housings without ventilating openings.

(3) Resistors. Resistors and resistance devices shall have rust-ignition-proof enclosures approved for Class II locations.

88-500.58. Motors and Generators. Motors and generators shall conform to the following:

(a) Class II, Division 1. In Class II, Division 1 locations, motors generators and other rotating electrical machinery shall be totally-enclosed pipe ventilated, or totally-enclosed fan-cooled, and shall be approved as dust-ignition proof for Class II locations. Motors, generators or other rotating electrical machinery shall not be installed in locations where dust from magnesium, aluminum, aluminum bronze powders, or other metals of similarly hazardous characteristics may be present unless such machines are totally-enclosed, or totally-enclosed fan-cooled, and specifically approved for such locations.

(b) Class II, Division 2. In Class II, Division 2 locations, motors, generators and other rotating electrical machinery shall be dust ignition proof, totally enclosed not ventilated, total-enclosed pipe ventilated, totally-enclosed fan-cooled, except that in locations where in the judgment of the Bureau of Electrical Inspection, only moderate accumulation of non-conducting, non-abrasive dust are likely to occur, and where the equipment is readily accessible for routine cleaning and maintenance self-cleaning textile motors of the squirrel-cage type, standard open type machines without sliding contacts, centrifugal or other types of switching mechanism (including motor overcurrent devices), or integral resistance devices, or standard open type machines having such contacts, switching mechanisms or resistance devices and enclosed within tight metal housings without ventilating or other openings, may be installed. Motors, generators or other rotating electrical machinery of partially enclosed or splash-proof type shall not be installed in such locations.

88-500.59. Ventilating Piping. Vent pipes for motors, generators or other rotating electrical machinery, or for enclosures for electrical apparatus or equipment, shall be of metal not lighter than No. 24 USS gauge, or of equally substantial non-combustible material, and shall (1) lead directly to a source of clean air outside of buildings, (2) be screened at the outer ends to prevent the entrance of small animals or birds, (3) be protected against physical damage and against rusting or other corrosive influences. In addition, vent pipes shall conform to the following:

(a) Class II, Division 1. In Class II, Division 1 locations, vent pipes, including their connections to motors or to the dust-ignition proof enclosures for other equipment or apparatus, shall be dust-tight throughout their length. For metal pipes, seams and joints shall be (1) riveted (or bolted) and soldered, (2) welded, (3) rendered dust-tight by some other equally effective means.

(b) Class II, Division 2. In Class II, Division of 2 locations, vent pipes and their connections shall be sufficiently tight to prevent the entrance of appreciable quantities of dust into the ventilated equipment or enclosure, and to prevent the escape of sparks, flame or burning material which might ignite dust accumulations or combustible material in the vicinity. For metal pipes, lock seams and riveted or welded joints may be used, and tight-fitting slip joints may be used where some flexibility is necessary as at connections to motors.

88-500.60. Utilization Equipment, Fixed and Portable. Utilization equipment, fixed and portable shall conform to the following:

(a) Class II, Division 1. In Class II, Division 1 locations, utilization equipment, including electrically heated and motor-driven equipment, shall be dust-ignition-proof approved for Class II locations. Where dust from magnesium, aluminum bronze powders or other metals of similarly hazardous characteristics may be present, such equipment shall be specifically approved for such locations.

(b) Class II, Division 2. In Class II, Division 2, locations, utilization equipment, fixed and portable, shall conform to the following:

(1) Heaters, Electrically-heated utilization equipment shall be dust-ignition-proof approved for Class II locations.

(2) Motors. Motors of motor-driven utilization equipment shall conform to Section 88-500.58(b).

(3) Switches, Circuit-breakers and Fuses. Enclosures for switches, circuit-breakers, and fuses shall conform to Section 88-500.56(a)2.

(4) Transformers, Impedance Coils and Resistors. Transformers, solenoids, impedance coils and resistors shall conform to Section 88-500.57(b).

88-500.61. Lighting Fixtures. Lamps shall be installed in fixtures which conform to the following:

(a) Class II, Division 1. In Class II, Division 1 locations, lighting fixtures for fixed and portable lighting shall conform to the following:

(1) Approved Fixtures. Each fixture shall be dust-ignition-proof and approved for Class II locations, and shall be clearly marked to indicate the maximum wattage of the lamp for which it is approved. In locations where dust from magnesium, aluminum, aluminum bronze powders, or other metals of similarly hazardous characteristics may be present, fixtures for fixed or portable lighting, and all auxiliary equipment, shall be specifically approved for such locations.

(2) Mechanical Injury. Each fixture shall be protected against mechanical injury by a suitable guard or by location.

(3) Pendent Fixtures. Pendent fixtures shall be suspended by threaded rigid conduit stems, or by other approved means. For rigid stems longer than 12 inches, flexibility in the form of a fitting or a flexible connector approved for the purpose and for the location shall be provided not more than 12 inches from the point of attachment to the supporting box or fitting.

(4) Supports. Boxes, box assemblies or fittings used for the support of lighting fixtures shall be approved for the purpose and for Class II locations.

(b) Class II, Division 2. In Class II, Division 2 locations, lighting fixtures shall conform to the following:

(1) Portable Lamps. Portable lamps shall be dust-ignition-proof and approved for Class II locations. They shall be clearly marked to indicate the maximum wattage of lamps for which they are approved.

(2) Fixed Lighting. Lighting fixtures for fixed lighting, when not of a type approved for Class II locations, shall provide enclosures for lamps and lampholders which shall be designed to minimize the deposit of dust on lamps and to prevent the escape of sparks, burning material or hot metal. Each fixture shall be clearly marked to indicate the maximum wattage of lamp which may be used without exceeding a maximum exposed surface temperature of 165°C. (329°F.) under normal conditions of use.

(3) Physical Damage. Lighting fixtures for fixed lighting shall be protected from physical damage by suitable guards or by location.

(4) Pendent Fixtures. Pendent fixtures shall be suspended by threaded rigid conduit stems or by other approved means. For rigid stems longer than 12 inches, flexibility in the form of a fitting or a flexible connector approved for the purpose shall be provided not more than 12 inches from the point of attachment to the supporting box or fitting.

(5) Supports. Boxes, box assemblies and fittings used for the support of lighting fixtures shall be approved for Class II locations.

(6) Electric Discharge Lamps. Starting and control equipment for mercury vapor and fluorescent lamps shall conform to the requirements of paragraph (b) of 88-550.57.

88-500.62. Flexible Cords, Class II, Divisions 1 and 2. Flexible cords used in Class II locations shall (1) be of a type approved for extra hard usage, (2) contain, in addition to the conductors of the circuit, a grounding conductor conforming to Section 88-94003, (3) be connected to terminals or to supply conductors in an approved manner, (4) be supported by clamps or by other suitable means in such a manner that there will be no tension on the terminal connections, and (5) be provided with suitable seals to prevent the entrance of dust where the flexible cord enters boxes or fittings which are required to be dust-ignition-proof or dust-tight and (6) may be used only on portable utilization equipment or portable appliances.

88-500.63. Receptacles and Attachment Plugs.

(a) Class II, Division 1. In Class II, Division 1 locations, receptacles and attachment plugs shall be of the type providing for connection to the grounding conductor of the flexible cord, and shall be dust-ignition-proof approved for Class II locations.

(b) Class II, Division 2. In Class II, Division 2 locations, receptacles and attachment plugs shall be of the type providing for connection to the grounding conductor of the flexible cords and shall be so designed that connection to the supply circuit cannot be made or broken while live parts are exposed.

88-500.64. Signal, Alarm, Remote-Control, and Local Loudspeaker Inter-Communication Systems. Signal, alarm, remote-control, and local loudspeaker inter-communication systems shall conform to the following:

(a) Class II, Division 1. In Class II, Division 1 locations, signal, alarm, remote control and communications systems, irrespective of voltage, shall be approved for the location and shall conform to the following:

(1) Wiring Method. Where accidental damage or breakdown of insulation might cause arcs, sparks or high temperatures, rigid metal conduit, electrical metallic tubing, or Type MI Cable with approved termination fittings shall be the wiring method employed. For conduit or electrical metallic tubing, the number of conductors shall be limited only by the requirement that the cross-sectional area of all conductors shall not exceed 40% of the area of the raceway.

(2) Contacts. Switches, circuit-breakers, relays, contactors and fuses which may interrupt other than voice currents, and current-breaking contacts for bells, horns, howlers, sirens and other devices in which sparks or arcs may be produced, shall be provided with enclosures approved for the location, unless current-breaking contacts are immersed in oil, or unless the interruption of current occurs within a chamber sealed against the entrance of dust, in which case enclosures may be of general purpose type.

(3) Resistors and Similar Equipment. Resistors, transformers, and choke coils which may carry other than voice currents, and rectifiers, thermionic tubes and other heat generating equipment or apparatus shall be provided with dust-ignition-proof enclosures approved for Class II locations.

(4) Rotating Machinery. Motors, generators and other rotating electrical machinery shall conform to Section 88-500.58(a).

(5) Electrical Conducting Dusts. Where dusts are of an electrically-conducting nature, all wiring and equipment shall be approved for Class II locations.

(6) Metal Dusts. Where dust from magnesium, aluminum, aluminum bronze powders, or other metals of similarly hazardous characteristics may be present, all apparatus and equipment shall be specifically approved for such conditions.

(b) Class II, Division 2. In Class II, Division 2 locations, signal, alarm remote-control and local loudspeaker inter-communication systems shall conform to the following:

(1) Wiring Method. Where accidental damage or breakdown of insulation might cause arcs, sparks or high temperatures, rigid metal conduit, electrical metallic tubing, or Type MI cable with approved termination fittings shall be the wiring method employed. For conduit or electric metallic tubings, the number of conductors shall be limited only by the requirement that the cross-sectional area of all conductors shall not exceed 40% of the area of the raceway.

(2) Contacts. Enclosures shall conform to Section 88-500.64(a)2 or contacts shall have tight metal enclosures designed to minimize the entrance of dust, and shall have telescoping or tight fitting covers and no openings through which, after installation, sparks or burning material might escape.

(3) Transformers and Similar Equipment. The windings and terminal connections of transformers and choke coils shall be provided with tight metal enclosures without ventilating openings.

(4) Resistors and Similar Equipment. Resistors, resistance devices, thermionic tubes, and rectifiers shall conform to Section 88-500.64(a)3 except that enclosures for thermionic tubes, non-adjustable resistors or rectifiers for which maximum operating temperature will not exceed 120°C. (248°F.) may be of general purpose type.

(5) Rotating machinery. Motors, generators and other rotating electrical machinery shall conform to Section 88-500.58(b).

88-500.65. Live Parts, Class II, Division 1 and 2. There shall be no exposed live parts.

88-500.66. Grounding, Class II Divisions 1 and 2. Wiring and equipment shall be grounded in conformity with the following:

(a) Exposed Parts. The exposed non-current-carrying metal parts of equipment such as the frames or metal exteriors of motors, fixed or portable lamps or other utilization equipment, lighting fixtures, cabinets, cases and conduit, shall be grounded as specified in Section 87-250 of this Code.

(b) Bonding. The locknut-bushing and double-locknut types of contact shall not be depended upon for bonding purposes, but bonding jumpers with proper fittings or other approved means shall be used. Where flexible conduit is used as permitted in Section 88-500.54, bonding jumpers with proper fittings shall be provided around such conduit.

(c) Lightning Protection. Each ungrounded service conductor of a wiring system in a Class II location, when supplies from an ungrounded overhead electrical supply system in an area where lightning disturbances are prevalent, shall be protected by a lightning protective device of proper type. Lighting protective devices shall be connected to the service conductors on the supply side of the service disconnecting means, and shall be bonded to the raceway system at the service entrance.

(d) Grounded Service Conductor Bonded to Raceway. Wiring in a Class II location, when supplied from a grounded alternating-current supply system in which a grounded conductor is a part of the service, shall have the grounded service conductor bonded to the raceway system and to the grounding conductor for the raceway system. The bonding connection to the grounded service conductor shall be made on the supply side of the service disconnecting means.

(e) Transformer Ground Bonded to Raceway. Wiring in a Class II location, where supplied from a grounded alternating-current supply system in which no grounded conductor is a part of the service, shall be provided with a metallic connection between the supply system ground and the raceway system at the service entrance. The metallic connection shall have a current-carrying capacity not less than 1/5 that of the service conductors, and shall in no case be smaller than No. 10 when of soft copper, or No. 12 when of medium or hard-drawn copper.

(f) Multiple Grounds. Where, in the application of Section 87-250.21, it is necessary to abandon one or more grounding connections to avoid objectionable passage of current over the grounding conductors, the connection required in paragraphs (d) or (e) of this Section shall not be abandoned while any other grounding connection remains connected to the supply system.

### CLASS III INSTALLATIONS

### *Hazardous Locations*

88-500.71. General. The general rules of this Code shall apply to the installation of electrical wiring and apparatus in locations classified as Class III under Section 88-500.6 as modified by this Article. Equipment installed in Class III locations shall be able to function at full rating without developing surface temperatures high enough to cause excessive dehydration or gradual carbonization of accumulated fibers or flyings. Organic material which is carbonized or is excessively dry is highly susceptible to spontaneous ignition. In general, maximum surface temperatures under actual operating conditions shall not exceed 165°C. (329°F.) for equipment which is not subject to overloading, and 120°C. (248°F.) for equipment such as motors, power transformers, etc., which may be overloaded.

88-500.72. Transformers and Capacitors, Class III, Divisions 1 and 2. Transformers and capacitors shall conform to Section 88-500.52(b).

88-500.73. Wiring Methods. Wiring methods shall conform to the following:

(a) Class III, Division 1. In Class III, Division 1 locations, rigid metal conduit or Type MI cable shall be the wiring method employed.

(1) Boxes and Fittings. Fittings and boxes in which taps, joints or terminal connections are made shall (1) be provided with telescoping or close fitting covers, or other effective means to prevent the escape of sparks or burning material, and (2) shall no openings, (such as holes for attachment screws) through which, after installation, sparks or burning material might escape, or through which adjacent combustible material be ignited.

(2) Flexible Connections. Where flexible connections are necessary the provisions of Section 88-500.54(a)2 apply.

(b) Class III, Division 2. In Class III, Division 2 locations, the wiring method shall conform to paragraph (a) of this section.

88-500.74. Switches, Circuit-breakers, Motor Controllers and Fuses. Class II, Divisions 1 and 2. Switches, circuit breakers, motor controllers and fuses shall conform to paragraph (a) of Section 88-500.56.

88-500.75. Control transformers and Resistors, Class III, Divisions 1 and 2.

Transformers, impedance coils and resitors used as or in conjunction with control equipment for motors, generators and appliances, shall conform to paragraph (a) of 88-500.57.

88-500.76. Motors and Generators. Motors and generators shall conform to the following:

(a) Class III, Division 1. In Class III, Division 1 locations, motors, generators, and other rotating electrical machinery shall be totally-enclosed not ventilated, totally-enclosed pipe ventilated, or totally-enclosed fan-cooled, except that in locations where, in the judgement of the bureau of electrical inspection only moderate accumulations of lint and flyings will be likely to collect on, in, or in the vicinity of a rotating electrical machine and where such machine is readily accessible for routine cleaning and maintenance; self-cleaning textile motors of the squirrel-cage type, standard open type machines without sliding contacts, centrifugal or other types of switching mechanism (including motor overload devices); or standard open type machines having such contacts, switching mechanisms or resistance devices enclosed within tight metal housings without ventilating or other openings, may be installed.

(b) Class III, Division 2. In Class III, Division 2 locations, motors, generators, and other rotating electrical machinery shall be totally-enclosed not ventilated, totally-enclosed pipe ventilated, or totally-enclosed fan-cooled.

(c) Partially Enclosed Type, Class III, Divisions 1 and 2. Motors, generators or other rotating electrical machinery of the partially enclosed or splash-proof type shall not be installed in Class III locations.

88-500.77. Ventilating Piping, Class III, Divisions 1 and 2. Vent pipes for motors, generators or other rotating electrical machinery, or for enclosures for electrical apparatus or equipment, shall be of metal not lighter than No. 24 USS gauge, or of equally substantial noncombustible material, and shall (1) lead directly to a source of clean air outside of buildings, (2) be screened at the outer ends to prevent the entrance of small animals or birds, (3) be protected against physical damage and against rusting or other corrosive influences, and (4) vent pipes and their connections shall be sufficiently tight to prevent the entrance of appreciable quantities of fibers or flyings into the ventilated equipment or enclosure, and to prevent the escape of sparks, flame or burning material which might ignite occumulations of fibers or floyings or combustible material in the vicinity. For metal pipes, lock seams and riveted or welded joints may be used, and tight fittting slip joints may be used where some flexibility is necessary as at connections to motors.

88-500.78. Utilization Equipment, Fixed and Portable, Class III, Divisions 1 and 2. Utilization equipment shall conform to the following:

(a) Heaters. Electrically heated utilization equipment shall be approved for Class III locations.

(b) Motors. Motors of motor-driven utilization equipment shall conform to Section 88-500.76. Utilization equipment which may be readily moved from one location to another should conform to requirements for the most hazardous location.

(c) Switches, Circuit-Breakers, Motor Controllers and Fuses. Switches, circuit-breakers, motor controllers and fuses shall conform to Section 88-500.56.

88-500.79 Lighting Fixtures, Class III, Divisisons 1 and 2. Lamps shall be installed in fixtures which shall conform to the following:

(a) Fixed Lighting. Lighting fixtures for fixed lighting shall provide enclosures for lamps and lampholders which shall be designed to minimize entrance of fibers and floyings, and to prevent the escape of sparks, burning material or hot metal. Each fixture shall be clearly marked to indicate the maximum wattage of lamp which may be used without exceeding a maximum exposed surface temperature of 165°C. (329°F.) under normal conditions of use.

(b) Physical Damage. A fixture which may be exposed to physical damage shall be protected by a suitable guard.

(c) Pendent Fixtures. Pendent fixtures shall be suspended by stems of rigid conduit or threaded metal tubing of equivalent thickness. For stems longer than 12″, flexibility in the form of a fitting or a flexible connector approved for the purpose shall be provided not more than 12" from the point of attachment to the supporting box or fitting.

(d) Supports. Boxes, box assemblies, or fittings used for the support of lighting fixtures shall be of a type approved for the purpose.

(e) Portable Lamps. Portable lamps shall be equipped with handles and protected with substantial guards, and lampholders shall be of unswitched type with no exposed metal parts and without provision for receiving attachment plugs. In all other respects, portable lamps shall conform to Section 88-500.79 (a).

88-500.80. Flexible Cords, Class III, Divisions 1 and 2. Flexible cords shall conform to Section 88-500.62.

88-500.81. Receptacles and Attachment Plugs, Class III, Divisions 1 and 2. Receptacles and attachment plugs shall conform to Section 88-500.63.

88-500.82 Signal, Alarm, Remote-Control and Local Loudspeaker Intercommunication Systems, Class III, Divisions 1 and 2. Signal, alarm remote-control and local loudspeaker intercommunication systems shall conform to Section 88-500.64.

88-500.83 Electric Cranes and Hoists, and Similar Equipment, Class III, Divisions 1 and 2. Electric cranes may be installed under the following conditions:

(a) Electric Cranes operating over combustible fibers shall not be operated on a system with a grounded conductor. Feeders for electric cranes shall be furnished with a recording ground detector, and protected by a relay which will automatically open the feeder circuit breaker in the event of the insulation of the system falling below 1000 ohms.

(b) Contact conductors shall be so located or guarded as to be inaccessible to other than authorized persons, and shall be protected against accidental contact with foreign objects.

(c) Current collectors shall be arranged or guarded to confine normal sparking and to prevent escape of sparks or hot particles. To reduce sparking, two or more separate surfaces of contact shall be provided for each contact conductor. Reliable means shall be provided to keep contact conductors and current collectors free of accumulations of lint or flyings.

(d) Control equipment shall conform to Sections 88-500.74 and 88-500.75.

It is recommended that where distance of travel permits, current to the crane be supplied through flexible cord approved for extra hard usage and equipped with approved type of reel or takeup device.

88-500.84. Electric Trucks. Electric trucks shall conform to the following:

(a) Class III, Division 1. Electric trucks shall not be used in Class III, Division 1 locations.

(b) Class III, Division 2. In Class III, Division 2 locations, electric trucks shall have wheels equipped with rubber tires or made of 'non-conducting material. Electric trucks shall have their batteries charged only in rooms meeting the requirements of 88-500.85.

88-500.85. Storage-Battery Charging Equipment, Class III, Divisions 1 and 2. Storage battery charging equipment shall be located in separate rooms built or lined with substantial non-combustible materials so constructed as to adequately exclude flyings or lint, and shall be well ventilated.

88-500.86. Live Parts, Class III, Divisions 1 and 2. There shall be no exposed live parts except as provided in 88-500.83.

88-500.87. Grounding, Class III, Divisions 1 and 2. Wiring and equipment shall be grounded in conformity with 88-500.66.

SECTION 139. That Section 88-510 of the Municipal Code of Chicago is amended so as to read as follows:

"88-510. Commercial, Repair and Storage Garages."

SECTION 140. That Section 88-510.2 of the Municipal Code of Chicago is amended by adding thereto the following:

"Where unusual conditions exist in a specific occupancy, the Bureau of Electrical Inspection shall judge with respect to the application of specific rules."

SECTION 141. That Section 88-510.3 of the Municipal Code of Chicago is amended so as to read as follows:

"88-510.3 Types of Equipment. Equipment which tends to produce arcs or sparks, such as cutouts, switches, receptacles, lampholders, charging panels, generators, motors, or other equipment having make and break or sliding contacts, when located with 18" of the floor, shall be of a type specifically approved for Class I, Division 1 locations as defined in 88-500 of this code. Equipment which may produce temperatures which may cause ignition of such fuels and gases, when located within 18″ of the floor, shall be of a type approved for use in Class I, Division 1 locations as defined in 88-500 of this Code. Pits and depressions below floor level shall be considered Class I, Division 1 up to the floor level.

(a). Equipment above Class I, Division 2 Hazardous Areas. Equipment which is located less than 12' above the floor and which may tend to produce arcs or sparks or particles of hot metal shall be of the totally enclosed type or shall be equipped with suitable guards or screens to prevent the escape of such sparks or hot metal particles.

(b). Showrooms and Switchboard Rooms. Equipment located in a room suitably separated from the hazardous area or enclosed in an enclosure specifically approved for the purpose need not conform to the requirements of this section."

SECTION 142. That Section 88-510.6 of the Municipal Code of Chicago is amended so as to read as follows:

"88-510.6. Cords for Pendants. For pendants, flexible cords suitable for the type of service and approved for hard usage shall be used."

SECTION 143. That Section 88-510.7 of the Municipal Code of Chicago is amended so as to read as follows:

"88-510.7. Cord for Portables. For the connection of portable appliances or equipment, flexible cords suitable for the type of service and approved for extra hard usage shall be used."

SECTION 144. That Section 88-510.9 of the Municipal Code of Chicago is amended so as to read as follows:

"88-510.9. Portable Lampholders Used in Pits. Portable lampholders used in pits or depressions shall be approved for use in Class I, Division 1 locations."

SECTION 145. That Chaper 88 of the Municipal Code is amended by adding thereto the following:

"88-510.13. Battery Charging Equipment. Battery Chargers and control equipment shall be located at least 18" above the floor. Tables, racks, trays, and wiring methods shall in addition conform to the provisions of 87-480.

88-510.14. Electric Vehicle Charging. Equipment for electric vehicle charging shall conform to the following:

(a) Type of Cord. Type S, SO, or ST cord shall be used for charging purposes.

(b) Connector Rating. Connectors shall be at least 50 amperes capacity.

(c) Connectors. Connectors shall be so designed and so installed that they will break apart readily at any position of the charging cable. Live parts shall be guarded from accidental contact. Where plugs for direct connection to vehicles are suspended from overhead, the cord shall be arranged so that the lowest point of sag is at least six inches from the floor. Where the vehicle is equipped with an approved plug which will readily pull apart and is arranged to automatically pull both cord and plug out of the way so as not to be subject to mechanical injury, no additional connector need be placed in the cable or at the outlet."

SECTION 146 That Section 88-510.21 of the Municipal Code of Chicago is amended to read as follows:

"88-510.21. *Residential Storage Garages*

(a) Definition. A residential storage garage is a building or a room in which not more than three selfpropelled vehicles in which volatile flammable liquids or flammable gases are used for fuel or power such as passenger automobiles, buses, trucks, tractors, etc., are or may be stored but which will not normally be used for other than minor service or repair operations on such stored vehicles.

(b) At or Above Grade. Where the lowest floor is at or above adjacent ground or driveway level, and where there is at least one outside door at or below floor level, the garage area shall not be classed as a hazardous location.

(c) Below Grade. Where the lowest floor is below adjacent ground or driveway level, the following shall apply:

(1) The entire area of the garage or of any enclosed space which includes the garage shall be classified as a Class I, Division 2 location up to a level 18 inches above the garage floor. All electrical equipment and wiring within such hazardous location shall conform to applicable provision of Section 88-500.11.

2. Wiring and equipment above the defined hazardous location shall conform to the requirements of this Code for non-hazardous locations.

3. Adjacent areas in which hazardous vapors or gasses are not likely to be relased, and having floors elevated at least 18 inches above the garage floor or separated therefrom by tight curbs or partitions at least 18 inches high, shall not be classed as hazardous.

SECTION 147. That Section 88-510.31 of the Municipal Code of Chicago is amended so as to read as follows:

"88-510.31. *Aircraft Hangars*

(a) Definition. This occupancy shall include locations used for storage or servicing of aircraft in which gasoline, jet fuels, or other volatile flammable liquids, or flammable gases, are used, but shall not include such locations when used exclusively for aircraft which have never contained such liquids or gases, or which have been drained and properly purged.

(b) Hazardous Areas. Classification under Article 500.

(1) Any pit or depression below the level of the hangar floor shall be considered to be a Class I, Division 1 location which shall extend up to said floor level.

(2) The entire area of the hangar including any adjacent and communicating areas not suitably cut off from the hangar shall be considered to be a Class I, Division 2 location up to a level 18 inches above the floor.

(3) The area within 5 feet horizontally from aircraft power plants, aircraft fuel tanks or aircraft structures containing fuel shall be considered to be a Class I, Division 2 hazardous location which shall extend upward from the floor to a level 5 feet above the upper surface of wings and of engine enclosures.

(4) Adjacent areas in which hazardous vapors are not likely to be released such as stock rooms, electrical control rooms, and other similar locations, should not be classed as hazardous when adequately ventilated and when effectively cut off from the hangar itself by walls or partitions.

(c) Wiring and Equipment in Hazardous Areas. All fixed and portable wiring and equipment which is or may be installed or operated within any of the hazardous locations defined in Section 88-510.31 (B) shall conform to applicable provisions of Section 88-511. All wiring installed in or under the hangar floor shall conform to the requirements for Class I, Division 1. When such wiring is located in vaults, pits, or ducts, adequate drainage shall be provided and the wiring shall not be placed within the same compartment with any other service except piped compressed air

(d) Wiring Not Within Hazardous Areas.

(1) All fixed wiring in a hangar, but not within a hazardous area as defined in Section 88-510.31 (B) shall be installed in metallic raceways or shall be Type MI or Type ALS cable, except that wiring in non-hazardous locations as defined in Paragraph 88-510.31(B4) may be of any type recognized in Section 87-300 of this Code.

(2) For pendants, flexible cord suitable for the type of service and approved for hard usage shall be used. Each such cord shall include a separate grounding conductor.

(3) For portable utilization equipment and lamps, flexible cord suitable for the type of service and approved for extra hard usage shall be used. Each such cord shall include a separate grounding conductor.

(4) Where a circuit which supplies portables or pendants includes an identified grounded conductor as provided in Section 87-200, receptables, attachment plugs, connectors, and similar devices shall be of polarized type, and the identified conductor of the flexible cord shall be connected to the screw shell of any lampholder or to the identified terminal of any utilization equipment supplied. Acceptable means shall be provided for maintaining continuity of the grounding conductor between the fixed raceways system and the non-current-

carrying metallic portions of pendant fixtures, portable lamps, and portable utilization equipment.

(e) Equipment Not Within Hazardous Areas.

(1) In locations other than those described in Section 88-510.31 (B), equipment which is less than 10 feet above wings and engine enclosures of aircrafts and which may product arcs, sparks or particles of hot metal, such as lamps and lampholders for fixed lighting, cutouts, switches, receptacles, charging panels, generators, motors, or other equipment having make and break or sliding contacts, shall be of totally enclosed type or shall be provided with suitable guards or screens to prevent escape of sparks or hot metal particles, except that equipment in areas described in Section 88-510.31 (B4) may be of general purpose type.

(2) Lampholders of metal shall, fiber-lined types shall not be used for fixed incandescent lighting.

(3) Portable lamps which are or may be used within a hangar shall be approved for Class I locations.

(4) Portable utilization equipment which is or may be used within a hangar shall be of a type suitable for use in Class I, Division 2 locations.

(f) Stanchions Rostrums and Docks.

(1) Electric wiring, outlets and equipment (including lamps) on or attached to stanchions, rostrums or docks which are located or likely to be located in a hazardous area as defined in Section 88-510.31 (B3) shall conform to the requirements for Class I, Division 2 locations.

(2) Where stanchions, rostrums, or docks are not located or likely to be located in a hazardous area as defined in Section 88-510.31 (B3), wiring and equipment shall conform to Sections 88-510.31 (D) & (E), except that such wiring and equipment not more than 18 inches above the floor in any position shall conform to Section 88-510.31 (F).

Receptacles and attachment plugs shall be of locking type which will not break apart readily.

(3) Mobile stanchions with electrical equipment conforming to Section 88-510.31(F2) shall carry at least one permanently affixed warning sign to read: "Warning—Keep 5 Feet Clear of Aircraft Engine and Fuel Tank Areas."

(g) Sealing. Approved seales shall be provided in conformance with Section 88-500.15 and shall apply to horizontal as well as to vertical boundaries of the defined hazardous areas. Raceways embedded in a masonry floor or buried beneath a floor shall be considered to be within the hazardous area above the floor when any connection or extensions lead into or through such area.

(h) Aircraft Electrical Systems. Aircraft electrical systems should be de-energized when the aircraft is stored in a hangar, and, whenever possible, while the aircraft is undergoing maintenance.

(i) Aircraft — Battery — Charging and Equipment.

(1) Aircraft batteries should not be charged when installed in an aircraft located inside or partially inside a hangar.

(2) Battery chargers and their control equipment shall not be located or operated within any of the hazardous areas defined in Section 88-510.31 (B), and should preferably be located in a separate building or in an area such as described in Section 88-510.31(B4). Mobile chargers shall carry at least one permanently affixed warning sign to read: "Warning—Keep 5 Feet Clear of Aircraft Engines and Fuel Tank Areas." Tables, racks, trays, and wiring shall not be located within a hazardous area, and shall, in addition, conform to the provisions of Section 87-480.

(j) Energizing Aircraft from External Power Sources.

(1) Aircraft energizers shall be so designed and mounted that all electrical equipment and fixed wiring will be at least 18 inches above floor level and shall not be operated in a hazardous area as defined in Section 88-510.31(B3).

(2) Mobile energizers shall carry at least one permanently affixed warning sign to read: "Warning—Keep 5 Feet Clear of Aircraft Engines and Fuel Tank Areas."

(3) Aircraft energizers should be equipped with polarized external power plugs and should have automatic controls to isolate the ground power unit electrically from the aircraft in case excessive voltage is generated by the ground power unit.

(k) Mobile Servicing Equipment with Electrical Components.

(1) Mobile servicing equipment (such as vacuum cleaners, air compressors, air movers, etc.) having electrical wiring and equipment not suitable for Class I, Division 2 locations shall be so designed and mounted that all such fixed wiring and equipment will be at least 18 inches above the floor. Such mobile equipment shall not be operated within the hazardous areas defined in Section 88-510.31 (B3) and shall carry at least one permanently affixed warning sign to read: "Warning—Keep 5 Feet Clear of Aircraft Engines and Fuel Tank Areas."

(2) Flexible cords for mobile equipment shall be suitable for the type of service and approved for extra hard usage and shall include a grounding conductor. Attachment plugs and receptacles shall be approved for the location in which they are installed, and shall provide for connection of the grounding conductor to the raceway system.

(3) Equipment not of a type suitable for Class I, Division 2 locations should not be operated in areas where maintenance operations likely to release hazardous vapors are in progress.

(1) Grounding. All metallic raceways, and all non-current-carrying metallic portions of fixed or portable equipment, regardless of voltage, shall be grounded as provided in Section 87-250."

SECTION 148. That Chapter 88 of the Municipal Code of Chicago is amended by deleting therefrom:

"Sections 88-510.32 and 88-510.33".

SECTION 149. That Section 88-510.41(a) of the Municipal Code of Chicago is amended to read as follows:

"(a) Lubritorium Service and Repair Rooms. All wiring below 18″ of the main Level shall comply with the provisions of Class I, Division 2, of 88-500 of this code, except that where there is wiring installed in a pit below the lubritorium, service or repair room floor, such wiring shall comply with the provisions of Class I, Division 1 of this code. All other wiring in these rooms shall comply with the provisions of 88-510.3.

All conduits which enter or leave a Class I area shall be sealed in such a manner that there is no box, fitting or coupling between the seal and the point where the conduit leaves the Class I area. Seals shall be installed as close as is physically possible to the point of entering or leaving the Class I hazardous area. All conductors enclosed in such conduits shall be of a type approved for exposure to gasoline vapors or gasoline.

(b) Other Locations, Office, salesroom, compressor rooms, and other similar areas which are suitably cut off from the lubritorium, service or repair rooms, shall be wired to comply with the provisions of 87-300."

SECTION 150. That Section 88-510.42-1 of the Municipal Code of Chicago is amended by: renumbering said section "88-510.42".

and is further amended to read as follows:

"88-510.42. Exterior Wiring. Generally there are two main sources of hazard on the exterior of gasoline dispensing stations:

(1) the dispensing pumps and (2) the tank fill and vent pipes.

(a) The hazardous area around dispensing pumps extends vertically to a height of four (4) feet over the entire island measured from the main driveway and horizontally eighteen (18) inches from the island, and from that point a distance of twenty (20) feet horizontally, eighteen (18) inches above the main driveway level. If there is no island, the hazardous area around dispensing pumps shall extend to a distance of three (3) feet horizontally from the pump housing, four (4) feet above the main driveway level, and from that point a distance of twenty (20) feet in all directions eighteen inches above the main driveway level. If there are two or more pumps grouped as they would be on an island, but mounted on ground level, all the area between such pumps shall be construed as being over an island and shall be considered as hazardous to a height of four feet. All the ground below the areas defined above shall be considered as hazardous and any conduit passing through it shall comply with all the requirements of this section and section 88-510.43.

(b) The hazardous area around tank vent and fill pipes extends vertically to a height of 18 inches above surrounding ground level and horizontally in all directions a distance of 20 feet. The ground below this area is considered to be part of the hazardous area, and any conduit passing through it shall comply to the requirements of this section and section 88-510.43. In cases where the vent pipes extends above ground the hazardous area extends 18 inches horizontally in all directions from the aperture of the vent and down to 18 inches above the surrounding ground level and thence horizontally in all directions to a distance of 20 feet. All electrical equipment in or below this area shall conform to all applicable sections.

SECTION 151. That Section 88-510.43-1 of the Municipal Code of Chicago is amended by:

Renumbering the Section "88-510.43";
and is further amended so that sub-section "(d)" thereof reads as follows:

"(d) All circuits which enter or pass through equipment, junction boxes or dispensing pumps on any island or between grouped pumps where there is no island shall be controlled by a switch or switches having a disconnecting pole in all conductors including the grounded neutral, if any. Switches shall open all conductors simultaneously.";
and is further amended so that sub-section "(e)" thereof reads as follows:

"(e) Seals shall be placed in conduits feeding poles, standards, signs and similar equipment, at the point where the conduit enters or leaves the hazardous area or in such a manner that there is no box, fitting or coupling between the seal and the point at which the conduit leaves the hazardous area. Seals shall be properly installed and filled and shall be accessible for inspection after installation."

SECTION 152. That Section 88-510.51 of the Municipal Code of Chicago is amended to read as follows:

"88-510.51 Bulk-Storage Plants

(A) Definition. This designation shall include locations where gasoline or other volatile flammable liquids are stored in tanks having an aggregate capacity of one carload or more, and from which such products are distributed (usually by tank truck).

(B) Hazardous Areas.

(1) Pumps, Bleeders, Withdrawal Fittings, Meters and Similar Devices

(a) Adequately ventilated indoor areas containing pumps, bleeders, withdrawal fittings, meters and similar devices which are located in pipe lines handling flammable liquids under pressure shall be considered as Class I, Division 2 locations within a 5 foot distance extending in all directions from the exterior surface of such devices. The Class I, Division 2 location shall also extend 25 feet horizontally from any surface of these devices and extend upward to 3 feet above floor or grade level. See Flammable Liquids Code, NFPA No, 30 for discussion of factors influencing adequacy of ventilation required to prevent formation of hazardous vapor-air mixtures.

(b) Inadequately ventilated indoor areas containing pumps, bleeders, withdrawal fittings, meters and similar devices which are located in pipe lines handling flammable liquids under pressure shall be considered as Class I, Division 1 location within a 5 foot distance extending in all directions from the exterior surface of such devices. The Class I, Division 1 location shall also extend 25 feet horizontally from any surface of the devices and extend upward to 3 feet above floor or grade level.

(c) Outdoor areas containing pumps, bleeders, withdrawal fittings, meters and similar devices which are located in pipe lines handling flammable liquids under pressure shall be considered a Class I, Division 2 locations within a 3 foot distance extending in all directions from the exterior surface of such devices. The Class I, Division 2 location shall also extend up to 18 inches above grade level within 10 feet horizontally from any surface of the devices.

(2) Transfer of Flammable Liquids to Individual Containers.

(a) In outdoor areas or where positive and reliable mechanical ventilation is provided in indoor areas in which flammable liquids are transferred to individual containers, such areas shall be considered to be a Class I, Division 1 location within 3 feet of the vent or fill opening extending in all directions and a Class I, Division 2 location within the area extending between a 3 foot and 5 foot radius from the vent or fill opening extending in all directions, and including the area within a horizontal radius of 10 feet from the vent or fill opening and extending to a height of 18 inches above floor or grade levels.

(See Flammable Liquids Code, NEPA No. 30 for discussion of factors influencing adequacy and reliability of mechancial ventilation required to prevent formation of hazardous vapor-air fixtures.)

(b) When positive and reliable mechanical ventilation is not provided in indoor areas in which flammable liquids are transferred to individual containers, such areas shall be considered to be a Class I, Division 1 location.

(3) Loading and Unloading of Tank Vehicles and Tank Cars in Outside Locations.

(a) The area extending 3 feet in all directions from the dome when loading through an open dome or from the vent when loading through a closed dome with atmospheric venting shall be considered a Class I, Division 1 location.

(b) The area extending between a 3 foot and 5 foot radius from the dome when loading through an open dome or from the vent when loading through a closed dome with atmospheric venting shall be considered a Class I, Division 2 location.

(c) The area extending within 3 feet in all directions from a fixed connection used in bottom loading or unloading, loading through a closed dome with atmospheric venting, or loading through a closed dome with a vapor recovery system, shall be considered a Class I, Division 2 location. In the case of bottom loading or unloading this classification shall also be applied to the area within a 10 foot radius from point of connection and extending 18 inches above grade.

In deciding upon extent of hazardous area, consideration should be given to the total area within such loading and unloading operation may occur such as racks, platforms, driveways, etc.

(4) Aboveground tanks.

(a) The area above the roof and within the shell of a floating roof type tank shall be considered a Class I, Division 1 location.

(b) For all types of aboveground tanks the area within 10 feet from the shell, ends and roof of other than a floating roof shall be considered a Class I, Division 2 location. Where dikes are provided the area inside the dike within 25 feet of the tank and extending upward to the top of the dike shall be considered to be a Class I, Division 2 location.

(c) The area within 5 feet of a vent opening and extending in all directions shall be considered a Class I, Division 1 location.

(d) The area between 5 and 10 feet of a vent opening and extending in all directions shall be considered a Class I, Division 2 location.

(5) Pits.

(a) Any pit or depression, any part of which lies within a Division 1 or Division 2 location as defined herein, shall be considered a Class I, Division 1 location unless provided with positive and reliable mechanical ventilation.

(b) Any such areas when provided with positive and reliable mechanical ventilation shall be considered a Class I, Division 2 location.

(See Flammable Liquids Code, NFPA No. 30 for discussion of factors pertaining to positive and reliable mechanical ventilation required to prevent formulation of hazardous vapor-air-mixtures.)

(c) Any pit or depression not within a Division 1 or Division 2 location as defined herein, but which contains piping, valves or fittings shall be classified as a Class I. Division 2 location.

(6) Storage and Repair Garages for Tank Vehicles shall be considered to be a Class I, Division 2 location up to 18 inches above floor or grade level unless in the judgment of the Bureau of Electric Inspection, conditions warrant more severe classification or a greater extent of the hazardous area.

(7) Office Buildings. Boiler Rooms and Other Similar Locations which are outside the limits of hazardous areas as defined herein, and which are not used for handling or storage of volatile flammable liquids or containers for such liquids, shall not be considered to be hazardous locations.

(C) Wiring and Equipment within Hazardous Aeas. All electrical wiring and equipment within the hazardous areas defined in Section 88-510.51 (b) shall conform to applicable provisions of Section 88-500.11.

(D) Wiring and Equipment above Hazardous Areas. All fixed wiring above hazardous areas shall be in metallic raceways or shall be Type MI cable. Fixed equipment which may produce arcs, sparks or particles of hot metal, such as lamps and lampholders for fixed lighting, cutouts, switches, receptacles, motors, or other equipment having make and break or sliding contacts, shall be of totally enclosed type or shall be provided with suitable guards or screens to prevent escape of sparks or hot metal particles. Portable lamps or utilization equipment, and their flexible cords shall conform to the provisions of Section 88-500.11 for the class of location above which they are connected or used.

(E) Underground wiring shall be installed in rigid metal conduit, or, where buried under not less than 3 feet of earth, may be installed in duct, or in the form of cable approved for the purpose. Where cable is used, it shall be enclosed in rigid metal conduit from the point of lowest buried cable level to the point of connection to the above-ground raceway.

(2) Conductor insulation shall conform to Section 88-500.23.

(3) Where cable with non-metallic sheath or duct is used, a grounding conductor shall be included to provide for metallic continuity of the raceway system and for grounding of non-current-carrying metallic parts of equipment.

(F) Sealing. Approved seals shall be provided in conformance with Section 88-500.15 and shall apply to horizontal as well as to vertical boundaries of the defined hazardous areas. Buried raceways under the defined hazardous areas shall be considered to be within such areas.

(G) Gasoline Dispensing. Where gasoline dispensing is carried on in conjunction with bulk station operations, applicable provisions of 88-510.41 shall apply.

(H) Grounding. All metallic raceways and all non-current-carrying metallic portions of electrical equipment shall be grounded as provided in Section 87-250.

(I) Bonding. Provisions shall be made to bond each other and to ground all equipment used in transferring volatile liquids. All necessary precutions shall be taken to prevent the build-up of a static charge on any equipment.

SECTION 153. That Section 88-500.5(a) of the Municipal Code of Chicago is amended to read as follows:

"(a) Wiring Methods. Rigid metal conduit, electrical metallic tubing or MI cable shall be employed as the wiring method. Other wiring methods using metal raceways may be used providing special permission is obtained from the Chief Electrical Inspector prior to the start of the installation."

SECTION 154. That Section 88-520.6(d) of the Municipal Code of Chicago is amended by deleting from the first sentence thereof the words:

"the armored cable method";

and substituting in lieu thereof:

"the flexible metal conduit method".

SECTION 155. That Section 88-520.7 of the Municipal Code of Chicago is amended to read as follows:

"88-500.7. Dressing Rooms.

(a) Rigid metal conduit or electrical metallic tubing shall be employed as the wiring method.

(b) Pendent Lampholders. Pendent Lampholders shall not be installed in dressing rooms.

(c) Switches Required. All lights and receptacles in dressing rooms shall be controlled by wall switches installed in the dresing rooms. Each switch controlling receptacles shall be provided with a pilot light to indicate when the receptacle or receptacles are energized.

(d) Lamp Guards. All incandescent lamps in dressing rooms, where less than eight feet from the floor, shall be equipped with approved guards sealed or locked in place."

SECTION 156. That Section 88-520 of the Municipal Code of Chicago is amended by adding thereto a new sub-section as follows:

"88-520.17. Grounding. All metal raceways shall be grounded. The metal frames and enclosures of equipment including border lights shall be grounded, except the frames and enclosures of portable equipment on grounded circuits operating at not over 150 volts to ground.

SECTION 157. That Section 88-537.1 of the Municipal Code of Chicago is amended by adding thereto the following:

"Unless excepted by the provisions contained in Sections 88-530.1 to 88-530.14 inclusive, motion picture studios and similar occupancies shall be subject to all other applicable provisions of the Chicago Electrical Code."

SECTION 158. That Section 88-540 of the Municipal Code of Chicago is amended so as to read as follows:

"88-540. Motion Picture Projectors, Projection Booths and Projection Equipment.

The requirements of this section are intended to be in addition to all other applicable provisions of this code, unless specifically exempted. All exposed metallic, non-current carrying parts shall be grounded as is provided in Section 87-250. There shall be no exposed live parts on equipment in booths."

SECTION 159. That Section 88-540.1 of the Municipal Code of Chicago is amended so as to read as follows:

"88-540.1. General. Projectors and projection equipment are divided into three categories for the purposes of this code, as follows:

(a) Miniature Non-Professional Type. Equipment ordinarily used by the general public for home movies and family entertainment specifically approved and labeled by a testing laboratory. For use with slow-burning film, 16mm or less in width and with a maximum film capacity of 2000 feet.

(b) Non-Professional Type. Approved equipment which utilizes slow-burning film, 16mm or less in width and with a maximum film capacity of 2000 feet.

(c) Professional Type. Equipment of a class and type ordinarily used in motion picture theaters, shows, exhibitions and other such locations, where people assemble to be educated or entertained. Projectors and equipment in this category shall comply with all applicable provisions of 88-540.2.

(d) A permit shall be obtained from the Bureau of Electrical Inspection prior to the use and for each use of any professional type projector or any non-professional type projector which has a rating in excess of 15 amperes or utilizes any voltage in excess of 150 between conductors or between any conductor and ground. All such equipment shall be specifically approved by the Bureau of Electrical Inspection before it is used. The minimum permit fee shall be $10.00 and it shall be prominently displayed during each use of the projector or equipment."

SECTION 159(a). That Section 88-540.2(f) of the Municipal Code of Chicago is amended by adding thereto the following sentence:

"Magazines shall be limited to a maximum diameter of twenty five inches or a maximum capacity of 5000 feet of film."

SECTION 160. That Chapter 88 of the Municipal Code of Chicago is amended by deleting therefrom:

"Section 88-540.4 and all of its sub-sections."

SECTION 161. That Section 88-550 of the Municipal Code of Chicago is amended to read as follows:

"88-550 Hospitals

General. The use of flammable anesthetic agents such as cyclopropane, divinyl ether, ethly chloride, ethyl ether, ethylene, and similar compounds is attended by considerable risk because these agents form flammable mixtures with air, oxygen, or nitrous oxide. In many cases, these mixtures are violently explosive. Fatal accidents have resulted from explosions of such mixtures during anesthesia.

Principal sources of ignition of flammable anesthetics in anesthetizing locations include the following:

(a) fixed electrical equipment, (b) portable electrical equipment, (c) static accumulation, (d) open flames and heated objects above the ignition temperature of the flammable gases in use.

The term "anesthetizing location" shall mean any area in which it is intended to administer any flammable anesthetic agent in the course of examination or treatment and shall include operating rooms, anesthesia rooms, corridors, utility rooms, and other areas if used for induction of anesthesia with flammable anesthetic agents.

In an anesthetizing location the hazardous location is to be considered to extend five feet above the floor. Electrical wiring and fixed equipment installed less than 5 feet above the floor of rooms used as anesthetizing locations shall comply with the requirements of Class I, Group C and D, Division 1 locations of 88-550 of the Chicago Electrical Code (explosion-proof).

Replacement units, which are in themselves explosion-proof, may be used for receptacle outlets and switches in lieu of a complete explosion-proof wiring system for existing anethetizing locations if acceptable to the Bureau of Electrical Inspection. In new installations, complete explosion-proof wiring systems are open during construction, and such systems are practical to install.

While the text of this standard occasionally uses the word "hospital" and refers to physicians and other personnel and organizations commonly associated with general hospitals, its requirements shall apply to any facility in which flammable mixtures are administered as anesthetics.

88-550.1. Specific Requirements. All wiring and equipment, fixed and portable, shall comply with the requirements of the following table:

| | *Class I Complete* | *Class I Below 5 ft.* | *Conductive Floor* | *Ungrounded System* | *No Fixture or Switch Below 5 ft.* |
|---|---|---|---|---|---|
| Operating Rooms | | X | X | X | |
| Delivery Rooms | | X | X | X | |
| Emergency Rooms | | X | X | X | |
| Anesthetic Induction Areas | | X | X | X | |
| Connecting Rooms | | | X | | |
| Surgical Corridors | | | X | | |
| Flammable Gas Storage | | | | | |
| (a) In Surgical Suites | X | | X | | X |
| (b) Elsewhere | X | | | | X |
| Oxygen Room | | | | | X |

88-550.2 Storage Locations—Combustible Anesthetic Agents. Electrical wiring and equipment shall comply with the requirements for Class I, Group C, Division 1 locations of 88-500 of the Chicago Electrical Code (explosion-proof).

88-550.3. Fixed Installations in Hazardous Locations.

(a) Electrical wiring and equipment installed less than 5 feet above the floor of rooms used as anesthetizing locations shall comply with the requirements of Class I, Division 1, Group C & D locations of 88-500 of the Chicago Electrical Code (explosion-proof).

(b) Where a masonry wall or floor constitutes a boundary of a hazardous area, any portion of a raceway embedded in such masonry shall be considered to be within the boundary itself, but any portion of a raceway located in a hollow space in such wall or floor shall be considered to be within the hazardous area.

Where a box, fitting or enclosure is partially but not entirely within a hazardous area, the hazardous area shall be considered to be extended to include the entire box, fitting or enclosure.

(c) All adjoining areas, not separated by a self-closing door without openings below 5 feet shall conform to the requirements of 88-550.3(a).

(d) Receptacles and Attachment Plugs. In hazardous locations receptacles and attachment plugs shall be of the three pole grounding type and shall comply with the requirements of 88-500.22 of the Chicago Electrical Code. They shall be a part of a unit device with an explosion-proof interlocking switch arranged so that the plug cannot be withdrawn or inserted when the switch is in 'on' position and the switch cannot be turned 'on' until the plug is securely seated; or they shall be approved devices in which the current is broken in an explosion-proof enclosure before the plug can be removed. The plug shall conform to the basic dimensions as required by NBFU Standard #56, section 2438F.

(1) Each operating, receiving and delivery room shall be provided with a minimum of two receptacles connected to the ungrounded secondary of a transformer which is fed from the emergency system and independent of the battery transfer switch. A separate circuit shall be provided in each room for these receptacles. A circuit supplying these receptacles shall not supply any other loads.

(2) The exposed portions of all plug and receptacle attachments shall be smooth so that it is impossible to cut tender skin in handling or operating this equipment.

(3) When a battery emergency system is used, at least one receptacle of the approved type shall be installed in each operating, delivery room, and emergency room, and shall be connected to the battery emergency system.

(4) When a motor generator emergency system is used all the general use receptacles of the proper voltage in the anesthetizing locations shall connect to the generator emergency system through the generator transfer switch. There shall be a minimum of two general use receptacles in each anesthetizing location.

(e) Control Devices. In hazardous locations (88-500) devices or apparatus such as motor controllers, thermal cut-outs, switches, relays the switches and contactors of auto-transformer starters, resistance and impedance devices, which tend to create arcs, sparks, or high temperatures, shall not be installed unless devices or apparatus are of a type approved for use in explosive atmosphere in accordance with 88-500.16 and 88-500.17 of the Chicago Electrical Code.

It is recommended that control devices for such purposes be installed in a non-hazardous location and actuated by some suitable mechanical, hydraulic or other non-electrical remote control device which may be operated from any desired location. This recommendation applies particularly to foot and other switches which must be operated from a location at or near the floor.

(f) Lighting Switches. In hazardous locations where the isolated system is mandatory, switches controlling lighting circuits shall comply with the requirements of 88-500 of the Chicago Electrical Code, and in addition such switches shall be of the two-pole type and so connected as to open both sides of the ungrounded circuits which they control.

Attention is directed to the fact that mercury-type switches, although producing no exposed spark on operaion when in normal conditions, are not listed by the Underwriters' Laboratories, Inc., for use in Class I, Division 1, locations unless enclosed in explosion-proof housings.

*Lighting Fixtures General*

(g) Hazardous Locations. Lamps in fixed position shall be enclosed in a manner approved for use in explosive atmospheres and shall be properly protected by subtantial metal guards or other means where exposed to breakage. Lamps shall not be of the pendant type unless supported by and supplied through hangers of rigid conduit or flexible connectors approved for use in explosive atmospheres in accordance with the Chicago Electrical Code.

(h) Viewing Box Lighting. Film viewing boxes in or partially in the hazardous area shall be approved for Class I, Division 1, Group C & D locations.

(i) Sealing. Approved seals shall be provided in conformance with Section 88-500.15(a).

88-550.4. Wiring and equipment above Hazardous Areas.

(a) Wiring above a hazardous area as defined in 88-550.3 shall be installed in metal raceway or shall be Type MI cable.

(b) Equipment which may produce arcs, sparks or particles of hot metal, such as lamps and lampholders, cutouts, switches, receptacles, generators, motors, or other equipment having make and break or sliding contacts, shall be of the totally-enclosed type or shall be provided with suitable guards or screens to prevent escape of sparks or hot metal particles.

(c) All plugs and receptacles shall be designed for interchangeability, for direct connection without the use of adaptors with Class I Group C, receptacles in the hazardous area.

Exception. Receptacles provided for services having different voltages, frequencies or types on the same premises shall be of such design that attachment plugs and caps used in such receptacles cannot be connected to circuits of a different voltage, frequency or type, but will be interchangeable only within each such classification and the plug shall conform to 88-550.3(d).

(d) Switches. Each ungrounded circuit within or partially within the anesthetizing location shall be controlled by a switch having a disconnecting pole for each conductor.

88-550.5. Ceiling Suspended Surgical Lighting Fixtures. Ceiling suspended surgical lighting fixtures, if installed, shall be approved as a unit, and shall comply with the following requirements:

(a) Fixture: The light source of the fixture shall be suitably protected against mechanical injury. No part of the light source enclosure when in the lowest position shall extend into the hazardous area unless approved for Class I, Division 1, Group C or D locations.

(b) Supports. Boxes, box assemblies or fittings used for these fixtures shall be approved for the purpose, and so supported that the supporting means will not become disengaged from its fastening during or as a result of adjustments in the fixture. The fixture shall be suspended by suitable rigid stems or other approved means. For rigid stems longer than 12 inches, flexibility in the form of a fitting or flexible connector approved for the purpose shall be provided not more than 12 inches from the point of attachment to the supporting box fitting.

(c) Sliding Contacts: Fixtures with sliding contacts, arcing or sparking parts, shall be installed to comply with the requirements of 88-550.4. Such fixtures shall, in addition, be installed so that in any position of use, such sliding contacts, arcing or sparking parts shall not extend within 5 feet of the floor.

(d) Control Switches: Integral or appended switches, if installed on ceiling suspended surgical lighting fixtures, shall be of explosion-proof design, if switch can be extended into the hazardous area.

88-550.6. Hospital Emergency System.

Scope. The provisions of this Article apply to the installation, operation and maintenance of circuits, systems and equipment intended to supply illumination in the event of failure of the normal supply or in the event of accident to elements of a system supplying illumination essential for safety to life and property.

(a) An approved System II lighting system shall be installed supplementing the general lighting (88-700.10) to provide electrical energy for exit sign lights, emergency lighting, emergency rooms, delivery rooms, operating rooms, and fire alarm system.

(b) In addition, all anesthetizing locations shall be provided with an approved final reserve source of current supply, which on failure of the System II Emergency Lighting System, shall automatically and instantly disconnect it from the System II supply and connect it to the final reserve source of current.

(c) The final reserve source of current supply may be either storage batteries or a generator, subject to approval by the Bureau of Electrical Inspection.

(d) Capacity. Emergency system shall have adequate capacity and rating for the emergency operation of all equipment connected to the system.

(e) No other current consuming devices other than those specified in 88-550.6(a) shall be connected to the emergency lighting system unless plans are submitted and special permission in writing is obtained before work is started.

88-550.7. Specific Requirements.

(a) Emergency lighting in hospitals shall be provided in the corridors, stairs and passageways, supplementing the general lights, and supplied as provided in 88-700, System II. The lighting of the operating, receiving and delivery rooms shall comply with 88-550.8.

(b) In hospitals there shall be provided lights permanently connected in the operating, receiving and delivery rooms sufficient to illuminate them for their normal purposes which upon failure of the normal and auxiliary service are supplied from storage batteries or a generator as specified in 88-700, System I. Self-contained low voltage battery lights are not approved for use in anesthetizing loactions.

(c) Approval. Complete detail plans of the equipment and installation shall be submitted to the Bureau of Electrical Inspection for approval before installation.

(d) Electric exit sign and emergency lighting, battery or generator electrical systems, ungrounded electrical systems and feeders for anesthetizing locations shall be completely separate wiring and conduit systems, from the general light and power systems and from each other; from the source of supply to the last current-consuming device.

Exceptions: Transfer switch enclosures and isolating transformer enclosures.

88-500.8. Arrangement of Circuits in Anesthetizing locations.

(a) In anesthetizing locations an ungrounded electrical distribution system shall be required to reduce the hazard of electric shocks and arcs in the event of insulation failure. It shall be supplied from an ungrounded distribution system which shall be isolated from any distribution system supplying areas other than anesthetizing locations. Such isolation may be obtained by means of one or more transformers having no electrical connection between primary and secondary windings, by means of motor generator sets, or by means of suitably isolated batteries.

(b) Circuits supplying primaries of isolating transformers shall operate at not more than 300 volts between conductors, and shall be provided with proper overcurrent protection. Secondary voltage of such transformers shall not exceed 300 volts between conductors, and all circuits supplied from such secondaries shall be ungrounded and shall have an approved overcurrent device of proper rating in each conductor. Circuits supplied from batteries or from generators or motor-generator sets shall be ungrounded, and shall be protected against over-current in the same manner as trasformer secondary circuits.

(c) Transformers motor-generator sets, batteries and battery chargers, together with their overcurrent devices shall be installed in non-hazardous locations, and shall conform to the requirements of this code for such locations.

(d) In addition to the usual control and protective devices, the ungrounded system shall be provided with an approved ground contact indicator so arranged that a green signal lamp, conspicuously visible to persons in the anesthetizing location, or at the surgical nurse's station remains lighted while the system is isolated from ground. An adjacent red signal lamp and audible warning signal shall be energized when any conductor of the system becomes grounded through a resistance or a capacitive reactance of any value up to 60,000 ohms or when more than 2 milliamperes flows to ground.

The indicator and associated signals shall not be installed within a hazardous area. Immediately adjacent to each ground detector and indicator there shall be an identifying sign in a minimum of ⅜" lettering. It is recommended that a separate isolating transformer and ground contact detector with indicator be used for each anesthetizing location.

(e) When the ground contact signal (red light) lights and/or the audible warning sounds, the administration of flammable anesthetic agents shall be discontinued at the earliest possible amount.

Following the completion of the operation the operating room in which the signal functioned shall not be used until the electrical defect has been remedied.

(f) Each branch circuit shall supply no more than one room used as an anesthetizing location.

(g) Branch circuits supplying only fixed lighting fixtures above the hazardous location other than surgical lighting fixtures or supplying only approved permanently installed X-ray equipment may be supplied by a conventional grounded system, provided:

(1) wiring for grounded and ungrounded circuits does not occupy the same raceways; (2) the lighting fixtures and the X-ray equipment (except the enclosed X-ray tube and the metal-enclosed high voltage leads to the tube) are located at least eight feet above the floor or outside the anesthetizing location; (3) switches for the grounded circuits are located outside of the anesthetizing location; and (4) that special permission in writing is obtained before work is started.

Remote control stations for remote control switches may be installed in the anesthetizing location if the remote control circuit is energized from the ungrounded distribution system.

88-550.9. Grounding. In storage and anesthetizing locations, the exposed non-current carrying metal parts of equipment such as the frames or metal exteriors of motors, fixed or portable lamps, or appliances, fixtures, cabinets, cases, and conduit shall be grounded as provided in 87-250 and 88-500.26 of the Chicago Electrical Code. The locknut bushing and the double locknut types of contact shall not be depended upon for bonding purposes, but bonding jumpers with copper fittings or other approved means shall be used.

88-550.10. Signaling Systems. In hazardous locations all equipment of signaling and communication systems, irrespective of voltage, shall be of a type approved for use in explosive atmospheres in accordance with 88-500 of the Chicago Electrical Code.

88-550.11. Portable Equipment. Portable electrical equipment (except equipment operating at not more than 8 volts between conductors) such as; incubators, lamps, heaters, motors, generators, etc., used in anesthetizing locations shall comply with the requirements of Class I, Division 1, Group C locations of 88-500. of the Chicago Electrical Code.

88-500.12. Flexible Cord. In hazardous locations flexible cord for portable lamps or portable electrical appliances shall be continuous and without switch from the appliance to the attachment plug and of a type designated for extra-hard usage in accordance with 88-500 of the Chicago Electrical Code. Such flexible cord shall contain one extra insulated conductor to form a grounding connection between the ground terminal of the polarized plug and metal lamp guards, motor frames, and all other exposed metal portions of portable lamps and appliances.

Flexible cords shall be protected at the entrance to equipment by a suitable insulated grommet.

The flexible cord shall be of sufficient length to reach any position in which the portable device is to be used. Portable equipment shall be provided with a storage device for its flexible cord in which the shortest radius to which the cord can be subjected is 3 inches.

88-550.13. X-Ray Equipment. X-ray equipment installed or operated in an anesthetizing location shall be provided with approved means for preventing accumulation of electrostatic charges. All control devices, switches, relays, meters, and transformers shall be totally enclosed, and where installed or operated within a hazardous area, shall be approved for Class I locations. High voltage wiring shall be effectively insulated from ground and adequately guarded against accidental contact.

88-550.14. Other Equipment.

(a) Suction, pressure, or insufflation equipment involving electrical elements, and located or used within a hazardous area shall be approved for Class I locations.

(b) Equipment for generating high frequency currents or voltages used in electrocautery, diathermy, television, etc., where installed or used in an anesthetizing location, shall conform to Sections 88-550.3 and 88-550.4.

(c) High frequency equipment shall be approved for the location in which it is used and shall conform to Sections 88-550.3 and 88-550.4.

88-550.15. Low Voltage Equipment and Instruments.

(a) General. Any electrical apparatus or equipment which is frequently in contact with the bodies of persons or has exposed current carrying elements shall be of a type operating on a voltage of not over 8 volts. Power shall be supplied to such apparatus or equipment from individual transformers connected to an outlet receptacle by means of a plug and cord approved for use in Class I, Group C atmospheres or by a common transformer installed in a nonhazardous location or from individual batteries made up of dry cells or from common batteries made up of storage cells installed in a nonhazardous location. Transformers for supplying low voltage circuits shall have approved means for insulating the secondary circuit from the primary circuit and shall have cores and case grounded in an apparent manner. Resistance or impedance devices may be used to control low voltage units, but shall not be used to limit the maximum input voltage.

(b) Receptacles and Attachment Plugs. Any receptacle or attachment plug used on low voltage circuits shall be of a type which does not permit interchangeable connection with circuits of higher voltage. It should be recognized that any interruption of the circuit, even circuits as low as 8 volts, either by any switch, or loose or defective connections anywhere in the circuit, may produce a spark sufficient to ignite combustible anesthetic agents.

(c) Illuminating Instruments. All illuminating instruments for providing electrical illumination which are brought into close contact with the bodies of persons, such as endoscopic instruments, head lamps, and the like, shall be operated at voltages of 8 volts or less. Power shall be supplied in accordance with requirements of paragraph 'a' of this section.

(d) Cautery Equipment. All hot wire cautery apparatus, when permitted, shall be operated on voltages of 8 volts or less.

88-550.21. Reduction of Electrostatic Hazard.

General. The requirements of this section have been formulated for the purpose of reducing the possibility of electrostatic spark discharges and hence, the ignition of flammable gases by the energy liberated thereby. They shall be complied with in anesthetizing locations, in rooms such as sterilizing rooms, etc., directly communicating with anesthetizing locations; and in storage locations for flammable anesthetic agents located in surgical suites. Where anesthetizing locations open directly on a passageway, not a part of an operating room or delivery room suite, the conductive floor shall extend ten feet either side of the door frame.

88-550.22. Conductive Flooring.

(a) To prevent the accumulation of dangerous electrostatic charges, the entire surface of the floor in the locations specified in 88-550.21 shall provide a path of moderate electrical conductivity between all persons and equipment making contact with the floor. No point on a non-conductive element in the surface of the floor shall be more than ¼ inch from a conductive element of the surface of the floor.

(b) The maximum resistance of the conductive floor shall be less than 1,000,000 ohms as measured between two electrodes placed 3 feet apart at any points on the floor.

(c) For additional protection against electric shock, the resistance of the floor shall be more than 25,000 ohms, as measured between a ground connection and an electrode placed at any point on the floor, and also as measured between two electrodes placed 3 feet apart at any points on the floor.

(d) Method of Test. The floor shall be clean and dry and the room shall be free of hazardous gas mixtures. Each electrode used shall weigh 5 lbs. and shall have a clean, dry, flat but resilient circular contact surface 2½ inches in diameter. An ohmmeter of suitable range shall be used which maintain a voltage between 90 and 500 volts across a resistance of 1 megohm. For the safety of the operator, the short circuit current of the instrument should be less than 10 milliamperes. For each determination of resistance, the results of at least three measurements with the electrodes in slightly different positions on the floor shall be averaged. At least five such determinations at widely separated areas on the floor shall be made.

(e) For compliance with Section 88-550.22(b), the average shall be within the limits specified and no value shall be greater than five megohms. For compliance with Section 88-550.22(c), no location shall have a resistance of less than 10,000 ohms and the average for not less than five locations shall be greater than 25,000 ohms. Where resistance to ground is measured, two measurements shall be made at each location, with the test leads interchanged at the instrument between measurements, with the average to be taken as the resistance to ground at the location. All readings may be taken with the electrode or electrodes more than three feet from any ground connection or grounded object resting on the floor.

If the resistance changes appreciably with time during a measurement, the value observed after the voltage has been applied for about five seconds shall be considered to be the measured value.

(f) Electrical connection of the patient to the conductive floor shall be assured by the provision of a conductive strap in contact with the patient's skin with one end of the strap fastened to the metal frame of an operating table meeting the requirements of 88-550.23.

(g) Intercoupling—Mechanical: The use of an intercoupler system including the patient, the anesthetist, and the anesthetic apparatus, is prohibited as an alternate for conductive flooring.

88-550.32. Furniture.

(a) All furniture shall be constructed of metal or of other electrically conductive material to provide an electrically conductive path to the floor. Surfaces on which movable objects may be placed shall be without paint, lacquer, or other insulating finish. Casters, tires or leg tips shall be of metal or conductive rubber, or equivalent conducting material, with a floor contact surface having one dimension of at least ⅝ inch.

Shelves within furniture, as well as the tops, shall also be conductive. Furniture is intended to include movable objects within the room such as stools, tables, cabinets, etc.

(b) If conductive casters, tires or leg tips are used, the resistance between the metallic frame of the furniture and a metallic plate placed under one supporting member but insulated from the floor, shall not exceed 250,000 ohms, measured with an ohmmeter of the type described in 88-550.22.

88-550.24. Conductive Accessories.

(a) Table Covers and Sheeting: Coverings of all operating tables, stretcher pads, pillows and cushions shall be fabricated from sheeting of conductive rubber or equivalent material. Such coverings and all conductive rubber sheeting shall be tested as follows:

The resistance between two electrodes placed not more than three feet apart on the same surface and also on opposite surfaces of the sheeting of pad assembly shall not exceed 500,000 ohms when measured with electrodes and an ohmmeter of the type described in Section 88-500.22.

(b) Rubber Tubing and Parts: All rubber or equivalent parts of anesthesia machines, resuscitators and assistors shall be of conductive rubber or equivalent material and shall be so labeled, unless the parts to which they are fastened are electrically connected together. The resistance between the objects with the rubber in place when measured with an ohmmeter of the type described in Section 88-550.22 shall not exceed one megohm.

(c) Belting. All belting used in connection with rotating machinery shall have incorporated in it sufficient conductive material to prevent the development of electrostatic charges. A conductive pulley shall be used.

The conductivity of the path from the pulley to the ground should be considered. If ball bearings are used, the contact between the balls and the races will probably be sufficient when bearings are lubricated with graphited oil or grease. If sleeve bearings are used, some means of conducting the charge from the pulley "shall" be provided.

(d) Plastics: Equipment shall be of electrically conductive materials wherever possible. For essential elements in surgery, such as all plastic devices, bacterial barriers, or bio-mechanical equipment, plastics may be used if conductive materials are impractical. Non-conductive parts may be used in approved devices shown by test to be non-hazardous. Non-conductive parts may be used where necessary as electrical insulators or heat insulating handles on approved devices.

88-550.25. Approval.

(a) The Bureau of Electrical Inspection shall test the complete system upon installation and periodically afterward.

(b) No installation shall be put into use unless approved by the Bureau of Electrical Inspection.

88-550.26. Testing and Maintenance.

(a) Physical safeguards built into the anesthetizing locations or storage areas will not provide protection unless safe practices are followed and good maintenance is provided.

(b) Scheduled inspections and written reports shall be maintained.

(c) Rules to require prompt replacement of defective electrical equipment shall be adopted and rigidly enforced.

(d) Maintenance employees shall be properly acquainted with the importance of the work they are expected to do in storage locations for flammable anesthetic agents and anesthetizing locations, in order that their informed cooperation may be assured.

(e) The following areas and equipment shall be tested for safety requirements as specified. A permanent log shall be kept of the readings obtained.

(1) Conductive flooring—monthly.

(2) Conductive furniture and accessories — monthly.

(3) Ground detectors and indicators—weekly.

(4) Generator—as specified in 88-700.

(5) Battery emergency system as specified in 88-700.

88-550.27. Responsibility.

General. Responsibility for the maintenance of safe conditions and practices in anesthetizing locations fall mutually upon the governing body of the hospital, all physicians using the anesthetizing locations, the administration of the hospital, and those responsible for hospital licensing, accrediting, or other approved programs.

(a) Inasmuch as the ultimate responsibility for the care and safety of patients in a hospital is that of the government board of the hospital, that body in its responsibility for enforcement of requirements shall determine that adequate regulations with respect to anesthesia practices and conduct in anesthetizing locations have been adopted by the medical staff of the hospital and that adequate regulations for inspection and maintenance are in use by the administrative, nursing and auxiliary personnel of the hospital.

(b) By virtue of its responsibility for the professional conduct of members of the medical staff shall adopt adequate regulations with respect to the use of flammable anesthetic agents and through its formal organization shall ascertain that these regulations are regularly adhered to.

(c) In meeting its responsibilities for safe practices in anesthetizing locations, the hospital administration shall adopt or correlate regulations and standard operating procedures to assure that both the physical qualities and the operating maintenance methods pertaining to anesthetizing locations meet the standards set in *this code*. The controls adopted shall cover the conduct of professional personnel in anesthetizing locations and the apparel and footware allowed. They shall cover, for anesthetizing locations, periodic inspection of static dissipating materials and of all electrical equipment, with special attention to the testing of ground contact indicators. Such inspections and tests shall be made of conductive floors and electrical equipment in storage locations for flammable anesthetic agents located within the surgical suite. Electrical and ventilating arrangements in storage locations for flammable anesthetics not located within the surgical suite shall be inspected and tested on a regular schedule.

(d) Hospital licensing and other approval bodies, in meeting their responsibilities to the public, should include in their inspections not only compliance with requirements for physical installations in anesthetizing locations, but also compliance with the requirements set forth in NBFU Standard No. 56."

SECTION 162. That the heading of Section 88-560 of the Municipal Code of Chicago is amended to read as follows:

"88-560 DWELLLING TYPE OCCUPANCIES"

SECTION 163. That Section 88-560.1 of the Municipal Code of Chicago is amended to read as follows:

"88-560.1. General. The special provisions of this Section shall apply to the electrical installations in dwelling type occupancies. In some cases they are repetitious and in some cases are variations of general requirements appearing elsewhere in this code."

Sub-section "(a)" remains as is.

SECTION 164. That Section 88-560.2 of the Municipal Code of Chicago is amended to read as follows:

"88-560.2. Branch Lighting Circuits. Each single family dwelling, individual apartment or rental unit shall be provided with at least one general lighting 15 AMP. branch circuit for each 500 square feet of area of the normal living quarters. A branch lighting circuit shall not be used to supply more than one apartment or rental unit. A fixed lighting fixture of an approved type shall be installed over each laundry tub, sink and lavatory, and such light shall be additional to the general lights in laundries and kitchens."

SECTION 165. That Section 88-560.3 of the Municipal Code of Chicago is amended to read as follows:

"88-560.3. Appliance Branch Circuits. Each single family dwelling, apartment or rental unit with cooking facilities or privileges shall be provided with at least one appliance branch circuit to supply the receptacle outlets (other than clock outlets) in the kitchen, laundry, pantry, dining room, or dining area, breakfast room, or that area of rental units set aside for this purpose. Such circuits shall not be smaller than #12 and shall not supply any other load."

SECTION 166. That Section 88-560.4 of the Municipal Code of Chicago is amended to read as follows:

"88-560.4. Number of Receptacles Required. In every kitchen, utility room, dining room, breakfast room, living room, parlor, library, den, sun room, recreation room, and bedroom, receptacle outlets shall be installed so that no point along the floor line in any wall space is more than six feet, measured horizontally, from an outlet in that space including any wall space two feet wide or greater, and the wall space occupied by sliding panels in exterior walls. Receptacle outlets in the floor shall not be counted as part of the required number of receptacle outlets unless located close to the wall. There shall be at least one receptacle between doors three feet or more apart. Except as provided in 88-560.3 these receptacles shall be on the general lighting circuits. All receptacles shall be of the groundable type. At least one receptacle shall be installed in each bathroom or powder room and it shall be of the groundable type."

SECTION 167. That Section 88-560.5 of the Municipal Code of Chicago is amended to read as follows:

"88-560.5. Illumination Required. In single family dwellings, apartment buildings, apartment hotels, hotels, and motels, and all dwelling type occupancies, all rooms shall be illuminated, including accessible attics, stairways, stairhalls, halls, corridors, closets, basement storerooms, utility rooms, garages, and similar locations.

(a) In every multiple dwellling now existing or hereafter erected containing more than two flats, apartments or dwelling units, the owner, lessee or person, firm or cooperation having control of the stairs, vestibules, corridors, passageways, and commonways in said premises shall provide and maintain illumination in or upon such areas at all times. The intensity of such illumination whether from natural or electrical sources shall be such as to provide not less than one foot candle power on every floor and stair tread.

(b) In a multiple dwelling of the corridor type, there shall be a standard exit sign over every doorway which leads from a public corridor to a vertical means of exit. In a multiple dwelling of any type there shall be a standard exit sign over every doorway which serves as a required exit from a lobby, dining room or other assembly room which has a floor area of more than 500 square feet.

(c) The lights required in subsections (a and b) of this section shall be installed as required for System III emergency lighting systems and services as covered in 88-700.11."

SECTION 168. That Section 88-570.8 of the Municipal Code of Chicago is amended so as to read as follows:

"88-560.8. Feeders. The ampacities of feeders supplying leads in dwelling type occupancies shall be computed as follows with the exceptions noted:

(a) Lighting Load. 3 watts per square foot of total floor area using the Demand Factors listed in 87-220, unless special lighting layouts require special consideration.

(b) Small Appliance Load. 1500 watts per dwelling unit plus the connected load of all fixed appliances rated more than 600 watts each. See 87-220.

(c) Public Spaces. 60 watts per outlet plus the connected load of all appliances and motors. See 87-220 for electric heat and special loads.

EXCEPTION:

1. Supply. In all occupancies covered by 88-560 other than individual motel or hotel sleeping rooms, those conductors which supply all of the current consumed in that individual unit shall have an ampacity equal to or greater than the following:

(a) Units of 850 square feet or less—60 amperes.

(b) Units 851 square feet or more—100 amperes.

The distribution equipment associated with these supply conductors shall have a rating equal to the rating of the conductors."

SECTION 169. That Section 88-560.9 of the Municipal Code of Chicago is amended to read as follows:

"88-560.9. Service and Service Disconnecting Means. The service conductors shall be as short as is practicable and in no case shall they exceed five feet inside of a building unless they are encased in 2″ of concrete or by special permission granted in writing before the installation is made. The service switch shall comply with the provisions of 87-230.51 and shall be located at a readily accessible point nearest to the entrance of the service conductors into the building. It shall be located in the basement, first floor or in an adjoining garage (provided such garage is a part of the main structure and has provisons for less than four automobiles) or in the case of an existing residential occupancy which has no basement or other available space accessible to all tenants the disconnecting means may be located on an enclosed porch or other available weatherproof enclosure. Service disconnects or meter disconnects shall not be located over laundry tubs, oil tanks, toilets, grease traps and the like.

(a) In a multiple occupancy building each occupant shall have access to his disconnecting means. In a multi-occupancy building supplied by a service in conformity with paragraph 'b' of 87-230.1 and having a common readily accessible space available, the disconnecting means may consist of no more than six switches or circuit breakers which shall conform to the requirements of Section 87-230.51(a)".

SECTION 170. That Section 88-560 of the Municipal Code of Chicago is amended by deleting therefrom the following:

"88-560.10, 88-560.11, 88-560.12, 88-560.14, 88-560.15 and 88-560.16." and is further amended by renumbering existing subsection "88-560.13" so it becomes "88-560.10" to read as follows:

"88-560.10. Metering. Where a current supply is separately metered as in an apartment house, each such separately metered load shall be equipped with a meter disconnecting means which will disconnect the separately metered load from its source of supply. Such disconnect shall conform to the provisions of 87-230.51.

Insofar as is practicable meters and disconnects shall be grouped and shall be located in meter closets if they are not installed in the basement. In all cases the meter disconnect shall be immediately adjacent to its own meter. However where six or less meters are installed out-of-doors the foregoing provisions shall not apply, and in such cases the meter disconnects shall be installed indoors in conformance with the provisions of 88-560.9."

SECTION 171. That Section 88-600 of the Municipal Code of Chicago is amended to read as follows:

"88-600. Illuminated Signs and Illumination of Signboards.

General. Detailed drawings shall be submitted with all sign permit applications. Upon approval each permit application and drawing shall be stamped with the Bureau Approval Number. All drawings shall be retained on file in the Bureau. Where several identical signs are to be erected in the City of Chicago, one drawing will suffice and permit application for all other identical signs shall bear the original Approval Number. All electrical signs shall have a permanent nameplate, readily visible from the ground or roof which shall contain the following information:

(a) The maker's name or trademark

(b) The size in feet and inches

(c) The weight of the sign

(d) The maximum ampere load

(e) The Approval Number issued by the Bureau".

Section 172. That Section 88-600.2 of the Municipal Code of Chicago is amended to read as follows:

"88-600.2. Joints. Where joints occur in metal boxes or drums, they shall be rivited, bolted or welded and shall be lap type. The lap shall be so made as to assure weatherproofing. All welds shall be made by a "Certified Welder."

Section 173. That Section 88-600.4 of the Municipal Code of Chicago is amended to read as follows:

"88-600.4. Boxes, faces and backs. Boxes, drums and backs of single face signs shall be constructed of galvanized steel, stainless steel, aluminum, or other non-ferrous metals. Thickness of metals other than steel shall be equivalent to those required for steel. Approved plastics may be utilized for sign faces, but shall not be used as supporting means. The following minimum thicknesses shall apply:

(a) Box type letters, #24 USG (.025″)

(b) Sign faces, #20 USG (.037″)

(c) Backs of flat signs, #20 USG (.37″)

(d) Boxes and drums, #20 USG (.037″)

Drainage shall be provided and shall be adequate to properly drain the entire sign."

Section 174. That 88-600.6 of the Municipal Code of Chicago is amended to read as follows:

"88-600.6. Framework. All signs having any face which has an area in excess of twelve square feet shall have an astructural framework of galvanized steel angle iron as described in Table 88-600.6, or shall have a structural rigidity equal to the framework required by this Table, Except as provided for in 88-600, engineer's stamped drawing shall be submitted with each permit application for a sign which does not have a galvanized steel angle iron framework as required by this Table. The engineer shall certify that the construction of the sign provides mechanical strength and structural rigidity equal to that which would be provided by the required angle iron frame.

Table 88-600.6

| *Area of one face* | *Projecting Signs* | *Single Face Signs* |
|---|---|---|
| 12 to 20 sq. ft. | 1½″x1½″x3/16″ | 1½″x1½″x3/16″ |
| 21 to 40 sq. ft. | 2″x2″x3/16″ | 1½″x2″x3/16″ |
| 41 to 70 sq. ft. | 2″x2″x¼″ | 2″x2″x3/16″ |
| 71 to 99 sq. ft. | 2½″x2½″x¼″ | 2″x2″x¼″ |
| Larger | 2½″x2½″x¼″ | 2½″x2½″x¼″ |

(a) Signs having a double angle iron framework with two angle irons being either back-to-back or toe-to-toe, spaced from ¼″ apart to a distance approximating the sign filler, the next smaller size angle iron of the same thickness may be used, provided the two angle irons are connected by angle iron spreader, each 5 lineal feet.

For rigidly hung signs, the rigid support member may be used in lieu of the required angle iron framework, provided the required structural rigidity is attested to be engineer's drawings.

Single faced signs having a maximum height of three feet, regardless of length shall require a minimum of 1½″x1½″x3/16″ angle iron. Single faced signs having a maximum height of four feet, regardless of length shall require a minimum of 1½″x2″x3/16″ angle iron.

(b) Intermediate Braces. Signs of ten or more lineal feet shall have an intermediate brace for every five lineal feet. If the frame is made of angle larger than 1½″x1½″x3/16″ the next size smaller angle may be used as intermediate braces.

All connections between the framework members shall be made with galvanized machine bolts not less than ⅜″ in diameter or rivited; welded connections may be substituted in lieu of bolting or riviting, providing a "Certified Welder" performs this work.

Gusset plates or their equivalent shall be used in making these connections where the area of the sign is greater than 40 sq. ft.

(c) Metal sign faces shall be bolted, screwed or rivited to the flange of the drum such that the maximum distance between such fastenings is 8″.

(d) All irons provided for the attachment to the building, or the attachment of guys and lift chains or the attachment to a crane or structure, shall be directly connected to the structural framework of the sign and shall be galvanized.

(e) Signs built in more than one section shall have provisions for connecting independent sections during construction so that the completed structural framework will act as one unit. Each section shall be so constructed that the interior is accessible for maintenance and inspection.

Section 175. That Section 88-600.8 of the Municipal Code of Chicago be amended by adding thereto the following new sub-section:

"(1) Plastic sign faces having laminated decorations or formed areas or letters of at least ⅛″ thickness for a minimum area of 50% of the background plastic area involved may be made from the next smaller thickness indicated in the Table contained in sub-section (i) of this Section. Sign faces employing C 1 corrugated pattern plastic panels of ⅛″ thickness, shall not exceed 72″ in height; C 2½ pattern of ¼″ thickness shall not exceed 108″ in height.

Section 176. That Section 88-600.8 of the Municipal Code of Chicago is amended so that subsection "(b)" thereof reads as follows:

"(b) That the sign shall be so constructed that the plastic material shall be kept at least two inches away from any lamp or tube;" and is further amended by adding thereto a new sub-section as follows:

"(m) One or more faces of all plastic signs shall be arranged to open in an approved manner. This may be accomplished either by hinging or by sliding. If hinged, there shall be one hinge for each three lineal feet and no less than two hinges per face will be acceptable. If the face is arranged to slide provisions shall be made in the trough in which the face slides to adequately support all edges of the plastic face."

Section 177. That Section 88-600.17 of the Municipal Code of Chicago is amended to read as follows:

"88-600.17. Switches. Each sign shall be controlled by a switch mounted not more than two feet from the sign, which will open all ungrounded conductors which enter the sign.

(a) If transformers are mounted remote from the sign a separate switch shall be installed at the transformer location, which will disconnect the supply to the transformers.

(b) Special permission may be obtained to install the required switch inside of a sign provided:

(1) The cover of the handhole through which the switch will be operated is clearly and durably marked to indicate the location of the switch inside, and

(2) The switch is of acceptable design and type.

(c) Signs requiring more than six circuits shall be controlled by a magnetically held contactor. The coil circuit of which shall be controlled by single pole switches in series; one at the sign location and one at the contactor location.

(d) Where a time switch is utilized to control a sign, a separate manually operable switch shall be installed in the supply to the time switch and shall be located within sight of the time switch.

(e) All switches shall be 0-30 ampere knife blade contact type and shall be weatherproof when mounted outside of the building.

SECTION 178. That Section 88-600.18 of the Municipal Code of Chicago is amended to read as follows:

"88-600.18. Accessories.

(a) Flashers. Flashers, except thermal flashers shall be placed in accessible boxes or cabinets constructed of metal of a thickness not less than #20 USG (.0375"). Boxes and cabinets shall be suitably protected against corrosion and where exposed to the elements shall be of weatherproof construction.

(b) Floodlights and Spotlights. No floodlight or spotlight shall be installed in or on any sign in such a manner as to be detrimental to automobile or street traffic. The use of the colors, green, red or amber is restricted to those signs where the use of such colors does not create a traffic hazard. Under no conditions shall flashing lights be used on a sign where they can be construed as traffic regulation."

SECTION 179. That Section 88-600.27 of the Municipal Code of Chicago is amended to read as follows:

"88-600.27. Supporting Poles or Posts. Supports for signs shall be either steel beams, round steel pipe sections or square steel (hollow) sections.

(a) Signs which have a single supporting member shall be restricted to round steel pipe sections or square steel sections. The sections may consist of a fabricated and welded assembly, provided the welding is performed by a certified welder.

(b) The minimum requirements for the support of signs shall be based upon a combined tortional and bending moment for a wind pressure of 30 lbs. per square foot and sign weight involved, using a maximum fibre stress of 20,000 lbs. per square inch.

(c) A sketch, or engineers drawings where required by this code, shall accompany each permit application. The sketch or drawing will show complete and detailed information of the construction and installation of the sign.

(d) Minimum Support Size for Projecting Signs.

| *Area of One Face* | *Round Type* | *Square Tabular Section* |
|---|---|---|
| Up to 10 sq. ft. | 4" (.237" wall) | 3" x 3" x 1/4" |
| 11 to 20 sq. ft. | 6" (.280" wall) | 4" x 4" x 3/16" |
| 21 to 30 sq. ft. | 8" (.250" wall) | 5" x 5" x 1/4" |
| 31 to 40 sq. ft. | 8" (.250" wall) | 6" x 6" x 1/4" |
| 41 to 50 sq. ft. | 8" (.322" wall) | 7" x 7" x 1/4" |
| 51 to 60 sq. ft. | 10" (.250" wall) | 8" x 8" x 1/4" |
| 61 to 70 sq. ft. | 10" (.365" wall) | 8" x 8" x 1/4" |
| 71 to 75 sq. ft. | 10" (.365" wall) | 10" x 10" x 1/4" |

(e) Minimum Support Size for concentrically Mounted Signs.

| *Area of One Face* | *Round Pipe* | *Square Tubular Section* |
|---|---|---|
| Up to 10 sq. ft. | 4" (.237" wall) | 3" x 3" x 1/4" |
| 11 to 20 sq. ft. | 5" (.258" wall) | 4" x 4" x 3/16" |
| 21 to 30 sq. ft. | 6" (.280" wall) | 5" x 5" x 1/4" |
| 31 to 40 sq. ft. | 8" (.280" wall) | 6" x 6" x 1/4" |
| 41 to 50 sq. ft. | 8" (.322" wall) | 7" x 7" x 1/4" |
| 51 to 60 sq. ft. | 10" (.250" wall) | 8" x 8" x 1/4" |
| 61 to 70 sq. ft. | 10" (.368" wall) | 8" x 8" x 1/4" |
| 71 to 75 sq. ft. | 10" (.375" wall) | 8" x 8" x 1/4" |

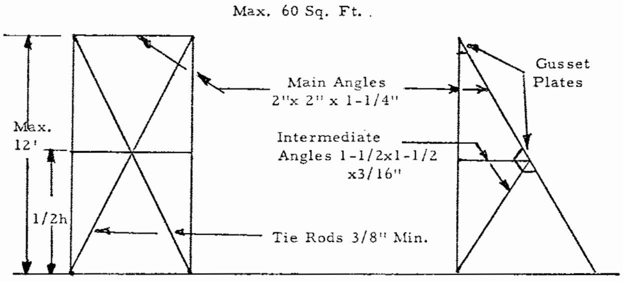
(f) The values listed in sub-sections (d) and (e) are minimum and are based upon an elevation of not more than 12 feet above the surrounding grade or ground level to the bottom of the sign. The dimensions of the sign shall be such that a ratio between the two dimensions of the sign shall not exceed two to one.

The distance between the center line of the support and the sign edge shall not exceed two feet, six inches for projecting signs.

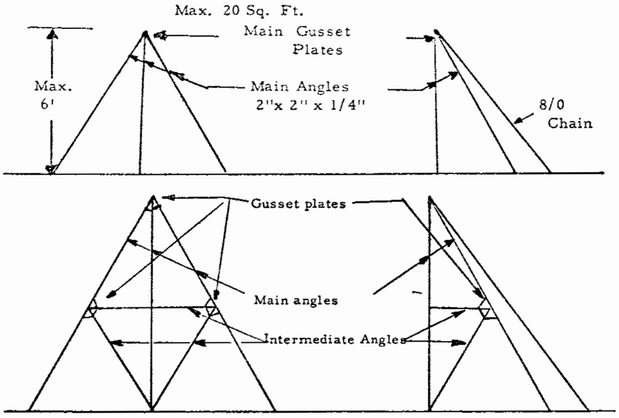
Deviations from the provisions of this section will be permitted by special permission from the Chief Electrical Inspector, provided drawings are submitted from a registered engineer. Such drawings must attest to the fact that the proposed installation is equal to or greater than the standard required by this Code."

SECTION 180. That Section 88-600.29 of the Municipal Code of Chicago is amended to read as follows:

"88-600.29. Roof Structures Under 12′ High. Roof structures less than 12′ high shall conform to the following standards.



Max. 60 Sq. Ft.
Max. 12'
1/2h
Main Angles 2"x 2" x 1-1/4"
Intermediate Angles 1-1/2x1-1/2 x3/16"
Tie Rods 3/8" Min.
Gusset Plates



Where the height does not exceed 12′ for signs up to 40 sq. ft. in area the main angles shall be 2" x 2" x 1/4" and the intermediate angles shall be 1-1/2" x 1-1/2" x 3/16"; for signs over 40 sq. ft. in area the main angles shall be 2-1/2" x 2-1/2" x 1/4" and the intermediate angles shall be 2" x 2" x 1/4".

Roof Structures over 12′ high or more than 60 sq. ft. shall have engineers drawings."

SECTION 181. That Section 88-605.21 of the Municipal Code of Chicago is amended by deleting the words:

"armored cable" from sub-sections "a" and "c" thereof.

SECTION 182. That Section 88-606 of the Municipal Code of Chicago is amended to read as follows:

"88-606. Electrical Signs Mounted or Displayed Indoors.

General. The provisions of this Section shall apply to all electrical signs, displays, points of sale, etc., installed, placed or displayed inside of a structure all or any part of which is open to the public.

"88-606.1. Approval. Each such sign, device, display, point of sale, etc., shall be submitted to the Bureau of Electrical Inspection for investigation prior to installation. The Bureau shall require that each such device conform to the provisions of this section and any other applicable section of the code.

"88-606.2. Wiring Method. There shall be no exposed live parts. All exposed metallic non-current carrying parts shall be grounded by one of the methods provided for in Section 87-250. The wiring method employed shall conform with one of the recognized wiring methods permitted by this code as contained in Sections 87-300 through 87-410.116 inclusive. The construction of the device and its use shall determine the applicable provisions.

"88-606.3. Neon Gas Signs. This includes all signs which employ a glass tube into which a gas is introduced.

(a) Transformers. Transformers shall be of types with no exposed terminals, shall be marked with the maker's name, input rating and open circuit high tension voltage. The marking shall be visible for inspection after installation. Where the transformer is located above the ceiling of the window, the high tension cable shall be in conduit and the conduit locked into the transformer enclosure.

Except by special permission, transformers shall be of types where ratings do not exceed 30 milliamperes secondary or 450 volt ampere primary, nor exceeding 15,000 volts open circuit secondary with an additional 1000 volts for test.

Where special permission has been obtained for installation exceeding 30 milliamperes, all tube electrodes shall be enclosed and door switches installed on all enclosures, which, by opening, will break the primary circuit supply to the transformers and vacuum tube terminals.

The capacity of an overcurrent device protecting one or more transformers shall be limited to 15 amperes at 125 volts.

(b) Gas Tubing. The tubing shall be of such a length and design as not to cause a continuous over-voltage on the transformer. It shall be free from contact with flammable material and for circuit voltages exceeding 7500, from metal. It shall not be unduly exposed to mechanical injury.

The supports for the tubing where needed, shall be of the insulated type, of non-absorptive, non-combustible material and preferably adjustable. They shall maintain the tubing not less than 1/4 inch from metal parts and this spacing shall be maintained where the tubing passes through metal barriers.

(c) Electrodes. The tube terminals shall comply with one of the following:

1. Project within an enclosure and be separated from grounded metal by a minimum of 1¼ inches of air or by an approved non-absorptive non-combustible insulating bushing or receptacle suitable for the voltage.

2. In the exposed type when not easily accessible hanging free in air and not less than 1½ inches from conducting or combustible material shall be enclosed by an approved sleeve of non-conductive and non-breakable type. This sleeve shall overlap all live parts by at least 1½ inches and shall be of a type which will afford the protection intended of it and approved for the purpose.

(d) Indoor Gas Tube Signs. Transformers and their enclosures for indoor use may be supplied with current and grounded by means of approved 3-wire portable cords, of suitable carrying capacity, and shall be so designed and installed as to comply with the following:

1. Where transformer enclosures are suspended by a readily detachable means, in an accessible location, and having high tension cables, as short as practicable, suspended free in air.

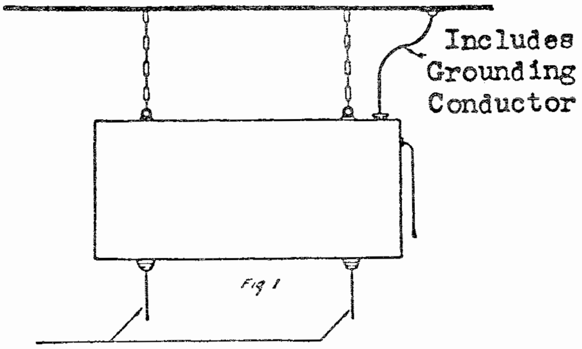


Fig 1

(1)

A "readily detachable means" is construed to mean a hook, snap, or link.

"Accessible location" is one that can be reached even if necessary to use a ladder.

"Free in air" means that high tension cables do not come in contact with surrounding material.

"Short as practicable" means that the suspended high tension cables between the transformer and the tube assembly are as short as practicability will allow.

2. Where transformer enclosures are the sole support of their tubes and the tubes do not extend through any part of the building structure.

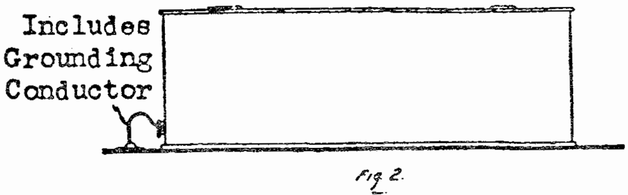

Fig 2.

The two types of gas tube equipment noted (1) and (2) of the above, are the only types permitted to be supplied and grounded by means of 3-wire cord and 3-wire receptacle. All other type installations are required to be permanently installed and wired with a standard method of wiring.

(e) Control. Signs shall be controlled by externally operable switches which shall disconnect all ungrounded conductors. Switches shall be within sight of the installation and shall have a capacity not less than twice the current rating of the transformers.

(f) Wiring Above 600 Volts.

1. Conductors for circuits operating at a potential in excess of 600 volts shall be of a type approved for the purpose, suitable for the voltage involved and shall be not smaller than No. 14 and shall, if within a sign or other enclosure, be supported on insulating supports placed not more than two feet apart which separate the wires at least 2 inches from each other and from conducting materials.

2. Conductors within a sign shall have rubber compound or other approved insulation; provided that where conductors are entirely enclosed within a sign enclosure and the enclosure cannot be opened without breaking the primary circuit, they may be bare.

3. Sharp bends in the conductors shall be avoided.

4. Conductors shall be installed in conduit, electrical metallic tubing or flexible metal conduit. Approved insulating bushings shall be used where the gas tube cable enters or leaves the conduit or electrical metallic tubing.

5. Where conductors hang freely in air away from combustible or conducting material, as in some window displays, and where not subject to mechanical injury they need not be otherwise protected.

88-606.4. Supports. Any sign or device covered by this section of the code shall be supported by approved fastening means as described in other sections of this code. (See 87-110.6).

88-606.5. Receptacles. No receptacle shall be installed in any sign or device covered by this section of the code.

88-606.6. Modular Signs. Where a sign is or may be made up of several pieces the wiring between such pieces shall be enclosed in a metal raceway unless specifically approved otherwise by the Chief Electrical Inspector.

88-606.7. Length of Cord. Where flexible cord is used as the method of supplying current to any device or sign covered by this section of the code, such cord shall not exceed 6′ in length. All such cords shall be approved three conductor and shall be equipped with a groundable type plug.

88-606.8. Voltage. In no case shall the primary voltage to any sign or device covered by this section of the code exceed 150 volts between conductors."

SECTION 183. That Section 88-610.12 of the Municipal Code of Chicago is amended to read as follows:

88-610.12. Conductor Sizes. Conductors shall be of the following sizes:

(a) Current Carrying Capacity. The allowable current carrying capacities of conductors shall be as follows:

(b) Minimum No. 14. Conductors shall not be smaller than No. 14 except:

1) On small cranes and hoists No. 16 may be used ,provided the conductors are protected against mechanical injury.

2) On Operating circuits No. 16 may be used, provided the conductors are protected against mechanical injury.

(c) Contact Conductors. The size of contact wires shall be not less than the following:

| *Distance between End Strain Insulators* | *Size of Wire* |
|---|---|
| 0 - 30 feet | No. 6 |
| 31 - 60 feet | No. 4 |
| Over - 60 feet | No. 2 |

SECTION 184. That Section 88-610.13(c) of the Municipal Code of Chicago is amended by deleting therefrom the words:

"armored cable".

SECTION 185. That Section 88-620 of the Municipal Code of Chicago is amended so as to read as follows:

"88-620. Elevators, Escalators, Dumbwaiters and Moving Walks.

General. No equipment other than that which relates directly to the operation of elevator, escalator, dumb waiter or moving walk shall be permitted in the machine room of this equipment, unless the equipment relating to the operation of the elevator, escalator, dumbwaiter or moving walk is effectively separated by an acceptable barrier.

**Ampacities of Insulated Conductors in Raceway or Cable Used with Short Time Rated Crane and Hoist Motors**

| Max. Operating Temp. | 60°C | | 75°C | | 90°C | | 110°C | |

88-620.1. Scope. This section shall apply to electrical equipment and wiring used in connection with elevators, dumbwaiters, escalators and moving walks. Installation in hazardous locations shall also comply with 88-500. Installations in garages shall also comply with 88-510.

88-620.2. Voltage Limitations. The following voltage limitations shall apply to the control and operating equipment of elevators, escalators, dumbwaiters and moving walks:

(a) Control Systems. 150 volts to ground for operating control and signal circuits and related equipment.

(b) Automatic Elevators. The maximum voltage permitted in the operating devices of automatic elevators, having operating devices in the car and at the landings, shall be 150 volts to ground.

(c) Push Buttons. The maximum voltage permitted on the pushbuttons of elevator signal circuits shall be 150 volts to ground.

(d) Driving Machinery. The maximum voltage permitted on driving motors, door operator motors, brakes, motor generator sets and related contactors, controllers and switches shall be 600 volts between conductors.

88-620.3. Live Parts Enclosed. All live parts of electrical apparatus in the hoistways, at the landings, or in or on the cars of elevators and dumbwaiters, or in the wellways or the landings of escalators, or moving walks shall be enclosed to protect against accidental contact.

88-620.4. Insulation of Conductors. The insulation of conductors installed in connection with elevators, dumbwaiters, escalators and moving walks, shall comply with the following:

(a) Control Panel Wiring. Conductors from panels to main circuit resistors shall be flame-retardant and suitable for a temperature of not less than 90°C. (194°F.). All other wiring on control panels shall be flame-retardant, moisture-resistant.

(b) Traveling Cables. Traveling cables used as flexible connections between the elevator or dumbwaiter car and the raceway shall be Type E, EO, or ET elevator cable or other approved types and shall have a flame-retardant, moisture-resistant outer covering.

(c) Other Wiring. All conductors in the raceways and in or on the cars of elevators and dumbwaiters and in the wellways of escalators and moving walks and in the machine room of elevators, dumbwaiters, escalators and moving walks shall have flame-retardant and moisture-resistant insulation.

(d) Thickness of Insulation. The thickness of the insulation of all conductors shall be suitable for the voltage to which the conductors are subjected.

88-620.5. Minimum Size of Conductors. The minimum size of conductors used for elevator, dumbwaiter, escalator, and moving walk wiring, except for conductors which form an integral part of control equipment, shall be as follows:

(a) Traveling Cables.

(1) For lighting circuits: No. 14, except that No. 18 or larger conductors may be used in parallel, provided the carrying capacity is equivalent to at least that of No. 14 wire.

(2) Operating control and signal circuits: No. 18.

(b) Other Wiring. All operating control and signal circuits: No. 18.

88-620.6. Motor Circuit Conductors. Conductors supplying elevator, dumbwaiter, escalator, or moving walk motors shall have a carrying capacity conforming to sub-sections (a), (b) and (c) below based on the nameplate current rating of the motors. With generator field control the carrying capacity shall be based on the nameplate current rating of the driving motor of the motor-generator set which supplies power to the elevator motor.

(a) Conductors Supplying a Single Motor. Conductors supplying a single motor shall have a carrying capacity in conformance with Section 87-430.11 (a-Exemption).

(b) Conductors Supplying Several Motors. Conductors supplying several motors shall have a current carrying capacity of not less than 125 per cent of the nameplate current rating of the highest rated motor in the group plus the sum of the nameplate current rating of the remainder of the motors in the group.

(c) Feeder Demand Factor. Feeder conductors of less capacity than required by sub-section (b) above may be furnished subject to the requirements of Section 87-430.16.

88-620.7. Wiring Method. Conductors located in hoistways and escalators and moving walk wellways shall be installed in rigid conduit, electrical metallic tubing or MI cable except: 1) traveling cables, 2) that wireways may be used for elevator controls or signal systems and 3) that flexible metal conduit may be used between riser and limit switches, interlocks, push buttons and similar devices.

(a) On the Car. Conductors and cables on the cars of elevators shall be installed in rigid metal conduit, electric metallic tubing, wireways or short runs of flexible metal conduit if kept free of oil and securely fastened in place.

(b) Between Motors, Generators and Control Panels. The conductors of circuits between motors, generators, and control panels may be grouped without any additional insulation of the separate conductors if the complete group is either taped or corded, and such covering properly painted with an insulating paint; provided that such conductors are not over 6 feet long, are supported at intervals not more than 3 feet and are not so located as to be subject to mechanical damage. If motor-generators are used with elevator motors and both are located adjacent to or underneath the control equipment and are provided with extra length terminal leads, such leads may be extended to connect directly to the elevator controller or motor-generator starter terminal studs without regard to the carrying capacity requirements of 87-430 and 87-445, provided that no such lead is longer than 6 feet.

### Installation of Conductors

88-620.8. Raceway Terminal Fittings. Conductors leaving raceways shall comply with the provisions of 87-300.8 and 87-300.9, but in no case shall the raceway terminate less than 6 inches from the floor.

88-620.9. Split Fittings. Split fittings or clamp fittings may be used on exposed conduit or electrical metallic tubings, except where the conduit or tubing contains feeders.

88-620.10. Supports. Supports for pipes, conduits, and armored cable shall be securely fastened to the guide rail or hoistway construction.

88-620.11. Number of Conductors in Raceway. The number of operating and control-circuit conductors installed in a raceway may be in accordance with Table 9 of 88-10.

88-620.12. Auxiliary Gutters. The restrictions of 87-374.2 as to length of auxiliary gutters, and of

87-374.5 as to number of conductors in auxiliary gutters, shall not apply.

88-620.13. Lighting and Signal Circuits Separate. Conductors of car-lighting circuits, and signal systems when not an integral part of the elevator wiring system, shall be separated and run in separate traveling cables and raceways.

88-620.14. Different Systems in One Cable or Raceway. Conductors for elevator circuits, including operating, control and power conductors, and signal conductors when an integral part of the wiring system may be run in the same traveling cable or raceway system when the power supply is from the same source, even though the characteristics of the voltage and/or current may be changed within the system by rectifying, transforming or other converting devices supplied from the elevator feeder circuit; provided that all conductors are insulated for the maximum voltage found in the cable or raceway system, and the live parts of the equipment are insulated from ground for this maximum voltage. Such a traveling cable or raceway may also include a pair of telephone conductors to serve a telephone in the car, provided such conductors are insulated for the maximum voltage found in the cable or raceway system.

88-620.15. Foreign Conduits or Wires. No electric conduit or cables except those used to furnish or control power, light, heat or signals for the elevator, hoist or dumbwaiter, shall have an opening, terminal, outlet or junction within the hoistway, but shall be continuous between outlets or terminals situated entirely outside the hoistway. It is not intended to prohibit the interruption of long runs for the purpose of supporting or pulling in conductors, and pull boxes may be installed for this purpose. No foreign raceway or cable shall be installed in any hoistway unless special permission is obtained in writing from the Chief Elevator Inspector and the Chief Electrical Inspector before the installation is begun. Detailed drawings of each such proposal shall be submitted with the request for special permission.

### Traveling Cables

88-620.41. Suspension. Traveling cables shall be so suspended at the car and hoistway end as to reduce the strain on the individual copper conductors to a minimum.

Cables exceeding 100 feet in length and which have steel supporting fillers shall be suspended directly by the steel supporting fillers.

Where non-metallic fillers are used, the cables shall be suspended by looping the cables around the supports.

88-620.42. Hazardous Location. In hazardous locations, traveling cables shall be Type EO and shall be secured to explosion proof cabinets by heavy-duty rubber-bushed threaded connector bushings sealed off at the enclosure as provided in 88-510.

88-620.43. Location of and Protection for Cables. Traveling cable supports shall be so located as to reduce to a minimum the possibility of damage due to the cables coming in contact with the hoistway construction or equipment in the hoistway. Where necessary, suitable guards shall be provided to protect the cables against damage.

### Control

88-620.51. Disconnecting Means. There shall be in addition to the elevator controller, a means for disconnecting all conductors of the circuit to the elevator motor, or in the case of generator field control, to the motor of the motor-generator set which supplies current to the elevator motor.

(a) Type. The disconnecting means shall be an enclosed externally operable motor circuit switch or circuit breaker arranged to be locked in the open position.

(b) Location. It shall be located adjacent to and be visible from the elevator machine, unless a disconnect switch in the control circuit of the motor-generator set is placed adjacent to and is visible from the elevator machine.

88-620.52. Limit Switches. Final overrun limit switches, mounted in the hoistway and operated by the movement of the car, shall be provided for upper and lower limits of travel for all elevators, which shall act to prevent movement of the car in both directions of travel. See 88-510 for elevators located in garages.

88-620.53. Phase Protection. Electric elevators, used to convey persons, if operated by a polyphase alternating-current motor, shall be provided with a device which will prevent starting the motor if:

(a) The phase rotation is in the wrong direction, or

(b) There is a failure in any phase.

88-620.59. Electrical Equipment in Garages and Similar Occupancies. Electrical equipment and wiring used for elevators, dumbwaiters, escalators, and moving walks in garages shall conform to the requirements of 88-510. Wiring and equipment located under the car platform shall be considered as being locating in the hazardous area.

88-620.61. Overcurrent Protection. Overcurrent protection shall be provided as follows:

(a) Control and Operating Circuits. Control and operating circuits and signal circuits shall be protected against overcurrent in accordance with the requirements of Section 88-725.31.

(b) Motors.

(1) Duty on elevator and dumbwaiter driving machine motors and driving motors of motor generators used with the generator field control shall be classed as intermittent. Such motors shall be protected against overcurrent in accordance with Section 87-430.23.

(2) Duty on escalator and moving walk driving machine motors shall be classed as continuous. Such motors shall be protected against overcurrent in accordance with Section 87-430.22.

(3) Elevator, dumbwaiter, escalator, and moving walk driving machine motors and driving motors of motor generator sets shall be protected against running overcurrent as provided in Table 87-430.27, except that no more than two overcurrent protective units shall be required.

### Machine Rooms

Machine rooms of elevators, escalators, moving walks and dumbwaiters shall be constructed in accordance with all applicable provisions of the Chicago Building Code, and in addition thereto shall conform to the following:

88-620.73. Guarding Equipment. Elevator, dumbwaiter, escalator, and moving walk driving machines, motor generator sets, controllers and auxiliary control equipment shall be installed in a space secured against unauthorized access. Such equipment may be located in rooms or spaces containing other equipment essential to the operating of the building provided it is separated therefrom by a substantial metal grill enclosure of a design which will reject a ball two inches in diameter and is at least seven feet high and is equipped with a self-closing and self-locking door. It is not intended to prohibit the installation of dumbwaiter, escalator or moving walk controllers in complete metal enclosures with doors or panels capable of being locked in the closed position providing the proper clearances are available.

88-620.72. Clearances Around Control Panels. There shall be provided sufficient clear working space around control panels to provide safe and convenient access to all live parts of the equipment necessary for maintenance and adjustment. The minimum clear working space about live parts on control panels shall not be less than is set forth below:

(a) Elevator and Dumbwaiter Controllers.

1. Single Panel
   Front ................................36 inches
   Rear ..................................24 inches
   1 side ................................18 inches
2. 2 Panels (side by side) or more
   Front ................................36 inches
   Rear ..................................36 inches
   2 Sides ..............................18 inches

It shall be permissible to mount control panels on, over or against the hoisting machine or motor generator set or to place auxiliary control equipment in front or rear of control panels provided the clearance to live parts are not less than those described above, and further provided that such equipment does not make normal maintenance a hazard.

Where control panels are mounted in cabinets with swing doors or removable panels, sufficient clear space shall be provided to fully open the doors or remove the panels.

(b) Escalator and Moving Walk Controllers. The Minimum working clearance for escalator and moving walk control panels shall be as specified in 88-620.72(a). Where the minimum clearances cannot be obtained in the same space as the escalator or moving walk drive machinery, the control panel shall be mounted remotely and a disconnect switch shall be installed within sight of the drive machinery. This disconnect switch shall open all ungrounded conductors in the supply to the drive machinery.

Where control panels are not located in the same space as the drive machine, they shall be so located in cabinets with doors or removable panels capable of being locked in the closed position. Such cabinets may be mounted in the balustrading on the side away from the moving steps or moving treadway.

(c) Illumination. All machinery rooms for elevators, escalators and moving ramps or walks shall be adequately illuminated with electrical lights. There shall be a switch for such lights located immediately adjacent to each door or hatch in or out of such machinery rooms or spaces."

### Grounding

88-620.81. Metal Raceways. All metal raceways shall be bonded to the grounded metal parts of cars with which they came in contact.

88-620.82. Electric Elevators. For electric elevators, the frames of all motors, elevator machines, controllers and the metal enclosures for all electrical devices in or on the car or in the hoistway shall be grounded.

88-620.83. Non-Electric Elevators. For elevators other than electric, and where any electrical conductors are attached to the car, the metal frame of the car, if normally accessible to persons, shall be grounded.

88-620.84. Hand-operated Cables. All hand-operated metallic shifting ropes or cables shall be grounded.

88-620.85. Inherent Ground. Equipment mounted on members of the structural metal frame of a building, shall be deemed to be grounded. Metal car frames supported by metal hoisting cables attached to or running over sheaves or drums of elevator machines shall be deemed to be grounded when the machine is grounded in accordance with 87-250.

### Overspeed

88-620.91. Power Rectifiers for Direct Current Elevators.

Where dry plate rectifiers or other types of rectifiers which are incapable of absorbing electrical energy are used to transform alternating current to direct current for the operation of a direct current elevator motor or motors, means shall be provided to absorb a sufficient amount of the energy regenerated by the elevator motor or motors under overhauling load conditions to prevent any elevator from attaining at any time a speed of more than 125 per cent of its rated speed (speed in the up direction with rated load in the car).

88-620.92. Motor Generator Overspeed Device. Motor generators driven by direct current motors and used to supply direct current for the operation of elevator machine motors shall be provided with speed limiting devices as required by Section 87-430.89, which will prevent the elevator from attaining at any time a speed of more than 125 per cent of its rated speed."

SECTION 186. That Section 88-635 of the Municipal Code of Chicago is amended to read as follows:

### "88-635. Fire Pumps

88-635. Scope. The special provisions of this section shall apply to all fire pumps required to be installed by other sections of the Chicago Code and by other agencies of the Municipal, County or State Governments.

88-635.1. General. Installation requirements shall be as outlined in the applicable provisions of 87-100 to 87-480 inclusive of this code except as modified by the requirments of this section.

Approval of the location, type and size of each required fire pump shall be obtained from the authority requiring such fire pump prior to the start of the installation. Detailed specifications for the installation of fire pumps should be obtained from the electric supply company and from the insurance company when one is involved. Such specifications may be in addition to those contained herein, but shall not be construed as relieving an installer of the responsibility of full conformance with the provisions of this code.

88-635.2. Service. Where a fire pump is required by this code or some governmental agency, the service shall be installed as follows:

A) A separate set of service conductors large enough to carry the load to be supplied as figured according to the provisions of 87-430 shall be provided from the motor control enclosure back to the service drop, stub box or vault. There shall be no switch, circuit breaker, fuse, disconnecting means, splice or conjunction, except where broken at meter cabinet, in such conductors. The only disconnecting means and overcurrent device permitted shall be contained in the approved fire pump control panel. If the length of the run or the manner in which the conduit is run makes a pull box desirable or mandatory, special permission shall be obtained in writing from the Chief Electrical Inspector prior to the start of the installation. Detailed drawings shall be submitted with each application for special permission.

B) Service Conductors. (See definition 87-100). May be overhead or underground.

1) If underground, they shall be treated as all underground service conductors are.

2) Overhead service conductors (service drop) shall not pass over any combustible structure or material; shall not be attached to the building being served at a point over an opening in that building which could possibly expose said service conductors to any fire in the building; shall not be attached to any combustible surface.

C) Service Entrance Conductors. (see definition 87-100). May be underground or may be run in an approved raceway along the outside building wall.

1) If underground or encased in concrete normal rules apply.

2) If run in an exposed approved raceway, such raceway:

(a) shall not pass over any opening in the building wall.

(b) shall not run in close proximity to a combustible surface.

(c) shall be run at least one foot below any openings in the building wall.

(d) shall not be run above any combustible surface, area or material.

(3) Service entrance conductors on the interior of buildings shall be run in an approved raceway and shall be enclosed in at least two inches of concrete or masonry.

88-635.3. Service. Where a fire pump is installed and when such installation is not the result of a requirement of this code or some governmental agency, the normal rules for service in Section 87-230 may apply. When such service originates in an inside vault with a bus extension through the vault wall and the metering facilities are ahead of the disconnect device, the fire pump service may be tapped from the bus on the load side of the meter current transformers.

88-635.4. Meters. Requirements for metering shall be obtained from the electric supply company and shall be approved by the Bureau of Electrical Inspection.

88-635.5. Motor Controllers. All motor controllers used in conjunction with fire pump installations shall be specifically approved for the purpose and shall be so identified."

SECTION 187. That Section 88-640 of the Municipal Code of Chicago is amended so as to read as follows:

"88-640. Public Address Systems and Equipment.

General. Public address systems and equipment shall include the following:

(a) Aural communication equipment, any equipment using metallic conductors as a transmission media for conveying sound from one point to another using electricity as a primary source of energy.

(b) Communication equipment, any equipment using metallic conductors as a transmission media for conveying visual, voice via telephone, data or video information from one point to another using electricity as a primary source of energy.

(c) Master Antenna System, any receiving antenna system using electricity as a primary source of energy for the amplification of received radio or video frequences.

(d) Any system that includes the connection to or remote control of any projection equipment, communication system or low voltage control. The provisions of this Section shall not apply to equipment installed in any mobile vehicle nor to similar equipment employed by a commercial or private broadcasting station which is operating, under the auspices of the Commerce Commission or the Federal Communication Commission.

The provisions of this section are to be deemed additional to or amendatory to those prescribed in 87-100 to 87-480 inclusive, 88-540, 88-725, 88-755, and 88-800 of this code."

SECTION 188. That Section 88-640.1 of the Municipal Code of Chicago is amended by deleting therefrom:

sub-sections "(a)" and "(b)", and is further amended by renumbering sub-section "(c)" so that it becomes "(a)".

SECTION 189. That Section 88-640.2 of the Municipal Code of Chicago is amended by adding thereto the following:

"(c) Equipment used in conjunction with public address systems, when installed in air handling spaces shall conform to the provisions of 87-300.20 and 87-300.21.

(d) All wire and cable of public address systems shall be installed in a neat and workmanlike manner and shall be supported by approved means. The use of the 'ring route method" is permitted, provided cable separation between wiring of different potentials is maintained. Unshielded loudspeaker wiring shall not be grouped with microphone cabling or public utility conductors."

SECTION 190. That Section 88-640.3 of the Municipal Code of Chicago is amended by adding thereto the following:

"(e) Ventilation required. Where under normal operating conditions the ambient temperature of the area in which public address equipment is located, exceeds 140 degrees F., mechanical ventilation adequate to maintain an ambient less than 140 degrees F, shall be provided.

SECTION 191. That Section 88-640.4(b) of the Municipal Code of Chicago is amended so as to read as follows:

"(b) All public address system equipment which requires a connection to the power distribution system of the buildings shall be connected to that system by an approved metallic raceway, except as noted herein.

1. Equipment generally classed as package units manufactured to be used on office furniture and equipped with an approved flexible cord.

2. Equipment installed on a temporary basis or portable equipment which is used in two or more places in the same general system.

All equipment discussed in this section shall be grounded by one of the means provided in Section 87-250 of this code."

SECTION 192. That Section 88-650.2 of the Municipal Code of Chicago is amended to read as follows:

"88-650.2. Source of Energy. The source of energy shall have a potential not over 15 volts and shall be of a self-excited generator, a two-coil transformer type rectifier or a primary battery."

SECTION 193. That Section 88-665.20(b) of the Municipal Code of Chicago is amended by deleting therefrom the last two sentences.

SECTION 194. That Section 88-670 of the Municipal Code of Chicago is amended to read as follows:

### 88-670. Machines

88-670.1. Scope. The provisions of this article shall apply to the electrical equipment for motor-driven or electrically operated machines, not portable by hand, and having one or more motors or electrically operated devices.

88-670.2. Application of Other Sections. The following provisions cover the requirements for electrical wiring and equipment on machines within the scope of this article. They are in addition to or amendatory of the applicable provisions of other articles of this code, which apply except as modified in this article.

88-670.3. Identification. Each electrically operated machine shall be marked where plainly visible to show the voltage, full-load current and frequency required for each external circuit supplying the machine. For a multi-motored machine, this full-load current marking shall be not less than the sum of the full-load current required for all motors which may be in operation at one time under normal conditions of use. If only a single motor is used, the motor nameplate may serve if plainly visible.

88-670.4. Lighting. Lighting fixtures which are a part of or attached to any machine shall conform to the following:

(a) Voltage. The lighting circuit voltage shall not exceed 150 volts between conductors and shall be a grounded circuit.

(b) Wiring Methods for Lighting. Fixed lighting fixtures shall be wired with rigid metal conduit, electrical metallic tubing, flexible metal conduit or MI cable. Portable lighting fixtures may be wired with an approved flexible cord suitable for hard usage, resistant to coolant or oil and shall be so arranged that it cannot be damaged by moving parts of the machine.

88-670.11. Wiring Method.

(a) Conduit. Conductors shall be in rigid metal conduit, electrical metallic tubing or MI cable, except; 1) the feeder raceway to a machine which is free in air (either horizontal or vertical) shall be rigid metal conduit from the machine to a point beyond the first means of support after the raceway reaches a part of the building structure. 2) all raceways on metal working machine tools shall be rigid metal conduit except as permitted for flexibility.

(b) Flexible Metal Conduit. Flexible metal conduit may be used only where necessary to obtain flexible connections for infrequenet movements, as at motor terminals. Where such flexible metal conduit will be subjected to oil or any coolant it shall be of the liquid tight type and shall be equipped with proper fittings.

(c) Continuously Moving Parts. Wiring connections to continuously moving parts of a machine shall be of an approved type extra-flexible non-metallic-covered, multi-conductor cable. In lieu of cable, individual conductors enclosed in flexible tubing may be used. The tubing and its fittings shall be approved for the purpose, and conductors in such tubing shall be considered as subject to oil or coolant when either is present on the machine.

(d) Compartments and Raceways. Compartments and raceways within the framework of a machine may be used to enclose conductors, provided they are isolated from any coolant or oil reservoir and are entirely enclosed. Conductors in compartments and raceways shall be secured in place and so arranged that they will not be subject to mechanical injury or abrasion and will not be accessible to machine operators or unqualified personnel during normal operation or maintenance.

(e) Number of Bends in Conduit. If a run of rigid metal conduit or electrical metallic tubing does not exceed 25′ in length and the conductors fill does not exceed 30% of the cross sectional area of the conduit, the requirements of 87-346.11 shall not apply.

### Conductors

88-670.12. Sizes Permitted. Circuit and control conductors on or in machines shall not be smaller than No. 14 except as follows:

(a) Conductors to Moving Parts. Copper conductors for control purposes to continuously moving parts shall be No. 18 if all such conductors are insulated for the maximum voltage of any conductor in the cable or tubing.

(b) Conductors to electronic and Precision Devices. Copper conductors to electronic and precision devices may be No. 22 except if pulled into raceways they shall not be smaller than No. 18.

88-670.13. Type. Conductors shall be of a type suitable for conditions of use. Flexible, not metallic, multi-conductor cable shall have an oil- and moisture-resistant insulation with a flame-retardant outer covering.

88-670.14. Identification of Conductors. Conductors shall be identified either by color code or by other distinctive means. White or natural gray coloring shall be used only for a grounded conductor, and green only for a conductor used to ground the frame of equipment.

### Control Equipment

88-670.15. Mounting. Controllers shall be mounted in such a manner as to guard against mechanical injury, oil, coolant, dust, and dirt.

88-670.16. In Machine Compartments. Compartments in the column or base of a machine may serve as enclosures for control equipment if the following provisions are complied with:

(a) Thickness of Metal. The wall thickness shall be not less than No. 14 USS gauge if of sheet steel, not less than ⅛-inch if of cast metal, or not less than 3/32-inch if of malleable iron.

(b) Covers. Compartments shall have tight-fitting hinged covers, not thinner than specified in paragraph a. Covers shall have adequate means for fastening securely in a closed position.

(c) Control Enclosures. Compartments used for control enclosures shall be readiy accessible and shall not contain moving parts not directly connected to electrical control equipment, and shall be so located as to guard the control devices against oil coolant, chips and dirt.

(d) Venting. A compartment enclosing group control equipment with branch circuit fusing as specified in paragraph b of 88-670.19 shall have a clear opening of at least 2 square inches, vented to another compartment within the column or base and having at least one-half the volume of the control compartment.

(e) No Floor Opening. Compartments enclosing control equipment shall not be open on the floor or foundation upon which the machine rests.

88-670.17. Not in Machine Compartment. Controllers not in machine compartments shall comply with the following:

(a) Controllers with overcurrent protection as permitted by 88-610.19 may be mounted on the outside of the machine tool or on the floor as close to the machine tool as possible provided the enclosures comply with all the provisions of 88-670.16.

(b) Other controllers may be mounted on the outside of the machine tool or elsewhere if they comply with the provision 87-430.

Motor Branch-Circuit Overcurrent Protection.

88-670.18. Branch Circuits. Any motor on a machine tool may be supplied from an individual branch circuit in accordance with the provisions of 87-430 or may be connected to a branch circuit which also supplies other motors on the same machine tool in accordance with the provision of either 87-430.43 or of 88-670.19. The conductors supplying all motors on a single machine tool may be considered a single branch circuit if all of these motors are protected in accordance with the provisions of either 87-430.43 or of 87-430.42.

88-670.19. Several Motors on One Branch Circuit. Controllers and running overcurrent protective devices for two or more motors connected to the branch circuit of a single machine tool need not comply with the provisions of 87-430.43 if all of the following provisions are complied with:

(a) Motor-Running Protection. Each motor shall be protected by a motor-running overcurrent protective device.

(b) Rating of Overcurrent Devices. The branch circuit shall have overcurrent protection of a rating equal to that specified in 87-430.42 for the largest motor connected to the circuit, plus an amount equal to the sum of the full-load current ratings of all other motors on the machine tool which may be in operation at one time under normal conditions of use and which are connected to the same circuit. In no case shall overcurrent protection be more than 200 amperes at 250 volts or less, or 100 amperes at 600 volts or less.

(c) Enclosures. Enclosures for control equipment and running protective devices enclosed in machine compartments, or mounted on or adjacent to the machine, shall comply in all respects with the provisions of 88-670.16 or 88-670.17.

(d) Conductors. The conductors of the branch circuit shall comply with the provisions of paragraph b of 87-430.43.

Protection and Grounding.

88-670.20. Protection Against Damage. If the failure of one motor to operate while others continue to run could cause damage, they shall be so connected that the tripping of any overload or undercurrent device will result in stopping all of these motors.

88-670.21. Grounding. All machine tools within the scope of this article, including connected portable equipment, shall be effectively grounded as specified in 87-250.

88-670.22. Moving Parts. A machine part that moves on grounded metal guides or supporting ways shall be considered as adequately grounded if the movable part may not readily be removed by hand."

SECTION 195. That Chapter 88 of the Municipal Code of Chicago is amended by adding thereto the following new section:

88-680—SWIMMING POOLS

88-680.1. Scope. The provisions of this section apply to the construction and installation of electric wiring for equipment in or adjacent to swimming pools, to metallic appurtenances in or within 5 feet of the pool, and to the auxiliary equipment such as pumps, filters and similar equipment. No electric appliances or wiring shall be installed in the water or in the enclosing walls of a swimming pool, except as provided for in this section.

88-680.2. Approval of Equipment. All equipment shall be approved for the purpose.

88-680.3. Application of Other Sections. Except as modified by this section, wiring and equipment in or adjacent to swimming pools shall comply with the applicable requirements of Sections 87-100 to 87-480.

88-680.4. Lighting.

(a) The provisions of this Section apply to lighting fixtures installed below the pool surface.

(b) No lighting fixture shall be installed for operation at more than 150 volts.

(c) A nonmetallic fixture shall not be used with a grounded power supply.

(d) All noncurrent carrying metal parts of lighting fixtures shall be grounded whether exposed or enclosed in non-conducting materials.

(e) Fixtures approved for the purpose may be installed outside the walls of the pool in closed recesses which are adequately drained and accessible for maintenance.

(f) Approved metal fixture housings (forming shells) shall be installed for the mounting of all underwater fixtures and shall be equipped with provisions for conduit entries. Metal parts of the fixture, fixture housing, and the supply conduit below grade level shall be of brass or other suitable copper alloy. The conduit shall extend from the fixture housing (forming shell) to a suitable junction box located as provided in Section 88-680.5 of this section.

(g) All circuits supplying underwater fixtures should be isolated. If the circuit voltage is greater than 30 volts, an approved fail-safe ground detector device which automatically de-energizes the circuit or an approved grid structure or similar safeguard should be used.

(h) Transformers used for the supply of fixtures, together with the transformer enclosure, shall be approved for the purpose. The transformers shall be of an isolating type having a grounded metal barrier between the primary and secondary voltage windings.

88-680.5. Junction Boxes and Transformer Enclosures.

(a) Junction boxes installed on the supply side of conduits extending to underwater pool lights shall be constructed of brass or suitable copper alloy unless located:

(1) Not less than 4 feet from the pool perimeter, and

(2) Not less than 8 inches above the ground or concrete surface.

(b) Transformer enclosures shall be approved for use in wet locations, or shall be located:

(1) Not less than 4 feet from the pool perimeter, and

(2) Not less than 12 inches above the ground or concrete surface, and

(3) In no case less than 12 inches above the maximum water level.

(c) Boxes shall be provided with means for independently terminating not less than two #12 grounding conductors.

88-680.6. Attachment Plug Receptacles. No attachment plug receptacles shall be installed within 10 feet of the inside walls of the swimming pool.

88-680.7. Grounding.

(a) All metallic conduit, piping systems, pool reinforcing steel, lighting fixtures, and the like, shall be bonded together and grounded to a common ground. The metal parts of ladders, diving boards, and their supports shall be grounded.

(b) No pool equipment shall be grounded to an external grounding electrode that is not common to the pool ground (deck box or transformer enclosure).

(c) An unbroken No. 12 AWG, or larger, insulated copper wire shall be provided for a grounding conductor from the deck box to the distribution panel ground.

(d) Metallic raceways shall not be depended upon for grounding. Where exposed to pool water and in other corrosive areas such as in pump houses or adjacent to water treating and other equipment, the grounding of the non-current carrying parts shall be by means of an insulated copper conductor sized in accordance with Section 87-250.95.

88-680.8. Methods of Grounding and Bonding.

(a) Metal wiring enclosures shall be grounded in accordance with Section 87-250, in addition to other requirements of this section.

(b) In addition to other requirements of this section, lighting fixtures that are supplied by flexible cord shall have all metal parts grounded by means of an insulated grounding conductor that is an integral part of the cord. This conductor shall be No. 14 AWG or larger.

(c) Nonelectrical equipment required to be grounded to a common ground in accordance with Section 88-680.7 shall be grounded in accordance with Section 87-250.

88-680.9. Clearances. Service drop conductors shall not be installed above the swimming pool or surrounding area extending 10 feet horizontally from the pool edge, or diving structure, observation standards, towers or platforms.

88-680.10. Overhead Wiring. No open overhead wiring shall be installed in the pool area as described in Section 88-680.9.

88-680.11. Wiring Method. All conductors installed in conjunction with or adjacent to a swimming pool shall be enclosed in heavy wall rigid metal conduit. All junctions in such conduit shall be threaded. Locknuts and bushings shall not be employed. A separate grounding conductor not smaller than the circuit conductors and in no case smaller than #12 shall be installed in each conduit and shall be arranged to terminate in an approved manner at each end of the conduit run. Said grounding conductor shall originate in the distribution panel outside of the pool area.

88-680.12. Approval. A Complete detailed set of drawings shall be submitted to the Bureau of Electrical Inspection prior to the start of any electrical work in, on, around or near any swimming pool."

SECTION 196. That Section 88-700 of the Municipal Code of Chicago is amended so as to read as follows:

### "88-700. EMERGENCY SYSTEMS.

General. The purpose of this section is to provide detailed installation specifications for required emergency and exit lighting systems. These provisions shall be deemed to be in addition to or amendatory of those set forth in 87-100 to 87-480 inclusive of this code. Emergency systems and exit lighting systems shall be competely independent wiring systems and shall not be intermingled with any other wiring system in the building.

Three complete sets of detailed plans of required emergency and exit lighting systems shall be submitted to the Bureau of Electrical Inspection for approval before any construction work is started on any building requiring such systems. These plans shall bear the approval stamp of the Fire Prevention Bureau for the exit lighting system when submitted to the Bureau of Electrical Inspection.

88-700.1. Definition. Emergency lighting systems shall be defined as independent lighting systems supplementing the general lighting system, as are required in this and other sections of this code.

(a) Exit Lighting Systems. (See Sections 67-17 and 67-18 for location and type) Exit Lighting systems shall be defined as those independent electrical systems which supply electricity to required exit, directional, stairway and fire escape signs.

88-700.2. Emergency Systems Required. Emergency systems of the Class indicated shall be provided in all buildings listed in the following Table. All required emergency lights, exit, directional, stairway and fire escape signs in these buildings shall be supplied from the emergency system as is provided in this code.

Where System III is required, System I or II may be installed. Where System II is required, System I may be installed.

CLASSIFICATION TABLE

| *Building Classification* | *Limitations* | *System* *I* | *II* | *III* |
|---|---|---|---|---|
| Apartments | See 88-560.5 | | x or | x |
| Apartment Hotels | 20 or more persons or more than 1 floor | | x | |
| Asylums | | | x | |
| Assembly Halls* | See Schools | | x | |
| Business Units** | Less than 10,000 sq. ft. and less than 2 stories | No system required | | |
| Business Units | 10,000 sq. ft. or more | | | x |
| Business Units | Two or more stories high or having one or more levels below grade | | x | |
| Chapels | 400 or more persons | | x | |
| Chapels | Less than 400 persons | | | x |
| Churches | 400 or more persons | | x | |
| Churches | Less than 400 persons | | | x |
| Day Nursery | 2 floors or more, or more than 20 persons | | x | |
| Exposition Buildings | | x | | |
| Fraternity and Sorority Houses | 2 floors or more, or more than 20 persons | | x | |
| Homes for the aged or Children | 2 floors or more, or more than 20 persons | | x | |
| Hospitals | (see below) | | x | |
| Hospitals, which contain | Operating, delivery and emergency rooms | x | | |
| Hotels | 2 floors or more, or more than 20 persons | | x | |

| *Building Classification* | *Limitations* | *System* *I* | *II* | *III* |
|---|---|---|---|---|
| Infirmaries, Nursing Homes, Convalescent Homes, etc. | 2 floors or more, or more than 20 persons | | x | |
| Jails | 2 floors or more, or more than 20 persons | | x | |
| Libraries | Same as Business Unit Requirements | | | |
| Motels | 2 floors or more, or more than 20 persons | | x | |
| Police Stations | 2 floors or more, or more than 20 persons | | | x |
| Rooming Houses | 2 floors or more, or more than 20 persons | | | x |
| Schools | more than 100 students | | x | |
| Schools | less than 100 students | | | x |
| School Halls | Without fixed seats | | x | |
| School Halls*** | With fixed seats | x | | |
| Theaters | | x | | |

*Assembly Halls shall include but not be limited to such locations as: assembly halls, banquet halls, dance halls, gymnasiums (except as covered for schools), lodge halls, parish halls (except as covered for schools), club houses, swimming pools, and the like.

**Business Units shall include but shall not be limited to such locations as airport terminals, billiard parlors, bowling alleys, banks, barber shops, beauty parlors, bookstores, office buildings, retail stores, warehouses, vaults, frozen food lockers, factories, loft buildings, garages, motor freight docks, stores, restaurants (except as provided for assembly halls), laboratories, lumber yards, bakeries, meat packing or processing plants, medical centers, skating rinks, pet shops, broadcasting studios, automobile agencies and the like.

***Any building or space in which fixed seating is provided for the purpose of accommodating the public or the occupants of the building during any performance or meeting shall be provided with a System I Emergency System and shall be provided with aisle lights.

It is impossible to list each specific type of occupancy or use and therefore some of the classifications are general. If there is any doubt concerning a particular building or use, consult the Bureau of Electrical Inspection prior to the start of the installation.

88-700.3. Description. In general, every portion of a building devoted to the use or accomodation of the public, including all assembly rooms, all means of egress leading to the streets, open courts, corridors, stairways, exits, emergency exit stairways, or any other part of the building used by the public, shall be well and thoroughly lighted by the general lighting system. In addition thereto there shall be a sufficient number of emergency lights supplementing the general lighting to enable the occupants to evacuate the building without difficulty upon failure of the general lighting system. The required emergency lights and exit lights shall be energized whenever the building is occupied.

(a) Expositions, School Halls and Theaters. In the auditorium of a theater or exposition building there shall be a sufficient number of emergency lights properly distributed to provide one foot candle of illumination at all points on the floor area. In all parts of the building used by the public, alternate emergency light outlets shall be supplied through separately fused circuits. There shall be placed in the aisles of the auditorium and on any steps or stairs within the aisles, additional lights of an approved type on the emergency lighting system. Where the aisles are smooth running ramps, lights shall be placed not further apart than every third row of seats. In aisles in which there are steps, the aisle lights shall be placed at every row of seats. Aisle light outlets on the opposite sides of an aisle shall be supplied through separately fused circuits.

(1) In addition to the foregoing the following listed lights shall be also supplied from a third source of electrical energy, which may be either batteries or an on-site generator.

(a) Normally On. White lights in the passageways, lobbies, foyers, public toilets and stairwells sufficient in number and so distributed so as to afford egress from the building in the event of failure of the normal and auxilliary source of supply, one 25 watt lamp in the projection booth, one 25 watt lamp at the lighting service equipment, one 25 watt lamp at the stage lighting control board and one 100 watt lamp in the room that contains the emergency generator or the batteries.

(b) Normally Off. One 100 watt white light under each balcony, and one 100 watt white light for each 2500 sq. ft. or fraction thereof of the floor area of the auditorium or exposition hall.

(b) Hospitals. In addition to the general lighting emergency lighting shall be provided in all corridors, stairways and passageways. (System II)

(1) In addition to the general lighting in all operating, receiving emergency treatment and delivery rooms, permanently connected emergency lights and the ungrounded electrical system shall be supplied from the third source of electrical energy. These emergency lights shall be adequate to illuminate these rooms for their normal use. They shall be supplemental to the general illumination in these rooms, and shall be completely separate wiring systems. Switches may be installed for each individual room so that the lights may be turned off, when the room is not being used.

(c) Intensity of Emergency Illumination. In general the required emergency lights shall provide not less than 1 foot candle of illumination on all points in all required areas.

88-700.4. System I. This system shall consist of three sources of supply of electrical energy, as follows: (1) the normal source of current supply, (2) an auxilliary source of current supply, and (3) a final reserve source of current supply from batteries or an on-site generator. The sequence of current supply to the emergency lights shall be (1) the normal current supply, (2) the auxiliary supply upon failure of the normal current supply, and (3) the final reserve current supply from the batteries or generator upon failure of both the normal and the auxiliary sources of current supply.

(a) Definitions. The normal source of current supply shall be considered as that supply which furnishes electrical energy for general lighting purposes. The auxilliary source of current supply shall be another independent source of current supply, either from the Utility supplying the electricity or from an on-site generator. The final reserve source of current supply shall be an approved battery source or an on-site generator. If a generator is used as the auxilliary source of supply, a second, completely independent, generator shall be provided as the final reserve source of supply.

(b) Transfer Switches Required. An approved self-restoring automatic transfer switch shall be provided to connect the exit sign and emergency lighting system to the auxilliary source of current supply upon failure of the normal current supply. A second approved self-restoring automatic transfer switch shall be provided to connect the System I emergency load to the final reserve source of current supply upon the failure of the normal and the auxilliary sources of current supply. These transfer switches shall be equipped with indicating lights and audible alarms which will indicate that the transfer switch is in other than the normal operating position. A silencing switch may be installed in the alarm circuit, provided an "Alarm Silenced" indicating light is installed.

(c) Approved Auxiliary Sources. The auxiliary source of current supply required in this section shall be considered as meeting the requirements as a dependable standby under any one of the following conditions:

(1) When the normal current supply is an isolated plant, the auxiliary source shall be from an approved overhead or underground service from the Utility Company.

(2) When the normal source of current supply is an overhead service from the Utility Company, the auxiliary source of current supply may be from the same source of current supply as the normal source of current supply, but from a different pole and by separate drop, service conduit and equipment, as widely separated from the normal service as physical conditions permit.

(3) When the normal lighting and power supply is alternating current from separate transformers, the auxiliary source of current supply may be from an approved transformer or transformers within the building and supplied from the power service. The current supply to the transfer switch shall be taken from the first distribution point on the load side of the light and power service switches.

(4) When the source of current supply is common to both light and power and is an underground, 3 phase, network system, and is fed from two or more generating or sub-stations, the auxiliary source of current supply may be taken from the line side of the service switch. No transfer switch will be required.

(5) Where the source of current supply is common to both light and power, and is what is known as a "spot network", (2 separate primaries, 2 Utility Company transformers, and all the switch gear necessary to accomplish automatic switching) the auxiliary source of current supply may be taken from the line side of the service switch. No transfer switch will be required.

(6) Where the source of current supply is common to both light and power and consists of a single Utility Company primary supplying one or more transformers located on a pole structure or on a pad outside of the building being served, the auxiliary source of current supply shall be taken from the secondary side of the transformer or transformers through a separate set of service entrance conductors, a separate service conduit, service switch and ground. A transfer switch shall be utilized.

(a) Where the transformers referred to in this sub-section are located in a vault inside of the building being served and the secondary leads are as short as is possible, the auxiliary source of current supply may be taken from the line side of the service switch. No transfer switch will be required.

(7) Where the normal source of current supply is any approved Utility Company Service, the auxiliary source of current supply may be an approved on-site generator.

(d) Approved Final Reserve Sources of Current Supply. In all cases the final reserve source of current supply shall be from an approved on-site generator or an approved battery system.

88-700.5. System II. This system shall consist of two sources of current supply as follows: (1) the normal source of current supply, and (2) the auxiliary source of current supply. The sequence of electrical service to the emergency lights and exit signs shall be (1) the normal source of current supply, and (2) the auxiliary source of current supply upon failure of the normal source of current supply.

(a) Definitions. The normal source of current supply shall be considered as that supply which furnishes electrical energy for general lightning purposes. The auxiliary source of current supply shall be another independent source of current supply. It may be derived from the Utility Company supplying electricity, an on-site generator or an approved battery system.

(b) Transfer Switches Required. An approved self-restoring automatic transfer switch shall be provided to connect the exit sign and emergency lighting system to the auxiliary source of current supply upon failure of the normal source of current supply. Transfer switches shall be equipped with indicating lights and audible alarms which will indicate that the transfer switch is in other than the normal operating position. A silencing switch may be installed in the alarm circuit. (See 88-700.4(b).

(c) Approved Auxiliary Sources. An auxiliary source of current supply as is described in 88-700.4(c) is required for System II Emergency Systems.

88-700.6. System III. This System shall consist of two sources of current supply. The normal source of current supply to the structure shall provide electrical service for the general illumination. The second source of current supply shall provide electrical service for the exit signs and the emergency lighting.

(a) Definitions. The normal source of current supply shall be that service, from whatever source, which normally supplies electrical energy to the general illumination of the building. The auxiliary source of current supply shall be any approved source of electrical energy, which shall supply only the exit and emergency lights.

(b) Transfer Switches. Transfer switches will not be required. Under specific sets of circumstances and at the discretion of the System designer, transfer switches may be incorporated in a System which conforms to the intent and standard of this Section of the Code.

(c) Approved Sources of Current Supply.

(1) Where electrical energy is available from two separate underground sources, one shall be utilized to supply the general illumination of the building and the second shall be utilized to supply the exit and emergency lights.

(2) Where electrical energy is available from only one underground source, a separate overhead source shall be utilized to supply the exit and emergency lights.

(3) Where electrical energy is available from only one underground source and no overhead source is available, the exit and emergency lights shall be supplied from a tap made ahead of the service switch on the available underground source, an approved battery system or an on-site generator.

(4) Where electrical energy is available from an overhead source, the exit and emergency lights shall be supplied from a tap made on the service drop conductors ahead of the connection of the normal service entrance conductors, an approved battery system or an on-site generator.

88-700.7. Installation and Control of Systems. Except for buildings which are open for use 24-hours a day and every day, exit sign and emergency lights shall be controlled by a manually operable non-locking type switch or switches located in the main lobby or lobbies, entrances or entrance stairways, and from those points only. Where there is more than one main lobby, entrance or entrance stairway switches may be installed in each location which shall turn all exit and emergency lights "on". There shall be one location where such lights may be turned "off". All switches referred to in this section may be of the momentary contact type.

The only switches permitted in the exit or emergency systems shall be the service switches, the required transfer switches or the switches referred to in this section of the code.

(a) Separate Wiring Systems. Exit sign, emergency and battery emergency lighting shall be completely separate and independent wiring systems from all other electrical systems and from each other and from the source of current supply to the last light on the systems. Branch circuit conductors of emergency systems and exit light systems in Systems II and III may occupy the same raceway. No apparatus or lights shall be connected to or supplied from any emergency or exit light system. No switches shall be permitted in the sockets or fixtures used on these systems. No switches or circuit breakers shall be permitted in any distribution cabinet which feeds exit or emergency systems.

(1) Branch circuits on exit or emergency lighting systems shall be limited to not more than 20 sockets and shall be fused with 15 ampere fuses.

(2) Branch circuit overcurrent protective devices (fuses) shall be accessible to qualified and authorized persons only.

88-700.8. Approved Batteries and Battery Systems. Batteries and battery systems shall conform to the provisions of this section of the code.

(a) Dry Cell Batteries. Dry cell batteries shall not be utilized on any emergency lighting system.

(b) Battery Systems. Battery systems, regardless of voltage, which are made up of more than one battery in series or parallel shall be the subject of special permission and special investigation. Without limiting unduly the designer the Bureau takes cognizance of the many types of systems which are available and indicates that such systems may be utilized as the final reserve source of current supply in System I, as the auxiliary source in System II and as the second source in System III. Before proceeding with the design of any such system contact the Bureau of Electrical Inspection. The criteria which will be used as a basis of judgment by the Bureau will include: the type of occupancy, the qualifications of the maintenance personnel, the location of the batteries, the accessory equipment in the system, the dependability of the design, the types batteries being used, etc..

(c) Unit Batteries. Approved Unit Batteries may be utilized as the required emergency lights in System III in any occupancy and as the required emergency lights in existing buildings where System II is required. Where no emergency system is installed and where Unit Batteries supply the required emergency illumination, approved phosphorescent Exit Signs shall be installed and shall be connected to unswitched fused circuits.

(1) Description. All Unit Batteries shall be UL listed as Emergency lighting equipment. They shall consist of either a lead-acid or nickel cadmium battery and all necessary accessories encased in a common compartmentalized enclosure. The battery shall be in a separate compartment from all other electrical equipment. Charging equipment shall be located in a separate compartment and shall include a normal trickle charge so designed as to maintain a complete charge on the battery at all times; a fast charging rate, manually actuated, and an indicating light to indicate when the fast charge is in operation; a test switch for checking the operating condition of the unit; a pilot light which will indicate current supply from the normal source; and a relay which shall close upon failure of the normal source and actuate the lights supplied by the battery. No more than three lamps shall be supplied from one battery unit.

(2) Rating. Each battery unit shall have a capacity to supply its rated voltage for a two hour period regardless of the number of lights it supplies.

(3) Wiring Method. All battery units shall be supplied by a separate permanently wired 2-wire single phase 120 volt unswitched fused circuit. Remote heads shall be wired in accordance with 87-346 or 87-348. No head shall be more than 15′ from the battery unit. The circuit shall originate in a lighting panel which serves the area to be illuminated by the battery unit.

(4) Location. Lights shall be so located as to provide the illumination required in Section 88-700.3, except that they need not be on except upon failure of the normal lighting service. In general, one light shall be provided for each 2300 square feet of floor area. Where there are physical obstructions rendering it impossible to illuminate all areas leading to points of egress, additional lights shall be installed.

(5) Each lamp shall have a lumen output not less than that provided by a sealed beam 25 watt lamp.

(6) Maintenance. Unit Batteries shall be maintained by competent maintenance personnel. The date of original installation and of subsequent battery replacements shall be posted on a conspicuous place on the battery container. There shall be a water level indicator where applicable and the water shall be checked monthly. A log of these inspections shall be maintained. The manufacturer shall supply with each unit a complete set of instructions for the operation and maintenance of the equipment. A copy of these instructions shall be filed with the Bureau of Electrical Inspection at the time of installation.

88-700.9. Generators. Generators are recognized as an approved source of electrical energy in each of the three emergency systems. The minimum standards for the design, installation and maintenance of on-site generators used as a source of electrical energy in any emergency system are contained in this section of the Code.

(a) Plans Required. Complete and detailed plans and specifications of all emergency generators shall be submitted to and approved by the Bureau of Electrical Inspection before any work is started. The plans shall include the following:

(1) A single-line drawing of the complete emergency and/or critical system. This drawing shall include all components of the system or systems including, utility sources, generator or generators where there is more than one, transfer switches, and distribution.

(2) A complete schematic drawing of the generator(s) and control panel(s) with a circuit description and sequence of operation.

(3) Transfer switch specifications.

(4) Battery charging equipment and specifications.

(5) Complete and detailed plans and specifications of all auxiliary or accessory equipment to be installed or utilized.

(6) A floor plan of the engine generator room which will show to scale the location of all equipment and the working space provided.

(7) Specific provisions for air supply and exhaust.

(b) Installation. Generators shall be installed in separate fire-resistant rooms. The generator control panel, starting battery, battery charging equipment, generator auxiliary or accessory equipment and the generator service disconnect shall be installed in the same room. The clear unobstructed work space required in other sections of this code shall be provided around the generator and all related equipment. The room shall be in a clean, dry location. If it is below grade and may be subject to flooding or excessive moisture, a sump pump shall be installed. If installed in a hospital, the sump pump shall be considered as part of the critical load and shall be supplied from the emergency system.

(c) Generator Capacity and Operation. The full connected load of any generator may not exceed 80% of the KVA rating of the generator.

(1) The generator shall be capable of automatically starting, coming up to speed and picking up the required load within ten seconds of a failure of the normal source of electrical energy or within that period of time under the conditions described herein.

(2) The voltage regulation of the generator output shall be such as to limit variations to less than 5% of normal at all times.

(3) Any interruption or voltage drop below 70% of normal in the line for which the generator is an emergency source which exceeds one second duration shall cause the generator to start. Once started the generator shall run for no less than 15 minutes. If the interruption or dip in voltage is instantaneous and normal service is restored before the generator picks up the load, the generator may be shut down at the end of the 15 minute period.

(4) In hospitals, a minimum of 3 KW shall be provided in generating capacity for each operating, delivery and emergency room.

(5) Generators may feed other than required emergency loads provided: (a) the code required emergency loads and the additional loads are separated as is provided for in this section; and (b) an audible alarm and an ammeter are installed which will indicate a generator load in excess of 80% of the full load rating of the generator.

(6) Within the limits specifically set down in the Building and Fire Prevention Codes a four hour supply of fuel shall be available for the generator at all times.

(d) Control. Control panels and wiring shall conform with all applicable provisions of the code. Control panel wiring not essential to the proper running of the generator, which under fault conditions could shut the generator down, shall be separately fused and a "control circuit-power available" indicating light shall be installed on the load side of that fuse.

(1) Selector Switches. Selector switches which determine the condition of starting or operation of the generator shall be of the "key operated" type. The key shall be captive in all but the automatic start position. A flashing pilot light shall indicate when the switch is in other than the "automatic Start" position.

(2) Safety Devices. Devices which would indicate an abnormal or dangerous running condition such as "low water, low oil pressure, one time overcrank, etc." shall not shut the generator down. Such devices shall be equipped with flashing pilot lights and audible alarms. Audible alarms may have a "silencing switch". However if such a switch is provided and additional flashing light shall be provided which will indicate that the silencing switch is in the "off" position.

(3) Gauges and Meters. The following gauges and meters are required and shall be installed in the generator control panel: voltmeter, ammeter, frequency meter, running time meter, oil pressure gauge, low water gauge (where applicable), fuel supply gauge or pressure gauge, (where applicable) and water temperature gauge. Other meters or gauges may be utilized and if they are they shall be installed in the control panel. All gauges and meters shall be permanently and clearly identified. They shall indicate "normal operating range", and clearly indicate unsafe operating range.

(e) Battery and Charging Equipment. The prime mover of any generator shall be battery started. The battery or batteries provided shall be of such size and capacity as to reliably start the prime mover at all times. A battery charger shall be provided. A separate branch circuit shall supply the battery charger. If possible the branch circuit shall be protected by a plug fuse. If only circuit breakers are available, the breaker protecting the battery charger branch circuit shall be equipped with a cover, which will prevent accidental operation of the circuit breaker. There shall be no unit switch on the battery charger. The branch circuit feeding the charger shall be permanently and clearly identified at the distribution panel. The battery charger shall be of a type and so installed and connected as to maintain the batteries at full charge at all times. (See 87-480)

(f) Wiring Methods. Only wiring methods specifically permitted by this code shall be utilized in the connection of generators. Conductors and conduit or other approved raceways shall be sized in accordance with the applicable provisions of the code.

(g) Disconnect Required. Fused switches (or a fused switch) shall be installed as the disconnecting means for the output of the generator. They shall be sized and rated as is required for service disconnects in Section 87-230. All switches related to the generator or the emergency system shall be permanently and clearly identified as follows: "EMERGENCY SYSTEM. IMPORTANT—DO NOT LEAVE IN THE "OFF" POSITION."

(h) As is required for all emergency systems, the generators and their attendant wiring and equipment shall be completely independent of all other wiring systems in the building. All such wiring and equipment shall be prominently and permanently identified as part of the "Emergency System". All distribution cabinets, switchboards panelboards and the like shall clearly and permanently indicate the loads being served. A one line diagram of the entire emergency system shall be mounted in the generator emergency switch enclosure or the transfer switch enclosure and in a prominent location in the generator room or in the electrical room in which the emergency distribution equipment is located.

(i) Required Tests. Each generator installation shall be tested regularly under load conditions and a log shall be maintained of these tests. These tests shall be made by the man appointed as supervisor of the set on a weekly basis and he shall be held responsible by the Bureau of Electrical Inspection for the proper maintenance of the generator log. Each test shall continue for at least thirty minutes. The log shall contain the information contained and required on the sample log sheet prepared by the Bureau of Electrical Inspection.

(j) Supervision. At the time of installation of the generator, the owner or the manager of the building in which the generator is to be installed shall appoint a man who will be responsible for the proper operation and maintenance of the generator. He shall be known as the supervisor of the generator set. He shall be competent to perform the normal operational and maintenance functions required. The name and qualifications of this person shall be submitted to the Bureau of Electrical Inspection at the time of the installation of the generator. Upon approval by the Bureau a designation of acceptance will be sent to the Supervisor. This form shall be posted in a prominent location in close proximity to the generator. If for any reason a generator supervisor shall leave the employ of a firm, business or institution the owner or manager shall appoint a replacement and the replacement shall be approved in the same manner by the Bureau of Electrical Inspection.

(k) Two or More Generators. Installations of emergency systems which contain two or more generators shall be the subject of special review.

88-700.15. Identification. All electrical devices, panelboards, switchboards, service switches, transfer switches, indicating lights and the like which are part of any emergency system shall be permanently and prominently identified as such. Unless otherwise specified by this code they shall be completely independent of any other wiring system.

88-700.16. Special Provisions for Special Circumstances. The provisions of Section 88-700 through Section 88-700.15 are intended to provide a reasonably reliable alternate source of electrical energy upon the failure of the normal source of current supply. It is impossible to list all of the various means of accomplishing the desired results. Therefore, the foregoing sub-sections of this section are intended to set a minimum standard for such installations. They are not intended to limit or stifle the engineering ingenuity of engineers or contractors in laying out such installations. The Bureau of Electrical Inspection by Special Permission under the usual conditions is empowered to accept substitute emergency systems in lieu of the specifically required systems, when it can be demonstrated that the substitute system will provide the required degree of reliability and conforms with the intent of this section of the code. The Chief Electrical Inspector shall determine in all cases whether a substitute system does actually provide the degree of reliability and does conform with the intent of the provisions of this section of the code."

SECTION 197. That Section 88-710.17 of the Municipal Code of Chicago is amended so as to read as follows:

"88-710.17. Shielding of Insulated Conductors. Where solid dielectric-insulated conductors for permanent installations operate at voltages higher than those indicated in the following Table and under the conditions stipulated, they shall be of an approved type having shielding for the purpose of confining their dielectric field.

TABLE 88-710.17

**Shielding of Solid Dielectric Insulated Conductors**

| Method of Installation | Voltage in Kv (L-L) Above which Shielding is Required | | | |
|---|---|---|---|---|
| | Neutral Grounded | | Neutral Ungrounded | |
| | Fibrous Covered | Ozone-Resistant Jacket Covering | Fibrous Covered | Ozone-Resistant Jacket Covering |
| In metallic conduit or trough above grade located indoors and in dry locations | | | | |
| Single conductor .... | 2 | 5* | 2 | 3 |
| Multi-conductor .... | 2 | 5 | 2 | 5 |
| Underground ducts and conduits and other wet locations | | | | |
| Single conductor .... | 2 | 3** | 2 | 3 |
| Multi-conductor .... | 2 | 5 | 2 | 5 |
| On insulators— | | | | |
| Only multi-conductor | Not required under 5 Kv. | | 3 | 5 |
| Directly in soil— | | | | |
| Single conductor .... | — | 3 | — | 3 |
| Multi-conductor .... | — | 5 | — | 5 |

* It is presumed that installation conditions will be such as to maintain a high level of jacket surface resistivity and so minimize the possibility of destructive discharge. Pulling dry or the use of insulating type pulling lubricants will help attain these conditions. Where surface contamination cannot be prevented and high surface resistivity cannot be maintained, metallic shielding shall be used at over 3 kv.

NOTE: Sheathed single or 3 conductor cables require no shielding for voltages 5 kv and less. In the case of portable equipment cables it is good practice to specify shielding for all voltages above 2 kv.

** For three single conductor cables, cabled together without overall outer covering, the value is 5 kv.

SECTION 198. That the Municipal Code of Chicago is amended by adding thereto a new subsection as follows:

"88-725.7. Residential Occupancies. Low voltage wiring for control, signaling or communication systems shall comply with the wiring requirements of Section 88-560.1(a)."

SECTION 199. That Section 88-725.14 of the Municipal Code of Chicago is amended to read as follows:

"88-725.14. Conductor Insulation. All conductors shall have an insulation of a recognized and approved type for the voltage and the use."

SECTION 200. That Section 88-725.17 of the Municipal Code of Chicago is amended to read as follows:

"88-725.17. Mechanical Protection of Low Voltage Conductors. Where damage to a low voltage circuit would constitute a hazard as covered in 88-725.5 or where such conductors are subject to severe (destruction) mechanical damage, or where damage to the conductors would result in the interruption of a necessary function, all conductors of such low voltage circuits shall be installed in conduit, electrical metallic tubing or be otherwise suitably protected from such mechanical injury."

SECTION 201. That Section 88-725.45(m)(1) of the Municipal Code of Chicago is amended so as to read as follows:

"(1) Where System II Emergency System is available, it shall be connected directly to the load terminals of the transfer switch.

Where System I Emergency System is available and where a generator is the final reserve source of current supply, it shall be connected to the load terminals of the last transfer switch. Where an on-site generator is present and is used as the last source of current supply the supply to the fire alarm system shall be connected to the last transfer switch in the system, so that the supply to the fire alarm system will be present as long as there is a compatible supply of electrical current in the building."

SECTION 202. That Section 88-725.45(q) of the Municipal Code of Chicago is amended by deleting therefrom the last sentence.

SECTION 203. That Section 88-730.7 of the Municipal Code of Chicago is amended so as to read as follows:

"88-730.7. Temporary Wiring.

All temporary wiring shall be installed in a safe and workmanlike manner. Individual circumstances will dictate the degree of hazard and will therefore determine the wiring method to be employed.

(a) Construction Shanty or Trailer.

1. Service. The service conductors shall be encased in rigid metal conduit, EMT or in the form of an approved Service Entrance Cable. The service disconnect shall comply with the provisions of Section 87-230.51. The service and service equipment shall be effectively grounded by utilizing one of the means approved for service grounding outlined in Section 87-250.

The grounding conductor from the service enclosure to the grounding electrode or water pipe shall be encased in an approved raceway.

2. Wiring Method. All wiring in or on a shanty or a trailer shall be encased in rigid metal conduit or EMT. No open wire is permitted. All receptacles shall be of the groundable type. All portable equipment shall be properly connected to receptacles. Permanent or fixed equipment shall be wired directly. No cords shall be used. Pigtails and similar devices shall not be connected to the service switch, distribution cabinets or any other part of the wiring system.

(b) Construction Site. Every precaution shall be taken to make any necessary open wiring inaccessible to the public. Lighting on barricades or fences or sidewalk coverings shall be installed in EMT or rigid metal conduit.

(c) Building.

(1) Service. Service conductors for services rated 200 amperes or less may be in an approved SEC, EMT or rigid metal conduit. Services rated more than 200 amperes shall be in rigid metal conduit. The service disconnecting means shall comply with the provisions of Section 87-230.51. The service shall be grounded by utilizing one of the approved methods outlined in Section 87-250. It shall be located in an accessible location such that the service conductors inside of the building shall be as short as is practicable.

(2) Feeders. Feeders shall originate in an approved distribution center. They shall be protected according to the provisions of Section 87-240 and Table I of Section 88-10. When located not subject to mechanical injury, they may be as open conductors on insulators no more than 10 ft. apart.

(3) Branch Circuits. All branch circuits shall originate in an approved enclosure. All conductors shall be protected at their rated ampacity. When run as open conductors they shall be fastened to the ceiling every ten feet. No conductor is to be laid on the floor, or below door height. Each branch circuit which supplies receptacles or fixed equipment shall contain a separate grounding conductor (green) when run as open wire.

(4) Receptacles. All receptacles shall be of the twist lock grounding type. Unless installed in a complete metallic raceway system, all branch circuits shall contain a grounding conductor (green) and all receptacles shall be electrically connected to the grounding conductor. A sufficient number of receptacles shall be installed adjacent to each distribution panel so as to adequately serve the needs of all trades on the job.

(5) General. All temporary wiring shall be maintained in a workmanlike manner throughout the entire construction period. The prime electrical contractor on the site shall be held responsible for all temporary electrical work on the site or the building unless such temporary work has been installed under a permit issued to another contractor, who is still on the site.

(d) Excavation and Foundation. It is often necessary to provide electrical service on a construction site during the excavation period. All such electrical equipment shall be installed in such a manner as to be inaccessible or it shall be encased in an approved raceway. All electrical equipment installed where it is exposed to the elements shall be weatherproof."

SECTION 204. That Section 88-730.9 of the Municipal Code of Chicago is amended by inserting the following between the heading of this section and subsection "a" thereof:

"This section covers two broad categories of outside lighting: (1) the type normally used on Used Car Lots and similar outdoor businesses (subsections "a" through "j"); (2) the type normally used on Parking Lots and similar locations (subsections "k" through "o")."

and is further amended by adding thereto the following:

"k. Poles for parking lot type lighting may be standard 6″ top cedar poles or metal. If cedar poles are used, they shall be roofed by shaping so as to prevent the entrance of moisture. Metal poles shall be suitably protected against corrosion. Metal poles shall be approved for mass and the weight of the lighting units which will be mounted upon them. They shall have the structural strength to withstand a 75 MPH wind.

l. Except in hazardous locations all metal poles shall be provided with a hand-hole close to the base of the pole through which the connections to the branch circuit may be made.

m. Where the branch circuit conductors feeding a pole are run underground, the following shall apply:

1. Cedar Pole. Rigid metal conduit up the pole to within 18″ of the lighting fixture. An approved fitting to transpose from the rigid metal conduit to flexible metal conduit or approved flexible cord (where permitted). Where cord is used it shall contain a separate grounding conductor which shall be continuous back to the distribution cabinet.

2. Metal Pole. Rigid metal conduit stubbed through the pole foundation and fitted with a grounding type bushing. The pole shall be bonded to the rigid metal conduit with a minimum #8 AWG. If direct burial conductors, non-metallic raceway or direct burial cable is used, a separate grounding conductor shall be provided back to the distribution cabinet. Where rigid metal conduit is used, all segments of the raceway system shall be bonded together and may be used as the ground.

n. Fuses. An approved fuseholder may be installed in the base of a metal pole, provided it will be accessible only to qualified personnel and further provided that there will be no exposed live parts.

o. Voltage. As is provided in Section 87-210.13, except that voltages in excess of 250 volts to ground or 300 volts between conductors may be utilized when all of the following conditions are complied with:

1. The lights re-installed not less than 22′ above the ground on poles.

2. Each pole, if of metal construction, is grounded by one of the approved methods of grounding.

3. Disconnects shall be provided within sight of the lights they control. They shall be located out of doors, preferably on one of the poles. More than one disconnect may be utilized if the installation warrants. If snap-switches or push-button type switches are utilized, the voltage across these switches shall be reduced to an acceptable level.

4. Branch circuits shall be limited to not more than 50 ampere rating.

5. The electrical system shall be under the supervision of a registered electrical supervisor.

6. A complete, detailed drawing shall be approved by the Bureau of Electrical Inspection before any work has begun."

SECTION 205. That the Municipal Code of Chicago is amended by adding thereto a new Section as follows:

"88-750. Temporary Wiring for Exhibits.

General. The provisions of this Section shall apply to all temporary use of electrical current for the purpose of illuminating, animating, activating or displaying in connection with temporary expositions, exhibits, shows, conventions, meetings or assemblies. Temporary shall be deemed to indicate a use not to exceed 7 calendar days. The use of this type of wiring is limited to locations which are classified by the building department as suitable for the intended occupancy and use, and are equipped with the required type of emergency lighting system.

(a) Service. The service to the building or space to be utilized for the exhibits shall be in conformance with the provisions of 87-230 of this code.

(b) Feeders. All feeders in excess of 100 ampere capacity shall be installed in a permanent manner in conformance with all applicable provisions of this code. Feeders of lesser capacity may be installed in conformance with the applicable provisions of this Section.

(c) Branch Circuits. Branch Circuits as defined in Section 87-210 of this code may be run as described in this section.

(d) Flexible Cord or Cable. Where permitted such cords and cables shall be approved for extra hard usage. No individual conductors shall be permitted to be installed unless installed in an approved raceway.

(e) Splices. All splices, either in cords, cables or single conductors shall be made in approved enclosures.

(f) Overcurrent Protection. No conductor shall be fused or protected at a rating greater than its ampacity.

(g) All cord or cable terminations shall be made in an approved manner. Each cord or cable entering or leaving an enclosure shall be equipped with an approved fitting, which will properly secure the cord or cable to the enclosure. All cord caps shall be of the twist-lock type.

(h) All branch circuits shall be protected by type 'S' fuses. All fuses shall be installed in approved enclosures or cabinets.

(i) Flexible cords shall be limited in length to 10 feet.

(j) Each individual display booth shall have its own supply and its own overcurrent protection.

(k) No enclosure containing more than one overcurrent device shall be laid on the floor. Such enclosures shall be mounted upon a permanently installed wall or column.

SECTION 206. That Section 88-9 of the Municipal Code of Chicago is amended so as to read as follows:

"88-9. Standards and Specifications.

88-9.1. General. It shall be unlawful for any individual, company, or corporation to sell, offer for sale, give away gratis, install, alter, repair or use any electrical equipment or appliance intended for installation or use in Chicago which is not approved by the Bureau of Electrical Inspection. See "Approved", Section 87-100.

(a) Standard Testing Laboratories. The Bureau of Electrical Inspection shall be the sole judge as to acceptability of any laboratory under the provisions of 87-100.

Such organizations shall be engaged in the business of testing and no other business. Records and results of their tests shall be made readily available to the Bureau of Electrical Inspection.

(b) Self Certification. Self certification by any manufacturer is not acceptable.

(c) The wiring methods employed in the construction or assembly of any piece of equipment and/or appliance shall conform to the standards set forth in this code.

88-91106. Supports. All devices used to support electrical equipment and/or appliances shall be approved by the Bureau of Electrical Inspection.

88-921023. Receptacles. All receptacles shall be of the grounding type. No receptacle shall be installed which is rated less than 15 amperes unless it is installed for a specific load and is fused at the rating of the load to be served.

(a) Lampholders. Pendant type lampholders shall be of the insulated types. No pendant type lampholder shall have a metallic outer shell.

88-92401. Cartridge Fuses and Fuseholders.

Cartridge fuses and fuseholders of all ratings, classes, types and voltages shall conform to nationally accepted standard dimensions and shall be specifically approved.

Fuseholders shall be so designed that it will be difficult to install a fuse of any given class in a fuseholder which is designed and rated for a current lower or a voltage higher than that of the class to which it belongs. Fuse adapters which are intended to permit the use of a physically smaller fuse in a fuseholder intended for a larger fuse may be used only if the adapter has been given a rating equal to that of the fuse clips.

88-92402. Fuse Marking. Fuses shall be plainly marked with the ampere rating, voltage rating, interrupting rating when greater than 10,000 amperes, current limitation where it applies and the name or trademark of the maker. The marking shall be either by direct printing on the fuse ferrule or by means of an attached label.

88-93101. Conductors, General. Insulated conductors shall conform to the following:

(a) Marking. Wires, cables and cords of all types except those types upon which it is impossible to imprint shall have a continuous marking which will provide the following information:

(1) A name, trademark or symbol by which the manufacturer may be readily identified.

(2) The maximum voltage for which the wire cable or cord was tested and approved.

(3) The words, "National Electric Code Standard" or the abbreviation NEC Strd.

(4) The proper Type letters for the particular style of wire cable or cord as are given in the following sub-sections and tables.

(b) Classification. In addition to the Type letters specified in the following Tables, the following designations shall apply:

(1) A Type letter or letters alone shall indicate a single insulated conductor.

(2) The letter "D" used as a suffix shall indicate a twin wire with two insulated conductors laid parallel under an outer non-metallic covering.

(3) The letter "M" used as a suffix shall indicate an assembly of two or more insulated conductors twisted together under an outer non-metallic covering.

(4) The letter "L" used as a suffix shall indicate an outer covering of lead.

(5) Type letters, when used alone, shall indicate conductors rated for use at not more than 600 volts. Conductors rated for use at higher voltage shall be identified by adding numerical suffixes to the Type letters as follows:

10—for use at not more than 1,000 volts
20—for use at not more than 2,000 volts
30—for use at not more than 3,000 volts
40—for use at not more than 4,000 volts
50—for use at not more than 5,000 volts

For higher voltages the rating shall be expressed in KV as; 5KV, 15KV etc.

The voltages referred to in this section and the Tables are the operating voltages between phases or conductors.

(6) Label. All conductors, cables or cords shall be examined and tested at the factory and, if approved, shall be labeled before shipment.

EXCEPTIONS: Where it is impossible to imprint the required information on the exterior of a cord, conductor or cable the required information shall be supplied and shall be available on the installation site in one of the following forms:

Single conductors with an outer covering which cannot be marked shall be tagged at intervals with the required information or shall be shipped on reels which are marked with the required information.

Multi-conductor cables with an outer covering which cannot be marked shall have the individual conductors marked, if they can be, or shall be shipped on reels which are marked with the required information.

Cords which have an outer covering which cannot be marked shall be tagged at intervals or shall be shipped on reels which are marked with the required information.

The Bureau of Electrical Inspection will decide which conductors, cords or cables are impossible to imprint.

(c) Identified Conductors. Single insulated conductors of #6 AWG or smaller when used as identified conductors in circuits, shall have an outer identification of white or natural gray color. Multi-conductor cords or cables shall have one conductor identified in an acceptable manner.

The color green shall be used only on a conductor intended for use as a grounding conductor.

For identification requirements for conductors larger than #6, see Section 87-200.5(b).

(d) Insulated Conductors. Insulated conductors shall conform to the provisions of the following Tables:

Table 88-93101. Conductor Insulation

| Trade Name | Type Letter | Insulation | Thickness of Insulation | Outer Covering |
|---|---|---|---|---|
| Heat-Resistant | RH<br>RHH | Heat-Resistant Rubber | **14-12 .......... 2/64 Inch<br>10 .......... 3/64 Inch<br>8-2 .......... 4/64 Inch<br>1-4/0 .......... 5/64 Inch<br>213-500 .......... 6/64 Inch<br>501-1000 .......... 7/64 Inch<br>1001-2000 .......... 8/64 Inch | *Moisture-resistant, flame-retardant, non-metallic covering |

For insulated aluminum conductors, the minimum size is No. 12 AWG. See Tables 310-14 and 310-15.

88-93301. Mineral Insulated Metal Sheathed Cable. Type MI cable for 600 volts shall conform to the following:

(a) Conductors. The conductors are solid copper and have cross sectional areas corresponding to AWG sizes.

(b) Insulation. The insulation is a highly compressed refractory mineral which provides proper spacing for the conductors.

(c) Outer Sheath. The outer sheath shall be of a continuous copper construction to provide mechanical protection and a moisture seal, and an adequate path for grounding purposes.

| Paper | | Paper | | | | | Lead sheath |

88-93351. Armored Cables. (AC, ACV, and ACL) Armored cables for 600 volts or less shall conform to the following:

(a) Conductors. The conductors shall comply with the requirements for the type of conductors used. The individual conductors having a fibrous covering shall have such a covering for their entire length and except for lead-covered cable, such covering shall be so treated as to be flame-retardant and moisture resistant.

(b) Marking. The cable shall carry distinctive marking throughout its entire length, both in the conductors and the armor so that their makers may be readily identified.

88-93361. Non-metallic Sheathed Cable. Non-metallic sheathed cable shall conform to the following:

(a) Conductors. The conductors shall comply with the requirements for the type of conductor used, except that no braid need be provided directly over the insulation.

(b) Number and Type of Conductors. Cables shall be approved type, in sizes #14 to #10 inclusive.

(c) Marking. The cable shall have a continuous marking so that the maker may be readily identified. The outer covering shall be marked at least every 24" to show the following:

(1) the number of conductors in the cable, (2) the type of conductors, (3) the size (AWG) of the conductors, and (4) the maximum operating voltage for which the cable has been approved.

88-93381. Service Entrance Cable. Service entrance cable shall have an outer covering which will be flame retardant and moisture resistant. It shall consist of three conductors, one of which may be uninsulated.

(a) Marking. The outer covering of the cable shall have a continuous marking showing: (1) manufacturer's name or trademark, (2) the maximum working voltage for which the cable was tested and approved, (3) the number, type and size of the individual conductors contained in the cable.

88-93391. Direct Burial Conductors. Direct burial conductors and cable shall have an outer covering

Table 88-93101(b). Insulation thickness—Over 600 Volts

**Thickness of Rubber Insulation for Rubber-Covered Wire and Cable, in 64ths of an Inch**

| Conductor Size AWG or MCM | Classification | | | | |
|---|---|---|---|---|---|
| | RH 10 | RH 20 | RHW 30† | RHW 40† | RHW 50† |
| 14-12* | 4 | 5 | .. | .. | .. |
| 10- 8* | 4 | 5 | 7 | 9 | 10* |
| 6- 2 | 5 | 6 | 8 | 9 | 10 |
| 1-4/0 | 6 | 7 | 8 | 9 | 10 |
| 213-500 | 7 | 8 | 9 | 10 | 11 |
| 501-1000 | 8 | 9 | 9 | 10 | 11 |
| 1001-2000 | 9 | 9 | 10 | 11 | 12 |

*No. 12 AWG is the minimum conductor size for aluminum and No. 8 AWG is the minimum conductor size for 5000 volts operation.

† Shall be of approved ozone-resistant type for operation at voltages over 2000.

**Thickness of Varnished-Cambric Insulation for Single-Conductor Cable, in 64ths of an Inch**

| Conductor Size AWG or MCM | For Voltages Not Exceeding | | | | |
|---|---|---|---|---|---|
| | 1000 | 2000 | 3000 | 4000 | 5000 |
| 14 | 4 | .. | .. | .. | .. |
| 12 | 4 | 5 | .. | .. | .. |
| 10 | 4 | 5 | 6 | .. | .. |
| 8-2 | 4 | 5 | 6 | 7 | 9 |
| 1-4/0 | 5 | 6 | 6 | 7 | 9 |
| 213-500 | 6 | 6 | 7 | 8 | 10 |
| 501-1000 | 7 | 7 | 7 | 8 | 10 |
| 1001-2000 | 8 | 8 | 8 | 9 | 10 |

**Thickness of Varnished-Cambric Insulation for Multiple-Conductor Cable, in 64ths of an Inch**

| Conductor Size AWG or MCM | For Voltages Not Exceeding | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|
| | 1000 | | 2000 | | 3000 | | 4000 | | 5000 | |
| | C | B | C | B | C | B | C | B | C | B |
| 14 | 4 | 0 | .. | .. | .. | .. | .. | .. | .. | .. |
| 12 | 4 | 0 | 5 | 0 | .. | .. | .. | .. | .. | .. |
| 10 | 4 | 0 | 5 | 0 | 5 | 2 | .. | .. | .. | .. |
| 8-2 | 4 | 0 | 5 | 0 | 5 | 2 | 6 | 3 | 6 | 4 |
| 1-4/0 | 5 | 0 | 6 | 0 | 6 | 2 | 6 | 3 | 6 | 4 |
| 213-500 | 6 | 0 | 6 | 0 | 6 | 2 | 6 | 3 | 7 | 4 |
| 501-1000 | 6 | 2 | 6 | 2 | 6 | 3 | 6 | 4 | 7 | 4 |
| 1001-2000 | 7 | 2 | 7 | 2 | 7 | 3 | 7 | 4 | 7 | 5 |

The thickness given in columns headed "C" are for the insulation on the individual conductors. Those given in the columns headed "B" are for the thickness of the overall belt of insulation.

**Thickness of Asbestos and Varnished-Cambric Insulation for Single-Conductor Cable, Types AVA, AVB and AVL, in Mils**

| Conductor AWG or MCM | 1st Wall Asbestos | Vanished Cambric | | | | | Asbestos 2nd Wall |
|---|---|---|---|---|---|---|---|
| | For Voltages Not Exceeding | | | | | | |
| | 1000-5000 | 1000 | 2000 | 3000 | 4000 | 5000 | 1000-5000 |
| 14-2 | 15 | 45 | 60 | 80 | 100 | 120 | 25 |
| 1-4/0 | 20 | 45 | 60 | 80 | 100 | 120 | 30 |
| 213-500 | 25 | 45 | 60 | 80 | 100 | 120 | 40 |
| 501-1000 | 30 | 45 | 60 | 80 | 100 | 120 | 40 |
| 1001-2000 | 30 | 55 | 75 | 95 | 115 | 140 | 50 |

which shall be flame-retardant, moisture-resistant, fungus-resistant, corrosive-resistant, and suitable for direct burial in the earth.

(a) Conductors. The conductors contained in such cables shall have an insulation which is approved for wet location.

(b) Marking. The outer covering shall have a continuous marking showing:

(1) the manufacturer's name or trademark, (2) the maximum working voltage for which the conductor or cable has been approved, and (3) the number, type and size of the individual conductors contained in the cable.

88-93461. Rigid Metal Conduit. Rigid metal conduit shall conform to the following:

(a) Rigid conduit as shipped shall be in standard lengths to ten feet including coupling, one coupling to be furnished with each length. Each length shall be reamed and threaded on each end.

(b) Steel conduit shall have an interior coating of a character and appearance so as to readily distinguish it from ordinary pipe commonly used for other than electrical purposes.

(c) Non-ferrous conduit of corrosion-resistant material shall have suitable marking.

88-93471. Rigid Non-Metallic Conduit. Rigid non metallic conduit shall conform to the following:

(a) Rigid non-metallic conduit shall be shipped in lengths not to exceed ten feet, including a coupling. One coupling shall be furnished with each length.

(b) Each length of conduit shall be permanently marked with the manufacturer's name or trademark, nominal conduit size and type of material used.

(c) Conduit not specifically approved and listed by the UL shall be submitted to the Bureau of Electrical Inspection as provided for in this section of the Code.

88-93481. Electrical Metallic Tubing. Electrical metallic tubing shall conform to the following:

(a) Cross Section. The tubing and elbows and bends for use with the tubing shall have a circular cross-section.

(b) Finish. Tubing shall have such a finish or treatment of outer surfaces as will provide an approved durable means of readily distinguishing it, after installation, from rigid conduit.

(c) Connectors. Where the tubing is coupled together by threads, the connectors shall be so designed as to prevent bending of the tubing at any part of the thread. Connectors of all types shall be so constructed that they will provide an adequate ground path, will connect two pieces of tubing or a piece of tubing and an outlet box or junction box in a rigid state, and under normal use will not damage the tubing or change its shape.

88-93521. Surface Metal Raceway. Surface metal raceways shall be of such construction as will distinguish them from other raceways. Metal raceways and their elbows, couplings and similar fittings shall be so designed that the sections can be electrically and mechanically coupled together, while protecting the wires from abrasion. Holes for screws or bolts inside the raceway shall be so designed that when screws or bolts are in place their heads will be flush with the metal surface.

88-93561. Cellular Metal Floor Raceways. Cellular metal floor raceways shall be constructed that adequate electrical and mechanical continuity of the complete system will be secured. They shall provide a complete enclosure for the conductors. The interior surfaces shall be free from burrs and sharp edges and surfaces over which conductors are drawn shall be smooth. Suitable busing or fittings having smooth rounded edges shall be provided where conductors pass.

88-93621. Wireways. Wireways shall conform to the following:

(a) Wireways shall be made of sheet metal of not less than 14 USS gauge, unless specifically approved of a lesser thickness. They shall have a structural rigidity sufficient to support themselves and the conductors contained therein when supported as is intended by the manufacturer and in conformance with code provisions.

88-93641. Busways. Busways shall conform to the following:

(a) Marking. Busways shall be marked with the voltage and the current rating for which they are designed and approved and with the manufacturer's name or trade mark in such a manner as to be visible after installation.

(b) Busways may be ventilated or non-ventilated. If ventilated the busbars shall be provided with an adequate insulation. No ventilated busway may be installed outdoors or in damp or wet locations. When any busway is installed outdoors it shall be specifically approved for the purpose by the Bureau of Electrical Inspection, and the bus-bars shall be insulated.

(c) Capacity. The current-carrying capacity of busways shall not exceed the following: copper, ventilated—1200 amperes per square inch; copper, enclosed—1000 amperes per square inch; aluminum, ventilated—800 amperes per square inch, aluminum, enclosed—700 amperes per square inch. Special made busways of unusual configuration and construction shall be submitted to the Bureau of Electrical Inspection for special approval.

88-93701. Outlet, Switch and Junction Boxes and Fittings. Outlet, switch and junction boxes and fittings, if of metal, shall conform to the following:

(a) Corrosion-Resistant. Boxes and fittings, if of metal, unless of corrosion-resistant metal shall be well galvanized, enameled, or otherwise properly coated, inside and out, to prevent corrosion.

See Section 87-300.3 for limitation in the use of boxes and fittings protected from corrosion solely by enamel.

It is recommended that the protective coating be of conductive material, such as cadmium, tin or zinc, in order to secure better electrical contact.

(b) Thickness of Metal. For boxes and fittings not over 100 cubic inches in size, if constructed of sheet steel, the metal shall not be less than No. 14 USS gauge (.0747 in.) in thickness, or if of cast metal shall have a wall thickness of not less than ⅛ inch, except that if of malleable iron, they shall have a wall thickness of not less than 3/32 inch.

(c) Boxes Over 100 Cubic Inches. Boxes of over 100 cubic inches in size shall be composed of metal and shall conform to the requirements for cabinets and cutout boxes, except that the covers may consist of single flat sheets secured to the box proper by screws, or bolts instead of hinges. Boxes having covers of this form are for use only for enclosing joints in conductors or to facilitate the drawing in of wires and cables. They shall not enclose switches, cutouts or other control devices.

88-93702. Covers. Covers of boxes and fittings shall be of a thickness at least that specified for the walls of boxes of the same material as that used for the cover and of the size under consideration, or shall be lined with firmly attached insulating material not less than 1/32 inch in thickness. Covers of porcelain or other approved insulating material may be used if of such form and thickness as to afford the requisite protection and strength.

88-93703. Bushings. Covers of outlet boxes and outlet fittings having holes through which flexible cord pendants may pass, shall be provided with approved bushings or shall have smooth, well-rounded surfaces upon which the cord may bear. If conductors other than flexible cord may pass through a metal cover, there shall be provided a separate hole for each wire, said hole being equipped with a bushing of suitable insulating material, except as provided in 87-300-18.

88-93704. Non-Metallic Boxes. Provisions for supports, or other mounting means, for non-metallic boxes, shall be outside of the box, or the box shall be so constructed as to prevent contact between the conductors in the box and the supporting screws.

### Cabinets and Cutout Boxes.

88-93731. Material. Cabinets and cutout boxes shall conform to the following:

(a) Metal Cabinets and Boxes. Metal cabinets and cutout boxes shall be well galvanized, plated with cadmium or other approved metallic finish, enameled, or otherwise properly coated, inside and out to prevent corrosion.

It is recommended that the protective coating be of conductive material, such as cadmium, tin or zinc, in order to secure better electrical contact.

(b) Strength. The design and construction of cabinets and cutout boxes shall be such as to secure ample strength and rigidity. If constructed of sheet steel, the metal shall be of not less than No. 16 USS gauge (.0598) in thickness.

(c) Composition Cabinets. Composition cabinets shall be submitted for approval prior to installation.

88-93732. Spacing. The spacing within cabinets and cutout boxes shall conform to the following:

(a) General. The spacing within cabinets and cutout boxes shall be sufficient to provide ample room for the distribution of wires and cables placed in them, and for a separation between metal parts of devices and apparatus mounted within them as follows:

(1) Base. There shall be an air space of at least 1/16 inch, except at points of support, between the base of the device and the wall of any metal cabinet or cutout box in which the device is mounted.

(2) Doors. There shall be an air space of at least 1 inch between any live metal part (including live metal parts of enclosed fuses) and the door, unless the door is lined with an approved insulating material or is of a thickness of metal not less than No. 12 USS gauge (.1046 inch), when the air space shall be not less than 1/2 inch.

(3) Live Parts. Except as noted above, there shall be an air space of at least 1/2 inch between the walls, back, gutter partition, if of metal, or door of any cabinet or cutout box and the nearest exposed current-carrying part of devices mounted within the cabinet where the potentials do not exceed 250 volts. This spacing shall be increased to at least one inch where the potentials exceed 250 volts.

(b) Switch Clearance. Cabinets and cutout boxes shall be deep enough to allow the closing of the doors when 30-ampere branch-circuit panel-board switches are in any position, or when combination cutout switches are in any position, or when other single-throw switches are opened as far as their construction will permit.

(c) Wiring Space. Cabinets and cutout boxes which contain devices or apparatus connected within the cabinet or box to more than 9 conductors, including those of branch circuits, meter loops, sub-feeder circuits, power circuits and similar circuits, but not including the supply circuit or a continuation thereof, shall have back wiring spaces or one or more side wiring spaces, side gutters or wiring compartments.

(d) Wiring Space - Enclosure. Side wiring spaces, side gutters or side wiring compartments of cabinets and cutout boxes shall be rendered tight enclosures by means of covers, barriers or partitions extending from the bases of the devices, contained in the cabinet, to the door, frame, or sides of the cabinet; provided, however, that where the enclosure contains only those conductors which are led from the cabinet at points directly opposite their terminal connections to devices within the cabinet, such covers, barriers or partitions may be omitted. Partially enclosed back wiring spaces shall be provided with covers to complete enclosure. Wiring spaces that are required by 87-373.6 (a) and which are exposed when doors are open, shall be provided with covers to complete the enclosure.

### Auxiliary Gutters

88-93741. Auxiliary gutters shall be constructed in accordance with the following:

(a) Gutters shall be so constructed and installed that adequate electrical and mechanical continuity of the complete raceway system will be secured.

(b) Gutters shall be of substantial construction and shall provide a complete enclosure for the contained conductors. All surfaces, both interior and exterior, shall be suitably protected from corrosion. Corner joints shall be made tight and where the assembly is held together by rivets or bolts, these shall be spaced not more than 12 inches apart.

(c) Suitable bushings, shields or fittings having smooth rounded edges shall be provided where conductors pass between gutters, through partitions, around bends, between gutters and cabinets or junction boxes and at other locations where necessary to prevent abrasion of the insulation of the conductors.

(d) Gutters shall be constructed of sheet metal of thickness not less than in the following table:

| *Maximum Width of the Widest Surface of Gutters* | *Thickness (USS Sheet Steel Gauge)* |
|---|---|
| Up to and including 6 inches | No. 16 |
| Over 6 in. and not over 18 in. | No. 15 |
| Over 18 in. and not over 30 in. | No. 12 |
| Over 30 inches | No. 10 |

(e) Where insulated conductors are deflected within the auxiliary gutter, either at the ends or where conduits, fittings or other raceways enter or leave the gutter, or where the direction of the gutter is deflected greater than 30 degrees, dimensions corresponding to 87-373.6 shall apply.

### Switches.

88-93801. General. Marking. Switches shall be permanently marked by the manufacturer with the current and voltage, and if horsepowered rated, the maximum rating for which they are designed and approved so that the marking will be visible after installation without removing covers or trim, except that snap switches may be so marked that the required information is visible without moving the switch after installation.

(a) Knife Switches. Knife switches shall conform to the following:

(1) All switches used as 'disconnect switches' required by various sections of this code shall be 'load break switches' and shall be capable of being opened under the full load that they supply. Where this code permits an 'isolating switch', such switch need not be a load break switch, but shall be clearly and permanently marked "Isolating Switch Only—Do Not Open Under Load".

(2) Switches rated for more than 1200 amperes at 250 volts or less and for more than 600 amperes at 251 to 600 volts shall be of the 'bolted pressure type'. Each such switch shall be submitted to the Bureau of Electrical Inspection for approval. The bureau shall require certified test reports from a disinterested test facility (recognized and approved by the bureau) concerning the following characteristics of the switch: operating temperatures (enclosed and open) under full load conditions; load interruption capabilities; operating performance as a disconnect under full load conditions; fault interruption capabilities; and ability to withstand let through currents under fault conditions.

(3) Wiring Space. Wiring space equal to that required in 87-373.6 (a) shall be provided for all enclosed switches regardless of how the conductors are brought into the enclosure.

(4) In Switchboards. Switches installed in switchboards shall conform to all the provisions of 87-230.51, 87-230.61, 87-384 and 88-93841 in addition to the provisions of this section.

(b) Circuit Breakers Used as Switches. Circuit breakers of all ratings when used as switches or disconnects shall conform to all of the applicable provisions of this section.

(c) Knife switches shall not be used in conjunction with fuses rated 300 volts or less except when the voltage between any two phase conductors does not exceed 300 volts, and then only when the current rating does not exceed 60 amperes.

(d) Snap switches ganged in outlet boxes shall be so arranged that the voltage between adjacent switches does not exceed 300 volts.

### Switchboards and Panelboards.

88-93841. Enclosures. The enclosures of switchboards and panelboards shall be of metal and shall be well galvanized plated with cadmium or other approved finish, enameled or otherwise properly coated inside and out to prevent corrosion. They shall be so designed and constructed as to secure adequate mechanical strength and rigidity. Adequate framing shall be provided to prevent distortion either during shipping or installation and to supply the mechanical strength necessary to support the bus supports during periods of fault stress.

88-93842. Marking. Switchboards and panelboards shall be permanently marked by the manufacturer with nameplates which will be visible after installation without removing covers, or access plates. Such nameplates shall show the following:

(1) Name or trademark of the manufacturer or assembler, (2) the maximum working voltage, (3) the current rating, (4) the number of phases, and (5) the maximum fault current for which the equipment has been braced.

88-93843. Location. Switchboards or panelboards intended for installation in damp locations shall be so constructed as to prevent the entrance of moisture. Switchboards or panelboards intended for installation in wet locations shall be weatherproof.

88-93844. Bus-Bars. Bus-Bars if rigidly mounted may be of bare metal.

88-93845. Current-Carrying Capacity. The current-carrying capacity of bare bus-bars in switchboards or panelboards shall be as follows:

Copper-1000 amperes per square inch of cross-sectional area; aluminum-700 amperes per square inch of cross-sectional area. These values do not take into consideration all of the factors involved in assemblies where extremely high currents are involved and where you may have many bars per phase. In these instances the Bureau may assess a lower ampacity to these conductors. It is therefore recommended that the manufacturer take all of these factors into consideration when providing the spacing and layout of the buses in his equipment.

88-93846. The following minimum spacings between bare bus-bars, exposed current-carrying parts, etc., shall be provided:

| | *Opposite Polarity When Mounted on the Same Surface* | *Opposite Polarity When Free Air in the* | *Live Parts to Ground* |
|---|---|---|---|
| Not over 125 volts | ¾″ | ½″ | ½″ |
| Not over 250 volts | 1¼″ | ¾″ | ½″ |
| Not over 600 volts | 2″ | 1″ | 1″ |
| Not over 1000 volts | 2¾″ | 1¾″ | 1¾″ |
| Not over 5000 volts | 3½″ | 2½″ | 2½″ |

At switches, enclosed fuses, etc., parts of the same polarity may be placed as close together as convenience in handling and bending space will allow, unless close proximity causes excessive heating. For spacing between live parts and doors of cabinets—see 88-93732. It should be noted that the above dimensions are the *minimum* allowable, and it is strongly recommended that greater distances be adopted wherever conditions will permit.

88-93847. Bracing. All bus-bars and other current carrying parts shall be braced to withstand the available fault current.

Joints. All bus connections and joints shall be made in accordance with Table 88-93848. All joints and connections shall be: 1) silver plated, 2) full lapped, and 3) all nuts, bolts, studs, and washers shall be silver plated or shall be non-corrosive. A lock washer or belleville washer shall be used on each bolt or stud.

Exception:

Bus connection and joints may be made to different configurations with other than the required materials and plating, provided a comparative test analysis is made by an unbiased testing laboratory and the results of the test are submitted to the Bureau of Electrical Inspection for acceptance or rejection, *Before Being Used.*

88-93849. Lugs intended for use with 500 MCM cables or larger shall be equipped with two mounting holes, or shall be so equipped as to prevent rotation of the log after installation.

88-938410. Moulded Case Circuit Breakers. Bus bars entering or leaving moulded case circuit breakers shall be insulated, unless circuit breakers are specifically approved for use with bare bus.

88-938411. Panels. The panels of switchboards or panelboards shall be made of moisture-resistant, non-combustible materials.

88-938412. Wiring Space. Wiring space and bending room as required in 87-373.6 shall be provided in all switchboards and panelboards.

88-938413. Number of Overcurrent Devices. Except as provided for in the mains, no panelboard shall contain more than 42 overcurrent devices.

Panelboards shall be so constructed that no more overcurrent devices than the number for which it was approved may be installed.

88-938414. Component Parts. Switches, circuit breakers, fuses, fuseholders, etc., used on or in panelboards shall conform to all other applicable provisions of this code.

88-938415. Protection of Instrument Circuits. Instruments, pilot lights, potential transformers, and other switchboard devices with potential coils, except where the operation of an overcurrent device might introduce a hazard in the operation of devices, shall be supplied by a circuit that is protected by standard overcurrent devices of a rating not greater than 15 amperes, except that for ratings of 2 amperes or less special types of enclosed fuses may be used.

88-938416. Grounding and Bonding. All sections of a switchboard shall be bonded together and shall be grounded in conformance with the provisions of 87-250.

88-938440. Meter Sockets and Meter Socket Combinations. In general meter sockets and combinations of meter sockets and circuit breakers or switches shall conform to the construction specifications for panelboards as regards: enclosures, panels, ratings, marking, conductor sizes, ampacity, wiring and bending space, component parts and spacing. In addition thereto the specific requirements of 87-220, 87-230, 87-250, 87-310, 87-374, 87-380, 87-384, and 88-560 shall apply.

### Flexible Cords

88-94001. Labels. Flexible cords shall be examined and tested at the factory and shall be labeled before shipment.

88-94002. Grounded Circuit Conductor Identification. One conductor of flexible cords shall have a continuous marker readily distinguishing it from the other conductor or conductors. The identification shall consist of one of the following:

(a) Colored Braid. A braid finished to show a white or natural gray color and the braid on the other conductor or conductors finished to show a readily distinguishable solid color or colors.

(b) Tracer in Braid. A tracer in a braid of any color contrasting with that of the braid and no tracer in the braid of the other conductor or conductors. No tracer shall be used in the braid of any conductor of a flexible cord which contains a conductor having a braid finished to show white or natural gray, except, in the case of Types C, PD and PO cords having the braids on the individual conductors finished to show white or natural gray. In such C, PD and PO cords the identifying marker may consist of the solid white or natural gray finish on one conductor provided there is a colored tracer in the braid of each other conductor.

(c) Colored Insulation. A white or natural gray insulation on one conductor and insulation of a readily distinguishable color or colors on the other conductor or conductors for cords having no braids on the individual conductors (except cords which have insulation on the individual conductors integral with the jacket).

(d) Colored Separator. A white or natural gray separator on one conductor and a separator of a readily distinguishable solid color on the other conductor or conductors of cords having insulation on the individual conductors integral with the jacket.

(e) Tinned Conductors. One conductor having the individual strands tinned and the other conductor or conductors having the individual strands untinned for cords having insulation on the individual conductors integral with the jacket.

(f) Surface Marking. A stripe, ridge or groove so located on the exterior of the cord as to identify one conductor for cords having insulation on the individual conductors integral with the jacket.

88-94003. Grounding Conductor Identification. A conductor intended to be used as a grounding conductor shall have a continuous identifying marker readily distinguishing it from the other conductor or conductors. Conductors having a green covering shall not be used for other than grounding purposes. The identifying marker shall consist of one of the following:

(a) Colored Braid. A braid finished to show a green color.

(b) Colored Insulation or Covering. For cords having no braids on the individual conductors a green insulation or a green covering on one conductor.

88-94004. Insulation Thickness. The nominal thickness of rubber or thermoplastic conductor insulation in Types TS, TST, PO-1, P-1, SV, and SVT shall be not less than 1/64 inch. The nominal thickness of rubber insulation in Types HC, HPD, HSJ, and HS shall be not less than 1/64 inch for the Nos. 18-16 AWG sizes, and not less than 2/64 inch for the Nos. 14-12 AWG sizes. The nominal thickness of the thermoplastic insulation in Type ET elevator cable shall be not less than 20 mils for the No. 18 and No. 16 AWG size and not less than 1/32 inch for the No. 14 AWG size. The nominal thickness of the rubber insulation in Types E and EO elevator cables shall be not less than 20 mils for the No. 18 and 16 AWG sizes and not less than 2/64 inch for the No. 14 AWG size for ratings not exceeding 300 volts.

The nominal thickness of latex-rubber insulation, when employed, in Types SJ, SJO, S and SO shall be not less than 15 mils for the Nos. 18-16 AWG sizes and not less than 18 mils for the No. 14 AWG and larger sizes. The nominal thickness of conductor insulation in Types PO, P, SP-2, SPT-2, HPN, SRD, and SRDT shall be not less than 3/64 inch. The nominal thickness of thermoplastic insulation in Type SPT-3 shall be not less than 4/64 inch for sizes 18-16 and 5/64 inch for No. 14 and 6/64 inch for No. 12 AWG. For other types, the minimum nominal thickness of rubber or thermoplastic conductor insulation shall be as follows: size AWG 27, and 18 to 16-2/64 inch; 14 to 10-3/64 inch; 8 to 2-4/64 inch.

88-94005. Attached to Receptacle Plugs. Where a flexible cord is provided with a grounding conductor and equipped with an attachment plug, the

88-94006(b). Types.

| 4 | .. | 60 | 70 | .. | .. | .. |
| 2 | .. | 80 | 95 | .. | .. | .. |

* These types are used almost exclusively in fixtures where they are exposed to high temperatures and ampere ratings are assigned accordingly.

** Tinsel Cord.

† The ampacities under sub-heading A in Column 3 are applicable to three conductor cords and four conductor cords connected to utilization equipment, with three conductors carrying current. The ampacities under sub-heading B in Column 3 are applicable to two conductor cords and three conductor cords connected to the utilization equipment, with two conductors carrying current.

NOTE 1. Ultimate Insulation Temperature. In no case shall conductors be associated together in such way with respect to the kind of circuit, the wiring method employed, or the number of conductors, that the limiting temperature of the conductors will be exceeded.

NOTE 2. SVHT made only in No. 18 and 17 AWG sizes.

### Notes to Table 88-94006(b).

**1.** Except for Types PO-1, PO-2, PO, SP-1, SP-2, SPT-1, SPT-2, TP, TPT, and AVPO, individual conductors are twisted together.

**2.** Type PO-1 is for use only with portable lamps, portable radio receiving appliances, portable clocks and similar appliances which are not liable to be moved frequently and where appearance is a consideration.

**3.** Types TP, TPT, TS, and TST are suitable for use in lengths not exceeding eight feet when attached directly, or by means of a special type of plug, to a portable appliance rated at 50 watts or less and of such nature that extreme flexibility of the cord is essential.

**4.** Rubber-filled or varnished cambric tapes may be substituted for the inner braids.

**5.** Types S, SO, and ST are suitable for use on theatre stages, in garages and elsewhere, where flexible cords are permitted by this Code.

**6.** Traveling cables for operating, control and signal circuits may have one or more nonmetallic fillers or may have a supporting filler of stranded steel wires having its own protective braid or cover. Cables exceeding 100 feet in length shall have steel supporting fillers, except in locations subject to excessive moisture or corrosive vapors or gases. Where steel supporting fillers are used, they shall run straight through the center of the cable assembly and shall not be cabled with the copper strands of any conductor.

Types E, EO, and EN Cables may incorporate in the construction #20 Gauge Conductors formed as a pair, and covered with suitable metallic shielding for telephone circuits. The insulation of the conductors may be rubber or thermoplastic of thickness specified for Type E and EO Cables. The shield shall have its own protective covering. This component may be incorporated in any layer of the cable assembly, and shall not run straight through the center.

**7.** A third conductor in these cables is for grounding purposes only.

**8.** The individual conductors of all cords except those of heat-resistant cords (Types AFC, AFPD, AFS, AFSJ, AVPO, AVPD and CFPD) shall have a rubber or thermoplastic insulation, except that the grounding conductor where used, shall be in accordance with Paragraph 400-14(b). A rubber compound shall be vulcanized except for heater cords (Types HC, HPD and HSJ).

**88-94100. Fixtures, lampholders, lamps, receptacles, rosettes and fixture wires shall conform to the provisions contained in this Section.**

**(a) Fixture wires shall conform to the descriptions and limitations contained in the following Tables:**

### 88-94100(a-1). Ampacities of Fixture Wires.

(Based on Ambient Temperature of 30°C., 86°F.)

| Size AWG | Fixture Wire | |
|---|---|---|
| | Rubber Types RF-1, RF-2, FF-1, FF-2, RFH-1, RFH-2, FFH-1, FFH-2 | Thermoplastic Types TF, TFF, TFN, TFFN<br>Cotton Type CF*<br>Asbestos Type AF*<br>Silicone Rubber Types SF-1*, SF-2*, SFF-1*, SFF-2*<br>Fluorinated Ethylene Propylene Types PF*, PGF*, PFF*, PGFF* |
| 18 | 5 | 6 |
| 16 | 7 | 8 |
| 14 | .. | 17 |

* These types are used almost exclusively in fixtures where they are exposed to high temperatures and ampere ratings are assigned accordingly.

Ultimate Insulation Temperature. In no case shall conductors be associated together in such a way with respect to the kind of circuit, the wiring method employed, or the number of conductors, that the limiting temperature of the conductors will be exceeded.

### 88-94100(a-2). Recognized Fixture Wires.

| Trade Name | Type Letter | Insulation | Thickness of Insulation | Outer Covering |
|---|---|---|---|---|
| Rubber-Covered Fixture Wire Solid or 7-Strand | RF-1 | Code Rubber 18 | 1/64 Inch | Non-metallic covering |
| | RF-2 | Code Rubber 18–16 | 2/64 Inch | Non-metallic covering |
| | | Latex Rubber 18–16 | 18 Mils | |
| Rubber-Covered Fixture Wire Flexible Stranding | FF-1 | Code Rubber 18 | 1/64 Inch | Non-metallic covering |
| | FF-2 | Code Rubber 18–16 | 2/64 Inch | Non-metallic covering |
| | | Latex Rubber 18–16 | 18 Mils | |
| Heat Resistant Rubber-Covered Fixture Wire Solid or 7-Strand | RFH-1 | Heat-Resistant Rubber 18 | 1/64 Inch | Non-metallic covering |
| | RFH-2 | Heat-Resistant Rubber 18–16 | 2/64 Inch | Non-metallic covering |
| | | Heat-Resistant Latex Rubber 18–16 | 18 Mils | |
| Heat Resistant Rubber-Covered Fixture Wire Flexible Stranding | FFH-1 | Heat-Resistant Rubber 18 | 1/64 Inch | Non-metallic covering |
| | FFH-2 | Heat-Resistant Rubber 18–16 | 2/64 Inch | Non-metallic covering |
| | | Heat-Resistant Latex Rubber 18–16 | 18 Mils | |
| Thermoplastic-Covered Fixture Wire —Solid or Stranded | TF | Thermoplastic 18–16 | 2/64 Inch | None |
| Thermoplastic-Covered Fixture Wire —Flexible Stranding | TFF | Thermoplastic 18–16 | 2/64 Inch | None |
| Heat Resistant Thermoplastic-Covered Fixture Wire—Solid or Stranded | TFN | Thermoplastic 18–16 | 15 Mils | Nylon Jacketed |

**88-94101. Fixtures. Fixtures shall conform to the following:**

**(a) Material Other Than Metal. In all fixtures not made of metal, wireways shall be lined with metal unless approved armored or leadcovered conductors with suitable fittings are used. This requirement shall also apply to portable table and floor lamps unless the wireways are in glass, marble, or similar types of non-absorptive and non-combustible insulating material.**

**(b) Mechanical Strength. Tubing used for arms and stems where provided with cut threads shall**

| Trade Name | Type Letter | Insulation | | Thickness of Insulation | Outer Covering |
|---|---|---|---|---|---|
| Heat Resistant Thermoplastic-Covered Fixture Wire—Flexible Stranded | TFFN | Thermoplastic | 18–16 | 15 Mils | Nylon Jacketed |
| Cotton-Covered, Heat-Resistant, Fixture Wire | CF | Impregnated Cotton | 18–14 | 2/64 Inch | None |
| Asbestos-Covered, Heat-Resistant, Fixture Wire | AF | Impregnated Asbestos | 18–14 | 2/64 Inch | None |
| Silicone Insulated Fixture Wire Solid or 7-Strand | SF-1 | Silicone Rubber | 18 | 1/64 Inch | Non Metallic Covering |
| | SF-2 | Silicone Rubber | 18–14 | 1/32 Inch | Non Metallic Covering |
| Silicone Insulated Fixture Wire Flexible Stranding | SFF-1 | Silicone Rubber | 18 | 1/64 Inch | Non Metallic Covering |
| | SFF-2 | Silicone Rubber | 18–14 | 1/32 Inch | Non Metallic Covering |
| Fluorinated Ethylene Propylene Fixture Wire Solid or 7 Strand | PF | Fluorinated Ethylene Propylene | 18–14 | 20 Mils | None |
| | PGF | | 18–14 | 14 Mils | Glass Braid |
| Fluorinated Ethylene Propylene Fixture Wire Flexible Stranding | PFF | Fluorinated Ethylene Propylene | 18–14 | 20 Mils | None |
| | PGFF | | 18–14 | 14 Mils | Glass Braid |

be not less than 0.040 inch in thickness and when provided with rolled (pressed) threads shall be not less than 0.025 inch in thickness. Arms and other parts shall be fastened to prevent turning. Metal canopies supporting lampholders, shades, etc., exceeding 8 lbs., or incorporating attachment plug receptacles, shall be not less than 0.020 inch in thickness.

Other canopies shall be not less than 0.016 inch when made of steel and not less than 0.020 inch when of other metals. Pull type canopy switches shall not be inserted in the rims of metal canopies which are less than 0.025 inch in thickness unless the rims are reinforced by the turning of a bead or the equivalent. Pull type canopy switches, whether mounted in the rims or elsewhere in sheet metal canopies, shall be located not more than 3½ inches from the center of the canopy. Double set screws, double canopy rings, a screw ring, or equal method shall be used where the canopy supports a pull type switch or pendent receptacle.

Mechanical Strength: The above thickness requirements apply to measurements made on finished (formed) canopies.

(c) Wiring Space. Bodies of fixtures, including portable lamps, shall provide ample space for splices and taps and for the installation of devices, if any. Splice compartments shall be of non-absorptive, non-combustible material.

(d) Fixture Studs. Fixture studs which are not parts of outlet boxes, hickeys, tripods, and crowfeet shall be made of steel, malleable iron, or other approved material.

(e) Insulating Joints. Insulating joints shall be composed of material especially approved for the purpose. Those which are not designed to be mounted with screws or bolts shall have a substantial exterior metal casing, insulated from both screw connections.

(f) Portables. Portable table and floor lamps and fan motors on ceiling fixtures may be wired with approved rubber-covered conductors, provided the wiring is not located so as to be subject to undue heating from lamps.

(g) Cord Bushings. Bushings or the equivalent shall be provided where flexible cord enters the base or stem of a portable lamp. The bushing shall be of insulating material unless a jacketed type of cord is used.

(h) Tests. All wiring shall be free from short-circuits and grounds, and shall be tested for these defects prior to being connected to the circuit.

(i) Live Parts. Exposed live parts within porcelain fixtures shall be suitably recessed and so located as to make it improbable that wires will come in contact with them. There shall be a spacing of at least ½ inch between live parts and the mounting plane of the fixture.

## Lampholders

88-94102. General. Lampholders shall conform to the following:

(a) Insulation. The outer metal shell and the cap shall be lined with insulating material which shall prevent the shell and cap from becoming a part of the circuit. The lining shall not extend beyond the metal shell more than 1/8 inch, but shall prevent any current-carrying part of the lamp base from being exposed when a lamp is in the lampholding device.

(b) Lead wires. Lead wires, furnished as a part of weatherproof lampholders and intended to be exposed after installation, shall be of approved, stranded, rubber-covered conductors, not less than No. 14 gauge (No. 18 gauge for candelabra sockets), and shall be sealed in place or otherwise made raintight.

(c) Switched Lampholders. Switched lampholders shall be of such construction that the switching mechanism interrupts the electrical connection to the center contact. The switching mechanism may also interrupt the electrical connection to the screw shell if connection to the center contact is simultaneously interrupted.

(d) Screw-Shell Lampholders. Screw-shell lampholders shall be classed according to diameters of lamp bases, as Candelabra, Intermediate Medium, Ad medium, and Mogul base; having respectively ½ inch, 21/32 inch, 1 inch, 11/16 inch, and 1½ inch nominal sizes, with ratings, as specified in the following table:

| | | Ratings Switched | | | Ratings Unswitched | | |
|---|---|---|---|---|---|---|---|
| Class | Nominal Diameter | Watts | Volts | Max. Amp. At Any Voltage | Watts | Volts | Max. Amps. At Any Voltage |
| Candelabra | ½″ | 75 | 125 | ¾ | 75 | 125 | 1 |
| Intermediate | 21/32″ | 75 | 125 | ¾ | 75 | 250 | 1 |
| Medium | 1″ | 250 | 250 | 2½ | 660 | 250 | 6 |
| | | 660(a) | 250 | 6 | 660 | 600 | |
| Admedium | 1-1/16″ | | | | 660 | 250 | |
| Mogul | 1½ | 750 | 250 | | 1500 | 250 | |
| | | 1500 | 250 | | 1500 | 600 | |

Screw Shell Lampholders: (a) This rating may be given only to lampholders having a switch mechanism which produces both a quick "make" and a quick "break" action. Miniature lampholders and receptacles having screw-shells smaller than the Candelabra size may be used for decorative lighting systems, Christmas-tree Lighting Outfits and similar purposes.

For exceptions for Medium Base Key Lampholders and Receptacles see 88-720.

### Incandescent Lamps

88-94103. An incandescent lamp for general use on lighting branch circuits shall not be equipped with a Medium base if rated over 300 watts, nor with o Mogul base if rated over 1500 watts. Above 1500 watts special approved bases or other devices shall be used.

### Rosettes

88-94104. Rosettes, Rosettes shall conform to the following:

(a) Rating. Rosettes shall be rated at 660 watts, 250 volts, with a maximum current rating of 6 amperes.

(b) For Exposed Wiring. If designed for use with exposed wiring, rosettes shall be provided with bases which shall have at least two holes for supporting, shall be high enough to keep the wires and terminals at least ½ inch from the surface wired over, and shall have a porcelain lug under each terminal to prevent the rosette being placed over projections which would reduce the separation to less than ½ inch.

(c) For Use With Boxes or Raceways. If designed for use with conduit boxes or wire raceways, rosette bases shall be high enough to keep wires and terminals at least ⅜ inch from the surface wired over.

(d) Fuseless. Fused rosettes shall not be used.

(e) Non-separable. Separables rosettes which make possible a change in polarity shall not be used.

### Flush and Recessed Fixtures

88-94105. Flush and Recessed Fixtures. Flush and recessed fixtures shall conform to the following:

(a) Temperature. Fixtures shall be so constructed that adjacent combustible material will not be subject to temperatures in excess of 90°C (194°F).

(b) Enclosure. Sheet metal enclosures shall be protected against corrosion by galvanizing, plating, or other equivalent heat-resisting coating, and shall not be less than No. 22 USS gauge (.0299 inch).

(c) Lamp Stops. Where enclosures are of a size twhich permits the use of lamps which will permit the temperature limits specified in subparagraph (a) to be exceeded, lamp stops shall be provided to prevent the use of excess size lamps.

(d) Use of Solder Prohibited. No solder shall be used in the construction of the fixture box.

(e) Lampholders. Lampholders of the screw-shell type shall be porcelain unless specially approved for the purpose. Cements, if used, shall be of the high-heat type.

(f) Conductor Insulation. Recessed fixtures shall be wired with a type fixture wire approved for the purpose.

### Electric Discharge Lamps

88-94106. General. Fixtures constructed for electric discharge lighting in addition to conforming to the applicable requirements for electric discharge lighting, and the general requirements for all lighting fixtures, shall conform to the following. For signs and outline lighting, see 88-600.

(a) Lampholders. Lampholders shall be classed according to the dimensions and spacings of the pins in the lamp bases, as shown in the following table:

| | | *Pin Dimensions* | | |
|---|---|---|---|---|
| *Class* | *Ratings* | *Diam.* | *Length* | *Spacing* |
| Small Bipin | 75 watts | 3/32 in. | 9/32 in. | 3/16 in. |
| Standard Bipin | 660 watts | 3/32 in. | 9/32 in. | 1/2 in. |
| Large Bipin | 660 watts | 1/8 in. | 5/8 in. | 25/32 in. |
| Standard Single Pin | 660 watts | 5/16 in. | 5/16 in. | |

### Mercury-Vapor Lamps

88-94107. Enclosure of Resistors and Regulators. Resistors or regulators for mercury-vapor lamps shall be enclosed in non-combustible cases and treated as sources of heat.

88-94108. Fixtures General. Fixtures intended for installation in other than normal locations, such as; damp locations, wet locations, walk-in coolers, steam rooms and other such unusual areas shall be specifically approved for the purpose.

Appliances. Appliances shall conform to the following:

(a) There shall be no exposed live parts.

(b) Supply cords to portable appliances shall conform to Table 88-94006 of this code.

(c) Except for vacuum cleaners, floor polishers, some lawn mowers and appliances which by their very nature must be moved while they are in use, supply cords shall be limited to a maximum of 6′.

(d) All commercial or industrial types of appliances shall be equipped with provisions for grounding.

(e) In residential occupancies all permanently installed appliances, all cord connected appliances which are supplied with more than 150 volts, all refrigerators, freezers, air conditioners, clothes washers, clothes dryers, dish washers, sump pumps, portable hand held motor operated tools and appliances unless protected by an approved system of double insulation shall be grounded by one of the approved grounding methods.

(f) Appliances which are not portable and/or attached to the building structure shall be wired permanently. Flexible cords will not be acceptable.

88-94222. All appliances shall conform to the provisions of 86-10 and 87-422.

### Motors and Generators

88-94301. Marking. All motors and generators shall be permanently (no paper stickers) marked with the following:

(a) Manufacturer's name or trademark.

(b) Normal working voltage or voltages.

(c) Horsepower, where greater than ⅛.

(d) Speed

(e) Full-load current
(f) Proper code letter
(g) An indication if there is inherent protection.
(h) Phase

and any other pertinent information which would be necessary for the proper installation and maintenance of the machine.

88-94302. Identifying Code Letters. Code letters marked on motor nameplates to show motor input with locked rotor shall be in accordance with the following table:

| *Code Letter* | *Kilovolt-Amperes Per Horsepower with Locked Rotor* |
|---|---|
| A | 0 - 3.14 |
| B | 3.15 - 3.54 |
| C | 3.55 - 3.99 |
| D | 4.0 - 4.49 |
| E | 4.5 - 4.99 |
| F | 5.0 - 5.59 |
| G | 5.6 - 6.29 |
| H | 6.3 - 7.09 |
| J | 7.1 - 7.99 |
| K | 8.0 - 8.99 |
| L | 9.0 - 9.99 |
| M | 10.0 - 11.19 |
| N | 11.2 - 12.49 |
| P | 12.5 - 13.99 |
| R | 14.0 - 15.99 |
| S | 16.0 - 17.99 |
| T | 18.0 - 19.99 |
| U | 20.0 - 22.39 |
| V | 22.4 - and up |

(1) Multi-speed motors shall be marked with the code letter designating the locked-rotor KVA per horsepower for the highest speed, except constant horsepower motors which shall be marked with the code letter giving the highest locked-rotor KVA per horsepower.

(2) Single-speed motors starting on Y connection and running on delta connections shall be marked with a code letter corresponding to the locked-rotor KVA per horsepower for the Y connection.

(3) Dual-voltage motors which have a different locked-rotor KVA per horsepower on the two voltages shall be marked with the code letter for the voltage giving the highest locked-rotor KVA per horsepower.

(4) Motors with 60- and 50-cycle ratings shall be marked with a code letter designating the locked rotor KVA per horsepower on 60 cycles.

(5) Part-winding-start motors shall be marked with a code letter designating the locked-rotor KVA per horsepower that is based upon the locked-rotor current for the full winding of the motor.

88-94303. Terminal Housings. Motor and generator terminal housings shall be large enough to provide the bending room necessary for the largest size conductors required for the motor or generator.

88-94304. Motor Control Centers. A motor control center is an assembly consisting of one or more sections (similar to switchboard construction) containing motor disconnects, starters and/or controls for 2 or more motors.

(a) Prints Required. 3 sets of detailed prints shall be submitted to the Bureau of Electrical Inspection prior to the installation of any motor control center.

(b) Supply Conductors and Internal Bus. The supply conductors and the internal bus bars shall have an ampacity equal to the full-load current of all the motors served by the assembly plus 25% of the full-load current rating of the largest motor served by the assembly.

(c) Disconnects. Each motor served by the assembly shall have a disconnect which disconnects the motor and its comptroller, except that if the assembly serves one machine a single disconnect may be used. If one disconnect is used, it must be an integral part of the assembly. This does not relieve the installer of the responsibility of installing the required disconnect within sight of the motor. (see 87-430.86)

(d) Overcurrent Protection and Disconnect of Supply Conductors. The conductors supplying a motor control center shall be protected by overcurrent devices which will provide the time lag necessary to permit the starting of all motors and will afford adequate protection for the conductors. A readily accessible means of disconnecting all such conductors and overcurrent devices shall be supplied.

(e) Working Space. Working space as defined in other sections of this code shall be provided around each such assembly. No assembly shall be more than eight feet high, except that this height limitation may be exceeded provided no switch handle, pushbutton, reset button, etc., is more than 6′6″ from the floor, and provided further that special permission is obtained prior to installation.

(f) Bus Bars. Bus bars shall be completely covered, when installed in compartments or sections into which insulated conductors are introduced. All bus bars shall be braced to withstand the available fault current.

(g) Wiring Space. Wiring spaces and gutters shall be provided so that no foreign wires shall be installed in controller or switch enclosures. Wiring spaces, trough and gutters shall conform to the provisions of 87-373.6.

(h) Control Voltage. If the control circuit does not leave the enclosure of the assembly, the control voltage may exceed 150 volts to ground, but may not exceed 300 volts to ground.

88-94305. Auto-Transformer Design. An auto-transformer starter shall provide an off position, a running position, and at least one starting position. It shall be so designed that it cannot rest in the starting position or in any position which will render inoperative the overcurrent protective device in the circuit.

88-94306. Rheostats. Rheostats shall conform to the following:

(a) Internal Connections. Motor-starting rheostats shall be so designed that the contact arm cannot be left on intermediate segments. The point or plate on which the arm rests when in the starting position shall have no electrical connection with the resistor.

(b) Under Voltage Release. Motor-starting rheostats for direct-current motors operated from a constant voltage supply shall be equipped with the automatic devices which will interrupt the supply before the speed of the motor has fallen to less than one-third its normal value.

88-94501. Transformers. Transformers shall be provided with a non-combustible moisture-resistant case or enclosure which will provide reasonable protection against the accidental insertion of foreign objects.

88-94502. Temperature. Where the exterior temperature of a transformer, not in a vault, under full-load conditions may exceed 100 degrees F, protection in the form of screening or barriers shall be provided so as to make accidental contact with the case of the transformer impossible.

88-94503. Leads. The primary leads of transformers supplying Class 2 remote-control and signal circuits may be smaller than #14 but not smaller than #18, provided they are not over 12″ long, have insulation at least equal to type RF-2. Transformer leads either primary or secondary shall not have insulation of a green color.

88-94601. Capacitors. Cases and Supports. Capacitors shall be provided with non-combustible cases and supports.

88-94701. Resistors and Reactors. Contracts. Fixed and movable contacts shall be so designed that arcing will be kept at a minimum.

88-94602. Materials. Reactors shall be composed of non-combustible materials and shall be mounted on non-combustible bases.

88-96001. Signs. Signs, either indoor or outdoor shall conform to the provisions of 86.1 and 88-600 to 88-606 of this code.

88-97001. Emergency Lighting Equipment. All equipment and devices used in conjunction with Emergency Lighting Systems shall be submitted for approval by the Bureau of Electrical Inspection at the time the prints for such installation are submitted. (see 88-700.9).

88-97101. Equipment Operating at More Than 600 Volts. Unless there is a nationally recognized standard for the type and rating of such equipment (conductors, devices, switches, etc.,) all such equipment shall be submtited to the Bureau for special examination.

88-99999. Penalty. Any person, individual, company or corporation who violates any of the provisions of this chapter, or who owns, operates, installs, sells, or offers for sale, gives away gratis or maintains any electrical wiring, apparatus, equipment or appliances found to be dangerous to life and property, shall, upon conviction, be fined not more than fifty dollars, and every person shall be deemed guilty of a separate offense for each and every day such violation shall continue, and shall be subject to the penalty of this section for each and every separate offense and so much of any electrical installation as may be erected or altered and maintained in violation of this chapter shall be condemned and the Electrical Inspection Bureau is hereby empowered to cut off and discontinue current to such electrical wires and apparatus in violation of the Chapter."

SECTION 207. That Section 88-10 of the Municipal Code of Chicago is amended so as to read as follows:

"88-10. Tables and Diagrams.

Table #1. Ampacities of Copper Conductors. (Insulated and not more than three conductors in a raceway or cable)

</table>

† The ampacities for Types RHH, THHN, and XHHW conductors for sizes AWG 12 and 10 shall be the same as designated for 75°C conductors in this Table.

### Notes to Tables 1, 1a, 2 and 2a.

1. Bare Conductors. Where bare conductors are used with insulated conductors, their allowable ampacity shall be limited to that permitted for the insulated conductors of the same size.

2. Application of Tables. For open wiring on insulators and for concealed knob-and-tube work, the allowable ampacity of Tables 2 and 2a shall be used for all other recognized wiring methods, the allowable ampacity of Tables 1 and 1a shall be used, unless otherwise provided in this code.

3. M1 Cable. The temperature limitation on which the ampacities of Type MI cable are based is determined by the insulating materials used in the end seal. Termination fittings incorporating unimpregnated organic insulating materials are limited to 85 degrees C. operation.

4. Ultimate Insulation Temperature. In no case shall conductors be associated together in such a way with respect to the kind of circuit, the wiring method employed, or the number of conductors that the limiting temperature of the conductors will be exceeded.

5. Use of Conductors with Higher Operating Temperatures. Where the room temperature is within 10 degrees C. of the maximum allowable operating temperature of the insulation, it is desirable to use an insulation with a higher maximum allowable operating temperature. If the current is reduced in accordance with the Correction Factors in the following Table, any approved insulation may be used in a room having an ambient temperature which approaches the maximum allowable operating temperature of that insulation.

CORRECTION FACTORS, ROOM TEMPS. OVER 30° C. 86° F.

| C. | F. | | | | | | |
|---|---|---|---|---|---|---|---|
| 40 | 104 | .82 | .88 | .90 | .94 | .95 | .... |
| 45 | 113 | .71 | .82 | .85 | .90 | .92 | .... |
| 50 | 122 | .58 | .75 | .80 | .87 | .89 | .... |
| 55 | 131 | .41 | .67 | .74 | .83 | .86 | .... |
| 60 | 140 | .... | .58 | .67 | .79 | .83 | .91 |
| 70 | 158 | .... | .35 | .52 | .71 | .76 | .87 |
| 75 | 167 | .... | .... | .43 | .66 | .72 | .86 |

| 90 | 194 | .... | .... | .... | .50 | .61 | .80 |
| 100 | 212 | .... | .... | .... | .... | .51 | .77 |
| 120 | 248 | .... | .... | .... | .... | .... | .69 |
| 140 | 284 | .... | .... | .... | .... | .... | .59 |
| INSULATION RATING | | 60° | 75° | 90° | 110° | 125° | 200° |

6. Ampacity. The maximum continuous current carrying capacity of conductors.

7. Neutral Conductor. A neutral conductor which carries only the unbalanced current from other conductors, as in the case of normally balanced circuits of three or more conductors, shall not be counted in determining ampacities. In a three wire circuit consisting of two phase wires and a neutral of a four wire, three phase wire connected system, a common conductor carries approximately the same current as the other conductor and is not therefore considered as a neutral conductor.

8. More than Three Conductors in a Raceway. Tables 1 and 1a give the ampacities for not more than three conductors in a raceway or cable. If the number of conductors is from four to six, the ampacity of each conductor shall be reduced to 80% of the values in Tables 1 and 1a. If the number of conductors is from seven to nine, the ampacity of each conductor shall be reduced to 70% of the values in Tables 1 and 1a. Except as is permitted in other sections of this code, no more than nine current carrying conductors shall be installed in any conduit.

9. Voltage Drop. The ampacities in Tables 1, 1a, 2 and 2a are based upon temperature alone and do not take voltage drop into consideration.

10. Overcurrent Protection. If the standard rating or settings of overcurrent devices do not correspond with the ratings or setting allowed for conductors, the next higher standard rating or setting may be used, but shall not exceed 150% of the ampacity of the conductor.

11. Deterioration of Insulation. It should be noted that even the best grade of insulation will deteriorate in time and will eventually have to be replaced.

| 2000 | 3½ | 6 | 6 | ... | ... | ... | ... | ... | ... | ... | ... | ... |

See Sections 87-346.6 and 87-348.6.

See Section 87-346.10 for bends in conduit.

Table 5. The above sizes apply to straight runs or with nominal offsets equivalent to not more than two quarter-bends.

### TABLE 9. NUMBER OF CONDUCTORS IN CONDUCT OR TUBING.

### More Than 9 Conductors.

### Building Wire Types, Approved for Installation in Raceways

(See Section 87-300.12)

| Size AWG | Maximum Number of Conductors in Conduit or Tubing | | | | | | |
|---|---|---|---|---|---|---|---|
| | ¾ Inch | 1 Inch | 1¼ Inch | 1½ Inch | 2 Inch | 2½ Inch | 3 Inch |
| 18 | 12 | 20 | 35 | 49 | 80 | 115 | 176 |
| 16 | 10 | 17 | 30 | 41 | 68 | 97 | 150 |
| 14 | .. | 10 | 18 | 25 | 40 | 59 | 90 |
| 12 | .. | .. | 15 | 21 | 35 | 50 | 77 |
| 10 | .. | .. | 13 | 17 | 29 | 41 | 64 |
| 8 | .. | .. | .. | 10 | 17 | 25 | 38 |
| 6 | .. | .. | .. | .. | .. | 15 | 23 |

More than nine conductors are permitted in a single conduit only for conductors between a motor and its controller; stage pocket and border circuits, (88-520.12); elevator control conductors, (88-620.14).

### TABLE 11. COMBINATIONS OF CONDUCTORS.

For groups or combinations of conductors not included in Tables 4 to 9, the conduit or tubing shall be of such size that the sum of the cross-sectional areas of the individual conductors will not be more than the percentage of the interior cross-sectional area of the conduit or tubing than as shown in the following table:

Per Cent Area of Conduit or Tubing

| | Number of Conductors | | | | |
|---|---|---|---|---|---|
| | 1 | 2 | 3 | 4 | Over 4 |
| Conductors (not lead covered)...... | 53 | 31 | 43 | 40 | 40 |
| Lead-covered conductors........... | 55 | 30 | 40 | 38 | 35 |
| For rewiring existing raceways for increased load where it is impracticable to increase the size of the raceway due to structural conditions .. | 60 | 40 | 50 | 50 | 50 |

See Note to Table 13 for size of conduit or tubing for combinations of conductors not included in Table 4.

See Tables 12 to 19 for dimensions of conductors, conduit and tubing.

Table 11. For carrying capacity of more than three conductors in a conduit or tubing, see Tables 1 and 2, Note 4.

### TABLE 12—DIMENSIONS AND PER CENT AREA OF CONDUIT AND TUBING.

Areas of Conduit or Tubing for the Combinations of Wires Permitted by Table 11

| Trade Size | Internal Diameter Inches | Area—Square Inches | | | | | | | | |
|---|---|---|---|---|---|---|---|---|---|---|

See Table 4

Tables 12 to 17. Tables 12 to 17 give the nominal size of conductors and conduit or tubing recommended for use in computing size of conduit or tubing for various combinations of conductors. The dimensions represent average conditions only, and while variations will be found in dimensions of conductors and conduits of different manufacture, these variations will not affect the computations.

Table 17. Note: No. 14 to No. 8, solid, No. 6 and larger, stranded; except AVL where all sizes are stranded.

### VARNISHED-CAMBRIC INSULATED CONDUCTORS

### Type V

The insulation thickness for Varnished-cambric conductors, Type V, is the same as for rubber-covered conductors, Type RH, except for Nos. 14 and 12 which have 3/64 inch insulation for varnished-cambric and 2/64 inch insulation for rubber-covered conductors and for No. 8 which has 3/64 inch insulation for varnished-cambric and 4/64 inch insulation for rubber-covered conductors.

* Area given is that of a circle having a diameter equal to the overall diameter of a stranded conductor.

The values given in the table are those given in Handbook 100 of the National Bureau of Standards except that those shown in the 8th column are those given in Specification B33 of the American Society for Testing and Materials, and those shown in the 9th column are those given in Standard No. S-19-81 of the Insulated Power Cable Engineers Association and Standard No. WC3-1964 of the National Electrical Manufacturers Association.

The resistance values given in the last three columns are applicable only to direct current. When conductors larger than #4/0 are used with alternating current the multiplying factors given in the following Table should be used to compensate for skin effect.

### TABLE 19—DIMENSIONS OF CONDUIT OR TUBING.

(See Table 4)

| Size | Internal Diameter Inches | Area Square Inches | Size | Internal Diameter Inches | Area Square Inches |
|---|---|---|---|---|---|
| ½ | .622 | .30 | 3 | 3.068 | 7.38 |
| ¾ | .824 | .53 | 3½ | 3.548 | 9.90 |
| 1 | 1.049 | .86 | 4 | 4.026 | 12.72 |
| 1¼ | 1.380 | 1.50 | 4½ | 4.506 | 15.95 |
| 1½ | 1.610 | 2.04 | 5 | 5.047 | 20.00 |
| 2 | 2.067 | 3.36 | 6 | 6.065 | 23.89 |
| 2½ | 2.469 | 4.79 | | | |

### TABLE 20. CONDUCTOR SIZES AND OVERCURRENT PROTECTION FOR MOTORS.

See Tables 26 and 27, Chapter 10.

These values are in accordance with 87-430.9, 12, 22, 24, 42, and 49 except as follows: The current values in Col. 1 are to be taken from Tables 21 to 24, including footnotes, but the values shown for running protection in Columns 5 and 6 must be modified if name plate full load current values are different, as provided in 87-430.9. The current values shown in Columns 2 and 3 must be reduced by 8% for all motors other than open type motors marked to have a temperature rise not over 40 degrees C. as required by 87-430.43. For certain exceptions to the values in Columns 4, 5, 6 and 7, see 87-430.32 and 87-430.47. See 87-430.43 for values to be used for several motors on one branch circuit.

### TABLE 20—CONDUCTOR SIZES AND OVERCURRENT PROTECTION FOR MOTORS.

See Tables 26 and 27, Chapter 10.

| Full load current rating of motor amperes | Minimum size conductor in raceways For conductors in air or for other insulations see tables 1 and 2 AWG and MCM | | For Running Protection of Motors**** | | Maximum Allowable Rating or Setting of Branch Circuit Protective Devices | | | |

| 500 | ... | 625.00 | 1600 | ... | 1600 | ... | 1000 | ... | 800 | 800 |

High-reactance squirrel-cage motors are these designed to limit the starting current by means of deepslot secondaries or double-wound secondaries and are generally started on full voltage.

## Table #21. Full Load Current, D-C Motors.

The following values of full-load currents are for motors running at base speed.

| HP | 120V | 240V |
|---|---|---|
| ¼ | 2.9 | 1.5 |
| ⅓ | 3.6 | 1.8 |
| ½ | 5.2 | 2.6 |
| ¾ | 7.4 | 3.7 |
| 1 | 9.4 | 4.7 |
| 1½ | 13.2 | 6.6 |
| 2 | 17 | 8.5 |
| 3 | 25 | 12.2 |
| 5 | 40 | 20 |

| 10 | 76 | 38 |
| 15 | | 55 |
| 20 | | 72 |
| 25 | | 89 |
| 30 | | 106 |
| 40 | | 140 |
| 50 | | 173 |
| 60 | | 206 |
| 75 | | 255 |
| 100 | | 341 |
| 125 | | 425 |
| 150 | | 506 |
| 200 | | 675 |

## Table #22. Full Load Current, Single Phase AC Motors

The following values of full-load currents are for motors running at usual speeds and motors with normal torque characteristics. Motors built for especially low speeds or high torques may have higher full-load currents, and multispeed motors will have full load current varying with speed, in which case the nameplate current ratings shall be used.

To obtain full-load currents of 208- and 200-volt motors, increase corresponding 230-volt motor full-load currents by 10 and 15 per cent, respectively.

The voltages listed are rated motor voltages. Corresponding nominal system voltages are 110 to 120 and 220 to 240.

| HP | 115V | 230V |
|---|---|---|
| ⅙ | 4.4 | 2.2 |
| ¼ | 5.8 | 2.9 |
| ⅓ | 7.2 | 3.6 |
| ½ | 9.8 | 4.9 |
| ¾ | 13.8 | 6.9 |
| 1 | 16 | 8 |
| 1½ | 20 | 10 |
| 2 | 24 | 12 |
| 3 | 34 | 17 |
| 5 | 56 | 28 |
| 7½ | 80 | 40 |
| 10 | 100 | 50 |

## Table #23. Full Load Current.

### Two-Phase A.C. Motors (4-wire)

The following values of full-load current are for motors running at speeds usual for belted motors and motors with normal torque characteristics. Motors built for especially low speeds or high torques may require more running current, and multispeed motors will have full load current varying with speed, in which case the nameplate current rating shall be used. Current in common conductor of 2-pnase, 3-wire system will be 1.41 times value given.

The voltages listed are rated motor voltages. Corresponding nominal system voltages are 110 to 120, 220 to 240, 440 to 480 and 550 to 600 volts.

| | Induction Type Squirrel-Cage and Wound Rotor Amperes | | | | | Synchronous Type †Unity Power Factor Amperes | | | |
|---|---|---|---|---|---|---|---|---|---|

| 20 | | 54 | 27 | 22 | | | | | |
| 25 | | 68 | 34 | 27 | | 54 | 27 | 22 | |
| 30 | | 80 | 40 | 32 | | 65 | 33 | 26 | |
| 40 | | 104 | 52 | 41 | | 86 | 43 | 35 | |
| 50 | | 130 | 65 | 52 | | 108 | 54 | 44 | |
| 60 | | 154 | 77 | 62 | 16 | 128 | 64 | 51 | 12 |
| 75 | | 192 | 96 | 77 | 20 | 161 | 81 | 65 | 15 |
| 100 | | 248 | 124 | 99 | 26 | 211 | 106 | 85 | 20 |
| 125 | | 312 | 156 | 125 | 31 | 264 | 132 | 106 | 25 |
| 150 | | 360 | 180 | 144 | 37 | | 158 | 127 | 30 |
| 200 | | 480 | 240 | 192 | 49 | | 210 | 168 | 40 |

For full-load currents of 208- and 200-volt motors, increase the corresponding 230 volt motor full-load current by 10 and 15 per cent, respectively.

* These values of full-load current are for motors running at speeds usual for belted motors and motors with normal torque characteristics. Motors built for especially low speeds or high torques may require more running current, and multispeed motors will have full load current varying with speed, in which case the nameplate current rating shall be used.

† For 90 and 80 per cent P. F. the above figures shall be multiplied by 1.1 and 1.25 respectively.

The voltages listed are rated motor voltages. Corresponding nominal system voltages are 110 to 120, 220 to 240, 440 to 480 and 550 to 600 volts.

## TABLE #25. LOCKED-ROTOR CURRENT CONVERSION TABLE.

**As determined from horsepower and voltage rating for use only with Sections 87-430.83 and 87-430.110, and then only with sealed (hermetic-type) refrigeration compressor motors, where the motor controller shall have both a continuous duty full load current rating and a locked-rotor rating.**

| Max HP Rating | Motor Locked-Rotor Current Amperes | | | | | |
|---|---|---|---|---|---|---|
| | Single Phase | | Two or Three Phase | | | |
| | 115 V | 230 V | 115 V | 230 V | 460 V | 575 V |

| | Per Cent of Full-Load Current | | |
|---|---|---|---|
| | Fuse Rating (See also Table 20 Columns 7, 8, 9, 10) | Circuit-Breaker Setting | |
| Type of Motor | | Instantaneous Type | Time Limit Type |
| All AC single-phase and polyphase squirrel cage and synchronous motors with full-voltage, resistor or reactor starting: | | | |
| Code Letter A.................... | 150 | ---- | 150 |
| Code Letter B to E............... | 225 | ---- | 200 |
| Code Letter F to V............... | 300 | ---- | 225 |
| All AC squirrel cage and synchronous motors with auto-transformer starting: | | | |
| Code Letter A.................... | 150 | ---- | 150 |
| Code Letter B to E............... | 200 | ---- | 200 |
| Code Letter F to V............... | 225 | ---- | 200 |

TABLE 27 - MAXIMUM RATING OR SETTING OF MOTOR-BRANCH-CIRCUIT PROTECTIVE DEVICES FOR MOTORS NOT MARKED WITH CODE LETTER INDICATING LOCKED ROTOR KVA.

| | Percent of Full-Load Setting | | |
|---|---|---|---|
| | Fuse Rating (See also Table 20 Columns 7, 8, 9, 10) | Circuit-Breaker Setting | |
| Type of Motor | | Instantaneous Type | Time Limit Type |
| Single-phase, all types | 225 | ---- | 225 |
| Squirrel-cage and synchronous (full-voltage, resistor and reactor starting) | 225 | ---- | 225 |
| Squirrel-cage and synchronous (auto-transformer starting) | | | |
| Not more than 30 amperes | 225 | ---- | 200 |
| More than 30 amperes | 200 | ---- | 200 |
| High - reactance squirrel - cage | | | |
| Not more than 30 amperes | 250 | ---- | 225 |
| More than 30 amperes | 200 | ---- | 200 |
| Wound-rotor | 150 | ---- | 150 |
| Direct-current | | | |
| Not more than 50 H.P. | 150 | 225 | 150 |
| More than 50 H.P. | 150 | 175 | 150 |

NOTES TO TABLES 26 AND 27.

For certain exceptions to the values specified see 87-430.24, 87-430.42 and 87-430.49. The values given in the last column also cover the ratings of non-adjustable time-limit types of circuit breakers which may also be modified as in 87-430.42. Synchronous motors of the low-torque, low-speed type (usually 450RPM or lower), such as are used to drive reciprocating compressors, pumps, etc., which start up unloaded, do not require a fuse rating or circuit-breaker setting in excess of 200% of full-load current.
For motors not marked with a Code Letter see Table 27.

## TABLE 28—NUMBER OF OVERCURRENT UNITS, SUCH AS TRIP COILS OR RELAYS FOR PROTECTION OF CIRCUITS.

(See Diagrams 1 to 19)

(See 87-240.5 for the overcurrent protection of conductors in general, 87-230.71 for Services and 87-430.27 for Motors.)

| SYSTEMS | *Number and Location of Overcurrent Units. |
|---|---|
| 2-Wire, Single-phase A.C. or D.C. Ungrounded. | Two (one in each conductor. Fig. 1). |
| 2-Wire, Single-phase A.C. or D.C., One Wire Grounded. | One in ungrounded conductor Fig. 2). |
| 2-Wire, Single-phase A.C. or D.C., Mid-point Grounded. | Two (one in each conductor. Fig. 3). |
| 2-Wire, Single-phase A.C. Derived from 3-Phase, with Ungrounded Neutral. | Two (one in each conductor. Fig. 4). |
| 2-Wire, Single-phase Derived from 3-Phase, Grounded Neutral. System by Using outside Wires of 3-Phase Circuit. | Two (one in each conductor. Fig. 5). |
| 3-Wire, Single-phase A.C. or D.C. Ungrounded Neutral. | Three (one in each conductor. Fig. 6). |
| 3-Wire, Single-phase A.C. or D.C., Grounded Neutral. | Two (one in each conductor except neutral conductor. Fig. 7). |
| 3-Wire, 2-Phase, A.C., Common Wire Ungrounded. | Three (one in each conductor. Fig. 8). |
| 3-Wire, 2-phase, A.C., Common Wire Grounded. | Two (one in each conductor except common conductor Fig. 9). |
| 4-Wire, 2-Phase, Ungrounded, Phases Separate. | Four (one in each conductor. Fig. 10). |
| 4-Wire, 2-Phase, Grounded Neutral, or 5-Wire, 2-Phase, Grounded Neutral. | Four (one in each conductor except neutral conductor. Figs. 11 and 12). |
| 3-Wire, 3-Phase, Ungrounded. | Three (one in each conductor. Fig. **13). |
| 3-Wire, 3-Phase, 1 Wire Grounded. | Two (one in each ungrounded conductor. Fig. 14). |
| 3-Wire, 3-Phase, Grounded Neutral. | Three (one in each conductor. Fig. **15). |
| 3-Wire, 3-Phase, Mid-point of one phase Grounded. | Three (one in each conductor. Fig. **17). |
| 4-Wire, 3-Phase, Grounded Neutral. | Three (one in each ungrounded conductor. Fig. **18). |
| 4-Wire, 3-Phase, Ungrounded Neutral. | Four (one in each conductor. Fig. 19). |

**Table 28.** *1. An overcurrent unit may consist of a series overcurrent tripping device or the combination of a current transformer and a secondary overcurrent tripping device. Either two or three secondary overcurrent tripping devices may be used with three current transformers on a 3-phase system similar to those shown in Figures 15 and 18.

**2. When three current transformers are used instead of three series overcurrent tripping devices shown in Figures 13, 15, 17 and 18, the secondary tripping devices may consist of three secondary overcurrent tripping devices or two secondary overcurrent tripping devices with a residual current tripping device of a lower range. See Figure 16.

3. Where standard devices are not available with three or four overcurrent units as required in the table, it is permissible to substitute two overcurrent units and one fuse where three overcurrent units are called for, two overcurrent units and two fuses where four overcurrent units are called for. The fuse or fuses are to be placed in the conductors not containing an overcurrent unit. This practice, however, of substituting fuses for overcurrent units is to be discouraged to obvious reasons.

TABLE 29. DEMAND LOADS FOR HOUSEHOLD ELECTRIC RANGES AND OTHER COOKING APPLIANCES OVER 1-3/4 KW RATING.

(For Maximum Demand SEE NOTES)

| | | DEMAND FACTORS | | |
|---|---|---|---|---|
| NUMBER OF RANGES | COLUMN A Not over. 12 kw rating | COLUMN B Less than 3-1/2 kw rating | COLUMN C 3-1/2 - 8-3/4 kw rating | COLUMN D Not over 12 kw rating on 3 phase, 4 wire wye |
| 1 | 8 kw | 80% | 80% | 8 kw |
| 2 | 11 kw | 75% | 65% | 16.5 kw |
| 3 | 14 kw | 70% | 55% | 16.5 kw |
| 4 | 17 kw | 66% | 50% | 25.5 kw |
| 5 | 20 kw | 62% | 45% | 25.5 kw |
| 6 | 21 kw | 59% | 43% | 25.5 kw |
| 7 | 22 kw | 56% | 40% | 31.5 kw |
| 8 | 23 kw | 53% | 36% | 31.5 kw |
| 9 | 24 kw | 51% | 35% | 31.5 kw |
| 10 | 25 kw | 49% | 34% | 34.5 kw |
| 11 | 26 kw | 47% | 32% | 34.5 kw |
| 12 | 27 kw | 45% | 32% | 34.5 kw |
| 13 | 28 kw | 43% | 32% | 37.5 kw |
| 14 | 29 kw | 41% | 32% | 37.5 kw |
| 15 | 30 kw | 40% | 32% | 37.5 kw |
| 16 | 31 kw | 39% | 28% | 40.5 kw |
| 17 | 32 kw | 38% | 28% | 40.5 kw |
| 18 | 33 kw | 37% | 28% | 40.5 kw |
| 19 | 34 kw | 36% | 28% | 43.5 kw |
| 20 | 35 kw | 35% | 28% | 43.5 kw |
| 21 | 36 kw | 34% | 26% | 43.5 kw |
| 22 | 37 kw | 33% | 26% | 46.5 kw |
| 23 | 38 kw | 32% | 26% | 46.5 kw |
| 24 | 39 kw | 31% | 26% | 46.5 kw |
| 25 | 40 kw | 30% | 26% | 49.5 kw |
| 26-30 | 15 kw plus 1 kw per range | 30% | 24% | 20 kw plus 1 kw per range |
| 31-40 | | 30% | 22% | |
| 41-50 | 25 kw plus 3/4 kw per range | 30% | 20% | 30 kw plus 3/4 kw per range |
| 51-60 | | 30% | 18% | |
| 61 and over | | 30% | 16% | |

Notes: Column A is to be used in all cases except as listed below:

1. Over 12 kw to 27 kw ranges all same rating. For ranges, individually rated more than 12 kw but not more than 27 kw, the maximum demand in Column A shall be increased 5% for each additional kw of rating or major fraction thereof by which the rating of individual ranges exceed 12 kw.

2. Over 12 kw to 27 kw ranges of unequal rating. For ranges individually rated more than 12 kw and of different ratings but none exceeding 27 kw an average value of rating shall be calculated by adding together the ratings of all ranges to obtain the total connected load (using 12 kw for any range less than 12 kw) and dividing by the total number of ranges; and then the maximum demand in Column A shall be increased 5% for each kw or major fraction thereof by which this average value exceed 12 kw.

3. This table does not apply to commercial ranges. The branch circuit load for a commercial range shall be the nameplate rating of the range.

4. Over 1¾ kw to 8¾ kw. In lieu of the method provided in Column A, loads rated more than 1¾ kw but not more than 8¾ kw may be considered the sum of the nameplate ratings of all the loads, multiplied by the demand factors specified in Columns B and C for the given number of loads.

5. Branch circuit for one range. The branch circuit load for one range may be computed in accordance with the above tables.

6. Ranges on 3 phase, 4 wire, wye. Where a number of single phase ranges are supplied by a 3 phase, 4 wire wye connected feeder, the current shall be computed on the basis of the demand of twice the maximum number of ranges connected between any two phases. Column D has already computed this figure for one type of range.

TABLE 30. DEMAND FACTORS FOR USE WITH A MULTIPLICITY OF HOUSEHOLD ELECTRIC APPLIANCES.

Since there is not a sufficient amount of factual data available at this time, it is not possible to draw up an accurate table of demand factors. However, when many different household electric appliances are to be installed in each of several apartments, all of which will be supplied by the same feeder, special consideration will be given by the Chief Electrical Inspector and a demand factor may be obtained. The types of appliances covered by this table would include: Clothes Dryers, Water Heaters, Garbage Disposals, Dishwashers, etc.

TABLE 31. ISOLATION BY ELEVATION.
(See 88-710.62)
Distance of Live Parts Above the Floor or Other Working Surface

| *Voltage Between Phases* | *Minimum Vertical Clearance of Unguarded Parts* *Feet* | *Inches* |
|---|---|---|
| 600 | 8 | 0 |

SECTION 208. That Section 21-11 of the Municipal Code of Chicago is amended to read as follows:

### Electrical Commission

"21-11. There is hereby established a commission which shall be known as the electrical commission of the city, and which shall consist of six members. The commissioner of buildings or the chief electrical inspector of the bureau of electrical inspection shall be a member, and the ex-officio chairman, of such commission. Of the other five members, one shall be an electrical contractor, one a journeyman electrician, one a representative of an inspection bureau maintained by the fire underwriters, one shall be a registered professional engineer, and one a representative of an electricity supply company, all of whom shall be appointed by the mayor and confirmed by the city council.

The commissioner of buildings or the chief electrical inspector shall serve on such commission without additional compensation therefor. The other members shall receive such compensation as may be fixed by the city council."

SECTION 209. That Section 155-11 of the Municipal Code of Chicago is amended by deleting therefrom:

"fifty-five"; and is further amended by inserting in lieu thereof; "one hundred"; and is further amended by deleting therefrom: "sixteen dollars and fifty cents."; and is further amended by inserting in lieu thereof: "twenty-five dollars."

SECTION 210. That Section 155-17 of the Municipal Code of Chicago is amended by deleting therefrom;

"eleven dollars"; and is further amended by inserting in lieu thereof: "twenty-five dollars".

SECTION 211. That Chapter 87 of the Municipal Code of Chicago is amended by adding thereto the following:

'87-440. Total On-Site Generators.

87-440.1. Scope. The provisions of this section shall be applicable only to those generators and associated controls or auxiliary equipment which provide the normal electrical supply to the lighting and power in the premises on which they are located. These provisions shall not apply to emergency generators, which are covered by Section 88-700, nor to generators which serve specific loads on premises which are normally served by the Commonwealth Edison Company.

87-440.2. Description. The term "On-Site Generator" as used in this Code shall be construed to include one or more fuel supplies, one or more prime movers or turbines, one or more generators, auxiliary pumps, booster pumps, control equipment, safety devices, alarms, signals, (either visual or audible) and all other electrical or mechanical equipment necessary for the proper operation of the generators under all probable conditions.

87-440.3. Other Sections Applicable. In addition to the requirements of this section, the electrical installation including all equipment and conductors shall conform with all other applicable provisions of this Code.

87-440.4. Plans Required. Complete and detailed plans and specifications depicting the entire electrical installation shall be submitted to the Bureau of Electrical Inspection and shall receive the "Approval" of that Bureau before any construction work is started on the installation site.

87-440.5. Location. All On-Site Generators and equipment attendant thereto shall be located indoors. Except by special permission, they shall be located on the first floor or in the basement of the building being served. All equipment shall be grouped insofar as is practical. Ample working space shall be provided around such equipment. Working space as is required for switchboards shall be provided around all electrical components. No On-Site Generator shall be installed in a wet location.

Where the possibility of flooding exists, the entire area shall be provided with sumps and sump pumps which shall be connected through a transfer switch to an emergency source of electrical supply. Spaces required by and allocated to the generators and the auxiliary equipment shall not be accessible to other than qualified personnel. All such spaces shall be enclosed with masonry walls not less than 4" thick. Floors and ceilings shall be of concrete construction and shall be of the required fire rating after all construction is completed. Doors and openings through the walls, floors and ceiling shall be of metal construction.

87-440.6. Generating Capacity Required. Generating capacity equal to the values required in Sections 87-230 (Services) and 87-220 (Feeders) for the type of occupancy to be served shall be available at all times and under all conditions of operation and maintenance. The total required capacity shall be provided by utilizing not less than two complete generating units on each installation. Generating units provided as "Emergency Units" shall not be counted as part of the normal generating capacity.

87-440.7. Emergency Provisions. Where On-Site Generators are installed in types of occupancies which require "Emergency Systems" by the provisions of 88-700 of this code, the required auxiliary sources of supply shall be from a generator which utilizes a fuel different than the type being used in the normal generators, or the same fuel from a different source, an approved battery system or a service from the Commonwealth Edison Company. The Emergency System shall conform in all respects with the provisions of 88-700.

87-440.8. Control and Operation. Adequate control shall be provided to assure safe and continuous operation. Safety devices shall be provided to prevent mechanical damage from such failures as low oil pressure, high water pressure, excess speed, high steam pressure, over voltage, low gas pressure, etc. Alarms, audible and visual, shall be installed so as to signal such failures. Meters and instruments shall be installed so as to make the following information immediately available to the Operator or any other person so qualified as to need the information: voltage, amperes, total running time of each generator, cycles (hertz) temperatures, oil pressures; gas pressures, KW and any other data, which is vital to the proper function of the unit. Unit operation shall be alternated that each unit will be utilized the same amount of time. Controls shall be so connected that in emergency situations the Operator can manually override all automatic controls.

87-440.9. Ventilation Required. Adequate mechanical ventilation shall be provided so as to maintain a temperature compatible with the rating of the electrical equipment involved. Many fuels used with this type of equipment are highly explosive or volatile. The electrical installation in those areas deemed hazardous by the Bureau of Electrical Inspection shall conform to the applicable provisions of 88-500.

87-440.10. Operating Personnel. One or more Register Generator Operators shall be on duty at all times that the generator is in service, or that the building it serves is occupied.

87-440.11. Duties of the Registered Generator Operator. It shall be the duty of the Registered Generator Operator to assume and maintain complete responsibility for the proper operation of the On-Site Generating plant. He shall start, stop or parallel the units. He shall keep an accurate log of the operation and maintenance of all prime mover and generating equipment.

87-440.12. Certificate to be Posted. The Certificates of all Registered Generator Operators employed in any building shall be posted in a prominent location in the generator room."

SECTION 212. That Chapter 86 of the Municipal Code of the City of Chicago is amended by adding thereto the following:

"86-34. Registered Generator Operator. No On-Site Generator shall be placed in operation until time as one or more Registered Generator Operators have been employed and have assumed the responsibility for the operation of the generators.

(a) Qualifications. Applicants for registration as a generator operator shall be at least 21 years of age; shall have successfully completed four (4) years of high school; shall have at least two (2) years of experience in the operation of machinery and electrical equipment, and shall pass an appropriate comprehensive examination administered by the Bureau of Electrical Inpection.

(b) Certificates. Upon the successful completion of the required examination, the Bureau of Electrical Inspection shall issue to the applicant a Certificate of Registration which shall be prominently displayed in the generator room of the building in which the Operator is employed.

(c) Registration Procedure. Applications shall be made upon forms provided by the Bureau of Electrical Inspection. An examination fee of $5.00 shall be paid at the time the application is submitted and shall be paid for each succeeding examination if the results of the first examination are not satisfactory. The examinations given to applicants shall be prepared by the Electrical Commission, and the results shall be judged by them.

(d) Annual Registration Fee. A registration fee of $25.00 per year, payable on January 1, each year, shall be charged for each Registered Generator Operator."

SECTION 213. This ordinance shall be in full force and effect from and after its passage and due publication.

---

## Chapter 47 of Municipal Code Amended Concerning Definition of Exhibition Areas.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 47 (Definitions), Section 47-2, by inserting a definition of "Exhibition Areas", begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago Chapter 47, Section 47-2, is hereby amended by adding a new definition, italicized below, to be placed immediately following the definition of "Escalator":

*"Exhibition Areas: Any building or buildings, area or areas, within a building used for temporary exhibition of goods, wares, merchandise or equipment."*

SECTION 2. This ordinance shall take effect on and after due passage and publication.

---

## Chapter 48 of Municipal Code Amended Concerning Classification of Buildings by Occupancy.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 48 (Classification of Buildings by Occupancy), Section 48-4, by changing "Exhibition halls" to "Exhibition areas"; and to amend Section 48-13.1, Subsection (b) by adding a new subparagraph to be numbered "(6)" to read "(6) Exhibition Areas. . . . 20 sq. ft.", begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) Kenneth E. Campbell,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

Section 1. The Municipal Code of Chicago, Chapter 48, Section 48-4 is hereby amended by deleting the word "halls" which appears after the word "Exhibition", contained in brackets below, and substituting therefor the word "areas", italicized below, as follows:

"Exhibition [halls] *areas"*

Section 2. The Municipal Code of Chicago, Chapter 48, Section 48-13.1 Subsection (b) is hereby amended by adding a new sub-paragraph to be numbered (6), italicized below, as follows:

*"(6) Exhibition Areas..........................20 sq. ft."*

Section 3. This ordinance shall take effect on and after due passage and publication.

---

### Chapter 54 of Municipal Code Amended Concerning Building Assembly Units.

The Committee on Buildings and Zoning submitted the following report:

Chicago, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 54 (Assembly Units), Section 54-8.4 concerning exit connections, by adding a new subsection as follows:

> "(c) Vertical exits shall be cumulative between floors in cases of open multi-leveled type spaces such as balconies and mezzanines in theaters";

to amend said Chapter by adding new Sections 54-9, 54-9.1, 54-9.2, 54-9.3, 54-9.4, and 54-9.5; and to amend said Chapter by adding a new Section 54-10, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) Kenneth E. Campbell,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

Section 1. The Municipal Code of Chicago, Chapter 54, Section 54-8.4 is hereby amended by adding a new subsection to be numbered (c), italicized below, as follows:

*"(c) Vertical exits shall be comulative between floors in case of open multi-leveled type spaces such as balconies and mezzanines in theatres."*

Section 2. The Municipal Code of Chicago Chapter 54, is hereby further amended by adding new Sections 54.9, 54.9.1, 54-9.2, 54-9.3 and 54-9.5, italicized below, as follows:

*"54-9. Every new Exhibition Area in excess of 10,000 square feet shall comply with all applicable provisions of this Code and with the provisions of Section 54-9.1 through 54-9.5 of this Code.*

*"54-9.1. Automatic smoke and heat vents shall be installed on the top most occupied level of every Exhibition Area at a vent ratio of one (1) square foot of vent area for each 100 square feet of floor area. Vents shall be spaced no greater than 100 feet apart (on centers.).*

*"54-9.2. Non-combustible draft curtains at least 6 feet in depth shall be provided on the top most occupied level of every Exhibition Area. Maximum area enclosed by draft curtains shall not exceed 25,000 square feet.*

*"54-9.3. Exhibition areas on lower floor levels shall be provided with automatic smoke and heat venting at a rate of 2 cfm per square foot measured at 70° F. Fans for this purpose are to be wired to an emergency power supply and operated by smoke detectors. All smoke detectors shall be approved by Underwriters Laboratories and the Chicago Bureau of Fire Prevention.*

*"54-9.4. Mimimum width of aisles in Exhibition Areas shall be 8 feet.*

*"54-9.5. All mechanical equipment used in supplying or recirculating air in an Exhibition Area shall be automatically stopped by smoke detectors. Smoke detectors shall be approved as required in Section 54-9.3 of this Code."*

Section 3. The Municipal Code of Chicago, Chapter 54, is hereby further amended by adding a new Section 54-10, italicized below, as follows:

*"54-10. Areas used for storage of combustible containers in new and existing buildings with Exhibition Areas shall be enclosed with 2 hour fire resistive construction and shall have a Standard Sprinkler System as defined in Chapter 91 of this Code."*

SECTION 4. This ordinance shall take effect on and after ten days from the date of its due passage and publication.

### Chapter 62 of Municipal Code Amended Concerning Fire-Resistive Requirements.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 62 (Fire-Resistive Requirements), Section 62-5, Subsection (a), Subparagraph (1) concerning public corridors and area separations, by adding certain language; and to amend Section 62-9.6 concerning requirements for interior trim by adding a new Subsection "(i)", begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 62, Section 62-5, subsection (a), subparagraph (1) is hereby amended by adding thereto certain language, italicized below, as follows:

"62-5(a) Public Corridors and Area Separations. (1) In Business, Mercantile, Industrial and Storage units, *or buildings fully protected by a standard sprinkler system, as defined in Chapter 91 of this Code,* partitions, floor construction and ceiling construction enclosing public corridors shall be of construction providing fire resistance of not less than one hour with doors not less fire resistive than one and three-fourths inch solid slab doors or shall be constructed of non-combustible materials; provided, however, that wherever glass is used it shall be of a minimum thickness of one-quarter inch."

SECTION 2. The Municipal Code of Chicago, Chapter 62, Section 62-9.5 is hereby amended by adding a new subsection (i), italicized below, as follows:

*"(i) in buildings which are equipped with a standard sprinkler system as defined in Chapter 91 of this Code, Class 3.*

SECTION 3. This ordinance shall take effect on and after ten days from the date of its due passage and publication.

### Chapter 64 of Municipal Code Amended Concerning Fire Extinguishing Apparatus.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 64 (Fire Extinguishing Apparatus), Section 64-1.2 concerning special requirements, by adding new Subsections "(i)" and "(j)"; to amend Section 64-2 concerning standpipes, by adding a new Subsection "(e)"; and to amend Section 64-4.1 concerning locations where fire extinguishers are required, by adding a new Subsection "(h)", begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago Chapter 64, Section 64-1.2, is hereby amended by adding new subsections (i) and (j), italicized below, as follows:

"(i) *In every building hereafter erected and used primarily as an Exhibition Area or in that portion of any building hereafter erected and used as an Exhibition Area.*

"(j) *On or before December 31, 1970 in every existing building used primarily as an Exhibition Area or in that portion of any building used as an Exhibition Area."*

SECTION 2. The Municipal Code of Chicago Chapter 64, Section 64-2, is hereby amended by adding a new subsection (e), italicized below, as follows:

"(e) *In Exhibition Areas standpipes shall be provided regardless of the height of the building and standpipe locations shall provide complete coverage of the fire area with 100 foot hose lengths and 30 foot hose streams."*

SECTION 3. The Municipal Code of Chicago Chapter 64, Section 64-4.1, is hereby amended by adding a new subsection (h), italicized below, as follows:

"(h) *Fire extinguishers in Exhibition Areas shall be provided at all hose cabinets as required in Section 64-2 (e) of this Code."*

SECTION 4. This ordinance shall take effect on and after ten days from the date of its due passage and publication.

## Chapter 67 of Municipal Code Amended Concerning Exit Requirements.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 67 (Exit Requirements), Section 67-2, Subsection (c) by adding language to the definition of "Horizontal Exits"; to amend Section 67-3.1, Subsection (b) concerning use of horizontal exits; to amend Section 67-5.2 concerning distances between exits by deleting certain language; to amend Section 67-6.3 concerning maximum travel distances; to amend Section 67-6.4 concerning maximum travel distance increases permitted; to amend Section 67-13 concerning horizontal exits; and to amend Section 67-13.2, Subsection (a) concerning doors, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendtion was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 67, Section 67-2, subsection (c), is hereby amended by adding certain language, italicized below, as follows:

"(c) Horizontal Exit. A horizontal exit is a protected opening through *a two hour fire partition through or over* or around a fire wall or a bridge connecting two buildings."

SECTION 2. The Municipal Code of Chicago, Chapter 67, Section 67-3.1, subsection (b), is hereby amended by adding certain language, italicized below, as follows:

"(b) Horizontal Exits. A horizontal exit may be used in lieu of an interior stairway when there is not less than one interior stairway or outside exit in each fire area connected by the horizontal exit, *provided that no greater than fifty per cent of the exits in any fire area shall be horizontal exits."*

SECTION 3. The Municipal Code of Chicago, Chapter 67, Section 67-5.2 is hereby amended by deleting certain language contained in brackets below, as follows:

"67-5.2. Where more than one means of exit is required from any room space or floor of a building, they shall be arranged [as] remote [as practicable] from one another."

SECTION 4. The Municipal Code of Chicago, Chapter 67, Section 67-6.3, is hereby amended by deleting certain language contained in brackets below, and by adding certain language, italicized below, as follows:

"67-6.3. Except as provided in section 67-6.4, travel distances shall not exceed the following:

| | | |
|---|---|---|
| "Residential Units | 100 ft. | |
| Institutional Units | 100 ft. | |
| Assembly Units | | |
| grade floors | 150 ft. | |
| other floors | [100 ft.] | *150 ft.* |
| *Exhibition Areas* | *150 ft.* | |
| Open Air Assembly Units | 150 ft. | |
| Business Units | 150 ft. | |
| Mercantile Units | 150 ft. | |
| Industrial Units | 150 ft. | |
| Storage Units | 150 ft. | |
| Hazardous Use Units | 75 ft." | |

SECTION 5. The Municipal Code of Chicago, Chapter 67, Section 67-6.4, is hereby amended by deleting certain language contained in brackets below, and by adding certain language, italicized below as follows:

"67-6.4. In a building equipped throughout with [an approved] *a standard sprinkler* system *as defined in Chapter 91 of this Code,* the maximum travel distance in a Business, Mercantile, Industrial, *Exhibition Areas,* or Storage Units may be fifty per cent greater than that established in Section 67-6.3 *of this Code."*

SECTION 6. The Municipal Code of Chicago, Chapter 67, Section 67-13, is hereby amended by deleting said section in its entirety, contained in brackets below, and substituting therefor a new section 67-13, italicized below, as follows:

"[67-13. Horizontal exits shall consist of doorways through a fire wall or bridges or balconies connecting to other buildings or separate fire areas of the same building complying with the provisions of sections 67-13.1 to 67-13.3, inclusive.]

*"67-13. A horizontal exit shall consist of a doorway through a two hour fire resistive partition to an area of refuge in a separate fire area of the building and complying with Sections 67-13.1 to 67-13.3, inclusive, of this Code."*

SECTION 7. The Municipal Code of Chicago, Chapter 67, Section 67-13.2, subsection (a), is hereby amended by deleting certain language in brackets below, and adding certain language, italicized below, as follows:

"67-13.2. (a) Doors shall [comply with all requirements for doors to stair enclosures] *be one and one-half hour class 'B' automatic closing* except that when opening through a fire wall they shall provide fire resistance for such openings as required in section 62-1 *of this Code.*"

SECTION 8. This ordinance shall take effect on and after ten days from date of its due passage and publication.

---

## Chapter 70 of Municipal Code Amended Concerning Foundations.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 70 (Foundations) by deleting in their entirety Sections 70-12, 70-12.1, 70-12.2, 70-12.3, Subsections (a), (B) and (c), 70-13, 70-13.1, 70-13.2, Subsections (a) and (b), 70-13.3, Subsections (a) and (b) and substituting therefor new Sections 70-12, 70-12.1, Subsections (a), (b), (c) and (d); 70-12.2, Subsections (a), (b), (c) and (d); 70-12.3, Subsections (a), (b), Subparagraphs (1), (2), (3), (4) and (5), (c); 70-12.4, Subsections (a), (b), (c), (d) and (e); 70-12.5; 70-12.6; 70-12.7, Subsections (a), (b) and (c); and 70-13, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed*, by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 70, Sections 70-12, 70-12.1, 70-12.2, 70-12.3, Subsections (a), (b) and (c), 70-13, 70-13.1, 70-13.2, Subsections (a) and (b), 70-13.3, Subsections (a) and (b) are hereby amended by deleting said sections in their entirety, contained in brackets below, and substituting therefor new sections 70-12, 70-12.1, subsections (a), (b), (c) and (d); 70-12.2, subsections (a), (b), (c) and (d); 70-12.3, subsection (a), (b) subparagraphs (1), (2), (3), (4) and (5), (c); 70-12.4, subsections (a), (b), (c), (d) and (e); 70-12.5; 70-12.6; 70-12.7, subsections (a), (b) and (c); and 70-13, italicized below as follows:

"[70-12. Foundation columns shall consist of steel pipe shells extending to rock and completely filled with concrete with or without steel reinforcement or cores. Foundation columns shall comply with the provisions of sections 70-12.1 to 70-13.3, inclusive.]

"[70-12.1. The pipe shall comply with the American Society for Testing Materials specifications for Welded and Seamless Steel Pipe Piles (A252-55) and shall have a minimum thickness of 0.30 inch. The nominal diameter of pipe shall not be less than twenty-two inches. [Amend. Coun. J. 11-18-59, p. 1167.]

"[70-12.2. Foundation columns shall extend to solid rock, as defined in section 70-2.1 (a).]

"[70-12.3. (a) If the base of the foundation column is less than one foot below the surface of the solid rock, the bearing load on solid rock shall not exceed one hundred tons per square foot or the value determined by tests as provided in section 70-2.5.]

"[(b) If the base of the foundation column is one foot or more below the surface of the solid rock, the allowable bearing value may be increased twenty per cent for each foot of depth greater than one foot, but shall not exceed two hundred tons per square foot.]

"[(c) When the column extends through a layer of unstable soil, the maximum design load shall be computed as a column with an unsupported length equal to the depth of the unstable layer of soil, plus four times the diameter of the column.]

"[70-13. Foundation piers or caissons shall be of concrete with or without steel reinforcement, extending to solid rock or to hardpan and complying with the provisions of sections 70-13.1 to 70-13.3 inclusive.]

"[70-13.1. Piers or caissons bearing on hardpan may be belled to increase load carrying capacity, provided that such bell shall be at least twelve inches thick at its edge and that the sides shall slope at an angle of not less than sixty degrees with the horizontal.]

"[70-13.2. (a) The allowable bearing value shall be the bearing capacity of the hardpan or rock as provided in section 70-2.4 (a).]

"[(b) The load used in determining the areas of the pier and of the belled bottom shall be the load supported at the top of the pier.]

"[70-13.3. (a) Hardpan. Where piers are to be supported on hardpan, the thickness of the hardpan strata shall be determined by borings extended not less than six feet below the bottom of the pier.]

"[(b) Rock. When piers extend to bed rock, the thickness of the solid rock strata shall be determined by borings extended not less than eight feet into solid rock. The rock bottom of not less than ten per cent of the total number of piers evenly distributed over the site shall be so drilled.]"

*"70-12 Foundation caissons. Foundation caissons shall be concrete filled shafts with or without bottom bells. They may be hand or machine excavated, extending to or into solid rock, hardpan or other bearing material determined to be suitable by approved engineering analysis and testing procedures. Foundation caissons shall comply with the provisions of Sections 70-12.1 to 70-12.7 of this Code.*

"70-12.1 Allowable Loads and Stresses. The allowable loads on caissons shall be subject to the provisions of Section 70-2 of this Code with the following additions:

"(a) Loads may be increased from a maximum of 200,000 pounds per square foot (100 tons per square foot) to a maximum of 400,000 pounds per square foot (200 tsf) but only when the base of the caisson is one foot or more below the surface of solid rock. The additional capacity may be calculated as 20 tons (40,000 pounds) per square foot for each foot of depth greater than one foot that the caisson is embedded in solid rock. Solid rock is defined as sound, unweathered rock without visible voids known to have a minimum, thickness of 8-ft. below the bearing level which is free of detrimental fissures, cracks, clay pockets or disintegrated zones.

"(b) Caissons founded on hardpan overlying a compressible soil layer shall be designed on the basis of the calculated settlement due to compression of this material.

"(c) Piers or caissons bearing on hardpan may be belled to increased load carrying capacity, provided that such bell shall be at least 12 in. thick at its design edge and that the sides shall slope at an angle of not less than 60° with the horizontal.

"(d) The load used in determining the areas of the pier or of the belled bottom for soil bearing pressure calculations shall be the load supported at the top of the pier. Where indicated, negative skin friction or down drag forces resulting from settlement of soil above the bottom of the caisson must be considered as additional load on the caisson.

"70-12.2 Concrete Stresses. All concrete in caissons shall have a minimum ultimate compressive strength, $f'c$ of 3,000 psi as determined by 28 day cylinder tests unless other periods of time are specified in the contract documents.

"(a) The maximum allowable axial stress in the concrete $fc$ shall not exceed $0.25\ f'c$ for caissons without permanent shells.

"(b) When permanent full length non-corrugated steel casing is used, the designer may consider an increase in allowable concrete stress in accordance with the following empirical formula: The maximum allowable axial stress in the concrete, $fc$ shall not exceed $0.30\ fc + 1.5\ (tfy/D)$ for caissons with permanent shells, but not more thnn $0.40\ f'c$ where:

"$t$ = shell thickness in inches after deductions for corrosion

$D$ = inside shell diameter in inches

$fy$ = yield strength of the shell steel

"(c) When reinforcing steel or structural steel are used to increase its load capacity, the caisson shall be designed according to the Code provisions of Chapter 74 of this Code 'Reinforced Concrete Construction', except that strength reductions for length of member need not apply when the caisson has adequate lateral support provided by soil or other positive means.

"(d) When the caisson extends through a layer of unstable soil, the maximum design shall be computed as a column with an unsupported length equal to the depth of the unstable layer of soil plus four times the diameter of the caisson.

"70-12.3 Steel Casings. (a) General. Temporary or permanent casing shall provide sufficient strength to support or resist any loads to which the casing may be subjected.

"(b) Permanent Casing as provided in Section 70-12.2(b) of this Code:

(1) Steel casing shall comply with the specifications of ASTM for welded and seamless steel pipe (A252-63T).

(2) No compressive stress shall be allowed in steel casing.

(3) Permanent casings shall have a minimum thickness of .0075 of the diameter of the caisson.

(4) Welded splices in steel casing shall develop the required strength of the shell material as determined by the Structural Engineer or Architect.

(5) Suitable provision shall be made for transferring stresses from the column into the caisson.

"(c) Corrosion. If evidence of corrosion exists, an investigation of this condition shall be made as part of the design to determine the probable extent and pentration of the corrosion. Appropriate designs shall be provided to account for the corrosive condition.

"70-12.4 Inspection and Testing. (a) Continuous full time inspection of all phases of caisson construction shall be provided. Each caisson shall be inspected by an experienced inspector. The inspector shall be an employee of the Structural Engineer or Architect who prepared and sealed the design plans, or an employee of a firm engaged in soil and foundation engineering, approved by the Structural Engineer or Architect.

"(b) Complete construction records shall be maintained showing all significant information relative to installation. These reports, signed by the Inspector and the Structural Engineer or Architect, shall be submitted to the Building Commissioner.

"(c) When caissons are installed through clay or hardpan, the design bearing pressure shall be confirmed by tests made below the individual caissons, as directed by the Structural Engineer or Architect.

"(d) Where caissons are installed to bear on solid rock, the bottom of caisson excavations shall be probed or drilled to a depth as directed by the Structural Engineer or Architect to detect the possible presence of weak zones.

"(e) Where water cannot be removed from caisson excavation and water is permitted to rise in the caisson and concrete is placed under water, the Structural Engineer or Architect shall require either core borings or other accepted method of exploration to insure that a satisfactory caisson has been constructed.

"70-12.5 Tolerance. Unless compensated for by structural design, permissible maximum construction tolerances shall be: One per cent of length for plumbness, one twenty-fourth the caisson diameter in any direction for location at the top of the caisson except that additional or closer tolerances may be specified by the Structural Engineer or Architect in the contract documents.

"70-12.6 Construction Methods. The contractor's construction procedures must be submitted to the Structural Engineer or Architect for review and comments, which procedures and comments are thereafter to be submitted to the Department of Buildings for inclusion with the permit records prior to installation of the caissons.

*"70-12.7 Safety. Precautions must be taken to assure the safety of men involved in the construction and inspection of caisson excavations. Full length protective casing shall be provided for all personnel.*

*(a) Inspection personnel shall not be permitted to enter caisson excavations without full length protective casing and evidence by means of certified gas detectors that no harmful gas is present.*

*(b) Self-contained breathing apparatus shall be available at all times for personnel entering caisson excavations.*

*(c) Rescue equipment for immediately withdrawing personnel shall be continuously operative when workers are in the caisson excavation.*

*"70-13 Special Type Caissons. The use of foundation caissons of types not specifically mentioned in Section 70-12 of this Code, including those in which a compressive stress is permitted in the shell or in a structural steel core, shall be permitted subject to the provisions of Chapter 69 of this Code."*

SECTION 2. This ordinance shall take effect on and after ten days from the date of its due passage and publication.

---

### Chapter 78 of Municipal Code Amended Concerning Existing Buildings.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 78 (Existing Buildings), Section 78-9 concerning special requirements for assembly units, by adding a new Subsection (f), begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed*, by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 78, Section 78-9, is hereby amended by adding a new subsection (f), italicized below, as follows:

*"(f) Areas used for storage of combustible containers in new and existing buildings with Exhibition Areas shall be enclosed with a two hour fire resistive construction and shall be equipped with a standard sprinkler system as defined in Chapter 91 of this Code."*

SECTION 2. This ordinance shall take effect on and after ten days from the date of its due passage and publication.

---

### Chapter 79 of Municipal Code Amended Concerning Dumb Waiters, Escalators, Etc.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 79 (Dumb Waiters, Escalators, etc.), Section 79-1.4 concerning temporary use of elevators during construction period by deleting present Subsections (b), (c), (d) and (f), by redesignating present Subsections (e), (g) and (h) as Subsections (f), (h), and (i), respectively; and by adding new Subsections (b), (c), (d), (e) and (g), begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed*, by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 79, Section 79-1.4, is hereby amended by deleting present subsections (b), (c), (d) and (f), contained in brackets below, by redesignating present subsection (e), (g) and (h) as subsections (f), (h) and (i) respectively with no other changes, and by adding new subsections (b), (c), (d), (e) and (g), italicized below, as follows:

"79-1.4. An elevator being installed for permanent use, or a temporary use elevator, may be used before completion, during construction of the building for carrying workmen or other authorized persons when it is specifically approved for such use by the department of buildings. To be approved for use such elevator and its hoistway shall be provided with the following equipment:

"a) An approved type governor and car safety:

"[b) a car with solid top and sides except at car openings:]

*"b) Buffers under car and counterweight, which shall meet the minimum requirements for speed and capacity as outlined in Section 79-5 of this Code.*

"[c) A suitable hoistway enclosure for full height of shaft:]

*"c) A car with solid top and sides and with car gate, or door, provided with electric contact.*

"[d) Approved type gates at least six (6) feet high at all hoistway openings:]

*"d) A solid hatchway enclosure so supported and braced that when subjected to a pressure of 100 pounds applied at any point in the full height of the shaft, the deflection shall not exceed one inch and shall not reduce the running clearance as outlined in Section 79-4 of this Code.*

> *"EXCEPTION 1: Air holes are permitted, if needed, provided they occur at least seven feet above floor lines.*
>
> *"EXCEPTION 2: Where the temporary elevator shaft is one of a group of shafts, the side or sides of the temporary elevator shaft adjacent to other elevator shafts may be enclosed with wire mesh which will reject a ball greater than one and one-half inch in diameter."*

*"e) Solid swing or slide doors at all hoistway openings."*

"[f) Capacity of said elevator shall be governed by the maximum horizontal free area inside of car in accordance with section 79-5 of the Municipal Code of Chicago. Car speed shall not be over 250 feet per minute. Car and counter weight guide rails, car and counter weight buffers, counter weights and weight frame, car sling and platform may remain as part of the permanent installation:]

"[e)] f) An approved locking device on the hoistway door or gate operable only from the hoistway side of the enclosure:

*"g) Capacity of said elevator shall be governed by the maximum horizontal free area inside of the car in accordance with section 79-5 of this Code shall not be over 500 feet per minute. The car-safety and governor shall be adjusted for a tripping and operating-speed consistent with requirements for the car speed used. Temporary car and counter weight guide rails, and counter weight buffers, counter weights and weight frame, car sling and platform may remain as part of the permanent installation.*

> *EXCEPTION: Temporary elevator equipped with permanent cab and car doors or gates, permanent hoistway enclosures with entrance doors provided with inter-locks, and using permanent control and wiring may be operated at its rated speed.*

"[g)] h) Car safety and terminal stopping devices which have been tested with rated load in the car, in the presence of an inspector from the department of buildings to determine if they are in safe and proper operating condition:

"[h)] i) A competent operator shall be in charge of such elevator."

SECTION 2. This ordinance shall take effect on and after ten days from the date of its due passage and publication.

---

### Chapter 81 of Municipal Code Amended Concerning Ventilation.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning,, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 81 (Ventilation) by deleting Section 81-12 concerning toilet room systems in its entirety and substituting therefor a new Section 81-12, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 81, Section 81-12, is hereby amended by deleting said section in its entirety, contained in brackets below, and substituting therefor a new section 81-12, italicized below, as follows:

" [81-12. Mechanical exhaust from bath, toilet, urinal, locker, service sink closets and similar rooms, shall be independent from those for rooms of other character. Exhaust from such rooms may be connected to the same exhaust system provided that none of the air is recirculated and that the exhaust fan shall be in operation all of the time that the building is occupied.

" [Mechanical ventilating exhaust system for all rooms shall be independent from those for bath, toilet, urinal and similar rooms, except that:

" [Exhaust ducts from all rooms may be connected to and made a part of the exhaust for toilet, bath and urinal rooms, provided:

"[(a) That the exhaust fan for the system is in operation all of the time that the building is occupied;

" [(b) That the branch duct from each room or group of rooms shall be run parallel and adjacent to the duct from toilet, bath or urinal rooms for a distance of not less than five feet, within which distance there shall be no exhaust openings in either duct, and the connection between the ducts shall be made with an easy curve having its outlet toward the exhaust fan, and

"[(c) That the total quantity of air exhausted from such rooms shall not exceed ten per cent of the capacity of the fan, and

"[(d) That the ducts from food preparation and food consuming spaces, shall not be connected to exhaust systems serving toilet, bath or urinal rooms, and

"[(e) That no air from such exhaust systems shall be recirculated at any time.]"

*" 81-12. Mechanical exhaust systems for bath, toilet, urinal, locker, service sink, closets, and similar rooms shall be entirely independent of other mechanical exhaust systems, except when all of the following conditions exist simultaneously:*

*" (a) the total air exhausted from said bath, toilet, urinal, locker, service sink closets or similar rooms does not exceed ten percent of the capacity of the fan,*

*" (b) no air from such exhaust systems shall be recirculated at any time,*

*" (c) the exhaust fan shall be in operation at all times that the building is occupied,*

*" (d) no room or space in which food is prepared or consumed shall be connected to the common exhaust system. "*

SECTION 2. This ordinance shall take effect on and after ten days from the date of its due passage and publication.

---

## Chapter 47 of Municipal Code Amended Concerning Definitions of Day Care Centers Class I and Class II.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Building and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 47 (Definitions), Section 47-2, by adding in alphabetical interposition language concerning reference to definition of Day-Care Center Class I and Day-Care Center Class II; and by deleting language pertaining to Day Nursery and Nursery School, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 47, Section 47-2 is hereby amended by adding in alphabetical interposition, certain language, italicized below, as follows:

*"Day Care Centers—Class I. For definition see Section 158-1 of this Code. For Occupancy Classification see section 48-4.3 of this Code.*

*"Day Care Center—Class II. For definition see Section 158-1 of this Code.—For Occupancy Classification see section 48-3 of this Code."*

SECTION 2. The Municipal Code of Chicago, Chapter 47, Section 47-2 is hereby further amended by deleting certain language, contained in brackets below, as follows:

"[Nursery, Day. An institution providing care for three or more children under the age of four years for periods of more than four hours but not exceeding twenty-four hours.]

"[Nursery School. A school providing day care service for children from four to six years of age.]"

SECTION 3. This ordinance shall take effect on and after the due date of its passage and publication.

---

## Chapter 48 of Municipal Code Amended Concerning Classification of Buildings by Occupancy.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 48 (Classification of Buildings by Occupancy), Section 48-3, by adding in alphabetical interposition "Day-Care Center, Class II"; to amend Section 48-4.3 concerning Class III Schools by deleting certain language and adding certain language; to amend Section 48-12.5 concerning required Fire Resistants for Occupancy Separation by adding certain language; and to amend Section 48-13.1(b) concerning Assembly Units by adding a new item as follows:

"(6) Day-Care Center in Class I........35 Sq. Ft.",

begs leave to recommend that Your Honorable Body pass the said proposed ordinance as amended by Your Committee, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 48, Section 48-3 is hereby amended by adding in alphabetical interposition certain language, italicized below, as follows:

*"Day Care Center, Class II."*

SECTION 2. The Municipal Code of Chicago, Chapter 48, Section 48-4.3 is hereby amended by deleting the paragraph entirely and by substituting therein the following new paragraph 48-4.3:

48-4.3: Assembly Units designed or used for educational or institutional purposes shall be classified as Class *C-3 Schools.* Every school shall be classified as follows:

TYPE I SCHOOLS: Type I schools shall include Day Care Centers—Class I not included in Type III Schools, kindergarten schools, elementary schools, high schools and other similar occupancies.

TYPE II SCHOOLS: Type II Schools shall include colleges, schools for adult education, commercial and vocational schools and other similar occupancies.

TYPE III SCHOOLS: Type III Schools shall include Day Care Centers—Class I of 100 children or less located on either the first floor or basement but not both.

SECTION 3. The Municipal Code of Chicago, Chapter 48, Section 48-12.5 is hereby amended by adding certain language, italicized below, as follows:

"48-12.5. Each occupancy in a building of mixed occupancy shall be separated horizontally and vertically from any adjoining occupancy by construction materials providing fire resistance as established in Table 48-12.5. *Separation between Type III School and A, B, C-1, C-2, and E, occupancies may be reduced to one hour. Separations between Type III Schools and F occupancies may be reduced to one hour subject to the approval of the Building Commissioner and Division Marshal in Charge, Bureau of Fire Prevention."*

SECTION 4. The Municipal Code of Chicago, Chapter 48, Section 48-13.1 (b) is hereby amended by adding a new item to be numbered (6), italicized below, as follows:

*"(6) Day Care Center—Class I..35 Square Feet."*

SECTION 5. This ordinance shall take effect on and after the due date of its passage and publication.

## Chapter 51 of Municipal Code Amended Concerning Height and Area Limitations.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 51 (Height and Area Limitations), Section 51-1.2 concerning maximum allowable heights of buildings by adding certain language; and to amend Section 51-2.4 concerning exceptions to area limitations by adding a new sub-paragraph to be lettered "(d)" pertaining to Type III Schools, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 51, Section 51-1.2 is hereby amended by adding certain language, italicized below, as follows:

"51-1.2. Except at provided in section 51-1.3, no building shall be hereafter erected or altered to exceed the maximum allowable heights established in Table 51-1.2. *School height limitations are not applicable to Type III schools in buildings of mixed occupancies in construction Types III or better."*

SECTION 2. The Municipal Code of Chicago, Chapter 51, Section 51-2.4 is hereby amended by adding a new sub-paragraph to be lettered (d), italicized below, as follows:

*"(d) Type III schools.*

*C-3 school area limitations are not applicable to Type III schools. 8,000 square feet or less in buildings of mixed occupancies of construction Types III or better."*

SECTION 3. This ordinance shall take effect on and after the date of its due passage and publication.

## Chapter 54 of Municipal Code Amended Concerning Day Care Center Assembly Units.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 54 (Assembly Units), Section 54-5 concerning special enclosures and separations by adding a new sub-paragraph "(d)" pertaining to floor construction over basements in Type III Schools; and to amend Chapter 54 by adding a new Section to be numbered "54-7.1" pertaining to Type III Schools, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 54, Section 54-5 is hereby amended by adding a new sub-paragraph to be lettered (d), italicized below, as follows:

*"(d) Floor construction over basements of Type III schools shall comply with Section 49-10.3(a) of this Code."*

SECTION 2. The Municipal Code of Chicago, Chapter 54, is hereby amended by adding a new section to be numbered 54-7.1, italicized below, follows:

*"54-7.1. Every Type III School shall comply with the following planning requirements:*

*(a) Ceiling Heights: Minimum ceiling height 8 feet, in any room, beams or furred spaces constituting not more than twenty per cent of the ceiling area may project not more than one foot below the minimum ceiling height.*

*(b) Basement Rooms: Classrooms in a Type III School shall not be more than two feet below the building grade adjacent to such rooms, except that such classrooms may have floors up to six feet below grade, provided each such room has a direct outside exit."*

SECTION 3. This ordinance shall take effect on and after the due date of its passage and publication.

---

## Chapter 64 of Municipal Code Amended Concerning Fire Extinguisher Apparatus for Day Care Centers.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 64 (Fire Extinguisher Apparatus), Section 64-3(a) by adding a new sub-paragraph as follows:

"(4) Type III Schools",

begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 64, Section 64-3 (a) is hereby amended by adding a new sub-paragraph to be numbered (4), italicized below, as follows:

*"(4) Type III Schools."*

SECTION 2. This ordinance shall take effect ten days after the date of its due passage and publication.

---

## Chapter 66 of Municipal Code Amended Concerning Light, Ventilation and Sanitation for Day Care Centers.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 66 (iLight, Ventilation and Sanitation), Section 66-2 concerning natural lighting, by adding certain language so as to include Type III Schools; and to amend Section 66-2.3(b) concerning required effective glass area by deleting certain language and adding certain language pertaining to Type III Schools, etc., begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 66, Section 66-2 is hereby amended by adding certain language, italicized below, as follows:

> "66-2. All habitable rooms in Residential Units, all sleeping rooms in Institutional Units, and all classrooms or study rooms in Type I *and Type III* schools shall be provided with means of natural lighting complying with the provisions of Sections 66-2.1 to 66-2.4 inclusive, *of this Code.*"

SECTION 2. The Municipal Code of Chicago, Chapter 66, Section 66-2.3 (b) is hereby amended by deleting certain language, contained in brackets below, and by adding certain language, italicized below, as follows:

> "(b) Type I *and Type III* Schools. The effective glass area in classrooms and study rooms of Type I *and Type III* schools shall be not *less than* twelve and one-half [twenty] per cent of the floor area of the room."

SECTION 3. This ordinance shall take effect on and after the due date of its passage and publication.

## Chapter 67 of Municipal Code Amended Concerning Exit Requirements for Day Care Centers.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 67 (Exit Requirements), Section 67-18.1 concerning requirements pertaining to exits, stairways, fire escapes and directional signs, by adding certain language, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 67, Section 67-18.1 is hereby amended by adding certain language, italicized below, as follows:

> "67-18.1. Exit, stairway, fire escape and directional signs shall be installed to mark all ways of egress in the following buildings *or parts of buildings in the case of multiple occupancies:*"

SECTION 2. This ordinance shall take effect on and after the due date of its passage and publication.

## Chapter 78 of Municipal Code Amended Concerning Existing Buildings for Day Care Centers.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 78 (Existing Buildings), Section 78-8.2(c) concerning change of occupancy, height or area, by deleting certain language; and to amend Section 78-9(e) by deleting certain language, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 78, Section 78-8.2 (c) is hereby amended by deleting certain language, contained in brackets below, as follows:

"(c) One-hour separation from residential use is permissible provided the occupancy of the area used for school or assembly purposes does not exceed 100 persons. [Such separation shall consist of walls, partitions, floors, and ceilings of non-combustible construction or of construction consisting of wood studs or wood joists and a non-combustible surface material providing fire resistance of not less than one hour; this provision shall apply only to day nurseries that shall have been in operation at least sixty days before the effective date of this ordinance]".

SECTION 2. The Municipal Code of Chicago, Chapter 78, Section 78-9 (e) is hereby amended by deleting certain language, contained in brackets below, as follows:

"(e) In Type I schools [(except day nursery schools, child care centers and kindergarten schools)] having emergency or temporary classrooms with floors more than two feet below the building grade adjacent to such classrooms or study rooms, and also in Type II schools having emergency or temporary classrooms with floors more than two feet below the building grade adjacent to such classrooms or study rooms, said rooms shall be permitted to be used only until September 16, 1968; provided that each classroom or study room shall have a direct outside exit, or other means of exit as approved by the Commissioner of Buildings and provided further that each classroom and study room shall have sufficient natural light or artificial illumination of 50 foot candlepower, and further than all, other requirements of this code are met."

SECTION 3. This ordinance shall take effect ten days after the date of its due passage and publication.

## Chapter 81 of Municipal Code Amended Concerning Ventilation for Day Care Centers.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the Municipal Code of Chicago, Chapter 81 (Ventilation), Section 81-7, Table A, by adding certain language to include Type III Schools, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 81, Section 81-7, Table A, is hereby amended by adding certain language, italicized below, as follows:

"Classrooms for religious instruction *and Type III Schools* exclusively."

SECTION 2. This ordinance shall take effect ten days after the date of its due passage and publication.

---

## Chapter 90 of Municipal Code Amended Concerning Fire Protection for Day Care Centers.

The Committee on Buildings and Zoning, submitted the following report:

CHICAGO, March 11, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred to Your Committee on February 25, 1970) to amend the

Municipal Code of Chicago, Chapter 90 (Fire Protection), Section 90-9.2 concerning alarm sending stations, by adding a new Subsection to be lettered "(c)"; to amend Section 90-9.3(a) concerning alarm sounding devices, by adding certain language; to amend Section 90-9.4 concerning automatic detectors, by adding a new Subsection to be lettered "(d)"; and to amend Section 90-10.1 concerning Class I fire alarm systems, by adding certain language in Subsection (b), and by adding a new Subsection to be lettered "(d)", begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

On motion of Alderman Campbell the proposed ordinance transmitted with the foregoing committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—35.

*Nays*—None.

Alderman Despres was excused from voting under Rule 14 of the Council's Rules of Order.

The following is said ordinance as passed:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. The Municipal Code of Chicago, Chapter 90, Section 90-9.2 is hereby amended by adding a new sub-section to be lettered (c), italicized below, as follows:

*"(c) Alarm sending stations shall be required on fire alarm systems serving only a Type III school in a building not otherwise requiring a system on the basis of one for every 4,000 square feet of floor area or fraction thereof over 4,000 square feet."*

SECTION 2. The Municipal Code of Chicago, Chapter 90, Section 90-9.3 (a) is hereby amended by adding certain language, italicized below, as follows:

"90-9.3. (a) Alarm sounding devices shall be provided of such type and shall be so distributed that they can be heard clearly throughout the building, *except on systems serving only a Type III school in a building not otherwise requiring a system in which case they may be located only in the spaces occupied by the Type III school."*

SECTION 3. The Municipal Code of Chicago, Chapter 90, Section 90-9.4 is hereby amended by adding a new sub-section to be lettered (d), italicized below, as follows:

*"(d) In the basement of buildings of Type III or IV construction containing a Type III school on the first floor or basement, the detectors shall be located in all areas of such basement spaces including spaces used by the school except class rooms."*

SECTION 4. The Municipal Code of Chicago, Chapter 90, Section 90-10.1 is hereby amended by adding certain language in sub-section (b), italicized below, and further by adding a new sub-section to be lettered (d), italicized below, as follows:

"(b) In every *Type I or Type II* school over one story in height.

*(d) In the basements of buildings of Type III or IV construction containing a Type III school on the first floor or in the basement."*

SECTION 5. This ordinance shall take effect ten days after the date of its due passage and publication.

---

### *Action Deferred*—ON PROPOSED ORDINANCES FOR AMENDMENT OF CHICAGO ZONING ORDINANCE TO RECLASSIFY PARTICULAR AREAS.

The Committee on Buildings and Zoning submitted the following report, which was, on motion of Alderman Campbell, *Deferred* and ordered published:

CHICAGO, March 19, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning begs leave to recommend that Your Honorable Body pass the proposed ordinances transmitted herewith (referred on September 5, November 17, December 9, December 16 and December 23, 1969 and January 19, 1970) to amend the Chicago Zoning Ordinance for the purpose of reclassifying particular areas, as follows:

To classify as an M1-2 Restricted Manufacturing District instead of an R3 General Residence District the area bounded by

> the alley next north of and parallel to W. Arthington Street; the alley next west of and parallel to S. Cicero Avenue; W. Arthington Street; and a line 50 feet west of the alley next west of and parallel to S. Cicero Avenue (Map No. 2-L);

To classify as an M2-3 General Manufacturing District instead of a C4 Motor Freight Terminal District the area bounded by

> a line 250 feet south of the south line of W. 33rd Street, or the line thereof if extended where no street exists; a line 144 feet west of the center line of S. Kostner Avenue, or the line thereof if extended where no street exists; a line 868.83 feet south of the south line of W. 33rd Street, or the line thereof if extended where no street exists; and the corporate limits of the City of Chicago (Map No. 8-K);

To classify as a B5-2 General Service District instead of a B3-2 General Retail District the area bounded by

> a line 145 feet north of W. Marquette Road; S. Halsted Street; W. Marquette Road; and the alley next west of and parallel to S. Halsted Street (Map No. 16-G);

To classify as a B4-2 Restricted Service District instead of a B4-1 Restricted Service District the area bounded by

> W. 63rd Street; S. Karlov Avenue; the alley next south of and parallel to W. 63rd Street; and S. Keeler Avenue (Map No. 16-K);

To classify as a B4-1 Restricted Service District instead of an R3 General Residence District the area bounded by

W. 111th Street; the alley next east of and parallel to S. St. Louis Avenue; the alley next south of and parallel to W. 111th Street; and S. St. Louis Avenue (Map No. 28-J);

To classify as a B5-2 General Service District instead of an R4 General Residence District the area bounded by

a line 100 feet south of W. Lawrence Avenue; the alley next east of and parallel to N. Wolcott Avenue; a line 249 feet south of W. Lawrence Avenue; and N. Wolcott Avenue (Map No. 11-H);

To classify as a B5-4 General Service District instead of a B2-4 Restricted Retail District the area bounded by

W. Foster Avenue; N. Sheridan Road; a line 100.04 feet south of W. Foster Avenue; and the alley next west of and parallel to N. Sheridan Road (Map No. 13-G).

Further, Your Committee, to which was referred (on January 19, 1970) a proposed ordinance to amend the Chicago Zoning Ordinance to classify as an M1-3 Restricted Manufacturing District instead of an M1-1 Restricted Manufacturing District the area bounded by W. Devon Avenue; the right of way of the Chicago and North Western Railroad; N. Harlem Avenue; W. Palatine Avenue; and N. Avondale Avenue (Map No. 15-0), begs leave to inform Your Honorable Body that Your Committee has amended said proposed ordinance by striking out the proposed classification "M1-3" as the same appears before the classification "Restricted Manufacturing District" and inserting in lieu thereof "M1-2"; and begs leave to recommend that Your Honorable Body pass the said proposed ordinance, as amended.

Further, Your Committee, to which was referred (on November 17, 1969) a proposed ordinance to amend the Chicago Zoning Ordinance to classify as an R2 Single Family Residence District instead of an R3 General Residence District the area bounded by the alley next south of and parallel to W. 71st Street; S. Kedzie Avenue; W. 73rd Street; and the alley next west of and parallel to S. Kedzie Avenue (Map No. 18-J), begs leave to inform Your Honorable Body that Your Committee has amended said proposed ordinance by striking out the boundary designation "the alley next south of and parallel to W. 71st Street" and inserting in lieu thereof "W. 72nd Street"; and begs leave to recommend that Your Honorable Body pass the said proposed ordinance, as amended.

These recommendations were concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

### *Action Deferred*—ON SUNDRY PROPOSED ORDINANCES FOR AMENDMENT OF CHICAGO ZONING ORDINANCE TO RECLASSIFY PARTICULAR AREAS *(Adverse Committee Recommendations).*

The Committee on Buildings and Zoning submitted the following report, which was, on motion of Alderman Campbell, *Deferred* and ordered published:

CHICAGO, March 19, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning begs leave to recommend that Your Honorable Body *DO NOT PASS* the proposed ordinances transmitted herewith (referred on December 9, 1969 and January 19, 1970) to amend the Chicago Zoning Ordinance for the purpose of reclassifying particular areas, as follows:

To classify as an R4 General Residence District instead of an R3 General Residence District the area bounded by

a line 80 feet south of W. 73rd Street; S. Emerald Avenue; a line 120 feet south of W. 73rd Street; and the alley next west of and parallel to S. Emerald Avenue (Map No. 18-F);

To classify as a B4-1 Restricted Service District instead of an R3 General Residence District the area bounded by

W. 79th Street; S. Washtenaw Avenue; the alley next south of and parallel to W. 79th Street; and a line 58.67 feet west of S. Washtenaw Avenue (Map No. 20-I);

To classify as a B4-1 Restricted Service District instead of an R1 Single Family Residence District the area bounded by

W. 112th Street; a line 140 feet east of S. Western Avenue; a line 100 feet south of W. 112th Street; and S. Western Avenue (Map No. 28-H).

These recommendations were concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

---

### *Action Deferred*—ON PROPOSED ORDERS FOR ISSUANCE OF PERMITS FOR ERECTION OF ILLUMINATED SIGNS.

The Committee on Buildings and Zoning submitted the following report, which was, on motion of Alderman Campbell, *Deferred* and ordered published:

CHICAGO, March 19, 1970.

*To the President and Members of the City Council:*

Your Committee on Buildings and Zoning begs leave to recommend that Your Honorable Body pass the proposed orders transmitted herewith (referred on December 23, December 30, 1969 and January 27 and February 25, 1970) to authorize the issuance of permits for the erection and maintenance of illuminated signs, as follows:

| *Permittee* | *Location* | *Dimensions* |
|---|---|---|
| Rayco Auto Service | No. 7419 S. Stony Island Av. | 106 sq. ft. |
| Burt Rose Ford | No. 10131 S. Michigan Av. | 23′0″ x 6′9″ (162 sq. ft.) |
| Wilson Ford | No. 11400 S. Pulaski Rd. | 23′0″ x 7′6″ (162 sq. ft.) |
| Texaco Service Station | Nos. 235-239 E. Garfield Blvd. | |
| Hilton Hotels Corporation | the southwest quadrant of the Cumberland-Kennedy Expressway | 20′0″ x 60′0″ |

| *Permittee* | *Location* | *Dimensions* |
|---|---|---|
| Beverly Sign Company | No. 4453 N. Cicero Av. | 19′0″ x 60′0″ |
| Mobile Oil Corporation | No. 4001 W. Irving Pk. Rd. | 28′0″ x 10′0″ (280 sq. ft.) |

These recommendations were concurred in by 9 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) KENNETH E. CAMPBELL,
*Chairman.*

## COMMITTEE ON COMMITTEES AND RULES.

### *Referred to Committee on Police, Fire, Civil Service, Schools and Municipal Institutions*—PROPOSED RESOLUTION CONCERNING ENFORCEMENT OF REGULATIONS GOVERNING ABANDONED MOTOR VEHICLES.

The Committee on Committees and Rules submitted the following report:

CHICAGO, March 25, 1970.

*To the President and Members of the City Council:*

Your Committee on Committees and Rules, to which was referred on June 23, 1969, under Rule 44 of the Rules of Order of the City Council, two committees having been called for, a proposed resolution concerning enforcement of regulations governing abandoned motor vehicles, begs leave to recommend that Your Honorable Body refer said proposed resolution to the Committee on Police, Fire, Civil Service, Schools and Municipal Institutions.

Respectfully submitted,

(Signed) HARRY L. SAIN,
*Chairman.*

On motion of Alderman Sain the committee's recommendation was Concurred In and said proposed resolution was *Referred to the Committee on Police, Fire, Civil Service, Schools and Municipal Institutions.*

## COMMITTEE ON CULTURAL AND ECONOMIC DEVELOPMENT.

### Designation of February 24 Annually as "Dr. Rudolph Ganz Day" in Chicago.

The Committee on Cultural and Economic Development submitted the following report:

CHICAGO, March 10, 1970.

*To the President and Members of the City Council:*

Your Committee on Cultural and Economic Development, having had under consideration a proposed resolution (which was referred on February 25, 1970) to designate February 24th of each year as "Dr. Rudolph Ganz Day" in Chicago, begs leave to recommend that Your Honorable Body pass the said proposed resolution, which is transmitted herewith.

This recommendation was concurred in by a unanimous vote.

Respectfully submitted,

(Signed) EDWIN P. FIFIELSKI,
*Chairman.*

On motion of Alderman Fifielski the committee's recommendation was Concurred In and said proposed resolution was *Adopted.*

The following is said resolution as adopted:

WHEREAS, Dr. Rudolph Ganz of Chicago is a world-renowned pianist, composer, conductor, lecturer, author and teacher, the recipient of many honorary degrees and decorations; and

WHEREAS, His continuing efforts to bring good music and musicians to Chicago and to make professional training the highest quality available here have played an important role in the development of this City as an internationally recognized music center; and

WHEREAS, His lifelong championing of contemporary composers, both European and American, has enriched our concert repertoire, broadened our musical perspective and swept back the curtain of provincialism; and

WHEREAS, Dr. Ganz, as an innovator and conductor of children's concerts, introduced many young people throughout this country to fine music; and

WHEREAS, He has served the illustrious Chicago Musical College, now part of Roosevelt University, in many capacities, including that of president, and now president emeritus, ever since he first came to Chicago in 1900 to head its Piano Department at the invitation of its founder, Florenz Ziegfeld, Sr.; and

WHEREAS, Further to encourage local talent and opportunity he established in 1959 the biennial Rudolph Ganz Midwest Award for Pianists; and

WHEREAS, Dr. Ganz is beloved and respected throughout the world for his sparkling wit and debonair manner, his broad knowledge and dedicated cultural service, his enormous and varied talents, his inspiration and encouragement, his graciousness, friendliness and warmth; and

WHEREAS, Mayor Richard J. Daley in 1964 named Doctor Ganz Honorary Ambassador of Music from Chicago to the World and this year proclaimed Dr. Ganz's ninety-third birthday, February 24, as Dr. Rudolph Ganz Day in Chicago; and

WHEREAS, This Council saw fit to acclaim Dr. Ganz on the occasion of this ninetieth birthday in 1967 by adopting a congratulatory resolution; now, therefore,

*Be It Resolved by the City Council of the City of Chicago,* That the date of February 24 be permanently named Dr. Rudolph Ganz Day in Chicago, in honor of this distinguished citizen who has brought honor and distinction to this City.

## COMMITTEE ON FEDERAL AND STATE LEGISLATION.

### Statement of Policy Concerning Chicago School Program.

The Committee on Federal and State Legislation submitted the following report:

CHICAGO, March 13, 1970.

*To the President and Members of the City Council:*

Your Committee on Federal and State Legislation, to which was referred (on January 27, 1970) a proposed resolution concerning a Statement of Policy opposing any situation which necessitates the elimination of jobs and programs from the Chicago School Program for the coming months, etc., begs leave to recommend that Your Honorable Body pass the said proposed resolution, which is transmitted herewith.

Your Committee further recommends that the City Clerk be directed to forward a copy of said proposed resolution to the members of the General Assembly of the State of Illinois.

These recommendations were concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) N. J. BOHLING,
*Chairman.*

On motion of Alderman Bohling the committee's recommendation was Concurred In and said proposed resolution was *Adopted.*

The following is said resolution as adopted:

We are opposed to any situation which necessitates the elimination of jobs and programs from the Chicago's School Program for the coming months. We call upon the Governor and Legislature to act speedily at the State level to correct the situation. In view of the fact that, by Law, Aldermen are compelled to pass the Board of Education Tax Levy, no matter what we think of it. We say we deplore being so compelled to act, and welcome State support of Chicago school children. Our ultimate aim as Aldermen is quality education.

Our position is somewhat predetermined since our act is ministerial by Law. We now go on record as strenuously opposing and deploring cuts since this is something that will effect a segment of the school population that is already deprived. Only by State action can programs which were justified in the first instance, be assured of no basis for cutback. This situation could affect accreditation.

### Congress of United States Memorialized to Enact Gun Control Legislation.

The Committee on Federal and State Legislation submitted the following report:

CHICAGO, March 13, 1970.

*To the President and Members of the City Council:*

Your Committee on Federal and State Legislation, having had under consideration a proposed resolution (referred to Your Committee on June 26, 1968) to memorialize the Congress of the United States to enact gun control legislation, begs leave to recommend that Your Honorable Body pass the said proposed resolution, which is transmitted herewith.

Your Committee further recommends that the City Clerk be directed to forward a copy of the said proposed resolution to the members of the Illinois Delegation in the Congress of the United States.

These recommendations were concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) N. J. BOHLING,
*Chairman.*

On motion of Alderman Bohling the committee's recommendation was Concurred In and said proposed resolution was *Adopted.*

The following is said resolution as adopted:

WHEREAS, The President of the United States, in a recent special message to Congress, has asked the Congress of the United States to enact strong gun control legislation; and whereas the message of the President spells out the urgent need for such legislation; now, therefore,

*Be It Resolved by the City Council of the City of Chicago,* That the Congress of the United States be urged to enact such legislation at the earliest moment.

### Congress of United States Memorialized to Repeal 1950 Detention Camp Provision, Title II of Internal Security Act of 1950, as Amended.

The Committee on Federal and State Legislation submitted the following report:

CHICAGO, March 13, 1970.

*To the President and Members of the City Council:*

Your Committee on Federal and State Legislation, to which was referred (on February 25, 1970) a proposed resolution to memorialize the Congress of the United States to repeal the 1950 Detention Camp Provision, namely, Title II of the Internal Security Act of 1950, begs leave to inform Your Honorable Body that Your Committee has amended said proposed resolution by striking out therefrom the date "February, 1970" and inserting in lieu thereof the date "March, 1970"; and begs leave to recommend that Your Honorable Body pass the said proposed resolution, as so amended, which is transmitted herewith.

This recommendation was concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) N. J. BOHLING,
*Chairman.*

On motion of Alderman Bohling the committee's recommendation was Concurred In and said proposed resolution was *Adopted.*

The following is said resolution as adopted:

WHEREAS, The Emergency Detention Act (Subtitle II of the Internal Security Act of 1950) provides that, during periods of Internal security emergency, any person who probably will engage in, or probably will conspire with others to "engage in, acts of espionage or sabotage" can be incarcerated in detention camps; and

WHEREAS, A person detained under the Emergency Detention Act will not be brought to trial under law, but instead will be judged by a Preliminary Hearing Officer and a Detention Review Board, wherein the detainee must prove his innocence but the government is not required to disclose evidence or produce witnesses to justify the detention; and

WHEREAS, Said procedures violate all constitutional guarantees and protections, principles of democracy, and are unnecessary as existing laws and procedures are available and are completely adequate to safeguard internal security; and

WHEREAS, Such a law has ominous implications for the racial ethnic communities because of past history with particular relation to the World War II detention experience of American citizens of Japanese ancestry, and because of its approach to justice in group rather than individual terms, contrary to the American traditions; now, therefore,

*Be It Resolved,* That the City Council of the City of Chicago, assembled here this 25th day of March, 1970, does hereby unanimously memorialize the Congress of the United States of America to repeal the 1950 detention camp provision, namely, Title II of the Internal Security Act of 1950.

## U.S. Senators of Illinois and All Members of Congress from Illinois Memorialized to Enact Legislation for Grants and Funds to Defray Operation and Maintenance Deficits in Mass Transportation Systems.

The Committee on Federal and State Legislation submitted the following report:

CHICAGO, March 13, 1970.

*To the President and Members of the City Council:*

Your Committee on Federal and State Legislation, to which was referred (on December 9, 1969) a proposed resolution to memorialize the General Assembly of the State of Illinois to enact legislation to subsidize the Chicago Transit Authority, begs leave to recommend that Your Honorable Body pass the substitute proposed resolution transmitted herewith, to memorialize Honorable Charles H. Percy, Honorable Ralph T. Smith, and all of the members of Congress from the State of Illinois to enact and adopt appropriate legislation granting authority to the Department of Transportation to make grants and funds available to defray operation and maintenance deficits in mass transportation systems throughout the Nation.

Your Committee further recommends that the City Clerk be directed to forward a copy of this resolution to Honorable Charles H. Percy and Honorable Ralph T. Smith, and all of the members of Congress from the State of Illinois.

These recommendations were concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) N. J. BOHLING,
*Chairman.*

On motion of Alderman Bohling the committee's recommendation was Concurred In and said proposed resolution was *Adopted.*

The following is said resolution as adopted:

WHEREAS, The public mass transportation system of any city offers the greatest opportunity of providing solutions to the problems of housing, education, and employment of all of its citizens; and

WHEREAS, The future of any urban area of our country is wholly dependent upon the viability, efficiency and low cost to the user of its mass transportation system; and

WHEREAS, The fullest use of the mass transportation system is an immediate step in the elimination of noise and air pollution; and

WHEREAS, The Chicago Transit Authority faces a legitimate physical crisis in that it is operating on a deficit budget of 31 million dollars and it is reported that the Chicago Transit Authority may not be able to meet its June 1, 1970 payroll; and

WHEREAS, Because of this financial crisis, the Chicago Transit Authority proposes to increase its fare to 50 cents a passenger; and

WHEREAS, It has been the experience of the Chicago Transit Authority that increasing the fare is a self-defeating cycle whereby the fare increase is followed by a decline in the number of riders which is then followed by a further need for increase in fares which could lead to a transportation paralysis in the Chicago area; and

WHEREAS, All areas of this nation face similar mass transportation crises; and

WHEREAS, The Chicago City Council recognizes the fact that mass transportation systems can no longer be operated to serve all of the people by the fare box alone and that the mass transportation system must receive substantial tax support for the operation and maintenance of its systems; now, therefore,

*Be It Resolved,* That the Chicago City Council in meeting assembled this 25th day of March, 1970, do hereby memorialize Honorable Charles H. Percy, Honorable Ralph T. Smith, and all of the Members of Congress from the State of Illinois, to enact and adopt appropriate legislation granting authority to the Department of Transportation to make grants and funds available to defray operation and maintenance deficits in mass transportation systems throughout this nation; and

*Be It Further Resolved,* That copies of this resolution be forwarded to Honorable Charles H. Percy, Honorable Ralph T. Smith, and all Members of Congress from the State of Illinois.

## General Assembly Memorialized to Consider Feasibility of Enacting Legislation to Regulate Certain Real Estate Brokers' Practices.

The Committee on Federal and State Legislation submitted the following report:

CHICAGO, March 13, 1970.

*To the President and Members of the City Council:*

Your Committee on Federal and State Legislation, having had under consideration a proposed resolution (referred to Your Committee on March 14, 1969) to memorialize the General Assembly of the State of Illinois to consider the feasibility of enacting legislation wherein real estate brokers would be prohibited from soliciting for sale property of individual home owners, where said home owners have registered with the Secretary of State and have declared their intention not to sell or offer said property for sale, begs leave to recommend that Your Honorable Body go on record as favoring the enactment of a Bill to accomplish the purpose set forth in said resolution, and further, that the Corporation Counsel be instructed to draft such a Bill and arrange for its introduction in the General Assembly.

These recommendations were concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) N. J. BOHLING,
*Chairman.*

On motion of Alderman Bohling the committee's recommendation was Concurred In and said proposed resolution was *Adopted.*

The following is said resolution as adopted:

*Be It Resolved by the City Council of the City of Chicago:*

That the City Council memorialize the Illinois General Assembly to consider the feasibility of enacting legislation wherein Real Estate Brokers would be prohibited from soliciting for sale property of individual home owners, where said home owners have registered with the Secretary of State and declared their intention not to sell or offer said property for sale.

### General Assembly Memorialized to Enact Legislation Supporting Fairness in Contract Sales of Real Estate.

The Committee on Federal and State Legislation submitted the following report:

CHICAGO, March 13, 1970.

*To the President and Members of the City Council:*

Your Committee on Federal and State Legislation, having had under consideration a proposed resolution (referred to Your Committee on December 2, 1969) to memorialize the General Assembly of the State of Illinois to adopt appropriate legislation to correct inequities resulting from some contract sales of real estate, including requirements that the seller in sales of real estate on contract furnish to purchaser appropriate proof of valuation of the property and also furnish a statement of the total amount of interest payable under the contract, begs leave to recommend that Your Honorable Body go on record as favoring the enactment of a Bill to accomplish the purpose set forth in said resolution, and further, that the Corporation Counsel be instructed to draft such a Bill and arrange for its introduction in the General Assembly.

These recommendations were concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) N. J. BOHLING,
*Chairman.*

On motion of Alderman Bohling the committee's recommendation was Concurred In and said proposed resolution was *Adopted.*

The following is said resolution as adopted:

WHEREAS, Numerous sales of real estate on contract in the City of Chicago, especially to Black citizens, have resulted in unconscionable profits to sellers and shocking and unbearable losses and misery to purchasers, both financially and emotionally; and

WHEREAS, It is often difficult to obtain mortgage financing because of circumstances of birth and race; and

WHEREAS, The Mayor and the City Council of Chicago fully realize that it is imperative that steps be taken legislatively, judicially and administratively to correct the inequities which result therefrom; and

WHEREAS, In this regard a need exists for the enactment of State Legislation to require that sellers furnish to purchasers at the time of contract appropriate proof of valuation, and also a statement showing the total interest which is payable; now, therefore,

*Be It Resolved,* That the City Council of Chicago memorializes the General Assembly of the State of Illinois to adopt appropriate legislation to correct inequities resulting from some contract sales, including requirements that the seller in sales of real estate on contract furnish to purchaser appropriate proof of valuation of the property and also furnish a statement of total amount of interest payable under the contract; and

*Be It Further Resolved,* That the Governor is requested to call a Special Session of the Illinois General Assembly to enact said legislation, or include such legislation as a matter of priority at the April Session of the State Legislature.

## COMMITTEE ON FORESTRY AND RECREATION.

### *Action Deferred*—ON PROPOSED RESOLUTION TO MEMORIALIZE CHICAGO PARK DISTRICT TO RENAME EAST END PARK AS "BARRATT O'HARA PARK".

The Committee on Forestry and Recreation submitted the following report, which was, at the request of two aldermen present (Alderman Despres and Alderman Cousins) *Deferred* and ordered published:

CHICAGO, March 6, 1970.

*To the President and Members of the City Council:*

Your Committee on Forestry and Recreation, having had under consideration a proposed resolution (which was re-referred on February 25, 1970) to memorialize the Chicago Park District to rename East End Park as "Barratt O'Hara Park", begs leave to recommend that Your Honorable Body pass the said proposed resolution, which is transmitted herewith.

This recommendation was concurred in by 6 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) JOSEPH R. KERWIN,
*Chairman.*

The following is the proposed resolution transmitted with the foregoing committee report:

*Whereas,* The late departed Congressman Barratt O'Hara spent a lifetime of contribution to Illinois citizens as soldier and lawyer for the unprotected, the youngest of Lt. Governors, Congressman unequalled, unselfishly dedicated to the well-being of all in a true American spirit; now, therefore,

Be It Resolved, That we the members of the City Council of the City of Chicago do hereby memorialize the Chicago Park District to name East End Park as Barratt O'Hara Park, as a living tribute to this great man.

## COMMITTEE ON LOCAL INDUSTRIES, STREETS AND ALLEYS.

### Grants Made of Privileges in Public Ways.

The Committee on Local Industries, Streets and Alleys, to which had been referred (on December 9, 1969, January 19 and 27, and February 25, 1970) seventeen proposed ordinances and one proposed order for grants of privileges in public ways, submitted a report recommending that the City Council pass said proposed ordinances and said proposed order (transmitted therewith).

On separate motions made by Alderman Sain *each* of the said seventeen proposed ordinances was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

*Each of the said seventeen ordinances contains Sections 3, 4, 5 and 6, which are identical with Sections 3, 4, 5 and 6 respectively of the "Standard Special Provisions" printed on pages 5243-5244 of the Journal of the Proceedings of April 9, 1969.* Sections 1 and 2 of the said ordinances read respectively as follows (the Italic heading in each case not being a part of the ordinance):

*Grant to Amxco, Incorporated.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Amxco, Incorporated, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a railroad switch track at street grade on the northeasterly side of N. Hooker Street from the west line of N. Halsted Street to a point one hundred eighty (180) feet northwesterly thereof; for a period of twenty (20) years from and after February 26, 1970.

The location of said railroad switch track shall be as shown in yellow on print hereto attached, which by reference is made a part of this ordinance. Said railroad switch track shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way occupied by said railroad switch track in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of three hundred fifty-eight and 50/100 dollars ($358.50) per annum, in advance, the first payment to be made as of February 26, 1970, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

*Grant to Chicago, Burlington & Quincy Railroad Co.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Chicago, Burlington & Quincy Railroad Company, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now installed the following described privileges for the purpose of supplying electric current for superimposed control on existing "stop and go" lights at S. Ashland Avenue, S. Throop Street, S. Loomis Street and S. Halsted Street, and for control and lighting of flasher-light signals at S. Ashland Avenue, S. Laflin Street, W. Cermak Road between S. Morgan Street and S. Sangamon Street, W. Cermak Road between S. Sangamon Street and S. Peoria Street, S. Canalport Avenue, W. 21st Street, W. Cullerton Street, the alley between W. Cullerton Street and W. 19th Place, W. 19th Place, W. 19th Street, W. 18th Place and W. 18th Street, for the protection of the public at the intersections of the railroad tracks of said company and the streets of the City of Chicago; said installations located as follows:

1. Over and across S. Ashland Avenue from a point adjacent to the intersection of the west line of S. Ashland Avenue and the south line of S. Blue Island Avenue over and across S. Ashland Avenue to a point on the east line of S. Ashland Avenue and seventy-five (75) feet south of the south line of W. Cermak Road; one insulated aerial cable containing not more than five (5) No. 8 copper wires, and one insulated aerial cable containing not more than five (5) No. 16 copper wires, with a minimum clearance of thirty (30) feet above S. Ashland Avenue.
2. In W. Cermak Road and over and across S. Laflin, S. Loomis and S. Throop Streets, attached to and on the trolley poles of the Chicago Transit Authority on the south curb line of and on W. Cermak Road, between the east line of S. Ashland Avenue to the east line of S. Throop Street, one insulated aerial cable containing not more than five (5) No. 16 copper wires and, in addition, from the west line of S. Laflin Street to the east line of S. Laflin Street, one insulated aerial cable containing not more than five (5) No. 8 copper wires and, in addition, one insulated aerial cable containing not more than two (2) No. 6 copper wires carrying 110 volts A.C. from

the east line of S. Ashland Avenue to a point two hundred seventy (270) feet east of the east line of S. Laflin Street.

3. In W. Cermak Road and over and across S. Morgan Street, attached to and on the trolley poles of the Chicago Transit Authority on the south curb line of and on W. Cermak Road between a point fifty (50) feet west of the west line of S. Morgan Street over and across S. Morgan Street to a point on the west line of S. Sangamon Street, one aerial cable containing not more than five (5) No. 8 copper wires.
4. In W. Cermak Road from a point one hundred eighty (180) feet west of the west line of S. Peoria Street to a point at the west line of S. Halsted Street, one insulated aerial cable containing not more than five (5) No. 16 copper wires.
5. Over and across S. Halsted Street, from a point adjacent to the intersection of the south line of W. Cermak Road and the west line of S. Halsted Street to a point on the east line of S. Halsted Street thirty (30) feet south of W. Cermak Road, one insulated aerial cable containing not more than five (5) No. 8 copper wires, with a minimum clearance of thirty (30) feet over S. Halsted Street.
6. Over and across W. Cermak Road from a point adjacent to the intersection of the west line of S. Sangamon Street and the north line of W. Cermak Road over and across W. Cermak Road at right angles to a point twenty (20) feet south of the south line of W. Cermak Road, two (2) insulated aerial cables each containing not more than five (5) No. 8 copper wires.
7. Over S. Sangamon Street from a point adjacent to the intersection of the west line of S. Sangamon Street and the north line of W. Cermak Road over and across S. Sangamon Street to a point twenty (20) feet east of the east line of S. Sangamon Street and twenty (20) feet from the north line of W. Cermak Road, one insulated aerial cable containing not more than fourteen (14) No. 16 copper wires. In addition, two (2) No. 6 insulated copper wires carrying 110 volts A.C. mounted on secondary racks.
8. Over and across W. Cermak Road from a point one hundred fifty (150) feet east of the east line of S. Sangamon Street and twenty (20) feet from the north line of W. Cermak Road over and across W. Cermak Road at right angles to a point twenty (20) feet south of the south line of W. Cermak Road, one insulated aerial cable containing not more than five (5) No. 16 copper wires.
9. Over and across Canalport Avenue from a point adjacent to the intersection of the south line of Canalport Avenue and the east line of S. Sangamon Street over and across Canalport Avenue to the intersection of the north line of Canalport Avenue and east line of S. Sangamon Street, one insulated aerial cable containing not more than seven (7) No. 16 copper wires and, in addition thereto, two (2) insulated No. 6 copper wires carrying 110 volts A.C. mounted on secondary racks.
10. Over and across W. 21st Street from a point adjacent to the south line of W. 21st Street and the east line of S. Sangamon Street over and across W. 21st Street to a point adjacent to the north line of W. 21st Street and the east line of S. Sangamon Street, one insulated aerial cable containing not more than five (5) No. 8 copper wires, one insulated aerial cable containing not more than seven (7) No. 16 copper wires and, in addition, two (2) insulated copper wires carrying 110 volts A.C. mounted on secondary racks.
11. Over and across W. Cullerton Street from a point adjacent to the intersection of the south line of W. Cullerton Street and the east line of S. Sangamon Street over and across W. Cullerton Street to a point adjacent to the intersection of the north line of W. Cullerton Street and the east line of S. Sangamon Street, one insulated aerial cable containing not more than five (5) No. 8 copper wires, one insulated aerial cable containing not more than ten (10) No. 16 copper wires, and two (2) insulated No. 16 copper wires carrying 110 volts A.C. and mounted on secondary racks.
12. Over and across alley between W. Cullerton Street and W. 19th Place from a point adjacent to the intersection of the south line of alley between W. Cullerton Street and W. 19th Place and the east line of S. Sangamon Street over and across alley to a point adjacent to the intersection of the north line of alley and the east line of S. Sangamon Street, one insulated aerial cable containing not more than ten (10) No. 16 copper wires and in addition two (2) insulated No. 6 copper wires carrying 110 volts A.C. mounted on secondary racks.
13. Over and across W. 19th Place from a point adjacent to the intersection of the south line of W. 19th Place and the east line of S. Sangamon Street over and across W. 19th Place to a point adjacent to the intersection of the north line of W. 19th Place and the east line of S. Sangamon Street, one insulated aerial cable containing not more than five (5) No. 8 copper wires, one insulated aerial cable containing not more than ten (10) No. 16 copper wires and, in addition, two (2) insulated No. 6 copper wires carrying 110 volts A.C. mounted on secondary racks.
14. Over and across W. 19th Street from a point adjacent to the intersection of the south line of W. 19th Street and the east line of S. Sangamon Street over and across W. 19th Street to a point adjacent to the intersection of the north line of W. 19th Street and the east line of S. Sangamon Street, one insulated aerial cable containing not more than five (5) No. 8 copper wires, one insulated aerial cable containing not more than ten (10) No. 16 copper wires and, in addition, two (2) insulated No. 6 copper wires carrying 110 volts A.C. and mounted on secondary racks.
15. Over and across the alley between W. 19th Street at S. Sangamon Street and W. 18th Place at S. Sangamon Street from a point adjacent to the intersection of the south line of the alley between W. 19th Street and W. 18th Place and the east line of S. Sangamon Street over and across the alley to a point adjacent to the intersection of the north line of the alley and the east line of S.

Sangamon Street, one insulated aerial cable containing not more than ten (10) No. 16 copper wires and, in addition, two (2) insulated No. 6 copper wires carrying 110 volts A. C. mounted on secondary racks.

16. Over and across W. 18th Place from a point adjacent to the intersection of the south line of W. 18th Place and the east line of S. Sangamon Street over and across W. 18th Place to a point adjacent to the intersection of the north line of W. 18th Place and the east line of S. Sangamon Street, one insulated aerial cable containing not more than five (5) No. 8 copper wires, one insulated aerial cable containing not more than ten (10) No. 16 copper wires and, in addition, two (2) insulated No. 6 copper wires carrying 110 volts A. C. and mounted on secondary racks.
17. Over and across W. 18th Street from a point adjacent to the intersection of the south line of W. 18th Street and the east line of S. Sangamon Street over and across W. 18th Street to a point adjacent to the north line of W. 18th Street two hundred sixty (260) feet east of the east line of S. Morgan Street, one insulated aerial cable containing not more than five (5) No. 8 copper wires, one insulated aerial cable containing not more than ten (10) No. 16 copper wires and, in addition, two (2) insulated No. 6 copper wires carrying 110 volts A. C. and mounted on secondary racks.

Copperweld strand messenger wire, 9/32" diameter, with tensile strength of 5174 pounds, is the means of support of aerial cable unless otherwise indicated.

All cables and wires will provide a vertical clearance of not less than twenty (20) feet over the streets involved, and cables and wires requiring more than twenty (20) feet clearance are so noted. Aerial cable in all cases will carry 10 volts or less except as noted.

An all-metal elevated towerman's control room is to be situated at the southeast corner of W. 19th Street and S. Sangamon Street with a base of six (6) feet in width from east to west and four (4) foot six (6) inches from north to south and a height of thirty-two (32) feet in the parkway of S. Sangamon Street to control said aforementioned signals between W. 18th Street and W. Cullerton Street.

The permission and authority herein granted shall be for a period of ten (10) years from and after December 1, 1969.

The location of said wires and towerman's control tower shall be as shown on prints hereto attached, which by reference is made a part of this ordinance. Said overhead and surface equipment shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way under said wires in good condition and repair and safe for public travel, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of six hundred eighty-four and no/100 dollars ($684.00) per annum in advance, the first payment to be made as of December 1, 1969, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to The Chicago Theological Seminary.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to The Chicago Theological Seminary, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now installed a five-inch steam line and a two-inch condensate return line in a trench one (1) foot ten (10) inches in width and one (1) foot two (2) inches in depth, under and across S. Woodlawn Avenue at a point one hundred twelve (112) feet north of the center line of E. 58th Street; for a period of ten (10) years from and after August 28, 1969.

The location of said steam lines shall be as shown on sketch hereto attached, which by reference is made a part of this ordinance. Said steam lines shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said steam lines in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of two hundred and no/100 dollars ($200.00) per annum, in advance, the first payment to be made as of August 28, 1969, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to Consolidated Foods Corporation.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Consolidated Foods Corporation, a corporation, its succesors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a concrete loading platform in the sidewalk space on the south side of W. Kinzie Street adjoining the premises known as Nos. 109-115 W. Kinzie Street, not exceeding one hundred nine (109) feet four (4) inches in length, thirteen (13) feet six (6) inches in width nor two (2) feet six (6) inches in height, connecting with the regular sidewalk grade by ramps twelve (12) feet in length thirteen (13) feet six (6) inches in width at the loading platform and sixteen (16) feet at the sidewalk grade; for a period of ten (10) years from and after February 18, 1970.

The location of said loading platform and ramps shall be as shown on sketch hereto attached, which by reference is made a part of this ordinance. Said loading platform and ramps shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep said loading platform and ramps and that portion of the public way adjacent thereto in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of six hundred sixty-eight and 25/100 dollars ($668.25) per annum, in advance, the first payment to be made as of February 18, 1970, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

*Grant to Cory Corporation.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Cory Corporation, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now installed an eight-inch water supply pipe beginning at a point on the north side of W. Wrightwood Avenue ten (10) feet east of the west line of W. Altgeld Street produced north, thence running south across W. Wrightwood Avenue and in and along the parkway on the west side of W. Altgeld Street on a line parallel to and ten (10) feet easterly of the said west line of W. Altgeld Street to a point one hundred fifty (150) feet south of the south line of W. Wrightwood Avenue, thence continuing at right angles in a westerly direction to the west line of W. Altgeld Street, used for the transmission of water for fire protection purposes only between the premises of the grantee located on the north side of W. Wrightwood Avenue and on the west side of W. Altgeld Street; for a period of ten (10) years from and after January 16, 1970.

The location of said water pipe shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said water pipe shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said water pipe in good condition and repair and safe for public travel, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of two hundred seventy-six and no/100 dollars ($276.00) per annum, in advance, the first payment to be made as of January 16, 1970, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

*Grant to Gassman's Ltd.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Gassman's Ltd., a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a two thousand (2,000) gallon fuel-oil tank, five (5) feet four (4) inches by twelve (12) feet, underneath the the surface of the alley in the rear of the premises known as No. 3014 E. 92nd Street; for a period of ten (10) years from and after December 22, 1969.

The location of said fuel-oil tank shall be as shown on sketch hereto attached, which by reference is made a part of this ordinance. Said fuel-oil tank shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said fuel-oil tank in good condition and repair, safe for public travel over the same and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of one hundred fifty and no/100 dollars ($150.00) per annum, in advance, the first payment to be made as of December 22, 1969, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

*Grant to Investment Properties Associates.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Investment Properties Associates Harry B. Helmsley and Irving Schneider, General Partners, their heirs, executors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a vault underneath the surface of the east-west public alley north of W. Madison Street, known as Calhoun Place, from eighteen (18) feet east of the east line of N. LaSalle Street eastward a distance of seventy-three (73) feet. Said vault shall not exceed eight (8) feet in width, seventy-three (73) feet in length nor fifteen (15) feet in depth, and shall contain three (3) coal holes not to exceed three (3) feet by three (3) feet in size on the surface of said alley over said vault; for a period of ten (10) years from and after July 15, 1969.

The location of said vault shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said vault shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said vault in good condition and repair, safe for public travel over the same and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of eight hundred forty-one and no/100 ($841.00) per annum, in advance, the first payment to be made as of July 15, 1969, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to Lake Meadows Associates.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Lake Meadows Associates, an Illinois Limited Partnership, their heirs, executors, and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now installed two (2) two-inch electrical control conduits; one (1) eight-inch steam supply line in a fifteen-inch conduit and one (1) five-inch condensate return line in a ten-inch conduit lying twenty (20) feet south of and adjoining a line thirty-seven (37) feet south of the south line of E. 33rd Place and under and across S. Rhodes Avenue for a distance of sixty-six (66) feet, also so much of the public alley lying first east of S. Rhodes Avenue as is north of the north line of E. 33rd Place and south of a line eighty (80) feet north of the north line of E. 33rd Street, and the parts of E. 33rd Street and E. 33rd Place lying within the prolongation of the east and west lines of said alley, used for the transmission of steam, condensate, fuel oil and electricity; for a period of twenty (20) years from and after July 23, 1970.

The location of said conduits and steam lines shall be as shown on prints hereto attached, which by reference is made a part of this ordinance. Said conduits and steam lines shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said conduits and steam lines in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of four hundred eighty-eight and no/100 dollars ($488.00), per annum, in advance, the first payment to be made as of July 23, 1970, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to Metal Box & Cabinet Corporation.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Metal Box & Cabinet Corporation, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a tunnel thirty (30) feet in length twelve and one-half (12½) feet in width and fifteen (15) feet in depth under and across W. Carroll Avenue at a point three hundred thirty-eight (338) feet east of the east line of N. Cicero Avenue; for a period of ten (10) years from and after January 11, 1970.

The location of said tunnel shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said tunnel shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said tunnel in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of three hundred and no/100 dollars ($300.00) per annum, in advance, the first payment to be made as of January 11, 1970, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to Midwest Folding Products Manufacturing Corporation.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Midwest Folding Products Mfg. Corp., a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed an elevated switch track over and across W. 14th Street from a point on the north line thereof four hundred thirty-four (434) feet west of the west line of S. Western Avenue to a point on the south line thereof four hundred sixty-seven (467) feet west of the west line of S. Western Avenue, thence across private property and on and along the first east-west public alley south of W. 14th Street from a point three hundred fifty (350) feet west of the west line of S. Western Avenue east a distance of two hundred (200) feet; for a period of twenty (20) years from and after July 15, 1969.

The location of said railroad switch track shall be as shown in red on print hereto attached, which by reference is made a part of this ordinance. Said railroad switch track shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way occupied by said railroad switch track in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of three hundred and no/100 dollars ($300.00) per annum, in advance, the first payment to be made as of July 15, 1969, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to Montgomery Ward and Company.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Montgomery Ward & Co., Incorporated, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use is now constructed a tunnel sixteen (16) feet four (4) inches in width, outside dimensions, under and across W. Chicago Avenue one hundred eleven (111) feet west of the west line of N. Larrabee Street, as measured on the north side of W. Chicago Avenue; for a period of ten (10) years from and after February 18, 1970.

The location of said tunnel shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said tunnel shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said tunnel in good condition and repair, and safe for public travel to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of three hundred and no/100 dollars ($300.00) per annum, in advance, the first payment to be made as of February 18, 1970, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to Sipi Metals Corporation.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Sipi Metals Corporation, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a railroad switch track at street grade connecting with the westerly track of the Chicago, Milwaukee, St. Paul and Pacific Railroad in N. Kingsbury Street at a point twenty-eight (28) feet northwesterly of the northwesterly line of W. Blackhawk Street, thence running in a northwesterly direction on a compound curve to a point on the westerly line of N. Kingsbury Street one hundred thirty-five (135) feet northwesterly of the northwesterly line of W. Blackhawk Street; for a period of twenty (20) years from and after February 1, 1970.

The location of said railroad switch track shall be as shown in yellow on print hereto attached, which by reference is made a part of this ordinance. Said railroad switch track shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way occupied by said railroad switch track in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of three hundred and no/100 dollars ($300.00) per annum, in advance, the first payment to be made as of February 1, 1970 and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to The 333 Building Corporation.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to 333 Building Corporation, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now installed a twelve-inch water pipe, together with a twelve-inch discharge pipe, from the north end of the building known as No. 333 N. Michigan Avenue Building, at a point ten (10) feet four and one-half ($4\frac{1}{2}$) inches west of the west line of N. Beaubien Court, thence north under and across the lower level of E. Wacker Drive at a point thirty-six (36) feet east of the N. Michigan Avenue Bridge a distance of one hundred fifty (150) feet to the Chicago River, used for the purpose of obtaining water from and returning water to the Chicago River for serving the condenser of the air-conditioning plant used within said building; for a period of ten (10) years from and after the date of passage of this ordinance.

The location of said pipes shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said pipes shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said pipes in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of two hundred and no/100 dollars ($200.00) per annum, in advance, the first payment to be made as of the date of passage of this ordinance, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to 2300 Indiana Building Corporation.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to 2300 Indiana Building Corporation, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a four-story covered bridge or passageway, fourteen (14) feet six (6) inches in width, over and across the north-south twenty-foot public alley in the block bounded by S. Michigan Avenue, E. 23rd Street, S. Indiana Avenue and E. 24th Street, connecting the second, third, fourth and fifth floors of the premises known as Nos. 2301-2309 S. Michigan Avenue with the corresponding floors of the premises known as Nos. 2300-2308 S. Indiana Avenue; for a period of ten (10) years from and after March 10, 1970.

The location of said covered bridge or passageway shall be as shown on sketch hereto attached, which by reference is made a part of this ordinance. The lowest portion of said covered bridge or passageway shall be not less than sixteen (16) feet above the surface of the public way at said location, and shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way under said covered bridge or passageway in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of three hundred seventy-five and no/100 dollars ($375.00) per annum, in advance, the first payment to be made as of March 10, 1970, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to The University of Chicago.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to The University of Chicago, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now installed the following described privileges:

An electrical conduit thirty-one (31) inches in width and twenty-six (26) inches in height under and across S. Ellis Avenue at a point one hundred thirty-eight (138) feet north of the center line of E. 58th Street and across the first north-south public alley west of S. Ellis Avenue at a point one hundred forty-five (145) feet north of the center line of E. 58th Street a distance of approximately seventy-one (71) feet, thence into private property. Said conduit used for the transmission of light, heat and power between the premises of the grantee located on both sides of S. Ellis Avenue and said alley;

Also, an eight-duct electrical conduit beginning at the southeast corner of E. 58th Street and S. University Avenue, under and across S. University Avenue a distance of approximately seventy-eight (78) feet, thence north under and along the west side of S. University Avenue to a point one hundred ninety-five (195) feet north of the north line of E. 58th Street, thence west into private property;

Also, an eight-duct electrical conduit beginning at the northwest corner of E. 59th Street and S. Ellis Avenue, thence north under and along the west side of S. Ellis Avenue a distance of approximately four hundred sixty (460) feet to a point one hundred forty (140) feet south of the south line of E. 58th Street, together with the necessary manholes and covers;

all for a period of ten (10) years from and after November 9, 1969.

The location of said conduits shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said conduits shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said conduits and openings in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of six hundred fifty-nine and no/100 dollars ($659.00) per annum, in advance, the first payment to be made as of November 9, 1969, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

### *Grant to Frank M. Whiston Company.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Frank M. Whiston Co., a corporation, Agents for 14 East Jackson Building, a limited partnership, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now installed an eight-inch steam line together with a four-inch condensate steam line under the west portion of the north-south eighteen-foot public alley east of S. State Street, together with a manhole, thence running north under and along the west side of said alley a distance of two hundred eighty (280) feet, used for the purpose of supplying steam from the building located at the northeast corner of E. Jackson Boulevard and S. State Street to the building located at the southeast corner of E. Adams Street and S. State Street; for a period of ten (10) years from and after January 20, 1970.

The location of said steam lines shall be as shown on print hereto attached, which by reference is made a part of this ordinance. Said steam lines shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way over said steam lines in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted five percent (5%) of the gross receipts derived from any use of the structures and appliances herein authorized, provided that the minimum compensation during each annual period shall be two hundred forty-seven and 50/100 dollars ($247.50). Said compensation shall be paid within thirty (30) days after the expiration of each annual period for the preceding calendar period ending December 31st each year. Each of such payments shall be accompanied by a sworn statement in such form and detail as shall be prescribed from time to time by the City Comptroller of the grantee's receipts and other data for computation of the compensation during the calendar period next preceding. The acceptance by the City of Chicago of any amount tendered in payment of annual compensation shall be without prejudice to any claim, demand or right to additional compensation for such period under the terms and provisions of this ordinance. For the purpose of enabling the City of Chicago to inform itself of the receipts of the grantee in each annual period the City Comptroller, or some person appointed therefor by him, shall have access to the grantee's papers, accounts and records at all reasonable and necessary times. The grantee shall at all times keep in the City of Chicago complete and accurate books, accounts and records in detail of all receipts and disbursements relating to all operations by means of the structures and appliances herein authorized. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation until the structures and appliances herein authorized are removed and the public way is restored as herein required.

*Grant to Wolke and Kotler, Inc.*

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. Permission and authority hereby are given and granted to Wolke and Kotler, Inc., a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to maintain and use as now constructed a one thousand (1,000) gallon fuel-oil tank, twelve (12) feet in length, extending one (1) foot into the north-south public alley in the rear of the premises known as No. 4811 N. Milwaukee Avenue; for a period of ten (10) years from and after February 3, 1970.

The location of said fuel-oil tank shall be as shown on sketch hereto attached, which by reference is made a part of this ordinance. Said fuel-oil tank shall be maintained and used in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Streets and Sanitation. The grantee shall keep that portion of the public way in good condition and repair, safe for public travel and free from snow, ice and dirt, to the satisfaction of the Commissioner of Streets and Sanitation.

SECTION 2. The grantee agrees to pay to the City of Chicago as compensation for the privileges herein granted the sum of one hundred fifty and no/100 dollars ($150.00) per annum, in advance, the first payment to be made as of February 3, 1970, and each succeeding payment on the same day and month annually thereafter. In case of the termination of the privileges herein granted the grantee shall, nevertheless, remain liable to the City of Chicago for the annual compensation which shall have become due and payable under the provisions hereof before the structures and appliances herein authorized are removed and the public way is restored as herein required.

On motion of Alderman Sain the said proposed order transmitted with the pending committee report was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said order as passed:

*Ordered,* That the City Comptroller be and he is hereby authorized to issue a permit to The W. F. Hall Printing Co. to maintain and operate a scale in the parkway adjoining the premises located at No. 4629 W. Wellington Avenue, for a period of ten (10) years from and after March 19, 1970, in accordance with plans and specifications filed with and approved by the Commissioner of Public Works, upon the filing of the application and bond and payment of the initial compensation provided for by ordinance.

### Ordinance Repealed Granting Permission and Authority to Louis Skora, Et Al. to Maintain and Use Switchtrack on W. Armitage Av.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass the following proposed *repealing* ordinance transmitted therewith (which was referred to the committee on January 19, 1970):

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the ordinance passed by the City Council June 16, 1954, appearing on page 7742 of the Journal of the Proceedings of said date, which granted permission and authority to Louis Skora, Al G. Skora and Samuel Skora, co-partners, doing business as West End Paper Stock Co., to maintain and use a railroad switchtrack over and across W. Armitage Avenue from a point on the south line thereof one hundred fifty (150) feet west of the west line of N. Central Avenue to a point on the north line thereof eighty (80) feet west of the west line of N. Central Avenue; be and the same is hereby repealed as of June 15, 1969.

The City Comptroller is hereby authorized to cancel all outstanding Warrants for Collection subsequent to June 14, 1969.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

On motion of Alderman Sain the foregoing proposed *repealing* ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### Conveyance of Property Accepted for Opening of Portion of W. Touhy Av. for Public Street Purposes.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith (which was referred to the committee on February 25, 1970):

WHEREAS, It is desired to open the South 33 feet of W. Touhy Avenue between the center line of N. Octavia Avenue and a line 75 feet East of and parallel thereto; and

WHEREAS, The accompanying deed provides for said opening; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the accompanying deed from American National Bank and Trust Company of Chicago, Trustee, Trust No. 28886, to the City of Chicago, providing for opening part of W. Touhy Avenue comprising the following-described property, be accepted by the City of Chicago for public street purposes:

> The North Thirty-three (33) feet of the West Seventy-five (75) feet of the West Five (5) acres of the East Fifteen (15) acres of the North Thirty (30) acres of the East Half (E.½) of the Northeast Quarter (N.E.¼) of Section Thirty-six (36), Township Forty-one (41) North, Range Twelve (12) East of the Third Principal Meridian, in Cook County, Illinois.

SECTION 2. The City Comptroller is hereby authorized and directed to file for record in the Office of the Recorder of Deeds of Cook County, Illinois, the accompanying deed.

SECTION 3. This ordinance shall be in full force and effect from and after its passage.

On motion of Alderman Sain the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

## North-South Public Alley Vacated in Block Bounded by W. Arthur Av., W. Loyola Av., N. Sheridan Road and N. Lakewood Av.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on June 19, 1968, page 3127) for the vacation of all of the north-south 16-foot public alley running north from W. Arthur Avenue in the block bounded by W. Arthur Avenue, W. Loyola Avenue, N. Sheridan Road and N. Lakewood Avenue.

**On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alley described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all of the North-South Sixteen (16) foot public alley lying West of and adjoining the West line of Lots One (1) to Five (5), both inclusive, lying East of and adjoining the East line of Lot Six 6) and lying South of and adjoining the North line of said Lot Six (6) produced East Sixteen (16) feet, in Block One (1) of A. T. Galt's Edgewater Golf Subdivision of the South Thirty (30) acres of the East Half (E.½) of the Southwest Quarter (S.W.¼) of Section Thirty-two (32), Township Forty-one (41) North, Range Fourteen (14) East of the Third Principal Meridian; said public alley herein vacated being further described as all of the North-South public alley running North from W. Arthur Avenue in the block bounded by W. Arthur Avenue, W. Loyola Avenue, N. Sheridan Road and N. Lakewood Avenue, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same is hereby vacated and closed, inasmuch as the same is no longer required for public use and the public interest will be subserved by such vacation.

SECTION 2. The vacation herein provided for is made upon the express condition that within ninety (90) days after the passage of this ordinance, Loyola University shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owner of the property abutting said public alley hereby vacated, the sum of thirteen thousand nine hundred ninety and no/100 dollars ($13,990.00), which sum in the judgment of this body will be equal to such benefits; and further, shall within ninety (90) days after the passage of this ordinance deposit in the City Treasury of the City of Chicago a sum sufficient to defray all costs of removing paving and curb returns and constructing sidewalk and curb across the entrance to the North-South public alley herein vacated, similar to the sidewalk and curb in W. Arthur Avenue between N. Sheridan Road and N. Lakewood Avenue. The precise amount of the sum so deposited shall be ascertained by the Commissioner of Streets and Sanitation after such investigation as is requisite.

SECTION 3. This ordinance shall take effect and be in force from and after its passage subject to the conditions of Section Two (2) hereof, provided that the said Loyola University shall within ninety (90) days after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

## Part of Public Alley Vacated in Block Bounded by W. Menomenee St., W. Wisconsin St., N. Cleveland Av. and N. Mohawk St. and Provision Made for Opening Property for Public Alley Purposes.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance and proposed resolution transmitted therewith (which was drafted and submitted in compliance with an order passed on January 17, 1969, page 4910) for the vacation of the north 102 feet, more or less, of the north-south 24-foot public alley in the block bounded by W. Menomonee Street, W. Wisconsin Street, N. Cleveland Avenue and N. Mohawk Street; and for opening of an east-west 18-foot public alley at the south terminus of said vacation.

**On motion of Alderman Sain said proposed ordinance was *Passed*, by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of part of public alley described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all that part of the North-South twenty-four (24) foot public alley lying East of and adjoining the East line of Lots Fifty-one (51) to Fifty-five (55), both inclusive, lying West of and adjoining the West line of Lots Ninety-six (96) to One Hundred (100), both inclusive, and lying North of and adjoining a line Eighteen (18) feet North of and parallel with the South line of said Lot Fifty-five (55) produced East Twenty-four (24) feet, in James H. Rees' Subdivision of Block Forty-two (42) of Canal Trustees' Subdivision of the North Half (N.½) and the North Half (N.½) of the Southeast Quarter (S.E.¼) and the East Half (E.½) of the Southwest Quarter (S. W.¼) of Section Thirty-three (33), Township Forty (40) North, Range Fourteen (14) East of the Third Principal Meridian; said part of public alley herein vacated being further described as the North One Hundred Two (102) feet, more or less, of the North-South public alley in the block bounded by W. Menomonee Street, W. Wisconsin Street, N. Cleveland Avenue and N. Mohawk Street, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same is hereby vacated and closed, except for such rights as are reserved to Commonwealth Edison Company and Illinois Bell Telephone Company by Section Two (2) hereof, inasmuch as the same, with the exception of the reservations contained in Section Two (2) hereof, is no longer required for public use and the public interest will be subserved by such vacation.

SECTION 2. The City of Chicago hereby reserves for the benefit of Commonwealth Edison Company and Illinois Bell Telephone Company, their successors or assigns, easements to operate, maintain, construct, replace and renew overhead poles, wires and associated equipment, and underground conduit, cables and associated equipment for the transmission and distribution of electric energy and telephonic and associated services under, over and along the North-South public alley as herein vacated, with the right of ingress and egress.

SECTION 3. The vacation herein provided for is made upon the express condition that within six (6) months after the passage of this ordinance, the City of Chicago shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois a certified copy of this ordinance.

SECTION 4. This ordinance shall be in full force and effect from and after its passage and approval, subject however, to the condition of Section Three (3) hereof.

---

On motion of Alderman Sain the following proposed resolution submitted with the pending committee report was *Adopted,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said resolution as adopted:

*Be It Resolved by the City Council of the City of Chicago,* That the following-described property shall be opened for public alley purposes:

The South Eighteen (18) feet of Lot Fifty-five (55) in James H. Rees' Subdivision of Block Forty-two (42) of Canal Trustees' Subdivision of the North Half (N.½) and the North Half (N.½) of the Southeast Quarter (S.E.¼) and the East Half (E.½) of the Southwest Quarter (S.W.¼) of Section Thirty-three (33), Township Forty (40) North, Range Fourteen (14) East of the Third Principal Meridian.

*Be It Further Resolved,* That the City of Chicago (Department of Urban Renewal) shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this resolution.

---

### East-West Public Alley Vacated in Block Bounded by W. Fullerton Av., Right of Way of C. & N. W. RR., N. Wood St., Etc.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on April 17, 1968, page 2672) for the vacation of all of the east-west 16-foot public alley in the block bounded by W. Fullerton Avenue, the right of way of the Chicago and North Western Railway, N. Wood Street and the vacated street running southeasterly and east from said N. Wood Street.

**On motion of Alderman Sain said proposed ordinance was *Passed*, by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl,

**McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.**

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alley described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all of the East-West Sixteen (16) foot public alley lying South of and adjoining the South line of Lots One (1) to Five (5), both inclusive, lying North of and adjoining the North line of Lot Seven (7) and said North line produced West to its intersection with the West line of said Lot One (1) produced South and lying Westerly of and adjoining the Westerly line of the Easterly Twenty-five (25) feet of said Lot Seven (7) extended Northerly, said described line being the Westerly line of a Northerly-Southerly public alley dedicated and recorded in the Office of the Recorder of Deeds of Cook County, Illinois, May 29, 1924 as Document No. 8443694, all in Block Two (2) of Fullerton's 3rd Addition to Chicago in the Northeast Quarter (N.E.¼) of Section Thirty-one (31), Township Forty (40) North, Range Fourteen (14) East of the Third Principal Meridian; said public alley herein vacated being further described as all of the East-West public alley in the block bounded by W. Fullerton Avenue, the right of way of the Chicago and North Western Railway, N. Wood Street and the vacated street running Southeasterly and East from said N. Wood Street, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same is hereby vacated and closed, inasmuch as the same is no longer required for public use and the public interest will be subserved by such vacation.

SECTION 2. The vacation herein provided for is made upon the express condition that within ninety (90) days after the passage of this ordinance, Beatrice Foods Company shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owner of the property abutting said public alley hereby vacated, the sum of five thousand six hundred and no/100 dollars ($5,600.00), which sum in the judgment of this body will be equal to such benefits; and further, the said Beatrice Foods Company shall prior to the passage of this ordinance grant to the City of Chicago a permanent easement providing for the relocation of existing water mains and appurtenances thereto, all work to be performed by the City of Chicago at the sole expense of said Beatrice Foods Company. It is further provided that no buildings or other structures shall be erected on the said permanent easement or other use made of said area, which in the judgment of the municipal official having control of the aforesaid service facilities would interfere with the use, maintenance, renewal or reconstruction of said facilities.

SECTION 3. This ordinance shall take effect and be in force from and after its passage subject to the conditions of Section Two (2) hereof, provided that the said Beatrice Foods Company shall within ninety (90) days after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

### Parts of N. Ogden Av., N. Cleveland Av. and Adjacent North-South Public Alleys Vacated; Also Closing Part of N. Cleveland Av. and Parts of W. Eugenie St. to Vehicular Traffic and Provision Made for Opening Property for Use as Part of N. St. Michaels Ct.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass two proposed ordinances and a proposed resolution transmitted therewith (which were drafted and submitted in compliance with orders passed on April 17, 1969, page 5344) for the vacation of:

> All that part of N. Ogden Avenue together with the west 26 feet of N. Cleveland Avenue, part of which now lies within N. Ogden Avenue, lying north of the north line of W. Eugenie Street as extended and lying south of a line approximately 118.17 feet north of the north line of W. Eugenie Street as extended, and a triangular-shaped part of N. Ogden Avenue lying south of a line 125 feet, more or less, north of the north line of W. Eugenie Street and lying east of the east line of N. Cleveland Avenue extended north; also all of the north-south 10 foot public alley in the block bounded by W. Eugenie Street, N. Ogden Avenue, N. St. Michaels Court and N. Cleveland Avenue, and all that part of the north-south 16 foot public alley lying south of the south line of the east-west public alley extended east in the block bounded by W. Eugenie Street, W. Menomonee Street, N. Cleveland Avenue, N. Ogden Avenue and N. Mohawk Street; and
>
> The closing to vehicular traffic the east 40 feet of N. Cleveland Avenue, part of which now lies within N. Ogden Avenue, between the north line of W. Eugenie Street and a line approximately 118.17 feet north thereof, and parts of W. Eugenie Street between N. Cleveland Avenue and N. Hudson Avenue.

On motion of Alderman Sain *each* of said proposed ordinances was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following are said ordinances as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of parts of public streets, public alley and part of public alley described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all that part of N. Ogden Avenue opened by Condemnation Proceedings, ordinance passed by the City Council February 18, 1919, Order of Possession March 1, 1945, County Court General No. 42162, being all of Lots Twenty-four (24) and Twenty-five (25) and all those parts of Lots Twenty-one (21), Twenty-two (22), Twenty-three (23) and Twenty-six (26), except the North

Two (2) feet of said Lot Twenty-one (21), in C. J. Hull's Subdivision of Block Fifty-two (52) in Canal Trustees' Subdivision of the North Half (N.½) and the North Half (N.½) of the Southeast Quarter (S.E.¼) and the East Half (E.½) of the Southwest Quarter (S.W.¼) of Section Thirty-three (33), Township Forty (40) North, Range Fourteen (14) East of the Third Principal Meridian, lying Southeasterly of a line drawn through a point in the South line of W. Menomonee Street, Thirteen and One Hundredths (13.01) feet West of the West line of N. Hudson Avenue and through a point in the North line of W. Eugenie Street, Ninety-nine and Eighty-seven Hundredths (99.87) feet East of the East line of N. Mohawk Street, said described line being the Northwesterly line of N. Ogden Avenue as opened, and all that part of said N. Ogden Avenue opened by Condemnation Proceedings being all that part of Lot Ninety-two (92) in C. J. Hull's Subdivision of Block Fifty-one (51) in Canal Trustee's Subdivision aforementioned, lying Northwesterly of a line drawn through a point in the South line of W. Menomonee Street, Fifty-nine and Fifty-eight Hundredths (59.58) feet East of the East line of N. Hudson Avenue and through a point in the North line of W. Eugenie Street, Twenty-three and Fifty-eight Hundredths (23.58) feet West of the West line of N. Cleveland Avenue, said described line being the Southeasterly line of said N. Ogden Avenue as opened; also the West Twenty-six (26) feet of N. Cleveland Avenue, as originally laid out, lying East of and adjoining the East line of Lots Twenty-one (21) to Twenty-five (25), both inclusive, lying South of and adjoining a line Two (2) feet South of and parallel with the North line of said Lot Twenty-one (21) extended East and lying North of and adjoining the South line of said Lot Twenty-five (25) extended East, in C. J. Hull's Subdivision of Block Fifty-two (52) in Canal Trustees' Subdivision aforementioned; also all of the North-South Ten (10) foot public alley lying West of and adjoining the West line of Lots Eighty-one (81) to Eighty-eight (88), both inclusive, lying East of and adjoining the East line of Lots Eighty-nine (89) to Ninety-six (96), both inclusive, and lying Southerly of and adjoining the Southeasterly line of said N. Ogden Avenue as opened and heretofore described, all in C. J. Hull's Subdivision of Block Fifty-one (51) in Canal Trustees' Subdivision aforementioned and all that part of the North-South Sixteen (16) foot public alley lying West of and adjoining the West line of Lots Twenty-one (21) to Twenty-five (25), both inclusive, lying East and Northeasterly of and adjoining the East and Northeasterly lines, respectively, of Lot Twenty-six (26) and lying South of and adjoining the North line of said Lot Twenty-six (26) extended East, in C. J. Hull's Subdivision of Block Fifty-two (52) in Canal Trustees' Subdivision aforementioned; said parts of public streets herein vacated being further described as all that part of N. Ogden Avenue together with the West Twenty-six (26) feet of N. Cleveland Avenue part of which now lies within N. Ogden Avenue, lying North of the North line of W. Eugenie Street as extended and lying South of a line approximately One Hundred Eighteen and Seventeen Hundredths (118.17) feet North of and parallel with said North line of W. Eugenie Street as extended, also a triangular shaped part of said N. Ogden Avenue lying South of a line One Hundred Twenty-five (125) feet, more or less, North of and parallel with the North line of W. Eugenie Street and lying East of the East line of N. Cleveland Avenue extended North; also said public alley and part of public alley herein vacated being further described as all of the North-South public alley in the block bounded by W. Eugenie Street, N. Ogden Avenue, N. Cleveland Avenue and N. St. Michaels Court and all that part of the North-South public alley part of which now lies within N. Ogden Avenue, lying South of the South line of the East-West public alley extended East, in the block bounded by W. Eugenie Street, W. Menomonee Street, N. Cleveland Avenue, N. Ogden Avenue and N. Mohawk Street, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, except for such rights as are reserved to Commonwealth Edison Company and Illinois Bell Telephone Company by Section Two (2) hereof, inasmuch as the same with the exception of the reservations contained in Section Two (2) hereof, are no longer required for public use and the public interest will be subserved by such vacations.

SECTION 2. The City of Chicago hereby reserves for the benefit of Commonwealth Edison Company and Illinois Bell Telephone Company, their successors or assigns, easements to operate, maintain, construct, replace and renew overhead poles, wires and associated equipment and underground conduit, cables and associated equipment for the transmission and distribution of telephonic and associated services under, over and along all of the public alleys as herein vacated, with the right of ingress and egress.

SECTION 3. The vacations herein provided for are made upon the express condition that within thirty (30) days after the passage of this ordinance, The Redemptorist Fathers of Chicago in lieu of payment of compensation to the City of Chicago for the benefits which will accrue to them by virtue of the vacation of part of N. Ogden Avenue and the North-South public alley abutting their property, shall deliver a deed to the said City of Chicago for the East Twenty (20) feet of Lot Eighty-eight (88) in C. J. Hull's Subdivision of Block Fifty-one (51) of Canal Trustees' Subdivision aforementioned, for public street purposes as a part of N. St. Michaels Court; the City of Chicago being the owner of the remaining property abutting said parts of public streets, public alley and part of public alley hereby vacated; and further, the City of Chicago shall within six (6) months after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

SECTION 4. This ordinance shall take effect and be in full force and effect from and after its passage and approval, subject however, to the conditions of Section Three (3) hereof.

—

WHEREAS, Urban Renewal Plan for Project Lincoln Park I which, among other things, provides for closing to vehicular traffic the East 40 feet of N. Cleveland Avenue as originally laid out, part of which now lies within N. Odgen Avenue, lying between the North line of W. Eugenie Street as extended and a line approximately 118.17 feet North thereof, also parts of W. Eugenie Street between N. Cleveland Avenue and N. Hudson Avenue; and

WHEREAS, The above referred to parts of streets to be closed will be landscaped and developed by the City of Chicago as part of an over-all complex designed with a scale and atmosphere appropriately urban and conducive to community activity; and

WHEREAS, The City of Chicago and The Redemptorist Fathers of Chicago are the owners of all of the property involved; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all that part of the East Forty (40) feet of N. Cleveland Avenue, as originally laid out, including that part of said East Forty (40) feet which now lies within N. Ogden Avenue, lying North of the North line of W. Eugenie Street as extended and lying South of a line Two (2) feet South of and parallel with the North line of Lot Twenty-one (21) extended East (said line being approximately One Hundred Eighteen and Seventeen Hundredths (118.17) feet North of the North line of W. Eugenie Street as extended) in C. J. Hull's Subdivision of Block Fifty-two (52) in Canal Trustees' Subdivision of the North Half (N.½) and the North Half (N.½) of the Southeast Quarter (S.E.¼) and the East Half (E.½) of the Southwest Quarter (S.W.¼) of Section Thirty-three (33), Township Forty (40) North, Range Fourteen (14) East of the Third Principal Meridian; also all that part of W. Eugenie Street lying between the East line of N. Cleveland Avenue as extended and a line drawn from the Southwest corner of W. Eugenie Street and N. St. Michaels Court to a point on the North line of said W. Eugenie Street, Twenty (20) feet West of the West line of said N. St. Michaels Court, and all that part of the South Twenty-six (26) feet of W. Eugenie Street lying between the West line of N. Hudson Avenue extended North and a line Eighteen (18) feet Easterly, measured at right angles to and parallel with a line drawn from the Southwest corner of said W. Eugenie Street and N. St. Michaels Court to a point on the North line of said W. Eugenie Street, Twenty (20) feet West of the West line of said N. St. Michaels Court, as colored in blue and indicated by the words "TO BE CLOSED TO VEHICULAR TRAFFIC" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby closed to vehicular traffic.

SECTION 2. The City of Chicago (Department of Urban Renewal) shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

SECTION 3. This ordinance shall take effect and be in full force and effect from and after its passage, subject however, to the provision of Section Two (2) hereof.

—

On motion of Alderman Sain the following proposed resolution submitted with the pending committee report was *Adopted,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said resolution as adopted:

*Be It Resolved by the City Council of the City of Chicago,* That the following described property shall be opened for use as a part of N. St. Michaels Court:

> The East Twenty (20) feet of Lots Seventy-nine (79) to Eighty-seven (87), both inclusive, in C. J. Hull's Subdivision of Block Fifty-one (51) in Canal Trustees' Subdivision of the North Half (N.½) and the North Half (N.½) of the Southeast Quarter (S.E.¼) and the East Half (E.½) of the Southwest Quarter (S.W.¼) of Section Thirty-three (33), Township Forty (40) North, Range Fourteen (14) East of the Third Principal Meridian, together with the East Twenty (20) feet of that part of Lot Seventy-eight (78) in said C. J. Hull's Subdivision, lying Southerly of a line drawn through a point in the South line of W. Menomonee Street, Fifty-nine and Fifty-eight Hundredths ((59.58) feet East of the East line of N. Hudson Avenue and through a point in the North line of W. Eugenie Street, Twenty-three and Fifty-eight Hundredths (23.58) feet West of the West line of N. Cleveland Avenue, said described line being the Southeasterly line of N. Ogden Avenue opened by Condemnation Proceedings as per ordinance passed by the City Council February 18, 1919, Order of Possession March 1, 1945, County Court General No. 42162.

*Be It Further Resolved,* That the City of Chicago (Department of Urban Renewal) shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this resolution.

### North-South Public Alley and Part of East-West Public Alley Vacated in Block Bounded by W. Peterson, W. Glenlake, N. Keystone Aves. and Right of Way of C. & N. W. RR.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on May 28, 1969, page 5609) for the vacation of:

> All of the north-south 16-foot public alley running north from W. Peterson Avenue together with all that part of the east-west 16-foot public alley lying west of a line 59 feet, more or less, east of and parallel with the east line of said north-south public alley, also providing for the dedication of a north-south 16-foot alley at the east terminus of said vacation, all in the block bounded by W. Peterson Avenue, W. Glenlake Avenue, N. Keystone Avenue and the right of way of the Chicago and North Western Railway.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alley and part of public alley described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all of the North-South Sixteen (16) foot public alley together with all that part of the East-West Sixteen (16) foot public alley lying West of and adjoining the West line of Lot Eighteen (18), lying East of and adjoining the East line of Lot Nineteen (19), lying South of and adjoining the South line of Lot Twenty (20), lying North of and adjoining the North line of Lots Sixteen (16), Seventeen (17) and Eighteen (18) and lying West of and adjoining the West line of the East Sixteen (16) feet of said Lot Sixteen (16) produced North Sixteen (16) feet, all in Block Nineteen (19) of Krenn and Dato's Crawford-Peterson Addition to North Edgewater being a Subdivision of the Northeast Fractional Quarter (N.E. Fract'l. ¼), except the North Forty-two (42) rods thereof, and Fractional Southeast Quarter (Fract'l. S.E.¼) of Section Three (3), Township Forty (40) North, Range Thirteen (13) East of the Third Principal Meridian lying North of the Indian Boundary Line, excepting from the above described tract of land that part thereof that lies South of a line that is One Hundred (100) feet North of and parallel to the South line of Peterson Avenue extended West, excepting also the right of ways of the Chicago and North Western Railway Company; said public alley and part of public alley herein vacated being further described as all of the North-South public alley running North from W. Peterson Avenue together with all that part of the East-West public alley lying West of a line Fifty-nine (59) feet, more or less, East of and parallel with the East line of said North-South public alley, all in the block bounded by W. Peterson Avenue, W. Glenlake Avenue, N. Keystone Avenue and the right of way of the Chicago and North Western Railway, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, inasmuch as the same are no longer required for public use and the public interest will be subserved by such vacations.

SECTION 2. The vacations herein provided for are made upon the express condition that within ninety (90) days after the passage of this ordinance, R. W. Troch Oil Company and Norris E. Boothe and Harry W. Boothe, Trustees under Trust known as Sauganash Animal Hospital Inc. Employees Profit Sharing Trust shall dedicate or cause to be dedicated to the public and open up for public use as an alley, the East Sixteen (16) feet of Lot Sixteen (16) in Block Nineteen (19) of Krenn and Dato's Crawford-Peterson Addition to North Edgewater aforementioned, as colored in yellow and indicated by the words "TO BE DEDICATED" on the aforementioned plat; and further, shall within ninety (90) days after the passage of this ordinance pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owners of the property abutting said public alley and part of public alley hereby vacated, the sum of eleven thousand three hundred fourteen and no/100 dollars ($11,314.00), which sum in the judgment of this body will be equal to such benefits; and further, shall within ninety (90) days after the passage of this ordinance deposit in the City Treasury of the City of Chicago a sum sufficient to defray all costs of removing paving and curb returns and constructing sidewalk and curb across the entrance to the North-South public alley herein vacated, similar to the sidewalk and curb in W. Peterson Avenue between N. Keystone Avenue and the right of way of the Chicago and North Western Railway, and removing sidewalk and curb and constructing paving and curb returns into the entrance to the North-South alley herein required to be dedicated, similar to the paving and curbing in W. Peterson Avenue between N. Keystone Avenue and the right of way of the Chicago and North Western Railway; and further, shall within ninety (90) days after the passage of this ordinance deposit in the City Treasury of the City of Chicago a sum sufficient to defray all costs of constructing concrete pavement in the alley to be dedicated, as shown in yellow on the plat hereto attached. The precise amounts of the sums so deposited shall be ascertained by the Commissioner of Streets and Sanitation after such investigation as is requisite.

SECTION 3. This ordinance shall take effect and be in force from and after its passage subject to the conditions of Section Two (2) hereof, provided that R. W. Troch Oil Company and Norris E. Boothe and Harry W. Boothe, Trustees under Trust known as Sauganash Animal Hospital Inc. Employees Profit Sharing Trust shall within ninety (90) days after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, together with a plat properly executed and acknowledged showing the vacations and dedication herein provided for.

---

## Public Alleys in Block Bounded by N. Elston, N. Holly, N. Hobson Aves. and Right of Way of C. & N. W. RR.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on July 15, 1969, page 5874) for the vacation of all of the public alleys in the block bounded by N. Elston, N. Holly, N. Hobson Avenues and the right of way of the Chicago and North Western Railway.

**On motion of Alderman Sain said proposed ordinance was *Passed*, by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

**The following is said ordinance as passed:**

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature of extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alleys described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all of the Northeasterly-Southwesterly Sixteen (16) foot public alley together with all of the Northerly-Southerly Sixteen (16) foot public alley lying Northwesterly of and adjoining the Northwesterly line of Lot Seventeen (17), lying Southeasterly of and adjoining the Southeasterly line of Lot Eighteen (18), lying Easterly of and adjoining the Easterly line of Lots Eighteen (18), Nineteen (19), Twenty-one (21), Twenty-two (22), Twenty-five (25) and Twenty-six (26) and lying Southerly of and adjoining the Northeasterly line of said Lot Twenty-six (26) extended Southeasterly, all in Hurford's Subdivision of original Lot One (1) in Block Twenty-one (21) of Sheffield's Addition to Chicago in Section Thirty-one (31), Township Forty (40) North, Range Fourteen (14) East of the Third Principal Meridian, and lying Westerly of and adjoining the Westerly line of the right of way of the Chicago and North Western Railway; said public alleys herein vacated being further described as all of the public alleys in the block bounded by N. Elston Avenue, N. Holly Avenue, N. Hobson Avenue and the right of way of the Chicago and North Western Railway, as colored in red and indicated by the words "To Be Vacated" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, inasmuch as the same are no longer required for public use and the public interest will be subserved by such vacations.

Section 2. The vacations herein provided for are made upon the express condition that within ninety (90) days after the passage of this ordinance, Stereotype Equipment Company and George E. Gall shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owners of the property abutting said public alleys hereby vacated, the sum of thirteen thousand and no/100 dollars ($13,000.00), which sum in the judgment of this body will be equal to such benefits; and further, shall within ninety (90) days after the passage of this ordinance deposit in the City Treasury of the City of Chicago a sum sufficient to defray all costs of removing paving and curb returns and constructing sidewalk and curb across the entrance to the Northerly-Southerly public alley herein vacated, similar to the sidewalk and curb in N. Elston Avenue between N. Hobson Avenue and the right of way of the Chicago and North Western Railway. The precise amount of the sum so deposited shall be ascertained by the Commissioner of Streets and Sanitation after such investigation as is requisite.

Section 3. This ordinance shall take effect and be in force from and after its passage subject to the conditions of Section Two (2) hereof, provided that the said Stereotype Equipment Company and George E. Gall shall within ninety (90) days after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

### North-South Public Alley and East-West "Open Alley" Vacated in Block Bounded by W. Maypole, N. Kolmar, W. West End and N. Kenton Aves.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith (which was referred to the committee on January 27, 1970) for the vacation of all of the north-south 16-foot public alley and all of the east-west 16-foot "Open Alley" in the block bounded by W. Maypole, N. Kolmar, W. West End and N. Kenton Avenues.

**On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

Whereas, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant vacation of public alley and "Open Alley" described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

Section 1. That all of the North-South Sixteen (16) foot public alley lying East of and adjoining the East line of Lots Sixteen (16), Seventeen (17) and Eighteen (18), lying West of and adjoining the West line of Lots Nineteen (19), Twenty (20) and Twenty-one (21) and lying South of and adjoining the North line of the South Sixteen (16) feet of said Lot Twenty-one (21) produced West Sixteen (16) feet, in Block Two (2) of John D. Cuddihy's Resubdivision of Block Twenty-two (22), except streets heretofore dedicated, of West Chicago Land Company's Subdivision of the South Half (S.½) of Section Ten (10), Township Thirty-nine (39) North, Range Thirteen (13) East of the Third Principal Meridian; also all of the East-West Sixteen (16) foot "Open Alley" opened by the Board of Education in ordinance passed by the City Council on March 9, 1962 and recorded in the Office of the Recorder of Deeds of Cook County, Illinois, April 24, 1962 as Document No. 18457136, being the South Sixteen (16) feet of Lot Twenty-one (21) in Block Two (2) of John D. Cuddihy's Resubdivision aforementioned; said public alley and "Open Alley" herein vacated being further described as all of the North-South public alley lying South of the North line of the East-West "Open Alley" extended West and all of the East-West "Open Alley" running West from N. Kolmar Avenue, all in the block bounded by W. Maypole Avenue, W. West End Avenue, N. Kolmar Avenue and N. Kenton Avenue, as colored in red and indicated by the words "To Be Vacated" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, inasmuch as the same are no longer required for public use and the public interest will be subserved by such vacations.

Section 2. The vacations herein provided for are made upon the express condition that within six (6) months after the passage of this ordinance, the Board of Education of the City of Chicago shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

Section 3. This ordinance shall take effect and be in full force and effect from and after its passage and approval, subject however, to the condition of Section Two (2) hereof.

### East-West Public Alley Vacated in Block Bounded by W. Kinzie, W. Hubbard, N. Bishop and N. Armour Streets.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on June 23, 1969, page 5704) for the vacation of all of the east-west 16-foot public alley running west from N. Bishop Street in the block bounded by W. Kinzie, W. Hubbard, N. Bishop and N. Armour Streets.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alley described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all of the East-West Sixteen (16) foot public alley lying North of and adjoining the North line of Lot Eight (8) in Block Three (3) of Armour's Subdivision in the Southeast corner of the West Half (W.½) of the Northwest Quarter (N.W.¼) of Section Eight (8), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian; and lying South of and adjoining the South line of Lots Nine (9) to Twelve (12), both inclusive, in Subdivision of Lots Two (2), Three (3), Six (6), Seven (7) and Ten (10) in Block Two (2) and Lots Nine (9) to Thirteen (13) in Block Three (3) of Armour's Subdivision aforementioned; said public alley herein vacated being further described as all of the East-West Sixteen (16) foot public alley running West from N. Bishop Street in the block bounded by W. Kinzie Street, W. Hubbard Street, N. Bishop Street and N. Armour Street, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same is hereby vacated and closed, inasmuch as the same is no longer required for public use and the public interest will be subserved by such vacation.

SECTION 2. The vacation herein provided for is made upon the express condition that within ninety (90) days after the passage of this ordinance, Hubbard Street Building Corporation shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owner of the property abutting said public alley hereby vacated, the sum of two thousand eight hundred and no/100 dollars ($2,800.00), which sum in the judgment of this body will be equal to such benefits; and further, shall within ninety (90) days after the passage of this ordinance deposit in the City Treasury of the City of Chicago a sum sufficient to defray all costs of removing paving and curb returns and constructing sidewalk and curb across the entrance to the East-West public alley herein vacated, similar to the sidewalk and curb in N. Bishop Street between W. Kinzie Street and W. Hubbard Street. The precise amount of the sum so deposited shall be ascertained by the Commissioner of Streets and Sanitation after such investigation as is requisite.

SECTION 3. This ordinance shall take effect and be in force from and after its passage subject to the conditions of Section Two (2) hereof, provided that the said Hubbard Street Building Corporation shall within ninety (90) days after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

### Public Alleys Vacated in Block Bounded by W. Kinzie, W. Hubbard, N. May Sts. and N. Racine Av.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on July 29, 1969, page 5947) for the vacation of all of the public alleys in the block bounded by W. Kinzie, W. Hubbard, N. May Streets and N. Racine Avenue.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alleys described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all of the North-South Eighteen (18) foot public alley dedicated and recorded in the Office of the Recorder of Deeds of Cook County, Illinois, December 30, 1908, Document No. 4307923, being the East Eighteen (18) feet of Lots Seventeen (17), Eighteen (18) and Nineteen (19) in Colgate's Resubdivision of Lots Six (6) to Fourteen (14), inclusive, in the Circuit Court Partition of Three (3) acres in the Southwest corner of the Northeast Quarter (N.E.¼) of Section (8), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian; also all of the East-West Eighteen (18) foot public alley together with all of the East-West Nineteen (19) foot public alley lying South of and adjoining the South line of Lot Three (3) in Block Eight (8) of Ogden's Addition to Chicago in the Northeast Quarter (N.E.¼) of Section Eight (8), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian; lying North of and adjoining the North line of Lot Six (6) and said North line produced West Eight (8) feet, in

Hull's Subdivision of Lots Four (4) and Five (5) in Block Eight (8) of Ogden's Addition to Chicago aforementioned, lying South of and adjoining the South line of Lots Nineteen (19) to Twenty-three (23), both inclusive, and lying North of and adjoining the North line of Lots Fifteen (15) to Eighteen (18), both inclusive, in Circuit Court Partition aforementioned, lying North of and adjoining the North line of Lot Seventeen (17) and lying East of and adjoining the West line of the East Eighteen (18) feet of said Lot Seventeen (17) produced North Nineteen (19) feet, in Colgate's Resubdivision aforementioned; said public alleys herein vacated being further described as all of the public alleys in the block bounded by W. Kinzie Street, W. Hubbard Street, N. May Street and N. Racine Avenue, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, inasmuch as the same are no longer required for public use and the public interest will be subserved by such vacations.

SECTION 2. The vacations herein provided for are made upon the express condition that within ninety (90) days after the passage of this ordinance, Pentagon Pattern and Engineering Company shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owner of the property abutting said public alleys hereby vacated, the sum of thirteen thousand eight hundred and no/100 dollars ($13,800.00), which sum in the judgment of this body will be equal to such benefits; and further, shall within ninety (90) days after the passage of this ordinance deposit in the City Treasury of the City of Chicago a sum sufficient to defray all costs of removing paving and curb returns and constructing sidewalk and curb across the entrance to the North-South public alley herein vacated, similar to the sidewalk and curb in W. Kinzie Street between N. May Street and N. Racine Avenue and removing paving and curb returns and constructing sidewalk and curb across the entrance to the East-West public alley herein vacated, similar to the sidewalk and curb in N. May Street between W. Kinzie Street and W. Hubbard Street. The precise amount of the sum so deposited shall be ascertained by the Commissioner of Streets and Sanitation after such investigation as is requisite.

SECTION 3. This ordinance shall take effect and be in force from and after its passage subject to the conditions of Section Two (2) hereof, provided that the said Pentagon Pattern and Engineering Company shall within ninety (90) days after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

---

### Parts of S. Lawler and S. Leclaire Aves., North-South and Easterly-Westerly Public Alleys Vacated in Blocks Bounded by W. 44th St., Southerly Line of Right of Way of Gulf, Mobile & Ohio RR. and Vacated S. Lavergne and S. Laramie Aves.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on September 11, 1968, page 3595) for the vacation of:

All those parts of S. Lawler Avenue and S. Leclaire Avenue lying between W. 44th Street and the southerly line of the right of way of the Gulf, Mobile and Ohio Railroad, also all of the north-south and easterly-westerly public alleys, all in the blocks bounded by W. 44th Street, the southerly line of the right of way of the Gulf Mobile and Ohio Railroad, vacated S. Lavergne Avenue and S. Laramie Avenue.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of parts of public streets and public alleys described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all that part of S. Lawler Avenue lying West of and adjoining the West line of Lots Eighteen (18) to Thirty-two (32), both inclusive, and the West line of said Lot Thirty-two (32) produced North Twenty-one and Fifty-two Hundredths (21.52) feet, in Block Eighty-one (81), lying East of and adjoining the East line of Lots One (1) to Thirteen (13), both inclusive, and the East line of said Lot One (1) produced North Twenty-one and Fifty-two Hundredths (21.52) feet, in Block Eighty-two (82) and lying Southerly of and adjoining the Southerly line of the right of way of the Gulf Mobile and Ohio Railroad and all that part of S. Leclaire Avenue lying West of and adjoining the West line of Lots Fourteen (14) to Twenty-three (23), both inclusive, and the West line of said Lot Twenty-three (23) produced North Twenty-one and Fifty-two Hundredths (21.52) feet, in Block Eighty-two (82), lying East of and adjoining the East line of Lots One (1) to Eight (8), both inclusive, and the East line of said Lot One (1) produced North Twenty-one and Fifty-two Hundredths (21.52) feet, in Block Eighty-three (83) and lying Southerly of and adjoining the Southerly line of the right of way of the Gulf Mobile and Ohio Railroad; also all of the North-South Sixteen (16) foot public alleys and all of the Easterly-Westerly Twenty (20) foot public alleys in Blocks Eighty-one (81), Eighty-two (82), Eighty-three (83) and Eighty-four (84), all in Frederick H. Bartlett's Second Addition to Central Chicago, being a Subdivision in the Southeast Quarter (S.E. ¼) of the Northeast Quarter (N.E.¼) of Section Four (4) and in the Northwest Quarter (N.W.¼) of the Southeast Quarter (S.E.¼) of said Section Four (4), Township Thirty-eight (38) North, Range Thirteen (13) East of the Third Principal Meridian lying South of the Chicago and Alton Railroad right of way; said parts of public streets herein vacated being further described as all those parts of S. Lawler Avenue and S. Leclaire Avenue lying between W. 44th Street and the Southerly line of the right of way of the Gulf Mobile and

Ohio Railroad and said public alleys herein vacated being further described as all of the North-South and Easterly-Westerly public alleys in the blocks bounded by W. 44th Street, the Southerly line of the right of way of the Gulf Mobile and Ohio Railroad, vacated S. Lavergne Avenue and S. Laramie Avenue, as colored in red and indicated by the words, "To Be Vacated" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, except for such rights as are reserved to the City of Chicago by Section Two (2) hereof, inasmuch as the same with the exception of the reservations contained in Section Two (2) hereof, are no longer required for public use and the public interest will be subserved by such vacations.

Section 2. The City of Chicago hereby reserves all of S. Lawler Avenue and S. Leclaire Avenue as herein vacated, also all of the Easterly-Westerly Twenty (20) foot public alleys as herein vacated, as right of ways for existing water mains and appurtenances thereto and for the installation of any additional water mains or other municipally-owned service facilities now located, or which in the future may be located, in said S. Lawler Avenue, S. Leclaire Avenue and the Easterly-Westerly Twenty (20) foot public alleys as herein vacated, and for the maintenance, renewal and reconstruction of such facilities. It is further provided that no buildings or other structures shall be erected on the said right of ways herein reserved or other use made of said area, which in the judgment of the municipal officials having control of the aforesaid service facilities would interfere with the use, maintenance, renewal or reconstruction of said facilities, or the construction of additional municipally-owned service facilities.

Section 3. The vacations herein provided for are made upon the express condition that within six (6) months after the passage of this ordinance, the Chicago Park District and Chicago Housing Authority shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

Section 4. This ordinance shall take effect and be in full force and effect from and after its passage and approval, subject however, to the condition of Section Three (3) hereof.

---

## Part of North-South Public Alley Vacated in Block Bounded by E. 61st St., E. 63rd St., S. Indiana Av. and S. Michigan Av. and Dedication of Adjacent Alleys.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on July 8, 1969, page 5789) for the vacation of the south 182 feet, more or less, of the north-south 16-foot public alley, also providing for the dedication of an east-west 16-foot alley at the north terminus of said vacation, and providing for the dedication of an east-west 16-foot alley approximately 198 feet north of the north terminus of said vacation, said alley to run east from S. Michigan Avenue, all in the block bounded by E. 61st Street, E. 63rd Street, S. Indiana Avenue and S. Michigan Avenue.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

Whereas, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of part of public alley described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

Section 1. That all that part of the North-South Sixteen (16) foot public alley opened by Condemnation Proceedings, Ordinance passed by the City Council June 15, 1914, Order of Possession July 10, 1918, County Court General No. 33934, being the West Eight (8) feet of original Lot Eight (8), except the North Sixteen (16) feet thereof, and the West Eight (8) feet of original Lot Nine (9) and the West Eight (8) feet of said Lot Nine (9) extended South through a strip of land Thirty-three (33) feet in width South of and adjoining said Lot Nine (9), in Nash, Rankin and Gray's Subdivision of the South Twenty-seven (27) acres of the Southwest Quarter (S.W.¼) of the Southwest Quarter (S.W.¼) of Section Fifteen (15), Township Thirty-eight (38) North, Range Fourteen (14) East of the Third Principal Meridian; also the East Eight (8) feet of that part of original Lot Eleven (11) in said Nash, Rankin and Gray's Subdivision lying South of a line Sixteen (16) feet South of and parallel with the North line of Lot A produced West Sixteen (16) feet, in Consolidation of part of Nash, Rankin and Gray's Subdivision aforementioned, and the East Eight (8) feet of Lot Six (6) in Staple's Subdivision of Lot Ten (10) and the Thirty-three (33) feet South of and adjoining said Lot Ten (10) in Nash, Rankin and Gray's Subdivision aforementioned; said part of public alley herein vacated being further described as the South One Hundred Eighty-two (182) feet, more or less, of the North-South public alley in the block bounded by E. 61st Street, E. 63rd Street, S. Michigan Avenue and S. Indiana Avenue, as colored in red and indicated by the words "To Be Vacated" on the plat hereto, attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same is hereby vacated and closed, inasmuch as the same is no longer required for public use and the public interest will be subserved by such vacation.

Section 2. The vacation herein provided for is made upon the express condition that within ninety (90) days after the passage of this ordinance, Indian Trailer Corporation and Carl Nelson shall dedicate or cause to be dedicated to the public and open up for public use as alleys, the North Sixteen (16) feet of Lot A, except the East Seventeen (17) feet thereof, in Consolidation of part of Nash, Rankin and Gray's Subdivision aforementioned, also the North Sixteen (16) feet of Lot Thirteen (13), except the East Eight (8) feet and the West Seventeen (17) feet thereof, in Nash, Rankin and Gary's Subdivision aforementioned, as colored in yellow and indicated by the words "To Be Dedicated" on the aforementioned plat; and further, shall within ninety (90) days after the passage of this ordinance pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owner of the property abutting said part of public alley hereby vacated, the sum of eight hundred and no/100 dollars ($800.00), which sum in the judgment of this body will be equal to such benefits; and further, shall within ninety (90) days after the passage of this ordinance deposit in the City Treasury of the City of Chicago a sum sufficient to defray all costs of removing paving and curb returns and constructing sidewalk and curb across the entrance to the part of the North-South public alley herein vacated, similar to the sidewalk and curb in E. 63rd Street between S. Michigan Avenue and S. Indiana Avenue and removing sidewalk and curb and constructing paving and curb returns into the entrances to the East-West alleys herein required to be dedicated, similar to the paving and curbing in S. Michigan Avenue and S. Indiana Avenue, respectively, between E. 61st Street and E. 63rd Street; and further, shall within ninety (90) days after the passage of this ordinance deposit in the City Treasury of the City of Chicago a sum sufficient to defray all costs of constructing concrete pavement in the alleys to be dedicated, as shown in yellow on the plat hereto attached. The precise amounts of the sums so deposited shall be ascertained by the Commissioner of Streets and Sanitation after such investigation as is requisite.

Section 3. This ordinance shall take effect and be in force from and after its passage subject to the conditions of Section Two (2) hereof, provided that the said Indian Trailer Corporation and Carl Nelson shall within ninety (90) days after the passage of this ordinance, file or cause to be filed for record in the office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance, together with a plat properly executed and acknowledged showing the vacation and dedications herein provided for.

## Part of North-South and Part of East-West Public Alleys Vacated in Block Bounded by W. 70th St., W. 71st St., S. Parnell Av. and Right of Way of Chicago and Western Indiana RR. and Provision Made for Opening Property for Public Alley Purposes.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance and proposed resolution transmitted therewith (which was drafted and submitted in compliance with an order passed on June 23, 1969, page 5702) for the vacation of the north 133 feet, more or less, of the north-south 14-foot public alley and the east 50 feet of the east-west 12-foot public alley in the block bounded by W. 70th Street, W. 71st Street, S. Parnell Avenue and the right of way of the Chicago and Western Indiana Railroad; and for opening of an east-west 16-foot alley at the south terminus of the part of the north-south alley to be vacated.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

Whereas, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of parts of public alleys described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

Section 1. That all that part of the North-South Fourteen (14) foot public alley lying West of and adjoining the West line of Lot One (1), Two (2) and Three (3) in Block Five (5) of L.W. Beck's Subdivision of the Southwest Quarter (S. W.¼) of Section Twenty-one (21), Township Thirty-eight (38) North, Range Fourteen (14) East of the Third Principal Meridian; lying East of and adjoining the East line of Lot One (1) in Bowes and Cruickshank's Resubdivision of Lots Twenty-two (22), Twenty-three (23) and Twenty-four (24) in Block Five (5) of L. W. Beck's Subdivision aforementioned, and lying North of and adjoining the North line of the South Sixteen (16) feet of Lot Three (3) produced West Fourteen (14) feet, in Block Five (5) of L. W. Beck's Subdivision aforementioned; also all that part of the East-West Twelve (12) foot public alley lying South of and adjoining the South line of Lots One (1) and Two (2) in Bowes and Cruickshank's Resubdivision aforementioned, lying North of and adjoining the North line of Lot Twenty-one (21) and lying East of and adjoining a line Fifty (50) feet West of and parallel with the East line of said Lot Twenty-one (21) produced North Twelve (12) feet, in Block Five (5) of L. W. Beck's Subdivision aforementioned; said parts of public alleys herein vacated being further described as the North One Hundred Thirty-three (133) feet, more or less, of the North-South public alley and the East Fifty (50) feet of the East West public alley, all in the block bounded by W. 70th Street, W. 71st Street, S. Parnell Avenue and the right of way of the Chicago and Western Indiana Railroad, as colored in red and indicated by the words "To Be Vacated" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, except for such rights as are reserved to Commonwealth Edison Company and Illinois Bell Telephone Company by Section Two (2) hereof, inasmuch as the same with the exception of the reservations contained in Section Two (2) hereof, are no longer required for public use and the public interest will be subserved by such vacations.

Section 2. The City of Chicago hereby reserves for the benefit of Commonwealth Edison Company and Illinois Bell Telephone Company, their successors or assigns, easements to operate, maintain, construct, replace and renew overhead poles, wires and associated equipment, and underground conduit, cables and associated equipment for the transmission and distribution of electric energy and telephonic and associated services under, over and along all that part of the North-South Fourteen (14) foot public alley herein vacated, with the right of ingress and egress.

Section 3. The vacations herein provided for are made upon the express condition that within six (6) months after the passage of this ordinance, the Chicago and Western Indiana Railroad Company shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to said owner of part of the property abutting said parts of public alleys hereby vacated, the sum of two thousand three hundred and no/100 dollars ($2,300.00), which sum in the judgement of this body will be equal to such benefits; the City of Chicago being the owner of the remaining property abutting said parts of public alleys hereby vacated; and further, the City of Chicago shall within six (6) months after the passage of this ordinance file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

SECTION 4. This ordinance shall take effect and be in full force and effect from and after its passage and approval, subject however, to the conditions of Section Three (3) hereof.

---

On motion of Alderman Sain the following proposed resolution submitted with the pending committee report was *Adopted,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said resolution as adopted:

*Be It Resolved by the City Council of the City of Chicago,* That the following-described property shall be opened for public alley purposes:

The South Sixteen (16) feet of Lot Three (3) in Block Five (5) of L. W. Beck's Subdivision of the Southwest Quarter (S.W.¼) of Section Twenty-one (21), Township Thirty-eight (38) North, Range Fourteen (14) East of the Third Principal Meridian.

*Be It Further Resolved,* That the City of Chicago (Department of Urban Renewal) shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this resolution.

---

## Public Alleys Vacated in Block Bounded by W. 79th St., W. Winneconna Parkway, S. Normal Av. and S. Fielding Av.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on March 6, 1968, page 2365) for the vacation of all of the public alleys in the block bounded by W. 79th Street, W. Winneconna Parkway, S. Normal Avenue and S. Fielding Avenue.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alleys described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all of the East-West Thirteen (13) foot public alley together with all of the North-South Thirteen (13) foot public alley lying North of and adjoining the North line of Lots One (1) to Nineteen (19), both inclusive, lying South of and adjoining the South line of Lots Twenty-six (26) to Thirty-two (32), both inclusive, and lying East of and adjoining the East line of Lot Twenty (20), all in Resubdivision of Block Fifteen (15) of Auburn Park being a Subdivision in Section Twenty-eight (28), Township Thirty-eight (38) North, Range Fourteen (14) East of the Third Principal Meridian; lying South of and adjoining the South line of Lots One (1) to Six (6), both inclusive, and lying West and Southwesterly of and adjoining the West and Southwesterly lines, respectively, of said Lot One (1), in Eugene M. Baldwin's Resubdivision of Lots Twenty-two (22) to Twenty-five (25), inclusive, in the Resubdivision of Block Fifteen (15) of Auburn Park aforementioned; said public alleys herein vacated being further described as all of the public alleys in the block bounded by W. 79th Street, W. Winneconna Parkway, S. Normal Avenue and S. Fielding Avenue, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, except for such rights as are reserved to Commonwealth Edison Company and Illinois Bell Telephone Company by Section Two (2) hereof, inasmuch as the same with the exception of the reservations contained in Section Two (2) hereof, are no longer required for public use and the public interest will be subserved by such vacations.

SECTION 2. The City of Chicago hereby reserves for the benefit of Commonwealth Edison Company and Illinois Bell Telephone Company, their successors or assigns, easements to operate, maintain, construct, replace and renew overhead poles, wires and associated equipment and underground conduit, cables and associated equipment for the transmission and distribution of electric energy and telephonic and associated services under, over and along all of the East-West public alley herein vacated lying East of the East line of the North-South public alley extended South, with the right of ingress and egress.

SECTION 3. The vacations herein provided for are made upon the express condition that within six (6) months after the passage of this ordinance, Mount Hermon Missionary Baptist Church shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to said owner of part of the property abutting said public alleys hereby vacated, the sum of six hundred and no/100 dollars ($600.00), which sum in the judgment of this body will be equal to such benefits; the City of Chicago being the owner of the remaining property abutting said public alleys hereby vacated; and further, the City of Chicago shall within six (6) months after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

SECTION 4. This ordinance shall take effect and be in full force and effect from and after its passage and approval, subject however, to the conditions of Section Three (3) hereof.

---

### Public Alleys Vacated in Block Bounded by E. 60th St., E. 61st St., S. University Av. and S. Woodlawn Av.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on June 23, 1969, page 5700) for the vacation of all of the east-west and north-south 20-foot public alleys in the block bounded by E. 60th Street, E. 61st Street, S. University Avenue and S. Woodlawn Avenue.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alleys described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all of the East-West Twenty (20) foot public alley lying South of and adjoining the South line of Lots One (1) to Seven (7), both inclusive, and said South line of Lot Seven (7) produced East Seven (7) feet, lying North of and adjoining the North line of Lots Eight (8) and Twenty-three (23) and said North line of Lot Eight (8) produced West Twenty (20) feet and produced East Seven (7) feet, and lying west of and adjoining a line Seven (7) feet East of and parallel with the East line of said Lot Seven (7) produced South Twenty (20) feet, all in Block One (1) in (Clark, Martin and Layton's) Subdivision of the South Half (S.½) of the North Half (N.½) of the Southwest Quarter (S.W.¼) of Section Fourteen (14), Township Thirty-eight (38) North, Range Fourteen (14) East of the Third Principal Meridian; also all of the North-South Twenty (20) foot public alley lying West of and adjoining the West line of Lots Eight (8) to Twelve (12), both inclusive, and lying East of and adjoining the East line of Lots Sixteen (16), Seventeen (17) and Lots Twenty (20) to Twenty-three (23), both inclusive, all in Block One (1) of (Clark, Martin and Layton's) Subdivision aforementioned, lying West of and adjoining the West line of Lots One (1), Two (2) and Three (3) in Morris and Collins' Subdivision of Lots Thirteen (13), Fourteen (14) and Fifteen (15) in Block One (1) in (Clark, Martin and Layton's) Subdivision aforementioned, lying East of and adjoining the East line of Lots One (1), Two (2) and Three (3) in Subdivision of the North Four (4) feet of Lot Eighteen (18) and all of Lot Nineteen (19) in Block One (1) in Clark, Martin and Layton's Subdivision aforementioned, and lying East of and adjoining the East line of Lots One (1), Two (2) and Three (3) in Subdivision of the South Forty-six (46) feet of Lot Eighteen (18) and the North Four (4) feet of Lot Seventeen (17) in Block One (1) in (Clark, Martin and Layton's) Subdivision aforementioned; said public alleys herein vacated being further described as all of the East-West and North-South Twenty (20) foot public alleys in the block bounded by E. 60th Street, E. 61st Street, S. University Avenue and S. Woodlawn Avenue, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, except for such rights as are reserved to the City of Chicago and public and quasi-public utility agencies by Section Two (2) hereof, inasmuch as the same with the exception of the reservations contained in Section Two (2) hereof, are no longer required for public use and the public interest will be subserved by such vacations.

SECTION 2. The City of Chicago hereby reserves for itself and for the benefit of such public and quasi-public utility agencies as may be involved, easements to maintain in the public alleys as herein vacated, the existing municipally-owned service facilities and public and quasi-public utility facilities at their present locations in the public alleys as herein vacated, and to repair and operate such facilities and utilities; the easement with respect to each such facility to remain in effect until, and to terminate upon, the abandonment or release of such facility or the relocation of such facility outside the public alleys herein vacated, in accordance with plans to be approved by the City of Chicago in the case of a municipally-owned service facility, or to be approved by the public or quasi-public agency involved in the case of other service facilities.

SECTION 3. The vacations herein provided for are made upon the express condition that within six (6) months after the passage of this ordinance, the University of Chicago and American Bar Foundation shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the said owners of part of the property abutting said public alleys hereby vacated, the sum of seven thousand three hundred and no/100 dollars ($7,300.00), which sum in the judgment of this body will be equal to such benefits; the City of Chicago being the owner of the remaining property abutting said public alleys hereby vacated; and further, the City of Chicago shall within six (6) months after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

SECTION 4. This ordinance shall take effect and be in full force and effect from and after its passage and approval, subject however, to the conditions of Section Three (3) hereof.

### Part of North-South Public Alley Vacated in Block Bounded by E. 56th St., E. 57th St., S. Kenwood Av. and S. Kimbark Av. and Provision Made for Opening of Part of Public Alley.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance and proposed resolution transmitted therewith (which was drafted and submitted in compliance with an order passed on October 8, 1969, page 6230) for the vacation of all the north-south 24-foot public alley, except approximately the north 100.2 feet thereof, in the block bounded by E. 56th Street, E. 57th Street, S. Kenwood Avenue and S. Kimbark Avenue; and for the opening of part of a north-south alley at the north terminus of said vacation.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant vacation of part of public alley described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all that part of the North-South Twenty-four (24) foot public alley lying West of and adjoining the West line of Lots Three (3) to Twelve (12), both inclusive, lying East of and adjoining the East line of Lots Thirteen (13) to Twenty-two (22), both inclusive, and lying South of and adjoining a line drawn from the Northwest corner of said Lot Three (3) to the Northeast corner of said Lot Twenty-two (22), in Block Sixty-three (63) of Hopkin's Addition to Hyde Park being a Subdivision of the West Half (W.½) of the Northeast Quarter (N.E.¼) of Section Fourteen (14), Township Thirty-eight (38) North, Range Fourteen (14) East of the Third Principal Meridian; said part of public alley herein vacated being further described as all of the North-South public alley, except approximately the North One Hundred and Two-tenths (100.2) feet thereof, in the block bounded by E. 56th Street, E. 57th Street, S. Kenwood Avenue and S. Kimbark Avenue, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same is hereby vacated and closed, except for such rights as are reserved to Commonwealth Edison Company by Section Two (2) hereof, inasmuch as the same with the exception of the reservation contained in Section Two (2) hereof, is no longer required for public use and the public interest will be subserved by such vacation.

SECTION 2. The City of Chicago hereby reserves for the benefit of Commonwealth Edison Company, its successors or assigns, an easement to operate, maintain, construct, replace and renew overhead poles, wires and associated equipment and underground conduit, cables and associated equipment for the transmission and distribution of electric energy under, over and along the part of public alley herein vacated, with the right of ingress and egress.

SECTION 3. The vacation herein provided for is made upon the express condition that within six (6) months after the passage of this ordinance, the City of Chicago and Board of Education of the City of Chicago shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

SECTION 4. This ordinance shall take effect and be in full force and effect from and after its passage and approval, subject however, to the condition of Section Three (3) hereof.

—

On motion of Alderman Sain the following proposed resolution submitted with the pending committee report was *Adopted,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said resolution as adopted:

*Be It Resolved by the City Council of the City of Chicago:*

That the following-described property shall be opened for public alley purposes:

The West Twenty (20) feet of Lot Two (2) except the North Twelve (12) feet thereof, in Block Sixty-three (63) of Hopkins Addition to Hyde Park being a Subdivision of the West Half (W.½) of the Northeast Quarter (N.E.¼) of Section Fourteen (14), Township Thirty-eight (38) North, Range Fourteen (14) East of the Third Principal Meridian.

*Be It Further Resolved,* That the City of Chicago (Department of Urban Renewal) shall file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this resolution.

---

### Public Alleys Vacated in Block Bounded by E. 34th St., E. 35th St., S. Indiana Av. and S. Michigan Av.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance (which was drafted and submitted in compliance with an order passed on July 29, 1969, page 5943) for the vacation of all of the north-south public alley together with all of the east-west public alley running west from said north-south alley, all lying east of the north-south 20-foot public alley in the block bounded by E. 34th Street, E. 35th Street, S. Indiana Avenue and S. Michigan Avenue.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago, after due investigation and consideration, has determined that the nature and extent of the public use and the public interest to be subserved is such as to warrant the vacation of public alleys described in the following ordinance; therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That all of the East-West Fourteen (14) foot public alley together with all of the North-South Ten (10) foot public alley lying South of and adjoining the South line of Lots One (1), Two (2) and Three (3), lying Southeasterly and East of and adjoining the Southeasterly and East lines, respectively, of said Lot Three (3), lying North and Northwesterly of and adjoining the North and Northwesterly lines, respectively, of Lot Nine (9) and lying West of and adjoining the West line of Lots Four (4) to Eight (8), both inclusive, all in Bowers and Leibrandt's Resubdivision of Lots One (1) to Five (5), both inclusive, in Block Seven (7) of John Wentworth's Subdivision of the South Sixty (60) acres of the West Half (W.½) of the Northwest Quarter (N.W.¼) of Section Thirty-four (34), Township Thirty-nine (39) North, Range Fourteen (14) East of the Third Principal Meridian; said public alleys herein vacated being further described as all of the North-South public alley together with all of the East-West public alley running West from said North-South public alley, all lying East of the North-South Twenty (20) foot public alley in the block bounded by E. 34th Street, E. 35th Street, S. Indiana Avenue and S. Michigan Avenue, as colored in red and indicated by the words "TO BE VACATED" on the plat hereto attached, which plat for greater certainty is hereby made a part of this ordinance, be and the same are hereby vacated and closed, inasmuch as the same are no longer required for public use and the public interest will be subserved by such vacations.

SECTION 2. The vacations herein provided for are made upon the express condition that within ninety (90) days after the passage of this ordinance, National Boulevard Bank of Chicago, Trustee, Trust No. 3064 shall pay or cause to be paid to the City of Chicago as compensation for the benefits which will accrue to the owner of the property abutting said public alleys hereby vacated, the sum of two thousand three hundred and no/100 dollars ($2,300.00), which sum in the judgment of this body will be equal to such benefits; and further, shall within ninety (90) days after the passage of this ordinance deposit in the City Treasury of the City of Chicago a sum sufficient to defray all costs of removing paving and curb returns and constructing sidewalk and curb across the entrance to the North-South public alley herein vacated, similar to the sidewalk and curb in E. 34th Street between S. Indiana Avenue and S. Michigan Avenue. The precise amount of the sum so deposited shall be ascertained by the Commissioner of Streets and Sanitation after such investigation as is requisite.

SECTION 3. This ordinance shall take effect and be in force from and after its passage subject to the conditions of Section Two (2) hereof, provided that the said National Boulevard Bank of Chicago, Trustee, Trust No. 3064 shall within ninety (90) days after the passage of this ordinance, file or cause to be filed for record in the Office of the Recorder of Deeds of Cook County, Illinois, a certified copy of this ordinance.

---

### Board of Local Improvements Requested to Institute Special-Assessment Proceedings for Paving of Portion of E. 105th St.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass the following proposed order transmitted therewith (which was referred to the committee on February 25, 1970):

*Ordered,* That the Board of Local Improvements is hereby requested to institute the necessary proceedings for the paving with concrete, by special assessment, of the roadway of E. 105th Street from S. Muskegon Avenue to a point 645 feet west thereof (to the railroad tracks).

On motion of Alderman Sain the foregoing proposed order was *Passed.*

---

### Ordinance Passed for Construction of Sidewalk in Certain System of Streets.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, recommended by the Board of Local Improvements (which was referred to the committee on January 19, 1970) for the construction of a concrete sidewalk six feet in width and one foot from the lot line towards the curb line in a system of streets as follows:

East side of N. Sacramento Avenue from the north curb line of W. Pratt Avenue to a point approximately two hundred feet north of the north curb line of W. Pratt Avenue;

North side of W. Pratt Avenue beginning at a point approximately seventy feet west of the west curb line of N. California Avenue to a point approximately three hundred seventy feet west of the west curb line of N. California Avenue;

North side of W. Touhy Avenue beginning at a point approximately one hundred feet west of the west curb line of N. Albany Avenue to a point approximately two hundred forty feet west of the west curb line of N. Albany Avenue; beginning again at a point approximately four hundred twenty-five feet west of the west curb line of N. Albany Avenue to a point approximately five hundred fifty feet west of the west curb line of N. Albany Avenue;

North side of W. Birchwood Avenue from the west curb line of N. Washtenaw Avenue to the east curb line of N. California Avenue;

South side of W. Birchwood Avenue from the west line of the first alley east of the east curb line of N. California Avenue to the east curb line of N. California Avenue.

On motion of Alderman Sain said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

---

### Ordinance Amended for Construction of Concrete Sidewalks in Certain System of Streets.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, recommended by the Board of Local Improvements (which was referred to the committee on January 19, 1970) for amendment of an ordinance passed on December 23, 1969, as is noted on pages 7229-7230 of the Journal of the Proceedings of said date, for the construction of a concrete sidewalk six feet in width and one foot from the lot line towards the curb line in a system of streets as follows:

> North side of W. 75th Place from the west curb line of S. Lawndale Avenue to a point approximately one hundred twenty-five feet west of the west curb line of S. Lawndale Avenue, etc.

On motion of Alderman Sain said proposed *amendatory* ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

---

### Ordinance Repealed for Construction of Tile Pipe Sewers, Etc. and Grading, Paving and Improving of Alleys between W. 54th St., W. 55th St., C. G. T. RR. and S. Millard Av.

The Committee on Local Industries, Streets and Alleys submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, recommended by the Board of Local Improvements (which was referred to the committee on December 23, 1969) for *repeal* of an ordinance passed on December 30, 1968, as is noted on page 4806 of the Journal of the Proceedings of said date, for constructing tile pipe sewers with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 54th Street, W. 55th Street, Chicago Grand Trunk Railroad and S. Millard Avenue.

On motion of Alderman Sain said proposed *repealing* ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

---

### Ordinances Passed for Street and Alley Improvements by Special Assessment.

The Committee on Local Industries, Streets and Alleys, to which had been referred (on September 5 and December 16, 1969, January 19, January 27 and February 25, 1970) thirty-six proposed ordinances recommended by the Board of Local Improvements for street and alley improvements, submitted reports recommending that the City Council pass said proposed ordinances (transmitted therewith).

On separate motions made by Alderman Sain *each* of the said proposed ordinances was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following are descriptive summaries of the said thirty-six improvement ordinances as passed:

*Alley between E. 93rd St., E. 94th St., S. Rhodes Av. and S. Eberhart Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadway of the alley between E. 93rd Street, E. 94th Street, S. Rhodes Avenue and S. Eberhart Avenue.

*Improvement of N. Orange Av. System.*

An ordinance for grading, paving and improving a system of streets as follows:

N. ORANGE AVENUE SYSTEM:

| | |
|---|---|
| N. ORANGE AVENUE | from a line parallel with and fourteen and three-tenths feet north of the south line of W. Addison Street to a line parallel with and twenty-eight feet south of the north line of W. Belmont Avenue; |
| N. OPAL AVENUE | from a line parallel with and twenty-six feet north of the south line of W. Addison Street to a line parallel with and twenty-eight feet south of the north line of W. Belmont Avenue; |

| | |
|---|---|
| W. CORNELIA AVENUE | from the west line of N. Ozanam Avenue to the east line of N. Osage Avenue; |
| W. ROSCOE STREET | from the west line of N. Ozanam Avenue to the east line of N. Osage Avenue; |
| W. SCHOOL STREET | from the west line of N. Ozanam Avenue to the east line of N. Osage Avenue. |

[Recommendation, Estimate and Ordinance printed on pages 5971-5981 of the Journal of the Proceedings of September 5, 1969]

### *Alley between E. 83rd Pl., E. 84th St., S. Cregier Av. and S. East End Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadway of the alley between E. 83rd Place, E. 84th Street, S. Cregier Avenue and S. East End Avenue.

### *Alley between E. 93rd St., E. 94th St., S. Eberhart Av. and S. Vernon Av., Etc.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadway of the alley between E. 93rd Street, E. 94th Street, S. Eberhart Avenue and S. Vernon Avenue; also that part of the north-south alley from a line parallel with and twenty feet north of the south line of E. 93rd Street to the south line of E. 93rd Street.

### *Alleys between W. 64th St., W. 64th Pl., S. Springfield Av. and S. Pulaski Road—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 64th Street, W. 64th Place, S. Springfield Avenue and S. Pulaski Road.

### *Alleys between W. 55th St., W. 56th St., S. Francisco Av. and S. Richmond St., Etc.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 55th Street, W. 56th Street, S. Francisco Avenue and S. Richmond Street; also that part of the east-west alley from a line parallel with and eighteen feet west of the east line of S. Richmond Street to the east line of S. Richmond Street.

### *Alleys between W. 85th St., W. 85th Pl., S. Springfield Av. and S. Pulaski Road, Etc.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 85th Street, W. 85th Place, S. Springfield Avenue and S. Pulaski Road; also that part of the north-south alley from a line parallel with and eighteen feet north of the south line of W. 85th Street to the south line of W. 85th Street; also that part of the north-south alley from a line parallel with and eighteen feet south of the north line of W. 85th Place to the north line of W. 85th Place.

### *Alley between W. 82nd St., W. 82nd Pl., S. Hamlin Av. and S. Springfield Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadway of the alley between W. 82nd Street, W. 82nd Place, S. Hamlin Avenue and S. Springfield Avenue.

### *Alley between W. 113th Pl., W. 114th Pl., S. Carpenter St. and S. Aberdeen St.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadway of the alley between W. 113th Place, W. 114th Place, S. Carpenter Street and S. Aberdeen Street.

### *Alleys between W. 113th Place, W. 114th Place, S. Laflin St. and S. Ashland Av., Etc.—Sewers, Etc. and Grading, Paving and Improving.*

An ordinance for constructing tile pipe sewers with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 113th Place, W. 114th Place, S. Laflin Street and S. Ashland Avenue; also that part of the east-west alley first south of W. 113th Place from a line parallel with and fifteen feet west of the easterly line of S. Ashland Avenue to the easterly line of S. Ashland Avenue.

### *Alleys between W. 118th, W. 119th, S. Bishop and S. Laflin Sts.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 118th, W. 119th, S. Bishop and S. Laflin Streets.

### *Alleys between E. 87th St., E. 88th St., S. Indiana Av. and S. Michigan Av.—Sewers, Etc. and Grading, Paving and Improving.*

An ordinance for constructing tile pipe sewers with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between E. 87th Street, E. 88th Street, S. Indiana Avenue and S. Michigan Avenue.

### *Alley between W. 93rd St., W. 94th St., S. Lowe Av. and S. Union Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadway of the alley between W. 93rd

Street, W. 94th Street, S. Lowe Avenue and S. Union Avenue.

### *Alleys between W. 94th St., W. 95th St., S. Union Av. and S. Emerald Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 94th Street, W. 95th Street, S. Union Avenue and S. Emerald Avenue.

### *Alley between W. 97th St., W. 98th St., S. Wallace St. and S. Lowe Av., Etc.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadway of the alley between W. 97th Street, W. 98th Street, S. Wallace Street and S. Lowe Avenue; also that part of the north-south alley from a line parallel with and eighteen feet south of the north line of W. 98th Street to the north line of W. 98th Street.

### *Alleys between W. 96th St., W. 97th St., S. Parnell Av. and S. Wallace St., Etc.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 96th Street, W. 97th Street, S. Parnell Avenue and S. Wallace Street; also that part of the east-west alley from a line parallel with and eighteen feet east of the west line of S. Parnell Avenue to the west line of S. Parnell Avenue; also that part of the east-west alley from a line parallel with and eighteen feet west of the east line of S. Wallace Street to the east line of S. Wallace Street.

### *Alleys between W. 51st St., W. 52nd St., S. Austin Av. and S. McVicker Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 51st Street, W. 52nd Street, S. Austin Avenue and S. McVicker Avenue.

### *Alley between W. 53rd St., W. 54th St., S. New England Av. and S. Newland Av., Etc.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadway of the alley between W. 53rd Street, W. 54th Street, S. New England Avenue and S. Newland Avenue; also that part of the north-south alley from a line parallel with and eighteen feet south of the north line of W. 54th Street to the north line of W. 54th Street; also that part of the north-south alley from a line parallel with and eighteen feet north of the south line of W. 53rd Street to the south line of W. 53rd Street.

### *Alley between W. 59th St., North Right of Way Line of Indiana Harbor Belt RR., S. Monitor Av. and S. Mayfield Av., Etc.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manhole and new concrete catchbasin complete, and for grading, paving and otherwise improving a fifteen foot four inch roadway in the north-south alley from the south line of the east-west alley to the north right of way line of the Indiana Harbor Belt Railroad; also the east-west alley from the east line of S. Mayfield Avenue to the west line of S. Monitor Avenue between W. 59th Street, the north right of way line of the Indiana Harbor Belt Railroad, S. Monitor Avenue and S. Mayfield Avenue; also that part of the east-west alley from a line parallel with and eighteen feet east of the west line of S. Monitor Avenue to the west line of S. Monitor Avenue.

### *Alleys between W. 58th St., W. 59th St., S. Mayfield Av. and S. Mason Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 58th Street, W. 59th Street, S. Mayfield Avenue and S. Mason Avenue.

### *Alleys between W. 54th St., W. Archer Av., S. Oak Park Av. and S. Newcastle Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. 54th Street, W. Archer Avenue, S. Oak Park Avenue and S. Newcastle Avenue.

### *Alleys between W. Wolfram St., W. Diversey Av., N. Sayre Av. and N. Nordica Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. Wolfram Street, W. Diversey Avenue, N. Sayre Avenue and N. Nordica Avenue.

### *Alleys between W. Forest Preserve Av., W. Addison St., N. Ottawa Av. and N. Overhill Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing tile pipe sewers with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. Forest Preserve Avenue, W. Addison Street, N. Ottawa Avenue and N. Overhill Avenue.

### *Alleys between W. School St., W. Belmont Av., N. Narragansett Av. and N. Nagle Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between W. School Street, W. Belmont Avenue, N. Narragansett Avenue and N. Nagle Avenue.

### *Alleys between N. Indian Road, W. Huntington St., N. Moody Av. and N. Melvina Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadways of the alleys between N. Indian Road, W. Huntington Street, N. Moody Avenue and N. Melvina Avenue.

### *Alley between W. Balmoral Av., W. Berwyn Av., N. Osceola Av. and N. Olcott Av.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasins complete, and for grading, paving and otherwise improving the roadway of the alley between W. Balmoral Avenue, W. Berwyn Avenue, N. Osceola Avenue and N. Olcott Avenue.

### *Alley between W. Balmoral, W. Berwyn, N. Moody and N. Melvina Aves., Etc.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manholes and new concrete catchbasin complete, and for grading, paving and otherwise improving the roadway of the alley between W. Balmoral, W. Berwyn, N. Moody and N. Melvina Avenues; also that part of the alley from a line parallel with and eighteen feet south of the north line of W. Berwyn Avenue to the north line of W. Berwyn Avenue.

### *Alleys between W. Warwick, W. Waveland, N. Mobile and N. Narragansett Aves.—Sewer, Etc. and Grading, Paving and Improving.*

An ordinance for constructing a tile pipe sewer with new concrete manhole and new concrete catchbasin complete, and for grading, paving and otherwise improving the roadways of the alleys between W. Warwick, W. Waveland, N. Mobile and N. Narragansett Avenues.

### *Improvement of S. Aberdeen St.*

An ordinance for grading, paving and improving S. Aberdeen Street from the south line of W. 93rd Street to the north line of W. 94th Street.

### *Improvement of E. 92nd Pl.*

An ordinance for grading, paving and improving E. 92nd Place from the west line of S. St. Lawrence Avenue to the easterly right of way line of the C. & W. I. RR.; a distance of approximately two hundred eighty-five feet as measured along the center line.

### *Improvement of E. 88th Pl.*

An ordinance for grading, paving and improving E. 88th Place from the west line of S. Kenwood Avenue to the easterly right of way line of the N. Y. C. & St. L. RR.

### *Improvement of S. Union Av. System.*

An ordinance for grading, paving and improving a system of streets as follows:

S. UNION AVENUE SYSTEM:

| | |
|---|---|
| S. UNION AVENUE | from the south line of W. 99th Street to the north line of W. 101st Street; |
| W. 100TH STREET | from the west line of S. Lowe Avenue to the east line of S. Union Avenue. |

### *Improvement of N. McVicker Av. System.*

An ordinance for grading, paving and improving a system of streets as follows:

N. MCVICKER AVENUE SYSTEM:

| | |
|---|---|
| N. MCVICKER AVENUE | from the south line of W. Balmoral Avenue to the north line of W. Foster Avenue; |
| N. MEADE AVENUE | from a line parallel with and 196′ north of the north line of W. Balmoral Avenue to the north line of W. Foster Avenue; |
| W. BALMORAL AVENUE | from a line parallel with and 292′ east of the east line of N. Meade Avenue to the east line of N. Moody Avenue; |
| W. BERWYN AVENUE | from the west line of N. Austin Avenue to the east line of N. Moody Avenue. |

### *Improvement of S. Linder Av. System.*

An ordinance for grading, paving and improving a system of streets as follows:

S. LINDER AVENUE SYSTEM:

| | |
|---|---|
| S. LINDER AVENUE | from the south line of W. 51st Street to a line parallel with and seven hundred twelve feet south of the south line of W. 52nd Street; |
| S. LOTUS AVENUE | from the south line of W. 51st Street to a line parallel with and six hundred fifty feet south of the south line of W. 52nd Street; |
| S. LUNA AVENUE | from the south line of W. 51st Street to a line parallel with and seven hundred seventy-six feet south of the south line of W. 52nd Street; |
| W. 51ST STREET | from the east line of S. Long Avenue to the east line of S. Central Avenue; |
| W. 52ND STREET | from the west line of S. Long Avenue to the east line of S. Central Avenue. |

### *Improvement of N. Oleander Av.*

An ordinance for grading, paving and improving N. Oleander Avenue from a line parallel with and six feet north of the south line of W. Belmont Avenue to the north line of W. Barry Avenue.

### *Alley between W. Farwell, W. Pratt, N. Ridge and N. Seeley Aves., Etc.—Grading, Paving and Improving.*

An ordinance for grading, paving and otherwise improving the roadway of the alley between W. Farwell, W. Pratt, N. Ridge and N. Seeley Avenues; also that part of the north-south alley from a line parallel with and eighteen feet south of the north line of W. Pratt Avenue to the north line of W. Pratt Avenue.

## COMMITTEE ON LOCAL TRANSPORTATION.

### Ordinances Repealed for Establishment of Certain Taxicab Stands.

The Committee on Local Transportation to which had been referred (on February 25, 1970) six proposed ordinances to *repeal* ordinances previously passed for the establishment of taxicab stands, submitted reports recommending that the City Council pass six proposed repealing ordinances (transmitted therewith).

On separate motions made by Alderman Marzullo *each* of the said proposed *repealing* ordinances was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

The following is a summary of the six repealing ordinances as passed:

*Repeal of Ordinance for Establishment of Taxicab Stand No. 330.*

An ordinance to *Repeal* the ordinance passed by the City Council on November 30, 1953 as is noted on page 6132 of the Journal of the Proceedings of said date, for the establishment of Taxicab Stand No. 330 on W. 33rd Street, along the south curb, from a point 50 feet west of the west building line of S. State Street and extending 65 feet west thereof, 3 vehicles.

*Repeal of Ordinance for Establishment of Taxicab Stand No. 296.*

An ordinance to *Repeal* the ordinance passed by the City Council on May 13, 1959 as is noted on pages 279-281 of the Journal of the Proceedings of said date, for the establishment of Taxicab Stand No. 296 on E. 54th Street, along the north curb, from a point 20 feet west of the west building line of S. Lake Park Avenue, extending 100 feet west thereof, 4 vehicles.

*Repeal of Ordinance for Establishment of Taxicab Stand No. 213.*

An ordinance to *Repeal* the ordinance passed by the City Council on March 4, 1958, as is noted on page 7332 of the Journal of the Proceedings of said date, for the establishment of Taxicab Stand No. 213 on the east side of S. Front Avenue from a point 20 feet north of the building line of E. 115th Street to a point 20 feet north thereof, 1 vehicle.

*Repeal of Ordinance for Establishment of Taxicab Stand No. 413.*

An ordinance to *Repeal* the ordinance passed by the City Council on March 25, 1964, as is noted on page 2436 of the Journal of the Proceedings of said date, for the establishment of Taxicab Stand No. 413 on E. 61st Street, along the north curb, from a point 20 feet east of the east line of S. Rhodes Avenue, to a point 80 feet east thereof, 4 vehicles.

*Repeal of Ordinance for Establishment of Taxicab Stand No. 347.*

An ordinance to *Repeal* the ordinance passed by the City Council on April 24, 1957, as is noted on page 4907 of the Journal of the Proceedings of said date, for the establishment of Taxicab Stand No. 347 on W. 63rd Street, along the south curb, from a point 104 feet east of the east lot line of S. Lowe Avenue to a point 67 feet east thereof, 3 vehicles.

*Repeal of Ordinance for Establishment of Taxicab Stand No. 257.*

An ordinance to *Repeal* the ordinance passed by the City Council on May 13, 1959, as is noted on pages 279-281 of the Journal of the Proceedings of said date, for the establishment of Taxicab Stand No. 257 on W. Berwyn Avenue, along the north curb, from a point 30 feet east of the east building line of N. Sheridan Road, to a point 100 feet east thereof, 5 vehicles.

---

### Taxicab Stand No. 121 Abolished.

The Committee on Local Transportation submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith (which was referred to the committee on February 25, 1970):

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That Section 2138 of the Revised Chicago Code of 1931 establishing stands at sundry locations be and the same is hereby amended by striking out therefrom the following:

STAND NO. 121 On S. Lake Park Avenue, along the west curb, from a point 20 feet north of the north building line of E. 47th Street, extending 80 feet north thereof, 4 vehicles; and said taxicab stand No. 121 is hereby abolished.

SECTION 2. This ordinance shall be full force and effect from and after its passage and due publication.

On motion of Alderman Marzullo the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

---

## COMMITTEE ON PLANNING AND HOUSING.

### Authorization for Filing of Application with Department of Housing and Urban Development for Neighborhood Development Program, as Amended.

The Committee on Planning and Housing submitted the following report:

CHICAGO, March 24, 1970.

*To the President and Members of the City Council:*

Your Committee on Planning and Housing, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred on February 25, 1970) to authorize the filing of an application on behalf of the City of Chicago with the Department of Housing and Urban Development for the Neighborhood Development Program, as approved by the Department of Urban Renewal by Resolution No. 70-DUR-18, adopted on February 11, 1970, a certified copy of which is attached to the ordinance, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith, as amended by Your Committee.

This recommendation was concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) PAUL T. WIGODA,
*Vice-Chairman.*

On motion of Alderman Wigoda the proposed ordinance transmitted with the foregoing committee report was *Passed*, by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost*.

The following is said ordinance as passed:

ORDINANCE

Authorizing the Filing of an Application for the Neighborhood Development Program.

WHEREAS, The Department of Urban Renewal of the City of Chicago has prepared an application for Federal financial assistance under the Neighborhood Development Program and has presented the same to this Body for authorization and approval of the same; and

WHEREAS, It is necessary and in the public interest that the City of Chicago avail itself of the financial assistance provided by Title I of the Housing Act of 1949, as amended, to carry out a Neighborhood Development Program in the Urban Renewal Areas described on Annex No. 1, hereinafter referred to as the "Program"; and

WHEREAS, It is recognized that the Federal Contract for such financial assistance pursuant to said Title I will impose certain obligations and responsibilities upon the City of Chicago, and will require, among other things (1) the provision of local grants-in-aid; (2) a feasible method for the relocation of individuals and families displaced from the urban renewal area or areas comprising the Neighborhood Development Program; and (3) other local obligations and responsibilities in connection with the undertaking and carrying out of the Neighborhood Development Program; and

WHEREAS, Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin under any program or activity receiving Federal financial assistance and Executive Order 11063 prohibits discrimination on basis of race, color, creed or national origin in the sale, lease or other disposition of residential property (including land not for residential use) or in the use or occupancy thereof; and

WHEREAS, The objectives of portions of the Neighborhood Development Program cannot be achieved through more extensive rehabilitation of designated Slum and Blight areas and Urban Renewal Areas comprising the Neighborhood Development Program; and

WHEREAS, Certain areas in the Neighborhood Development Program extend into presently designated Code Enforcement Areas and it is the desire of this Body to eleminate any overlapping of said programs; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the United States of America and the Secretary of Housing and Urban Development be and they hereby are assured of full compliance by the City of Chicago with regulations of the Department of Housing and Urban Development effectuating Title VI of the Civil Rights Act of 1964, and applicable Executive Orders.

SECTION 2. That an application on behalf of the City of Chicago for a loan under Section 102(a) of said Title I not to exceed $35,000.000, and for a project capital grant, a relocation grant and a Federal grant for the making of rehabilitation grants to the full amount available for undertaking and financing the first increment of each program is hereby approved; and

SECTION 3. That the Mayor of the City of Chicago is hereby authorized and directed to execute and to file such application with the Department of Housing and Urban Development to provide such additional information and to furnish such documents as may be required in behalf of said Department and to act as the authorized correspondent of the City of Chicago.

SECTION 4. This ordinance shall take effect and be in force from and after its passage.

Annex No. 1 to Ordinance Authorizing the Filing of Neighborhood Development Program Application.

The Neighborhood Development Program Areas included in the Neighborhood Development Program Application of the City of Chicago are defined by the following descriptions:

*Lakeview:* An area generally bounded by Belmont Avenue on the North; Broadway on the East; Diversey Avenue on the South, and Racine Avenue on the West.

*Lincoln Park:* An area generally bounded by Wrightwood Avenue and Diversey Parkway on the North; Lakeview Avenue, Lincoln Park West and Clark Street on the East; North Avenue on the South; Sheffield Avenue, Clybourn Avenue, the Milwaukee, St. Paul Railroad on the West, and Halsted Street on the West.

*East Humboldt Park-Near Northwest:* An area generally bounded by Fullerton Avenue on the North; the Kennedy Expressway on the East; the Chicago & North Western Railroad and Grand Avenue on the South, and California Avenue on the West.

*Clybourn-Ogden:* An area generally bounded by North Avenue on the North; Ogden Avenue on the East; Division Street on the South, and the North branch of the Chicago River on the West.

*Chicago-Orleans:* An area generally bounded by Division Street on the North; LaSalle Street on the East; Chicago Avenue on the South, and Sedgwick Street on the West.

*Ohio-Central:* An area generally bounded by Huron Street on the North; Central Avenue on the East; Lake Street on the South, and Waller Avenue on the West.

*Madison-Kedzie:* An area generally bounded by Warren Avenue on the North; Kedzie Avenue on the East; Jackson Boulevard and the alley South of Madison Street on the South, and Spaulding and Homan Avenues on the West.

*Central-West:* An area generally bounded by Madison Street on the North; Racine Avenue on the East; the Eisenhower Expressway on the South, and Western and Campbell Avenues on the West.

*Roosevelt-Halsted:* An area generally bounded by Roosevelt Road on the North; the Dan Ryan Expressway on the East; the Baltimore and Ohio Railroad on the South, and Blue Island Avenue on the West.

*24th-Bell:* An area generally bounded by 24th Street on the north; Leavitt Street on the East; Coulter Street on the South, and Bell Avenue on the West.

*35th-Parnell:* An area generally bounded by Parnell Avenue on the East; 35th Street on the South; Lowe Avenue on the West; and an irregular line North of 35th Street on the North.

*33rd-Michigan:* An area generally bounded by 31st Street on the North; Dr. Martin Luther King, Jr., Drive on the East; 35th Street on the South, and South Michigan Avenue on the West.

*45th-Ashland:* An area generally bounded by 45th Street on the North; Loomis and Bishop Streets on the East; 47th Street on the South, and Ashland Avenue and the alley West of Ashland Avenue on the West.

*Hyde Park-Kenwood:* An area generally bounded by 47th Street on the North; the Illinois Central Right-of-Way, South Shore Drive, and Stony Island Avenue on the East; 59th Street on the South, and Cottage Grove Avenue on the West.

*Englewood:* An area generally bounded by Garfield Boulevard on the North; State Street on the East; 75th Street on the South, and Ashland Avenue on the West.

*Woodlawn:* An area generally bounded by 60th Street on the North; Stony Island Avenue on the East; 67th Street on the South; and the alley directly East of Champlain Avenue and the alley East of Evans Avenue on the West.

*67th-Stony Island Avenue:* An area generally bounded by 67th Street and 69th Street on the North; the alley East of Stony Island Avenue, the alley East of East End Avenue and Cornell Avenue on the East; 70th Street, 71st and 68th Streets on the South, and the alley West on Stony Island Avenue and Blackstone Avenue on the West.

*69th-South Chicago:* An area generally bounded by 69th Street on the North; Cottage Grove Avenue on the East, and South Chicago Avenue on the South and West.

*79th-Racine:* An alley generally bounded by 78th Street and the alley North of 79th Street on the North; the alley East of Halsted Street and Emerald Avenue on the East; the alley South of 79th Street and 80th Street on the South, and the alley West of Ashland Avenue and Marshfield Avenue on the West.

*87th-Mackinaw:* 87th and 89th Streets on the North; Mackinaw Avenue and Avenue "O" on the East; Harbor Avenue on the South, and the Baltimore and Ohio Railroad Right-of-Way on the West.

*73rd-Dobson:* An area generally bounded by 72nd Street on the North; University Avenue and the alley West of University Avenue on the East; 73rd Street on the South, and Dobson Avenue on the West.

*Uptown:* An area generally bounded by Argyle Street on the North; Marine Drive on the East, Montrose Avenue on the South, and Clark Street on the West.

*Lawndale:* An area generally bounded by the Eisenhower Expressway on the North; Cermak Road on the South; Western and Oakley Avenues on the East, and Cicero Avenue and Kenton Street on the West.

*Grand Boulevard:* An area generally bounded by Pershing Road on the North; Lake Michigan and Cottage Grove Avenue on the East; Federal Street on the West and 47th and 51st Streets on the South.

*North-Sheffield:* An area generally bounded by W. Cortland Avenue on the North; Clybourn and Sheffield on the East; W. North and Blackhawk on the South; and N. Elston and the J. F. Kennedy Expressway on the West.

*Evergreen-Sedgwick:* An area generally bounded by N. Cleveland on the West; W. Goethe and W. Scott on the South; North Sedgwick on the East, and West Evergreen and West Schiller on the North.

*Roosevelt-Ashland:* An area generally bounded by W. Roosevelt Road on the North; South Racine on the East; the first alley South of Roosevelt Road and West 14th Place on the South, and South Ashland Avenue on the West.

*Pilsen:* An area generally bounded by W. 16th Street on the North; the South Branch of the Chicago River on the East and South, and South Ashland Avenue on the West.

*35th-Wentworth:* An area generally bounded by W. 35th Street on the North; S. Wentworth Avenue on the East; West 37th Street on the South, and South Princeton Avenue on the West.

---

### *Action Deferred*—ON PROPOSED ORDINANCE TO APPROVE DETERMINATION OF DEPARTMENT OF URBAN RENEWAL TO ACQUIRE LAND DESIGNATED AS SLUM AND BLIGHTED AREA PROJECT 45TH-ASHLAND.

The Committee on Planning and Housing submitted the following report, which was, on motion of Alderman Wigoda, *Deferred* and ordered published:

CHICAGO, March 24, 1970.

*To the President and Members of the City Council:*

Your Committee on Planning and Housing, having had under consideration, a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred on February 25, 1970) to approve the determination of the Department of Urban Renewal to acquire the land designated therein as Slum and Blighted Area Project 45th-Ashland, as approved by the Department by Resolution No. 70-DUR-24, adopted on February 11, 1970, a certified copy of which is attached to the ordinance, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) PAUL T. WIGODA,
*Vice-Chairman.*

The proposed ordinance transmitted with the foregoing committee report reads as follows:

ORDINANCE

Approving the Determination of the Department of Urban Renewal that the area known as 45th-Ashland is Slum and Blighted and should be Acquired for Redevelopment.

*Whereas,* The Urban Renewal Consolidation Act of 1961, Illinois Revised Statutes, 1969, Chapter 67½, Section 91.101 et seq., hereinafter referred to as the "Act" authorizes a Department of Urban Renewal, hereinafter referred to as the "Department" with Federal, State and City grant funds, to provide for the eradication and redevelopment of slum and blighted areas; and

*Whereas,* The Department has made a study of a tract of land on the South side of the City of Chicago, said area being hereinafter more fully described and found that the area is a Slum and Blighted Area of not less in the aggregate than two (2) acres where buildings or improvements, by reason of dilapidation, obsolescence, overcrowding, faulty arrangement or design, lack of ventilation, light and sanitary facilities, excessive land coverage, deleterious land use or layout, or any combination of these factors, are detrimental to the public safety, health, morals or welfare; and

*Whereas,* Redevelopment of said area will be in accordance with the redevelopment plan or plans to be approved by the Department and the City Council of the City of Chicago, and in accordance with the Neighborhood Development Program; and

*Whereas,* Section 91.111 of the Act provides that whenever a Department determines that a particular slum or blighted area, as defined in said Act, should be acquired pursuant to the provisions of said Act, such determination shall be evidenced by a resolution adopted by the Department, and a certified copy thereof shall be delivered to the governing body of the municipality in which the area is situated; and

*Whereas,* The Department has by Resolution No. 70-DUR-24, adopted February 11, 1970, a certified copy of which has been delivered to the City Council of the City of Chicago, determined that said area should be acquired pursuant to the provisions of the act, and has designated said area as Slum and Blighted Area Redevelopment Project 45th-Ashland; and

*Whereas,* The Department desires to obtain the approval by the City Council of its determination to acquire the aforesaid area in accordance with the provisions of the Act, and the City Council desires to give such approval, all to the end that the eradication and redevelopment of slum and blighted areas may proceed; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

*Section 1.* Having been advised that the Department of Urban Renewal found that the area hereinafter referred to in Section 2 of this Ordinance as Slum and Blighted Area Redevelopment Project 45th-Ashland is a Slum and Blighted Area and has determined that said area should be acquired pursuant to the provisions of the Urban Renewal Consolidation Act of 1961, such determination having been evidenced by a Resolution adopted by said Department, a certified copy of which has been delivered to the City Council, and the City Council having been advised by the Department of Urban Renewal that it desires to acquire said area for slum clearance and redevelopment, the City Council hereby approves said determination of the Department of Urban Renewal to acquire the area herein designated as Slum and Blighted Area Redevelopment Project 45th-Ashland for slum clearance and redevelopment in accordance with the provisions of the Act.

*Section 2.* The area to be acquired by the Department of Urban Renewal, pursuant to the approval of the City Council hereinabove conferred in Section 1 of this Ordinance has been designated as Slum and Blighted Area Redevelopment Project 45th-Ashland, and is described as follows:

A tract of land located in the Southwest ¼ and West ½ of Section 5 and Southeast ¼ of East ½ of Section 6, Township 38 North, Range 14, East of the Third Principal Meridian in the City of Chicago, County of Cook, State of Illinois, and described as follows:

Beginning at the intersection of the Center line of South Loomis Street and the Center line of West 45th Street; thence South along the Center line of South Loomis to its intersection with the Center line of West 46th Street; thence West along the Center line of West 46th Street to its intersection with the Center line of South Bishop Street; thence South along the Center line of South Bishop Street to its intersection with the Center line of West 47th Street; thence West along the Center line of West 47th Street to its intersection with the Center line of South Ashland Avenue; thence North along the Center line of South Ashland Avenue to its intersection with the Center line of West 46th Street; thence West along the Center line of West 46th Street to its intersection with the West line of the North-South alley next West of South Ashland Avenue; thence North along the West line of the said North-South alley to its intersection with the Center line of West 45th Street; thence East along the Center line of West 45th Street to the point of beginning;

all as shown on the map attached hereto and made a part hereof.

*Section 3.* This ordinance shall be effective upon its passage.

### *Action Deferred*—ON PROPOSED ORDINANCE TO APPROVE REDEVELOPMENT PLAN AND FEASIBILITY OF RELOCATION FOR NEIGHBORHOOD DEVELOPMENT PROJECT 45TH-ASHLAND.

The Committee on Planning and Housing submitted the following report, which was, on motion of Alderman Wigoda, *Deferred* and ordered published:

CHICAGO, March 24, 1970.

*To the President and Members of the City Council:*

Your Committee on Planning and Housing, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred on February 25, 1970) to approve Redevelopment Plan and Feasibility of Relocation for Neighborhood Development Project 45th-Ashland, which Redevelopment Plan was approved by the Department of Urban Renewal by Resolution No. 70-DUR-25, adopted on February 11, 1970, a certified copy of which is attached to the ordinance; and for a determination that Federal financial assistance is necessary to enable the Project to be undertaken in accordance with the Redevelopment Plan and the Neighborhood Development Program, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) PAUL T. WIGODA,
*Vice-Chairman.*

The proposed ordinance transmitted with the foregoing committee report reads as follows:

ORDINANCE

Approving the Redevelopment Plan and Feasibility of Relocation for Project 45th-Ashland.

*Whereas,* Under the provisions of Title I of the Housing Act of 1949, as amended, the Department of Housing and Urban Development is authorized to provide financial assistance to Local Public Agencies for undertaking and carrying out urban renewal Neighborhood Development Program projects; and

*Whereas,* It is provided in such Act that contracts for financial aid thereunder require that a Redevelopment Plan for the respective project area be approved by the governing body of the locality in which the project is situated and that such approval include findings by the governing body that; (1) the financial aid to be provided in the contract is necessary to enable the project to be undertaken in accordance with the Redevelopment Plan; (2) the Redevelopment Plan will afford maximum opportunity, consistent with the sound needs of the locality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise; (3) the Redevelopment Plan conforms to a general plan for the development of the locality as a whole; and (4) the Redevelopment Plan gives due consideration to the provision of adequate park and recreational areas and facilities, as may be desirable for neighborhood improvements, with special consideration for the health, safety, and welfare of children residing in the general vicinity of the site covered by the Plan; and

*Whereas,* It is desirable and in public interest that the City of Chicago (herein called the "Local Public Agency") undertake and carry out the Redevelopment Project (herein called the "Project") identified as Project 45th-Ashland, and legally described as:

A tract of land located in the Southwest ¼ and West ½ of Section 5 and Southeast ¼ of East ½ of Section 6, Township 38 North, Range 14, East of the Third Principal Meridian in the City of Chicago, County of Cook, State of Illinois, and described as follows:

Beginning at the intersection of the Center line of South Loomis Street and the Center line of West 45th Street; thence South along the Center line of South Loomis to its intersection with the Center line of West 46th Street; thence West along the Center line of West 46th Street to its intersection with the Center line of South Bishop Street; thence South along the Center line of South Bishop Street to its intersection with the Center line of West 47th Street; thence West along the Center line of West 47th Street to its intersection with the Center line of South Ashland Avenue; thence North along the Center line of South Ashland Avenue to its intersection with the Center line of West 46th Street; thence West along the Center line of West 46th Street to its intersection with the West line of the North-South alley next West of South Ashland Avenue; thence North along the West line of the said North-South alley to its intersection with the Center line of West 45th Street; thence East along the Center line of West 45th Street to the point of beginning.

*Whereas,* The Local Public Agency has applied for financial assistance under such Act and proposes to enter into a contract or contracts with the Department of Housing and Urban Development for the undertaking of, and for making available financial assistant for the Project; and

*Whereas,* The Local Public Agency has made detailed studies of the location, physical condition of structures, land use, environmental influences, and social, cultural, and economic conditions of the Project area and has determined that the area is a Slum and Blighted Area and that it is detrimental and a menace to the safety, health, and welfare of the inhabitants and users thereof, and of the Locality at large, because of the dilapidation, obsolescence and overcrowding of structures in the area, and the members of this Governing Body have been fully apprised and are aware of these facts and conditions; and

*Whereas,* There has been prepared and referred to the City Council of the Locality (herein called the "Governing Body") for review and approval a Redevelopment Plan for the Project area dated February, 1970 and consisting of a narrative description and exhibits; and

*Whereas,* The Project area, which is predominantly residential in character, is to be redeveloped for residential, commercial and light industrial uses under the Redevelopment Plan; and

*Whereas,* The Redevelopment Plan has been approved by the Department of Urban Renewal is evidenced by the copy of said body's duly certified resolution approving the Redevelopment Plan which is attached thereto; and

*Whereas,* A general plan has been prepared and is recognized and used as a guide for general development of the Locality as a whole; and

*Whereas,* The Redevelopment Plan for the Project area prescribes certain land uses for the Project area and will require, among other things, changes in zoning, the vacating and removal of streets, alleys, and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public action; and

*Whereas,* The Local Public Agency has prepared and submitted a program for the relocation of individuals and families that may be displaced as a result of carrying out the Project in accordance with the Redevelopment Plan; and

*Whereas,* There has also been presented to the Governing Body information and data respecting the relocation program which has been prepared by the Local Public Agency as a result of studies, surveys and inspections in the Project area and the assembling and analysis of the data and information obtained from such studies, surveys, and inspections; and

*Whereas,* The members of the Governing Body have general knowledge of the conditions prevailing in the Project area and of the availability of proper housing in the Locality for the relocation of individuals and families that may be displaced from the Project area and, in the light of such knowledge of local housing conditions, have carefully considered and reviewed such proposals for relocation; and

*Whereas,* It is necessary that the Governing Body take appropriate official action respecting the relocation program and the Redevelopment Plan for the Project, in conformity with the contract for financial assistance between the Local Public Agency and the United States of America, acting by and through the Department of Housing and Urban Development; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

*Section 1.* That it is hereby found and determined that the Project is a Slum and Blighted area and qualifies as a neligible Project Area under Section 91.101 to 91.136 of Chap. 67½ of the Ill. Rev. Stats. (1967).

*Section 2.* That the Redevelopment Plan for the Project, having been duly reviewed and considered, is hereby approved, and the City Clerk be, and is hereby directed to file said copy of the Redevelopment Plan with the minutes of this meeting.

*Section 3.* That it is hereby found and determined that the objectives of the Redevelopment Plan cannot be achieved through more extensive rehabilitation of the Project Area.

*Section 4.* That it is hereby found and determined that the Redevelopment Plan for the Project Area conforms to the general plan of the Locality.

*Section 5.* That it is hereby found and determined that the financial aid to be provided pursuant to the contract for Federal financial assistance pertaining to the Project is necessary to enable the Project to be undertaken in accordance with the Redevelopment Plan and the Neighborhood Development Program for the Project Area.

*Section 6.* That the redevelopment of the Redevelopment Area for predominantly residential and commercial uses is necessary for the proper development of the community.

*Section 7.* That it is hereby found and determined that the Redevelopment Plan for the Urban Renewal Area will afford maximum opportunity, consistent with the sound needs of the Locality as a whole, for the urban renewal of the Area by private enterprise.

*Section 8.* That it is hereby found and determined that the Redevelopment Plan for the Urban Renewal Area gives due consideration to the provision of adequate park and recreational areas and facilities, as may be desirable for neighborhood improvement, with special consideration for the health, safety, and welfare of children residing in the general vicinity of the site covered by the Plan.

*Section 9.* That it is hereby found and determined that the program for the proper relocation of individuals and families displaced in carrying out the Project in decent, safe, and sanitary dwellings in conformity with acceptable standards is feasible and can be reasonably and timely effected to permit the proper prosecution and completion of the Project; and that such dwellings or dwelling units available or to be made available to such displaced individuals and families are at least equal in number to the number of displaced individuals and families, are not generally less desirable in regards to public utilities and public and commercial facilities than the dwellings of the displaced individuals and families in the Project Area, are available at rents or prices within the financial means of the displaced individuals and families, and are reasonably accessible to their places of employment.

*Section 10.* That, in order to implement and facilitate the effectuation of the Redevelopment Plan hereby approved, it is found and determined that certain official action must be taken by this Body with reference, among other things, to changes in zoning, the vacating and removal of streets, alleys, and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public action and, accordingly, this Body hereby (a) pledges its cooperation in helping to carry out the Plan; (b) requests the various officials, departments, boards, and agencies of the locality having administrative responsibilities in the premises likewise to cooperate to such end and to exercise their respective functions and powers in a manner consistent with the Redevelopment Plan; and (c) stands ready to consider and take appropriate action upon proposals and measures designed to effectuate the Plan.

*Section 11.* That financial assistance under the provisions of Title I of the Housing Act of 1949, as amended, is necessary to enable the land in the Project Area to be renewed in accordance with the Redevelopment Plan and the Neighborhood Development Program for the Project Area and, accordingly, the filing by the Local Public Agency of an application or applications for such financial assistance under Title I is hereby approved.

*Section 12.* This ordinance shall be effective upon its passage and approval.

---

### *Action Deferred*—ON PROPOSED ORDINANCE TO APPROVE SALE OF CERTAIN LAND IN SLUM AND BLIGHTED AREA REDEVELOPMENT PROJECT 79TH-NORMAL.

The Committee on Planning and Housing submitted the following report, which was, on motion of Alderman Wigoda, *Deferred* and ordered published:

CHICAGO, March 24, 1970.

*To the President and Members of the City Council:*

Your Committee on Planning and Housing, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred on December 16, 1969) to approve the sale of certain land in Slum and Blighted Area Redevelopment Project 79th-Normal, as approved by the Department of Urban Renewal by Resolution No. 69-DUR-149, adopted on November 18, 1969, a certified copy of which is attached to the ordinance, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) PAUL T. WIGODA,
*Vice-Chairman.*

The proposed ordinance transmitted with the foregoing committee report reads as follows:

ORDINANCE
To Approve Sale of Certain Land in
Slum and Blighted Area Redevelopment
Project 79th-Normal.

*Whereas,* The Redevelopment Plan for Slum and Blighted Area Redevelopment Project 79th-Normal and the Land Disposition Plan for said Project, heretofore have been approved by the City Council of the City of Chicago; and

*Whereas,* The Department of Urban Renewal has proceeded in accordance therewith to offer for sale land in the Project for private redevelopment, in accordance with said Redevelopment Plan; and

*Whereas,* The Department proposes to accept an offer to purchase a certain parcel of land, as shown on the map in the Department's file entitled "Disposition Parcel Map, Slum and Blighted Area Project 79th-Normal" and as set forth in Resolution No. 69-DUR-140, adopted by the Department on November 18, 1969, and further has submitted herewith the said proposed sale to the City Council of the City of Chicago for its approval; and

*Whereas,* In the opinion of the Department of Urban Renewal, the offer represents the fair value at which such land should be sold for the uses provided in the Redevelopment Plan for such Project; and

*Whereas,* Section 26 of the Urban Renewal Consolidation Act of 1961 provides that the sale of any real property by a Department of Urban Renewal where required to be for a monetary consideration, except public sales as provided in Section 18, shall be subject to the approval of the governing body of the municipality in which the real property is located; and

*Whereas,* The City Council has considered the said Resolution and the proposed sale of said parcel of land as provided therein, and it is the sense of the City Council that the sale is satisfactory and and should be approved; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

*Section 1.* That the sale proposed by the Department of Urban Renewal of a parcel of land in Slum and Blighted Area Redevelopment Project 79th-Normal is hereby approved as follows:

| *Purchaser* | *Parcel* | *Sq. Ft. Area* | *Sq. Ft. Price* | *Total* |
|---|---|---|---|---|
| Winneconna Park Associates | 2 | 41,704.2 | $.76 | $31,696.19 |

subject to adjustment of the square footage and total price upon an actual survey secured by the Department of Urban Renewal.

*Section 2.* This ordinance shall be effective upon its passage and approval.

---

## *Action Deferred*—ON PROPOSED ORDINANCE TO APPROVE SALE OF CERTAIN LAND IN URBAN RENEWAL PROJECT HYDE PARK-KENWOOD.

The Committee on Planning and Housing submitted the following report, which was, on motion of Alderman Wigoda, *Deferred* and ordered published:

CHICAGO, March 24, 1970.

*To the President and Members of the City Council:*

Your Committee on Planning and Housing, having had under consideration a proposed ordinance transmitted with a communication signed by Honorable Richard J. Daley, Mayor (referred on February 25, 1970) to approve the sale of certain land in Urban Renewal Project Hyde Park-Kenwood, as approved by the Department of Urban Renewal by Resolution No. 70-DUR-19, adopted on February 11, 1970, a certified copy of which is attached to the ordinance, begs leave to recommend that Your Honorable Body pass the said proposed ordinance, which is transmitted herewith.

This recommendation was concurred in by 7 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) PAUL T. WIGODA,
*Vice-Chairman.*

The proposed ordinance transmitted with the foregoing committee report reads as follows:

ORDINANCE
To Approve Sale of Certain
Land in Urban Renewal
Project Hyde Park-Kenwood.

*Whereas,* The Urban Renewal Plan for Urban Renewal Project Hyde Park-Kenwood heretofore has been approved by the Department of Urban Renewal, and by the City Council of the City of Chicago; and

*Whereas,* The Department proposes to accept an offer to purchase a certain parcel of land, made by the Hyde Park Federal Savings and Loan Association of Chicago as set forth in Resolution No. 70-DUR-19, adopted by the Department on February 11, 1970 and, further, has submitted herewith the said proposed offer to the City Council of the City of Chicago for its approval; and

*Whereas,* Section 26 of the Urban Renewal Consolidation Act of 1961 provides that the sale of any real property by a Department of Urban Renewal, where required to be for a monetary consideration, except public sales as provided in Section 18 of said Act, shall be subject to the approval of the governing body of the municipality in which the real property is located; and

*Whereas,* The City Council has considered the said Resolution and the proposed sale of said parcel of land as provided therein, and it is the sense of the City Council that the sale is satisfactory and should be approved; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

*Section 1.* That the sale proposed by the Department of Urban Renewal of a certain parcel of land in Urban Renewal Project Hyde Park-Kenwood is hereby approved as follows:

| *Purchaser* | *Parcel* | *Sq. Ft.* | *Price Per Sq. Ft.* | *Total* |
|---|---|---|---|---|
| Hyde Park Federal Savings And Loan Association of Chicago | C-13 | 2,715.4 | $2.07 | $5,620.88 |

provided said figures are subject to adjustment upon the actual survey and determination of the square footage of said parcel.

*Section 2.* This ordinance shall be effective upon its passage and approval.

# MATTERS PRESENTED BY THE ALDERMEN

**(Presented by Wards, in Order, Beginning with the Fiftieth Ward).**

**Arranged under the following subheadings:**

1. **Traffic Regulations, Traffic Signs and Traffic-Control Devices.**
2. **Zoning Ordinance Amendments.**
3. **Claims.**
4. **Unclassified Matters (arranged in order according to Ward numbers).**
5. **Free Permits, License Fee Exemptions, Cancellation of Warrants for Collection and Water Rate Exemptions, Etc.**

*Proposed ordinances, orders and resolutions, described below, were presented by the aldermen named, as noted. Except where otherwise noted or indicated hereinbelow, unanimous consent was given to permit action by the City Council on each of said proposed ordinances, orders and resolutions without previous committee consideration, in accordance with the provisions of Council Rule 43.*

## 1. TRAFFIC REGULATIONS, TRAFFIC SIGNS AND TRAFFIC-CONTROL DEVICES.

### *Referred*—Proposed Order for Removal of Parking Meters at Specified Location.

Alderman McCutcheon (43rd Ward) presented a proposed order for the removal of parking meters on E. Division Street between Lake Shore Drive on the east and the driveway of No. 1200 N. Lake Shore Drive on the west; which was *Referred to the Committee on Traffic and Public Safety.*

### *Referred*—Proposed Order for Removal of Parking Meters at No. 2915 N. Milwaukee Av. and for Establishment of Loading Zone.

Alderman Brandt (33rd Ward) presented a proposed order for the removal of two parking meters in front of the premises at No. 2915 N. Milwaukee Avenue and to establish a loading zone in lieu thereof; which was *Referred to the Committee on Traffic and Public Safety.*

### *Referred*—Proposed Ordinance to Increase Parking-Meter Fees for Vehicles on Portion of E. Lake Shore Dr.

Alderman Cullerton (38th Ward) presented a proposed ordinance to amend the ordinance fixing a fee of ten cents for each half-hour of time limitation established in the parking-meter zones on both sides of E. Lake Shore Drive between N. Michigan Avenue and the north-south routing of Lake Shore Drive by striking therefrom the words "ten cents" and inserting in lieu thereof "twenty-five cents"; which was *Referred to the Committee on Traffic and Public Safety.*

### *Referred*—Proposed Ordinances to Prohibit at All Times Parking of Vehicles at Specified Locations.

The aldermen named below presented proposed ordinances to prohibit at all times the parking of vehicles at the locations designated, for the distances specified, which were *Referred to the Committee on Traffic and Public Safety,* as follows:

| *Alderman* | *Location and Distance* |
|---|---|
| Staszcuk (13th Ward) | S. Western Avenue (west side) between W. 76th and W. 77th Streets |
| Kuta (23rd Ward) | S. Pulaski Road (west side) between W. 54th and W. 55th Streets (trucks only) |
| Sain (27th Ward) | W. Adams Street (south side) between a point 81 feet west of S. Morgan Street and a point 119 feet west thereof |
| | W. Carroll Avenue (north side) between a point 50 feet west of N. Loomis Street and a point 105 feet west thereof |
| | N. Justine Street (east side) between W. Fulton Street and a point 110 feet south thereof |
| Biggs (29th Ward) | S. Pulaski Road, at No. 1522 |
| | W. Roosevelt Road, at No. 4134 |
| Laskowski (35th Ward) | N. Cicero Avenue, at No. 3100 |
| | N. Kostner Avenue (both sides) between W. Diversey Avenue and the first alleys north and south thereof |

| *Alderman* | *Location and Distance* |
|---|---|
| Laurino<br>(39th Ward | N. Karlov Avenue (west side) between N. Kedvale Avenue and a point 70 feet north thereof<br>N. Kedvale Avenue (east side) between N. Kennicott Avenue and a point 60 feet north thereof |
| Scholl<br>(41st Ward)<br>and<br>Fifielski<br>(45th Ward) | N. Central Avenue (both sides) between N. Milwaukee Avenue and the Chicago and North Western Railway right of way south thereof<br>W. Foster Avenue (both sides) between N. Milwaukee Avenue and the Chicago and North Western Railway right of way west thereof |
| Singer<br>(44th Ward) | W. St. James Place (south side) between N. Lakeview Avenue and a point 260 feet west thereof<br>N. Halsted Street, at No. 2925 —30 feet |
| Fifielski<br>(45th Ward) | N. Northwest Highway (both sides) between W. Foster and N. Central Avenues<br>W. Argyle Street (south side) between a point 324 feet west of N. Lockwood Avenue and a point 55 feet west thereof. |

### *Referred*—PROPOSED ORDINANCE TO DISCONTINUE PROHIBITION AGAINST PARKING OF VEHICLES AT ALL TIMES AT NO. 6332 S. MARYLAND AV.

Alderman Despres (5th Ward) presented a proposed ordinance to discontinue the prohibition against the parking of vehicles at all times at No. 6332 S. Maryland Avenue; which was *Referred to the Committee on Traffic and Public Safety.*

### *Referred*—PROPOSED ORDINANCE TO DECREASE AREA OF PARKING PROHIBITION AT ALL TIMES ON PORTION OF N. HERMITAGE AV.

Alderman Brandt (for Alderman Gabinski, 32nd Ward) presented a proposed ordinance to decrease the area for the prohibition of the parking of vehicles at all times on the east side of N. Hermitage Avenue between W. Armitage Avenue and a point 140 feet south thereof (instead of both sides of N. Hermitage Avenue between W. Armitage Avenue and a point 140 feet south thereof), which was *Referred to the Committee on Traffic and Public Safety.*

### *Referred*—PROPOSED ORDINANCE TO CHANGE AREA OF PARKING PROHIBITION AT ALL TIMES AT NO. 5454 N. WOLCOTT AV.

Alderman Sperling (50th Ward) presented a proposed ordinance to change the area for the prohibition of the parking of vehicles at all times at No. 5454 N. Wolcott Avenue for a distance of 40 feet (instead of 30 feet); which was *Referred to the Committee on Traffic and Public Safety.*

### *Referred*—PROPOSED ORDINANCES TO PROHIBIT PARKING OF VEHICLES DURING SPECIFIED HOURS AT SPECIFIED LOCATIONS.

The aldermen named below presented proposed ordinances to prohibit the parking of vehicles, during the hours designated, at the locations specified, which were *Referred to the Committee on Traffic and Public Safety,* as follows:

| *Alderman* | *Location, Distance and Time* |
|---|---|
| Cousins<br>(8th Ward) | S. Dorchester Avenue, at No. 7445—45 feet—11:00 A.M. to 5:00 P.M. (except on Tuesdays through Sundays) |
| Kuta<br>(23rd Ward) | S. Pulaski Road (both sides) between W. 31st and W. 32nd Streets — 7:00 A.M. to 9:00 A.M. and 4:00 P.M. to 6:00 P.M. |
| Brandt<br>(33rd Ward) | N. Kimball Avenue (east side) between W. Belmont Avenue and a point 200 feet north thereof — 7:00 A.M. to 9:00 A.M. and 4:00 P.M. to 6:00 P.M.<br>W. Belmont Avenue (south side) between N. Elston Avenue and a point 200 feet west thereof—7:00 A.M. to 9:00 A.M. (except on Saturdays, Sundays and holidays)<br>N. California Avenue (east side) between N. Elston Avenue and a point 200 feet south thereof —4:00 P.M. to 6:00 P.M. (except on Saturdays, Sundays and holidays) |
| Sperling<br>(50th Ward) | N. California Avenue, at No. 6335 —8:30 A.M. to 2:30 P.M. (except on Saturdays, Sundays and holidays). |

### *Referred*—PROPOSED ORDINANCES TO LIMIT AT ALL TIMES PARKING OF VEHICLES AT SPECIFIED LOCATIONS.

The aldermen named below presented proposed ordinances to limit at all times the parking of vehicles at the locations designated, to the periods specified, which were *Referred to the Committee on Traffic and Public Safety,* as follows:

| *Alderman* | *Location, Distance and Time* |
|---|---|
| Bohling<br>(7th Ward) | S. Stony Island Avenue, at No. 7229—one hour |
| Marzullo<br>(25th Ward) | S. Western Avenue, at Nos. 2415-2421—fifteen minutes. |

### *Referred*—PROPOSED ORDINANCE TO DISCONTINUE LIMITATION ON PARKING OF VEHICLES ON PORTION OF W. LAKE ST.

Alderman Casey (37th Ward) presented a proposed ordinance to discontinue the limitation on parking of vehicles for one hour on W. Lake Street (north side) between N. Central and N. Pine Avenues; which was *Referred to the Committee on Traffic and Public Safety.*

### *Referred*—Proposed Ordinances to Limit Parking of Vehicles during Specified Hours at Specified Locations.

Alderman Scholl (41st Ward) presented two proposed ordinances to limit the parking of vehicles to the periods specified, during the hours designated, at the locations specified, which were *Referred to the Committee on Traffic and Public Safety,* as follows:

N. Neva Avenue (east side) between W. Higgins Road and the first alley south thereof—one hour —8:00 A.M. to 6:00 P.M.

W. Haft Street (north side) between N. Milwaukee and N. Nagle Avenues—one hour—8:00 A.M. to 4:00 P.M.

### *Referred*—Proposed Ordinance to Permit Diagonal Parking of Vehicles on Portion of N. Normandy Av.

Alderman Jambrone (for Alderman Aiello, 36th Ward) presented a proposed ordinance to permit diagonal parking of vehicles on the east side of N. Normandy Avenue between W. Fullerton Avenue and the north property line of the premises as No. 2401 N. Normandy Avenue; which was *Referred to the Committee on Traffic and Public Safety.*

### *Referred*—Proposed Ordinances to Establish Loading Zones at Sundry Locations.

The aldermen named below presented proposed ordinances to establish loading zones at the locations designated, for the distances specified, and for limited periods where so indicated, which were *Referred to the Committee on Traffic and Public Safety,* as follows:

| *Alderman* | *Location, Distance and Time* |
|---|---|
| Shannon (17th Ward) | W. 76th Street (south side) between S. Yale Avenue and a point 100 feet east thereof |
| Sain (27th Ward) | W. Randolph Street (south side) between N. Jefferson and N. Clinton Streets |
| Brandt (33rd Ward) | N. Talman Avenue, at Nos. 2800-2834 |
| | N. Milwaukee Avenue, at No. 2925 |
| Laskowski (35th Ward) | W. Barry Avenue (north side) between a point 20 feet west of the west property line of N. Cicero Avenue and a point 30 feet west thereof—9:00 A.M. to 5:00 P.M. (except on Saturdays, Sundays and holidays) |
| McCutcheon (43rd Ward) | W. Webster Avenue, at No. 1503 —50 feet—9:00 A.M. to 4:00 P.M. |
| Singer (44th Ward) | N. Lincoln Avenue, at No. 2735 —40 feet—8:00 A.M. to 6:00 P.M. (except on Saturdays and Sundays) |
| | N. Lincoln Avenue, at No. 3027 —30 feet—9:00 A.M. to 5:00 P.M. (except on Saturdays and Sundays) |
| Kerwin (46th Ward) | N. Clark Street, at Nos. 3405-3407-3409 |
| | W. Addison Street, at Nos. 953-955. |

### *Referred*—Proposed Ordinances to Restrict Movement of Vehicular Traffic to Single Directions on Specified Public Ways

The aldermen named below presented proposed ordinances to restrict the movement of vehicular traffic to the direction indicated in each case, on specified public ways, which were *Referred to the Committee on Traffic and Public Safety,* as follows:

| *Alderman* | *Street, Distance and Direction* |
|---|---|
| Staszcuk (13th Ward) | W. 69th Place between S. Damen and S. Hamilton Avenues—westerly |
| Sheridan (16th Ward) | W. 60th Street between S. Halsted Street and S. Damen Avenue—westerly |
| | W. 61st Street between S. Damen Avenue and S. Halsted Street—easterly |
| | W. 70th Street between S. Ashland Avenue and S. Morgan Street—easterly |
| | W. 68th Street between S. Ashland Avenue and S. Morgan Street—westerly |
| Shannon (17th Ward) | S. Perry Avenue between W. 69th and W. 70th Streets—southerly. |

### *Referred*—Proposed Ordinances to Discontinue Restriction of Movement of Vehicular Traffic to Single Directions on Specified Public Ways.

Alderman Singer (44th Ward) presented two proposed ordinances to discontinue the restriction of movement of vehicular traffic to single directions on specified public ways, which were *Referred to the Committee on Traffic and Public Safety,* as follows:

W. St. James Place between N. Lakeview Avenue and a point 260 feet west thereof—easterly

W. Diversey Parkway between N. Sheridan Road and N. Commonwealth Avenue—westerly.

### *Referred*—Proposed Order for Survey to Restrict Movement of Vehicular Traffic to Single Direction on Portion of N. Overhill Av.

Alderman Cullerton (38th Ward) presented a proposed order for a survey to restrict the movement of vehicular traffic to a single direction on N. Overhill Avenue between W. Addison Street and W. Belmont Avenue, which was *Referred to the Committee on Traffic and Public Safety.*

### *Referred*—Proposed Ordinance to Change Area for Movement of Vehicular Traffic to Single Direction on Portion of W. Cullom Av.

Alderman Laurino (39th Ward) presented a proposed ordinance to restrict the movement of vehicular traffic to an easterly direction on W. Cullom Avenue between N. Kostner and N. Keystone Avenues (instead of between N. Kostner Avenue and N. Pulaski Road); which was *referred to the Committee on Traffic and Public Safety.*

### *Referred*—Proposed Ordinance to Designate Portions of S. Yates and S. Oglesby Aves. as Service Drives.

Alderman Buchanan (10th Ward) presented a proposed ordinance to designate S. Yates Avenue (both sides) between E. 100th Street and the first alley south thereof and S. Oglesby Avenue (both sides) between E. 100th Street and the first alley south thereof as service drives; which was *Referred to the Committee on Traffic and Public Safety.*

*Referred*—PROPOSED ORDERS FOR INSTALLATIONS OF TRAFFIC SIGNS.

The aldermen named below presented proposed orders for installations of traffic signs, of the nature indicated and at the locations specified, which were *Referred to the Committee on Traffic and Public Safety,* as follows:

| *Alderman* | *Location and Type of Sign* |
|---|---|
| Sheridan (16th Ward) | W. 62nd and S. Wood Streets—"Stop" |
| | W. 66th and S. Wood Streets—"Stop" |

## 4. UNCLASSIFIED MATTERS

### (Arranged in Order According to Ward Numbers).

***Proposed ordinances, orders and resolutions were presented by the aldermen named below, respectively, and were acted upon by the City Council in each case in the manner noted, as follows:***

### Presented by ALDERMAN ROTI (1st Ward):

### Drafting of Ordinance for Closing to Traffic Portion of S. May St. Directed.

A proposed order reading as follows:

*Ordered,* That the Commissioner of Public Works is hereby directed to prepare an ordinance providing for closing all that part of S. May Street to vehicular traffic lying between a line 73.85 feet south of and parallel with the north line of vacated W. 11th Street extended west and a line 40 feet south of and parallel with said described line, also providing for opening for pedestrian use only a strip of land 20 feet in width on the East side of S. May Street lying within the Easterly extension of the above referred to part of S. May Street to be closed to vehicular traffic, and providing for opening 20 feet of additional right of way for turn-around purposes on the East side of S. May Street between the north line of vacated W. 11th Street and a line 73.85 feet south of and parallel thereto and between a line 113.85 feet south of and parallel with the said north line of vacated W. 11th Street and a line 73.85 feet south of and parallel with said line, for the City of Chicago (Department of Urban Renewal) Project Near West Side; said ordinance to be transmitted to the Committee on Local Industries, Streets and Alleys for consideration and recommendation to the City Council.

On motion of Alderman Roti said proposed order was *Passed.*

*Referred*—PROPOSED ORDERS FOR ERECTION OF ILLUMINATED SIGNS.

Also two proposed orders for issuance of permits to erect illuminated signs at specified locations, which were *Referred to the Committee on Buildings and Zoning,* as follows:

Standard Oil Company (Ahern Sign Company), No. 50 W. Congress Parkway;

Standard Oil Company (Ahern Sign Company), No. 51 W. Congress Parkway.

*Referred*—PROPOSED ORDINANCES FOR GRANTS OF PRIVILEGES IN PUBLIC WAYS.

Also three proposed ordinances for grants of privileges in public ways, which were *Referred to the Committee on Local Industries, Streets and Alleys,* as follows:

The Drexel Ice Cream Company: to maintain and use an existing 2-inch galvanized-iron conduit under and across S. Shields Avenue at a point 28 feet south of the south line of W. 30th Street connecting the premises of the grantee located on both sides of S. Shields Avenue;

Motor Club Service Corp.: to maintain and use an existing one-story covered bridge or passageway over and across the 24-foot public alley between N. Wabash Avenue and N. Michigan Avenue, connecting the second floor of the building located at No. 66 E. South Water Street with the fourth floor of the building located at Nos. 300-308 N. Michigan Avenue;

The Server Company: to maintain and use an existing vault under the surface of the north-south 20-foot public alley west of N. Michigan Avenue from a point 65 feet south of E. Lake Street southward a distance of 32 feet, used in connection with the premises known as No. 180 N. Michigan Avenue.

---

### Presented by ALDERMAN HUBBARD (2nd Ward) and OTHERS:

### Congratulations Extended to Dr. Theodore Kenneth Lawless for His Work in Field of Dermatology, Etc.

A proposed resolution (presented by Aldermen Hubbard, Metcalfe, Holman, Cousins, Shannon, Campbell, Frost, Collins and Biggs) reading as follows:

WHEREAS, Dr. Theodore Kenneth Lawless, one of the leading citizens of the City of Chicago, is to be honored by the Committee for Community Assistance for Secondary Education in Israel at a dinner at the Sheraton-Chicago on April 5th, 1970; and

WHEREAS, Dr. Lawless, a world-renowned dermatologist, in addition to all of his other manifold humanitarian activities, has a clinic in Tel Aviv, Israel, as part of the Bielinson Hospital complex, which is the largest clinic of its kind in the Middle East and is called the Dr. T. K. Lawless Dermatology Department; and

WHEREAS, The Committee for Community Assistance for Secondary Education in Israel intends to establish a Dr. T. K. Lawless Scholarship Fund for needy students in Israel; and

WHEREAS, Dr. Theodore K. Lawless was born in Thibodeau, Louisiana, on December 6th, 1892; and

WHEREAS, Dr. Lawless left Louisiana a sharecropper at the age of fourteen years, and through arduous application and uncommon personal strength eventually overcame many obstacles befalling a black doctor to become a pioneer in the field of dermatology; and

WHEREAS, Following his education in many of the greatest medical colleges and universities in the United States and Europe, Dr. Lawless began his practice in the City of Chicago in 1924, and has maintained that practice through many years of great accomplishment in medical as well as civic affairs; and

WHEREAS, Dr. Lawless, throughout his illustrous career, has received international recognition as one of the world's leading dermatologists and humanitarians; now, therefore,

*Be It Resolved, by the Mayor and the Members of the City Council of the City of Chicago,* That the people of the City of Chicago express their heartfelt thanks to Dr. Theodore Kenneth Lawless for his tireless and devoted years of service on behalf of mankind, regardless of race, creed or national origin; and

*Be It Further Resolved,* That the Mayor and members of the City Council extend to Dr. Lawless sincere congratulations on the just and fitting honor to be be bestowed upon him by the Committee for Community Assistance for Secondary Education in Israel.

Alderman Hubbard moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon said proposed resolution. The motion *Prevailed.*

On motion of Alderman Hubbard said proposed resolution was *Adopted.*

---

### Presented by
### ALDERMAN DESPRES (5th Ward):

*Referred*—PROPOSED ORDER TO CLOSE TO TRAFFIC PORTIONS OF E. 64TH ST. AND S. UNIVERSITY AV.

A proposed order to direct the Commissioner of Streets and Sanitation to grant permission to James Wadsworth Upper Grade Center School, Nos. 6420-6434 S. University Avenue, to close to traffic E. 64th Street between S. Woodlawn and S. University Avenues and S. University Avenue between E. 64th and E. 65th Streets from 10:45 A.M. to 1:00 P.M. daily, Mondays through Fridays, except on holidays, to the end of the current school year, for recreational purposes only.—*Referred to the Committee on Traffic and Public Safety.*

---

### Presented by
### ALDERMAN DESPRES (5th Ward and ALDERMAN COUSINS (8th Ward):

*Referred*—PROPOSED RESOLUTION TO MEMORIALIZE U. S. SENATE TO DISAPPROVE APPOINTMENT OF G. HARROLD CARSWELL AS JUSTICE OF U. S. SUPREME COURT.

A proposed resolution to memorialize the United States Senate to disapprove the appointment of G. Harrold Carswell as a Justice of the United States Supreme Court.

Alderman Despres moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon said proposed resolution. The motion to Suspend the Rules was *Lost,* by yeas and nays as follows:

*Yeas*—Aldermen Despres, Cousins, Singer—3.

*Nays*—Aldermen Roti, Hubbard, Metcalfe, Lupo, Buchanan, Bilandic, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Zydlo, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—31.

Two committee having been called (the Committee on Finance and the Committee on Federal and State Legislation), said proposed resolution was *Referred to the Committee on Committees and Rules,* in accordance with the provisions of Council Rule 44.

*Referred*—PROPOSED RESOLUTION ON DUMPING OF MCCORMICK PLACE SEWAGE INTO LAKE.

Also a proposed resolution urging the City to request that the Metropolitan Fair and Exposition Authority build a connection between McCormick Place and the Chicago sewage system for storm water runoff, to prevent pollution of Lake Michigan.—*Referred to the Committee on Environmental Control.*

*Referred*—PROPOSED RESOLUTION TO MEMORIALIZE CONGRESS TO LOWER VOTING AGE TO EIGHTEEN YEARS IN ALL ELECTIONS.

Also a proposed resolution to memorialize Congress to lower the voting age to eighteen years in all elections.

Alderman Despres moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon said proposed resolution. The motion to Suspend the Rules was *Lost,* by yeas and nays as follows:

*Yeas*—Aldermen Despres, Cousins, Scholl, Singer, Hoellen, O'Rourke, Sperling—7.

*Nays*—Aldermen Roti, Hubbard, Metcalfe, Lupo, Buchanan, Bilandic, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Fifielski, Kerwin, Wigoda—26.

Whereupon said proposed resolution was *Referred to the Committee on Federal and State Legislation.*

---

### Presented by
### ALDERMAN BUCHANAN (10th Ward):

*Referred*—PROPOSED ORDINANCE FOR GRANT OF PRIVILEGE IN PUBLIC WAY.

A proposed ordinance for a grant of permission and authority to International Harvester Company to maintain and use an existing one double stairway with a canopy over said stairway in the sidewalk space on the east side of S. Torrence Avenue; also, a single stairway with an emergency sidewolk door leading to the subway entrance under the tracks of the Belt Railway, Chicago & Western Indiana Railroad, Calumet & Western Railway and the Pennsylvania Railroad, for the purpose of connecting the property of the grantee on the east side of said railroads with S. Torrence Avenue, etc.—*Referred to the Committee on Local Industries, Streets and Alleys.*

---

### Presented by
### ALDERMAN STASZCUK (13th Ward):

*Referred*—PROPOSED ORDER FOR PAVING PORTIONS OF SPECIFIED ALLEYS BY SPECIAL ASSESSMENT.

A proposed order to request the Board of Local Improvements to institute the necessary proceedings to pave by special assessment the roadways of the following-described alleys:

East-west alley in block bounded by W. 65th Place, W. 66th Street, S. Pulaski Road and S. Springfield Avenue;

East-west alley in block bounded by W. 65th Street, W. 65th Place, S. Lawndale Avenue and S. Central Park Avenue;

East-west alley in block bounded by W. 65th Place, W. 66th Street, S. Lawndale and S. Central Park Avenues.

—*Referred to the Committee on Local Industries, Streets and Alleys.*

---

### Presented by

### ALDERMAN STASZCUK (13th Ward) and ALDERMAN KUTA (23rd Ward):

### Commendation Extended to Montessori Society for Its Outstanding Contributions to Field of Education, Etc.

A proposed resolution reading as follows:

WHEREAS, Dr. Maria Montessori, the foundress of the Montessori Method of education, was the first woman in Italy to be licensed as a medical doctor and who served as Assistant in the Psychiatric Clinic at the University of Rome and subsequently held the Professorial Chair of Hygiene and Anthropology, expressed a personal and deep-set interest in retarded children who at that time were classified in the same category as the insane; and

WHEREAS, In the course of her clinical activities, Dr. Montessori realized that mental deficiency was an educational problem rather than a medical one, and projected the premise that, with special educational treatment, the problem of retardation could be vastly ameliorated, a theory now generally accepted today throughout the world; and

WHEREAS, She was instrumental in the establishment of a school for retarded children and participated as a teacher and in the training of other teachers in the education of retarded youngsters. She developed special techniques and methods of observation, through the application of which the inferior mentality of these retarded children developed to the degree that they competed successfully with normal children in public examination; and

WHEREAS, In 1907, Dr. Montessori became interested in the education of normal children, establishing schools called "Children's Houses" and which were, in reality, educational laboratories, emphasizing experimental psychology with special reference to child psychology. She subsequently published some fifteen books on The Montessori Method, and inaugurated an International Montessori Training Course in London, of which there are now some 600 schools in the United States alone, in addition to several advanced training centers; and

WHEREAS, April 26 has been designated as Montessori Day in recognition of the achievements of the Montessori Society in America and the contributions it has made to the growth and development of a system for the training and instruction of the young in self-education with special emphasis on the training of the senses; now, therefore,

*Be It Resolved,* That we, the members of the City Council of the City of Chicago, hereby commend the Montessori Society for its zealous efforts and dedicated service on behalf of our youth and for its outstanding contributions to education in our City and our Country, and express our very best wishes for its continued success; and

*Be It Further Resolved,* That Honorable Richard J. Daley, Mayor, be requested to proclaim Sunday, April 26, 1970, as "Montessori Day in Chicago" and to urge all Chicagoans to join with the Montessori Society in its observance of the 100th Anniversary of the birth of its foundress, Maria Montessori.

Alderman Staszcuk (seconded by Alderman Kuta) moved to *Suspend the Rules Temorarily* to permit immediate consideration of and action upon said proposed resolution. The motion *Prevailed.*

On motion of Alderman Staszcuk said proposed resolution was *Adopted.*

### Presented by
### ALDERMAN KEANE (31st Ward):

**Congratulations Extended to Gerald W. Cavanagh, President, and Entire Personnel of Chicago Motor Club on Their One-Half Century of Dedicated Contribution to Development of School Safety Patrol.**

A proposed resolution reading as follows:

WHEREAS, The City of Chicago has long been a leader in automobile safety for both drivers and pedestrians; and

WHEREAS, The City of Chicago in its great efforts to increase safety has always had the cooperation of many groups both civic and business; and

WHEREAS, In 1920 as the automobile began to be used by more and more people, the Chicago Motor Club cognizant of the danger to school children, cooperated with the Board of Education to develop the school safety patrol; and

WHEREAS, Through the efforts of the Chicago Motor Club and the safety patrol fatality rates in school areas were drastically reduced; and

WHEREAS, Interested groups from all over the United States and from countries abroad who wrote to the Chicago Motor Club asking for their assistance in organizing school patrols; and

WHEREAS, The Chicago Motor Club has made the school safety patrol one of its principal activities and has continued to sponsor the safety patrol from its founding to today where there are more than nine hundred thousand school safety patrol boys and girls guarding dangerous corners in more than fifteen thousand communities; and

WHEREAS, The Chicago Motor Club has offered more than one million dollars in its support of the patrol and is continuing its efforts in every way; now, therefore,

*Be It Resolved,* That the members of the Chicago City Council assembled here this 25th day of March, 1970, do unanimously congratulate Gerald W. Cavanagh, President, and the entire personnel of the Chicago Motor Club on their one-half century of their dedicated contribution to the safety of the children of Chicago, and wish their continued support in their untiring efforts.

Alderman Keane moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon said proposed resolution. The motion *Prevailed.*

On motion of Alderman Keane said proposed resolution was *Adopted.*

*Referred*—PROPOSED ORDER TO RESCIND DRIVEWAY PERMIT FOR SPECIFIED PREMISES.

Also a proposed order to direct the Commissioner of Streets and Sanitation to revoke Driveway Permit No. X-20356 issued on April 3, 1940 for the construction and maintenance of a driveway on the north side of W. Division Street starting at a point 20 feet east of the east property line of N. Pulaski Road (No. 3954 W. Division Street), etc.—*Referred to the Committee on Local Industries, Streets and Alleys.*

## Public Building Commission Requested to Construct Twenty-Eight Urgently Needed Projects Contained in 1969-1973 Capital Improvements Program.

On motion of Alderman Keane the City Council took up for consideration the report of the Committee on Finance deferred and published in the Journal of the Proceedings of February 25, 1970, pages 7932-7933, recommending that the City Council adopt a proposed resolution requesting the Public Building Commission to construct twenty-eight urgently needed projects contained in 1969-1973 Capital Improvements Program.

On motion of Alderman Keane said proposed resolution was *Adopted,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said resolution as adopted:

> WHEREAS, The City Council of the City of Chicago has received from the Chicago Plan Commission its approved program for capital improvements for the years 1969-1973; and
>
> Wœ585(:, Many of these urgently needed projects affecting the health, safety and welfare of the citizens will not be able to be constructed because of the inadequacy of existing general obligation bond funds; and
>
> WHEREAS, The Legislature of the State of Illinois has, under the Public Building Commission Act, provided an alternate means for meeting the urgent needs of local public bodies for buildings, improvements and facilities required in the furnishing of essential governmental health, safety and welfare services to its citizens; and
>
> WHEREAS, The City Council of the City of Chicago on March 28, 1956, passed a resolution creating the "Public Building Commission of Chicago"; and
>
> WHEREAS, The Public Building Commission of Chicago has heretofore facilitated the construction of urgently needed public improvements, namely: the Chicago Civic Center to provide space for courts, the Board of Health, and other public offices; the renovation of the City Hall; and has undertaken, at the request of the Board of Education of the City of Chicago, the construction of 20 new School-Park projects; now, therefore,
>
> *Be It Resolved,* That the City Council of the City of Chicago does hereby request the Public Building Commission of Chicago to forthwith undertake the following projects which are essential to the health, safety and welfare of the City of Chicago:

| *Capital Improvements Reference No.* | *Project and Location* | *Approximate Square Foot Gross Area* |
|---|---|---|
| 14007 | Fire Station—67th and King Drive Vicinity | 12,000 |
| 14011 | Fire Station—Washington and Leavitt Vicinity | 12,000 |
| 14016 | Fire Station—59th and Loomis Vicinity | 12,000 |
| 14018 | Fire Station—1713 North Springfield | 12,000 |
| 14020 | Fire Station—2225 West 51st Street | 12,000 |
| 14021 | Fire Station—Cortland and Damen Vicinity | 12,000 |
| 14022 | Fire Station—6238-48 North California | 12,000 |
| 14023 | Catherine and Pueblo Vicinity | 12,000 |
| 14025 | Fire Station—79th and Michigan Vicinity | 12,000 |
| 14026 | Fire Station—43rd and Ashland Vicinity | 12,000 |
| 14027 | Fire Station—15th and Ashland Vicinity | 12,000 |
| 15001 | 4th Area—11th District Police Facility — Sacramento Boulevard and Harrison Street | 115,000 |
| 15002 | 6th Area—19th District Police Facility — Lincoln, Damen and Irving Park | 115,000 |
| 15202 | Police Headquarters—New South Wing | 150,000 |
| 15203 | Police Headquarters—New Police Academy | 100,000 |
| 15204 | Police Headquarters—Multi-Story Garage | 1,200 Cars |
| 16012 | New Ward Office—12th and 22nd Wards | 5,600 |
| 16014 | New Ward Office—14th Ward | 4,600 |
| 16023 | New Ward Office—23rd Ward | 4,600 |
| 16024 | New Ward Office—24th and 29th Wards | 5,600 |
| 16047 | New Ward Office—47th and 50th Wards | 5,600 |
| 16401 | Bulk Refuse Reduction Equipment—103rd and Doty Avenue | |
| 16403 | Bulk Refuse Reduction Equipment—Southwest Area | |
| 16404 | Refuse Compaction Facility—West Area | |

| *Capital Improvements Reference No.* | *Project and Location* | *Approximate Square Foot Gross Area* |
|---|---|---|
| 16405 | Refuse Compaction Facility—North Area | |
| 16500 | Incinerator Residue Disposal Site—Southwest Side | 12,000,000 C.Y. |
| 18601 | Community Health Center—West Side | 55,000 |
| 18603 | Community Health Center—North Side | 55,000; and |

*Be It Further Resolved,* That the City Council of the City of Chicago understands that, in connection with these projects, it will be necessary for the City of Chicago to enter into a net lease or leases, non-cancellable in any event, with the Public Building Commission of Chicago, under the terms of which the City of Chicago will be required to pay such amounts of rent as will pay for all costs and expenditures incurred in connection with these projects, which costs and expenditures will be financed by the issuance of revenue bonds by the Public Building Commission of Chicago, and the principal and interest on which bonds will be amortized in not more than 20 years; and

*Be It Further Resolved,* That the City of Chicago does hereby further express its intent, as lessee of such projects, to operate and maintain the facilities and undertake the cost of such operation and maintenance all without right of reimbursement from the Public Building Commission of Chicago; and

*Be It Further Resolved,* That the City of Chicago will require that the leases to be entered into with the Public Building Commission of Chicago contain provisions for the conveyance or reconveyance to the City of Chicago by the Public Building Commission of Chicago of the property on which the facility is to be constructed, together with all buildings, structures or improvements located on said property, at such time as all principal and interest on the revenue bonds issued in connection with said project, and the accrued and unpaid expenses of the Commission with respect to such project have been paid in full.

---

## Budget of Model Cities Program Amended.

On motion of Alderman Keane the City Council took up for consideration the report of the Committee on Finance deferred and published in the Journal of the Proceedings of February 25, 1970, pages 7948-7958, recommending that the City Council pass a proposed ordinance to amend the Budget of the Model Cities Program.

**On motion of Alderman Keane said proposed ordinance was *Passed,* by yeas and nays as follows:**

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

WHEREAS, The City Council of the City of Chicago by ordinance adopted April 25, 1969, authorized the Mayor to submit to the Secretary of Housing and Urban Development, Chicago's Comprehensive Cities Demonstration Program (hereinafter referred to as the "Program"); and

WHEREAS, Said Program was subsequently approved by the Department of Housing and Urban Development, and by action taken July 15, 1969, this Council authorized the Mayor to execute a Grant Agreement in the amount of $38,159,000 which had been submitted to the City of Chicago by the said Department for the purpose of carrying out the first year Action Program; and

WHEREAS, The Program as submitted, approved and executed contained therein a Budget prescribing amounts deemed necessary and desirable for adequately funding the grant activities described therein; said amounts having been projected from the best and most current information available at the time; and

WHEREAS, An amendment to said Program Budget is now required so that said Program Budget may accurately and adequately provide fund adjustments made necessary by reason of program modifications, phasing changes and agency adjustments, as well as by the experience gained in actual operation of the Program; now, therefore,

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the Program Budget contained in Chicago's Comprehensive Cities Demonstration Program approved by City Council action April 25, 1969 and executed by the Mayor subsequent to Council authorization of July 15, 1969 be and the same is hereby amended in lines, words and figures as set out in Exhibit No. 1 attached hereto and made a part hereof.

[Exhibit No. 1 attached to this ordinance printed on pages 8319 to 8327 of this Journal]

SECTION 2. This ordinance shall take effect immediately upon passage.

---

## Penalty Fees Increased for Air Pollution Control Violations.

On motion of Alderman Keane the City Council took up for consideration the report of the Committee on Finance deferred and published in the Journal of the Proceedings of November 17, 1969, pages 6395-6396, recommending that the City Council pass a proposed ordinance to increase penalty fees concerning air pollution control violations.

On motion of Alderman Keane said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, O'Rourke, Hoellen, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

EXHIBIT NO. 1

## City of Chicago

## Model Cities Program

The pages which follow contain amendments to the First Year Model Cities Action Program in Chicago. Included in the document are:

1. Budget Summary
2. Revised Program Administration Budget, including Planning and Evaluation, Citizen Participation, and Cost of Election.
3. Revised Project Budgets, including new projects and Relocation Program.
4. Relocation Costs.

## City of Chicago

## Model Cities Program

### I. Budget Summary

| | | |
|---|---|---|
| A. | Program Administration, including Planning and Evaluation, Citizen Participation, and Cost of Election. | $ 3,781,098.00 |
| B. | Revised Project Budgets, including New Projects and Relocation Program. | 35,075,551.00 |
| C. | Unallocated Model Cities Supplemental Funds. | 58,571.00 |
| | Sub-total | $ 38,915,220.00 |
| | Less 20% local contribution of Program Administration | 756,220.00 |
| | TOTAL | $ 38,159,000.00 |

### II. Explanation of Program Administration Amendments

There are seven cost categories in which funds are budgeted when applying for funds under Title I of the Demonstration Cities and Metropolitan Development Act of 1966; personnel, consultant and contract services, travel, space, consumable supplies, rental, lease, or purchase of equipment, and other. The amendments to be made to this program administration budget are as follows:

## City of Chicago

## Model Cities Program

### A. Personnel

The original request under this cost category was for $1,178,355.00. The revised budget request is for $1,494,635.00, an increase of $316,280.00. This increase is due to the addition of staff needed to carry out the administration of this program and the recouping of cost incurred during the Letter to Proceed period.

### B. Consultant and Contract Services

The original request under this cost category was for $1,650,000.00. The revised budget request is for $1,325,133.00, a decrease of $324,867.00. This decrease is due in part to the removal of training cost and a reduction in the provision for consultant services.

### C. Travel

The original request under this cost category was for $17,000.00. The revised budget request is for $21,297.00, an increase of $4,297.00. This increase is a result of the provision for out-of-town travel being raised to a more realistic amount and the addition of a provision to cover cost incurred during the Letter to Proceed period.

### D. Space

The original request under this cost category was for $125,000.00. The revised budget is for $99,752.00, a decrease of $25,248.00. This decrease is due to a reduction in the allowance per square foot per person and a reduction in the cost per square foot.

## City of Chicago

## Model Cities Program

**E.** Consumable Supplies

The original request under this cost category was for $30,000.00. The revised budget request is for $34,449.00, an increase of $4,449.00. This increase is due to the inclusion of cost incurred during the Letter to Proceed period.

**F.** Rental, Lease, or Purchase of Equipment

The original request under this cost category was for $120,000.00. The revised budget request is for $116,632.00, a decrease of $3,368.00. This decrease is due to a better development of cost for this category.

**G.** Other

The original request under this cost category was for $375,000.00. The revised budget request is for $689,200.00, an increase of $314,200.00. This increase is due to the allocation of funds for Training and Public Information and Education, the election of council members, and a provision to cover cost incurred during the Letter to Proceed period.

The total original request was for $2,796,284.00. The revised total request is for $3,024,878.00, an increase of $228,594.00.

**III. & IV.** Revised Project Budgets, including New Projects and Relocation Program

The projects listed on the following pages are in two categories: Projects contained in the First Year Action Program for which there has been a change in sponsor, a substantial change in program activity, or an increase in budget of 10% or $100,000.00 over the original allocation of Supplemental Funds, new First Year Action projects and Relocation Program.

Projects which are modified are shown with the original estimated cost and the original MCA Share (Supplemental Fund Request), as well as the Revised MCA Share and the amount in excess of the original MCA Share. Changes in sponsor or substantial changes in program activity are indicated.

New First Year Action projects, and Relocation Program are listed along with their sponsor and the MCA Share requested.

(Continued from page 8318)

**The following is said ordinance as passed:**

*Be It Ordained by the City Council of the City of Chicago:*

That Chapter 17 of the Municipal Code of the City of Chicago be amended to read as follows:

SECTION 1. Section 79 of Chapter 17 of the Municipal Code shall be amended by deleting the words, "not less than ten dollar nor more than two hundred dollars for the first offense, and not less than fifty dollars nor more than two hundred dollars for the second and each subsequent offense in any ninety day period", wherever these words appear in this section, and substituting therefor the following:

> "Not less than one hundred dollars nor more than three hundred dollars for the first offense, and not less than three hundred dollars nor more than five hundred dollars for the second and each subsequent offense in any 180 day period."

SECTION 2. This ordinance shall be in full force and effect from and after its passage and due publication.

Alderman Despres presented a proposed amendment to the foregoing ordinance to substitute the words and figures "Section 17-2.62" for the words and figures "Section 79 of Chapter 17" concerning increase in penalty fees for air pollution control violations.

Alderman Despres moved to Adopt said proposed amendment.

Alderman Keane *moved to Refer said proposed amendment to the Committee on Environmental Control.* The motion *Prevailed.*

### Execution of Lease Authorized for Space at No. 4552 N. Broadway for Police Dept. and Community Service Aide Offices—Model Cities Program.

On motion of Alderman Keane the City Council took up for consideration the report of the Committee on Finance deferred and published in the Journal of the Proceedings of February 25, 1970, pages 7958 and 7959, recommending that the City Council pass a proposed ordinance to authorize a lease from Leo Price & Sons, Inc. for space at No. 4552 N. Broadway for Police Department and Community Service Aide offices—Model Cities Program (19th and 20th Police Districts).

On motion of Alderman Keane said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

Alderman Campbell moved to *Reconsider* the foregoing vote. The motion was *Lost.*

**The following is said ordinance as passed:**

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the City Comptroller is authorized to execute on behalf of the City of Chicago, a lease from Leo Price & Son, Inc., Agents for beneficiaries of American National Bank and Trust Co., Trust No. 7031, for approximately 2,330 square feet, 1st floor at 4552 N. Broadway for Police Department and Community Service Aide offices—Model Cities Program (19th & 20th Police Districts), such lease to be approved by the Superintendent of Police, and to be approved as to form and legality by the Corporation Counsel in the following form:

[Lease attached to this ordinance printed on page 8329 of this Journal]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

**This Agreement,** Made this .................... day of ....................

A. D. 1970, between Leo Price & Son Inc., Agents for beneficiaries of American National Bank and Trust Co., Trust #7031, as Lessor, and the CITY OF CHICAGO, a Municipal Corporation, as Lessee:

**Witnesseth:** That the Lessor do hereby lease to the Lessee the following described premises situated in the City of Chicago, County of Cook and State of Illinois, to-wit: approximately 2,330 square feet, 1st floor at 4552 N. Broadway for Police Department and Community Service Aide offices - Model Cities Program (19th & 20th Police Districts).

To have and to hold said premises unto the Lessee for a term beginning on the 1st day of February A. D. 1970/or date of occupation and ending on the 31st day of January A. D. 1972 Lessee has the right to terminate this lease on 30 day prior notice ~~and the right to renew this lease for a further period of~~ ~~on the same terms and rental by giving to the Lessor in either case days' written notice of its election so to do~~

Any notice from Lessee to Lessor under or in regard to this lease may be served by mailing a copy thereof to the Lessor at 4552 N. Broadway, Chicago, Illinois 60640, or at such other place as the Lessor from time to time in writing may appoint.

Lessee shall pay rent for said premises during the continuance of this lease at the rate of Five Hundred and no/100------------------------------------------($ 500.00) Dollars per month, payable in advance on the first day of each calendar month at the office of the City Comptroller. Assessments for water tax levied against said premises for all or part of the term of this lease shall be paid by the Lessor

Lessor during the entire term of this lease shall keep in a condition of thorough repair and good order at his own expense, said demised premises and appurtenances, including catch basins, vaults and sidewalks. If the Lessor shall refuse or neglect to make needed repairs within ten days after written notice thereof sent by the Lessee, the Lessee is authorized to make such repairs and to deduct the cost thereof from rentals accruing under this lease.

Lessor shall paint, clean premises, furnish heat per municipal code during normal working hours Monday thru Saturday, provide strip lighting, provide 3 toilets, clean and seal floors before occupancy, grants permission to Lessee to erect temporary partitions, Lessee may use utility heater. Lessee pays electric and janitorial service and plate glass insurance. It is mutually agreed and understood by and between the parties hereto that the remuneration mentioned in this lease is payable solely from funds when made available by the Federal Government, from Model Cities Funds.

Lessee shall not assign this lease or sublet said premises or any part thereof without the written consent of the Lessor, and upon the termination of this lease shall surrender said premises to the Lessor in as good condition as at the beginning of the term of this lease, loss by fire or other casualty, ordinary wear and repairs chargeable to the Lessor, excepted.

Lessor shall have the right of access at reasonable times for examining or exhibiting said premises and for making repairs, and shall be allowed to place thereon notices of "To Rent" for sixty days prior to the termination of this lease, and of "For Sale" at all times, but all such notices shall be placed in positions acceptable to the Lessee.

Lessee shall have the right to make such alterations, additions and improvements on said premises as it shall deem necessary, provided that such additions and improvements whether made during the term of this lease or prior thereto, shall be regarded as removable fixtures, all or any part of which the Lessee at its election may leave on said premises, or remove prior to the termination of this lease.

In case said premises shall be rendered untenantable by fire or other casualty during said term, Lessor may rebuild said premises within thirty days, but failing so to do, or if said premises shall be destroyed by fire or other casualty, this lease thereby shall be terminated; in the event of such a termination of this lease, Lessee shall be chargeable with rent only to the date of such fire or other casualty, and if Lessor shall rebuild within thirty days, Lessee shall be excused from payment of rent for the period of such rebuilding.

**In Witness Whereof,** this lease is signed by or on behalf of the parties hereto the day and year first above written.

[Signature forms omitted]

# MISCELLANEOUS BUSINESS.

### Presence of Visitors Noted.

Honorable Richard J. Daley, Mayor, called the Council's attention to the presence in the gallery of students from various schools, as follows:

Twenty-five students of the 4th Grade class of the Avoca East School, Wilmette, Illinois, accompanied by Miss Elsie Cohel;

Twenty students from Central College, Pella, Iowa;

Twelve students of the 7th and 8th Grade classes of the Hatch School, Oak Park, Illinois, accompanied by Mrs. Bridget Switalski;

Fifty students of the 8th Grade class of the Pennoyer School, Norridge, Illinois, accompanied by Mrs. A. Bunce;

Fifty students of the 4th Grade class of the Pirie Elementary School (8th Ward), accompanied by Mrs. Coretta Robinson;

Thirty students of the Special Education class of the Sawyer School (12th Ward), accompanied by Mr. Ronald Wolski;

Sixty students of the Junior and Senior Classes of the Hubbard High School (13th Ward), accompanied by Mr. James Fitzgerald.

The Mayor welcomed the visitors and invited them to attend future meetings.

### Time Fixed for Next Succeeding Regular Meeting.

By unanimous consent Alderman Keane thereupon presented a proposed ordinance which reads as follows:

*Be It Ordained by the City Council of the City of Chicago:*

SECTION 1. That the next succeeding regular meeting of the City Council of the City of Chicago to be held after the regular meeting held on Wednesday, the twenty-fifth (25th) day of March, 1970, at 10:30 A.M., be and the same is hereby fixed to be held on Wednesday, the eighth (8th) day of April, 1970, at 10:00 A.M., in the Council Chamber in the City Hall.

SECTION 2. This ordinance shall take effect and be in force from and after its passage.

On motion of Alderman Keane said proposed ordinance was *Passed,* by yeas and nays as follows:

*Yeas*—Aldermen Roti, Hubbard, Metcalfe, Holman, Despres, Lupo, Bilandic, Swinarski, Staszcuk, Sheridan, Shannon, Hines, Campbell, Frost, Kuta, Collins, Marzullo, Sain, Jambrone, Biggs, McMahon, Keane, Brandt, Laskowski, Casey, Cullerton, Laurino, Scholl, McCutcheon, Singer, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—36.

*Nays*—None.

### ADJOURNMENT.

Thereupon Alderman Sheridan moved that the City Council do *Adjourn.* The motion *Prevailed* and the City Council *Stood Adjourned* to meet in regular meeting on Wednesday, April 8, 1970, at 10:00 A.M., in the Council Chamber in the City Hall.

John C. Marcin

JOHN C. MARCIN,
*City Clerk.*
